

The Order 7841

Chapter: 7841

“What’s going on?”

Lin Kefan asked in confusion!

When he left just now, the two of them were still on edge, how come it became like this now!

Especially Chen Ping, how dare he sit on the dragon throne?

“I was just curious whether this dragon chair was comfortable to sit on. I just tried it out...”

Chen Ping quickly stood up and said to Lin Chong, “Please sit down, please sit down...”

Lin Chong also reacted and hurriedly sat on the throne, smiling faintly and said, “Just now, my dear son-in-law was just trying out the throne. We are all family anyway, so just sit on it!”

“Xiansheng, are we a family?”

Lin Kefan’s face was filled with astonishment. His own son had never dared to sit on the dragon throne!

How can Chen Ping, who can’t even be considered a good son-in-law of the family, take the seat?

“Dad, do you mean that you approve of Chen Ping?” Lin Keting asked!

“Yes, of course I do. I was just testing him just now.”

“It’s hard to find such a good son-in-law even with a lantern. You have found a good home.”

“I’ve decided. You can have your wedding night tonight. From now on, you’ll all be a family!”

Lin Chong said happily!

“Dad, what nonsense are you talking about?” Lin Keting’s face suddenly turned red!

“Emperor Lin, you... I...”

Taoist Wuji was a little confused. What kind of medicine was sold in Lin Chong’s gourd?

“Master, the man you found for Ting’er is really great. Let’s hold a wedding for them today, and you will be the witness!”

Lin Chong said to Taoist Wuji!

“Ahem...” Chen Ping coughed twice: “Emperor Lin, let’s discuss the wedding later. I still have a lot of things to do!”

Chen Ping can’t hold a wedding with Lin Keting. He promised Su Yuqi that the first wedding must be with Su Yuqi!

But sleeping together and practicing together is possible!

“That’s fine. We’ll talk about it after the wedding. You can talk to Ting’er first...”

Chapter: 7842

Lin Chong didn’t dare to go against Chen Ping’s wishes and could only follow Chen Ping’s words!

Lin Keting, Lin Kefan and Taoist Wuji were all in a state of confusion at the moment. They really didn’t understand when Lin Chong became so easy to talk to?

“Father, I heard that Chen Ping has been captured. Please don’t kill him yet. Let me vent my anger first. I must give him a good beating today!”

Lin Kedong rushed into the palace hall yelling!

When he heard that Lin Kefan had brought Chen Ping back, he rushed out from his confinement!

Chen Ping beat him up and made him lose face. Now that Chen Ping was captured and taken to Sun Moon City, on his own territory, Lin Kedong of course wanted revenge!

Lin Kedong saw that Lin Kefan and others were there, but he didn’t care. He stared at Chen Ping with his eyes and rushed up with one step!

“Boy, you are so awesome, now you have fallen into my hands. I will make you live a life worse than death...”

As Lin Kedong said this, he actually punched Chen Ping hard!

“Rebellious son, so insolent...”

Lin Chong was almost frightened to death when he saw this. His body instantly flew into the air, and then he slapped Lin Kedong away with one palm!

Lin Chong's palm was not light. Lin Kedong's body hit the stone pillar hard and he vomited blood!

"Father, you....."

Lin Kedong fell to the ground and looked at Lin Chong in disbelief!

Lin Kefan and Lin Keting also looked at Lin Chong in shock. Although they both didn't like their eldest brother very much, they had never seen their father be so cruel!

"You rebellious son, I asked you to reflect on your mistakes, but you ran away without permission. This is simply an aggravated crime."

"You just dared to attack your brother-in-law. Do you know that Chen Ping is your younger sister's man now? Are you doing this to make your younger sister a widow?"

Lin Chong roared at Lin Kedong.

Lin Kedong was confused, and then said with a wronged look: "Father, even if he is my sister's man, you don't have to hit me so hard, my ribs are broken..."

"You deserve it. Go and reflect on your mistakes. If you dare to attack Chen Ping again, I will no longer have you as my son." Lin Chong said in a cold voice!

"Biased, biased..." Lin Kedong cried!

He thought that Lin Chong was so harsh on him because of Lin Ke Ting. Everyone knew that Lin Chong liked Lin Ke Ting's younger sister after all!

"My prince, please come back with me..."

Lin Ruoya hurriedly chased in and helped Lin Kedong up!

Chapter: 7843

"Ruoya, keep an eye on the eldest prince and don't let him leave his confinement place again. If he leaves again, I will hold you accountable!"

