

## **The Order 7771**

Chapter: 7771

Chen Ping asked!

“I am no longer a member of the God Clan, so how can I be considered a traitor?” Yun Li smiled, “In fact, I also know that the God Clan we call ourselves is actually just the human race. There is no such thing as a God Clan in the world...”

Chen Ping looked at Yun Li in surprise. He didn't expect Yun Li to be so clear-headed.

When he opened the scroll, suddenly a white light entered between Chen Ping's eyebrows!

boom!

In an instant, countless pieces of information flooded into Chen Ping's sea of consciousness!

The body-refining scroll of the gods is indeed extraordinary. It is many times stronger than the body-refining techniques of the ancient body-refining clan!

But Chen Ping also knew that the stronger the body-refining technique, the more severe the pain he would endure when refining his body!

Body refining is too hard, and it also requires a lot of resources, which has caused many cultivators to give up on body refining and directly practice the realm of martial arts!

“Deal, if I see Huo Qing, I will kill him...”

Chen Ping smiled slightly and said!

“Okay, then I won’t bother you anymore. You’d better find a suitable place for body training. With the strength of the Xiao Dynasty, I’m afraid it will be difficult to find a suitable place for body training.”

Yun Li said to Chen Ping!

Because body refining is different from other kinds of cultivation, one must rely on external attacks to temper one’s own body!

If one practices behind closed doors, there is no way to temper the body. This is why very few people try to temper their bodies. It is too troublesome and there is no suitable venue!

“Brother Yun, please don’t worry about finding a venue.”

Chen Ping cupped his hands!

After seeing Yun Li off, Chen Ping immediately found Xiao Yuanshan!

He wanted to ask if there was a place in the Xiao Dynasty where he could temper his body!

As soon as Chen Ping went out, he saw Ji Yun and his youngest sister kissing and hugging each other. The relationship between the two has been heating up rapidly in the past few days!

From Chen Ping’s perspective, the two of them might have already practiced dual cultivation!

“Mr. Chen...”

Seeing Chen Ping, Ji Yun hurriedly greeted him!

“Ji Yun, even though you have a gentle place, don’t forget to practice. If you still want to follow me, you must speed up the improvement of your cultivation.”

Chapter: 7772

Chen Ping said to Ji Yun!

Chen Ping’s strength is getting stronger and stronger. If Ji Yun’s strength does not increase and remains at the same level, the gap between them will become larger and larger. By that time, Chen Ping will be unable to lead Ji Yun!

Now the enemies Chen Ping faces are getting stronger and stronger. Almost all of them are at the peak of the ninth level of the Mahayana realm, and there are even cultivators at the Immortal Transformation realm!

Facing such an enemy, if Ji Yun’s strength does not increase, it will be difficult for him to protect himself!

“Mr. Chen taught me that I will seize the time to practice.”

Ji Yun nodded and said!

Chen Ping didn’t say anything else and went straight to find Xiao Yuanshan!

When Xiao Yuanshan heard the purpose of Chen Ping’s visit, he immediately looked embarrassed!

“Mr. Chen, although the territory of our Xiao Dynasty is large, there are not many places to temper the body.”

“There are some small places that are not suitable for Mr. Chen at all. After all, those kind of painless attacks are meaningless for tempering the body!”

Xiao Yuanshan said with great embarrassment!

“Don’t worry, Emperor Xiao. There’s nothing in the Xiao Dynasty. I’ll just look for it somewhere else!”

Chen Ping smiled slightly and said!

“That’s the only way. However, there shouldn’t be many places in the entire Heavenly Realm where one can temper the body. There are too few body tempering cultivators right now.”

Xiao Yuanshan said!

“Father, I have a way to create a place for Mr. Chen to temper his body!”

At this time, Xiao Feng walked in quickly!

“What do you have in mind?” Xiao Yuanshan asked!

“Mr. Chen, I wonder how you feel about the body tempering by thunder tribulation?”

