

The Order 791

Chapter: 791

Seeing this, Chen Ping wanted to inject some spiritual power into Shen Dianshan, but Shen Dianshan waved his hand to stop him: “Mr. Chen, there’s no need to waste your efforts. It’s useless. I can live for five days at most. I just hope Mr. Chen can destroy Xuanyue Valley and save my daughter’s life!”

“Don’t worry, Master Shen, I will definitely destroy Xuanyue Valley!” Chen Ping said firmly!

Shen Dianshan smiled happily. After chatting with Chen Ping for a while, Bai Zhantang and Shen Mengchen came back. Seeing Shen Dianshan’s face was not good, Shen Mengchen hurriedly asked: “Dad, what’s wrong with you?”

“It’s okay!” Shen Dianshan smiled slightly.

“Master Shen, we won’t disturb you!”

Chen Ping followed Shen Dianshan and said goodbye.

“Okay!” Shen Dianshan nodded.

“Senior, I will drive to pick you up tomorrow and let’s go to Xuanyue Valley together!” Shen Mengchen happily followed Bai Zhantang and said.

Bai Zhantang smiled and nodded, and then left with Chen Ping!

Early the next morning!

Shen Mengchen drove directly to the hotel, preparing to take Bai Zhantang and Chen Ping to Xuanyue Valley Resort!

And Xu Shimao and his team were all ready to go to Xuanyue Valley to investigate!

Seeing Shen Mengchen driving over to pick up Bai Zhantang and Chen Ping, Xu Shimaο said coldly: “You can go sightseeing, but don’t hinder us from carrying out official duties. Besides, if you are in danger, I don’t have time to save you!”

“How can you talk like this?” Shen Mengchen couldn’t stand it, and said to Xu Shimaο: “I think you are still going to suffer a bloody disaster today, so you should just stay in the hotel!”

“Say one more thing...”

Xu Shimaο was angry and there was a car accident on the road. Xu Shimaο was already resentful and thought that Shen Mengchen cursed him. Now Shen Mengchen actually blamed him, how could Xu Shimaο endure it!

“I kindly remind you that since you don’t believe it, forget it!”

Shen Mengchen rolled his eyes, then looked at Bai Zhantang with a smile on his face: “Senior, let’s get in the car!”

Bai Zhantang glanced at Chen Ping, then got into the passenger seat, while Chen Ping sat in the back seat!

Shen Mengchen stepped on the accelerator and the car sped out!

“Hmph, I really don’t know why the pavilion master asked me to bring two young men here...”

Xu Shimaο murmured, and took the others into the car and headed towards Xuanyue Valley Resort!

Xuanyue Valley Resort is located southwest of Baihai City, only more than a hundred miles away. Because of the large scale of the resort, there are many tourists. This is also an important source of income for Xuanyue Valley!

You must know that there are many members in Xuanyue Valley, and it is a big expense to maintain it. This resort can just support Xuanyue Valley's expenses, especially the purchase of medicinal herbs!

Chapter: 792

After arriving at the place, Shen Mengchen was like a wild horse running wild, looking around happily.

"Senior, let's go to the temple to meet the divination master. I want to see if this guy is really talented or a liar..."

Shen Mengchen pulled Bai Zhantang and said.

Bai Zhantang didn't dare to make the decision. He could only look at Chen Ping with questioning eyes. When Chen Ping nodded, Bai Zhantang agreed!

Chen Ping did not follow him, but walked towards the depths of Xuanyue Valley.

The temple was not large, but it was packed with people, all of whom were looking for the master to divine fortune. Shen Mengchen pulled Bai Zhantang and squeezed in as hard as he could!

"Why are you so crowded? Don't you know how to queue?"

A man with a fierce face shouted at Shen Mengchen!

But as soon as he finished speaking, the man was pulled away by someone beside him: "You are looking for death, that is the eldest lady of the Shen family!"

Soon, everyone gave way to Shen Mengchen. It seemed that the Shen family was still very famous in Baihai City!

In the temple lobby, a master wearing a monk's robe and sitting cross-legged raised his eyes and glanced at Shen Mengchen, then slowly lowered his head again!

“Master, how much does it cost for a hexagram? I beg for a hexagram...”

Shen Mengchen asked the master.

“Miss Shen is joking, you Shen family are so good at fortune-telling, how come you still need me to do divination!”

The master said with a faint smile!

