

The Order 7891

Chapter: 7891

Huo Qing said to Old Gan with a smile on his face!

“Huo Qing, are you humiliating me?” Gan Lao asked with a cold face!

“I dare not, I dare not, how could Mr. Gan say that!”

Huo Qing waved his hands repeatedly!

“Have you forgotten what I do? How dare you lie to me?” Gan Lao asked harshly!

Huo Qing smiled awkwardly and said nothing!

His lie was seen through by Gan Lao at a glance. He was able to deduce the existence of the way of heaven, so how could he be deceived by a lie!

“Have the helpers you found arrived?”

Seeing that Huo Qing didn't say anything, Gan Lao continued to ask!

“We're on the way and will be there soon. Just leave these people to me. I will never let any of them leave the Ten Palaces alive.”

Huo Qing hurriedly said in a flattering manner!

“Put away your little thoughts and grow up through hard training. Otherwise, with one word from me, your Huo family will never have the chance to enter the temple again!”

Gan Lao said while tapping Huo Qing!

“The old man is right, I won’t dare to do it again!”

Huo Qing nodded repeatedly, then looked at Chen Ping and others, snorted coldly and said: “You little trash, you dare to attack the Ten Palaces, wait and see how I will destroy you!”

After Huo Qing finished speaking, he raised his hand and threw a punch!

After all, Chen Ping and his men had experienced fierce battles and were injured, so Huo Qing could now wait for the opportunity to tire himself out!

“Huo Qing, you dare to be so presumptuous with just the ability you have!”

Cangyue suddenly rushed out and threw a punch!

Both of them are at the peak of the ninth level of the Mahayana realm, but Cangyue is not afraid at all!

Bang!

After a deafening bang, a terrible shock wave spread in all directions!

Cangyue's body flew backwards instantly and was caught steadily by Hua Yueying using a formation!

Huo Qing only retreated a dozen steps. Judging from this punch, Huo Qing was slightly better!

Chapter: 7892

However, Cangyue has been fighting for a long time, so it is normal for him to be at a disadvantage!

Huo Qing just stopped, and then instantly turned into a stream of light, heading towards Cangyue again!

The terrifying pressure swept across the entire Ten Palaces, making people feel suffocated!

Cangyue's eyes narrowed, and he said to Xuan Bin who was about to take action: "Don't move, let me do it myself..."

Cangyue gritted his teeth, leaped up, and rushed towards Huo Qing like a cannonball!

Huo Qing started fighting with Cangyue. It would be difficult to tell the winner in a short time!

At this moment, the Ten Palace Masters and Gan Lao led the Ten Palace Masters and stared at Chen Ping and the others!

Chen Ping frowned slightly. He had to find a way to trap Gan Lao. Only by trapping Gan Lao could he fight with the Ten Palace Lords!

Otherwise, Gan Lao could predict the future, and they would be very passive, and every move they made would be guessed by the other party!

“Hua...Miss Hua, can you create an illusion?”

Chen Ping asked Hua Yueying!

Every time Chen Ping called her “Hua Girl”, he felt a little awkward!

“I can set up an illusion array, but what’s the use of an illusion array for Mr. Chen?”

Hua Yueying was puzzled as to why Chen Ping wanted to set up an illusion array!

“You set up an illusion array to make the enemy lost, so we can take the opportunity to escape!”

Chen Ping said to Hua Yueying!

Hua Yueying nodded when she heard it, then muttered something and began to set up an illusion array!

Gan Lao smiled coldly: “They are setting up an illusion array and want to take the opportunity to escape, so you all should open your eyes and don’t easily believe what you see.”

“Understood!” The Tenth Palace Master nodded!

Soon, the illusion array was successful, and as Hua Yueying activated the array, the scene in the entire Ten Palaces began to change constantly!

In the end, everyone felt like they were on top of a mountain in the heavenly world!

“Chen Ping, do you think you can escape from me by just using an illusion array to change the environment?”

The Tenth Palace Master mocked Chen Ping!

Chen Ping did not say anything, but kept making hand gestures, and the void was shaking continuously!

Chapter: 7893

Hua Yueying looked at Chen Ping in surprise. She didn't understand why they were on top of a mountain in the heavenly world at this moment!

This is not something her illusion can present at all!

Buzz...

