

## **The Order 781**

Chapter: 781

After a loud noise, the direction of the Mercedes-Benz changed, and it hit the mountain on the side of the road, and then stopped!

Bai Zhantang got out of the car in a hurry. He saw Chen Ping standing on the side of the cliff on the road. Just now, Chen Ping punched him and made the car change direction!

“Mr. Chen, are you okay?” Bai Zhantang asked.

“Go see how the people in the car are doing!”

Chen Ping shook his head and said!

“Oh!” Bai Zhantang hurriedly walked over to check!

I found that there was only a girl in the Mercedes-Benz. At this time, the airbag had been deployed. The girl was lying on the steering wheel, as if she had passed out!

With a sudden force, Bai Zhantang opened the car door and took the girl out!

The girl looked young, only in her twenties, and was wearing a light blue dress. However, there were a lot of blood stains on the dress, and the girl's face was also very pale!

Chen Ping walked over and gently put his hand on the girl's hand. A stream of spiritual energy entered the girl's body. The girl moved and slowly opened her eyes!

After seeing Bai Zhantang and Chen Ping, the girl acted a little scared, stood up hurriedly, and distanced herself from them!

“Miss, you don't have to be afraid. You just had a car accident and we rescued you!”

Bai Zhantang hurriedly explained to the girl!

The girl looked at her car, then frowned and recalled it, then relaxed her vigilance and said: "Thank you, then, I may be a little sleepy, and there was a car accident!"

"I just checked and there's nothing wrong with your body. It's just some scratches on your body. Call for rescue yourself!"

After Chen Ping finished speaking, he looked at Bai Zhantang and said, "Let's go!"

"Wait a minute!" the girl suddenly shouted, and hurriedly stopped Chen Ping and Bai Zhantang: "My mobile phone was broken and there is no way to call for rescue. Where are you going?"

"Go to Baihai City!" Bai Zhantang said.

"Great, I'm from Baihai City. Can you give me a ride? I can give you money..."

The girl said happily.

"We still have things to deal with. It's inconvenient. Just wait for the rescue!"

After Chen Ping finished speaking, he opened the door and got in the car!

When Bai Zhantang saw this, he could only smile helplessly at the girl and got into the car!

"Why do you have no sympathy at all? Can you just bear to see me stay here as a girl? What if I meet a bad person?"

Chapter: 782

The girl stood directly in front of the car and shouted dissatisfied at Chen Ping!

Chen Ping rolled down the window: "Aren't you afraid that we two are bad guys?"

"No, you two are not bad people. I know how to read faces. I can tell from your faces that you two are good people!"

The girl said loudly!

Chen Ping smiled slightly. He knew that the girl was just using these words to please the two of them. It was a bit unlikely that a girl in her early twenties could read faces!

"Mr. Chen....."

Bai Zhantang looked at Chen Ping with a bit of questioning in his eyes. It seemed that he wanted to bring a girl with him!

"Come up!" Chen Ping said calmly!

The girl happily opened the car door and sat in the back row: "Thank you..."

Bai Zhantang continued to drive, while the girl chattered in the back seat and introduced herself!

"My name is Shen Mengchen. I am a graduate of Qingbei College in Kyoto. I just graduated this year. What are your names? What are you doing in Baihai City?"

Shen Mengchen asked Chen Ping and Bai Zhantang.

"Are you a student of Qingbei College?" Bai Zhantang, who was driving, asked in surprise.

“Of course, I still have my student ID here. If you don’t believe me, you can take a look!”

Shen Mengchen took out his student ID card and let Bai Zhantang take a look!

“It’s true, I also graduated from Qingbei College, but I am a graduate of the 1984 class, five grades higher than you!”

Bai Zhantang said while driving.

“Really? So you’re a senior? What a coincidence. I didn’t expect to meet a senior here. It’s so difficult to get into Qingbei College in the southwest, and I can’t even meet a few classmates...”

When Shen Mengchen saw that Bai Zhantang and she were schoolmates, she started talking more!

“My family is from Kyoto!” Bai Zhantang smiled!

“Oh, I thought you were also from the southwest. Kyoto is far away from here. What are you doing in Baihai City? Are you traveling?”

Shen Mengchen asked.

“Yeah!” Bai Zhantang didn’t know what to say, so he could only nodded!

“Ever since the Xuanyue Valley opened a hot spring resort, so many people have come to Baihai City to travel. I heard that bathing in the hot springs there can cure diseases, and some people’s cancer can be cured. I don’t know whether it’s true or not. Anyway, I’ve never been there!”

