

The Order 7831

Chapter: 7831

Xuan Bin witnessed with his own eyes Chen Ping beating up Lin Kedong!

Judging from the character of Riyue City, they will definitely cause trouble for Chen Ping!

“Misunderstood. I just followed them to Sun Moon City. They didn’t want to arrest me.”

“Now the three of them are the same as you, they have all joined me, so you should stop fighting.”

Chen Ping followed Xuan Bin to explain!

“They are also hanging out with you?” Hyun Bin looked incredulous!

After all, Lin Kefan is the fourth prince of Sun Moon City. How could he possibly follow Chen Ping!

Even if Chen Ping has a background and fairy stones, it is impossible for the Fourth Prince of Sun Moon City to be willing to be inferior to others for a few resources!

“Money makes the world go round...”

Chen Ping smiled and patted Hyun Bin on the shoulder!

Xuan Bin understood what Chen Ping meant, smiled slightly, and then retracted his aura!

“Mr. Chen, my third brother and I will find a few people for you. See if you can take them in!”

Xuan Bin said this, and then Hua Mei, who had just been casting a spell, said: “This is a good friend of mine, named Hua Yueying, a formation master!”

Chen Ping took a look at Hua Yueying, a formation master who had cultivated to the peak of the ninth level of the Mahayana realm. It was indeed not easy!

You must know that at the same level, ordinary cultivators are no match for formation masters!

“Miss Hua, put away the formation...”

Chen Ping said to Hua Yueying!

But just after he finished saying this, Chen Ping felt a little awkward. Why was this beautiful girl calling him in such a vulgar way?

Flower girl...

Isn't this a devil?

“Do you think I'm qualified?” Hua Yueying asked!

“Not bad, you can hang out with me!” Chen Ping nodded!

“I want more than them!”

Hua Yueying said!

Chapter: 7832

“I understand. After all, the formation master is very good...” Chen Ping said with a smile!

There are very few formation masters in the celestial world, and formation masters like this one who are at the peak of the ninth level of the Mahayana realm are even rarer!

“I want 100,000 immortal spirit stones...”

Hua Yueying said!

“Hua Mei...” Hyun Bin frowned when he heard it!

Isn't this just a huge mouth? One hundred thousand fairy stones in one mouth. It's a joke!

“You want 100,000 immortal spirit stones? That requires real skills!”

Chen Ping laughed!

“This is my real ability...” Hua Yueying said, and then she waved her hand lightly, and the formation around her began to shrink rapidly!

Everyone felt a sense of oppression, the pressure of the great way!

You should know that everyone present, except Chen Ping, are ninth-grade cultivators in the Mahayana realm!

Even they felt the oppression, which shows that this formation is very powerful!

Chen Ping looked at Hua Yueying's performance and smiled slightly, saying, "This kind of trivial skill is not worth a hundred thousand..."

After Chen Ping finished speaking, he flicked his finger lightly, and a ray of white light instantly hit the formation!

In other words, at the moment of contact, the huge formation suddenly collapsed and disappeared without a trace!

Hua Yueying was stunned, with a look of disbelief in her eyes!

"This...this..."

Hua Yueying opened her mouth wide, not knowing what to say. This was her best formation!

How could it be broken in the blink of an eye?

Lin Kefan, Xuanwu and the others were also looking at it in disbelief!

Everyone's eyes were filled with shock...

"Mr. Chen...Mr. Chen, you are so awesome. Are you also a formation master?"

Mo Shaying asked stutteringly in shock!

"I know a little bit..."

Chapter: 7833

Chen Ping smiled modestly!

After hearing this, Hua Yueying almost vomited blood. Just by knowing a little, he broke her strongest formation?

"Brother-in-law, not only can you fight against opponents of higher levels, but you are also a pharmacist and a formation master. Is there anything you don't know?"

Lin Kefan was completely convinced by Chen Ping!

"Of course I have. Giving birth to a child won't..."

Chen Ping smiled jokingly!

"It doesn't matter, let my sister give birth to ten or eight children. Don't waste your good genes!" Lin Kefan said excitedly!

Xuan Bin and the others were stunned when they heard this. They didn't understand how Chen Ping became Lin Kefan's brother-in-law!

