

The Order 7821

Chapter: 7821

“Fellow Daoist Chen, what’s the name of your mount? Why is it so ugly?”

Mo Shaying asked bluntly!

“This...” Chen Ping didn’t know how to answer!

However, the Chiyun Demon Lord in Chen Ping’s sea of consciousness was not happy!

“Damn it, what does this idiot know? How dare he say my Sky Devouring Beast is ugly...”

Demon Lord Chiyun was furious. If he was not in spirit form now, he would have come out and beat up Mo Shaying long ago!

“It’s okay if they’re a little ugly, but these two mounts look small, so they shouldn’t be very strong, right?”

“How is it possible that even Shadow’s strength is no match for these two little mounts?”

Huazhang Weng asked in confusion!

“That’s right, there’s no way I can’t beat these two little guys.”

Mo Shaying couldn't believe that his strength was not even as good as these two mounts that were not even mature beasts!

"If you don't believe it, you can try to imitate the Sky-Swallowing Beast..."

Chen Ping smiled slightly and said!

This little Fire Qilin is too small, and may not be a match for Mo Shaying, but that little Sky-Swallowing Beast is the mount of Red Cloud Demon Lord, and it can absorb everything with its mouth open!

"I'll fight you, but if I hurt your mount, please don't blame me, Fellow Daoist Chen!"

Mo Shaying clasped his fists and said!

"Don't blame me, don't blame me, but if you get hurt, don't blame me!"

Chen Ping waved his hands and said!

The Sky-Devouring Beast is not his own, and it won't listen to him anyway. If it is really injured, the one who will feel sad is the Scarlet Cloud Demon Lord!

"Don't worry, I won't get hurt..."

After Mo Shaying finished speaking, his figure disappeared instantly and headed straight for the little Sky-Swallowing Beast!

The reason why he is called Mo Shaying is that his speed is so fast that even his shadow cannot be seen!

Just as the black killing shadow moved, the little Sky-Swallowing Beast seemed to know something and opened its mouth wide!

A huge suction force directly sucked the black killing shadow into its stomach!

Chapter: 7822

Chen Ping and the others had no time to react. They didn't even see the shadow of Mo Shaying before he disappeared!

"Where are the people? Where is the shadow man?" asked the old man with the flower stick!

Lin Kefan and Chen Ping also hurriedly looked everywhere, but could not find any trace of Mo Shaying.

At this time, Chen Ping noticed the belly of the little Tianshen Beast. He suddenly thought of something and ran over quickly!

"Spit it out, spit it out quickly, this is not a bad guy, he is my friend..."

Chen Ping shook the little Sky-Swallowing Beast and shouted loudly!

The little Sky-Swallowing Beast opened its mouth and spat out the black killing shadow!

At this moment, Mo Shaying was half dead, his body was covered with mucus, and he kept coughing!

“It’s fucking horrible, so fucking horrible...”

There was fear in Mo Shaying’s eyes, which made people stupid!

Lin Kefan and Hua Zhangweng were also in a daze. They didn’t even see how Mo Shaying entered the belly of the Sky-Swallowing Beast!

“Are you okay? I told you that you couldn’t do it, but you insisted on trying and you almost died!”

Chen Ping looked at Mo Shaying and couldn’t help but laugh!

Lin Kefan looked at Chen Ping, his eyes full of passion, and said, “Brother Chen, you have two mounts, it’s such a waste, I wonder if you can...”

“No, my mount has already recognized its master!”

Chen Ping didn’t wait for Lin Kefan to say anything and just refused directly!

He knew that this guy was planning to take his mount again!

Chen Ping took back the little fire unicorn and the little swallowing beast, glanced at Mo Shaying and said, “Hurry up and wash, otherwise you will stink...”

Chen Ping just wanted to show off and let Lin Kefan and the other two know his strength!

There was no way he would give these things away. It was okay to give some pills and fairy stones, but he couldn’t give away any of the treasures on him!

