

The Order 7781

Chapter: 7781

“Master, are you just going to give out 20,000 Immortal Spirit Stones like this?”

The old man held the fairy stone and was very reluctant to part with it!

“You can’t catch a wolf without sacrificing a lamb. As long as Lin Kedong kills Chen Ping, he will definitely ask the Ten Palaces for the remaining 80,000 immortal spirit stones. Then I’ll see how the Ten Palaces’ Master will deal with it!”

Huo Qing finished speaking and waved his hand!

The old man stepped back and looked at the 20,000 fairy stones in his hand with a burning look in his eyes!

This is 20,000 fairy stones!

He even wanted to kill Chen Ping himself and take the fairy stone for himself!

But he knew that he was no match for Chen Ping!

.....

Sun and Moon City!

Lin Chong was still playing chess with Taoist Wuji. It often took the two of them dozens of days to decide the winner!

“Father, Father, my elder brother is missing. I heard from the guards that he has left Sun Moon City!”

The fourth brother Lin Kefan hurriedly ran into the hall and said!

“Where is your elder brother going? If Ruoya weren’t with him, he should be fine.”

Lin Chong still held the chess piece, thinking about what to do next!

“Father, my elder brother has probably seen the killing order and went to kill Chen Ping. One hundred thousand immortal spirit stones are indeed very tempting to him.”

Lin Kefan analyzed!

“What?” Lin Chong dropped the chess piece in his hand and frowned deeply. “How could this idiot believe the killing order of the Ten Palaces? Those God Clan monks are so arrogant and conceited. How could they take out 100,000 immortal spirit stones to reward others for nothing?”

“Go and get your eldest brother back right now. This idiot is being used as a pawn by the Ten Palaces. I’m so pissed off. If the people in the Ten Palaces knew about this, I would be so embarrassed!”

Lin Chong was really angry, his face turned red and he yelled!

“Father, my elder brother may not listen to me...”

Lin Kefan said with embarrassment!

“Take my token. If he doesn’t obey, tell him to never come back to Sun Moon City. Let him fend for himself!”

Lin Chong threw a token to Lin Kefan!

Chapter: 7782

Lin Kefan took the token and left in a hurry!

Above the Xiao Dynasty!

Two domineering auras came rapidly!

“Brother, some more people have come to Xiao Dynasty. It seems they are here for Chen Ping. How many people are there?”

The thin man looked into the distance, frowning slightly!

“The more people there are, the better. We can take advantage of the situation!”

The man in brocade robe smiled slightly!

“Brother, so many people are coming here to see Chen Ping. If someone succeeds first, wouldn't we have come here in vain?”

“I think we should take action and kill Chen Ping before these people do anything.”

The burly man could hardly contain his inner anxiety!

“You idiot, so many people are waiting, but no one has entered the Xiao Dynasty to kill Chen Ping. Can't you see the reason?”

“These guys have lived for thousands of years, and each of them is extremely smart. Since they didn’t take action, they must have investigated. You stay still and don’t take action without my permission!”

The man in brocade robe glared at the burly man and said!

The burly man lowered his head and stopped talking, but there was obvious dissatisfaction on his face!

Two auras came quickly, and when they got closer, they found that it was a male monk with a female monk in white clothes behind him!

These two people are Lin Kedong and Lin Ruoya!

Seeing that Lin Kedong and Lin Ruoya were not stronger than themselves, the three of them went to meet them!

When they arrived in front of Lin Kedong, before the three of them could speak, Lin Kedong said with disdain: “Get out of here, are you also here to kill Chen Ping and get the 100,000 Immortal Spirit Stones?”

The three were stunned. They didn’t expect Lin Kedong to be so rampant!

“Fuck, who do you think you are? You dare to ask us to get out of here? I think you are tired of living. Do you believe that I will smash you to death with a hammer, and then play with the female cultivator behind you?”

The burly man had a look of anger on his face, and the meteor hammer in his hand kept spinning!

“you.....”

