

The Order 7851

Chapter: 7851

Zhuji said a little embarrassedly!

During this period, Zhuji has been refining medicine. The old village chief took people to the mountains to collect the necessary herbs, and he never let Zhuji go up the mountain!

It has been such a long time, but Zhuji still hasn't succeeded, which makes Zhuji very embarrassed!

"It's okay, take your time. It's not that easy to refine pills. When you become a real pharmacist, our Dashi Village will benefit from it!"

The old village chief patted Zhuji on the shoulder!

"Don't worry, old village chief, I will work hard!" There was a determined light in Zhuji's eyes!

At this moment, the heaven and earth suddenly trembled, and everyone looked up into the void in shock!

As white light flashed in the void, several figures slowly appeared!

"Brother Chen, that's Brother Chen..."

Zhuji was the first to spot Chen Ping and shouted loudly!

“Grandma? Grandma?”

Yun'er also saw the old woman beside Chen Ping and began to tremble with excitement!

So everyone looked at it in disbelief. Flying in the air like this was something that only the strong could do!

Chen Ping led everyone and slowly landed in Dashi Village!

“Yun'er, my Yun'er.....”

When the old woman saw Yun'er, she instantly broke free from Chen Ping's hand and ran towards Yun'er!

“Grandma...” Yun'er also ran towards the old woman excitedly!

The two hugged each other tightly and burst into tears!

“Brother Chen Ping, we just mentioned you, but I didn't expect you to come back...”

Zhuzi ran towards Chen Ping excitedly, hugged Chen Ping and said!

Chen Ping smiled and touched Zhuzi's head: “Zhuzi has grown taller...”

“Chen Ping, you...you're back.” The old village chief also stepped forward and shook Chen Ping's hand!

“Old village chief, I'm back. I came back to see you!”

Chen Ping was also very excited when he looked at the people from Dashi Village in front of him!

Chapter: 7852

All the villagers in Dashi Village followed Chen Ping to greet him!

Although Chen Ping did not stay in Dashi Village for a long time, these villagers all treated Chen Ping as one of their own!

“Grandma, aren’t you dead? How...how come you are with Brother Chen?”

After crying, Yun’er looked at the old woman in disbelief and asked!

“Well, it’s a long story. I was.....”

The old woman explained it in detail to Yun’er!

“Okay, everyone, stop crowding around. Chen Ping and his men must be very tired after coming from such a long distance. Let them rest for a while!”

The old village chief asked everyone to disperse!

Chen Ping and his companions were settled in a courtyard. Although the courtyard looked shabby, it was also clean!

Zhu Zi brought some spiritual herbs to Chen Ping and the others: “Brother Chen Ping, the old village chief asked me to bring these. You have traveled such a long way, you need to replenish your energy.”

Chen Ping looked at the spiritual herbs in front of him, he knew that these were the best things in Dashi Village!

“Zhu Zi, go tell the old village chief that we have brought our own resources, so there is no need to get anything for us!”

Chen Ping patted Zhu Zi on the shoulder and said!

Zhu Zi nodded and then went out!

“Damn it! After all these years, I still didn’t know there was such a poor place in the Heaven Realm...”

“What can these spiritual herbs do? I guess even dogs won’t eat them...”

Xuan Bin looked at the spiritual herbs in front of him and couldn’t help but exclaimed!

These ninth-grade Mahayana cultivators had their three perspectives shattered when they arrived at Dashi Village!

After all, they are high and mighty, and even the royal families of the sects in the celestial world may not be in their eyes!

They are even less likely to see it in remote places like this!

It's like a billionaire going into the mountains!

"It seems that none of the people here can fly. Their strength seems too weak. Why don't they practice?"

Zhou Tang also asked very curiously!

Chen Ping could only roll his eyes speechlessly. This was really a waste of time. These villagers had a hard time surviving, so how could they have the time to practice in seclusion every day!

Chapter: 7853

And where do the resources for cultivation come from? It can't just fall from thin air, right?

Just when Chen Ping and his friends were resting, four uninvited guests came to the outside of Dashi Village!

