

The Order 7811

Chapter: 7811

Seeing the three people collecting the fairy stones, Chen Ping laughed!

“I’m not looking for you just to get the killing order. You injured my eldest brother, and this matter...”

“Twenty thousand fairy stones is considered compensation for injuring your elder brother. Do you think it’s feasible?” Chen Ping interrupted Lin Kefan without waiting for him to finish his words!

“this.....”

Lin Kefan hesitated for a moment!

He was a little confused about Chen Ping’s train of thought. Why did he ask for 20,000 fairy stones right out of the box?

Chen Ping’s face now looks exactly like that of a nouveau riche!

“Thirty thousand...”

Seeing Lin Kefan hesitate, Chen Ping blurted out!

“Are you really going to take 30,000 immortal spirit stones as compensation?”

There was a hint of doubt in Lin Kefan’s eyes.

“Of course, 30,000 immortal spirit stones are used to settle the feud between your brother and me, plus my sincere apology.”

Chen Ping’s lips curled up into a playful smile, his eyes flashing with an unquestionable light, “In this world, there are some things that money can’t buy, such as true friends and trust.”

“But think about it the other way around. If a person can resist the temptation of money, then to me, how much more than billions of dollars he is worth?”

Lin Kefan, Hua Zhangweng, and Mo Shaying looked at each other, their expressions changing from surprise to confusion, and then to a hint of an indescribable subtle smile.

They seemed to be confused by Chen Ping’s words, but they also inexplicably felt that there was some philosophy hidden in his remarks, which made people want to explore its deeper meaning.

“If you doubt me, you can find a cultivator from around the Xiao Dynasty to ask if there are two cultivators following me. I will give them a gift of 10,000 immortal spirit stones.”

Chen Ping continued to speak to the three confused people!

“Where are those two monks? Let’s meet them...” Mo Shaying asked!

It seems that Mo Shaying believed it a little!

“They ran away. Those two took 10,000 immortal spirit stones from me and ran away. But it doesn’t matter. Leaving me is their loss, not mine...”

“Look, I can give 10,000 fairy stones to those who betray me. If they are loyal to me, I can give them 100,000 or even 1 million fairy stones.”

“Following me, you will not only get resources like fairy stones, but also endless opportunities and the promise of fighting side by side with me and sharing the glory.”

Chen Ping’s voice gradually became more passionate, as if he was a lecturer who was imparting the secret of success to the students. “You three, the fact that you can stand here today is a fate with me, Chen Ping. I admire your strength, and I value your potential even more.”

“mega?”

The three people seemed to have heard nothing and only heard the word “million”!

A million fairy stones?

I can buy the entire world of heaven...

Huazhang Weng rubbed his temples, as if trying to sober himself up: “Chen...Fellow Daoist Chen, are you...are you just telling a story? Or are you really planning to do this?”

Mo Shaying’s mouth twitched, and he tried to stay calm, but he was roaring in his heart: “Is this guy serious? Is he treating the fairy stones as beans?”

Lin Kefan’s eyes flickered, as if he was weighing something.

He suddenly realized that the Chen Ping in front of him might really have extraordinary temperament and means.

Even in this world where the strong are respected, it is rare to win people’s hearts in this way.

Especially when Chen Ping was speaking, his face was filled with excitement, it didn't sound like he was telling lies at all!

Chapter: 7812

"Okay, I received your sincerity. We don't need to get involved in the matter of the killing order."

"As for my eldest brother's injury, since you are so generous, I will accept the 30,000 immortal spirit stones on my eldest brother's behalf."

"However, I have always been clear about gratitude and resentment. If you really provide us with a large amount of fairy stones, I will definitely repay you double if I have the chance in the future."

Lin Kefan took a deep breath and decided not to reveal his identity as the fourth prince of Sun Moon City for the time being. He wanted to get the fairy stone first.

Now that we have the fairy stones, it won't be too late to take Chen Ping to Sun Moon City. The resources in Sun Moon City are also facing depletion, so it's good to get so many fairy stones at once!

What's more, Chen Ping is his brother-in-law, and the fairy stones are all his, so this should not be considered a scam!

"Haha, there's no need to pay it back. When I, Chen Ping, make friends, I never care what the other person can bring to me. I only care whether the person is worth making friends with."

Chen Ping laughed and patted Lin Kefan on the shoulder. His smile was sincere and proud. "Remember, in this world, strength and wisdom are equally important, but what's more important is which side you stand on and who you choose to walk with."

