

## **The Order 7761**

Chapter: 7761

“Huo Qing, I know you are doubting me, suspecting that I am letting Yun Li go.”

“I can tell you now that Yun Li is dead. He died for the Ten Palaces...”

There was anger in the eyes of the Tenth Palace Lord!

“Yun Li is dead?” Huo Qing’s body trembled slightly, and he asked in disbelief, “How did he die?”

“Do I even need to ask? Of course he was killed by that kid called Chen Ping. Yun Li’s soul lamp has gone out. If you don’t believe me, I can take you to see it!”

The Lord of the Ten Palaces said!

“Since the Palace Master said so, I will go and take a look...”

It was obvious that Huo Qing didn’t believe that Yun Li was dead, nor did he believe that Yun Li left the Ten Courts to seek revenge on Chen Ping!

The Tenth Palace Master suppressed his anger, turned around and walked out, and Huo Qing followed closely behind him!

When they arrived at the secret room and saw that Yun Li's soul lamp was really extinguished, Huo Qing finally believed what the Tenth Palace Master said!

"Yun Li, why did you die? Your death was so worthless..."

Huo Qing suddenly started howling!

Listening to the sound, it was extremely sad like the howling of ghosts and wolves. Almost everyone in the Ten Courts of Hell could hear Huo Qing's howling!

The Tenth Palace Master looked at Huo Qing with anger on his face, but said nothing.

After crying for a while, Huo Qing took out a handkerchief and pretended to wipe her tears, but it was unclear whether she was really crying!

"Palace Master, that Chen Ping really deserves to die, we must avenge Yun Li!"

Huo Qing wiped his face and said!

"Of course I want revenge. I'm going to ask you to avenge Yun Li right now. You must kill Chen Ping!"

The Lord of the Ten Palaces said!

"I'll go?" Huo Qing was stunned, then waved his hand and said, "No, no, my strength is comparable to Yun Li's, but he was killed. If I go, wouldn't I be courting death?"

"I can give you 20,000 immortal spirit stones, but you must go and kill Chen Ping. This is an order, not a negotiation..."

The Tenth Palace Master said with a cold expression!

"This..." Huo Qing wanted to refuse, but seeing the look on the Tenth Palace Master's face, he could only nod: "Okay, I'll go!"

Huo Qing turned and left, and the Tenth Palace Master looked at Huo Qing's back with murderous intent in his eyes!

Chapter: 7762

He just wanted Huo Qing to die. This guy even dared to question himself and challenge his authority. He deserves to die!

Huo Qing walked out of the hall, and soon a thin old man followed behind him. The old man was thin, but his eyes were very sharp!

"Master, what's going on? Did the Tenth Palace Master let Yun Li go?"

"What he did is a betrayal to the Temple. As long as we report it, the Tenth Palace Master will definitely be punished."

The old man whispered to Huo Qing!

"Shut up, Yun Li is already dead..."

Huo Qing glared at the old man and said!

“Dead?” The old man was shocked and said incredulously, “This Tenth Palace Master is so cruel that he really let his son die?”

“That’s right. I have seen Yun Li’s soul lamp go out.”

Huo Qing said!

“If that’s the case, then we can only continue to endure in the Ten Palaces and slowly look for opportunities.”

The old man said with some disappointment!

“What a stupid opportunity! The Tenth Palace Master asked me to kill Chen Ping and gave me 20,000 Immortal Spirit Stones. I didn’t even have the chance to refuse!”

Huo Qing frowned, looking embarrassed!

“Twenty thousand immortal spirit stones? The Tenth Palace Master is really generous. In this case, let’s go kill Chen Ping and come back to report.”

“I heard that Chen Ping is not very strong, but he has a master protecting him.”

“This guy can’t be protected all the time. We just need to wait for the right opportunity and we will definitely be able to kill Chen Ping.”

The old man said very confidently!

Huo Qing glanced at the old man, and said with some anger in his eyes: "Old man, do you want me to die sooner?"

"Young Master, what are you talking about?" the old man asked in shock!