"Mr. Chen, these three are also powerful ninth-grade Mahayana masters who have come to seek refuge with you..."

"Because the identities of the three are somewhat special, it is inconvenient to show them to others..."

Hyun Bin pointed at three mysterious strong men in black robes. All three of them were wearing masks and their true faces could not be seen at all!

"It doesn't matter. Follow me. I don't care about your background. I treat everyone equally..."

Chen Ping waved his hand and said!

"Yes, yes, Mr. Chen absolutely treats everyone equally..." Mo Shaying hurriedly nodded in agreement!

"That's right!" Huazhang Weng also admitted!

After all, Chen Ping just treated them both and Lin Kefan equally!

"There is also this Cang Yue, a famous physical cultivator. His physical body is invincible and extremely strong. No magical weapon can hurt him."

Hyun Bin pointed at a burly middle-aged man and said!

“My body has been burned by fire and slashed by thousands of swords. Only then did I develop an indestructible body. No matter what kind of magic weapon or weapon it is, it cannot...”

“puff.....”

Before Cangyue could finish his words, Chen Ping took out the Dragon-Slaying Sword and passed through!

The Dragon-Slaying Sword pierced several inches into Cangyue’s body, and blood flowed out directly!

“This won’t work?” Chen Ping drew out the Dragon-Slaying Sword!

Everyone: “.....”

Chapter: 7834

Cangyue looked at the wounds on his body, and after a moment of shock, he suddenly burst into tears!

He himself knew how strong his own body was. No matter how many magical weapons he had, they could not cause the slightest harm to his body!

But now how come it broke when Chen Ping poked it lightly?

What the hell is this sword?

Chen Ping didn’t expect that this burly Cangyue was just stabbed lightly by him, which was not fatal at all, so why did he cry?

“Sorry, don’t cry, don’t cry, just stab me a few times!”

Chen Ping hurriedly apologized to Cangyue!

When Cangyue heard this, he suddenly took out a sharp blade from his body and stabbed towards Chen Ping!

This time, everyone was scared!

Especially Xuan Bin, he didn’t expect Cang Yue to be so stupid. Chen Ping asked him to stab, and he actually stabbed!

Ding ding ding.....

Cangyue stabbed three times in a row at an extremely fast speed!

But accompanied by three crisp sounds, there was no scar on Chen Ping’s body, but Cangyue’s sharp blade was broken!

Seeing this scene, everyone was even more shocked!

And Cangyue looked at his broken blade and cried even louder!

He was not feeling sorry for his own sharp blade; he was suffering an unbearable blow!

Originally he was showing off with his strong body, but now he was slapped in the face!

“Alright, alright. I’ll injure your body and break your weapon, and I’ll give you 5,000 more immortal spirit stones later!”

Chen Ping hurriedly comforted Cangyue!

When Cangyue heard this, he immediately burst into laughter and said, “Really?”

“Of course it’s true. I, Chen Ping, always keep my word.”

“Each of you will get 10,000 immortal spirit stones. As long as you work hard and go through fire and water, I will definitely not treat you unfairly.”

Chen Ping patted his chest and said!

“No problem, bring it here...”

Chapter: 7835

Cangyue stretched out his hand and said!

Hua Yueying and the three men in black robes were all staring at Chen Ping, waiting for Chen Ping to take the money!

Chen Ping didn’t have any fairy stones on him at this time, he gave them all to Lin Kefan!

However, seeing the gazes of several people, Chen Ping looked at Lin Kefan and said, "Fourth uncle, take out the fairy stones and I will share them with them..."

"No, you're giving this to me..."

Lin Kefan hurriedly covered his storage bag!

"Don't be so stingy. Wait for me to have someone deliver it to you, and then I'll return it to you. You think hundreds of thousands of fairy stones are treasures!"

Chen Ping snatched the storage bag and began to distribute fairy stones to several people!

Lin Kefan still wanted to snatch it away, but when he thought about how awesome Chen Ping was and that he had a mine of fairy stones, he knew that if he followed Chen Ping in the future, he would definitely not be treated unfairly!

What's more, the two people have another layer of relationship. Chen Ping can cheat anyone but not himself!

"Divide it, divide it, give them all. We are a family anyway, what's mine is yours and what's yours is mine!"