When Lin Ruoya heard this, she was so angry that she drew her sword instantly!

Lin Kedong said coldly, "Who am I? I tell you, I am Lin Kedong from Sun Moon City. Don't even think about killing me with one hammer. If you dare to touch me, Sun Moon City will tear you into pieces and you will never be able to be reborn!"

Chapter: 7783

"Sun Moon City?"

The three of them were startled and obviously took two steps back!

Especially the burly man, his face turned very ugly!

The three of them are just independent cultivators. How could they have the capital to fight against the Sun Moon City? Among the hidden forces in the Heaven and Human Realm, the Sun Moon City is considered an awesome existence!

"Mr. Lin, I'm really sorry. My brother was just reckless. I beg you to forgive me."

The man in brocade robe apologized with a big smile on his face, his expression was so flattering!

Seeing the expression on the man in brocade robe's face, Lin Kedong finally smiled. It felt so good to be flattered by others!

"You three just watch carefully. When I kill Chen Ping and get the 100,000 immortal spirit stones, I will reward you with some."

Lin Kedong said very arrogantly!

“Thank you, Master Lin...”

The man in brocade robe hurriedly thanked him!

“My Lord, the Xiao Dynasty has been blessed with good fortune for thousands of years by a master. We cannot rashly enter the Xiao Dynasty and kill people.”

“And the Ten Palaces are definitely not people who keep their word, so even if we kill Chen Ping, we may not be able to get 100,000 Immortal Spirit Stones, so please be cautious, Your Highness!”

Lin Ruoya persuaded Lin Kedong!

“Hahaha, didn’t I tell you that I don’t care whether the Ten Palaces give Immortal Stones to others or not. If I kill Chen Ping and they dare not give me Immortal Stones, I will lead the Imperial Guards to wipe out the Ten Palaces in one fell swoop.”

Lin Kedong laughed loudly, looking very arrogant.

The three men in brocade robes standing by listened to Lin Kedong’s words, and no one dared to question it. After all, the strength of Sun Moon City was there, and it was not inferior to the Ten Palaces, and it was even higher than the Ten Palaces!

“Mr. Lin, I am not a person who does not keep my word. This is just your misunderstanding!”

At this time, a thin old man came slowly!

“Are you from the Ten Palaces?” Lin Kedong looked at the old man and asked!

“Yes, I came here this time to give Master Lin 20,000 Immortal Spirit Stones as a deposit. After the matter is completed, I will definitely offer the remaining 80,000 Immortal Spirit Stones with both hands!”

After the old man finished speaking, he directly threw a storage bag to Lin Kedong!

When he opened the storage bag, he found that there were really 20,000 fairy stones in it. This made Lin Kedong very happy!

“I didn’t expect that you, the Ten Palaces, would be so generous, giving me 20,000 immortal spirit stones as a deposit. But don’t worry, after I take your deposit, I will definitely kill Chen Ping.”

Chapter: 7784

Lin Kedong said excitedly!

Seeing the 20,000 immortal spirit stones, the other three people’s eyes widened with envy!

“My fellow Taoist, we can also help kill Chen Ping, and we only need a deposit of 10,000 yuan. What do you think?”

The burly man couldn’t stand the temptation of the fairy stone, so he said to the old man!

When Lin Kedong heard this, he immediately flew into a rage. This was a blatant attempt to steal his business!

“Damn it, you are so bold that you dare to steal my business in front of me?”

Lin Kedong’s aura exploded, and it felt like he was ready to take action at any time!

“Master Lin, calm down. How dare we compete with you? We will leave immediately...”

The man in brocade robe’s face changed drastically, and then he pulled the burly man away!

After getting away from Lin Kedong, the man in brocade robe looked at the burly man with a sullen face and said, “Second brother, you are so fucking stupid. You almost killed us all just now. How dare you mess with the eldest young master of Sun Moon City?”

“Brother, I...didn’t I see the fairy stone and couldn’t help myself?”

“And it seems that the Ten Palaces are quite trustworthy and even gave a deposit.”