"The manager of Dashi Village, get out here! Who told you to go hunting?"

A monk wearing a gray robe and holding a sword in his hand shouted!

Behind this monk, there were three other people, each of them looked ferocious and ferocious!

"Who are you? How does our hunting bother you?"

Ali walked over with great dissatisfaction!

Bang!

As soon as Ali finished speaking, the monk in the long robe kicked Ali away!

“You little bastard, you need to lower your attitude when talking to us in the Demon Sealing Alliance...”

The robed monk said coldly!

When he heard that they were from the Demon Sealing Alliance, the old village chief walked over quickly, his face turned very ugly and his expression became nervous!

At this time, a large number of villagers gathered around and were very angry when they saw Ali being beaten!

“My dear friends, the child is still young and does not understand things. I hope you can forgive me.”

“We just hunted some prey at the foot of the mountain. We didn’t go up the mountain because we knew the mountain was closed!”

The old village chief hurriedly spoke good words!

“Even at the foot of the mountain, no prey can be hunted from now on. Also, everything on the mountain belongs to our Demon Sealing Alliance. No one is allowed to touch it!”

The robed monk said arrogantly!

When everyone heard this, they immediately started talking about it. If they were not allowed to do anything, would they just be able to wait for death?

“Too overbearing. They won’t let us hunt or collect herbs. Are they just leaving us to die?”

Yun’er said very dissatisfiedly!

Yun’er’s voice immediately attracted the attention of the robed monk, and then he looked towards Yun’er!

After just one glance, the robed monk was attracted by the old woman next to Yun’er!

“Demon cultivator? You actually have a demon cultivator here?”

Chapter: 7854

The monk in long robes was overjoyed, and hurriedly shouted to the three people behind him: “Brothers, we have encountered a demon cultivator, we have made a fortune, hurry up and send a message to the boss!”

The robed monk shouted and walked towards the old woman!

Soon, the old woman was surrounded by four men, and all of them were very excited!

They had joined the Demon Sealing Alliance not long ago, and apart from collecting some resources and offering them to the Alliance, they had not made any contributions!

Now they have encountered a demon cultivator. If they catch him and send him to the Demon Sealing Alliance headquarters, they will definitely be rewarded and reused!

“What are you doing? Grandma is not a demon cultivator!”

Yun'er stood in front of the old woman and said nervously!

The old village chief also led everyone to stand in front of the old woman.

“Old man, if you don't want to die, get out of the way, or I'll kill you all!”

The robed monk threatened the old village chief!

The old village chief and many villagers all stood still, without much fear on their faces!

Since there's no way to survive, we have no choice but to fight!

“Who is so awesome that he wants to kill everyone here?”

A joking voice was heard, and then Chen Ping and Xuan Bin and the others were seen walking over!

The robed monk was slightly stunned when he saw Chen Ping and the others, but he didn't care too much!

After all, there was no aura fluctuation on Chen Ping and the others, so it was impossible to tell how strong they were!

“Boy, judging from your clothes, you don’t look like people from Dashi Village. You’d better stop meddling in other people’s business and get out of the way.”

“We are from the Demon Sealing Alliance, and we specialize in catching demon cultivators. If you dare to stop us, we will capture you all.”

The robed monk said with a proud look on his face!

“Chen Ping, don’t worry about it. They are from the Demon Sealing Alliance. If you...”

Seeing this, the old village chief wanted to persuade Chen Ping not to interfere!

After all, the Demon Sealing Alliance is the largest force in the Heavenly Realm, and everyone has to give face to the Demon Sealing Alliance when they meet them!

“Old village chief, don’t worry about it. I came here this time specifically to destroy the Demon Sealing Alliance!”

Chen Ping smiled slightly and said!

Chapter: 7855

“Boy, you fucking ...”

When the robed monk saw that Chen Ping actually said that he wanted to destroy the Demon Sealing Alliance, he immediately became furious and started cursing!

But just as he opened his mouth, he saw Xuan Bin spit at the robed monk!

spit!

With just a slight spit, a breath of air instantly shot out from Hyun Bin's mouth!

The robed monk hadn't finished speaking when his body exploded, with blood and flesh splattering everywhere!