Just as Chen Ping was performing the magic formula, a buzzing sound suddenly came from between heaven and earth!

“Fourth uncle, I'll leave Gan Lao to you. I have already set up magic circles around us, and his deduction skills are no longer effective!”

Chen Ping said to Lin Kefan!

Upon hearing this, Lin Kefan hesitated for a moment, then tentatively slapped the old man!

A bolt of lightning suddenly appeared, which scared the old man!

The old man frowned, his eyes full of surprise. It was obvious that Chen Ping was right. The old man's deduction technique was not working in this space!

“Even if I don't use the art of deduction, you little kid are no match for me!”

Gan Lao looked down on Lin Kefan!

Looking down on others is the characteristic of the gods!

Lin Kefan tried his best and fought with that old man!

Seeing this, Chen Ping took a step forward, holding the Dragon-Slaying Sword and slashing fiercely!

At the same time, Xuan Bin and others attacked the monks from the Ten Palaces, and even the old man beside Huo Qing was no exception!

“Even without Gan Lao's help, I can kill you easily!”

The face of the Tenth Palace Lord became ferocious, and then he turned into a black light and rushed towards Chen Ping!

The speed of the Ten Palace Lords was extremely fast, as if there were many Ten Palace Lords rushing towards him!

“Nine Shadow Sword Technique...”

At this moment, Chen Ping did not dare to be stingy with the various powers in his body and directly used the Nine Shadow Sword Technique!

You must know that the Nine Shadow Sword Technique consumes a huge amount of energy!

I saw many Chen Pings suddenly pop up, and they looked exactly the same, holding the same Dragon-Slaying Sword in their hands!

The most important thing is that these Chen Pings all have the same aura, and it is impossible to tell the real one from the fake one!

“He actually has clones, this is not an illusion...”

Chapter: 7894

The Tenth Palace Lord was shocked. He thought that the sudden appearance of so many clones of Chen Ping was due to an illusion!

“It’s too late to realize this is not an illusion...”

Chen Ping’s eyes turned cold, and the Dragon-Slaying Sword in his hand was swung out instantly!

The six clones followed Chen Ping in swinging swords, and several sword energies gathered together, and the power increased by who knows how many times!

boom!

The Tenth Palace Lord threw a punch, accompanied by a deafening sound, the sword light shattered, and Chen Ping retreated at the same time as the Tenth Palace Lord.

This time, Chen Ping's body hit a mountain heavily before stopping!

The mountain was shattered, and Chen Ping only felt his internal organs churning, followed by a mouthful of blood spurting out.

The Tenth Palace Master also retreated and crashed into a hilltop!

At this moment, Hua Yueying had her eyes slightly closed, constantly strengthening her own illusion array!

At this time, she couldn't distract herself to help Chen Ping. Everything depended on Chen Ping himself!

Chen Ping looked at the Tenth Palace Master. The Tenth Palace Master was not in a good condition at this time. His arm was cracked and blood was constantly oozing out!

Cracks also appeared on the bodies of the Ten Palace Lords, as if they were about to collapse!

It seems that the body of the Tenth Palace Lord can no longer bear it!

The Tenth Palace Master looked at Chen Ping, who was not dead yet, with anger in his eyes!

With his strength of the third level in the Immortal Realm, he could easily defeat Chen Ping, who was at the second level in the Mahayana Realm!

But now, Chen Ping is not only able to fight against opponents of higher levels, but he also has many magical weapons on him!

The Dragon-Slaying Sword, the God-King Bow, the Indestructible Golden Body...

Any one of these would be a rare treasure that everyone could only dream of!

Especially the indestructible golden body on Chen Ping's body, which is now blessed by the golden dragon, can be repaired instantly even if it is damaged!

In this case, it would be extremely difficult for the Tenth Palace Master to kill Chen Ping!

Just as Chen Ping was confronting the Ten Palace Lords, there was a sudden movement behind him, and a space-time rift appeared behind Chen Ping!

Chen Ping did not hesitate at all. No matter who appeared in this space-time rift, Chen Ping regarded him as an enemy!

Swish!

Chapter: 7895

Chen Ping slashed at the space-time crack with a sword, and then a shadow flew backwards!

“Fuck, I went to the wrong place...”

The afterimage cursed and disappeared into the sky!

