

The Order 7901

Chapter: 7901

The Northern Domain Lord looked at Chen Ping and sized him up carefully!

A few moments later, the Northern Domain Lord suddenly smiled, "My daughter's vision is not bad, although this kid's realm is not great, but he has strength and background, if my guess is good, the person who scared that Western Domain Lord away is your backer, right?"

Chen Ping froze, then slightly embarrassed: "I do not know why senior know."

At that time, Mr. Shi gave a look that scared away that Western Domain Lord, but not many people knew about it, and the Northern Domain Lord was no longer!

"Of course I know, the western domain master scared to pee all the way, that embarrassing appearance was I saw." The Northern Domain Lord smiled slightly, "Since you have a backer, why are you still being hunted down?"

"I have a backer, but I can't always use it, Mr. Shi told me to practice more on my own, otherwise it's hard to grow."

Chen Ping explained!

"Not bad, ambitious, my daughter did not find the wrong person!" The Northern Domain Lord nodded, very satisfied!

Then he looked at the Ten Temples Lord and said, "Are you going to kill yourself, or are you going to let me do it?"

"I'm a member of the Divine Hall, aren't you afraid of our Divine Hall as a small Domain Lord?"

The Tenth Hall Master asked with a slight frown!

“Fear!” The Northern Domain Lord said!

“Since you’re afraid, how dare you move against me?” The Ten Halls Lord had a puzzled look on his face!

“I’m afraid of the Divine Hall, but not you, you’re nothing in the Divine Hall, the smallest of the Ten Hall Lords, you really think you’re a dish!”

“If I kill you, the Divine Hall may not bother me either, the big deal is to send someone else to be the 10th Lord.”

“What’s more, now that the Heaven and Earth Grand Array is enveloping the Celestial Realm, can those powerful people from your Divine Hall come to the Celestial Realm?”

The Northern Domain Lord snorted coldly!

Just as his words fell, he violently raised his right hand, followed by a terrifying pressure towards the Ten Temple Lords!

Boom!

The 10th Palace Lord’s eyes narrowed violently, wanting to raise his hand to counterattack, but realized that the void around him even seemed to have been stopped, and he himself was confined within it!

At this moment, the Ten Hall Master’s face revealed a look of panic!

Seeing this, Chen Ping did not hesitate to swing his Zhan Long Sword up!

He wanted to take advantage of this opportunity to abolish the Ten Hall Master. Although he promised Yun Li not to kill the Ten Hall Master, he didn't say that he couldn't be abolished!

As long as the 10th Hall Master is abolished, he will not pose any threat to himself!

Chapter: 7902

Seeing Chen Ping killing, the pupils of the 10th Hall Master shrunk, and suddenly shouted angrily, accompanied by a beast-like roar, the 10th Hall Master's body erupted with a terrifying impact, and the powerful force caused the frozen space around him to be shattered in an instant!

A...!

The 10th Hall Master looked at Chen Ping, who was close to his eyes, and raised his arm to block, making a crisp sound!

The Ten Temple Master's arm was cut out of white bone!

At that moment, a force attacked, and Chen Ping's body was instantly knocked back a hundred feet!

"Do you think I have no one in the Ten Temples?"

Qian Lao said with a very ugly face!

Seeing Qian Lao, Chen Ping frowned, this guy can deduce the Heavenly Dao is a bit troublesome!

Only saw the dry old man's body slightly shaking, instantly disappeared, and then appeared in front of Chen Ping!

Chen Ping saw the situation sweat hairs exploded, this fucking also too fast!

Just when Chen Ping had not reacted, suddenly a figure blocked the dry old man!

Boom!

Accompanied by a loud bang, the dry old man's body retreated back!

"Northern Domain Master, do you really want to meddle?"

Qian Lao asked in a cold voice!

"This is my own business, how can it be considered meddling?"

The Northern Domain Lord said with a faint smile!

"You have to know that our Divine Hall's power spreads throughout the cosmic stars and rivers, and there is also our Divine Hall's power in the Heavenly Realm, so you really want to go against our Divine Hall."

"After you ascend to the Heavenly Realm, you'll be nothing but ants in front of our Divine Hall, and we can trample you to death as much as we want!"

Elder Qian threatened the Northern Domain Lord!

