

The Order 7881

Chapter: 7881

Chen Ping said this with great perspective!

Chen Ping said this to make Xuan Bin and others more loyal to him!

After all, Chen Ping is so magnanimous even to those who betrayed him. People like them who follow Chen Ping will only get more!

Seeing this, the Tenth Palace Master smiled and said, "A man dies for money and a bird dies for food. I like this saying very much. I will give you the fairy stone now!"

After the Tenth Palace Master finished speaking, he directly threw out a storage bag containing 90,000 immortal stones. That was exactly 30,000 for each of the three black-robed monks!

The three black-robed monks got the fairy stones and immediately turned to look at Chen Ping and others!

Hyun Bin and his companions looked alert and ready to take action at any time!

"Now that you've got the money, isn't it time to sell it?"

The Tenth Palace Master urged the three black-robed monks!

One of the black-robed monks reached into his arms, apparently as if he was about to take out a weapon!

But when the black-robed monk took his hand out of his arms, there was no weapon, but a storage bag!

Then he threw the storage bag to Chen Ping!

This scene made everyone stunned!

“Mr. Chen, my three brothers took 30,000 immortal spirit stones from you, and now I’m giving you 50,000. This is the price we paid for our betrayal.”

“Although the Tenth Palace Master has no special abilities, the Tenth Palace Master is backed by the Temple. The three of us brothers do not want to offend the Temple. I hope Mr. Chen understands!”

The black-robed monk said!

“I understand!” Chen Ping nodded!

“If Mr. Chen needs us three brothers in other places, we three will definitely not refuse. We have no choice but to withdraw today!”

After saying that, the three black-robed monks left without even looking back!

“My fairy stone, my fairy stone...”

Upon seeing this, the Tenth Palace Master shouted loudly!

“Tenth Palace Master, not only are you weak, but your brain is also not very smart!”

Chen Ping smiled faintly!

“Fuck...” The Tenth Palace Master’s face turned red with anger!

Chapter: 7882

“Tenth Palace Master, do you still mean what you said just now? I suddenly want the Immortal Stone too!”

Hyun Bin asked the Ten Palace Masters jokingly!

The Tenth Palace Master’s eyes narrowed slightly, and his body’s aura exploded to the extreme, and the temperature around him dropped to freezing point!

“You guys, damn it, damn it, damn it...”

The Tenth Palace Master said “Damn it” three times in a row!

It can be seen that the Tenth Palace Master is really angry!

“I think you are the one who deserves to die.” Lin Kefan said, looking at Chen Ping, “Brother-in-law, what are you waiting for? Why don’t you kill this guy? If other people in the temple dare to seek revenge on you, Sun Moon City will support you!”

Chen Ping glanced at Lin Kefan and smiled faintly: “Then you just wait and see how I destroy these ten palaces!”

After Chen Ping finished speaking, the dragon-slaying sword in his hand disappeared instantly, and a magic bow appeared in his hand!

The God King's Bow was taken out by Chen Ping!

You know, Chen Ping rarely shows the Bow of the God King to others because he is afraid that someone will covet the Bow of the God King and do something bad to him!

As the saying goes, an innocent man is guilty of possessing a treasure, but now Chen Ping can basically walk sideways in the world of heaven and man, so he is not afraid of anyone coveting his Divine King Bow!

With the appearance of the God King's Bow, the atmosphere in the entire hall suddenly became extremely tense.

The bow was emitting a faint blue light, as if it contained the power of the stars, and every flash made people's hearts palpitate.

Seeing the God-King Bow in Chen Ping's hand, everyone was shocked. Xuan Bin and others retreated one after another, fearing that they would be hurt by the God-King Bow.

"God King Bow? You actually possess such a divine weapon!"

There was an air of incredible shock in the voice of the Tenth Palace Lord. He was well aware of the reputation of the God King's Bow, which was a terrifying existence that could kill gods and demons.

Chen Ping tightly grasped the bow of the God King, his eyes were as sharp as torches, and the power in his body seemed to boil at this moment.

He took a deep breath, adjusted his posture, and prepared to deliver a fatal blow.

“Today, I will let you see the power of the God King’s Bow!”

Chen Ping roared, gathered all his strength in his right hand, pulled the bowstring, and the air seemed to freeze at this moment.

Upon seeing this, the Ten Palace Lords did not dare to be careless and quickly gathered all their spiritual power to form a thick protective shield, wrapping themselves tightly in it.

