

The Order 7791

Chapter: 7791

“I killed my second brother because he was obsessed with money and profit, and he wanted to kill Master Chen and get the 100,000 immortal spirit stones from the Ten Palaces.”

“I had no choice but to kill him...”

Hyun Bin said truthfully!

After hearing the reason why Xuan Bin killed his second brother, Chen Ping and Xiao Yuanshan were stunned!

“Just for this reason, you killed your second brother?”

Chen Ping looked at Xuan Bin, somewhat unable to believe it!

“This reason is enough, because I know that once he attacks Master Chen, the three of us brothers will die without a burial place.”

“For my own sake and for the safety of my third brother, I have no choice but to kill my second brother!”

Hyun Bin said!

“Are you so sure that I can kill you three?” Chen Ping didn’t understand. This Xuan Bin was only seeing him for the first time, so how could he know that he had the ability to kill them three?

"I'm not sure, but I know that Master Chen has a bright future. Even if he fails to kill us this time, we will die miserably at his hands in the future!"

"Just now I saw Master Chen easily defeat Lin Kedong, which is enough to prove that my guess was correct!"

Hyun Bin looked sincere, without any intention of flattery!

"Wait a minute!" Chen Ping was stunned and looked at Xuan Bin: "What did you just say? What was the name of the guy I beat away?"

"Lin Kedong, the eldest prince of Sun Moon City..."

Hyun Bin said!

"Fuck..."

Chen Ping took a deep breath and almost fainted!

He always thought that Lin Kedong was Huo Qing from the Ten Palaces, so he was a little too heavy-handed!

Unexpectedly, it turned out to be my own brother-in-law?

This is trouble!

Chen Ping attacked and injured his elder brother-in-law. How could he go to see Lin Keting in the future?

And I seemed to have cursed just now, saying "I'm fucking your mother..."

Isn't Lin Kedong's mother his mother-in-law?

Chapter: 7792

Chen Ping didn't dare to think about it anymore, his whole body was numb...

"Mr. Chen, what's wrong with you? Are you afraid that Sun Moon City will cause trouble for you?"

Seeing Chen Ping's expression, Xiao Yuanshan asked in a low voice!

"Oh, it's okay. I'm not afraid of Sun Moon City. Besides, I'm planning to go to Sun Moon City!"

Chen Ping said after he came back to his senses!

"Mr. Chen, you can't just go to Sun Moon City casually. Besides, you injured the eldest prince of Sun Moon City. If you go to Sun Moon City again, you will definitely be retaliated."

Hyun Bin said!

"It's okay, maybe it's just a misunderstanding, I can just say a few words and it will be over!"

Chen Ping smiled faintly!

Although he injured Lin Kedong, his crime did not deserve the death penalty. It was impossible for him to kill himself after arriving in Sun Moon City!

At most he would be taught a lesson or yelled at by Lin Keting!

Seeing that Chen Ping didn't care, Xuan Bin stopped talking about Sun Moon City and asked Chen Ping, "Mr. Chen, is it true that the entire Xiao Dynasty has been blessed with good fortune?"

Chen Ping nodded: "Yes!"

"Who did this?" Hyun Bin asked!

"He's just an elder in the family, why are you asking these questions?"

Chen Ping didn't understand why Xuan Bin asked these questions!

Xuan Bin looked at Chen Ping's relaxed look, smiled bitterly and said, "No wonder Master Chen is not afraid of the Sun Moon City at all. With such an elder behind him, he doesn't have to be afraid of the entire Heavenly World!"

"It just adds a few thousand years of luck to the Xiao Dynasty. There's nothing to be surprised about." Chen Ping said calmly, "If Mr. Shi is unhappy, he can destroy this star field in a minute!"

After hearing what Chen Ping said, Xuan Bin fell silent. He really couldn't imagine how terrifying the backers behind Chen Ping were!

Destroy the star field?

You have to know that the world of heaven and man is just one world, but in the entire star field, there are countless worlds!

Destroy a star field in minutes?