“Physiognomy is physiognomy, and divination is divination. How can it be the same? I came here specifically to ask you to divine today. I want to see if what you said is right!”

Shen Mengchen said with a playful expression.

“In that case, let’s ask Miss Shen to cast lots!” The master handed Shen Mengchen a bamboo tube with many bamboo sticks in it!

Shen Mengchen took the bamboo tube and shook it hard, and soon a bamboo stick fell to the ground!

The master picked up the bamboo stick, looked at it, and smiled faintly: “Miss Shen has been in trouble recently, and your father may not be alive soon!”

As soon as the master finished speaking, Shen Mengchen’s face suddenly became extremely ugly: “What did you say? Do you believe that I smashed your ruined temple?”

“Hahaha, if you believe it, there is something, if you don’t believe it, there is nothing. I just follow the hexagrams on the bamboo stick. Why should Miss Shen be angry? If you don’t believe it, I can explain it to you slowly!”

After the master finished speaking, he looked at the disciples on both sides and said, “Kick everyone else out. That’s it for today!”

The two disciples hurriedly drove away the people in line and then closed the door of the lobby!

Chapter: 793

Bai Zhantang frowned slightly and looked at the master, his expression slightly nervous!

“Senior sister, let’s go, this thing is just a lie!”

Bai Zhantang said to Shen Mengchen.

“Senior, if this guy doesn’t explain clearly today, I will tear down his ruined temple. How dare he curse my father to death!”

Shen Mengchen, with an angry look on his face, squatted down and said to the master: “Explain it to me. If the explanation is not clear, you know the consequences!”

“Miss Shen, your unthinkable disaster has now arrived!”

The master looked at Shen Mengchen and suddenly smiled sinisterly!

“What do you mean?” Shen Mengchen was stunned!

But before Shen Mengchen could react, the master slapped Shen Mengchen with his palm!

Shen Mengchen was startled and had no time to react, but Bai Zhantang on the side had already prepared and kicked out the master. He kicked the master on the wrist and pulled Shen Mengchen up: “Sister, let’s go. ...”

Shen Mengchen was so frightened that she didn’t expect that this master would dare to attack her. After all, the Shen family in Baihai City had only one hand to cover the sky, and there were still people who dared to attack her!

“Now that you’re here, don’t even think about leaving...”

The master smiled coldly, suddenly rose into the air, and slapped Bai Zhantang with one palm!

Bai Zhantang tried his best to resist, but he still flew out and fell heavily against the wall!

“Senior.....”

Shen Mengchen hurried over and shouted with worry on his face.

The master walked towards Shen Mengchen with a sneer on his face. Shen Mengchen looked at the master in horror: “What are you going to do? My dad is Shen Dianshan. If you dare to touch me, he will not let you go... ..”

“Hahaha, if you weren’t Shen Dianshan’s daughter, I wouldn’t be able to touch you today. As long as I catch you, Shen Dianshan won’t be obedient...”

With a sinister smile on his face, the master stretched out his hand to grab Shen Mengchen!

Bang...

Suddenly there was a loud noise, and the door to the lobby was pushed open by someone, and Xu Shimao rushed in with someone!

Seeing the scene in front of him, Xu Shimao glared at the master and said: “You guy, pretending to be sanctimonious, but secretly doing things that are worse than a pig or a dog, I will bring you to justice today!”

“People from the Dharma Protector Pavilion in Kyoto, you are here after all...”

The master seemed not surprised by Xu Shimao’s appearance.

Chapter: 794

“Since you know my identity and you won’t arrest me without mercy, do you want me to take action?” Xu Shimao shouted angrily!

“Capture them without mercy?” The master smiled coldly: “No one who came today can even think of leaving!”

As soon as he finished speaking, a dozen people suddenly poured out from the back of the lobby. All of them had extraordinary skills. It looked like they had been ambushing behind them for a long time!

When Xu Shimao saw this, his expression suddenly turned ugly!

“Do you really think my divination is a trick? I had expected you to come!”

The master said with a proud face!

“Do it...”

Xu Shimao roared and attacked the master directly!

The master’s face also darkened: “Kill all the people in the Dharma Protector Pavilion and arrest the man and woman. The eldest young master of the Bai family and the eldest daughter of the Shen family are really good bargaining chips...”

It seems that they have known the identities of Bai Zhantang and Shen Mengchen for a long time!