Xiao Feng asked!

“Of course it would be best to temper my body through thunder tribulation, but it is very difficult for me to improve my realm once. I can’t just wait until I improve my realm and pass the tribulation before tempering my body, right?”

Chen Ping said with some confusion!

“Of course not. Mr. Chen doesn’t need to improve his realm. We have many cultivators in the Xiao Dynasty. We just need to find some cultivators who are about to break through and gather them together. Then, there will definitely be a huge change in the world, and thunder and lightning will roar.”

“Mr. Chen, all you need to do is stand in the middle of these lightning tribulations and let them temper your body, right?”

Chapter: 7773

Xiao Feng followed Chen Ping to explain!

When Chen Ping heard this, his eyes suddenly lit up. Why didn’t he think of this?

Xiao Yuanshan was also enlightened and praised repeatedly: “This is a good idea, a good idea.”

“Feng’er, immediately go find the cultivators who are about to break through, gather them together, and create conditions for Mr. Chen to temper his body with the thunder tribulation!”

Xiao Yuanshan gave orders to Xiao Feng, Xiao Feng nodded and did it immediately!

There are many monks in the Xiao Dynasty, and a large number of people are breaking through every day!

Xiao Feng quickly gathered more than a hundred people. These people were at different realms, but they were all close to breaking through!

Xiao Feng gathered these people on a hill, far away from the imperial city!

If one of these people cannot be controlled properly, and the thunder disaster wreaks havoc, it will be troublesome!

After all, this kind of action has never happened in the world of heaven and man, with hundreds of people triggering a thunder tribulation at the same time!

“Mr. Chen, please get ready. Once you are ready, I will let them break through and trigger the thunder tribulation!”

Xiao Feng said to Chen Ping!

Chen Ping nodded, casually drew a series of array patterns, and then wrapped the entire mountain!

No matter what realm you are in, when you are undergoing a tribulation, you are the most vulnerable!

If an enemy appears at this time, it will be troublesome!

“Let’s get started...”

Chen Ping said!

Xiao Feng said to the hundreds of cultivators: "Begin..."

As Xiao Feng finished speaking, a large dark cloud of thunder and lightning suddenly appeared in the sky!

The thunder clouds continued to accumulate, and finally the entire sky turned black, and you couldn't see your hand in front of you!

Only in the thunder cloud, lightning was flying like a python, and thunder was resounding through the sky.

The scene before them was like the end of the world, which made Xiao Feng and Xiao Yuanshan worried!

"Mr. Chen, is this...is this okay? Is it too dangerous?"

Xiao Feng asked!

Chapter: 7774

"It doesn't matter, you'd better stay away..."

After Chen Ping finished speaking, he instantly turned into a streak of white light and disappeared on the spot. When he appeared again, he had already appeared under the thunder cloud!

Countless lightning bolts began to become violent, and then lightning bolts thicker than buckets struck straight towards Chen Ping!

The hundreds of cultivators below also gathered their energy and concentrated their minds, not daring to be careless in the slightest!

Although Chen Ping is there to resist the thunder and lightning, if Chen Ping can't resist it, and such a powerful thunder and lightning hits them, they will probably be reduced to ashes!

The thunder tribulations of hundreds of cultivators coming together are truly too terrifying!

Chen Ping faced the bucket-like lightning without any worries. The thunder tribulation of these people was much weaker than Chen Ping's own!

The original space in Chen Ping's body opened, and the stars of the origin of thunder and lightning flashed with dazzling light!

A powerful force of thunder and lightning burst out from his body!

As the origin of thunder and lightning spread, Chen Ping felt that his body was slowly changing!

The origin of thunder and lightning was slowly merging with the thunder tribulation in front of him, and at the same time, the power of the three tribes in Chen Ping's body actually had a slight reaction!

Boom boom...

Countless lightning strikes hit Chen Ping without any pause!