Chen Ping just waved his hand lightly, and a barrier appeared, protecting everyone from getting their bodies dirty!

Everyone who saw this scene was shocked. They never expected that the people brought by Chen Ping would have such strong abilities!

When the three people brought by the robed monk saw this scene, they were so frightened that their legs went weak and they turned around and ran away!

But after running just two steps, all three of them stopped, and then their eyes widened, and their bodies suddenly exploded!

In the blink of an eye, all four members of the Demon Sealing Alliance were dead!

But no one in Dashi Village saw who made the move!

"Brother Chen Ping, you...what realm are these people you brought with you at?"

Zhuji asked curiously!

A person who can make the four members of the Demon Sealing League explode without moving a single step must be at a very high level!

“They are all Mahayana level nine...”

Chen Ping smiled slightly and said!

“Ninth level of Mahayana realm?” Zhuji looked confused: “What realm is that?”

The other people in Dashi Village also looked at Chen Ping with confusion. These people didn’t know what the ninth level of the Mahayana realm was. After all, this realm was too far away from them!

Just like the children in remote mountainous areas, they don’t know how much money one hundred million is. In their eyes, ten thousand yuan should be an astronomical figure!

“How can I explain this to you? Let me ask you, do you think this Demon Sealing Alliance is awesome?”

Chen Ping said!

“Of course it is awesome. The old village chief told us that the Demon Sealing League is very powerful. Its influence is spread all over the Heavenly World.”

Zhuji said loudly!

Chapter: 7856

“The Demon Sealing Alliance is so powerful. Even if the leader of the Demon Sealing Alliance comes, any one of them can slap the leader to death with one slap!”

This is the only way Chen Ping can explain to Zhuzi what the ninth level of the Mahayana realm is!

“What?”

Zhuzi was completely stunned and his brain couldn't react for a while!

The old village chief also opened his mouth and said, “Even the leader of the Demon Sealing Alliance...is not his opponent?”

Chen Ping smiled and nodded!

At this moment, suddenly more than a dozen figures came flying towards Dashi Village!

“They are from the Demon Sealing League, here to capture Grandma...”

Seeing this, Yun'er hurriedly spoke loudly!

The news that there is a demon cultivator in Dashi Village has just spread, so everyone from the Demon Sealing Alliance will rush to Dashi Village!

“Don't worry, Yun'er, no one can take your grandma away!” Chen Ping gently stroked Yun'er's hair!

Xuan Bin looked at the dozen or so people from the Demon Sealing League who were getting closer and closer, and was about to raise his hand slightly!

“Brother, give me a chance to show off...”

Zhou Tang on the side quickly held down Xuan Bin’s hand. He wanted to take action and let the people in Dashi Village see!

It feels good to show off in front of these people in Dashi Village!

But just as Zhou Tang finished speaking, he saw a figure rushing out instantly!

It turned out that Cangyue rushed out!

Bang, bang, bang.....

Cangyue did not take any action, but just swayed his body among the dozen or so Demon Sealing League monks, causing the bodies of the dozen or so Demon Sealing League monks to shatter!

Cangyue’s physical body is extremely strong. Even though Chen Ping can easily break Cangyue’s physical body, other cultivators don’t have that ability!

In just a breath of time, Cangyue had returned to his original position!

More than a dozen monks from the Demon Sealing Alliance had turned into meat paste, with blood and flesh scattered all over the ground!

Chapter: 7857

“Among these guys, the strongest one is no more than the first level of the Tribulation Realm. Too weak, too weak...”

Cangyue said in a pretentious manner!

Everyone in Dashi Village looked at Cangyue in shock. The admiration in their eyes made Cangyue feel very happy!

“Fuck, Cangyue, what do you mean? These guys are my prey!”

Zhou Tang asked Cangyue very unhappily!

Originally, these people from the Demon Sealing Alliance were going to show off, but Cangyue got there first!

“Who told you to be slow? Blame it on yourself...” Cangyue sneered!

“You fucking bastard...” Zhou Tang was so angry that he was about to die!