“I still don’t know whether I can fly to the Heavenly Realm or not, even if I reach the Heavenly Realm, I have my Auntie to cover me, what am I afraid of?”

The North Domain Lord glanced at Chen Ping and said with a smug look on his face!

Chen Ping was speechless for a while, what’s this with what ah, just call your aunt grandfather!

I was just a flower moon shadow safety, and then went up to hold the flower moon shadow, how this became a pair!

Chapter: 7903

Hua Yueying is also blushing, hurriedly said: “I and Mr. Chen just cooperation, he contributed money I contributed, that’s all”.

“If you just employment relationship, then this trip not to trip the muddy water, that the temple is not good to mess with, I will now take you away!”

“You need what resources, as far as possible with me, I give you is it!”

The Northern Domain Lord said, and was about to pull Flower Moon Shadow away!

“Fuck”

When Chen Ping saw this, he was speechless, isn't this coercion?

Flower Moon Shadow was also stunned, hurried to break away from the Northern Domain Lord: "I I"

"Senior, although we are employment relationship, but just now I hugged the flower girl, is also considered to have a skin kiss."

"If Miss Flower doesn't give up and is willing to follow me, I don't mind"

Chen Ping can't let the Northern Domain Lord go, anyway, he has many women already, one more is not more, one less is not less!

"Brother-in-law, you say this, you are willing, my sister how to do?"

"But you are Wuji Taoist chief personally matchmaking, and both sides agreed, you can not like the old and the new ah?"

Lin Kefan was reluctant and walked over with an angry face!

"Fourth brother-in-law, I now have many girlfriends around, there are many already have a husband and wife reality, these TingYi know, she will not care!"

Chen Ping hurriedly followed Lin Kefan truthfully said!

"You have many women?" Lin Kefan looked at Chen Ping, his eyes full of envy!

“It’s normal for a man to have three wives and four concubines, like his status background, even if he has a few more, it doesn’t matter.”

“How many women do you have now, counting my daughter?”

The Northern Domain Lord asked!

Chen Ping pondered and started counting with his fingers!

Lin Kefan, the Northern Domain Lord, and the others were confused at the sight!

“Brother-in-law, what are you doing? How many women do you have?”

Lin Kefan asked in surprise!

“More than ten? More than twenty? I can’t count them myself”

Chapter: 7904

Chen Ping said in a slightly embarrassed manner!

There were some women who just slept around and parted ways, and Chen Ping didn’t even have much of an impression of them!

Like the Ji family’s Ji Meiyuan, Ji Meiling the two sisters, Chen Ping also slept with, at that time, but also want Chen Ping blood only!

This kind of, is not counted as their own women, Chen Ping is not clear!

Look at Chen Ping such a son, Lin Kefan and others want to beat him!

How many men can't find a dual-cultivation partner, but Chen Ping, this guy, even has dozens of them?

"Hahaha, it's really extraordinary, you kid has skills."

The Northern Domain Lord laughed out loud, then looked at that Qian Lao: "Old thing, now it's my family's business, if you dare to make a move on my auntie, be careful I'll get you killed"

"Good, since you want to trip this trip muddy water, then I God Temple to accompany to the end!"

Qian Lao's eyes were slightly condensed, and the aura within his body was climbing!

The Northern Domain Lord didn't waste any words and directly waved his big hand, a white light went directly towards Qian Lao!

"Come on!" Qian Lao also instantly transformed into a stream of light and rushed towards the Northern Domain Lord!

Seeing this, the Northern Domain Lord smiled coldly and directly tore through space and time, leading the Qian Lao far away from this area: "If you want to fight, go to someone else's site, don't mess up my site!"

The dry old man did not expect the Northern Domain Lord to come up with such a trick, wanting to retreat back, but it was already too late!

The Northern Domain Lord and the old man Qian had gone to fight somewhere else!

As he watched the dry old man being taken away, the Ten Temples Lord's face looked even worse than eating shit!

Now the Ten Temples were relying on Old Man Qian to hold them together, and now that Old Man Qian had been taken away, the people of the Ten Temples were all dead or injured!

Relying on himself, there is no way to follow Chen Ping so many people to fight!

Especially with Hua Yueying around, this guy's Ganlin Descent is too perverse!

"Huo Qing, when will the person you're looking for arrive?"

The Tenth Hall Master asked Huo Qing!

Now we can only hope that the person Huo Qing is looking for will find his way here sooner!

