

The Order 7861

Chapter: 7861

Zuo Tianzheng took a look and said with indifference: "It is impossible for a master to appear in such a remote place. Why didn't several waves of people go back?"

"Come with me and take a look. I have never been to such a poor place..."

Zuo Tianzheng led his men to dive straight down, but when they reached the sky above Dashi Village, Zuo Tianzheng and others were surprised!

In the mountains and forests surrounding Dashi Village, there were scattered corpses everywhere, and some of the corpses were broken into pieces!

It is obvious that these corpses are the monks from the Demon Sealing Alliance who came in waves!

If we die here, how can we go back?

"Alliance leader, these... these corpses are all from our Demon Sealing Alliance!"

The elder said in horror!

"I'm not blind, do you need me to tell you?" Zuo Tianzheng glared at the elder, then glanced coldly at Dashi Village: "How could such a shabby village allow so many cultivators to die here? Is there a formation around this village?"

“Alliance leader, this is very possible. We should send someone to test it first!”

The elder said!

Zuo Tianzheng nodded, and the elder pointed at a cultivator and said, “Go ahead and explore the way...”

Although the monk was extremely reluctant, he had no choice. If he didn't go, he would surely die on the spot!

“Cao Nima...”

The monk cursed the elder under his breath, then fell headfirst towards Dashi Village!

The monk landed in Dashi Village very easily, there was no formation!

They didn't even attack him. Only a few villagers saw the stranger and came forward to ask!

“Are you from the Demon Sealing Alliance?” a villager asked!

The monk hesitated for a moment, then shook his head. After all, the situation was still unclear and he couldn't reveal his identity!

So many Demon Sealing League monks died around Dashi Village. Who knows what kind of masters are hidden in this Dashi Village!

Therefore, this cultivator did not acknowledge his identity as a member of the Demon Sealing Alliance!

Seeing that they were not from the Demon Sealing Alliance, several villagers left. Now the villagers of Dashi Village have a super sense of security!

After all, they are all people who have seen the world, so even if strangers come to the village, they are no longer nervous and afraid as before!

It's like people who are used to seeing Rolls-Royce and Bugatti, when they see Mercedes-Benz and BMW, they feel they are just average!

Chapter: 7862

Maybe I don't have it, but I just look down on that kind of thing!

Although these villagers are not very strong now, they will look down on ordinary cultivators when they come!

With Chen Ping behind Dashi Village, the identities of these villagers have become extraordinary!

Seeing several villagers ignoring him and leaving, the monk breathed a sigh of relief, but just as he was about to leave, he was seen by Zhuzi!

"What do you do?"

Zhuzi asked the monk!

The monk saw the pillar and didn't know how to answer for a moment. He stammered, "I... I..."

"Are you here to take a shit?"

The pillar asked!

"Yes, yes, yes!" The monk nodded repeatedly!

"The toilet is over there, go ahead..."

Zhuji pointed and said!

The monk left in a hurry, and Zuo Tianzheng in the void saw that nothing was wrong, so he led everyone and rushed down directly!

"Everyone in Dashi Village, get out here..."

The elder beside Zuo Tianzheng shouted loudly!

Because when they arrived at Dashi Village, they found that many villagers ignored them!

Following the elder's roar, the old village chief came out. After seeing Zuo Tianzheng and the others, he frowned and asked, "What are you yelling about? What are you doing?"

"We are from the Demon Sealing Alliance, and this is our leader..."

The elder pointed at Zuo Tianzheng and said!

He originally thought that the old village chief would be scared to death after hearing this, but who knew that the old village chief suddenly became excited: “The people from the Demon Sealing League are here, everyone hurry up and bring your stools out to see...”

Hearing the old village chief’s shout, the villagers of Dashi Village all ran out with their stools and found an open space to sit down!

Everyone was holding melon seeds and snacks in their hands, looking like they were watching the fun!

“Finally you guys are here! I’ve been waiting for you for such a long time. I thought you weren’t coming!”

“That’s right. You, the Demon Sealing Alliance, must hold out a little longer this time. We didn’t even have time to see the fun, and we already lost someone!”

Chapter: 7863

“Remember to talk nonsense. Say whatever you want to say quickly, otherwise you won’t even have a chance to speak!”