Grandmaster Xu Shimao’s strength was so great that he was unable to gain the upper hand in a duel with that master. His subordinates also resisted vigorously and were no match at all. They soon suffered casualties!

“Who are you?” Xu Shimao became more and more frightened.

“Hahaha, as someone who misses you and is about to die, it doesn’t matter if I tell you that I am the third elder of Xuanyue Valley. The girls who have disappeared recently are all my fault. What can you do to me?”

The third elder laughed arrogantly!

Xu Shimao’s face was extremely cold. He did not expect that the third elder of Xuanyue Valley would actually act as a divination master in the temple, and the strength of Xuanyue Valley seemed to exceed the expectations of the Dharma Protector Pavilion!

An elder is stronger than himself. Even if Xu Shimao has the ability to reach the sky, it is impossible to destroy Xuanyue Valley. You must know that Xuanyue Valley has four elders, and the strength of the valley owner is even more unpredictable!

Xu Shimao was a little confused as to why Zhao Wuji sent him to investigate and exterminate Xuanyue Valley. It was impossible for him to complete the task with his skills!

In fact, Xu Shimao didn’t know that Zhao Wuji didn’t expect him to personally destroy Xuanyue Valley. He expected Chen Ping to take action. As long as Chen Ping takes action, Xuanyue Valley will be destroyed!

But now that the matter has come to this, Xu Shimao can only grit his teeth and carry it on, exerting all his strength to the extreme, fighting with the three elders!

But no matter how hard Xu Shimao tried, he still came up short!

Bang.....

The third elder punched Xu Shimao hard on the chest. Xu Shimao flew out and hit the window hard, smashing the entire window into pieces!

A mouthful of blood spurted out, Xu Shimao wanted to get up, but he tried several times without success, and the men he brought with him were also dead and wounded!

“I admire your Dharma Protector Pavilion for actually sending only one Grand Master to challenge our Xuanyue Valley. Do you really think you don’t take our Xuanyue Valley seriously?”

Chapter: 795

The third elder walked up to Xu Shimao and stepped on Xu Shimao’s chest with one foot!

“Kill if you want, what nonsense!”

Although Xu Shimao was defeated, there was no trace of panic in his eyes, and he said with a ferocious expression!

“I heard that the Dharma Protectors are all heroes, and they are indeed well-deserved, but I will not let you die happily...”

The third elder smiled coldly and stepped down. Several of Xu Shimao’s ribs were instantly broken!

The severe pain made Xu Shimao break out in cold sweat, but he gritted his teeth and remained silent!

When Shen Mengchen saw this scene, his face turned a little pale and he turned his head to the side, not wanting to see such a scene!

Before departure, Shen Mengchen still hated Xu Shimao, but at this time, she hoped that Xu Shimao would be okay!

It’s just that before she set off, she reminded Xu Shimao that there was a bloody disaster. It was not nonsense. Now it has come true. It’s just her own disaster, but she can’t see it!

At this time, Chen Ping on the other side walked out of the resort and walked along a stream towards the depths of Xuanyue Valley. There were fewer and fewer tourists, and in the end no one could be seen. The towering mountains on both sides almost blocked the view. The sunlight makes the canyon a little dark!

Chen Ping kept looking at the surrounding terrain, checking for any spiritual energy fluctuations around him. You must know that many of these guys in Xuanyue Valley are warlocks, and they will also have weak spiritual energy fluctuations. As long as these people are nearby, Chen Ping can feel it. road!

It would be better if we could find Xuanyue Valley's lair, but Chen Ping knew that organizations like Xuanyue Valley were very hidden, and their lair couldn't be in such an important place.

Chen Ping continued to walk forward, and after walking a certain distance, wave after wave of spiritual energy began to hit Chen Ping, and Chen Ping put the foot he had just raised back down again!

Looking at the empty canyon in front of him, Chen Ping suddenly ejected a burst of spiritual power from his fingers. After advancing a few meters, the spiritual power seemed to hit something and suddenly flashed a red light, and the red light looked like a spider. Like a net, it spreads instantly and then disappears!

"They even arranged a formation..."

Chen Ping smiled coldly, turned around and walked back!

In the temple lobby, the third elder of Xuanyue Valley looked at Xu Shimao with a ferocious expression, and his heart swelled to the extreme!

"Hahaha... It seems that my divination skills are getting better and better. Even Shen Dianshan's physiognomy may not be my opponent!"