Lin Chong ordered Lin Ruoya!

"Yes, sir!" Lin Ruoya nodded, then helped Lin Kedong leave!

"Father, even if Chen Ping is my man, you don't have to be so harsh on my brother, right?"

Lin Keting said a little embarrassedly!

As a member of the Lin family, she is the most favored by her father!

"Don't worry about it. From today on, your confinement will be lifted. Go and play with Chen Ping."

Lin Chong said!

“I got it!” Lin Keting nodded!

Lin Keting, Lin Kefan and Chen Ping left the hall, but Taoist Wuji stayed behind. No one knew what he was talking about with Lin Chong!

“Chen Ping, when you told me, did you give my father some drug? He seemed a little weird today.”

“You should know that my father is the one who has the final say in Sun Moon City, but today he obeyed your orders and was so nice to you!”

Walking out of the hall, Lin Kefan asked Chen Ping with a puzzled look on his face!

“Yes, I also find it strange. Father likes me so much, but he has never let me sit on the throne. But you actually sat on it today!”

Lin Keting also looked at Chen Ping with a puzzled look!

“Maybe my unique personality charm has infected your father?”

Chen Ping smiled slightly and said!

“Don’t talk nonsense...” Lin Keting rolled her eyes at Chen Ping!

“How would I know why? If you want to know, go ask your father. I think it’s because I love my father so much!”

Of course Chen Ping couldn't say that their father was his subordinate!

"Maybe, my father loves me the most!" Lin Kefan nodded!

"I was really scared just now. From what my fourth brother said, my father wants to destroy you, and I don't want to follow a useless person!" Lin Keting still feels scared when she thinks about the beginning!

"Don't worry, I am a lucky person!" Chen Ping said with a smile!

"Chen Ping, where are you going next? Why don't you go to my house and stay with Xuan Bin and the others for a while!"

Chapter: 7844

Lin Kefan asked!

"Of course I went home!" Chen Ping said!

"Go home?" Lin Kefan was stunned!

"Of course I'm going home. I'm your little sister's man now. Isn't your little sister's mansion my home?"

Chen Ping put his arm around Lin Keting's shoulders and said!

“I won’t let you go to my house. It’s not a good idea for a man and a woman to be in the same room together!”

Lin Keting said shyly!

“Well, I’ll go find another woman to be alone in a room with...”

Chen Ping laughed!

“You dare...” Lin Keting glared at Chen Ping!

“Hahaha, my little sister is famous for being so powerful, you’re in for it!”

Lin Kefan laughed!

“Fourth brother, what are you talking about? Who is so powerful? Looking for a fight...”

As Lin Keting said this, she struck Lin Kefan with a hammer!

Lin Kefan dodged, then ran away laughing!

Just as Lin Kefan ran away, Taoist Wuji also walked out of the hall!

“Chen Ping, what are your plans for the future? Do you want to stay in Sun Moon City to practice, or do you want to go out and try your luck?”

“If you stay in Sun Moon City, the Ten Palaces will never dare to cause trouble for you!”

Taoist Wuji said!

“I can’t stay in Sun Moon City for long. I still have a lot of things to deal with.”

“As for the Ten Palaces, I plan to destroy them. After the Ten Palaces are destroyed, the Demon Sealing Alliance will naturally collapse!”

“Without the Demon Sealing Alliance, the demon cultivators in the Heavenly Realm can live a normal life in the future!”

“Many demon cultivators are not all bad people. They also have no choice.”

At this time, Chen Ping thought of the old woman in Dashi Village!

Chapter: 7845

If it weren’t for that old woman, Chen Ping would probably be dead by now!

Hearing Chen Ping’s words, Lin Keting said with admiration: “You are right. Many demon cultivators are also helpless. They have no right to choose their own birth.”

“The Demon Sealing Alliance is the worst. They use the excuse of eliminating demons and defending the Way to capture many demon cultivators and do shameful things.”

“Master is very kind and compassionate. He has saved many demon cultivators from the Demon Sealing League!”

“The Taoist priest saved many demon cultivators?” Chen Ping was very surprised!

“Yes, I hid all these demon cultivators, but recently Sun Moon City has been short of resources, and I have no way to support these demon cultivators.”

“It would be great if we could destroy the Ten Palaces and make the Demon Sealing Alliance collapse. Then these demon cultivators can return to the Heaven Realm and start a new life.”