Chapter: 783

Shen Mengchen was nagging to himself!

“Do you know Xuanyue Valley?” Chen Ping, who had kept his eyes slightly closed and said nothing, suddenly opened his eyes and looked at Shen Mengchen and asked.

Logically speaking, ordinary people should not know about a place like Xuanyue Valley, so why did they build a resort?

“Of course I do. We all the people in Baihai City know that the resort not only has hot springs, but also built a temple for people to pray for blessings. There is also a master who is very good at divination, but my dad said that it was all a lie. , he never let me go!” Shen Mengchen said.

Chen Ping nodded slightly and closed his eyes slightly again and stopped talking. It seems that in the eyes of ordinary people, Xuanyue Valley is just a place for tourism and vacation. As for the deeper things, ordinary people will not know about it. !

Seeing Chen Ping turn around, close his eyes again and stop talking, Shen Mengchen rolled his eyes at Chen Ping with a look of disgust on his face, and then he saw Bai Zhantang said: “Senior, you haven’t said your name yet. Well, when you go to Baihai City, are you going to Xuanyue Valley? From what I see on your face, although you are quite old, you definitely don’t have a girlfriend yet!”

“My name is Bai Zhantang. I did go to Xuanyue Valley this time, and I really don’t have a girlfriend!” Bai Zhantang smiled slightly, and then joked: “You don’t really know how to read faces, do you?”

“Of course it’s true. How could I lie to you? My dad is a famous physiognomist in Baihai City. People give him the nickname Shen. With just one look, my dad can clearly tell the identity of this person. !”

Shen Mengchen said with pride.

“So powerful?” Bai Zhantang exclaimed, if it were so powerful, it would really be like a god!

“Of course he’s awesome. Although I only learned a little bit from my dad, I can tell that this guy may not look very good, but he’s very lucky. Many girls like him, and there seems to be a big star who likes him! ”

Shen Mengchen looked at the co-pilot Chen Ping and said.

Because Chen Ping was unwilling to take her with him at first, and because Chen Ping never spoke, Shen Mengchen had a bad impression of Chen Ping!

“Big star?” Bai Zhantang looked at Chen Ping with a puzzled look. He didn’t know that there were big stars who liked Chen Ping!

Although Chen Ping’s eyes were slightly closed at this time, he was a little shocked in his heart. The big star Shen Mengchen said should be Song Tie. When they were in the mountain city, Song Tie’s affection for Chen Ping, Chen Ping’s Ping can actually feel it!

“However, although this guy is very lucky, he will eventually let down many girls, and soon he will have a big disaster!”

Shen Mengchen looked at Chen Ping and continued.

“What kind of disaster?” Bai Zhantang asked hurriedly.

If the Qin family’s affairs can be regarded as a catastrophe, then it must be. After all, Chen Ping killed Qin Feng, and the Qin family will never let it go!

“I can’t see it. There are many things about this guy that I can’t see through, but it must be a matter of life and death...”

Shen Mengchen frowned and looked at Chen Ping carefully.

Bai Zhantang looked at Chen Ping. At this time, Chen Ping was still closing his eyes slightly, as if he was asleep and didn’t hear anything at all.

“Drive well!” Chen Ping said calmly!

Although he didn’t open his eyes, Chen Ping seemed to see it!

Chapter: 784

Bai Zhantang quickly came to his senses and started driving with concentration!

“Senior, I think you are the destiny of a rich and noble family, and this guy has short ears and is obviously destined to be an orphan. Why are you still so afraid of him?”

Shen Mengchen asked with some confusion.

But as soon as Shen Mengchen finished speaking, he felt the air in the whole car condense instantly, and there was a chill!

I saw Chen Ping opening his eyes and turning his head to look at him. There was endless coldness in Chen Ping’s eyes, which made Shen Mengchen close his mouth instantly and his whole body trembled slightly!

When Chen Ping withdrew his gaze and leaned on the seat again, the temperature in the car had risen a little!

At this time, Shen Mengchen stopped chattering and glanced at Chen Ping secretly with some fear in his eyes!

The car was still driving fast, but not far away, they saw Xu Shimao’s cars parked on the side of the road, and some people got out of the car, eating and smoking!

