

## **The Order 7801**

Chapter: 7801

Lin Kedong knelt on the ground with a plop, and said with a look of grievance: “Father, the resources you gave me are too few. I don’t have enough for cultivation. At this rate, when will I be able to break through the Mahayana realm and reach the Immortal Realm?”

“Although the Ten Palaces have no credibility, they gave me 20,000 immortal spirit stones as a deposit. These 20,000 immortal spirit stones cannot be fake!”

Lin Kedong actually took out 20,000 fairy stones in front of Lin Chong!

When Lin Chong heard this, he became even angrier, gasping for air and saying, “You fucking idiot, why did the Ten Palaces only give you the deposit and not others?”

“They are taking advantage of you. Is your brain full of shit?”

After Lin Chong finished yelling, he looked at Lin Ruoya and said, “Ruoya, why did I ask you to stay by the side of the Crown Prince?”

“Your Majesty, I... I tried to persuade the eldest prince, but failed!” Lin Ruoya hurriedly knelt on the ground!

“Father, my eldest brother is injured. Let him go and heal first. We can talk about it after he recovers!”

Lin Kefan persuaded Lin Chong!

“Kefan, you said that Chen Ping is only at the second level of the Mahayana realm?”

Lin Chong asked!

“Yes, the second level of Mahayana realm!” Lin Kefan nodded!

“A second-grade Mahayana Realm cultivator actually beat your brother, who is at the peak of the Mahayana Realm, into this state. It seems that this kid is quite interesting.”

“Kefan, if you fight him, what are your chances of winning?”

Lin Chong asked!

Lin Kefan pondered for a moment, then stretched out a finger.

“What? Only 10%?” Lin Chong was stunned!

“Father, not even one percent!”

Lin Kefan said very seriously!

“Interesting, this Chen Ping is really interesting. It seems I really need to meet him.”

Lin Chong said with an appreciative expression!

Lin Kedong was so angry when he saw this scene. He was beaten by Chen Ping, and his father didn't ask for revenge for him, but even had the heart to praise Chen Ping?

Chapter: 7802

"Father, I was beaten like this by Chen Ping, you should avenge me!"

Lin Kedong said!

"Revenge?" Lin Chong glared at him, "Do you still have any shame? You are at the peak of the ninth level of the Mahayana realm, but you were beaten to the point of spitting blood by someone at the second level of the Mahayana realm. You still have the nerve to talk about revenge?"

"Go to the Cliff of Repentance and reflect on your past. Apart from the necessary healing medicine, no more resources are allowed to be sent to you!"

Lin Kedong was dumbfounded when he heard this, and hurriedly shouted: "Father, this is not fair, this is not fair, my little sister..."

"Pull it away, pull it away..."

Lin Chong waved his hand impatiently!

Just as Lin Kefan was about to pull Lin Kedong away, Lin Kedong suddenly stood up and shouted, "Father, even if Chen Ping beat me, you don't want to take revenge, but if he scolds my mother, you have to do something about it, right?"

"He cursed your mother? What did he curse?"

Lin Chong frowned!

“That Chen Ping is extremely arrogant. He beat me up, and you can choose not to avenge me, but he also said he wanted to play with my mother, so you can’t just ignore it, right?”

Lin Kedong said!

boom!

Lin Chong only felt the aura in his body explode instantly, and then he slammed his palm hard on the stone table in front of him!

The stone table turned into powder and disappeared without a trace!

“How dare he say such a thing? He even...” Lin Chong felt so angry that he could not speak. He gasped for breath and said to Lin Kefan, “Kefan, take your men and bring Chen Ping to me immediately...”

“Father, Chen Ping...”

“Shut up, I asked you to bring people, right away...” Lin Chong’s eyes widened, and he was about to spit fire!

Seeing this, Lin Kefan didn’t dare to say anything and quickly turned around and left!

Seeing this, Lin Kedong laughed. He knew that Chen Ping was definitely in trouble!

Because Lin Chong is well-known for loving his wife, now that Chen Ping actually said such blasphemous words to his wife, Lin Chong would never let him off easily!

“Get out...”

Looking at Lin Kedong with a smug look on his face, Lin Chong shouted!

Lin Kedong’s body trembled, and then, with the help of Lin Ruoya, he left the hall!

Chapter: 7803

“Emperor Lin, calm down, there may be some misunderstanding here...”

At this time, Taoist Wuji walked out from the back of the hall!

“Master, what kind of man did you find for Ting’er? He has no manners at all.”

“Even...even my mother-in-law wants to play with me. How shameful...”