He knew very well that this arrow was no joke and any carelessness could lead to eternal damnation.

“Swoosh—”

Chapter: 7883

A bright blue light cut through the sky, bringing with it a deafening sound, and headed straight for the shield of the Ten Palace Lords.

Wherever the arrow passed, the space seemed to be torn apart, leaving behind shocking cracks.

“Bang!”

The arrow collided with the shield, making a deafening sound.

Under the impact of the arrow, the shield began to vibrate violently, and ripples appeared on the surface.

The Tenth Palace Lord's face changed drastically. He never expected that the power of the God King's Bow would be so terrifying.

He tried his best to maintain the shield, but the terrifying force continued to erode him, making him feel unprecedented pressure.

"Come again!"

Chen Ping did not give the Tenth Palace Master a chance to breathe. He pulled the bowstring again, preparing to shoot the second arrow.

This time, he used almost all his strength, and the blue light on the arrow was even brighter, as if it would illuminate the entire hall.

"No!"

The Tenth Palace Master shouted in horror, knowing full well that he could no longer withstand such an attack.

But the arrow had already arrived, so he could only fight to the death, concentrating all his spiritual power into his fists, trying to block the arrow head-on.

"boom!"

The arrow collided with the fists of the Ten Palace Lords, erupting with earth-shaking power.

This time, the shield finally couldn't bear it and shattered.

The Tenth Palace Master was also knocked flying by this terrifying force, and rolled several times in the air before falling heavily to the ground.

When he struggled to get up, he saw that his right arm was covered in blood, obviously injured by the residual power of the arrow.

His face was filled with shock and fear. He had never expected to be beaten so badly by a second-grade Mahayana cultivator.

Just when the Tenth Palace Master was shocked, Chen Ping drew the bow again, but this time, it was not aimed at the Tenth Palace Master!

This time, more than a dozen arrows were shot directly!

All the monks of the Ten Palaces were targeted by an arrow, especially the Tenth Prince, who was targeted by three arrows!

Chen Ping had promised Yun Li that he would be the Lord of the Ten Palaces. This was Chen Ping's promise, and he would definitely keep it!

But Chen Ping never said that he would not kill Yun Li's brother, nor would he kill the Tenth Prince!

Chapter: 7884

This little brat is so annoying. He holds a lollipop in his mouth all day long and looks so arrogant!

Especially during the Xiao Dynasty, that arrogant look, Chen Ping has never forgotten it!

Today, he will let this little brat feel what fear is!

Whoosh, whoosh, whoosh...

Dozens of arrows were shot out at a rapid speed, and all the monks from the Ten Palaces were panicked. Even their palace masters could not withstand the bow of the God King, so how could they possibly resist it?

Their faces changed drastically, and they began to burst out all their strength to form shields!

These arrows penetrated the shield and soon hit a monk from the Ten Palaces. With this shot, the monk from the Ten Palaces actually turned into a wisp of green smoke and disappeared!

The soul gathered and dispersed, and even the corpse was not left behind, which shows the power of the God King Bow!

“Fuck, this is too awesome...”

Hyun Bin and others looked on in shock!

The Tenth Prince was surrounded by three arrows, his face showing fear and despair!

“Father, save me, save me...”

The Tenth Prince was so scared that he almost peed his pants, and the lollipop in his mouth fell to the ground!

The Tenth Palace Master frowned, and his body instantly turned into a shadow, slamming heavily into the three arrow feathers!

My eldest son is dead, and nothing can happen to my younger son!

“Brother-in-law, just deal with the Ten Palace Masters. As for the other minions, I, your uncle, will help you deal with them!”

After Lin Kefan finished speaking, he went straight towards the monks from the Ten Palaces!

Although Lin Kefan couldn't defeat the Ten Palace Masters, it was still easy for him to defeat these minions of the Ten Palaces!

Seeing this, Xuan Bin and others followed Lin Kefan and attacked the monks from the Ten Palaces!

Chen Ping held the God King Bow in his hand and looked at the Ten Palace Lords calmly!

“You have to attack at close range!”

Looking at the God King Bow in Chen Ping's hand, the Tenth Palace Lord began to panic!

He knew that only by fighting Chen Ping at close range would Chen Ping be unable to use the God King Bow!

Chapter: 7885

Thinking of this, the Tenth Palace Master instantly turned into a shadow and rushed towards Chen Ping!