A hundred miles away, Xiao Feng and Xiao Yuanshan watched this scene nervously. They didn't know if Chen Ping could handle it!

At the same time, in the void thousands of miles away from the Xiao Dynasty, three figures quietly emerged. Their gazes pierced through the layers of clouds and mist, looking directly at the distant Xiao Dynasty, their faces filled with excitement that was difficult to conceal.

The leader was a handsome man dressed in a gorgeous brocade robe embroidered with intricate dragon and phoenix patterns, highlighting his noble status.

He had a handsome face, bright eyes, and a playful smile on his lips, as if everything was under his control.

On his left was a burly man holding a huge meteor hammer.

This meteor hammer weighs ten thousand pounds, and is wrapped with several chains, flashing with cold light, as if it can easily tear through space. He has muscles all over his body and is extremely strong. He looks like a powerful man.

On his right was a thin man with fierce eyes, holding a fiery red spear. The spear was blood red like flames, and the tip of the spear seemed to contain a raging fire that could burn everything.

Chapter: 7775

“The Xiao Dynasty is ahead, and Chen Ping is in it!”

The man in brocade robe spoke!

“Brother, why are you still hesitating? Let’s charge into the Xiao Dynasty, kill Chen Ping, and follow the Ten Palaces to claim our reward!”

The burly man said!

These people are all hidden forces from the heavenly world. Each of them is extraordinary and has reached the peak of the ninth level of the Mahayana realm!

Although he has not reached the realm of immortality, for the world of heaven and man, the peak of the ninth level of the Mahayana realm is also a heavenly existence!

And three Mahayana realm ninth-grade peak cultivators are likely to be able to sweep across the entire heavenly world.

Now they only need an opportunity to ascend to the realm of immortality!

One hundred thousand fairy stones, really tempting!

Especially for cultivators like them who are at the peak of the ninth level of the Mahayana realm, they are in urgent need of immortal stones to break through to the immortal realm!

“Can you destroy Chen Ping?”

The man in brocade robe asked!

“Of course, Chen Ping is only at the ninth level of the Tribulation Realm. I can kill him with just one finger.”

The burly man said very confidently!

The man in brocade robe smiled and said, “Since you can kill Chen Ping with just one finger, why did the people of the Ten Palaces take out 100,000 immortal spirit stones to kill Chen Ping?”

“How can a ninth-rank cultivator in the Tribulation Realm be worth a hundred thousand immortal spirit stones? I’m afraid he’s not even worth a hundred immortal spirit stones...”

“This...” The burly man was silent!

“Brother, are you saying that this killing order is a conspiracy of the Ten Palaces?” asked the thin man!

“Yes, the people of the Ten Palaces are treating everyone as fools. The ladder to heaven is about to appear, and at this time the Ten Palaces issued a killing order, obviously wanting to muddy the waters and then observe all the hidden forces.”

“And that Chen Ping is not as easy to kill as you say. I have investigated him, and the Ten Palaces have tried to kill him many times but all failed. Even the Demon Sealing Alliance under the Ten Palaces once used a hundred-year offering to hunt down Chen Ping, but they failed in the end!”

The man in brocade robe smiled faintly!

“Brother, since we know it’s a conspiracy, why are we still running here? We can use this time to practice more!”

The burly man said with some dissatisfaction!

“Shut up, I have my reasons for my decision!”

Chapter: 7776

The man in brocade robe said with a cold expression!

The burly man was so scared that he dared not speak anymore and just lowered his head in silence!

The three people quickly approached the Xiao Dynasty, and the powerful aura was instantly felt by everyone in the Xiao Dynasty!

All of a sudden, everyone in the Xiao Dynasty became panicked and started to gather together!

Three Mahayana realm ninth-grade peak cultivators, that's no joke!

Back then, when one of the Tenth Princes reached the ninth level of the Mahayana realm, he made the Xiao Dynasty in a state of disarray. If it weren't for the appearance of Mr. Shi, the Xiao Dynasty would have ceased to exist long ago!