Otherwise, the villagers in Dashi Village would be worshipping me!

“Alright, the Demon Sealing Alliance will definitely send more people. If you want to show off, just wait here!”

Chen Ping said calmly!

Chen Ping spoke, and no one dared to say anything!

Just as Chen Ping said, people from the Demon Sealing League came to Dashi Village in waves!

After all, everyone wants to catch the evil cultivator and get credit for themselves!

Because the Demon Sealing Alliance's headquarters is in the Northern Territory, there are very few demon cultivators in the Northern Territory. Except for the extremely cold areas in the Northern Territory where demon cultivators often appear, you can no longer see demon cultivators in other places in the Northern Territory!

Now there are suddenly demon cultivators appearing in Dashi Village, so many people from the Demon Sealing League want to come and earn credit!

However, these waves of people from the Demon Sealing League who arrived became the prey of Hyun Bin and others' show-offs!

Soon, outside Dashi Village, the corpses of the Demon Sealing League monks were lying densely packed!

They died in all kinds of ways, and all of them died miserably!

The people of Dashi Village brought their stools and sat in the middle of the village, watching wave after wave of people from the Demon Sealing League die as if they were watching a movie!

In the end, everyone in Dashi Village was so tired of watching...

.....

The Demon Sealing Alliance Headquarters!

Zuo Tian is constantly counting the offerings sent by various departments!

Chapter: 7858

After having its hundred-year tribute taken away by Chen Ping, the Demon Sealing Alliance is now somewhat stretched to the limit, especially since the Ten Courts of Hell are constantly asking the Demon Sealing Alliance for resources!

Now Zuo Tianzheng can only order his men to grab the resources as soon as they see them, no matter how big or small they are!

“Damn it, what’s wrong with me today? My left eyelid keeps twitching.”

Zuo Tianzheng rubbed his eyes, feeling anxious!

Ever since he witnessed Mr. Shi’s methods in the Demon Sealing Alliance, Zuo Tianzheng has never been able to calm down and has been in constant fear!

Killing someone and then resurrecting him, this method is so scary!

“My left eye is twitching for good luck, my right eye is twitching for bad luck. Someone must be sending me resources again. It’s okay, it’s okay...”

Zuo Tianzheng kept comforting himself in his heart!

“Alliance leader, a demon cultivator has been discovered in the Northern Territory...”

At this time, an elder walked in!

Ever since Elder Chu was killed, Zuo Tianzheng had no one around him, so he promoted another elder to be by his side!

“Apart from that extremely cold place in the Northern Territory, how could there be any demon cultivators? Which demon cultivator is so bold?”

Zuo Tianzheng frowned and said!

You must know that the Demon Sealing League’s headquarters is in the Northern Territory, so the demon cultivators in the Northern Territory either fled to other places or were captured by the Demon Sealing League!

Only in the extremely cold land of the Northern Territory, the Flame Demon and a group of demon cultivators are active!

Now that the Demon Sealing Alliance has cooperated with the Flame Demon’s gang, Zuo Tianzheng no longer cares about the demon cultivators under the Flame Demon!

“We don’t know who they are yet, but the report from below is that several of our groups have gone to capture the demon cultivators, but none of them have returned.”

The elder said!

“What? No one came back?” Zuo Tianzheng’s face changed drastically: “What is the strength of that demon cultivator? Have you investigated it clearly?”

The elder shook his head and said, "I don't know. I only know the exact location of the demon cultivator, but I didn't report his strength."

"What a waste! If Elder Chu were here, he would definitely find out the cultivation level of that demon cultivator." Zuo Tianzheng cursed angrily and thought of Elder Chu!

"Alliance leader, what should we do next? Should we continue to send people to capture that demon cultivator?"

The elder was upset after being scolded, but he didn't dare to show it, so he could only ask in a low voice!

"Of course we have to capture them. If we allow the demon cultivators to move freely in the Northern Territory, wouldn't our Demon Sealing Alliance lose face?"

Chapter: 7859

Zuo Tianzheng said angrily!

"Then I will send some experts to capture that demon cultivator!"

Seeing that Zuo Tianzheng was angry, the elder wanted to leave!