Seeing this, Hua Zhangweng and Mo Shaying also expressed their willingness to follow Chen Ping. Since Lin Kefan didn't say anything, they would not object.

Although they still have doubts in their hearts, facing such a generous and seemingly unfathomable person, who would be willing to easily miss the opportunity that may change their destiny?

Maybe this Chen Ping really has a mine of fairy stones, and then they can use the fairy stones as waste stones!

As the four people reached a consensus, the atmosphere in the air became relaxed.

The expressions on Lin Kefan and the other two's faces changed from initial surprise and confusion to curiosity and anticipation.

They began to believe that perhaps this choice could really open a door to unknown opportunities for them.

The instigator of all this, Chen Ping, looked calm and composed, as if everything was under his control.

He knew very well that true pretense did not lie in superficial exaggeration, but in the convincing aura and the charm that made opponents willing to follow him.

"Since you have chosen to follow me, then stop standing outside and come with me to the Imperial City to have some tea and chat..."

Since Lin Kefan chose not to reveal his identity, Chen Ping pretended to be confused.

"Brother Chen, there's no rush to have tea and chat, but what about those 30,000 immortal spirit stones you mentioned???"

Lin Kefan wants to get 30,000 fairy stones first!

“I don’t have it with me right now, but I will notify the mine right away and have them deliver the fairy stone to me in a day or two.”

“Just send 100,000 immortal spirit stones over here and divide them among the three of you...”

Chen Ping said casually!

Seeing this, Lin Kefan thought that it would only take a day or two and would not delay anything, so he nodded and followed Chen Ping into the Xiao Dynasty!

Chapter: 7813

After returning to the Xiao Dynasty, Chen Ping settled Lin Kefan and the other two, and then went to inform Xing Daorong. He asked Xing Daorong to send all the fairy stones in Beast City over!

Chen Ping knew that no matter what, he would be taken to Sun Moon City in the end!

So you need to prepare some fairy stones to bribe the Fourth Prince and ask him to say a few good words to you when you arrive in Sun Moon City!

Otherwise, Chen Ping would be in big trouble for beating his brother-in-law and playing with his mother-in-law!

“Fourth Prince, how much truth do you think Chen Ping said?”

Huazhang Weng asked in a low voice!

“Old man, I think this Taoist friend Chen is very sincere and is not lying. Don’t always judge others by your own standards.”

Mo Shaying said very dissatisfiedly!

It seems that this guy was indeed successfully brainwashed by Chen Ping and truly believed in Chen Ping!

“I feel that what Chen Ping said is three parts true and seven parts false...”

Lin Kefan said!

“Fourth Prince, since you don’t believe Chen Ping, why did you follow him to the Xiao Dynasty? Couldn’t you have just captured him?”

Huazhang Weng asked with some confusion!

It’s 70% false, which shows that Lin Kefan doesn’t really believe Chen Ping!

Lin Kefan smiled and said, “I didn’t say I didn’t believe him. Even if it’s true, it’s true...”

“I’m betting that what he said is true. Then we can get a large number of fairy stones.”

“If what he said is false, then we won’t lose anything. It’s just a waste of two days.”

“Wouldn’t it be the same if we brought him back to Sun Moon City?”

“The Fourth Prince is wise...” Hua Zhang Weng quickly gave a thumbs up!

Mo Shaying rolled his eyes at the Flower Staff Old Man and snorted coldly, “Flatterer...”

Hua Zhang Weng was about to get angry when he saw Chen Ping walk in!

“The Immortal Stone will arrive in two days, so for the next two days, you three should just use the Immortal Pills and various Immortal Herbs to practice!”

As he spoke, Chen Ping took out a large amount of pills and magical herbs from his storage ring!

This time, Chen Ping almost emptied all his resources just to make Lin Kefan and others believe in him!

Chapter: 7814

Chen Ping heard the conversation between the three people just now. It turned out that Lin Kefan did not completely trust him!

Seeing Chen Ping take out so many elixirs and magical herbs at once, Lin Kefan and the other two were a little shocked!

They don’t understand how one person can have so many resources?

Chen Ping actually didn't want to carry so many resources with him, but the energy he consumed in cultivation was many times that of other cultivators!

With so many resources in front of him, even if he used them all up, Chen Ping might not be able to reach a higher level!

"Fellow Daoist Chen, I have lived for thousands of years, and you are the most generous person I have ever met. Following you is a wise choice!"