Boom boom boom...

The Tenth Palace Master punched Chen Ping hard, not giving him any chance to breathe!

In this way, it would be impossible for Chen Ping to use the God King Bow!

Upon seeing this, Chen Ping put away the God King Bow and simultaneously performed the Holy Light Fist, punching back and forth with the Ten Palace Lords!

Explosions continued to sound all around!

Chen Ping's body was strengthened with the secret method of the gods, and with the addition of his indestructible golden body, Hua Yueying continued to set up formations around Chen Ping, which made it impossible for the Ten Palace Lords to do anything to Chen Ping in a short period of time.

The Tenth Palace Master becomes more and more depressed as he grows older. He is a dignified third-rank cultivator in the realm of immortality, and he can make clouds and rain with a wave of his hand!

At this moment, he was unable to do anything to the young cultivator of the second stage of the Mahayana realm.

This is simply an outrageous opening to outrageous things, it's outrageous to the extreme!

The Tenth Palace Master was feeling very aggrieved at the moment. Chen Ping's Holy Light Fist was not weak at all, and coupled with that horrible body, it was simply a nightmare!

However, it is totally unrealistic for Chen Ping to defeat the Ten Palace Lords in a short period of time!

After all, the one he was facing was a third-grade being in the realm of Immortality, whose strength far exceeded Chen Ping's. For Chen Ping to be able to fight like this with the Ten Palace Lords, it was already very awesome!

But Chen Ping was not in a hurry. He promised Yun Li that he would not kill the Ten Palace Masters, so he only needed to tie up the Ten Palace Masters and let Lin Kefan and the others kill all the people in the Ten Palaces!

All the people in the Ten Palaces are dead, and only the Tenth Palace Master is left, and he can't cause any trouble at all!

The Tenth Palace Master certainly knew what Chen Ping was thinking, so he became more and more anxious!

"Boy, you forced me to do this..."

The Tenth Palace Master suddenly looked ferocious, and a terrifying aura swept around him. At the same time, his entire body began to mutate!

boom!

The aura of the Ten Palace Lords surged again!

Chen Ping was slightly stunned, frowned and said: "Aren't these people from the God Clan all human? How did they become monsters?"

"Mr. Chen, be careful. This guy is a beast. He must have beast genes fused into his body!"

Seeing this, Hua Yueying hurriedly reminded Chen Ping!

Chapter: 7886

Chen Ping was speechless when he saw the disgusting look of the Tenth Palace Master!

These so-called gods, these arrogant fellows, turned out to be just like that behind the scenes!

“Today, I want all of you to die...”

Since the Tenth Palace Lord has exposed his ugliest side, as a member of the God Clan, he cannot allow anyone living to see it.

So everyone here must die!

When Chen Ping saw the Ten Palace Lords rushing over, he instantly took out the Dragon Slaying Sword and then slashed with it!

Bang!

The Ten Palace Lords rushed forward recklessly, the sword light shattered, and Chen Ping was directly knocked hundreds of feet away, and cracks appeared on his indestructible golden body!

Chen Ping frowned slightly, and quickly took advantage of the distance to put away the Dragon Slaying Sword and took out the God King Bow again!

However, Chen Ping knew that this might be the last time he could use the Bow of the God King. With his current strength, he could not pull the Bow of the God King so frequently!

Chen Ping slowly pulled the bowstring, and the evil spirit of Dao Pattern surged in Chen Ping's body like a tide, and a golden arrow feather slowly appeared on the God King's bow!

For the final blow, Chen Ping must go all out!

Swish!

A ray of golden light shot out!

Bang!

The golden arrow feathers shot directly at the body of the Tenth Palace Master, but the golden arrow feathers shattered instantly. The huge recoil force caused Chen Ping to retreat a hundred feet away again!

At the moment Chen Ping retreated, the Tenth Palace Master leaped up and punched him!

Bang!

The void twisted and deformed in an instant, and Chen Ping's body fell heavily to the ground, going directly a hundred meters underground!

"Mr. Chen..."

Hua Yueying was horrified and hurriedly cast a formation. A series of silk nets wrapped around the body of the Tenth Palace Lord, trying to stop the Tenth Palace Lord from attacking Chen Ping again!

Hearing Hua Yueying's cry, Lin Kefan turned around and when he saw Chen Ping being smashed into the ground, his face was full of anger and murderous intent!