Lin Kefan said generously!

Chen Ping: "Fuck, stop it. Your sister and I are a family. My things can be your sister's, but they can never be yours."

"Almost the same, same, same..."

Lin Kefan smiled and patted Chen Ping on the shoulder!

When several people saw the relationship between Chen Ping and Lin Kefan, they became more determined to follow Chen Ping!

From now on, Chen Ping will be the son-in-law of Sun Moon City, and Sun Moon City is one of the best in the entire heaven and human world!

“Mr. Chen, can we go with you to Sun Moon City? It would be good for us to be by Mr. Chen’s side and protect him at all times!”

Xuan Bin asked Chen Ping!

Chen Ping is now their God of Wealth. If these people want to break through to the Immortal Realm, they have to rely on Chen Ping, so Chen Ping cannot make any mistakes!

“No, Sun Moon City does not allow outsiders to enter...”

Without waiting for Chen Ping to speak, Lin Kefan disagreed!

His father must be angry with so many strangers going to Sun Moon City!

“Who said they were outsiders? They are all my people now, why can’t they go to Sun Moon City?”

Chapter: 7836

“If they can’t go, then I won’t go either...”

After Chen Ping finished speaking, he turned around and was about to leave!

Seeing this, Lin Kefan hurriedly stopped Chen Ping and said, “Okay, let’s go...”

Chen Ping then smiled faintly, and everyone headed straight for Sun and Moon City!

Sun and Moon City!

Chen Ping followed Lin Kefan to the palace hall, and everyone else was arranged by Lin Kefan to other places!

After all, he brought Chen Ping to follow his father to apologize. If he brought Hyun Bin and others along, a fight might break out!

“Emperor Lin, you must stay calm. You can teach him a lesson, but don’t be too harsh or you might kill him...”

Taoist Wuji persuaded Lin Chong!

“Don’t worry, Taoist priest. I will definitely spare his life, but I will also teach him a lesson by making him lie in bed for eight to ten years!”

Lin Chong said angrily!

“That’s good, just save his life!”

After Taoist Wuji finished speaking, he turned and left!

He knew that it would be very embarrassing if he were here!

Taoist Wuji had just left when Chen Ping followed Lin Kefan in!

“Father, I brought Chen Ping here, and I learned a little bit about it. Chen Ping didn’t know my eldest brother’s identity at the time, so he beat him up.”

“Now that he knows, he comes with me to apologize...”

Lin Kefan hurriedly spoke well of Chen Ping!

“Are you pleading for him?” Lin Chong looked at Lin Kefan and asked!

“I’m not begging for mercy, I’m just stating the facts clearly. As for what needs to be done, it’s up to the emperor to decide!”

Lin Kefan said!

“Humph, even if you don’t know your identity, you can’t escape punishment.” Lin Chong snorted coldly, looked at Chen Ping and said, “If you cut off one of your arms, I can forgive you...”

“Broken arm?” Chen Ping was stunned!

Lin Kefan was also stunned. He didn’t expect his father to be so cruel as to let Chen Ping cut off his own arm!

Chapter: 7837

If he cuts off one of his arms, his strength will definitely be greatly reduced!

“Father, he is my sister’s man. If you let him cut off his arm, what will happen to my sister?”

Lin Kefan moved out of Lin Keting’s house. He knew that his father loved Lin Keting the most!

“Chopping off one of his arms won’t cripple him. Even if one arm is cut off, we can still practice dual cultivation. It won’t be a problem.”

Lin Chong said with a cold face!

“Then he...”

“Get out...” Lin Chong roared without waiting for Lin Kefan to speak!

Seeing this, Lin Kefan was so scared that his neck shrank and he could only retreat slowly!

When passing by Chen Ping, he whispered: “Be nicer and drag my father. I will go find my little sister to save you!”

Chen Ping didn’t say anything, just stared at Lin Chong!

After Lin Kefan left, Lin Chong said to Chen Ping, “Do you want to do it yourself, or do you want me to do it?”

“No need, I can do it myself!”

After Chen Ping finished speaking, he summoned the Dragon-Slaying Sword!

Lin Chong watched quietly, without a trace of emotion on his face!