The burly man looked aggrieved!

“Brother, the three of us are just independent cultivators, without any backers. If we were all like you, we would have died without a burial place long ago.”

“If you continue like this, I and my brother will be killed by you sooner or later!”

The thin man said very dissatisfiedly!

“Shut up, everyone is responsible for their own actions. Lin Kedong is only at the peak of the ninth level of the Mahayana realm. What’s there to be afraid of? The three of us can kill him in a few minutes if we join forces.”

“When Lin Kedong dies, how will Sun Moon City know who did it? You are just a coward.”

The burly man roared at the thin man!

He didn't dare to vent his dissatisfaction on his eldest brother, but he would not indulge his third brother!

Hearing the words of the burly man, the man in brocade robe sighed softly, seeming very disappointed.

After hearing the sigh of the man in brocade robe, the thin man suddenly thrust out a gun, and the flaming tip of the gun went straight to the chest of the burly man!

This sudden change startled the burly man, who quickly blocked it with the meteor hammer in his hand and shouted angrily: "Damn it, are you crazy? You actually want to kill me..."

"Second brother, it's not me who wants to kill you, it's my eldest brother and I who want to kill you..."

Chapter: 7785

The thin man said!

"What?" The burly man turned around and looked at the man in brocade robe in disbelief. Before he could open his mouth, the man in brocade robe punched him!

boom!

The burly man's body instantly collapsed, and a wisp of soul flew out of his body!

"Brother, you...why are you doing this?"

The burly man's soul asked angrily!

“You are so stupid. You will kill both of us sooner or later. It is better to kill you directly to avoid trouble in the future!”

After the man in brocade robe finished speaking, he waved his hand, and the other party’s soul was instantly reduced to ashes, as if the burly man had never existed!

Only the meteor hammer fell heavily on the ground, creating a deep hole in the ground!

“Third brother, you won’t blame your eldest brother for doing this, right?” asked the man in brocade robe!

“Brother, I have wanted to kill this idiot for a long time. He is just brute force and has no brains. If it weren’t for the two of us helping him, he would have died countless times.”

“Today he actually said something about killing the Young Master of Sun Moon City. This kind of pig brain will definitely cause us trouble.”

The thin man said!

“Now that there are only you and me, we must trust each other. One hundred thousand immortal spirit stones are important, but the most important thing is life.”

“What’s the use of a million fairy stones if you’re dead!”

Said the man in brocade robe.

“Brother, I understand. Don’t worry, I will never be blinded by profit!”

The thin man nodded!

“It’s good that you understand. We are just casual cultivators. Although we have worked hard to cultivate to the ninth level of the Mahayana realm, compared with those large clans and forces, we are not even as good as ants.”

“Now that so many forces have come to the Xiao Dynasty, even if we kill Chen Ping and get 100,000 immortal spirit stones, do you think we can live safely?”

“Besides, it is impossible for the Ten Palaces to give us 100,000 immortal spirit stones...”

The man in brocade robe said helplessly!

Although their current strength allows them to walk all over the world of heaven and man, they are still like ants when facing the hidden forces in the world of heaven and man!

The reason for this is that they have no backing and no power of their own. It is really difficult for a casual cultivator to survive in the world of heaven and human!

Chapter: 7786

“Brother, what should we do next?”

The thin man asked!

“Wait, wait for an opportunity...”

The man in brocade robe said!

“What opportunity?” asked the thin man!

But the man in brocade robe did not speak, but stared blankly at the Xiao Dynasty in the distance!

.....

Xiao Dynasty.

“Father, there are already more than a dozen terrifying auras surrounding the Xiao Dynasty.”

Xiao Feng said to Xiao Yuanshan with a worried look on his face!

Xiao Yuanshan had a solemn expression on his face, he said nothing, he just stared blankly in the direction of the thunder tribulation!

The only thing he hoped for now was that Chen Ping would temper his body as soon as possible. After all, these people came here for Chen Ping!

At this moment, a thunderstorm suddenly sounded!