"Luo Ta and Yun Li both died at the hands of Chen Ping. You still want me to kill Chen Ping? My strength is on par with Yun Li. Now that Yun Li is dead, how can I still be alive? ? "

Huo Qing asked loudly!

"Master, I have already inquired about it. Chen Ping is only at the ninth level of the Tribulation Realm. You can kill him with just a wave of your hand."

"At that time, it was because of the intervention of the Xiao Dynasty, the Taoist Wuji, and Mr. Shi behind Chen Ping that the Tenth Prince and Luo Ta were defeated."

Chapter: 7763

"The killing of Luo Ta and Yun Li this time must have been caused by Xiao Huangchao or Mr. Shi. It could not have been done by Chen Ping."

"Master, don't be scared. Chen Ping is nothing but an ant in front of you!"

The old man kept encouraging Huo Qing to kill Chen Ping!

"Okay, since you said so, I'll listen to you." Huo Qing nodded, then looked at the old man and said, "I now order you to kill Chen Ping and bring his head back. "

“I’m going?” The old man was stunned!

“Yes, I will send you. Chen Ping is only at the ninth level of the Tribulation Realm. Wouldn’t it be easy for you to kill Chen Ping?”

“Go and kill Chen Ping, and then bring back his head. I can reward you with fairy stones.”

Huo Qing said to the old man!

The old man waved his hands repeatedly and said, “Master, I... I can’t do it, I definitely can’t do it!”

“If you can’t do it, why the hell are you wasting your time talking?”

Huo Qing started scolding the old man!

“Master, then why don’t we go find Chen Ping? This is disobeying orders. According to the rules of the temple, disobeying orders will be severely punished.”

The old man said!

“Who said we won’t look for him? Of course we will. Chen Ping killed one of our Ten Palaces. If we don’t seek revenge on him, wouldn’t that make people look down on the Ten Palaces?”

“But I’m not the one looking for him. I’ll ask others to help find Chen Ping. Now that the ladder to heaven is about to appear, all the hidden forces are beginning to stir.”

“We can take this opportunity to issue a killing order in the name of the Ten Palaces. Anyone who kills Chen Ping will be rewarded with 100,000 immortal spirit stones!”

Huo Qing smiled coldly!

“One hundred thousand immortal spirit stones?” The old man staggered and almost fell down. He looked at Huo Qing in disbelief: “Young Master, where do you get so many immortal spirit stones?”

“Of course I don’t have it, but the Ten Palaces do. I will issue it in the name of the Ten Palaces. Whoever kills Chen Ping will follow the Ten Palaces to get the Immortal Stone. It has nothing to do with me.”

“I won’t be able to control whether the Tenth Palace Master will give it to me or not. I believe that 100,000 immortal spirit stones will definitely drive these hidden guys crazy. You know, the immortal spirit stones are what they lack the most in their cultivation.”

Huo Qing said!

The old man looked at Huo Qing speechlessly, not knowing what to say!

“Don’t just stand there, hurry up and issue the killing order, and remember to cast a wide net...”

Huo Qing urged!

“Master, the Demon Sealing Alliance once issued a killing order against Chen Ping with a hundred years of sacrifice, but Chen Ping has been alive and well. I’m afraid this killing order...”

The old man was a little hesitant. After all, issuing a killing order in the name of the Ten Palaces and rewarding 100,000 fairy stones was no small matter!

“The Demon Sealing Alliance’s hundred-year tribute is nothing. It’s only used by some small cultivators. A cultivator who has truly reached the peak of the ninth level of the Mahayana realm, or the Immortal Realm, simply doesn’t care about the Demon Sealing Alliance’s resources.”

“Only this fairy stone can tempt these expert monks. Just follow my instructions!”

Huo Qing said sternly!

“Yes, sir!” Seeing this, the old man could only nod, then turned and left!

After drafting the killing order, the old man smiled and said, “Chen Ping, Chen Ping, you are dead this time. Why did you have to mess with us, the Ten Palaces, when you could mess with anyone else?”