Lin Chong was so angry that he was too embarrassed to say it out loud!

“Emperor Lin, I think even if Chen Ping said this, he probably said it without knowing the truth.”

“I hope Emperor Lin will think twice. Ting’er is thinking about Chen Ping day and night now. Please don’t let Ting’er be sad.”

Taoist Wuji advised Lin Chong not to act on impulse and kill Chen Ping!

Even though Chen Ping is very powerful now, even someone at the peak of the ninth level of the Mahayana realm is no match for him!

But facing Lin Chong, he was still like an ant. Lin Chong could kill Chen Ping with one hand!

What's more, how could Chen Ping, a mere second-grade Mahayana cultivator, contend with such a huge force like Sun Moon City?

"Master, whether it's a misunderstanding or not, bring that kid here and I'll make him suffer first."

"You're so young and you're already playing with someone else's mother. How can this be tolerated? For Ting'er's sake, I have to teach Chen Ping a lesson!"

Lin Chong was really angry. Even if he didn't kill Chen Ping, he would still teach Chen Ping a lesson!

Taoist Wuji stopped trying to persuade him upon seeing this. He said as long as Chen Ping was not killed, it would be fine. As for giving him a lesson and causing him to suffer some physical pain, that was also normal!

Now Taoist Wuji is hoping that Chen Ping will not get into conflict with Lin Kefan again!

If these two people start fighting, it will be a lot of fun. If they accidentally hurt each other, the misunderstanding will become worse and worse!

"You better come with me, little brat, and stop talking so much nonsense!"

Taoist Wuji is praying!

Xiao Dynasty!

Chen Ping is sitting with Yun Li!

Chen Ping knew very little about the hidden forces in the world of heaven and man, especially about climbing the ladder to heaven!

Therefore, Chen Ping hopes to stay with Yun Li for some more time to learn more about the hidden forces in the world of heaven and human, as well as the matter of climbing the ladder to heaven!

Especially now, there are many powerful people around the Xiao Dynasty, eyeing them covetously, so Chen Ping cannot leave for the time being!

Chapter: 7804

After dealing with the affairs of the Xiao Dynasty, Chen Ping will go to Sun Moon City to explain!

He didn't expect this result!

"Right now, there are probably no less than ten Mahayana level nine peak masters around the Xiao Dynasty. These people must be coming for you."

"The Immortal Spirit Stone is too important for a strong man at the peak of the ninth level of the Mahayana Realm!"

Yun Li said slowly!

“These people are stupid. Even if the fairy stone is very important to them, will the Ten Palaces keep their promise?”

“If you kill me at that time, the Ten Palaces won’t give you any Immortal Stones. Wouldn’t that be a waste of time and energy?”

Chen Ping smiled helplessly!

“That’s why these people didn’t take action right away. They were waiting.”

“But human nature is greedy. I believe it won’t take long before these people lose their patience and start to attack you.”

“One hundred thousand immortal spirit stones, this is enough to tempt people to go crazy...”

“In the end, they will definitely gamble. If they lose, it will just be a waste of time to kill you. But if they win, the Ten Palaces will really give you the Immortal Spirit Stone. For these cultivators at the peak of the ninth level of the Mahayana Realm, that would be like defying the will of heaven and changing their fate.”

“How many cultivators are stuck in the Mahayana realm until the end of their lives, unable to break through to the Immortal Transformation realm!”

Yun Li followed Chen Ping and said!

“He is only at the peak of the ninth level of the Mahayana realm. If one comes, I will kill him. If two come, I will kill a pair...”

Chen Ping doesn't care!

"What if these ten Mahayana masters attack together? What are your chances of winning?"

Yun Li asked!

"This..." Chen Ping was silent!

With ten Mahayana realm ninth-grade peak powerhouses, Chen Ping is afraid that he has no chance of winning at all!

"If you hadn't revealed your true strength at the beginning, these people might not have united."

"Now that you beat up Lin Kedong, many people have seen it. They will never bother you alone. They will definitely unite together."

"More and more powerful people are gathering around the Xiao Dynasty. Maybe more and more people will unite with them. By that time, you will be trapped here."

Yun Li looked at Chen Ping with amusement.

Chapter: 7805

The meaning is very clear, that is, Chen Ping was too arrogant at the beginning, and felt that beating a peak ninth-grade Mahayana realm master was like beating a child!

Although this did allow Chen Ping to show off, it also alerted everyone around him and they would not fight Chen Ping alone!

Chen Ping asked, "You want me to leave the Xiao Dynasty now?"

Yun Li nodded: "That's right, while there are not many masters around the Xiao Dynasty and they have not yet fully united, you can leave and find a secluded place to hide."