After Chen Ping left, Lin Kefan and the other two had already started to look at Chen Ping with new eyes!

After all, if one person has so many treasures, there is no need to say more about his identity and background!

“Damn, my brother-in-law really has some background. He has some interesting things on him that even I haven’t seen before.”

“But he’s a bit stingy and didn’t give me anything. But it doesn’t matter. When my sister gets married, I’ll let this guy get more gifts.”

Chapter: 7823

“If he doesn’t make me happy, I won’t let my sister get married. I’ll see if he gives me the marriage then!”

Lin Kefan raised the corners of his mouth slightly, as if the treasures on Chen Ping’s body would fall into his hands sooner or later!

Two days later!

Xing Daorong personally delivered the fairy stone to Chen Ping!

Chen Ping knew that even if Xing Daorong sent fairy stones, there couldn’t be that many, not even a hundred thousand at all. So in order to avoid being exposed, Chen Ping met Xing Daorong directly outside the Xiao Dynasty!

“Mr. Chen, you asked me to deliver the fairy stone, and I rushed here without stopping...”

Xing Daorong said with sweat all over his forehead!

This guy doesn't have an airship and can only rely on his own spiritual power to fly. For such a long distance, the consumption is enormous!

“Thank you for your hard work!” Chen Ping took the storage bag and asked, “How many fairy stones are there in it?”

“One hundred thousand...” Xing Daorong said!

“One hundred thousand?” Chen Ping's body trembled: “Fuck, where did so many fairy stones come from?”

“Mr. Chen, these are mined from the fairy stone veins!”

Xing Daorong looked at Chen Ping in confusion, not understanding why Chen Ping was so excited!

Chen Ping also knew about the fairy stone vein!

“Mining so fast? Have all the mineral veins been mined out?”

Chen Ping frowned!

Although a fairy stone vein has been discovered, the content of the vein is not high. Once these 100,000 fairy stones are mined, the vein will probably be ruined!

“No, the mineral vein we discovered this time didn’t seem to have a high content on the surface, but when we mined it, we found that the entire mountain was filled with fairy stones.”

“If we estimate conservatively, even a million fairy stones would not be enough to stop it.”

Xing Daorong said with a grin!

“What?” Chen Ping grabbed Xing Daorong’s arm excitedly: “You didn’t lie to me, did you?”

More than a million fairy stones?

Chen Ping only dared to brag about a million!

“Mr. Chen, how dare I lie to you? I have already sent more people to mine overnight. If you need more fairy stones, I will send them to you in two days!”

Chapter: 7824

Xing Daorong said seriously!

Chen Ping found that Xing Daorong was not lying to him, so he took a deep breath, tried to calm himself down, and then said: “I will contact you when I need you. Next time when I send you the fairy stones, remember to bring more people.”

“So many fairy stones are no joke. Now many cultivators are willing to become dogs for the fairy stones.”

“As for the matter of the fairy stone mine, it must not be leaked out, and it must be kept strictly confidential!”

Chen Ping was afraid that the fairy stone mine would leak out, and by then many people would definitely go to Beast City!

Although there are illusion arrays around the Beast City and no one can easily enter it, there are always people who are better than you, and there are always people who are better than you. There will also be masters of arrays among the hidden forces in the world of heaven and man!

Once the illusion array surrounding the Beast City is broken, the Beast City will be in a devastating disaster!

“Don’t worry, Mr. Chen. No one else will be able to leave the Beast City.”

Xing Daorong nodded and said!

“Okay, then you go back!” Chen Ping waved his hand and let Xing Daorong go back!

Chen Ping himself took 100,000 fairy stones and went to find Lin Kefan and the other two with Xiao Qu in his arms!

Seeing Chen Ping coming, Lin Kefan hurriedly asked: “Brother Chen, has the fairy stone arrived?”

Chen Ping nodded and threw the storage bag to Lin Kefan: “Here are 100,000 immortal spirit stones. You three can divide them up...”