Seeing Chen Ping’s car coming, Xu Shimao walked over directly and said with a gloomy face: “What are you doing? I have been waiting for you for a long time. Do you know that time is precious? I am not as free as you young masters. , my mission is very tight, if I hadn’t been ordered to come again, I wouldn’t have waited for you!”

Xu Shimao scolded Chen Ping and Bai Zhantang!

Chen Ping ignored him. Bai Zhantang also frowned slightly and ignored Xu Shimao. Bai Zhantang knew that this guy had such a temper and was unwilling to conflict with him!

Shen Mengchen, who was sitting in the back seat, rolled down the window: "How can you talk? They wereted their time to save me. They have something to say to me."

Xu Shimao was stunned for a moment when he saw a girl suddenly appeared behind him, then looked at Shen Mengchen, and then continued to say to Chen Ping and Bai Zhantang: "We must get to Baihai City before dark, let's set off now!"

After Xu Shimao finished speaking, he turned around and was about to leave, but Shen Mengchen stopped him: "Wait a minute!"

"What's the matter?" Xu Shimao asked with a cold face.

"I advise you to rest here for half an hour before leaving. I think your darkened hall is a sign of great misfortune, and there will be a bloody disaster..."

Shen Mengchen said to Xu Shimao.

"That's nonsense!" Xu Shimao frowned, with a hint of anger on his face, but because Shen Mengchen was a girl, Xu Shimao didn't have an attack!

The car started and continued to drive forward. Xu Shimao would not really stop and rest for half an hour because of Shen Mengchen's words. He didn't believe this. In Xu Shimao's eyes, he only believed in strength!

"Humph, if this guy doesn't listen to me, he will be in trouble sooner or later!"

Shen Mengchen snorted coldly!

"Senior sister, were you joking just now, or were you serious?" Bai Zhantang asked.

"Of course it's true. If you don't believe it, just wait and see!"

After Shen Mengchen finished speaking, he suddenly heard a violent collision in front of him!

Chapter: 785

Boom.....

I saw a truck coming down from the winding road. Because the brakes failed, it suddenly hit Xu Shimao's car.

The huge impact knocked Xu Shimao's car far away, and then stopped on the edge of the cliff!

Just a little bit, the car would fall off the cliff, and there would be no way to save it.

"Fuck, this is so accurate..."

Bai Zhantang, a handsome young man and a well-educated man, now widened his eyes and uttered a curse word!

Shen Mengchen smiled slightly: "Did you see that what I said was accurate?"

Chen Ping directly opened the car door and walked out. At this time, the other people from the Dharma Protector Pavilion had already dragged the good driver Xu Shimao out of the car!

Although there was no life-threatening danger, both people had many wounds on their bodies and were bleeding profusely!

After a simple bandage, Xu Shimao stood up with gritted teeth and looked at Shen Mengchen with hatred in his eyes. He felt that his car accident was caused by this little girl.

The truck driver was not seriously injured. Fortunately, he hit Xu Shimao's car, otherwise it would have been really dangerous.

Without stopping too much, Xu Shimao got into other cars and started driving again. They had to get to Baihai City before dark!

This time it went smoothly, and the group arrived at Baihai City before the sun set!

“Senior, let’s leave each other’s contact information. Since you saved me, I have to express my gratitude in any way!”

After arriving in Baihai City, Shen Mengchen said to Bai Zhantang.

Bai Zhantang nodded, left each other’s contact information, and Shen Mengchen left!

Chen Ping and the others found a hotel to stay. Since they had been in the car for such a long time, they simply rinsed off and Bai Zhantang and Chen Ping all rested!

But not long after he lay down, Bai Zhantang received a call from Shen Mengchen, saying that he invited them to his home for dinner and thanked them for their help!

Bai Zhantang wanted to go because he wanted Shen Mengchen’s father to look at his face so that he could know his future fortune, but he did not dare to make the decision, so he could only ask Chen Ping for instructions.

Chen Ping also knew what Bai Zhantang meant and did not refuse, so he nodded!

Not long after, a Rolls-Royce Phantom arrived at the door of the hotel and took Bai Zhantang and Chen Ping to Shen Mengchen’s home!

Shen Mengchen’s home is an antique courtyard, covering a large area and decorated in a style reminiscent of a former palace.

Looking at the courtyard, a wealthy man like Bai Zhantang couldn’t help but admire: “This is so luxurious, it’s no different from the previous emperor’s palace!”

“Senior.....”