It turned out that this was a monk who was using the cracks in time and space to travel, and accidentally broke into the battlefield of Chen Ping and his men!

Unexpectedly, as soon as he showed his head, he was chopped away by Chen Ping’s sword!

“Isn’t this an illusion?”

The Tenth Palace Lord looked at the afterimage that was cut off by a sword and his eyes suddenly widened!

The environment that appeared was not an illusion, but real!

They are not in the illusion array!

If it was in an illusion array, the guy who was just knocked away by the sword would not appear, and it would be impossible to tear the void in the illusion!

“Yes, this is not an illusion, this is the real world of heaven and man. Where we are is the northern region of the world of heaven and man!”

Chen Ping smiled coldly!

The reason why Chen Ping asked Hua Yueying to set up the illusion array just now was actually just a trick!

Of course he knew that Mr. Gan could deduce what they would do next, so he said that!

While Hua Yueying was setting up the illusion array, Chen Ping also used the laws of the great array of heaven and earth that he had comprehended to bring everyone from the Ten Palaces into the northern region of the Celestial Realm!

The place where the Ten Palaces are located is just a space opened up in the world of heaven and man!

It is equivalent to a secret realm in the secular world, so it is not difficult to bring everyone out!

This is different from spanning two time and space, this is in the same space.

However, in order to prevent the Ten Palace Masters and others from noticing, Chen Ping asked Hua Yueying to set up an illusion array as a decoy!

The reason why Chen Ping did this was to leave them a way out. If they really couldn't win, they could just escape!

And if there are reinforcements from the Ten Palaces, it will take time for them to find this place!

The most important point is that Chen Ping wanted to see whether Gan Lao and the Ten Palace Masters and others were the people left over from the heaven!

If these guys were all left over from the heavens, they would be suppressed by the great formation of heaven and earth in this world of heaven and man, and would not be able to fully display their strength!

If we were in a space opened up like the Ten Palaces, the suppression would be much less!

Chapter: 7896

“Hmph, I know what you are thinking, but you have made a wrong calculation. We are not from the heaven, so even if we go to the heavenly realm, we will not be affected in any way.”

After the Tenth Palace Lord finished speaking, he looked at Hua Yueying!

Since this is not an illusion formation, Hua Yueying has her eyes slightly closed and is muttering something at this moment. She must be setting up some other formation!

The Tenth Palace Master’s face turned cold, and his body instantly turned into a stream of light and went towards Hua Yueying!

He has to deal with Hua Yueying first!

Having such a formation master around will make him very passive!

Chen Ping saw what the Ten Palace Master meant, and with a flash of his body, he also appeared in front of Hua Yueying, and slashed with the Dragon-Slaying Sword in his hand!

At the same time, Chen Ping’s clones swung their swords at the Ten Palace Lords!

This time, the Tenth Palace Master did not resist head-on, but retreated quickly and then punched Chen Ping beside him!

boom!

Chen Ping was knocked back by a punch, and his body turned into golden light and dissipated in mid-air!

This is just a clone of Chen Ping!

However, after losing one clone, Chen Ping felt extremely uncomfortable.

Although the clone possessed Chen Ping's power, Chen Ping was also suffering the damage suffered by the clone!

Speaking of which, this Nine Shadow Sword Technique has both advantages and disadvantages!

Upon seeing this, the Tenth Palace Master sneered, as if he had noticed the flaw in Chen Ping's Nine Shadow Sword Technique!

He only needs to eliminate the clones one by one, and Chen Ping will be seriously injured if not killed!

A hint of ruthlessness flashed in the eyes of the Tenth Palace Master, and his body moved like lightning as he instantly rushed towards Chen Ping's other clone.

His fist was as fast as thunder, carrying destructive force, and hit the clone's chest directly.

"Boom!"

There was another loud noise, and Chen Ping's clone was smashed to pieces by a punch from the Tenth Palace Lord, turning into golden light and dissipating in the air.

Chen Ping's face turned pale instantly, and a trace of blood flowed from the corner of his mouth.

The destruction of the clone not only took away his power, but also caused his body to suffer a huge backlash.

"Mr. Chen!"

Chapter: 7897

Hua Yueying's voice suddenly sounded, with a hint of anxiety and determination.