“Just follow me from now on, and I’ll make sure you have a good life...”

Lin Kefan opened the storage bag with half belief and half doubt, but when he saw that there were really 100,000 fairy stones inside, he was completely stunned!

Hua Zhang Weng and Mo Shaying also looked at the storage bag with shining eyes!

You know, they are just little followers of Lin Kefan, how can they be qualified to share resources with Lin Kefan!

What's more, this is the fairy stone. In Sun Moon City, they are not qualified to get the fairy stone!

"You... you really got a hundred thousand immortal spirit stones?"

Lin Kefan said in shock!

"Of course. I always keep my word. Whatever I say, I will definitely do it."

"It's just a mere 100,000 immortal spirit stones. What's the big deal?"

Chen Ping said in a very pretentious manner!

Lin Kefan looked at Chen Ping. Although he seemed to be pretending to be cool, he looked so comfortable at the moment!

Chapter: 7825

After all, one hundred thousand fairy stones are right in front of him. He is not just showing off, he is really awesome!

“Then I won’t be polite with these 100,000 immortal spirit stones...”

Lin Kefan said this and put away the storage bag!

“Why don’t you give him two points?” Chen Ping asked!

“They don’t need it!” Lin Kefan said, then looked at Hua Zhang Weng and Mo Shaying and asked, “Do you two want to share?”

“No, no!” Although the two people also wanted it, they did not dare to disobey Lin Kefan!

After all, he is the master and they are just servants!

“If you follow me, you have to treat everyone equally. You have to give them both points, or I will beat you up!”

Chen Ping looked at Lin Kefan and said sternly!

Hua Zhang Weng and Mo Sha Ying were so moved that they almost cried when they saw Chen Ping like this!

I wish I could kowtow to Chen Ping!

This is a good leader!

Seeing that Chen Ping was serious, Lin Kefan said, "Chen Ping, I'll tell you the truth. I'm Lin Kefan, the fourth prince of Sun Moon City."

"Has my sister Lin Keting already secretly married you? And you still call me fourth uncle!"

"What? You are from Sun Moon City?" Chen Ping pretended to be surprised, then shook his head and said, "Impossible, you are definitely not from Sun Moon City, don't lie to me, what evidence do you have?"

"This is my token, take a look..." Lin Kefan gave his token to Chen Ping!

Chen Ping just took a look, then said incredulously: "You really are the fourth prince of Sun Moon City, my fourth uncle..."

"Then...the guy I beat up a few days ago, isn't he my uncle?"

"Yes, he is Lin Kedong, the eldest prince of our Sun Moon City. I came here this time to take you to Sun Moon City." Lin Kefan nodded and said!

"Damn it, the flood has washed away the Dragon King Temple. Family members don't recognize each other anymore? Why does my eldest brother-in-law want to kill me?" Chen Ping asked while pretending to be stupid!

"Don't ask so many questions. Just come back to Sun Moon City with me and explain this matter clearly!"

Lin Kefan couldn't say that his elder brother came to kill his brother-in-law because of the Ten Palaces' Death Order!

"I won't go. I beat up my brother-in-law. If I go to Sun Moon City, he will skin me alive."

Chen Ping shook his head.

Chapter: 7826

Seeing this, Lin Kefan quickly assured him, "Don't worry, I will protect you, and I will also speak well of you in front of the emperor."

"My little sister is under house arrest, and she misses you very much. Don't you want to see her?"

"Fourth uncle, this is what you said, you must protect me?" Chen Ping said pretending to be afraid!

"Don't worry, you've given me so many good things, how could I not protect you? Besides, you're my brother-in-law. No one will dare to touch you in Sun Moon City!" Lin Kefan patted his chest and guaranteed!

"Okay, I'll go with you!" Chen Ping nodded in agreement after seeing Lin Kefan patting his chest to promise!

"Then let's go without further delay!"

Seeing that Chen Ping agreed, Lin Kefan decided to set off back!