After Taoist Wuji finished speaking, he waved to Chen Ping and said, “Come with me...”

Chen Ping followed Taoist Wuji and Lin Keting out of the palace and headed towards a mountain!

Chen Ping didn’t know where Taoist Wuji was taking him, so he could only follow behind!

When they arrived in front of the mountain, Taoist Wuji waved his hand lightly, and a gate of light instantly appeared in front of the mountain!

After walking into the light gate, Chen Ping was stunned!

Because he saw that there was a city inside the mountain!

All the people living in this city are demon cultivators, and they were all rescued by Taoist Wuji!

Seeing Taoist Wuji coming, many demon cultivators came forward to greet him. After all, Taoist Wuji was their savior!

“Master, these...are all these demon cultivators saved by you?”

Chen Ping asked in surprise!

“Yes, these are the demon cultivators who were being hunted down and I saved them!”

Taoist Wuji nodded!

Chen Ping was deeply moved and admired Taoist Wuji even more!

“Mr. Chen, Mr. Chen...”

At this moment, someone suddenly shouted Chen Ping loudly!

Chen Ping turned his head and when he saw the person calling him, he was stunned, with an expression of disbelief in his eyes!

“Palace Master Song, why are you here too?”

Chapter: 7846

Chen Ping asked in confusion!

It turns out that the person who called Chen Ping was Song Tianhai, the leader of the Soulless Hall who betrayed the Demon Sealing Alliance!

Song Tianhai has been following Chen Ping. Chen Ping arranged them in the Blood Spirit Valley, with Luo Shouhai, Demon Mountain Ghost Old Man and others!

After all, in the area of Tianmo Mountain, the Demon Sealing Alliance is the weakest and has the most demon cultivators. In this way, the Soulless Palace can avoid being hunted down by the Demon Sealing Alliance!

But now that Song Tianhai appears here, does that mean that the Blood Spirit Valley is also under siege by the Demon Sealing Alliance?

You must know that the people in the Blood Spirit Valley are all Chen Ping's confidants!

If the people from the Demon Sealing League dare to attack the Blood Spirit Valley, Chen Ping doesn't mind eradicating the Demon Sealing League right now!

"Mr. Chen, I was also being hunted by the Demon Sealing League. Fortunately, I was rescued by Taoist Wuji, so I came here."

Song Tianhai walked over and said!

"What about Blood Spirit Valley? How are Valley Master Luo, Demon Mountain Ghost Master, and the others?"

Chen Ping asked anxiously!

"Don't worry, Mr. Chen. I was just out on business and was discovered by the Demon Sealing League. I was chased and killed, and was rescued here by Taoist Wuji."

"Blood Spirit Valley should be fine. The power of the Demon Sealing Alliance cannot extend into Heavenly Demon Mountain for the time being!"

Song Tianhai said to Chen Ping!

“That’s good!” Chen Ping breathed a sigh of relief: “In two days, I will take you away from here and return to the Blood Spirit Valley!”

“Mr. Chen, it’s pretty good here. I don’t want to go back. Although the power of the Demon Sealing League cannot reach the Demon Mountain for the time being, the Demon Mountain will fall sooner or later. It’s safer for me to stay here!”

Song Tianhai didn’t want to go back. If he returned to the Blood Spirit Valley, the forces of the Demon Sealing Alliance would go to the Blood Spirit Valley sooner or later!

“Don’t worry, after two days, the Demon Sealing Alliance will no longer exist in the Heavenly World, and you won’t have to live in hiding anymore!”

Chen Ping smiled slightly and said!

“The Demon Sealing Alliance was destroyed?” Song Tianhai asked in shock!

“Not yet, but it will be soon. I plan to destroy the Demon Sealing Alliance in the next two days.” Chen Ping said!

Song Tianhai looked at Chen Ping and said in disbelief: “Mr. Chen, although your strength has increased rapidly and you have now reached the second level of the Mahayana Realm, it is not that easy to destroy the Demon Sealing Alliance.”

“Let’s not talk about the strength of Zuo Tianzheng, the leader of the Demon Sealing Alliance. You have to know that there are other more powerful forces supporting the Demon Sealing Alliance.”

“When I was imprisoned in the Demon Sealing League before, I vaguely heard that the power behind the Demon Sealing League is very terrifying!”

Chapter: 7847

Song Tianhai didn't know that the power behind the Demon Sealing Alliance was the Ten Palaces!

I guess with his status, he may not even know what the Ten Courts of Hell are!