"Damn it, you hit my brother-in-law, I will fight you..."

Lin Kefan turned into a stream of light and slammed towards the Lord of the Ten Palaces!

Chapter: 7887

The Tenth Palace Master was entangled in the silk net and was hit by Lin Kefan while he was motionless!

Bang!

With a loud bang, the Tenth Palace Master did not move, but Lin Kefan was blown away, with cracks appearing on his body and blood gushing out of his mouth!

Lin Kefan opened the storage ring and stuffed handfuls of pills into his mouth!

At this point, he no longer cares about any resources!

After repelling Lin Kefan, the Tenth Palace Lord struggled lightly and broke free from Hua Yueying's formation!

Then he strode towards Chen Ping!

"Fourth Prince, stop him..."

Seeing this, Hua Yueying hurriedly called out to Lin Kefan!

Lin Kefan frowned, clenched his teeth tightly, and said with a ruthless heart: "Little sister, if I die, it is to save your man. You must remember to burn incense for me..."

Thunder and lightning surged around Lin Kefan's body again, and he turned into a bolt of lightning and rushed towards the Tenth Palace Master!

He must stop the Tenth Palace Master and give Chen Ping some time to catch his breath!

"You don't know your own limitations..."

The Tenth Palace Master snorted coldly, then punched out!

boom!

The lightning around Lin Kefan shattered instantly, and the whole person was knocked flying. He fell heavily to the ground, spitting out blood!

Upon seeing this, Hua Yueying hurriedly cast a spell, but was unable to stop the Ten Palace Lords at all!

This guy's strength increased dramatically after he transformed into a beast!

Chen Ping, who was lying in a hundred-meter-deep pit, wiped the blood from the corner of his mouth. There was no fear in his eyes, only a stronger desire to fight!

"Boy, I'm afraid your body can't take it anymore, let me have some fun..."

Demon Lord Chiyun said to Chen Ping!

"I can still fight, we'll talk later!"

Chen Ping jumped directly out of the hundred-meter-deep pit!

“If your physical body is broken, I won’t be able to possess you and help you!”

Chapter: 7888

Demon Lord Chiyun hurriedly said to Chen Ping!

However, Chen Ping ignored it and held the Dragon Slaying Sword, staring at the Ten Palace Lords!

But just as Chen Ping jumped out of the deep pit, he was suddenly hit by an extremely dangerous aura!

Chen Ping hurriedly turned around and swung his sword, but found that there was no one behind him!

puff!

Just as Chen Ping was stunned, a sharp blade pierced into Chen Ping’s back!

“This...”

Chen Ping looked at the sharp blade that pierced his body and was a little confused for a moment!

With an indestructible golden body and his abnormally strong physique, who could pierce his body so easily?

“It’s over, it’s over...”

said the Scarlet Cloud Demon Lord helplessly!

Chen Ping’s physical body was broken, so he couldn’t possess anyone anymore!

“Mr. Chen...”

Hua Yueying, Xuan Bin and others were all anxious when they saw that Chen Ping was attacked by someone!

If Chen Ping died, they would have no objection to fighting with the Ten Courts with all their might!

Chen Ping is the God of Wealth, he cannot die!

Seeing this, Lin Kefan became furious: “If you dare to sneak attack my brother-in-law, I will wipe out your entire family!”

Lin Kefan ignored his own injuries and instantly came to Chen Ping!

But just when everyone rushed towards Chen Ping, a dragon roar sounded from Chen Ping’s body, and then the dragon crystal on his chest kept flashing!

A golden dragon slowly emerged from Chen Ping’s body. The wounds on Chen Ping’s body healed at a speed visible to the naked eye, and his cracked indestructible golden body was also completely repaired!

The golden dragon surrounded Chen Ping’s body, and the dragon energy enveloped Chen Ping!

Everyone who saw this scene was shocked!

Whether it was Lin Kefan or Xuan Bin and others, they did not expect that a golden dragon would appear in Chen Ping's body!

Not far from Chen Ping, an old man who was barely visible had a look of surprise and confusion on his face!

Chapter: 7889

This old man was the one who attacked Chen Ping. He was the Gan Lao mentioned by the Ten Palace Masters, and his status was higher than that of the Ten Palace Masters!

"The Ten Courts of Justice actually have helpers. This is going to be troublesome..."

Looking at the old man Gan who appeared, Xuan Bin said solemnly!