Then these cultivators from the celestial world are not even as good as ants in front of them!

“Don’t worry, I won’t offend anyone unless they offend me. If you haven’t offended me, I won’t kill you casually!”

Chapter: 7793

Seeing that Xuan Bin was frightened, Chen Ping spoke!

In fact, Chen Ping himself was just bragging. He had no idea whether Mr. Shi could destroy the star field in minutes!

He had no idea what Mr. Shi’s strength was, but he always regarded Mr. Shi as his elder and believed that Mr. Shi could do anything!

“Boy, you are not bragging. Don’t feel pressured. I also have the ability to destroy star fields.”

“A star field like that in a low-level universe can be easily destroyed. It’s not a difficult task!”

Demon Lord Chiyun said to Chen Ping!

“Aren’t you bragging?” Chen Ping looked at Demon Lord Chiyun in disbelief!

“What are you bragging about? Many worlds in the lower-level universes are far inferior to this world of heaven and man.”

“I can also destroy a star field like that. I once blew up a star field with one punch.”

“My achievements are verifiable, I never brag...”

When Demon Lord Chiyun talked about his past glory, his eyes lit up!

“A good man never brags about his past achievements. Shut up now...”

Chen Ping told the Red Cloud Demon Lord to shut up, then looked at Xuan Bin and asked, “You came to the Xiao Dynasty, didn’t you just want to see me? Did you also come for the Ten Palaces’ killing order?”

Xuan Bin nodded: “Yes, one hundred thousand immortal spirit stones are indeed very tempting, but we know that we cannot get those one hundred thousand immortal spirit stones.”

“Even if we can really kill Master Chen, the Ten Palaces will not give us 100,000 Immortal Spirit Stones.”

“Even if the Ten Palaces gave us 100,000 immortal spirit stones, we three brothers would not be able to keep them. Those 100,000 immortal spirit stones would become our death warrant.”

“Then why are you coming?” Chen Ping asked puzzledly.

“Mr. Chen, we are all independent cultivators. We have gone through countless hardships to cultivate to our current level, but we are stuck at the peak of the ninth level of the Mahayana realm and have never been able to break through.”

“We are not like Master Chen, who has a huge force behind him. We can only rely on each other.”

“Now that we see Master Chen, we two brothers are willing to follow him, even if it means risking our lives...”

As Xuan Bin said this, he actually knelt down in front of Chen Ping!

This scene immediately made Xiao Yuanshan dumbfounded!

Chen Ping was also dumbfounded. He really didn't expect that Xuan Bin, a ninth-grade peak Mahayana cultivator, would actually kneel down to him in front of everyone!

You have to know that such powerful monks are very concerned about their reputation, even reputation is more important than life!

Chapter: 7794

But now Hyun Bin seems to have no regard for his face at all!

Even Zhou Tang who was standing by was looking at his elder brother with eyes wide open!

He also didn't expect that his elder brother would kneel down to Chen Ping!

“Brother, what are you doing...”

Zhou Tang stood aside, feeling a little helpless!

“Kneel down...” Xuan Bin looked at Zhou Tang coldly!

Zhou Tang hesitated for a moment, but finally knelt down!

“My two fellow Taoists, what are you doing? Hurry up and get up. Your strength is considered outstanding in the world of heaven and man.”

“My strength is far inferior to yours, don’t make such a joke!”

Chen Ping was a little flustered and wanted to pull the two men up!

Both in terms of realm and age, these two people are much older than him. Now they kneel down to him and want to follow him. Chen Ping dare not accept them!

“Mr. Chen, we are not joking. If you don’t accept us two brothers, we will never get up!”

Hyun Bin said sincerely!

“Yes, I can’t get up...”

Zhou Tang also said along with Hyun Bin!

Although Zhou Tang didn’t fully understand why his elder brother did this, he chose to believe his elder brother at this moment!

“Now that the Tenth Prince has issued a killing order, you still want to follow me. Aren’t you afraid of the Tenth Prince?”

Chen Ping asked speechlessly!