But just as he was about to leave, Mo Shaying grabbed Chen Ping and said, "Fellow Daoist Chen, I want to..."

"Mo Shaying, what are you going to do? Are you going to betray the Fourth Prince and really follow Chen Ping?"

Hua Zhang Weng asked Mo Shaying loudly!

Lin Kefan also frowned and looked at Mo Shaying with a gloomy face!

Although Chen Ping is the son-in-law of their Sun Moon City, Mo Shaying, as his close follower, must not follow anyone else except himself!

If Mo Shaying changed his master, Lin Kefan would have no place to put his face!

“Old man, you misunderstood. How could I betray the Fourth Prince?”

After Mo Shaying finished speaking, he looked at Chen Ping seriously and said, “Fellow Daoist Chen, my father is also a strong man at the peak of the ninth level of the Mahayana Realm. He is stronger than me. Do you think you can let him follow you?”

Chen Ping: “???”

Flower Staff Old Man: “.....”

Lin Kefan: “.....”

“Fellow Daoist Chen, I have no other intentions. I just want my father to follow you, even if it means going through fire and water. You just need to give him some fairy stones.”

“Then I will inherit the fairy stones in my father’s hands. They are all mine anyway...”

Mo Shaying smiled slightly embarrassedly!

Chen Ping understood what Mo Shaying meant, and smiled slightly, saying, “If your father is at the peak of the ninth level of the Mahayana realm, then you can let him come, and let him use the 10,000 immortal spirit stones first...”

“Okay, okay, I’ll inform my dad right away...” Mo Shaying nodded excitedly and immediately used the jade slip to transmit the message to his father!

Seeing this, Huazhang Weng’s eyes turned, and he hurriedly stepped forward and said to Chen Ping: “Fellow Daoist Chen, I have a Taoist partner who can practice dual cultivation with me. Although he is older and less powerful than me, but...”

Chapter: 7827

When Hua Zhang Weng saw that Mo Shaying asked his father to earn the fairy stones, he also thought of his wife!

“Okay, let her come...” Chen Ping agreed before Hua Zhangweng finished speaking!

“Okay, okay!” Huazhang Weng was excited, and then continued: “I also have a sister-in-law, who is also...”

Mo Shaying also spoke up hastily: “I also have a third aunt, who is also...”

“Okay, anyone who is a ninth-rank Mahayana cultivator can come...”

Chen Ping quickly made a gesture and spoke to Mo Shaying and Hua Zhangweng!

All these aunts and uncles have come out, and Chen Ping doesn’t have time to listen to their introductions one by one!

As long as he is a ninth-grade cultivator in the Mahayana realm, he will be of some help to Chen Ping!

And these people are the ones who need the fairy stones the most.

Mo Shaying and Hua Zhangweng happily hurried to contact all their relatives!

Lin Kefan was so angry that his face turned blue, but there was nothing he could do!

After all, Mo Shaying and Hua Zhangweng did not betray him, they just let their family follow Chen Ping!

“Fourth uncle, it seems that your life in Sun Moon City is not easy either...”

Chen Ping looked at Lin Kefan and smiled slightly!

Lin Kefan’s face was full of embarrassment: “Indeed, our Sun Moon City has been short of resources recently...”

If resources were not scarce, Lin Kedong would not have accepted the killing order from the Ten Courts of Justice and come to kill Chen Ping!

It is impossible that Lin Kefan would deliberately conceal his identity and deceive Chen Ping just for a few resources!

After all, they are princes and people of status. It is shameful to do such things!

But resources are scarce in Sun Moon City, so we can only find ways to collect resources everywhere!

.....

Ten Palaces!

Huo Qing was lying in his room, playing with an object in his hand. Only upon closer inspection could one see that the object Huo Qing was playing with was actually a child's head!

Because of playing with it for a long time, the child's head exudes a dazzling luster!

At this time, the thin old man pushed the door open and walked in. The only person who could enter Huo Qing's room without knocking was this old man. Even the Ten Palace Masters needed to knock on the door!