"No need, I'll go there myself. The world of heaven and man has been getting increasingly unstable recently..."

Zuo Tianzheng decided to go there in person to see what kind of person this evil cultivator is!

.....

Dashi Village!

Hyun Bin and a few others are still waiting for the people from the Demon Sealing League to come and perform for Dashi Village!

But no matter how long I waited, he never came!

“Mr. Chen, I’m afraid the Demon Sealing Alliance doesn’t dare to send anyone here?”

Hyun Bin said!

“Since they don’t dare to come, then we will take the initiative to attack. You guys should split up and destroy all the forces of the Demon Sealing Alliance in the Northern Region.”

Chen Ping said to Xuan Bin!

“No problem. What about the Demon Sealing Alliance forces in other regions?” Xuan Bin asked!

“Don’t worry about it. Other places are far away. I’ll let others do it.”

“But don’t linger in the battle, hurry back and make a quick decision. I still want to take you to do something big!”

Chen Ping said to Xuan Bin!

“Okay, let’s go now...”

Hyun Bin set off with Zhou Tang and others!

Several people split up and headed straight for the various forces of the Demon Sealing Alliance in the Northern Territory!

You have to know that these people are at the peak of the ninth level of the Mahayana realm. For them to deal with the Demon Sealing Alliance forces in the Heavenly Realm is just like children playing house!

Looking at the backs of several people, Chen Ping was also quite emotional. A few months ago, he was facing dangers everywhere in Dashi Village!

He was then hunted by the Demon Sealing League and had to hide everywhere!

But only a few months have passed, and he can already control the life and death of the Demon Sealing Alliance at will!

Chapter: 7860

This feeling of controlling life and death is really great!

After Xuan Bin and the others left, Chen Ping used the sound transmission jade slip to directly contact Xiao Yuanshan and asked him to lead people to destroy the Demon Sealing Alliance’s forces in the Western Regions!

At the same time, Zi Yan Sect, Guang Han Palace, Xue Ling Valley and other forces that had relations with Chen Ping all launched attacks on the Demon Sealing Alliance at the same time!

In the Celestial Realm, battles broke out in all five major regions within a short period of time, and the forces of the Demon Sealing Alliance began to be eliminated one by one!

Such a huge war was ended with just one word from Chen Ping!

At this time, Dashi Village was still as peaceful as usual. The battles in various parts of the heavenly world had not affected this peaceful little mountain village!

“Brother Chen Ping, can you... can you really make the Demon Sealing Alliance disappear from the Heaven Realm with just one sentence?”

Zhuzi approached Chen Ping cautiously and asked!

Ever since seeing the strength of the people brought by Chen Ping, Zhuzi has become cautious in front of Chen Ping, and seems to be keeping a distance from Chen Ping!

“Of course I can. Any one of the few people I brought with me can destroy the Demon Sealing Alliance. But it will take too long and I don’t want to wait!”

“You should also practice hard, and you will definitely achieve great success in the future...”

Chen Ping touched Zhuzi’s head and said with a doting look on his face!

Zhuzi is actually a very smart kid, but he comes from a poor family. In a place like Dashi Village, it is very difficult to practice without resources!

“Well, I must become a pharmacist, and then I can provide medicinal pills to everyone in Dashi Village!”

Zhuzi nodded and said with determination!

“You can make medicine, but you can’t neglect other cultivation. As for the cultivation resources, you don’t have to worry. I will have someone deliver them regularly.”

Chen Ping didn’t want the pillar to support a pharmacist!

Although pharmacists in the celestial world are scarce and have high status, without sufficient strength, even a high-level pharmacist may end up becoming a pawn of others!

“Okay!” Zhuzi laughed!

The Northern Territory Void!

Zuo Tianzheng and his men are heading towards Dashi Village. This time, Zuo Tianzheng brings the elite members of the Demon Sealing Alliance!

If those hidden forces had not taken action, Zuo Tianzheng was confident that they, the people of Heaven and Human Realm, would be invincible!

“Alliance leader, the Dashi Village is ahead...”

The elder next to Zuo Tianzheng said!