"I won't leave. It's safer to hide in the Xiao Dynasty!" Chen Ping shook his head!

He knew that the Xiao Dynasty had been blessed with good fortune for thousands of years by Mr. Shi, and no one dared to take action against the Xiao Dynasty at will!

But just as Chen Ping's words fell, there was a wave in the sky above the Xiao Dynasty, and a mighty aura of heaven and earth spread out in all directions!

"An expert in the Immortal Realm?"

Yun Li couldn't help but look up at the sky!

Chen Ping also frowned and his expression became a little ugly!

Chen Ping may not take seriously a ninth-grade master in the Mahayana realm, but he cannot ignore a master in the Immortal Realm!

"This is going to be fun. I didn't expect that there are idiots among the masters of the Immortal Realm who actually believed in the killing order of our Ten Palaces..."

Yun Li looked at Chen Ping and laughed!

Chen Ping didn't say anything, but walked out of Yun Li's room with a serious expression!

There was a void above the Xiao Dynasty!

Lin Kefan brought his men here. He was following his father's orders to bring Chen Ping to Sun Moon City!

On Lin Kefan's left, there was an old man wearing a plaid robe, leaning on a cane, with messy hair, looking very strange!

On Lin Kefan's right, there was a man in a dark black robe, standing straight with a murderous aura between his brows, giving people a strong sense of oppression!

The old man's name is Hua Zhang Weng and the man's name is Mo Sha Ying. These two are Lin Kefan's close associates, just like the Left Blind Elder and the Right Blind Elder, who protect Lin Ke Ting closely!

The appearance of Lin Kefan caused all the strong men around the Xiao Dynasty to tremble slightly, and then they moved away from the area of the Xiao Dynasty!

Lin Kefan stood with his hands behind his back, looking down at the Xiao Dynasty below!

"Fourth Prince, if you don't want to do it, then let the two of us help you bring Chen Ping out?"

Hua Zhang Weng asked Lin Kefan in a low voice!

Lin Kefan didn't say anything, just staring at Xiao Huangchao under his feet without saying a word!

Chapter: 7806

“Hua Zhang Weng, stop talking. There are so many masters around the Xiao Dynasty, but no one dares to enter the Xiao Dynasty to take action. It seems that the Xiao Dynasty is not simple at all!”

Mo Shaying spoke!

“What’s so difficult about the Xiao Dynasty? The Xiao Emperor is only at the eighth level of the Mahayana Realm. I alone am enough to fight against the Xiao Dynasty.”

Hua Zhang Weng snorted coldly and did not take Xiao Huangchao seriously at all!

“Even if you can deal with Xiao Huangchao, can you beat Chen Ping? He beat the eldest prince until he vomited blood.”

“A second-grade Mahayana Realm cultivator beat the Crown Prince to the point of vomiting blood, without him being able to fight back. This kid definitely has a background.”

Mo Shaying said!

“The eldest prince is a waste. If the fourth prince takes action, Chen Ping will be easily captured!” said Hua Zhang Weng!

Lin Kefan slowly turned his head and looked at the old man with the flower stick, his eyes full of stern criticism!

Even though they all knew that they were not on good terms with their eldest brother, their eldest brother was not someone that these servants could insult or comment on at will!

Huazhang Weng felt Lin Kefan’s gaze and was so scared that he quickly shut his mouth!

Just like that, the three of them stayed quietly above the Xiao Dynasty.

I don't know how long it took, but suddenly the void trembled, and then a terrible breath swept over!

At the same time, a disdainful voice sounded: "You want to take the 100,000 immortal spirit stones, but you don't dare to make a move. You are so timid. How can you have the dignity of a strong man? If any of you dare to make a move, I will do it..."

A black shadow rushed towards the imperial city of the Xiao Dynasty like lightning, heading straight for Chen Ping!

Because this person was moving too fast, the entire void was distorted!

Seeing someone was about to attack Chen Ping, Lin Kefan immediately chased after him!

He couldn't just watch Chen Ping being killed by someone else!

If that were the case, my younger sister would definitely hate me to death if she knew!

But just when Lin Kefan was about to catch up, the black shadow had already rushed into the imperial city of the Xiao Dynasty!

However, just as the black shadow entered the imperial city, suddenly a white light flashed between sky and earth!

"ah....."

With a scream, the black shadow disappeared instantly!

The entire imperial city returned to peace, as if nothing had happened.

Chapter: 7807

Lin Kefan was stunned, and everyone was staring at him in a daze!

The scene was so quiet that you could hear a pin drop!