But now three people at the peak of the ninth level of the Mahayana realm appeared at once. It was simply too terrifying!

Xiao Yuanshan and Xiao Feng also felt this breath at the same time, and both of them disappeared in an instant!

When they appeared, they were already standing in front of the three people!

Xiao Yuanshan glanced at the three of them, then stepped forward and bowed slightly, saying, "I am Xiao Yuanshan of the Xiao Dynasty. I wonder where you three are from?"

The man in brocade robe stepped forward and politely replied, "My three brothers are from Nanhua Peak. Today we have come to see Master Chen Ping..."

"Nanhua Peak?" Xiao Yuanshan was slightly stunned, but then he realized that these three people should be from a hidden force, so he hurriedly said: "It's really unfortunate that Mr. Chen is practicing and can't see you. Are you Mr. Chen's friends? If so, you can leave your name and I will pass it on to him after Mr. Chen finishes practicing."

"We are not his friends. How can he, a mere cultivator in the Tribulation Realm, be worthy of being our friend? We are here to kill him. Let him come out and die!"

The burly man snorted coldly and said to Xiao Yuanshan!

As soon as the burly man finished speaking, the man in brocade robe's face turned ugly!

Xiao Yuanshan and Xiao Feng both frowned and immediately got into position!

"If you want to kill Mr. Chen, you must first destroy the Xiao Dynasty."

As soon as Xiao Yuanshan finished speaking, hundreds of cultivators rose into the air and stood behind Xiao Yuanshan in unison!

At this point, the atmosphere between the two sides became tense.

Yun Li was drawing something in the room at this time, and Shi Lan was patting Yun Li's back from behind!

"It's really lively. There are actually idiots who believe the killing order and come to Xiao Dynasty to kill Chen Ping!"

Yun Li smiled slightly and said!

"Yun Li, what should we do? Do you need help? I'm afraid that the Xiao Dynasty can't stop the people coming."

Shi Lan asked!

Chapter: 7777

"Don't worry about it. I'm a dead man now, and dead people can't care about anything."

After Yun Li finished speaking, he continued to paint with full concentration!

In the air above the Xiao Emperor's court, the man in brocade robes smiled and said to Xiao Yuanshan, "Xiao Emperor, don't misunderstand me. My brother can't speak. We have no ill intentions. We just came here to see Master Chen."

"I've already told you that Mr. Chen is practicing and has no time..."

Xiao Yuanshan said in a cold voice!

Now that he knew the other party's intention, Xiao Yuanshan no longer had a good expression!

The man in brocade robe smiled and said, "It doesn't matter. We will wait for Master Chen to come out of seclusion. Please let Emperor Xiao know when the time comes!"

After saying that, the man in brocade robe waved his hand, and the three men retreated backwards, away from the Xiao Dynasty!

Seeing this, Xiao Yuanshan also led his men back to the Xiao Dynasty!

Seeing Xiao Yuanshan leading his men back to the imperial city, the burly man said with dissatisfaction: "Brother, with the strength of the Xiao Dynasty, we..."

"Shut up, you idiot!" The man in brocade robe didn't wait for the burly man to finish speaking and shouted loudly, wishing he could slap the guy twice!

The thin man at the side also said: "Did a donkey kick your brain? I have never seen a guy as stupid as you!"

When the burly man heard this, he immediately flew into a rage and yelled, "It's fine if you scold me, but who do you think you are? I'm your second brother after all, is that how you talk to me?"

"So what, second brother? You have no brains, so you are not allowed to speak?" The thin man glared at me, "Don't you think about it? The strength of the Xiao Dynasty is just an ant in front of us, but why is Xiao Yuanshan not afraid of us at all, and even pretends to fight to the death?"

"He...he is ignorant. He doesn't know the strength of the three of us."

The burly man explained!