“Don't worry, I know the power behind the Demon Sealing Alliance. I can uproot it when the time comes!”

Chen Ping smiled and patted Song Tianhai on the shoulder!

Song Tianhai looked at Chen Ping with doubt, then looked at Taoist Wuji, and seemed to understand something and said, “If Taoist Wuji helps, maybe we can really destroy the Demon Sealing Alliance...”

Chen Ping came here with Taoist Wuji, which proves that Chen Ping has a relationship with Taoist Wuji. Song Tianhai has seen Taoist Wuji's abilities. If Taoist Wuji helps, it is very likely that the Demon Sealing Alliance will be destroyed!

“Hahaha, if Chen Ping wants to destroy the Demon Sealing Alliance, why would he need my help? I have to give him some distance when I see him now!”

Taoist Wuji laughed loudly!

When Song Tianhai heard what Taoist Wuji said, he opened his mouth in obvious shock, not knowing what to say!

“You stay here for a few days. Once the Demon Sealing Alliance is destroyed, all of you here can return to the Heaven Realm!”

Chen Ping said calmly!

“Yeah!” Song Tianhai nodded heavily!

Taoist Wuji asked Chen Ping and Lin Keting to continue to wander around the city, and he would not be a light bulb anymore!

The city was in good order. Although these people were all cultivators of magic, there was no chaos!

Just as Chen Ping was walking on the streets of the city, a slightly familiar figure caught Chen Ping’s attention!

“This is???”

Chen Ping was slightly stunned, then quickly chased after the figure!

“Chen Ping, where are you going?” Seeing this, Lin Keting also chased after him!

Chen Ping quickly caught up with the figure, and when he stopped the man, his expression instantly became extremely excited!

“Ah... Grandma?”

Chen Ping looked at the old woman in front of him who was a little hunched over and shouted with a trembling voice!

“Chen Ping?” The old woman was equally excited and surprised when she saw Chen Ping!

“Grandma, I didn’t expect you to be alive. I didn’t expect you to be alive. If Yun’er knew you were still alive, she would definitely be very happy.”

Chen Ping hugged the old woman!

Chapter: 7848

This old lady was the one Chen Ping met in Dashi Village when he first arrived in the world of heaven and man!

Yun’er, who saved Chen Ping’s life, is the girl adopted by the old woman!

Although the time in Dashi Village was short, Chen Ping never dared to forget that his life was given by Dashi Village!

He still remembers those simple villagers in Dashi Village!

Yuner, Ali, Zhuzi.....

“Chen Ping, you... why are you here? How is Dashi Village? How is Yun’er?”

The old woman asked Chen Ping excitedly!

“I.....”

After Chen Ping left Dashi Village, he never returned, so he doesn't know the situation in Dashi Village now!

Seeing Chen Ping's expression, the old woman said hurriedly: “Dashi Village has the old village chief, so it shouldn't be a problem. But I don't know how Yun'er will be without me to take care of her...”

The old woman's eyes were full of longing, and it could be seen that she had always been missing Yun'er!

“Grandma, since you miss Yun'er, I will take you to find her now. From now on, you can live a good life with Yun'er in Dashi Village!”

Chen Ping said to the old woman!

After hearing this, the old woman shook her head and said, “No, my identity as a demon cultivator has been exposed. If I go to Dashi Village again, it will bring disaster to Dashi Village. The people of the Demon Sealing League will kill without blinking an eye!”

“Grandma, don't worry. As long as I'm here, the people from the Demon Sealing League won't dare to do anything. From now on, no one in the Heavenly Human Realm will bully the demon cultivators anymore.”

“The Demon Sealing Alliance will no longer exist. Whether it is the demons, humans or beastmen, they will all coexist peacefully...”

Chen Ping followed the old woman and promised!

After hearing this, the old woman sighed and said, “Although your idea is good, it is impossible to realize it. For thousands of years, people's resentment towards demonic cultivators is deeply rooted. How can it be eliminated so easily?”

“And the Demon Sealing League will never allow demon cultivators to exist. How can you fight against the huge Demon Sealing League alone...”

“Grandma, don’t worry about it. I will definitely do what I say!” Chen Ping excitedly pulled the old woman’s hand, and then looked at Lin Keting beside him: “Send me away from here immediately. Tell the Taoist priest that I want to go back to the Heaven Realm to do an important thing!”

Lin Keting nodded. Although she really wanted to know what Chen Ping was going to do, she did not ask!