Immediately afterwards, golden lights shot up into the sky. The power of these golden lights was extremely strong, which meant that someone had successfully overcome the tribulation!

As more and more monks successfully passed the tribulation, the thunder clouds in the sky gradually became thinner, and the thunder tribulation also became much weaker!

When the last thunderbolt struck Chen Ping, he suddenly opened his eyes!

Boom boom...

A golden light burst out from Chen Ping's body, and then rushed straight into the sky. The golden light exploded in mid-air, and then a terrifying aura suddenly spread over the Xiao Dynasty, making everyone feel extremely oppressive!

Under the gaze of everyone, Chen Ping slowly walked out from the golden light!

At this moment, Chen Ping's whole body was golden, even his hair was shining with golden light, and he exuded terrifying power and pressure!

This is pure physical strength, without any spiritual power!

Yun Li walked out of the room and looked at Chen Ping from afar, with envy and admiration in his eyes!

"Mr. Chen, congratulations! Your body has become so strong!"

Xiao Yuanshan greeted him immediately and said happily!

Chapter: 7787

Chen Ping smiled slightly and looked around at the hundreds of monks!

Although these cultivators successfully overcame the tribulation, the road ahead will become increasingly difficult. After all, this time, the tribulation was all borne by Chen Ping alone!

Although this kind of tribulation is successful, future cultivation will be very difficult, and may even cause stagnation in cultivation. This is why people who are undergoing tribulation do not like to seek help from external forces!

“Emperor Xiao, I hope you can take care of these monks...”

Chen Ping said to Xiao Yuanshan!

“Don’t worry, Mr. Chen. We in the Xiao Dynasty will remember the sacrifices they made to temper your body. I will have Xiao Feng record it and give more resources to these cultivators.”

Xiao Yuanshan said!

Chen Ping nodded, then looked up into the air and said slowly: “With so many powerful auras, it seems that the 100,000 Immortal Spirit Stones are indeed very tempting!”

Xiao Yuanshan was stunned and asked, “Mr. Chen knows about the Ten Palaces’ Killing Order?”

“Of course I know. These people should all be coming for me, right?”

Chen Ping laughed!

Xiao Yuanshan nodded, and then told him what happened after Chen Ping tempered his body!

“Mr. Chen, these people are all hidden forces from the Heaven Realm. I have seen three of them before. They are all at the peak of the ninth level of the Mahayana Realm. They are all existences that should not be underestimated!”

“Now they don’t dare to step into the Xiao Dynasty to cause trouble for you. I think you should stay in the Xiao Dynasty and don’t go out easily.”

Xiao Yuanshan said!

“The peak of the ninth level of the Mahayana realm?”

Chen Ping smiled, and suddenly his body disappeared!

Xiao Yuanshan was horrified and immediately shouted, “Everyone, go out and protect Mr. Chen...”

In an instant, hundreds of cultivators in the entire imperial city flew into the air and followed Chen Ping closely!

“Here I come...”

Lin Kedong looked at the hundreds of cultivators flying out of the imperial city of the Xiao Dynasty and smiled faintly!

Soon, Chen Ping appeared in front of Lin Kedong!

Chen Ping took a look at Lin Kedong and Lin Ruoya behind Lin Kedong, and felt a lot more relaxed!

Because the two of them joined forces, Chen Ping was not afraid!

Chapter: 7788

“The second level of Mahayana realm, not bad, not bad...”

Lin Kedong looked at Chen Ping with an arrogant look and sneered, “Are you Chen Ping?”

“Yes, who are you?”

Chen Ping asked!

“The person who killed you...” Lin Kedong said, and he appeared in front of Chen Ping in a flash!

Without any hesitation, Lin Kedong attacked Chen Ping!

He needs to kill Chen Ping as soon as possible, get 100,000 fairy stones, and then return to Sun and Moon City to avoid any further complications!

Lin Kedong’s figure approached like lightning, but just when he was about to make a move, Chen Ping’s figure disappeared on the spot like a phantom. Lin Kedong’s attack missed and a hint of astonishment flashed in his eyes.