"Bullshit, the three of us didn't hide our auras at all, so how could Xiao Yuanshan not know? If he didn't know, how could he have stopped us directly?"

"Then the reason why Xiao Yuanshan is not afraid of us at all is that there is a master backing the Xiao Dynasty, you idiot!"

The thin man cursed angrily!

"You fucking bastard..." The burly man became anxious and was about to take action!

"alright!"

The man in brocade robes shouted coldly, stopping the two people from arguing, and then continued: "Old Third is right. The Ten Palaces sent people to attack the Xiao Dynasty, but they all returned in defeat. This proves that there is a master behind the Xiao Dynasty."

“I also heard that Rota of the Ten Palaces was killed instantly and then resurrected. How could an ordinary cultivator do this?”

“What? You can be resurrected?” the burly man said in disbelief!

Chapter: 7778

“I just heard about it. The Ten Palaces will not take out 100,000 immortal spirit stones for no reason and let others do something that is so easy to do.”

“We must not be careless, especially when the ladder is about to appear, we must be even more cautious.”

The man in brocade robe said!

The burly man frowned and said, “Brother, although that is true, you should also know that wealth and honor are sought in danger. If you are so cautious, we won’t even get the dregs by then, and there will definitely be others who will come looking for Chen Ping.”

“If someone else comes looking for it, we will give it to them. You must have heard the story of the fisherman profiting from the quarrel between the snipe and the clam, right?”

The man in brocade robe said to the burly man!

“I’ve heard it, I’ve heard it, I understand!”

The burly man nodded repeatedly!

On the other side, Xiao Yuanshan brought Xiao Feng back to the imperial city and went straight to see how Chen Ping was tempering his body!

At this time, Xiao Yuanshan's face didn't look very good!

"Father, why did these three people want to kill Mr. Chen? Could it be that Mr. Chen has some connection with these hidden forces?"

Xiao Feng asked in great confusion!

Xiao Yuanshan also shook his head and said, "I don't know either. No matter what, we have to wait until Mr. Chen has finished tempering his body. During this period, even if we fight with all our might in the Xiao Dynasty, we will never allow anyone to get close to here!"

"I understand. I will mobilize the troops right away to protect this place!"

Xiao Feng nodded!

But at this moment, near the Xiao Dynasty, there were several powerful aura fluctuations, which made Xiao Yuanshan frown!

"Another expert is approaching our Xiao Dynasty. Could it be those three guys again?"

Xiao Feng asked!

"It's not those three people. The aura is wrong." Xiao Yuanshan said!

"What's going on? Why are there so many experts coming to our Xiao Dynasty all of a sudden?"

"Are they all here for Mr. Chen?"

Xiao Feng's face was full of confusion!

Xiao Yuanshan, Xiao Feng and the others did not know about the Ten Palaces' order to kill Chen Ping. They simply could not understand why so many experts suddenly appeared!

"These people are all here for Brother Chen..."

Chapter: 7779

At this time, Yun Li came slowly!

"How do you know?" Xiao Feng asked!

"Because the Ten Palaces used 100,000 Immortal Spirit Stones to issue a killing order against Chen Ping, so these people came here just for the killing order!"

Yun Li said lightly!

"One hundred thousand immortal spirit stones?"

Xiao Yuanshan was shocked. He didn't expect the Ten Palaces to be so generous!

"Since these people were coming for Mr. Chen, why didn't they take action? If those three cultivators had taken action just now, not everyone in our Xiao Dynasty might have been able to stop them!"

Xiao Feng said in confusion!

Xiao Yuanshan glanced at the sky and said thoughtfully, "Perhaps these people have some concerns. Mr. Shi has increased the fortune of my Xiao Dynasty by thousands of years, which proves that my Xiao Dynasty can stand firm for thousands of years."

"If these people took action in the Xiao Dynasty, they would definitely have some reservations. These are smart people, and they must have investigated it long ago!"