"What's wrong?" Huo Qing raised his eyelids and asked!

"The Immortal Stone was given to Lin Kedong, and he also attacked Chen Ping, but Lin Kedong was beaten and almost died..."

The old man said!

"How did he almost die? Why didn't he die? What happened?"

Huo Qing became interested, sat up straight and asked!

"Just when Chen Ping was about to kill him, the fourth prince of Sun Moon City, Lin Kefan, arrived and rescued Lin Kedong."

The old man explained!

"This Lin Kefan is such a bad guy!"

Huo Qing spat fiercely. If Chen Ping killed Lin Kedong, it would be a big deal!

By then, Sun Moon City will definitely not let it go. In that case, they can just watch the joke while Sun Moon City kills Chen Ping!

“After Lin Kedong was rescued, several ninth-grade Mahayana masters were bribed by Chen Ping with fairy stones.”

“I guess Chen Ping is also trying to expand his power and wants to fight against our temple!”

The old man whispered!

“Humph, he is just a second-grade Mahayana cultivator, and he dares to fight against the Divine Temple?”
Huo Qing snorted coldly: “Even if he gathered all the cultivators in the Heavenly Realm, he would not have the strength to fight against the Divine Temple.”

“If we are only dealing with the Ten Palaces, perhaps these people can be useful. But if they want to deal with the entire temple, they can only dream...”

Among all the Ten Palaces of God, they are the weakest ones. Even if they are the worst, they can still rank among the top in the world of heaven and man!

It is conceivable how terrifying the power of those palaces above the Ten Palaces will be!

It is wishful thinking for a mere cultivator from the celestial world to fight against the entire temple!

Chapter: 7828

“Young master, what should we do?” the old man asked!

“Didn’t Sun and Moon City seek revenge on Chen Ping?” Huo Qing asked!

“It’s revenge. Lin Kefan brought people here personally, but... but...”

The old man hesitated and didn’t know what to say!

“Just what? If you have something to say, just say it!” Huo Qing frowned!

“However, Lin Kefan did not capture Chen Ping. It seems that he took him to Sun Moon City.”

“When they left the Xiao Dynasty, they were talking and laughing. Lin Kefan looked even more fawning. I don’t know why!”

The old man said!

“Oh, there is such a thing?” Huo Qing looked puzzled: “Lin Kefan is in the Immortal Realm, and he is also a very talented and arrogant guy. How could he be so flattering to Chen Ping?”

“Could it be that Lin Kefan knows that there is someone behind Chen Ping, so he behaves like this?” the old man analyzed!

“It’s possible, but even if there is someone behind Chen Ping, is he stronger than Sun Moon City?”

Huo Qing looked confused!

The strength of the Sun Moon City is one of the best in the world of heaven and man. Chen Ping is a small cultivator in the Mahayana realm. Is there a backer stronger than the Sun Moon City?

Huo Qing was a little bit unconvinced, as he knew nothing about the power behind Chen Ping!

“Master, if Chen Ping forms an alliance with Sun Moon City, the Ten Palaces will be in danger. We should make plans early!”

The old man reminded in a low voice!

“We really need to make plans.” Huo Qing nodded, and then said, “Go and issue an emergency decree and ask my father to send some experts over.”

“Young master, you want to help the Ten Palaces?” the old man asked in astonishment!

“Humph, I won’t help. The destruction of the Ten Palaces has nothing to do with me. Maybe if the Ten Palaces are destroyed, I will be able to re-establish the Ten Palaces.”

“I’m afraid that Chen Ping will do something bad to me. Now there are only you and me. If Chen Ping really does something bad to me, I’m afraid I won’t even have a chance to escape!”

Huo Qing knew very well that if Chen Ping joined forces with Sun Moon City, the Ten Palaces would find it difficult to resist!

The Ten Palaces can be destroyed, but he cannot die. He just comes to the Ten Palaces to gild himself. Maybe one day he will be transferred to other palaces!