Mo Shaying walked up to Chen Ping and said excitedly!

This guy has now completely fallen into the future outlined by Chen Ping!

He said such things in front of Lin Kefan without even considering what Lin Kefan was thinking!

After all, Mo Shaying is still Lin Kefan's follower and is following Lin Kefan!

Listening to Mo Shaying's words, Lin Kefan just looked at him coldly and didn't say anything!

After all, in front of Chen Ping, Lin Kefan couldn't let Chen Ping see anything fishy!

"Don't worry, as long as you follow me, you will have everything I have. Even if there is something I don't have, I will find a way to get it and share it with you."

Chen Ping patted his chest and said!

As soon as Chen Ping finished speaking, there was a sudden clang, and it seemed that something fell to the ground!

“Sorry, I just slapped my body and my bow fell down...”

After Chen Ping finished speaking, he bent down to pick it up!

“Brother Chen, wait a moment...”

Looking at the God King Bow falling from Chen Ping, Lin Kefan’s reaction suddenly changed and he stopped Chen Ping!

Hua Zhang Weng and Mo Sha Ying also discovered the God King Bow, and both of them were surprised!

“What’s wrong?” Chen Ping asked pretending to be puzzled!

“Brother Chen, is this bow of yours the Divine King Bow?”

Lin Kefan carefully picked up the God King Bow!

“Yes, it’s the God King Bow. I didn’t expect you to be so knowledgeable.” Chen Ping said with a joking smile!

Chapter: 7815

Lin Kefan held the God King’s bow, his pupils kept shrinking, and the greed in his eyes was not concealed at all!

Hua Zhang Weng and Mo Shaying also came forward and carefully stroked the God King Bow with their hands!

“What a great bow! It’s really a great bow! I never thought I could see the legendary God King Bow...”

Lin Kefan licked his lips and his body trembled slightly!

“It’s just a bow and arrow. Why would you want to make such an expression? If you like it, I’ll give it to you!”

Chen Ping looked at Lin Kefan, waved his hand and said generously!

“Thank you, Brother Chen...”

Lin Kefan’s face was full of excitement, and he was about to put away the God King Bow!

Chen Ping: “???”

“Haha, you are showing off, you even gave away the God King Bow...” Demon Lord Chiyun laughed at Chen Ping!

Chen Ping thought about it, and then said: “I can give you this God King bow, but you can’t pull the bow open at all, so it will be a waste in your hands...”

“Can’t open it?” Lin Kefan was stunned: “Then can you open it?”

“My God King Bow, of course I can...”

Chen Ping said!

“Since you can do it, so can I...”

As Lin Kefan said this, he drew his bow and started pulling the bowstring!

But no matter how hard Lin Kefan tried, the God King Bow didn't move at all and couldn't be pulled open at all!

Even if Lin Kefan used all his strength, it was still useless!

This actually surprised Lin Kefan a little!

Hua Zhang Weng and Mo Sha Ying were also looking at it in disbelief. Although the God King Bow could be called a divine weapon, it shouldn't be so that even a cultivator in the Immortal Transformation Realm couldn't use it, right?

But Chen Ping is obviously only a Mahayana cultivator, why can he do it!

“I told you that you can't pull it, so don't waste your energy.”

Chen Ping took the God King's bow!

“Try to pull it...”

Chapter: 7816

Lin Kefan did not give up. He wanted to see how Chen Ping pulled the bow of the God King!

“Okay, let me show you...”

Chen Ping walked out of the room with the God King Bow, and Lin Kefan and the other two hurriedly followed him!

Chen Ping was seen drawing his bow and aiming at the void, and then lightly hooking the bowstring with one finger, accompanied by the surge of Taoist patterns and evil spirit in Chen Ping’s body!

The bow of the God King was pulled, and countless points of light around it continued to gather, finally forming an arrow feather!

whoosh!

Chen Ping released the bowstring, and the arrow turned into a stream of light that shot straight into the sky, leaving a black mark on the entire void, as if it had been torn apart completely!

Lin Kefan and the other two stared at it in a daze, they were all dumbfounded!

The power of the arrow just now is so strong that none of the three of them would be able to block it!

“ah.....”

Suddenly a scream came from the sky!

Then a black shadow fell quickly and landed heavily in front of Chen Ping and the others!

Chen Ping and the others looked over quickly and found that it was a cultivator, but there was a big hole in the cultivator's chest, and he had been dead for a long time!