"Father is right. We have Mr. Shi protecting us. Who dares to take action in Xiao Dynasty? I think those three guys wanted to trick Mr. Chen out and then take action outside Xiao Dynasty. We just need to prevent Mr. Chen from leaving." Xiao Feng said.

"Yes, we just need to prevent Mr. Chen from leaving the Xiao Dynasty." Xiao Yuanshan also nodded in agreement!

"Do you think Chen Ping will stay in the Xiao Dynasty?"

After Yun Li finished speaking, he turned and left!

Although he had only just met Chen Ping, he fully understood Chen Ping's character!

Xiao Yuanshan and Xiao Feng stopped talking. They looked at Chen Ping who was still suffering from the tempering of thunder and felt a little at a loss!

Boom boom...

At this moment, there was a sudden loud bang, and a series of terrifying thunder strikes towards Chen Ping like mad!

Yun Li, who had already left, stopped at this moment and turned to look at Chen Ping in mid-air!

Chen Ping's body was seen emitting brilliant golden light!

Even the skin of the body turned golden!

"It's done so quickly?"

Yun Li said with some surprise!

This divine scroll on body refining is the secret technique of their God Clan. All the people of the God Clan are practicing it, and some have even been practicing it for hundreds or thousands of years!

Chapter: 7780

Yun Li himself had been practicing for who knows how many years, but he had never seen anyone who practiced as fast as Chen Ping!

The gods all believed that they were gifted with extraordinary talents, but even so, no god cultivator could cultivate this divine body refining scroll so quickly!

The golden light on Chen Ping's body became more and more dazzling. Even without activating the indestructible golden body, his pure flesh body could emit golden light. This was unheard of!

"Mr. Chen, you are truly a god..."

Xiao Yuanshan's eyes were shining at this moment, and his face was full of admiration!

Chen Ping's strength also means that their Xiao Dynasty will become more and more powerful. Xiao Yuanshan is very fortunate at this moment that he can make friends with Chen Ping and bring such a great opportunity to the Xiao Dynasty!

Ten Palaces!

Huo Qing was lying in his bedroom and had never left the Ten Palaces. He was not afraid that the Lord of the Ten Palaces would cause trouble for him!

He came to the Ten Palaces just to go through the motions and gild his reputation. Their Huo family is also a famous and prestigious family in the God Clan. They don't dare to do anything to him as just the Lord of the Ten Palaces!

Just as Huo Qing was lying there leisurely, the thin old man walked in!

"What happened? Is Chen Ping dead?"

Huo Qing asked!

"Master, although many people have gone to the Xiao Dynasty, they have not taken action yet. What should they be afraid of?"

The thin old man said!

"I know what they are afraid of. It is normal for them not to take action. After all, it is not certain whether the Ten Palaces can come up with 100,000 immortal spirit stones."

"Besides, Chen Ping has a master behind him. It's impossible for these guys not to investigate, and it's impossible for them to be used by us so easily!"

Huo Qing seemed to have expected this!

“Master, Lin Kedong from Sun Moon City also led people to the Xiao Dynasty, probably for the killing order as well.”

The thin old man said!

“What?” Huo Qing sat up suddenly: “That idiot was also fooled?”

“Hahaha, Lin Chong boasted that he was smart, but he actually gave birth to a stupid son. If Lin Kedong had killed Chen Ping, it would have been much more fun!”

“Young Master, would Lin Kedong be so stupid as to attack Chen Ping? There are already many cultivators near the Xiao Dynasty. If others don’t take action, he certainly won’t do it either, right?” said the thin old man!

“If he doesn’t do it, we’ll stimulate him.”

After Huo Qing finished speaking, he took out a storage bag and threw it to the old man, saying, “Here are 20,000 fairy stones. Take it to Lin Kedong and tell him it’s a deposit for our Ten Palaces. Seeing so many fairy stones, he will definitely not hesitate!”