The old man knew how tempting this fairy stone was to the immortal realm cultivators. Plus, with the ladder to heaven about to open, there would surely be many cultivators in seclusion coming out!

In that case, after receiving the killing order, these monks will definitely go crazy!

Fairy stones, although considered trash stones in the heavenly realm, are indispensable resources for ascending to heaven in this celestial realm!

Ordinary spirit stones are of little use to cultivators in the Immortal Transformation Realm, but these immortal spirit stones are of the greatest use to cultivators in the Immortal Transformation Realm!

Especially for cultivators at the peak of the ninth level of the Mahayana realm, if they want to break through to the immortal realm, they must have fairy stones!

Now, with one hundred thousand immortal stones appearing all at once, that would definitely make the hidden forces boil!

Chapter: 7764

Sun and Moon City!

Lin Keting was still locked in the room, doing nothing all day long but practicing!

Although Lin Keting didn't really reflect on her mistakes, her father no longer allowed her to leave Sun Moon City!

"Princess....."

As the door was pushed open, a female cultivator walked in!

"What's wrong?" Lin Keting opened her eyes and asked the female cultivator in front of her!

"Look at this..."

After the female cultivator finished speaking, she slowly opened her palm, and a palm of white paper slowly appeared in front of Lin Keting!

When Lin Keting saw the above content, she was stunned!

“A killing order? The Ten Palaces actually want to offer a reward of 100,000 Immortal Spiritual Stones to kill Chen Ping?”

“What on earth did this guy do? He actually provoked the Ten Palaces to the point where they had to pay out 100,000 Immortal Spiritual Stones?”

“No, I have to go find my father and ask him to come forward and rescue Chen Ping.”

Lin Keting said this and walked out of the room!

But just as he reached the door, he was knocked back by a huge force!

“Princess, you cannot leave this room without the Emperor’s order.”

The female cultivator said!

Lin Keting frowned, looking anxious!

“Take the killing order and go find my master immediately, and then give it to him.”

Lin Keting said!

After all, the relationship between Chen Ping and Lin Keting was brought together by Taoist Wuji!

Now that Taoist Wuji has seen the killing order, he will definitely think of a way to save Chen Ping. It is impossible for him to become a widow before he is with Chen Ping!

“Yes, sir...”

The female cultivator slowly retreated!

Lin Keting paced back and forth in the room, feeling uneasy. She was locked up here and had no way to get in touch with Chen Ping.

Chapter: 7765

At this time, inside the imperial palace, Taoist Wuji and Lin Chong were drinking spiritual tea, and in front of them were the killing orders of the Ten Courts of Justice!

“Master, I didn’t expect this guy to be so valuable. One hundred thousand immortal spirit stones. Even I am tempted...”

Lin Chong smiled slightly and said!

“Hahaha, the Ten Palaces would rather spend 100,000 immortal spirit stones to issue a killing order than personally kill Chen Ping. Guess why?”

Taoist Wuji laughed!

“First, it is possible that the Ten Palaces cannot kill Chen Ping, or they have some concerns.”

“Second, the Ten Palaces issued this killing order just to disgust Chen Ping. Even if Chen Ping is really killed, the Ten Palaces will not give out 100,000 Immortal Spirit Stones!”

Lin Chong said after a little thought!

“Yes, what you said is possible, but there is another possibility, that is, this killing order was not issued by the Tenth Palace Master at all.”

Taoist Wuji smiled slightly and said!

“It wasn’t sent by the Tenth Palace Master?” Lin Chong was stunned!

“Have you forgotten that the Ten Palaces are not a monolithic entity? Not everyone submits to the Ten Palace Masters.”

Taoist Wuji said!

“Well, it’s possible. But no matter what the situation is, I’m afraid Chen Ping will be in big trouble this time.”

“What do you mean now, Taoist Priest? Do you want to help Chen Ping?”

Lin Chong looked at Taoist Wuji with a hint of amusement in his eyes!

“Let’s wait and see. Chen Ping is the virtuous son-in-law I chose for Xiaoting, so of course he has to have some outstanding qualities. If he is a loser who needs help everywhere, then I am harming Xiaoting.”