In an instant, all the powerful men around Emperor Xiao turned around and ran away without any hesitation, leaving only Lin Kefan and the other two still in the air!

“Old man, did you...did you see anyone just now? That black shadow is stronger than you and me.”

Mo Shaying swallowed his saliva and said!

“No... I didn't see it clearly. I just heard whoosh, and then... the person was gone!”

Cold sweat broke out on Huazhang Weng's forehead!

Just now he said that he could deal with the Xiao Dynasty, and he didn't take the Xiao Dynasty seriously at all!

But what about now?

Someone who was stronger than him had just entered the imperial city, and before he could even see clearly, he disappeared completely!

Lin Kefan's Adam's apple rolled and the expression on his face changed again and again!

"Hua Zhang Weng, I think you just said that you want to enter the Xiao Dynasty and capture Chen Ping."

"Now that I have given you permission, go and capture Chen Ping..."

Lin Kefan said to Huazhang Weng!

Huazhang Weng shuddered and said with an awkward smile: "Fourth Prince, you must have heard it wrong. I didn't say that."

"No?" Lin Kefan looked at the flower-staff old man!

"Absolutely not, I swear to God..."

The old man with the flower staff raised his hand and was about to swear!

"Fourth Prince, that Flower Staff Old Man certainly didn't say he was going to capture Chen Ping!"

Mo Shaying on the side said!

"Mo Shaying has testified for me, I definitely didn't say that..." Hua Zhangweng was sweating profusely!

If Lin Kefan really asked him to go to the Xiao Dynasty to capture Chen Ping, wouldn't he end up like that guy just now, reduced to ashes in an instant!

"But just now Hua Zhang Weng said that he can deal with the Xiao Dynasty alone. Now if he is asked to destroy the Xiao Dynasty, then Chen Ping will naturally come out!"

Mo Shaying said with a playful smile!

Chapter: 7808

Hua Zhang Weng was stunned. He thought that Mo Shaying was going to help him, but he didn't expect that he was waiting here. This was a trap for him!

"Mo Shaying, what you said is really nice." Huazhang Weng looked dissatisfied, and his hand on the crutch trembled slightly. "I just said it casually just now. Who knew that this would happen? I was scared to death!"

"You are so confident, old man." Mo Shaying smiled, his eyes flashing with a teasing light, "Didn't you just say that you could deal with Xiao Huangchao by yourself? Why are you so cowardly now?"

"It depends on the situation!" Huazhang Weng hastily explained, "I'm not afraid of death. I'm afraid that after I die, who will help the Fourth Prince?"

"Haha, it seems you are scared." Mo Shaying laughed so hard that he fell backwards. "I thought you were an old naughty boy who was not afraid of death, but I didn't expect you were also an old man who was afraid of death!"

"You kid, don't think I don't know what's on your mind." Hua Zhang Weng glared at Mo Shaying, "You're actually nervous, right? Why don't you go and give it a try? I don't believe you can destroy the Xiao Dynasty."

“Of course I dare not say.” Mo Shaying shrugged, pretending to be relaxed, “But at least I am better than you, at least I dare to try!”

“Try? Can you push me up if you try?” Huazhang Weng curled his lips in disdain. “If you dare to go, I dare to go with you. Let’s see who will be beaten to ashes first!”

“Okay, then we’ll go together. Anyway, I don’t want to die alone.” Mo Shaying raised his eyebrows, revealing a sly smile at the corner of his mouth, “But you have to remember, if I get killed first, don’t come crying to collect my body!”

“Don’t worry, I won’t cry.” Huazhang Weng said seriously, “I will just stand by and watch you get beaten into a meat pie with a smile!”

“You old man, you are really hopeless.” Mo Shaying shook his head and couldn’t help laughing. “But seriously, who was that black shadow just now? How could he disappear without even leaving a name?”

“I think you should stop thinking about it. The more you think about it, the more anxious you will feel.” Hua Zhang Weng sighed, his eyes revealing a trace of solemnity, “Let’s think about how to take Chen Ping away first.”

After Huazhang Weng finished speaking, everyone turned their eyes to Lin Kefan!

How to take Chen Ping away now is Lin Kefan’s business. The two of them don’t have that ability!

“Why are you looking at me? I can’t enter the Xiao Dynasty either. I can only wait here!”

Lin Kefan said helplessly!

“Then wait!”

Mo Shaying and Hua Zhangweng both nodded!

Since Lin Kefan said he would wait, they could only wait. There was no other way!

Inside the imperial city!

Xiao Yuanshan, along with many cultivators from the Xiao Dynasty, had just witnessed that horrifying scene!