"I'm not sure, maybe they arrived at the Ten Temples a long time ago and we just left!"

Huo Qing shook his head!

Chapter: 7905

When the Lord of the Ten Temples heard this, he looked at Chen Ping angrily, it was all because of this guy's deception, tricking them all out of the Ten Temples!

"Fourth uncle, you guys fight quickly, quickly solve the other people in the Ten Temples, the Ten Temples Lord will leave it to me!"

"Miss Flower, you use your array to assist me"

After Chen Ping finished speaking, his body instantly transformed into a sword light and attacked towards the Tenth Hall Lord!

The Tenth Hall Master clenched his teeth, his eyes flashed with a flash of grimace, and then he also went towards Chen Ping!

The two of them were just hard hitting!

Boom!

The two were separated by a single touch!

Chen Ping was shocked back and forth, his body's qi and blood surging, the Ten Hall Master was no better, his body fell back, his face pale!

Hua Yueying then instantly hit a soft light, enveloped in Chen Ping's body, making Chen Ping's body and mind relaxed, quickly recovered!

But the Ten Hall Masters had no one to help, every bit of consumption was a huge challenge at the moment!

“I will see how long you can still consume”

Chen Ping smiled coldly, the Zhan Long Sword in his hand pointed at the Ten Hall Master.

The Tenth Hall Master’s brows were tightly locked as he struggled to regulate the power within his body!

Just at this time, suddenly the world changed drastically!

Boom!

In mid-air, a crack was torn open and more than a dozen terrifying auras swept in!

“Hahaha, our reinforcements have arrived”

Ten Palace Lord saw the situation, suddenly excitedly laughed!

See, the first is two people, one of the white bearded old man, there is a middle-aged man, a brocade robe, long hair flowing, holding a long gun, gun head black as ink.

“Butler Lu, big brother”

Huo Qing shouted when he saw the old man!

The old man then casually waved his hand, and a huge force directly knocked back Cang Yue, who was following Huo Qing in the fight!

Seeing the person, Chen Ping and the others all became extremely grave!

Chapter: 7906

Because in front of this old and young aura, actually exceeded the ten hall master!

What's more, these people also followed by more than ten cultivators!

“Miss Flower, deploy a formation to block, the others run with me”

Chen Ping immediately asked Flower Moon Shadow to set up a formation to block these people so that they would have time to escape!

In this situation, there was no other way but to run away!

Flower Moon Shadow immediately struck a formation, like a silk net of light, forming a barrier between Chen Ping and the Ten Hall Masters and the others!

Taking this opportunity, Chen Ping and the others turned around and ran!

“Let's go to Sun Moon City”

Lin Kefan said!

“Go to Xiao Dynasty”

Chen Ping yelled, sending the crowd in the direction of Xiao Dynasty!

Chen Ping didn't want to lead these people to Sun Moon City, once they fought in Sun Moon City, even if Sun Moon City could win, it was estimated that a lot of people would die!

Xiao Dynasty is different, Xiao Dynasty is covered by Mr. Shi's fortune, no one dares to act recklessly in Xiao Dynasty!

If these guys dare to go to Xiao Dynasty, they may provoke Mr. Shi to come out!

If Mr. Shi comes, then these people can only wait for death!

Chen Ping has another plan to go to Xiao Dynasty, that is Yun Li!

Yun Li is also in Xiao Dynasty, if the ten hall masters chase to Xiao Dynasty, really in the moment of crisis, Chen Ping can let Yun Li stand out!

"Still want to escape, what a dream!"

The Tenth Hall Lord snorted coldly and directly disappeared in place, instantly breaking through the barrier laid down by Flower Moon Shadow!

Chen Ping frowned, holding his Zhan Long Sword, he violently turned around and slashed.

Boom!

Chen Ping instantly fell back a thousand feet, and the Ten Hall Master's figure also stopped!

Chen Ping is giving other people to delay, regardless of Xuan Bin and other people are not for the immortal soul stone to help themselves, Chen Ping this moment can not let them be in danger!

After stopping the ten hall master's figure, Chen Ping turned around and continued to escape, his body a trail of blood, shocking to the eye!

Chapter: 7907

The eyes of the Tenth Hall Master stared, waving his hand and saying, "Chase"

Huo Qing and others led the Huo family to chase after Chen Ping!