When the Tenth Palace Lord saw Gan Lao, he said respectfully: "I'm sorry for disturbing Gan Lao's meditation. I hope Gan Lao won't blame me!"

Even the Tenth Palace Lord who had transformed into a beast did not dare to show the slightest disrespect to Gan Lao!

Old Gan ignored the Ten Palace Masters and stared at Chen Ping: "No wonder, no wonder I couldn't figure out your origin..."

Chen Ping also stared at Old Gan: "You old bastard, were you the one who sneak attacked me just now?"

“That wasn’t a sneak attack, I just predicted your position!”

Old Gan smiled faintly!

“Fuck you for predicting this...” Lin Kefan cursed angrily and punched out directly!

In the sky, several bolts of lightning suddenly struck towards Gan Lao!

But at the moment when the thunder and lightning struck, the old man’s body disappeared out of thin air!

When everyone saw clearly, the old man Gan actually left his original position. He just moved one step easily and avoided Lin Kefan’s attack!

Lin Kefan was stunned, and threw out several punches again in succession. This time, more than a dozen lightning bolts came down and wrapped up the old man!

He wanted to see how that old man could dodge!

But who would have thought that among more than a dozen lightning bolts striking down, that old man Gan could actually shuttle among them, taking advantage of the time difference, and was not hit by any lightning!

This time, Lin Kefan was confused!

Not only Lin Kefan, everyone was stunned!

Even Chen Ping looked at the old man in disbelief, with shock in his eyes!

Chen Ping didn't understand how this guy managed to dodge!

If it were simply because of the high speed, it would be impossible to dodge more than a dozen lightning bolts within this limited range!

"I didn't expect that in a rubbish place like the Ten Palaces, there would be someone who could master the deduction of the great Dao."

Demon Lord Chiyun said!

"Deduction of the Great Dao?" Chen Ping was stunned: "Senior, what is the deduction of the Great Dao?"

Chapter: 7890

"It is to predict future events. He can also predict things that have not happened yet." The Red Cloud Demon Lord explained: "The reason why he said he predicted your position just now is that he used the art of deduction to know what you are going to do next." "

It is precisely because of this that he can easily dodge the attack. After all, he already knows what you are going to do and he is prepared in advance!"

"Fuck..." Chen Ping couldn't help but curse!

He didn't expect that there would be such a powerful person in the Ten Courts of Justice.

Looking at the Ten Palace Masters in front of him, his body was blood red, his face was hideous, and his aura was strange and powerful!

Behind the Tenth Palace Master, only the Tenth Prince and two Tenth Palace monks were left, and they were all seriously injured!

Normally in this situation, if they try harder, the other people in the Ten Courts of Justice can be destroyed!

Who knew that the Lord of the Ten Palaces could transform into a beast, and that there were people in the Ten Palaces who could deduce the Great Dao!

This is a bit of a miscalculation!

“Brother-in-law, why don’t we retreat? A real man can bend and stretch. I will gather a group of people when we return to Sun and Moon City!”

Lin Kefan said to Chen Ping!

After a few consecutive punches, Lin Kefan didn’t even hurt the opponent’s hair. He was a little frustrated!

Not to mention the strength of the Tenth Palace Lord after his beast transformation, even if they attack the old man in front of them together, they will not be able to do anything!

There is absolutely no chance of winning!

“Do you think we can still leave?” Chen Ping asked!

Lin Kefan was stunned and then stopped talking!

“You want to leave?” The Lord of the Ten Palaces sneered: “My Ten Palaces are not a hotel. You can come and go as you please!”

“Huo Qing, no matter who you are, you are still a member of the Ten Palaces. Are you just going to watch the Ten Palaces perish and remain indifferent?”

At this time, Gan Lao said to the void with a cold face!

Along with Gan Lao’s voice, the void trembled, and Huo Qing slowly appeared with the thin old man!

Huo Qing could refuse to give face to the Tenth Palace Master, but since Gan Lao had spoken, Huo Qing dared not not show up!

Just now Huo Qing had actually been observing secretly for a while. Even though the people from the Ten Palaces suffered heavy casualties, Huo Qing had no intention of helping!

“Old Gan, I just rushed back to the Ten Palaces. The palace master asked me to kill Chen Ping for revenge, and I have been trying to find him.”

“I didn’t expect that this kid would dare to lead people to attack the Ten Palaces. He is so arrogant!”