Lin Keting sent Chen Ping and the old lady out of Sun Moon City!

Chen Ping pulled the old lady and flew in the air towards Dashi Village!

Looking at the layers of mountains in the Northern Territory, Chen Ping felt quite emotional!

Chapter: 7849

He hasn’t been back to the Northern Territory for a while, and this place holds many memories for him!

The old woman felt the sound of wind in her ears and closed her eyes. She knew that Chen Ping was no longer the Chen Ping who was in Dashi Village at the beginning. Chen Ping had grown a lot!

“Mr. Chen, why did you leave without saying goodbye? Do you want us gone?”

At this time, Xuan Bin and others came hurriedly from the sky!

When they heard that Chen Ping had left Riyue City, they immediately chased after him. Chen Ping is the God of Wealth, he cannot be lost!

“I’m just doing something small, I don’t need you at all!”

When Chen Ping saw Xuan Bin and others catching up with him, he was speechless for a moment!

He was going to Dashi Village. Even if there was any danger, Chen Ping could solve it with a sneeze!

After all, there are no powerful cultivators in Dashi Village!

In the eyes of those villagers, if Xuan Bin and other ninth-grade Mahayana cultivators followed them, it would be like gods descending to earth!

“Mr. Chen, even in small matters, you can’t get involved. We are following you now. If you have something to say, just talk!”

Hyun Bin keeps showing his loyalty!

Of course he has to coax the God of Wealth who gives out 10,000 fairy stones at a time!

“Okay, I’ll follow you, but be careful. Contain your aura and don’t hurt anyone!”

Chen Ping was afraid of these ninth-grade Mahayana cultivators. If they released even a little bit of their aura, the people in Dashi Village would not be able to bear it!

“Don’t worry, Mr. Chen, we will do whatever you ask us to do...”

Hyun Bin patted his chest and said!

A group of people headed towards Dashi Village in a mighty manner!

.....

Dashi Village!

Zhu Zi was fanning himself with a fan. In front of him was a small tripod with some herbs in it!

“Ding Zhe grass, Feng Yu flower.....”

Zhu Zi was holding a piece of paper in his hand and looking at it carefully!

“Zhu Zi, you have been practicing for so many days, but you haven’t made a single pill, but you have burned dozens of bundles of firewood!”

Chapter: 7850

Yun’er picked up a bundle of firewood and put it aside and said!

“Sister Yun’er, Brother Chen Ping said when he left that I would definitely be able to become a pharmacist, so I must hurry up and practice.”

“When Brother Chen Ping comes back, I’ll show him my skills...”

The pillar said!

“Will Brother Chen Ping come back?” Yun’er said foolishly!

“The old village chief is back, the old village chief is back...”

At this time, someone was shouting at the entrance of the village!

Many people ran towards the village entrance and found that the old village chief had returned with the young and middle-aged men in the village, and each of them was carrying prey!

Ali was among them, carrying a demon wolf weighing over a hundred kilograms on his back!

“Brother Ali, why are the prey so small this time?”

Seeing this, Yun’er asked Ali in confusion!

“Oh, forget it. The surrounding mountains and forests have been sealed off by the Demon Sealing Alliance. They say that no one else is allowed to go up the mountain. We can only hunt at the foot of the mountain. There are no big prey there!”

Ali sighed!

“Brother Ali, is the Demon Sealing Alliance so domineering? I’ve never seen them seal off the mountains and forests before!” Yun’er continued to ask!

“I don’t know why the Demon Sealing Alliance would be interested in our poor mountain valley. Maybe they are also short of resources?”

“Now the town is also occupied by the Demon Sealing Alliance. If you go to the town to sell prey, you have to pay a head fee. It’s really evil.”

Ali said helplessly!

“This Demon Sealing Alliance is too evil. They are short of resources and money. They can’t plunder us!”

“Our lives are already difficult, and these bad guys, I really hope someone can take care of them sooner rather than later.”

Yun’er pouted and said angrily!

“Okay, stop talking. Let’s quickly pack up the prey. We have to go to town and sell it before it gets dark.”

“From now on, everyone, please don’t go to the town unless you have something to do, and don’t leave Dashi Village easily. I don’t know if the people from the Demon Sealing Alliance have gone crazy because of poverty recently, and they are robbing things everywhere.”

The old village chief asked everyone to collect the prey, then looked at Zhu and asked, “Zhu, how is your medicine refining going?”

“Old village chief, it has not...successful yet...”