Taoist Wuji said!

“Well, let’s listen to the Taoist priest. We will wait and see what happens. This is also a good opportunity to investigate those hidden forces.”

“There are anomalies in the great formation of heaven and earth, the ladder to heaven is about to appear, and the forces of various parties are slowly surfacing.”

“This time the world of heaven and man is in chaos. I’m afraid it will completely rewrite the situation!”

Lin Chong nodded and said!

“Yes, this time the Heavenly Ladder appears, the Heavenly World will definitely be in chaos. I am not too worried about the hidden forces in the Heavenly World.”

“I’m worried about those perverts in the Stairway to Heaven. They are able to survive in the Stairway to Heaven world for a hundred years. If we let them walk out of the Stairway to Heaven, that would be the real threat.”

Chapter: 7766

Taoist Wuji said with a worried look!

“Yes, those guys who stayed in the Stairway to Heaven world are the biggest threat. I hope these guys will yearn for the heaven and not leave the Stairway to Heaven world!”

Lin Chong also had a melancholy look in his eyes and his brows were slightly furrowed!

The side hall of Sun Moon City!

Lin Kedong also held the killing order in his hand, his face full of excitement!

Behind Lin Kedong was a woman dressed in white, with long hair draped over her shoulders, a cold face, and a sheathed sword in her left hand!

“Ruoya, one hundred thousand immortal spirit stones, this is a huge amount of resources...”

Lin Kedong didn't look back, but spoke to the woman behind him with a slightly excited voice!

“My Lord, it is hard to say whether the Ten Palaces can come up with 100,000 immortal spirit stones. Moreover, the Emperor has ordered that none of you are allowed to leave Sun Moon City again.”

“The ladder to heaven is about to be launched, and the emperor wants you to speed up your preparations so that you can gain some experience on the ladder.”

Lin Ruoya said in a low voice!

“Humph, Father only asked us to prepare, but he didn't give me any resources. How can I prepare?”

“Lin Keting has been imprisoned, but someone can send her resources to practice every day. Father is too partial.”

Lin Kedong snorted coldly, very dissatisfied!

“My Lord, the resources of Sun Moon City are becoming increasingly depleted, and the Emperor has no other options, so he asked you to prepare and wait for the Heavenly Staircase to descend, then immediately go up the ladder to gain experience.”

“And this killing order from the Ten Palaces is probably just a conspiracy. If none of the Ten Palaces can kill Chen Ping, then how can we be his opponent?”

“But if the Ten Palaces can kill Chen Ping, why would they take out 100,000 immortal spirit stones? This is a complete paradox.”

“Besides, those people in the Ten Palaces are all extremely arrogant and have no credibility at all, so the eldest prince should not be tempted.”

Lin Ruoya persuaded Lin Kedong and analyzed the pros and cons of the killing order for him!

“I don’t care whether the Ten Palaces have credibility or not, but if I kill Chen Ping, and the people of the Ten Palaces dare not give me the Immortal Stone, then I will lead the Sun Moon City’s guards and flatten the Ten Palaces in one fell swoop.”

“Don’t forget, the command token of the Imperial Guard is in my hand. My father gave me the command of the Imperial Guard.”

“One hundred thousand immortal spirit stones are enough for me to break through the immortal realm and become the strongest among the princes.”

There was a greedy gleam in Lin Kedong’s eyes!

Although he is the eldest prince, his talent is not very strong, so he currently only has the strength of the ninth level of the Mahayana realm, and he has been trying for many years to break through to the Immortal Realm!

Chapter: 7767

Among their many princes, some have already broken through to the Immortal Transformation Realm, especially the fourth prince Lin Kefan, who has been in the Immortal Transformation Realm for many years!

The two of them have never been on good terms. Although Lin Kedong, as the eldest prince, can use his brother status to bully others, his strength is not as good as the other party, so Lin Kefan looks down on him!

This was a knot in Lin Kedong's heart, so he had always wanted to surpass Lin Kefan. However, the more anxious he was, the less likely he was to break through to the Immortal Transformation Realm!