The villagers said to Zuo Tianzheng and others!

Zuo Tianzheng was looking at the scene in front of him, stunned. He had no idea what these villagers were talking about!

I don’t even know why these villagers are not afraid of me?

I am the leader of the Demon Sealing Alliance!

“You...what are you doing? I am the leader of the Demon Sealing Alliance.”

“Do you understand the leader? He is the biggest leader of the Demon Sealing Alliance, the most powerful one!”

Zuo Tianzheng yelled at the many villagers!

“Don’t shout, don’t shout, we understand, we all understand, we know that you are the best in the Demon Sealing Alliance.”

“As the leader, you must hold out for a few moves and don’t bring shame to the Demon Sealing Alliance. Let us watch the fun!”

The old village chief patted Zuo Tianzheng on the shoulder and said!

“What are you talking about? What do you mean by holding on for two moves? Is there a demon cultivator in your Dashi Village? Let him come out and die!”

Zuo Tianzheng pushed the old village chief away and said angrily!

“Yes, yes, we have magic cultivators in Dashi Village!” The old village chief nodded!

“I’ll go call grandma, grandma is the demon cultivator!”

Yun'er hurriedly got up and went to call the old lady!

Zuo Tianzheng was confused and couldn't understand why the people in Dashi Village were all stupid.

"Alliance leader, why do these people in Dashi Village seem to have problems with their brains?"

The elder on the side also said with a puzzled look on his face!

"Never mind him, when the demon cultivator comes out, we will attack him immediately and end the battle quickly. I always feel like something is weird here!"

Zuo Tianzheng felt a little uneasy at this moment, as if something was about to happen!

Soon, the old woman was brought out by Yun'er!

Seeing the people from the Demon Sealing Alliance, the old woman was also excited: "Hey, you are finally here. I am a demon cultivator. Are you here to catch me?"

Zuo Tianzheng took a look at the old woman and indeed sensed the aura of a demon cultivator from her, so he asked very vigilantly: "Since you are a demon cultivator and you know we are here to catch you, why don't you run away?"

Chapter: 7864

"Why should I run?" The old woman was stunned, then smiled and said, "Just stop running for a while!"

“What do you mean?” Zuo Tianzheng asked!

“Alliance leader, why waste time talking to her? Just capture her first. This old guy is not very strong!”

As the elder said this, he was about to take action against the old woman!

Zuo Tianzheng stopped the elder and said, “Please be patient. I always feel something is wrong. The more they act like this, the more I feel there is something wrong.”

“Alliance leader, what’s the problem? I can kill these people with just one slap. There’s no need to worry about anything!”

The elder said very proudly!

“Let someone try it first!” Zuo Tianzheng was very cautious at this moment!

When the elder heard this, he turned around and pointed at the cultivator who had just entered Dashi Village first and said, “Go and capture that old devil cultivator...”

The monk was stunned. Although he looked reluctant, he could do nothing!

“Cao Nima...”

This time, the monk’s voice was louder, loud enough for the elder to hear!

The elder’s face turned red with anger, but he didn’t care. He wanted to wait until he caught the old woman!

The monk's aura surrounded him as he approached the old woman step by step!

With the strength of this monk, ten old ladies are no match for him!

But now the monk was very scared and approached the old woman little by little!

"Are all of you in the Demon Sealing League so timid?"

The old woman mocked the monk!

The monk got angry and leaped towards the old woman!

The old woman didn't move, just watched with a smile on her face!

Just when the monk was about to catch the old woman, suddenly a white light shot out!

Bang!

The white light penetrated the monk's body, causing him to explode into thin air!

Blood and flesh were scattered all over the ground, splashing all over Zuo Tianzheng and others!

Chapter: 7865

"good....."

“It’s really wonderful...”

Upon seeing this, everyone in Dashi Village applauded and cheered!

Zuo Tianzheng and the other demon cultivators were all dumbfounded. They couldn’t see clearly where the white light came from!

“Who is it? Who is playing tricks behind this? Get out of here if you can!”

Zuo Tianzheng looked around with a vigilant look!

“Alliance Leader Zuo, long time no see!” At this time, Chen Ping walked out slowly!

When Zuo Tianzheng saw Chen Ping, his brows frowned instantly!