Chen Ping escaped while constantly laying down illusionary formations, because of the hasty laying down of formations, these illusionary formations are not perfect, but Chen Ping does not have time to lay down perfect formations!

Now can withstand a minute is a minute, as long as they can escape to the Xiao Dynasty on the line!

In the void of the celestial realm, a few rays of light like meteors, passing in an instant!

They were followed by more than ten rays of light!

At this moment, all of them increased their speed to the extreme, and no one was skimping on the spiritual energy within their bodies!

Soon, Chen Ping was able to see the imperial city of Xiao Dynasty, and only then did he heaved a sigh of relief!

“Quickly, enter the realm of Xiao Dynasty!”

Chen Ping told Lin Kefan to rush into Xiao Dynasty!

The Ten Palace Masters lead the people to chase after them until they reach the vicinity of Xiao Dynasty, then Huo Qing stops the people!

“Butler Lu, Big Brother, the Xiao Dynasty is just ahead, be careful!”

Huo Qing said to the butler and his big brother!

“What is the Xiao Dynasty? Is it powerful? Do you still need to be careful?”

Huo Ming asks!

“We’d better catch up, the powers of the major domains in this Celestial Realm are all trash, the true experts have long since gone into seclusion and cultivation!”

The Ten Halls Lord urged!

Huo Qing just glanced at that Ten Halls Lord and ignored him!

Now that the people of the Ten Temples were dead or injured, the Ten Temples Lord was on the verge of becoming a bare-bones commander!

Huo Qing despised the Ten Halls Lord even more, and if it wasn't for Elder Qian's intervention, Huo Qing wouldn't have cared about the Ten Halls Lord's death or life!

Now that they are all members of their Huo family, he can ignore the Ten Hall Master!

"Big brother, you don't know, this Xiao Dynasty has had its chi added by an expert, so if you start a fight within the realm of this Xiao Dynasty, you're afraid you'll be doomed."

Huo Qing follows Huo Ming and says!

"An expert? How powerful?" Huo Ming asks!

Chapter: 7908

"Killing people and being able to revive them"

Huo Qing said!

As soon as the Ten Hall Master heard this, he immediately understood who this Huo Qing was talking about!

In the beginning, it was Luo Ta who was killed and then resurrected!

"Oh, there are still such experts in the Celestial Realm?" Huo Ming stared blankly!

That Butler Lu also frowned and said, "Young Master, I'm afraid that even an Immortal can't perform such a means of killing and resurrecting, how could there be such a character in the Celestial Realm?"

"Indeed there is, the people of the Ten Temples have fought before!" Huo Qing said!

"Young master, have you ever fought with this expert?" Butler Lu asked!

Huo Qing shook his head!

"Brother, then you've seen this expert strike?" Huo Ming asked!

Huo Qing still shook his head!

"Brother, when did you become so timid? No matter what kind of expert he is, I'll meet him today."

Huo Ming's pistol in his hand swung, and the entire void trembled!

"Big brother, this"

Huo Qing was still trying to persuade him, but then he saw Huo Ming directly leading people to rush into the realm of Xiao Dynasty!

Huo Qing wanted to chase after them, but he was still a bit scared inside!

"Second young master, you wait again, I'll go watch over the eldest young master."

Butler Lu also rushes into the Xiao Dynasty realm!

The 10th temple master is watching, but he hasn't entered even after several attempts, and Huo Qing's words just now have made him wary in his heart!

As the saying goes, ignorance is fearless. This Huo Ming and Butler Lu simply don't believe that there are still such powerful cultivators in the Celestial Realm!

Inside the Xiao Dynasty!

Chen Ping brought Lin Kefan and the others to the Imperial City!

Xiao Yuanshan was shocked to see Chen Ping and the others coming with many wounds!

To be able to beat Chen Ping and his fellow cultivators who were at the ninth peak of the Mahayana realm like this, the strength of the other party must be very terrifying!

Chapter: 7909

However, fortunately, Xiao Dynasty was covered by Mr. Shi's fortune, even the most powerful cultivators did not dare to act recklessly in Xiao Dynasty!

"Everyone recover as soon as possible, I guess the people from the Ten Temples won't dare to enter Xiao Dynasty!"

Chen Ping told everyone to recover their strength quickly!

It was indeed a great exertion to run away this way!