To reach this level of realm, one needs talent, strength and opportunity, none of which can be missing!

"Grand Prince, you..."

"Don't say any more. I have made up my mind. I must kill Chen Ping and get these 100,000 Immortal Spirit Stones."

"If you are willing to go with me, then come with me. If you are not willing to go with me, then stay in the city, but you are not allowed to tell your father."

Lin Kedong threatened Lin Ruoya!

"I'm willing to follow!"

Seeing this, Lin Ruoya could only lower her head helplessly!

As Lin Kedong's personal maid, how could she not follow Lin Kedong!

"That's right. When I inherit the throne, I will make you my concubine. I will also let you have your own identity and you won't have to be a maid anymore."

Lin Kedong grabbed Lin Ruoya's hand and started to grope!

Lin Ruoya had a blank expression on her face. She let Lin Kedong move around on her body, and finally pressed her under him!

She had no choice, because she was from the side branch of the Lin family. People like them who were from the side branch of the Lin family could only serve as close attendants to the royal family!

Inside the Liangyi Gate!

The Divine Pattern Ancestor and the Array Demon are playing chess!

There was also a killing order from the Ten Courts of Justice placed in front of them!

“Brother, how come Chen Ping offended the people of the Temple in such a short time? And he even asked the Ten Palaces to issue a killing order.”

The demon asked after putting down a chess piece!

“Didn’t you notice that there was an abnormal movement in the Heaven and Earth Formation? The only one who could do this was that kid Chen Ping.”

“And judging by the time, the ladder to heaven will soon appear, and the world of heaven and man will be in chaos again. If the Ten Palaces issue a killing order at this time, it will only make the chaos worse!”

“What’s more, the people in the temple are extremely arrogant. How could they possibly pay to get things done? This time, the killing order definitely has the flavor of conspiracy.”

The ancestor of divine patterns smiled slightly and said!

Chapter: 7768

“Then what should we do? Shouldn’t we help that kid?” asked the Zhenmo!

“Help? How can I help? Our realms are suppressed, how can we help him?”

The ancestor of the divine pattern asked!

The array demons remained silent. This was not the heaven. Their strength was suppressed. Not only had they not been able to increase their strength over the years, but their strength had been declining year after year. Even if they wanted to help now, they couldn’t!

“Just let that kid take his own fate, don’t worry about it!”

The Divine Pattern Ancestor also placed a chess piece, and then said: “It’s your turn...”

The two men started playing chess and no longer paid attention to the killing order!

And many hidden forces in the world of heaven and man have also received this killing order at this moment. Although some people doubt this killing order, the temptation of one hundred thousand fairy stones still makes many people tempted!

However, Chen Ping did not know about the Ten Palaces’ Killing Order, and ordinary cultivators in the Heavenly Realm could not receive this killing order at all!

“Brother Chen, congratulations...”

Yun Li walked into Chen Ping's room and said with a smile!

Ever since Yun Li's soul was cut off, he has been smiling more and more!

He finally escaped from the control of the temple!

I can finally run around freely and be with the people I love!

"Brother Yun, what is there to congratulate?"

Chen Ping looked at Yun Li in surprise. He didn't understand what good news he had!

"You'll know once you see it..."

Yun Li said this and spread out a piece of white paper in front of Chen Ping!

When Chen Ping saw the above content, he was stunned and frowned!

This is the order from the Ten Palaces to kill himself!

One hundred thousand immortal spirit stones?

"You, the Ten Palaces, are too generous. Am I worth a hundred thousand immortal spirit stones?"

Chen Ping asked Yun Li!

“Of course you are not worth it. Even if you are, we in the Ten Palaces cannot spend 100,000 Immortal Spirit Stones to hunt you down.”

Chapter: 7769

“Don’t forget that we, the God Clan, are a superior race. How could we possibly resort to such means?”

Yun Li laughed!

“Isn’t this the killing order from your Ten Courts of Justice?” Chen Ping asked in surprise!