“How is that possible!”

Lin Kedong was shocked, and then felt a chill.

He turned around suddenly, only to see Chen Ping appear behind him with a scornful smile on his face.

“Your speed really disappoints me.”

Chen Ping said softly, then slapped out with his palm, hitting Lin Kedong on the back.

Lin Kedong groaned, and his body flew forward like a kite with a broken string, hitting the ground heavily, raising a cloud of dust.

Two men in brocade robes not far away witnessed this scene, and they gasped in shock.

“Is this the strength of the second level of the Mahayana realm?”

The thin man whispered, his eyes full of disbelief.

Lin Kedong got up from the ground, his face as gloomy as water and his heart burning with anger. He didn't expect that he would be so embarrassed in front of Chen Ping, and he felt extremely upset.

The attack just now was completely resolved by Chen Ping, and he didn't even have a chance to counterattack.

“Do you dare to come again?”

Chen Ping smiled slightly, with a playful gleam in his eyes.

“You...” Lin Kedong's face was distorted with anger and he gritted his teeth in his heart.

He knew that he was no match for Chen Ping, but he would never accept defeat. So he took a deep breath, mobilized all his spiritual power, and prepared to attack again.

“Hmph, that’s ridiculous.” Chen Ping shook his head, then his figure flashed and appeared in front of Lin Kedong again. The spiritual power in his hand condensed and turned into a ray of light, heading straight for Lin Kedong.

Chapter: 7789

“Don’t come over here!” Lin Kedong retreated in horror, but he couldn’t escape at all. Chen Ping’s speed was so fast that he forced him into a desperate situation in an instant.

“Is this the result you want?” Chen Ping smiled coldly, and the light in his hand burst out instantly, hitting Lin Kedong’s heart.

“Ah!” Lin Kedong let out a scream, and his body was blown away again like a kite with a broken string. He fell heavily to the ground, blood spurting out.

“You dare...” Seeing this, Lin Ruoya drew her sword and attacked Chen Ping!

No matter how rampant Lin Kedong is, he is the eldest prince after all. As his follower, if Lin Kedong is in danger, she will surely die without a burial place, and her family will also be implicated!

Facing Lin Ruoya’s attack, Xiao Yuanshan jumped up and surrounded Lin Ruoya with many Xiao Dynasty monks!

Lin Ruoya was only at the eighth level of the Mahayana realm. She could not withstand the attacks of Xiao Yuanshan and his men at all and was quickly subdued!

The man in brocade robe was stunned, totally unable to believe the scene before him.

Lin Kedong is a powerful warrior at the peak of the ninth level of the Mahayana realm, but he was completely unable to fight back in front of Chen Ping. It was simply unbelievable.

Just now they wanted to kill Chen Ping and get the 100,000 fairy stones, but now seeing this scene, they no longer have any idea!

“What are you still looking at? Come and help me!”

Lin Kedong looked at the man in brocade robe and roared, his heart filled with shame and anger.

However, the man in brocade robe was hesitant. He was afraid of Chen Ping’s strength and no one dared to step forward easily.

At this moment, Chen Ping was like a lion, ready to tear the prey in front of him at any time.

“It seems that you are nothing special.” Chen Ping said calmly, with a hint of disdain in his eyes.

Lin Kedong gritted his teeth, feeling extremely angry, but he was helpless. He knew that he was in a desperate situation, and Chen Ping in front of him was someone he could not fight against.

He had never imagined that Chen Ping, a second-level Mahayana realm master, would have such strength. He was completely powerless to fight back in front of Chen Ping!

“Boy, do you know who I am?”

Lin Kedong glared at Chen Ping and asked!

“I don’t care who you are. Since you are here to die, I will grant your wish.”

After Chen Ping finished speaking, he slapped Lin Kedong again!

In fact, Chen Ping mistook Lin Kedong for a member of the Ten Palaces. Yun Li had said that Huo Qing from the Ten Palaces was sent to deal with him!