Originally, Xiao Yuanshan planned to bring people to stop the guys who rushed into the imperial city!

But just when he was ready and couldn't see clearly, he saw a white light from the void hit the black shadow and instantly turned it into ashes!

Although Xiao Yuanshan didn't see clearly who the person was, he was sure that the other party's strength was far beyond his!

Chapter: 7809

Just like that, it disappeared silently!

"Father, this... is this the luck that Mr. Shi gave to my Xiao Dynasty?"

Xiao Feng asked with a look of astonishment!

"It should be!" Xiao Yuanshan nodded!

Mr. Shi has given the Xiao Dynasty thousands of years of good fortune, which means that during these thousands of years, the Xiao Dynasty will never be in danger!

In this way, as long as the people of the Xiao Dynasty do not walk out of the territory of the Xiao Dynasty at will, the entire Xiao Dynasty can be said to be invincible!

No one could enter the Xiao Dynasty to kill.

Chen Ping had never expected that Mr. Shi could, with just a wave of his hand, ensure that the Xiao Dynasty would last for thousands of years!

It's really awesome...

"Mr. Chen, almost all the auras around Xiao Dynasty have left, but now there are only three auras that have been guarding the sky above Xiao Dynasty and have not left for a long time!"

Xiao Yuanshan came to Chen Ping's room and said!

"I'm going to go meet these three people. I guess they won't leave until they see me!"

Chen Ping seemed to have known the identities of the three people, so he slowly stood up, walked out of the room, and jumped up!

Lin Kefan and the other two in mid-air were waiting for Chen Ping to appear when they suddenly noticed a vibration in the void!

Chen Ping's figure slowly appeared. Lin Kefan didn't seem surprised to see Chen Ping coming!

Hua Zhangweng and Mo Shaying looked at Chen Ping in front of them, seeming a little surprised. Perhaps they didn't expect Chen Ping to be so young!

“Are you three here for the killing order?”

Chen Ping looked at Lin Kefan and the other two and asked!

In fact, Chen Ping already knew Lin Kefan’s identity, but he just couldn’t admit it!

Now Chen Ping can only pretend to be confused. He beat and scolded his brother-in-law, and even scolded his mother-in-law. Chen Ping can only pretend to be ignorant now!

As the saying goes, ignorance is no crime. Chen Ping did not know the identities of Lin Kefan and the others, so even if they did something excessive, it was understandable!

“we are.....”

Huazhang Weng was about to introduce himself, but Lin Kefan raised his hand to stop him, and then said to Chen Ping: “Yes, we are here for the killing order!”

Chen Ping looked at Lin Kefan and suddenly smiled: “You have already reached the Immortal Transformation Realm. This realm can be said to be free of desires and demands. Why are you so concerned about a mere 100,000 immortal spirit stones?”

Chapter: 7810

Lin Kefan frowned slightly, he didn’t quite understand what Chen Ping meant!

How come one hundred thousand immortal spirit stones don't seem to be anything special in Chen Ping's mouth?

How rich is this guy that he doesn't even care about 100,000 fairy stones?

"What are you pretending to be, kid? This is 100,000 immortal spirit stones. It's just 100,000. Why are you pretending to be a rich second generation?"

Hua Zhang Weng said to Chen Ping with disdain!

"Although I'm not some rich second-generation, I don't really care about 100,000 fairy stones."

"If you are short of fairy stones, just come with me and I can give them to you!"

Chen Ping laughed!

"What?"

Lin Kefan and the other two were stunned. They never expected that Chen Ping would actually win them over!

"To be honest with you three, I have a mine of fairy stone..." Chen Ping continued.

The three of them were silent...

Fairy stone vein?

What a niche word. You have to know that the fairy stone mines in the celestial world had been mined out a long time ago!

The fairy stones nowadays are all collected by picking them up bit by bit!

So fairy stones are very scarce now!

Otherwise, so many masters at the peak of the ninth level of the Mahayana realm would be at the mercy of others for a hundred thousand immortal stones!

“You don’t believe it?” Chen Ping looked at the three silent people, and then threw out three storage bags!

“Each of these storage bags contains two thousand fairy stones, which is a gift for meeting you!”

“Whether you follow me or not, these fairy stones are yours!”

Looking at the three storage bags, Lin Kefan and the other two were moved!

Although two thousand fairy stones are not a lot, even a small amount is still meat!

Don’t miss it!

Lin Kefan reached out and took the storage bag. Seeing this, Hua Zhangweng and Mo Shaying also hurriedly took the storage bag!