He didn’t understand how he could meet a guy named Chen Ping in a remote mountain village!

The person Zuo Tianzheng least wants to meet now is Chen Ping!

“I didn’t expect it to be you...”

Zuo Tianzheng looked at Chen Ping, his eyes full of disgust!

“There are many things you haven’t thought of.” Chen Ping smiled coldly.

“Chen Ping, we are here to capture the demon cultivators, please don’t meddle in other people’s business.”

“Besides, these people are not worth your trouble. You’d better stay away from them. From now on, the Demon Sealing Alliance will never trouble you again.”

Zuo Tianzheng hopes that Chen Ping will not meddle in other people’s business.

“Your Demon Sealing League doesn’t want to cause trouble to me, but I want to cause trouble to the Demon Sealing League.”

Chen Ping had a look of amusement on his face.

This made Zuo Tianzheng very angry, and he said coldly: “Chen Ping, don’t think you are great just because you have a backer. We, the Demon Sealing League, also have a backer, and our Demon Sealing League’s influence is spread all over the Heaven and Human Realm. If you want to fight me, you will only seek your own death!”

“Hahaha, is the power of your Demon Sealing League spread all over the Heavenly Human Realm? Why do I feel like your Demon Sealing League is finished!”

Chen Ping laughed out loud!

Just as Zuo Tianzheng was about to speak, he saw a monk from the Demon Sealing Alliance rushing over, covered in blood!

“Alliance leader, this is bad. Our Demon Sealing Alliance’s forces in various regions have been attacked.”

“Now, some people from the Demon Sealing League are dying, some are surrendering, and they are all trying to distance themselves from our Demon Sealing League!”

Chapter: 7866

After the monk from the Demon Sealing League finished speaking, he died instantly!

“Impossible, how is this possible, it’s impossible...”

Zuo Tianzheng’s face was filled with shock. He looked at the elder beside him and said, “Contact the various departments of the Demon Sealing Alliance immediately. I don’t believe this is true!”

When the elder heard this, he hurriedly contacted the various departments of the Demon Sealing Alliance, but found that he could not get in touch with them at all!

At this point, Zuo Tianzheng had to believe that his Demon Sealing Alliance was really over!

“Could it be you? Did you do all this?”

Zuo Tianzheng looked at Chen Ping and shouted angrily!

“You guessed it right, it was indeed me. I only need one sentence to destroy your Demon Sealing Alliance!”

Chen Ping smiled slightly and said!

“Humph, stop bragging. Now that your backer is gone, we can definitely kill you.”

Zuo Tianzheng snorted coldly!

“Want to kill me? You guys are not qualified. I won’t fight you. I will let my little brothers kill you!”

Chen Ping laughed!

“How shameless! Do you think you can rely on these country bumpkins?”

Zuo Tianzheng glanced at the villagers of Dashi Village and said!

“Alliance leader, stop wasting time talking to him. I can kill this brat myself. But how dare a mere Mahayana level 2 person be so presumptuous!”

The elder had no idea how powerful Chen Ping was, so he was not afraid of Chen Ping at all!

Zuo Tianzheng glanced at the elder as if he was looking at an idiot!

Chen Ping is only at the second level of the Mahayana realm, yet he dares to be so presumptuous in front of them. Doesn’t he even think about why?

“Who is disrespectful to Mr. Chen?”

At this moment, a roar like a loud bell was heard, followed by a vast aura that enveloped the area!

“The peak of the ninth level of the Mahayana realm?”

Zuo Tianzheng was stunned!

Then Xuan Bin appeared and stood in front of Chen Ping!

Chapter: 7867

Looking at Hyun Bin in front of them, Zuo Tianzheng and others subconsciously took a few steps back!

Even if all of them were added together, they could never be a match for him!

He has reached the peak of the ninth level of the Mahayana realm!

The elder who had just threatened to kill Chen Ping alone now lowered his head and hid behind Zuo Tianzheng!

“My fellow Taoist, I am Zuo Tianzheng, the leader of the Demon Sealing Alliance. May I know your name?”

Zuo Tianzheng wanted to strike up a conversation with the other party using the Demon Sealing Alliance to see if the other party would be afraid of the Demon Sealing Alliance!

“The Demon Sealing Alliance is nothing...” Hyun Bin snorted coldly!