It was obvious that the hole on his body was caused by Chen Ping's arrow!

Lin Kefan and the other two looked at Chen Ping, and Chen Ping had an embarrassed look on his face!

"This is too coincidental. It was an accidental injury. It was purely an accidental injury..."

As Chen Ping spoke, he squatted down and began to search the monk, collecting all the storage bags on the monk.

Then Chen Ping waved his hand, and the monk's body instantly turned into ashes, leaving only a deep pit in the yard!

"This idiot is blind and didn't open his eyes. He bumped into me. He deserves to die..."

Mo Shaying helped Chen Ping to excuse himself!

"Yes, yes, this guy is just unlucky. It has nothing to do with following Fellow Daoist Chen!"

Upon seeing this, Huazhang Weng also hurriedly spoke!

As the saying goes, one who eats someone's food should be grateful, and one who receives someone's gifts should be grateful. Since you have chosen to divide the things, I can only stand on Chen Ping's side!

"A brainless monk like this will die if he dies..."

Chapter: 7817

Lin Kefan also spoke up, then looked at Chen Ping and said, "Brother Chen, don't feel any psychological burden. This is not your fault! Take a look at what's in that guy's storage bag, and let's share it."

Chen Ping was stunned. He didn't expect these people to speak for him. It turned out that they wanted to divide things!

"Well, as the saying goes, we share half when we meet. Since you have seen it, you also have a share of it."

Chen Ping took out various treasures and resources from the monk's storage bag.

In this monk's storage bag, apart from some spirit stones, the most common items are various magical herbs!

It is estimated that this person is a pharmacist who collects herbs everywhere. Today, he flew over the Xiao Dynasty and was shot down by Chen Ping with an arrow!

"Take these spirit stones. As for the immortal herbs, I will refine them into pills and distribute them to you."

"If you consume these magical herbs directly, their effectiveness will be greatly reduced..."

After Chen Ping finished speaking, he directly sacrificed the Shennong Ding!

“Holy crap, what is this? It looks so awesome...”

Mo Shaying was very surprised when he saw the Shennong Ding!

“Is this the divine cauldron for refining pills?”

Hua Zhang Weng stroked the Shennong Ding and was also extremely shocked!

“Brother Chen, you can also make pills? Are you a pharmacist?”

Lin Kefan was also a little surprised. He didn't expect that Chen Ping was actually a pharmacist!

Chen Ping, who is at the second level of Mahayana realm, is able to fight against opponents of higher levels and does not even take cultivators at the peak of the ninth level of Mahayana realm seriously!

He must be a very talented person who is focused on practicing martial arts!

But I didn't expect he was a pharmacist!

“When I'm bored sometimes, I practice medicine...”

As Chen Ping said this, he put all the magical herbs into the Shennong Ding!

In just a few moments, a furnace of fragrant pills came out!

“The elixir is ready. You three can divide it up!”

Chen Ping pointed at the Shennong Ding and said!

“All for us?”

Chapter: 7818

Lin Kefan looked at Chen Ping!

“Of course, if I want to eat this kind of medicine, I can refine it anytime. You can take them all!”

Chen Ping waved his hand generously!

Upon hearing this, Mo Shaying and Hua Zhangweng could no longer control themselves and directly lay on the Shennong Ding, loading handfuls of pills!

Seeing this, Lin Kefan didn't care about his status as a prince and pounced on it to start snatching!

A furnace of pills was quickly divided among three people!

“Brother Chen, besides these treasures, what else do you have on you? Let us see it!”

Lin Kefan knew that Chen Ping must have more treasures on him. It was impossible that he only had the God King Bow and the Shennong Ding!

“There’s nothing special here, just some dragon-patterned bells, dragon-slaying swords, magic whips, and so on...”

As Chen Ping spoke, he took out all the treasures on him!

Looking at the treasures Chen Ping took out one by one, the three of them were dumbfounded!

Because in their eyes, each of these is a magical weapon!

Lin Kefan looked at it dazzled, and finally his eyes fell on the Dragon-Slaying Sword!

“Brother Chen, this is a sword with spiritual wisdom, right?”

Lin Kefan asked while gently stroking the Dragon Slaying Sword!

“Good eyesight! My dragon-slaying sword is indeed intelligent!” Chen Ping nodded!

Upon hearing this, Lin Kefan picked up the Dragon Slaying Sword and said reluctantly, “Brother Chen, since you already have a magical weapon like the Divine King Bow, give me this Dragon Slaying Sword. I can’t be unable to wield a sword!”