She quickly formed seals with her hands in the air and muttered something, as if summoning some mysterious power.

"The sky and the earth are boundless, the universe borrows the law, the rain of blessings comes to the world, and all things revive!"

With Hua Yueying's loud shout, the sky was suddenly covered with dark clouds, and then countless crystal water drops fell from the sky, as if the rain of blessings fell from the sky.

These drops of water are not ordinary water, but spiritual rain that contains powerful vitality.

Chen Ping, Xuan Bin and others were enveloped by this spiritual rain, and they suddenly felt a coolness all over their bodies, as if countless tiny lives were wandering in their bodies, repairing their injuries.

Chen Ping's originally pale face quickly turned rosy again, and the injuries in his body were healing at a speed visible to the naked eye.

"Is this... the rain of life?"

The Tenth Palace Lord frowned, a hint of surprise flashed in his eyes.

He didn't expect Hua Yueying to be able to summon such a powerful healing formation, which shocked him.

Even Chen Ping was shocked when he looked at Hua Yueying. It turned out that Hua Yueying knew this kind of healing formation.

Although Chen Ping had learned many formation techniques, he had never learned this kind of healing formation, and he seemed to have never heard of such a formation.

At this moment, Chen Ping was very interested in Hua Yueying's true identity!

"Hmph, so what even if you recover? I can still knock you down one by one!"

The Tenth Palace Lord sneered, his figure flashed again, and rushed towards Chen Ping's other clone.

However, this time, Chen Ping did not passively take the beating.

A gleam of light flashed in his eyes, and the Dragon-Slaying Sword in his hand was swung out suddenly. The sword light was like a rainbow, and it went straight to the Tenth Palace Master.

"Combine!"

With Chen Ping's low shout, the remaining clones instantly merged into one, turning into a huge sword shadow, slashing towards the Ten Palace Lords.

The power of this sword was stronger than any previous one, as if it could tear the heaven and earth apart.

The Tenth Palace Master's face changed and he hurriedly punched to block, however, the power of this sword was far beyond his imagination.

His fist collided with the sword shadow and was instantly defeated, but the sword shadow continued to exert its force and went straight to his chest.

“Boom!”

The Tenth Palace Master was knocked back dozens of feet by this sword. A deep sword mark appeared on his chest and blood kept gushing out.

His face turned extremely ugly. He obviously didn't expect that Chen Ping could burst out such powerful power after recovering from his injuries.

Chapter: 7898

“Miss Flower, thank you.”

Chen Ping looked at Hua Yueying, before he could say thank you, he saw Hua Yueying's body falling rapidly towards the ground, the whole person aging as visible to the naked eye!

“Miss Flower”

Chen Ping was shocked, his body instantly disappeared, and then he hugged Hua Yueying!

Only to see that Hua Yueying's face was pale and her breath was extremely weak!

"Mr. Chen, I can't help you from now on, you have to rely on yourself, I've worked so hard, can you give me more Immortal Spirit Stones?"

Hua Yueying opened her eyes and squeezed out a smile!

"Don't worry, I'll give you 100,000, 200,000 Immortal Spirit Stones, I will definitely help you break through the peak of the Mahayana and enter the Immortalization Realm!"

Chen Ping said with a serious face!

"That's good, it's not in vain for me to consume half of my life's cultivation to spread this sweet rain descending into the world!"

Flower Moon Shadow smiled, the reason why she did this was because she was gambling, but now she was right!

"Who is the one who fights here, and also spreads this sweet rain to descend to the world?"

At this moment, a pillar of light suddenly fell above the heads of the people, followed by the appearance of an old man, who was dressed in a purple Taoist robe, with a Taoist crown on his head, and a black Xuan Iron sword in his hand!

The old man was dressed in purple, wearing a Taoist crown, and holding a black Xuan iron sword!

As soon as the old man appeared, the original spatial arrays laid down by Chen Ping were instantly shattered, and Qian Lao's Great Dao Deduction Technique was also restored in this instant!

Looking at the sudden appearance of the old man, all of them were stunned and puzzled!

Lin Kefan, on the other hand, brightened up and hurriedly stepped forward, "Uncle Northern Domain Master"

The old man sized up Lin Kefan and frowned slightly, "And you are?"