Zuo Tianzheng’s face was full of embarrassment, but he didn’t dare to say anything!

“We, the Demon Sealing Alliance, may not be in your eyes, but we have the Ten Palaces behind us. I’m sure you know that the Ten Palaces is one of the temples of the gods. They...”

Before Zuo Tianzheng could finish, Xuan Bin snorted again: “The Ten Palaces are nothing...”

Zuo Tianzheng was stunned. He didn’t expect that Xuan Bin didn’t even give face to the Ten Palaces!

“Fellow Daoist, although you are at the peak of the ninth level of the Mahayana realm, you are still a little short of what you can do to contend with the Ten Palaces.”

“It’s not easy to cultivate. It’s not easy for you to reach this level, so don’t ruin your own cultivation path for Chen Ping!”

Zuo Tianzheng said with a cold face!

The Ten Palaces cannot be contended with by a person at the peak of the ninth level of the Mahayana realm!

“My eldest brother can’t do it alone, what about me...”

At this time, another figure came, Zhou Tang also came back!

Zuo Tianzheng looked at Zhou Tang, who was also at the peak of the ninth level of the Mahayana realm, and swallowed his saliva and said, “You two also...”

“And us too!” Cangyue and Hua Yueying are back too!

“grass.....”

Zuo Tian was confused. Why were there so many ninth-grade Mahayana cultivators?

“I’m afraid the four of you are...”

But before Zuo Tianzheng could finish his words, the three black-robed monks returned one after another. Although they did not speak, the aura of the ninth level of the Mahayana realm on their bodies had already enveloped Zuo Tianzheng!

“This...this...”

Chapter: 7868

Zuo Tianzheng was looking at so many ninth-grade Mahayana cultivators in front of him, his faces huddled together, and he was about to cry!

“These are my little brothers, just a part of them. I wonder if they can fight against the Ten Palaces?”

Chen Ping asked with a smile to Zuo Tianzheng!

These are only some of Chen Ping’s younger brothers. Chen Ping’s biggest younger brother at present is Lin Chong!

Zuo Tianzheng said nothing, tried hard to force a smile, and followed Chen Ping to beg for mercy!

But this smile is uglier than crying!

“Brother Chen Ping, these guys from the Demon Sealing League are extremely bad, don’t let them off easily...”

Yun’er said to Chen Ping!

“Don’t worry, Yun’er...” Chen Ping touched Yun’er’s head!

At this moment, Zuo Tianzheng finally understood why the villagers of Dashi Village were not afraid of him at all!

With so many cultivators at the peak of the ninth level of the Mahayana realm behind Dashi Village, why should we be afraid of the Demon Sealing Alliance?

“Defeat the Demon Sealing Alliance...”

Suddenly, the elder behind Zuo Tianzheng raised his arm and slapped Zuo Tianzheng!

Zuo Tianzheng was caught off guard and fell to the ground like a dog, spitting blood!

“Fellow Daoist Chen, I was forced to join the Demon Sealing Alliance. I have never done anything that is against the will of heaven and earth.”

“I hope that Fellow Daoist Chen will forgive me for the sake of my eight thousand year old mother and five hundred year old child!”

The elder knelt in front of Chen Ping and begged for mercy sincerely!

Upon seeing this, the other cultivators from the Demon Sealing Alliance also knelt down and began to beg for mercy following Chen Ping!

Zuo Tianzheng was spitting blood. Looking at this scene, he didn't even have the energy to curse!

Chen Ping looked at the monks of the Demon Sealing Alliance kneeling on the ground, nodded and said, "Since you are willing to leave the Demon Sealing Alliance, I will spare you, but you must leave your storage bags behind."

"No problem, no problem..."

When the elder heard this, he hurriedly took out his storage bag!

Seeing this, other monks from the Demon Sealing Alliance also took out their storage bags and threw them at Chen Ping's feet!

Seeing this, Zuo Tianzheng struggled to get up, silently took out the storage bag, and threw it at Chen Ping's feet!

Chapter: 7869

It looks like this guy might let Chen Ping spare him!

Looking at the storage bags on the ground, Chen Ping waved his hand and said, "Go away..."

"Thank you, Mr. Chen, for not killing me..."

The elder and the monks of the Demon Sealing Alliance thanked him repeatedly, then turned around and ran!