The third elder laughed. He was excited that he could catch Bai Zhantang and Shen Mengchen!

"You'd better let us go, otherwise I, the Bai family in Kyoto, will never give up. You are a small little Xuanyue Valley, and I, the Bai family, will definitely wipe you out!"

Bai Zhantang looked pale and said with murderous eyes.

“Master Bai, since I know your identity, I still dare to arrest you. Do you think I will be afraid of your Bai family? I will use your life to exchange a large amount of medicinal materials with the King of Medicine. Yue Gu’s strength will be even higher!”

The third elder looked at Bai Zhantang with a ferocious smile and said disdainfully.

Bai Zhantang was speechless. At this time, besides glaring at the three elders to express his anger, he could do nothing. His strength was far different from that of the three elders!

Chapter: 796

Shen Mengchen leaned tightly on Bai Zhantang, his whole body trembling continuously!

“Your divination skills are so powerful, have you ever divined your own death date?”

At this time, an indifferent voice came from outside!

“Mr. Chen.....”

When Bai Zhantang heard this, he was overjoyed and shouted with all his strength.

He knew that Chen Ping was coming and they would be saved!

“Who is it? Come out...”

The third elder frowned and shouted sternly!

I saw Chen Ping’s figure slowly appearing at the door. The rising sun shone on Chen Ping’s body, and his long shadow fell on the Buddha statue in the lobby!

“Who are you?” The third elder’s eyes narrowed slightly, and he looked familiar at Chen Ping. Then his eyes suddenly opened: “Are you Chen Ping?”

“I didn’t expect you to know me!” Chen Ping was also a little surprised, how could the elder of Xuanyue Valley know him!

“You killed several generals in Xuanyue Valley. How could I not know you? I didn’t expect you to dare to come to Xuanyue Valley. There is a way to heaven but you don’t take it. There is no door to hell. You broke in...”

The third elder’s aura suddenly increased, and his men all surrounded Chen Ping.

Chen Ping’s name has become Xuanyue Valley’s number one enemy!

“Don’t talk about your little Xuanyue Valley, even if it is the real Hell of Hell, I can go there if I want to...”

As soon as Chen Ping finished speaking, his whole person instantly turned into an afterimage!

The Xuanyuegu men who surrounded Chen Ping didn’t even see Chen Ping clearly, and they all fell to the ground!

The third elder was shocked. Even Xu Shimao, who was stepping on Bai’s feet, had his eyes wide open. He never expected that Chen Ping, a young man in his twenties, could be so terrifying.

The third elder was scared and his face turned ugly. Chen Ping’s strength had exceeded his imagination. They had seen Chen Ping’s strength through the illusion array in Tianfeng Town Arena, but now in less than a month, Chen Ping’s strength had exceeded his imagination. Ping’s strength has grown so fast!

“You people in Xuanyue Valley are not very strong, so why do you dare to call yourself hell?”

Chen Ping smiled coldly and walked towards the third elder!

“Don’t come here, or I’ll kill him...”

The third elder's eyes were filled with fear. He stepped on Xu Shimao and threatened Chen Ping!

As long as he exerts force, Xu Shimao will be directly trampled to death!

Chapter: 797

"If you kill him, what does it have to do with me? I'm not from the Dharma Protector Pavilion. If you want to kill him, then kill him..."

Chen Ping looked indifferent and continued to approach the three elders.

"Don't come over, I will really kill him..."

The third elder's whole body was trembling slightly, his eyes were red, and he yelled at Chen Ping!

"Mr. Chen, kill him and destroy Xuanyue Valley. I will not regret dying..."

Xu Shimao said firmly.

"Have you heard, he himself is not afraid of death.

"Chen Ping smiled.

"ah....."

The third elder seemed to be crazy. He suddenly raised his foot and was about to step on it!

Bang.....

Chen Ping's figure flashed, and the body of the third elder was instantly thrown away with a palm, hitting the Buddha statue heavily and smashing it to pieces!

Xu Shimao had closed his eyes and was ready to accept death, but when he saw that the three elders were reluctant to take action, he slowly opened his eyes and found that the three elders had long since disappeared, and the person standing in front of him was Chen Ping!

"Can you still stand up? If you can, don't pretend to be dead..."

Chen Ping glanced at Xu Shimao and said!

Xu Shimao gritted his teeth and stood up despite the severe pain. He only had a few broken ribs, but he could bear it!