Chapter: 786

Shen Mengchen suddenly jumped out and shouted to Bai Zhantang, looking very happy, but to Chen Ping, Shen Mengchen turned a blind eye!

“School girl!” Bai Zhantang said with a slight smile!

“Let’s go, my dad is ready...”

Shen Mengchen led Bai Zhantang and Chen Ping towards the restaurant. The three of them walked in a winding way for a while before they arrived. If Chen Ping and Bai Zhantang were left to look for it by themselves, they might not be able to find it in a short time!

At this time, the restaurant was already filled with delicious food, and there were several servants waiting on it!

“Miss...”

Seeing Shen Mengchen coming, several servants shouted hurriedly.

“Where’s my dad? Notify him that the guests have arrived...”

Shen Mengchen said to the servant.

“I know!” The servant nodded!

Shen Mengchen greeted Bai Zhantang happily and left Chen Ping aside. This made Bai Zhantang feel a little embarrassed. He looked at Chen Ping from time to time with an apologetic look on his face!

Chen Ping didn't take it seriously and sat quietly aside with no expression!

After a while, an old man wearing a Chinese tunic suit with gray hair and beard walked in. The old man had a kind face and kind eyes. He looked somewhat similar to Shen Mengchen. This man was Shen Mengchen's father, Shen Dianshan!

"Dad, this is what I told you, the senior Bai Zhantang who saved my life..."

Seeing Shen Dianshan coming in, Shen Mengchen hurriedly greeted him, pointed at Bai Zhantang and said.

When Bai Zhantang and Chen Ping saw Shen Mengchen's father, they were both slightly startled. At Shen Dianshan's age, he was probably more than enough to be Shen Mengchen's grandfather!

After Shen Dianshan glanced at Bai Zhantang and Chen Ping, he smiled slightly: "Thank you both for saving my little girl. I have a light meal today. I hope you won't take it off!"

"Uncle Shen is too polite. In fact, it was Mr. Chen who saved the school girl..."

Bai Zhantang said with an embarrassed look.

"No matter who it is, my little girl was saved by the two of you. Please sit down quickly!"

Shen Dianshan made a polite gesture of invitation!

Soon, several people took their seats, and Shen Mengchen deliberately sat next to Bai Zhantang. It was obvious that she liked Bai Zhantang very much!

During the dinner, Shen Mengchen always followed Bai Zhantang to ask questions, but paid no attention to Chen Ping.

Shen Dianshan also seemed very enthusiastic towards Bai Zhantang, while Chen Ping was a bit like a foil, but Chen Ping didn't care and just ate in silence!

Chapter: 787

"Uncle Shen, I heard from my schoolmate that Uncle Shen is known as Shen Yiyan. He can know everyone's origin and fortune with just one glance. I wonder if I can ask Uncle Shen to take a look at it for me?"

After getting acquainted, Bai Zhantang asked Shen Dianshan.

"Dad, please tell the senior. I think the senior is a son of a wealthy family and will definitely have great achievements in the future..."

Shen Mengchen also said at the side.

Shen Dianshan smiled slightly: "Mr. Bai is indeed a wealthy son, and his family is still very rich, but..."

"Uncle Shen, just what?" Bai Zhantang was surprised and asked hurriedly.

"It's just that your Bai family is on the decline and needs the support of noble people. As long as noble people appear and your Bai family seizes the opportunity, it will definitely ensure the prosperity of the Bai family for a hundred years!"

Shen Dianshan said lightly.

"Uncle Shen, who is that noble person?" Bai Zhantang glanced at Chen Ping and asked Shen Dianshan hurriedly.

If Chen Ping is that noble person, he will be more respectful to Chen Ping. If Chen Ping is not that noble person, then there is no need for the Bai family to waste energy on Chen Ping.

"Hahaha, the secret must not be leaked, let's stop here..."

Shen Dianshan stroked his beard and laughed!

Bai Zhantang smiled and hesitated to ask further questions, but for now he could only regard Chen Ping as the noble man!

“Dad, take a look at this guy. I think he has a bad life, but he is very lucky in love. However, I think he will suffer a bloody disaster in the near future. But if you look carefully, you can’t see through it!”

Shen Mengchen pointed at Chen Ping and said to Shen Dianshan.

Shen Dianshan didn’t even look at Chen Ping, but shook his head!

“Dad, what do you mean? Is this guy hopeless?”

Shen Mengchen said in surprise.