“Yes, but I am sure that this is not a killing order issued by my father.”

“It’s impossible for him to take out 100,000 immortal spirit stones. This must have been sent by someone else.”

Yunli said!

“Others? Is there anyone in your Ten Palaces who has such great power besides your father?”

Chen Ping was very puzzled. Aren’t such things something that only the Ten Palace Masters could do?

“My father’s power is not as great as you think, otherwise I wouldn’t have been imprisoned in the Ten Palaces for hundreds of years.”

“My father must have seen my soul lamp go out and mistakenly thought that I had been killed by you, so he sent people to take revenge.”

“And this killing order must have been issued by the person who was sent out!”

Yun Li analyzed!

“Then do you know who will be sent?” Chen Ping asked!

“If my guess is correct, the person sent must be Huo Qing, because only he would dare to do such a thing!”

When Yun Li mentioned Huo Qing, his eyes were clearly filled with hostility!

“Huo Qing? How strong is this guy?”

Chen Ping must first figure out what his strength is!

If the other party is a cultivator in the Immortal Transformation Realm, then Chen Ping will have to find a way to hide!

“His strength is comparable to mine, but this guy is extremely cunning and has an extremely dark personality. He must have issued the killing order in order to kill two birds with one stone.”

“When the time comes, many cultivators will see the killing order and will definitely come to kill you for the 100,000 Immortal Spirit Stones. This way, he won’t have to do it himself.”

“After killing you, I will definitely go to the Ten Palaces to collect the bounty. By then, my father will not be able to take out 100,000 immortal spirit stones.”

“If this happens, my father will be seen as having no integrity at all, and Huo Qing will have achieved his goal of disgusting my father.”

Yun Li had a very bad opinion of Huo Qing!

“He is only at the peak of the ninth level of the Mahayana realm. Can’t you just destroy him or expel him from the Ten Palaces? Such a small cultivator dares to challenge the Palace Master. It seems that you, the Ten Palaces, are not that good!”

Chapter: 7770

Chen Ping listened to Yun Li’s words and couldn’t believe it. How could such a Mahayana cultivator dare to go against the Palace Master!

“Hey, you don’t know that Huo Qing has someone behind him. Coming to my Tenth Palace is just a transition.”

Yun Li sighed and said!

“A relative?”

Chen Ping was speechless. He didn’t expect that in a place like the Heaven and Human Realm, there would be such a phenomenon as people with connections!

You have to know that this kind of thing is very common in the secular world. Which department doesn’t have people with connections?

“What are you going to do next? I can’t show up before the ladder appears, so I can’t help you.”

Yun Li asked Chen Ping!

“If there is an enemy, we will stop him. If there is a flood, we will block it with earth. Since someone wants to die, I will help him. In my eyes, there is no such thing as a relative!”

Chen Ping said calmly!

“If Huo Qing dares to come, I hope you can kill him to prevent him from causing trouble for my father.”

Yun Li said to Chen Ping!

“Are you begging me?” Chen Ping smiled!

“I guess so. I know your rules. I can give you something.”

After Yun Li finished speaking, he actually took out a scroll and handed it to Chen Ping!

“What is this? I don’t want that precious armor. It is useless to me.”

Chen Ping took the scroll and asked!

“This is the body refining scroll of our God Clan. We God Clan has always been different from ordinary humans. Of course, our physical bodies cannot be as fragile as ordinary humans, so our God Clan has always been refining our bodies!”

“Although your realm is improving very quickly and you can fight against opponents of higher levels, you are not without weaknesses. The speed of your physical body’s refining can no longer keep up with your cultivation speed.”

“You should know that as your realm improves, many techniques will require a strong body to support them. The stronger the body, the stronger the techniques.”

“So you have our divine body refining scroll, maybe it can be helpful to you.”

Yun Li said to Chen Ping!

Chen Ping nodded. He also felt that what Yun Li said made sense. In fact, Chen Ping could also feel that the tempering speed of his body was too slow!

“You gave me the things that the gods cultivated. Isn’t that a betrayal of the gods?”