"Uncle Northern Domain Lord, my name is Lin Kefan, the fourth prince of Sun Moon City!" Lin Kefan hurriedly introduced himself!

"Oh, so it's Fellow Daoist Lin's son, no wonder he looks somewhat familiar."

"How has your father been doing lately, it's been a while since we got together with him!"

Upon hearing this, the Northern Domain Lord revealed a hint of a smile and asked!

"My father is quite well, uncle can go to Sun Moon City to look for him when he has time." Lin Kefan said!

"Why are you fighting in my north domain, destroying my peaks, disturbing my cultivation?"

Chapter: 7899

The Northern Domain Lord asked!

“Uncle, it was these people who wanted to kill us, we had no choice but to fight back, they relied on the strong to bully the weak, so shameless, I hope uncle can do justice!”

Lin Kefan said with an aggrieved face!

Ten Palace Lord heard, angry face is red!

What’s the point of having a face?

Obviously, he was chased into the house and beaten by others!

Now they have become victims!

Is there any room for reasoning here?

The North Domain Lord swept a glance at the ten hall masters, but did not say anything, but looked at Chen Ping in the arms of Hua Yueying, and then took out a pill into the mouth of Hua Yueying!

Flower Moon Shadow recovered with the naked eye, and then broke away from Chen Ping’s embrace with a slightly reddened face!

“Thank you, Lord North Domain Master”

Flower Moon Shadow hurriedly thanked him!

“Do not thank me first, what is your name? Why will the sweet rain descend?”

North Domain Lord asked with a grave expression!

“My name is Flower Moon Shadow, this sweet rain descending is my mother’s absolute skill

Flower Moon Shadow said!

Hearing this, the Northern Domain Lord obviously became agitated, stepped forward and grabbed Hua Yueying’s shoulder and said, “Is your mother’s name Hua Liandie?”

“How does Lord Domain Master know my mother’s name?”

Hua Yueying asked in surprise!

“How is your mother? Is she doing well?” The Northern Domain Lord asked excitedly!

“My mother she, she has already passed away, because the heart demon disturbed, in the cultivation of the time to be devoured.”

Hua Yueying said with moist eyes!

“What?” North domain master full face of surprise, the body can not stop trembling: “It is me, it is me who harmed her ah

Chen Ping saw here, instantly understood, this north domain master followed the flower moon shadow’s mother must have a leg!

Chapter: 7900

Maybe the two were first lovers and separated for various reasons!

Flower Moon Shadow's mother can not forget for a long time, so there is a demon in the heart, resulting in the death of the cultivation backlash!

This kind of bloodshed drama, Chen Ping in the secular world, see too much!

Maybe this Flower Moon Shadow is also the daughter of the Northern Domain Lord!

Just when Chen Ping was thinking, the Northern Domain Lord really forced out a drop of blood, and then gently painted on the forehead of the Flower Moon Shadow!

Accompanied by a flash of red light, that essence blood was actually absorbed by Flower Moon Shadow!

"Daughter, you are my daughter"

The Northern Domain Lord hugged Hua Yueying and cried bitterly!

Hua Yueying was a bit confused, because she had never seen her father before, nor did she know who he was!

However, that essence blood was absorbed by himself, and Flower Moon Shadow knew that this Northern Domain Lord was his father!

“What’s going on here? What the hell is going on here?”

Hua Yueying asked in a confused manner!

“It’s a long story, let’s not talk about it, I’ll explain it to you later!”

“Tell daddy, who bullied you?”

North Domain Lord asked as he looked at Hua Yue Ying!

“It’s him” Hua Yue Ying said as he pointed at the Ten Palace Lord!

The Tenth Palace Lord swallowed his saliva, wanting to scold, obviously it was you guys who found your way to the doorstep and bullied me, now it’s me who’s bullying you guys!

The Northern Domain Lord looked coldly at the Ten Temple Lord, his brows frowning slightly, “Divine Race?”

“Yes, we are from the Divine Hall.”

The Ten Temple Lord nodded!

The Northern Domain Lord turned his head to look at Hua Yueying, “Child, how did you provoke those guys from the Divine Hall in the Divine Race?”

“They wanted to kill Mr. Chen, and all of me stepped in to help!”

Flower Moon Shadow said as she pointed at Chen Ping!

“Is this the kid who hugged you?”