“Mr. Chen is not afraid of the Ten Palaces, so what should my two brothers be afraid of?”

Hyun Bin said!

Chen Ping looked around and said, “I wonder how many masters are trying to kill me around here. Aren’t you afraid?”

“If you want to attack Master Chen, you must step over the bodies of my two brothers first!”

Hyun Bin’s face was full of determination!

Seeing this scene, Chen Ping nodded and smiled: “Okay...”

Chapter: 7795

“Thank you, Mr. Chen...”

Xuan Bin immediately changed his words and followed Xiao Yuanshan’s lead, calling Chen Ping “Sir”!

“Since you two brothers have followed me, you are now a family. You can get up now. You are at the critical stage of breaking through the Immortal Realm and you will need a lot of resources.”

“I have 20,000 immortal spirit stones here. Each of you brothers can take 10,000 and use them...”

Chen Ping directly threw two storage bags to Xuan Bin and Zhou Tang!

Among them, ten thousand fairy stones belonged to Yun Li, so Chen Ping didn't feel sorry for it!

Moreover, he also has a fairy stone mine in Beast City, and it is estimated that he can mine hundreds of thousands of fairy stones!

Twenty thousand immortal spirit stones?

Hyun Bin and Zhou Tang stood up and were immediately overjoyed!

This one move costs 20,000 fairy stones!

So generous!

Xuan Bin accepted the fairy stone with great joy and said respectfully, "Thank you, Mr. Chen. We will not refuse even if our lives depend on it!"

And Zhou Tang also took the fairy stone, then knelt down again with a plop!

"Thank you, Mr. Chen. From now on, I will be your dog. I will bite whoever you tell me to bite..."

This time, Zhou Tang knelt down willingly!

The reason he knelt just now was because of Hyun Bin, but this time, Zhou Tang was willing to do it, even if he had to kneel for a whole day!

It is said that a man's knees are made of gold, but what the other person gives is much more valuable than gold!

"It's serious..."

Chen Ping smiled faintly!

At this moment, the surrounding void trembled, and several Mahayana masters surrounded them!

Each of these people is at the ninth level of the Mahayana realm, and their aura is extremely powerful!

Seeing this scene, Xiao Yuanshan frowned and immediately brought people to block Chen Ping!

Hyun Bin and Zhou Tang also showed their weapons!

Although the two of them were definitely no match for the several ninth-grade Mahayana cultivators on the opposite side, they had just followed Chen Ping and they had to do something for Chen Ping!

Chapter: 7796

Regardless of whether you can win or not, you must first show your attitude!

"I am Xuan Bin from Nanhua Peak, and now I am following Mr. Chen. If you dare to attack Mr. Chen, my two brothers will fight to the death!"

Xuan Bin shouted loudly to the several monks who came over!

But who would have thought that the monks didn't even look at Xuan Bin, but walked straight towards Chen Ping.

Just when Xuan Bin and Zhou Tang were about to take action, those monks suddenly knelt down to Chen Ping!

"Mr. Chen, please accept us..."

Several ninth-grade Mahayana cultivators knelt down to Chen Ping in unison!

This shocking scene stunned Xuan Bin, Xiao Yuanshan and others!

Chen Ping's face was also full of disbelief!

What happened today?

Why do so many ninth-grade Mahayana cultivators want to be his subordinates?

"What do you mean?"

Chen Ping asked in confusion!

One of the bearded men looked up at Chen Ping and said, "Mr. Chen, we are also independent cultivators. We hope to follow Mr. Chen..."

“I hope to follow Mr. Chen!” Several other monks also said in unison!

“this.....”

Chen Ping was a little at a loss!

“Mr. Chen, we are also willing to go through fire and water for you.”

“I’ll be your dog if you ask me to bite you, we’ll bite anyone we want...”

The bearded man said sincerely!

Zhou Tang was stunned. Isn’t this his own word?

How come this guy learned it so quickly?

“Mr. Chen, so many ninth-grade Mahayana cultivators want to follow you. This is truly a cause for celebration.”