Chen Ping: “???”

What does this mean? Chen Ping was speechless!

He didn't expect that his fourth uncle was so shameless. How could he take the initiative to ask others for things?

I just took out these things to show off, but I never thought about giving them to others!

"This... this Dragon Slaying Sword, you can't use it..."

Chen Ping said!

"Why? How could I not be able to use it..."

Chapter: 7819

After Lin Kefan finished speaking, he swung the Dragon-Slaying Sword in his hand and was about to use it on Chen Ping!

But just as he swung it, the Dragon-Slaying Sword seemed to be out of control and instantly slipped out of his hand, then turned around and went straight to Lin Kefan's chest!

"Fuck..."

Lin Kefan cursed and quickly retreated!

Seeing this, Chen Ping shouted, "Zhongli, stop making trouble..."

I saw a flash of white light from the Dragon Slaying Sword, and a figure emerged from the Dragon Slaying Sword!

When Lin Kefan and the others saw clearly, they were all stunned. They saw a beautiful lady standing in front of them!

“I only belong to my master. If someone else wants to use me, don’t blame me for being rude!”

Zhongli looked at Lin Kefan and said!

“Brother Chen, could this be the sword spirit in the Dragon Slaying Sword?”

Lin Kefan asked in shock!

“Yes, she is the sword spirit Zhongli!” Chen Ping nodded!

“That’s great, that’s great. It can be used during the day and at night...”

Hua Zhang Weng looked at the beautiful Zhongli, licked his lips and said!

Zhongli glared at the old man with the flower staff. She understood what he meant!

“Zhongli, go back!”

Chen Ping asked Zhongli to return to the Dragon-Slaying Sword, and then put away everything!

Lin Kefan and the other two were obviously not satisfied, so they asked Chen Ping: “Brother Chen, besides these magic weapons, do you have any other interesting treasures? Can you show them to us?”

“I do have two mounts, but they are still small and not very obedient. I’m afraid I might hurt you by accident!”

Chen Ping said!

“Mount?” Lin Kefan’s eyes widened, and he said with an expression that he had never seen the world before: “Quick, let it out, let me see...”

“I’ve only heard that many immortals in the heavenly realm have mounts, but I’ve never heard of a Mahayana cultivator having a mount.”

The Flower Staff Old Man was also very curious!

“What’s so strange about this? As the saying goes, money makes the world go round. If Fellow Daoist Chen needs me, I can be his mount!”

Chapter: 7820

Mo Shaying spoke!

This guy has really been brainwashed by Chen Ping. Now he is willing to be Chen Ping’s mount!

“I don’t want you to be my mount. My mount is stronger than yours!” Chen Ping looked at Mo Shaying and smiled!

Mo Shaying was stunned and looked a little embarrassed!

After all, I am a ninth-grade cultivator in the Mahayana realm, but I am not as good as someone else's mount?

"Hahaha, Shadow, you're not even worthy of being someone's mount!"

The Flower Staff Old Man laughed wildly!

"Brother Chen, please release it and let us see what kind of mount it is that cannot even match the strength of Mo Shaying!"

Lin Kefan couldn't wait any longer!

"Well, since you want to see it, I'll satisfy you, but you have to stay away."

After Chen Ping finished speaking, he opened his storage ring and released the little fire unicorn!

When they saw the little fire unicorn appear, Lin Kefan and the other two were stunned!

Then they all looked at him with loving faces!

After all, this little fire unicorn is so cute and doesn't look fierce at all!

The three people slowly approached the little fire Qilin and actually reached out and started to touch the little fire Qilin!

The little fire unicorn didn't dodge and didn't seem to be afraid!

"Brother Chen, didn't you say you had another mount? Release it too!" Lin Kefan urged!

"Oh, the other one is sleeping and doesn't like to come out!"

Chen Ping said hurriedly!

The little Sky-Swallowing Beast didn't listen to Chen Ping at all, so Chen Ping couldn't control it at all!

But just as Chen Ping finished his words, the little Sky-Swallowing Beast actually ran out from Chen Ping's storage ring!

Seeing another one coming out, Lin Kefan and the other two looked over hurriedly!

However, when they saw the little Sky-Swallowing Beast, the three of them had expressions that clearly showed some disgust!

After all, the little Sky-Swallowing Beast isn't as good-looking as the little Fire Qilin!