Moreover, Chen Ping had promised Yun Li to kill Huo Qing, so Chen Ping acted without mercy!

If Chen Ping knew that Lin Kedong was Lin Keting's elder brother, he would never have taken such drastic measures!

Seeing Chen Ping attacking again, Lin Kedong was so scared that he retreated hastily, but his speed was not as fast as Chen Ping!

Bang!

Chen Ping slapped Lin Kedong on the back, and Lin Kedong fell to the ground with blood spitting out of his mouth, looking miserable!

At this time, Lin Kedong's eyes were full of fear!

"Let me take you on your way..."

Chen Ping looked at the embarrassed Lin Kedong and was about to stomp his head to pieces!

"stop....."

At this moment, a streak of light flashed by, and then Lin Kefan appeared in front of Chen Ping. With a palm push out, Chen Ping subconsciously took two steps back!

“Brother, are you okay?”

Lin Kefan helped Lin Kedong up!

When Lin Kedong saw Lin Kefan coming, he immediately felt confident that he had a helper!

“Fourth brother, kill him, kill him for me...”

Lin Kedong gritted his teeth, his eyes wide open, with an expression as if he wanted to eat someone!

Lin Kefan looked at Chen Ping and asked, “Are you Chen Ping?”

“That’s right.” Chen Ping nodded, then looked at Lin Kedong and asked, “Are you here to die too?”

Lin Kefan did not care about Chen Ping’s disrespectful tone, but looked at Lin Kedong and said, “Brother, my father has ordered you to come back with me as soon as possible.”

“I want...” Lin Kedong didn’t listen at all and was determined to kill Chen Ping!

How could Lin Kedong tolerate Chen Ping humiliating him in public!

At this time, Lin Kefan took out the token and said seriously: “Father has ordered you to go back with me. If you don’t go, then you must never go back.”

Chapter: 7790

Seeing the token, Lin Kedong immediately wilted. He could only glare at Chen Ping fiercely, and then said to Lin Kefan: "I'll go back with you..."

But just when Lin Kedong was about to leave with Lin Kefan, Chen Ping directly summoned the Dragon Slaying Sword and blocked the two of them!

"You can come as you please, and leave as you please. It's not that easy. If you want to leave, you can leave your life behind..."

Chen Ping swung the Dragon-Slaying Sword in his hand, and sword energy began to surge between heaven and earth!

Lin Kefan frowned, while Lin Kedong opened his eyes wide and said, "Boy, you are playing with fire and getting burned..."

"I'm going to play with your mother. Today I..."

Before Chen Ping finished speaking, the two men in brocade robes quickly approached here!

Chen Ping felt the breath of the two men in brocade robes, and his expression changed slightly!

Chen Ping still has the strength to fight against Lin Kedong and Lin Kefan!

If these two Mahayana realm ninth-grade peaks were added, Chen Ping knew he had no chance of winning!

“You two, go away...”

Chen Ping waved his hand and told Lin Kedong and Lin Kefan to get out!

“You fucking...”

Lin Kedong was furious, but was still pulled away by Lin Kefan!

Lin Ruoya followed closely behind. Chen Ping did not make things difficult for her, but looked at the two men in brocade robes vigilantly!

“Mr. Chen, these three were the first to approach you...”

Xiao Yuanshan came to Chen Ping, but just as he finished speaking, he found that there were only two of the three men in brocade robes left, so he asked, “Aren’t there three of you? Where is the big fool holding the meteor hammer?”

The man in brocade robe did not answer Xiao Yuanshan’s words, but came to Chen Ping, bowed respectfully and said: “Hello, Mr. Chen, my name is Xuan Bin, this is my third brother Zhou Tang...”

Chen Ping was a little surprised by the politeness of the man in brocade robe!

“Aren’t there three of you? Where’s your second brother?”

Chen Ping asked!

“He’s dead...” Hyun Bin said without hiding anything!

“Dead?”

Xiao Yuanshan and Chen Ping were both shocked.