“If you recruit these people, you can walk around the world freely. Even if you meet people from the Ten Palaces, you can fight them!”

Chapter: 7797

Xiao Yuanshan whispered to Chen Ping!

His meaning was very clear, that is to let Chen Ping accept these people!

These are all ninth-grade cultivators in the Mahayana realm!

Pick any one of them at random, and they are all stronger than Xiao Yuanshan!

Chen Ping nodded. Since someone brought it to his door, there was no reason for him to refuse it!

These ninth-grade Mahayana cultivators can indeed help me a lot!

One ninth-grade Mahayana cultivator might not be a big deal, but with so many ninth-grade Mahayana cultivators, they would not be afraid at all even if they encountered a cultivator who had just reached the Immortal Transformation Realm!

“Okay, I’ll accept you, and you’ll follow me from now on!”

Chen Ping waved his hand gently and said!

“Thank you, Mr. Chen...”

After expressing his gratitude, the bearded man stood up with his men!

After these monks stood up, they stared at Chen Ping, making Chen Ping a little scared!

“Mr. Chen, it seems that you still have charisma. So many masters are following you.”

“Now that we have so many Mahayana ninth-grade masters, why should we be afraid of the ten palaces?”

“If anyone from the Ten Palaces comes, I will kill him one at a time. If two come, I will kill a pair...”

Hyun Bin said excitedly!

Now so many people are following Chen Ping, this is a considerable force!

Chen Ping smiled faintly, and was very happy in his heart!

It seems that I still have a lot of charisma!

“The world is bustling with people because of profit, the world is bustling with people because of profit...”

Suddenly, Demon Lord Scarlet Cloud blurted out these words!

“Senior, what do you mean?” Chen Ping asked in confusion!

“Don’t ask, you’ll know in a moment!”

Demon Lord Chiyun said with a profound look on his face!

Chapter: 7798

Chen Ping couldn't help but curl his lips when he saw the pretentious look of Demon Lord Chiyun!

"Mr. Chen, we are following Mr. Chen. Do you have any gift for us?"

Seeing that Chen Ping was slow to speak, the bearded man opened his mouth and asked!

"Oh, yes, yes..."

As Chen Ping spoke, he rummaged through his storage ring, then took out some magical herbs and elixirs and distributed them to the ninth-grade Mahayana cultivators!

"That's it?"

The bearded man clearly had a look of disgust on his face!

Everyone else looked unhappy too!

"Yes, these magical herbs and elixirs are also priceless!" Chen Ping nodded!

"Mr. Chen, if I follow you, won't I get 10,000 immortal spirit stones?"

The bearded man asked bluntly!

Chen Ping was stunned for a moment, then said: "Where can I get so many fairy stones to give you!"

“Fuck, why didn’t you tell me earlier that you didn’t have the Immortal Stone? You’ve wasted our time and made us kowtow to you for nothing!”

The bearded man cursed in dissatisfaction and threw away all the elixirs in his hand!

Several other monks also cursed, then turned around and left, and soon disappeared!

Xuan Bin, Xiao Yuanshan and others were all stunned!

Chen Ping himself was also confused. When he realized what was happening, he immediately yelled, “You fucking bastard...”

Before Chen Ping could finish his words, the other party had disappeared!

“Hahaha.....”

At this time, Demon Lord Chiyun burst into laughter!

Only then did Chen Ping understand what Demon Lord Chiyun meant!

“Mr. Chen, don’t be too angry. These guys are here for the fairy stones. It’s obvious that they don’t really want to join you.”

“We brothers also know quite a few people, all of whom are in the ninth rank of the Mahayana realm, who can be recruited for Mr. Chen.”

“I just don’t know how many fairy stones Mr. Chen still has?”

Chapter: 7799

Xuan Bin asked Chen Ping!

“What? Do you think ten thousand fairy stones are too few?” Chen Ping asked somewhat unhappily!

“No, no, no, Mr. Chen misunderstood. Ten thousand immortal spirit stones are really a lot for us.”