Chen Ping swung the Dragon-Slaying Sword and was about to chop his own arm!

But at the moment of chopping down, the sword tip suddenly turned!

“I’ll break your grandmother’s legs...”

Chen Ping’s Dragon-Slaying Sword actually stabbed straight towards Lin Chong!

It is impossible for Chen Ping to let himself lose an arm. He would never agree to it even if he died!

If his arm was really broken, Chen Ping knew that he would not survive tomorrow!

Just give it a try!

“Hmph, you don’t know your own limitations...”

Lin Chong didn’t expect that Chen Ping would dare to attack him. After a cold snort, he waved his hand lightly!

A huge force instantly knocked Chen Ping away, and Chen Ping didn't even get close to Lin Chong!

Chapter: 7838

"Damn, too strong..." Chen Ping's eyes narrowed slightly, and then he asked the Scarlet Cloud Demon Lord: "Senior, my body has been strengthened now. If I let you know my identity, can you defeat this guy in front of you?"

Chen Ping knew that he could never be a match for Lin Chong with his own strength, so he had to ask Demon Lord Chiyun to take action!

"If you can bear it, I can kill him in a minute. But considering your body's ability to bear it, I can't guarantee it."

Demon Lord Chiyun spoke truthfully!

"Then let's fight. This old man is going too far..."

Chen Ping gritted his teeth and decided that even if his body was destroyed, he would not allow himself to be bullied!

He even cut off his own arm, wishing...

"Since you don't want to do it yourself, I'll help you..."

After Lin Chong finished speaking, he appeared in front of Chen Ping in an instant!

Chen Ping was not given any time at all!

Lin Chong grabbed Chen Ping's arm. As long as he grabbed Chen Ping's arm, Chen Ping's arm would be broken!

Chen Ping instinctively threw a punch to block. He would never let Lin Chong lose one of his arms!

But just when Chen Ping threw a punch, Lin Chong froze in an instant as if he had seen a ghost, and the hand that was grabbing Chen Ping just hung in the air without moving!

boom!

Chen Ping punched Lin Chong, causing him to retreat three steps!

Chen Ping looked at Lin Chong in surprise, not understanding what was wrong with Lin Chong and why he suddenly stopped!

Plop!

After being shocked for a moment, Lin Chong suddenly knelt down in front of Chen Ping!

When Chen Ping saw this, he was shocked!

No matter what, Lin Chong is his father-in-law, so why is he suddenly kneeling down to him?

"Your subordinate Lin Chong pays homage to the Lord Palace Master..."

Lin Chong kowtowed directly to Chen Ping!

Chen Ping was stunned for a moment, then reacted instantly and took a look at the Tianlong Ring on his hand!

“You...you are also one of the Tianlong Hall?”

Chapter: 7839

Chen Ping asked Lin Chong!

“Yes, I am also one of the disciples of the Tianlong Palace. I didn’t know if I was offended by you, Lord Palace Master. Please forgive me!”

Lin Chong was kneeling on the ground, his body still shaking slightly!

“Ignorance is not a crime, please get up quickly...”

Chen Ping hurriedly helped Lin Chong up!

Chen Ping was very excited at this moment. He didn’t expect that Sun and Moon City would belong to his power!

“Palace Master, please take a seat. I will make you some tea...”

Lin Chong let Chen Ping sit on his throne, and then personally made tea for Chen Ping!

“Don’t call me Palace Master anymore. I don’t want anyone to know my identity. Just call me by my name!”

Chen Ping didn't want others to know his identity as the master of Tianlong Palace!

"That won't work, I'll just call you Mr. Chen!"

Lin Chong didn't dare to call Chen Ping by his name!

"Whatever you say!" Chen Ping nodded, took a look at the magnificent palace, and then asked: "Let me ask you, how strong is your Sun Moon City in the entire Heavenly World? Can you deal with the Ten Palaces?"

Now the Ten Courts are causing trouble for Chen Ping, and Chen Ping has long wanted to destroy the Ten Courts!

"It's easy to deal with the Ten Palaces, but behind the Ten Palaces is the Temple, and behind the Temple is the entire God Clan. So if we want to deal with the Temple, the strength of our Sun Moon City will be too weak!"