Because often Shen Dianshan will shake his head and refuse to look at people who are about to die, because there is no need to look at them. Although he can see the blessings and misfortunes, he does not have the ability to change his fate against the will of heaven!

“Don’t dare to look...”

Shen Dianshan calmly spit out three words!

“Don’t dare to look?” Shen Mengchen was shocked because she had never heard of her father saying these three words!

After Chen Ping heard Shen Dianshan say the words “dare not look”, he was slightly startled. He slowly raised his head and glanced at Shen Dianshan, and then lowered his head again!

“Dad, why don’t you dare to show it to him?” Shen Mengchen asked with a puzzled look!

Chapter: 788

“Stop asking, let’s talk about other things, and I also want to warn you not to read your face randomly in the future!”

Shen Dianshan said to Shen Mengchen with a slightly angry expression.

“Oh, I got it!” Shen Mengchen nodded!

When the meal was almost finished, Shen Mengchen suddenly said to Shen Dianshan: “Dad, seniors and the others are going to Xuanyue Valley tomorrow, can I go with them?”

“Okay!” Shen Dianshan nodded!

Shen Mengchen was stunned: “Dad, what happened to you today? Haven’t you never let me go to Xuanyue Valley? Why did you let me go this time?”

“Today is different from the past. You are older too. It’s time to take a turn!”

Shen Dianshan looked at Shen Mengchen dotingly and said.

“That’s great, I love you so much, Dad...”

Shen Mengchen happily hugged Shen Dianshan’s neck and laughed!

“Okay, you take Mr. Bai around the house and enjoy the scenery...”

Shen Dianshan smiled.

“Okay!” Shen Mengchen nodded, looked at Bai Zhantang and said, “Senior, I will show you around my house. I have raised a few koi carp, and they can understand human speech...”

Bai Zhantang looked at Chen Ping. He needed Chen Ping’s permission.

Chen Ping nodded: “Go ahead, don’t be too late, we have something to do tomorrow!”

“Got it!” Bai Zhantang nodded!

“Senior, you always listen to what he says, don’t worry about him...”

Shen Mengchen pulled Bai Zhantang away!

After Shen Mengchen and Bai Zhantang left, Shen Dianshan waved his hand and told all the servants to go out!

Chen Ping slowly took a sip of tea: “If you have anything to say, just say it!”

He knew that Shen Dianshan must have something to say to him alone!

As soon as Chen Ping finished speaking, Shen Dianshan knelt down in front of Chen Ping with a pop, which shocked Chen Ping!

“Mr. Chen, please save my daughter’s life...”

Shen Dianshan knelt in front of Chen Ping and said.

Chapter: 789

Chen Ping was confused for a moment and hurriedly helped Shen Dianshan up and said, “What do you mean?”

Shen Dianshan looked at Chen Ping and said: "Mr. Chen is the best among men. Only you can save my daughter. You are the noble man I have been waiting for!"

"Does your daughter have any incurable diseases?"

Chen Ping couldn't understand what Shen Dianshan meant!

Shen Dianshan shook his head: "Mr. Chen, I know that you came here this time to deal with Xuanyue Valley, and I also know that you killed Xuanyue Valley's Buhuo, the Zuo Patrol Envoy and two guardians, Xuanyue Valley Now I have a mortal enemy with you!"

"Who are you?" Chen Ping frowned. It felt bad to be kept in the dark!

The other party knows his details clearly, but he has no idea about the other party!

"To be honest, Mr. Chen, I am the owner of Xuanyue Valley..."

As soon as Shen Dianshan finished speaking, Chen Ping's nerves suddenly became tense and he looked at Shen Dianshan warily!

"Mr. Chen, don't be afraid. It was five years ago when I became the Valley Master of Xuanyue Valley. The current Valley Master is my disciple Qian Feng!"

Seeing Chen Ping being so alert, Shen Dianshan hurriedly explained!

"Speak clearly once and for all..."

Chen Ping frowned and said!

"Okay!" Shen Dianshan began to explain everything to Chen Ping in detail!

It turns out that Xuanyue Valley was just an organization in the past and did not become a cult like it is now. Shen Dianshan relied on his fortune-telling skills to recruit many disciples and developed Xuanyue Valley very well. But who knew that since he accepted them? After Qian Feng became his disciple, Qian Feng had evil thoughts in his heart, and finally drove Shen Dianshan out of Xuanyue Valley and became the owner of the valley himself!