“Emperor Xiao, someone is intruding

Just as Chen Ping’s words had just fallen, someone immediately shouted!

Chen Ping rushed out of the hall and looked up to find that the people from the Ten Temples had indeed chased after them!

A dozen or so strong people, the pressure makes the people of Xiao Dynasty can not hold up their heads!

Huo Ming points his spear in his hand, and the entire void becomes distorted, an invisible pressure spreads over the heads of the people, making them gasp for air!

“Why are there so many powerful people in the Ten Temples?” Lin Kefan said with a frown!

He had killed so many people from the Ten Temples, but now the Ten Temples still had so many strong people, so it seemed that the strength of the Ten Temples wasn’t any worse than Sun Moon City!

“These are not people from the Ten Temples

At this moment, Yun Li appeared behind the crowd at an unknown time!

“Not from the Ten Temples?” Chen Ping was surprised!

“These are all Huo family members, must be that Huo Qing called, the strength of the Ten Temples is not so strong!”

Yun Li as the son of the ten hall master, of course, know how much the real strength of the ten halls!

“This Huo family seems to be not simple ah!”

Xuan Bin exclaimed!

Chen Ping stared at Huo Ming and the others with a calm expression!

Having arrived here, Chen Ping was not afraid of anything, even if an Immortal came, it was estimated that Mr. Shi would be able to slap him to death!

“I heard that there is a high person covering this place, where is that high person?”

Huo Ming looked at Chen Ping and asked!

“Just like you don’t deserve Mr. Shi’s hand, if not for the fact that I’ve already had a vicious battle, I could have beaten two of you with your strength!”

Chen Ping coldly snorted!

Huo Ming froze, then laughed, “You’re not ashamed to say that, a mere second rank of the Mahayana realm, and you dare to say such things, I don’t think you really have any other abilities besides bragging.”

“There is no other ability, tried to know, you come over ah “ Chen Ping towards Huo Ming beckoned!

“You think I don’t dare?”

Huo Ming said, a step out, hand in the long gun toward Chen Ping a finger!

With this finger, a destructive force went straight towards Chen Ping!

Huo Ming made a move!

Seeing Huo Ming strike, Chen Ping did not panic in the slightest and did not even dodge!

“Die

Chen Ping faintly uttered a word!

Suddenly, a white light descended from the sky, instantly penetrating that Huo Ming’s body!

This scene caused Butler Lu and the others to instantly freeze!

Huo Ming’s eyes were wide open, looking at his pierced body in disbelief!

Chapter: 7910

“This...how is this possible?”

Huo Ming couldn't believe it was true!

"The eldest son..." Steward Lu looked blankly, only daring to shout loudly, not daring to move!

Where did that white light come from?

I didn't see it clearly, and no one knew it!

Chen Ping looked at Huo Ming who was pierced coldly and said, "I warned you, but you didn't listen..."

Hua Yueying and Cang Yue looked at Chen Ping, their eyes widened, their faces full of surprise!

"Damn it, is Mr. Chen so awesome?"

"It's really a man of God..."

These two guys didn't know that the Xiao Dynasty was blessed by Mr. Shi!

Xuan Bin and Zhou Tang smiled faintly. The two of them had been in the Xiao Dynasty for many days, knowing that they could not use force in the Xiao Dynasty!

"What is this? Even if the immortals come to my Xiao Dynasty, they must be honest, otherwise they will be beheaded..."

Xiao Yuanshan said with great pride at this moment!

As Emperor Xiao, his Xiao Dynasty is a pure land in the world of heaven and man. Whoever dares to be dishonest in the Xiao Dynasty will be unlucky!

Xiao Yuanshan's words shocked Hua Yueying and others even more!

The immortals are all cut, this Xiao Dynasty is too awesome!

"Is this what the expert behind you does?" Huo Ming looked at Chen Ping and asked!

"No!" Chen Ping shook his head!

"Isn't it?" Huo Ming frowned.

"If Mr. Shi had done it himself, you would have been wiped out a long time ago. This is just a piece of luck left by Mr. Shi!"

Chen Ping said truthfully!

"It's amazing..." Huo Ming had to admit at this moment that the expert behind Chen Ping was very powerful.

"We will leave, and we will never make it difficult for you in the future..."

Huo Ming no longer had the ambition at the beginning, he just wanted to leave here at this moment!