"But rest assured, Mr. Chen. As far as I know, there are only ten palaces in the heavenly world. The other halls of the temple are not in the heavenly world, and I don't know in which plane of the world they are!"

"So even if we destroy the Ten Palaces, it will be difficult for that temple to send people to intervene..."

"In this world of heaven and man, the strength of my Sun Moon City is definitely ranked in the top three. I also know a few of the five domain masters of the world of heaven and man. We are old acquaintances."

"But the Ladder to Heaven is about to appear. I just don't know how many celestial beings are still alive in the world of the Ladder to Heaven. The strength of the cultivators who can survive for a hundred years in the world of the Ladder to Heaven is definitely terrifying. These people are unknown."

Lin Chong followed Chen Ping and explained in detail!

“Top three in the world of heaven and man?” After hearing this, Chen Ping laughed inwardly. In this way, he would be able to walk around the world of heaven and man with impunity in the future, and he wouldn’t have to be afraid of anything!

“By the way, there are many people from the heavenly realm trapped here. How strong are they compared to you?”

Chen Ping asked!

“Those immortals in the heavens were trapped in the heavenly realm. Their strength was suppressed or even reduced. Moreover, they have not been able to practice for thousands of years.”

“Compared to them, I am naturally not afraid. Taoist Wuji was once an immortal from the heavens. If he had not been in my Sun Moon City, his strength would have declined a lot!”

“But the great formation of heaven and earth has recently been moving. Once the great formation of heaven and earth is broken, these people in the heavens will recover their strength and return to the heavens. By that time, I will not be their opponent!”

Lin Chong said!

Chapter: 7840

Chen Ping listened to Lin Chong’s words and nodded slightly!

It seems that the waters in the world of heaven and man are quite deep, but now that I have the Sun and Moon City as my headquarters, I will no longer want to be chased around like I did in the beginning!

In this way, you will have more time to spend on cultivation. You must improve your cultivation as soon as possible and then try to climb the ladder to heaven!

If you can pass the ladder to heaven, you don't need to practice slowly to ascend, you can reach the heaven!

However, the most important thing right now is to deal with the Ten Palaces first.

After dealing with the Ten Courts of Justice, no one will pose a threat to Chen Ping anymore, and then Chen Ping can walk freely in the world of heaven and man!

He must find Su Yuqi. He can't just break through the ladder and reach the top of the heaven by himself. If Su Yuqi is still in the celestial realm, Chen Ping won't be at ease!

As for the leader of the Weapon Refining Sect, we must also find a way to rescue him. This is what Chen Ping promised!

As for whether the bones of Demon Lord Scarlet Cloud can be found, we will talk about it later. It is not that important!

In fact, it is quite good to have Demon Lord Chiyun in one's sea of consciousness all the time. Not only does it give him an extra helper in times of crisis, but it also means he has an extra treasure bag. After all, this guy is knowledgeable!

If he really arrived in heaven, everything would be unfamiliar to Chen Ping, but to Demon Lord Chiyun, everything would be familiar!

"Boy, what do you think of me? Don't you want me to be reborn?"

Demon Lord Chiyun roared at Chen Ping angrily!

“Senior, I was just thinking about it. I will definitely help you find the complete skeleton!”

Chen Ping’s face was full of embarrassment. Demon Lord Chiyun was in Chen Ping’s sea of consciousness, and he could know what Chen Ping was thinking at times!

“Father, you must release Chen Ping immediately. If you dare to touch a hair on his head, I will immediately sever ties with you and die in this palace of yours!”

At this moment, a light shout was heard, and then Lin Keting’s figure rushed in hurriedly!

Following behind were Lin Kefan and Taoist Wuji!

After hearing what her fourth brother Lin Kefan said, Lin Keting could no longer stay there. She kicked open the door of the confinement room and rushed towards the main hall!

After all, she and Chen Ping are destined to be together for life!

Now her father actually wants to cripple Chen Ping’s arm. How could Lin Keting agree to this!

However, when Lin Keting and the others rushed in, they were stunned for a moment!

Because at this time, Chen Ping was sitting on the dragon chair, sipping tea slowly, while Lin Chong was standing on the side, serving him respectfully!

There was still a smile on Lin Chong’s face, without a trace of displeasure!