Ever since Qian Feng became the Valley Master, the entire Xuanyue Valley has become extremely dark. In order to practice martial arts and make money, he will do whatever it takes. Moreover, in order to control all the people in Xuanyue Valley, Qian Feng also raised Gu insects to control everyone. !

Recently, many girls have disappeared in Baihai City. Shen Dianshan guessed that it was Qian Feng who did it. Moreover, he also saw that he would die soon, and his daughter Shen Mengchen would also be poisoned by Qian Feng, but he knew a noble person would appear in the middle, so he kept waiting. Unexpectedly, after he saw Chen Ping for the first time today, he immediately knew that Chen Ping was the noble person!

After hearing what Shen Dianshan said, Chen Ping nodded in realization, but he was still a little puzzled: "Since the master of the Shen family is so good at physiognomy, why can't he see Qian Feng's ambition? And that Qian Feng?" You drove out of Xuanyue Valley, why didn't I kill you?"

"Hey!" Shen Dianshan sighed: "Mr. Chen doesn't know something. Qian Feng should know that I am very good at physiognomy, so when he became my disciple, he was already disfigured. He said that his family was burned to death by fire. He luckily escaped being disfigured, so I took him in because I thought he was pitiful, and now Qian Feng wears a mask every day!"

"As for why he didn't kill me, it was because he wanted to get a secret book of physiognomy from me, but I already felt that he was about to attack me, and the bargaining chip that could force me to hand over the secret book was my daughter Shen Mengchen, only Mr. Chen can save my daughter now!"

"This Qian Feng is really scheming!" Chen Ping was shocked after hearing this. He was able to disfigure himself and had made plans very early. It seems that he is also a ruthless person.

"Is this the reason why you haven't let your daughter go to Xuanyue Valley? And today you agreed to her going, is it because of me?"

Chen Ping asked.

Shen Dianshan nodded: "With Mr. Chen here, I can rest assured, and this matter must be settled. I can't live for more than half a month!"

Chapter: 790

"Do you have any disease? I know some medical skills and can look at it for you!"

Chen Ping said.

Shen Dianshan shook his head: "I have revealed too many secrets. Even Daluo Jinxian can't save me. Mr. Chen doesn't have to worry about me. But before I die, I have one thing to tell Mr. Chen!"

"Master Shen, please speak!"

"Mr. Chen, you are no ordinary person, so you will have many followers around you, but not many people are loyal to you. Many of them are due to interests, such as Bai Zhantang..."

"I understand, the Bai family and I just have a cooperative relationship!" Chen Ping smiled. He just needed the medicinal materials from the Bai family's Medicine Palace. However, if something happened to the Bai family, Chen Ping would also help. If the Bai family collapsed, he would No one is collecting medicinal materials for him, this is a cooperative relationship!

"Mr. Chen, what my daughter said just now is right. You will indeed suffer a bloody disaster soon, but your identity is too secretive for even me to see through. So I need Mr. Chen's help to see clearly what your disaster is..."

Shen Dianshan continued!

"How can I help?" Chen Ping asked.

"I need a drop of Mr. Chen's blood!"

“No problem!” Chen Ping bit his finger and squeezed out a drop of blood!

Shen Dianshan dipped his fingers into Chen Ping’s essence and blood, then lightly tapped his forehead, and then stared at Chen Ping with his eyes without blinking!

After a while, Shen Dianshan’s face began to turn pale, and cold sweat started to flow from his forehead!

puff.....

A mouthful of blood suddenly spurted out from Shen Dianshan’s mouth!

“Master Shen...” Chen Ping hurriedly stretched out his hand, and a burst of spiritual power was injected into Shen Dianshan’s body!

Shen Dianshan looked at Chen Ping in shock. After calming down for a while, he said to Chen Ping: “I still can’t see through Mr. Chen’s identity, but you are by no means an ordinary person, and your bloody disaster happened on July 10th.” On the 5th, the place of occurrence should be at sea or on an island!”

boom.....

After Shen Dianshan finished speaking, Chen Ping was shocked. Wasn’t July 15th the time when Lao Longtou asked him to go to Wuming Island?

Could it be that there was no chance for him to land on the island, but there was a disaster waiting for him?

Chen Ping was a little confused at this time and didn’t know who to believe!

“Whatever, let’s go to the island on July 15th...”

Chen Ping was cruel and determined secretly!

Shen Dianshan had become much older at this time, the wrinkles on his face were obviously more obvious, and his body was also much weaker!