“I see!”

After the old man finished speaking, he actually took out a token and then crushed it!

Chapter: 7829

As the token shattered, the void trembled and a voice slowly came!

“What’s wrong?”

The old voice seemed to penetrate the universe and the stars and reach here!

“Father, I am in danger...”

Huo Qing said hurriedly!

“Hmm!” The old voice just said “hmm”, and then there was no movement!

Huo Qing narrowed his eyes slightly, looking a little embarrassed!

“Master, don’t worry, the master will definitely send someone.”

The old man comforted Huo Qing!

Huo Qing nodded, lay back on the bed, and played with the child’s head!

.....

Chen Ping followed Lin Kefan and the other two back to Sun Moon City!

But not long after they left the Xiao Dynasty, suddenly several terrifying auras came straight towards them from afar!

Lin Kefan frowned slightly: "Who is so bold as to charge towards us?"

Hua Zhang Weng and Mo Shaying looked at each other and were also a little shocked, because these auras were extremely powerful!

In just a blink of an eye, these auras arrived in front of Chen Ping and the others!

The two leaders turned out to be Hyun Bin and Zhou Tang!

The two men took Chen Ping's fairy stones and went to help Chen Ping recruit helpers. Now the two men have come with several cultivators!

Without exception, these cultivators are all at the peak of the ninth level of the Mahayana realm, and their desire for Immortal Stones is the strongest!

"Let Mr. Chen go, and I'll spare your lives..."

Xuan Bin looked at Lin Kefan and the other two and said in a cold voice!

While they were talking, the other people had already prepared for a fight, each of them exuding a strong aura, ready to take action at any time!

Seeing this scene, Lin Kefan was slightly stunned, and then he laughed.

He was in the Immortal Transformation Realm, but he didn't expect that these guys in the Mahayana Realm would dare to stop him in order to save Chen Ping!

Chapter: 7830

"Do you know who I am?"

Lin Kefan asked!

"The fourth prince of Sun Moon City..." Xuan Bin said!

"Since you know that I am the prince of Sun Moon City, you still dare to stop me. Do you want to die?"

"Does our Sun Moon City no longer have any prestige in your eyes?"

Lin Kefan frowned, and murderous intent began to appear in his eyes!

He didn't know when their Sun Moon City had lost all its deterrent power!

"Let Mr. Chen go, and we will get out of the way immediately, otherwise we will fight to the death..." Hyun Bin did not have a trace of fear, and his eyes were full of fighting spirit!

“What is your relationship with Chen Ping? Why did you risk your life to save him?”

Lin Kefan didn't understand, who was this Chen Ping among these cultivators? It's worth their efforts!

“It doesn't matter, it's just that Mr. Chen gave too much, he is now our God of Wealth!”

“You can take my parents away, but you can't take our God of Wealth away...”

After Xuan Bin finished speaking, he turned to the girl behind him who was wearing a light yellow long skirt, had a good figure and black hair and said, “Hua Mei, set up the formation, don't let them run away...”

The girl nodded, her palms facing the sky, muttering something, and in an instant, a formation barrier visible to the naked eye slowly appeared within a hundred miles!

Lin Kefan frowned: “I didn't expect you guys brought a formation master with you?”

“Release Mr. Chen. This is the last warning...”

Hyun Bin said with a cold face!

“Fuck you, I gave you face, a group of Mahayana cultivators, you are still so arrogant...”

Lin Kefan was angry. Even if the other party had a formation master, he was not afraid at all!

After all, he is in the Immortal Transformation Realm. If he can't even deal with these Mahayana cultivators, wouldn't it be so embarrassing!

“Okay, this is a misunderstanding!”

At this time, Chen Ping finally spoke. The reason why he didn't speak just now was that he wanted to see what Xuan Bin and others were going to do!

“Mr. Chen, aren't these people from Sun Moon City planning to take you to Sun Moon City for revenge?”

Hyun Bin asked!