Zuo Tianzheng didn't say anything, just turned around and was about to leave!

"Did I let you go?" Chen Ping said coldly!

Zuo Tianzheng forced a smile: "Fellow Daoist Chen, Mr. Chen, Master Chen, please forgive me. I will never be the leader of the Demon Sealing Alliance, nor will I be a running dog of the Ten Palaces again."

"I will find a place to practice well in the future and will not do anything that is harmful to the world. Please forgive me."

Zuo Tianzheng, the leader of the Demon Sealing Alliance, was begging in front of Chen Ping like a grandson!

The villagers of Dashi Village had already gotten used to this scene and were no longer as shocked as they were at the beginning!

"Don't be nervous. I didn't say I was going to kill you, but I need you to take me to the Ten Palaces!"

Chen Ping said!

"I dare not, I dare not. The Demon Sealing Alliance is now destroyed. I can't even run away in time. Wouldn't it be courting death if I went to the Ten Palaces?"

Zuo Tianzheng waved his hands repeatedly!

“If you don’t take me with you, you will die now...”

Chen Ping smiled coldly!

Zuo Tianzheng trembled all over, and finally nodded and said: “Okay, I’ll take you there...”

Chen Ping left all the storage bags of the Demon Sealing League to Dashi Village, then gently stroked Yun’er and Zhuzi’s heads and said, “You should practice well. These resources are enough for your Dashi Village to use for a long time.”

“If I have the chance, I will come to Dashi Village to see you again...”

“Brother Chen, don’t worry. You can wait for us in the heaven when the time comes. We will definitely be able to ascend to the heaven.”

Zhuzi said with great confidence!

“Okay, then I’ll wait for you in heaven!” Chen Ping smiled slightly!

After all, Zhuzi is still young and has no idea of the hardships of cultivation. It is extremely difficult for him to ascend to heaven!

Some large sects and families may not be able to support a cultivator who can ascend to the heavens even if they exhaust all their resources!

Chapter: 7870

With the resources available in Dashi Village, it is simply wishful thinking to want to ascend to heaven!

But Chen Ping will not dispel the confidence of Zhuzi and others. Once people have confidence, they can do things much faster!

After saying goodbye to everyone in Dashi Village, Chen Ping brought Xuan Bin and others, and followed Zuo Tianzheng to the headquarters of the Demon Sealing Alliance!

If they want to enter the Ten Palaces, they must enter through a secret room in the Demon Sealing Alliance headquarters!

Ten Palaces!

The Tenth Palace Master sat in the main hall with his eyes slightly closed, as if he was thinking about something!

Behind him, there was a monk with a black face and long beard, his eyes were like camel bells, his hands on his waist, he looked like a god!

On both sides of the hall, there were ten strong men wearing black robes and black helmets. These ten men had a restrained aura and their presence could not be felt at all!

“Father, I heard that the Demon Sealing Alliance was destroyed. That was the force that we, the Ten Palaces, had worked so hard to cultivate so that we could occupy the entire Heavenly Realm.”

“Who on earth is so bold as to go against us, the Ten Palaces?”

The Tenth Prince's injuries had improved a lot, and he hurried to the hall and asked!

"Don't worry about it. Go back and heal your wounds and rest. You don't have to worry about the affairs of the Ten Palaces anymore!"

The Lord of the Tenth Palace waved his hand and said!

"Father, the Ten Palaces are in danger now, how can I just stand by and watch!"

The Tenth Prince is not going back at all!

Buzz!

Just as the Tenth Prince finished his words, suddenly the sound of a sword echoed throughout the hall, and the next moment the heavy door of the hall was instantly split open from the middle!

boom!

The door fell down, and Chen Ping, Xuan Bin and others slowly walked into the hall!

When he saw Chen Ping, the Tenth Prince narrowed his eyes instantly, and his eyes were filled with coldness!

The Tenth Palace Master stood up and looked at Chen Ping: "Are you Chen Ping?"

"Yes, I am Chen Ping. Are you willing to buy my life with 100,000 immortal spirit stones?"

Chen Ping asked the Ten Palace Masters!

The Tenth Palace Master shook his head: "If it weren't for me, you wouldn't be worth a hundred thousand immortal spirit stones!"