“I just want to recruit some followers for Mr. Chen. Mr. Chen also knows that for a ninth-grade cultivator in the Mahayana realm, the Immortal Spirit Stone is the best cultivation resource.”

“The desire for the Immortal Spirit Stones of the ninth-rank Mahayana cultivators is even stronger than that of the Immortal Transformation cultivators. After all, with the Immortal Spirit Stones, it will be much easier to ascend to the Immortal Transformation realm.”

“If Mr. Chen still has fairy stones and is willing to give out some, I will definitely be able to recruit some people for him!”

Hyun Bin explained hurriedly!

“To be honest, I have a mine of fairy stones myself. I can have as many fairy stones as you want.”

“If those idiots just now were more sincere, the fairy stones would be inexhaustible!”

Chen Ping snorted coldly!

It is true that Chen Ping has a mine of fairy stones, but it is a bit of an exaggeration to say that he has an inexhaustible supply of fairy stones!

“What? Mr. Chen actually has a mine of fairy stone?”

Hyun Bin and Zhou Tang both widened their eyes!

“Of course, otherwise where would I get these fairy stones from?”

Chen Ping nodded!

Hyun Bin and Zhou Tang swallowed their saliva, their eyes shining!

“Mr. Chen, we will go and contact you right away. You have a vein of fairy stone in your hands. Those monks will worship you as their grandfather!”

After Xuan Bin finished speaking, he left with Zhou Tang!

“Mr. Chen, do you really have a mine of fairy stone?” Xiao Yuanshan asked!

If Chen Ping doesn't have the fairy stone mine, when the time comes, many cultivators will be called in. If Chen Ping doesn't have the fairy stone, they will probably run away!

After all, in this world of heaven and man, interests are the most important!

“You don't believe me?” Chen Ping smiled slightly!

Seeing Chen Ping's expression, Xiao Yuanshan quickly nodded and said, "I believe it..."

"But those two guys took the fairy stone and left. Will they just run away and never come back?"

Chapter: 7800

"No, they will definitely come back." Chen Ping's face was full of confidence!

What he believed in was not the humanity of Xuan Bin and Zhou Tang, but the fairy stone in his hand!

Chen Ping followed Xiao Yuanshan back to the imperial city!

However, Xuan Bin and Zhou Tang stopped thousands of miles away from the Xiao Dynasty!

"Brother, do you think that fairy stone vein is real?"

Zhou Tang asked Xuan Bin!

"I don't know!" Xuan Bin shook his head!

Zhou Tang frowned slightly: "If it's not true, even if we find someone to come, I'm afraid we won't be able to keep it."

“Whether you can stay or not is none of our business. Our mission is to find someone.” After saying that, Xuan Bin moved and went towards the void!

Zhou Tang followed closely behind, and said solemnly: “Brother, is it worth it to follow the Ten Palaces and become enemies of Sun Moon City just for Chen Ping?”

Zhou Tang, who had just been kneeling in front of Chen Ping and calling him a dog, now felt like backing off!

Anyway, they have obtained 10,000 fairy stones, which is enough for them to practice for a while!

Maybe these ten thousand immortal spirit stones can send them to the immortal realm!

“Don’t worry, Sun Moon City will never become Chen Ping’s enemy. Didn’t you notice that Lin Kedong left the city secretly to deal with Chen Ping?”

“The fourth prince who came later was here to pull him back. It’s obvious that Sun Moon City doesn’t want to get involved in the matter of the killing order!”

“As for Lin Kedong’s injury, he just needs to be healed. He won’t die!”

Hyun Bin analyzed as he walked!

Zhou Tang was listening on the side and he admired this elder brother more and more!

.....

Sun and Moon City!

Lin Kedong was supported by Lin Kefan and came back!

Lin Chong sat on the throne with an angry face, as if he wanted to eat someone!

“You are so bold that you dare to leave the city without my order. Do you think I won’t punish you just because you are the eldest prince?”

Lin Chong roared at Lin Kedong!