The third elder climbed up in the ruins, his face extremely pale, and blood kept flowing out of his mouth!

"It's time to send you on your way. No matter how good your divination skills are, you couldn't figure out that today is the anniversary of your death!"

Chen Ping smiled coldly!

Plop.....

The third elder suddenly knelt down in front of Chen Ping.

"Don't kill me. I was forced to do it. Qian Feng was poisoned by Qian Feng. There's nothing I can do about it. As long as you don't kill me, I can take you into Xuanyue Valley. I know the mechanisms and mechanisms of Xuanyue Valley. How to close the formation..."

The third elder kept kowtowing to Chen Ping!

“How can a small mechanism formation stop me and leave you useless...”

Chapter: 798

Chen Ping said and raised his palm directly!

“Don’t kill me. I know where the captured girls are being held. I can release them all. If it were a little later, they might all die...”

The third elder said hurriedly!

Chen Ping frowned and began to hesitate. If these three elders were killed now, maybe the girls who were caught would really die!

Persistence is afraid of hesitation. The third elder’s eyes were filled with joy and he hurriedly crawled towards Shen Mengchen!

Shen Mengchen was startled when she saw the third elder crawling towards her, while Bai Zhantang stood in front of her, watching the third elder warily!

“Miss, please help me, Miss. I am also helpless. Qian Feng is using Gu insects to control us. We don’t dare to resist at all, otherwise I will never betray your father!”

The third elder begged to Shen Mengchen. He hoped that Shen Mengchen could also intercede for him at this time!

“Betraying my father?” Shen Mengchen’s eyes widened with a look of disbelief on his face: “You...what do you mean?”

“Miss, we are the subordinates of Master Shen. It was Qian Feng who deliberately drove away Master Shen. He occupied Xuanyue Valley himself and used Gu insects to control us, and... and Qian Feng has recently been He plans to kill Master Shen, so he will catch you first, and then threaten Master Shen...”

The third elder explained!

“No... you’re talking nonsense...” Shen Mengchen couldn’t believe it, stood up suddenly and glared at the third elder: “You are all bad people, how could you be my dad’s subordinates, and isn’t Xuanyue Valley just a resort? My dad When did you become the owner of the valley?”

Shen Mengchen is an ordinary person, so she doesn’t know many things. Shen Dianshan has been hiding it from her. He doesn’t want his daughter to follow his path!

Otherwise, he wouldn’t have sent Shen Mengchen to school in Kyoto all the way!

“Miss, Xuanyue Valley is an organization. This resort is just a cover. The real Xuanyue Valley is still inside. This Xuanyue Valley was founded by Valley Master Shen!”

The third elder continued to explain!

“How could this happen? Why did my dad lie to me? What else is he hiding from me?”

Shen Mengchen never dreamed that his father turned out to be some kind of valley owner!

“Stop talking nonsense, take me to free those girls...”

Chen Ping said coldly to the third elder.

“Okay, okay...”

The third elder nodded repeatedly, got up and took Chen Ping towards the back of the temple!

Xu Shimao gritted his teeth and followed behind, while Bai Zhantang supported the lost Shen Mengchen and followed him!

Walking behind the temple, there is a huge cliff. The towering cliff gives people a deep sense of oppression!

Chapter: 799

I saw the three elders walking to a cliff, patting it three times with their hands, and soon a door opened on the cliff.

There was a cell inside, holding a dozen girls. When the cell door opened, all the dozen girls shrank into the corner!

The third elder took two steps in, and the dozen girls were so frightened that they all screamed.

Upon seeing this, Chen Ping hurriedly took out the third elder, with anger on his face.

“This...this is all what Qian Feng asked me to do...”

Seeing Chen Ping glaring at him, the third elder hurriedly defended himself!

The devastated Shen Mengchen was stunned after seeing those girls. These girls were similar to her age, but at this time, all of them were in ragged clothes, just like beggars!

Shen Mengchen walked in slowly. When the girls saw that Shen Mengchen was also a girl, they all became quiet!

“They are just a bunch of beasts...”

Seeing the condition of the girls, Shen Mengchen gritted his teeth and cursed Xuanyue Valley!

Soon, with Shen Mengchen’s comfort, the girls all walked out. As soon as they walked out of the cell door, the girls ran away like crazy, for fear of being caught again, without giving Chen Ping and the others time to react.

Chen Ping originally wanted to send someone to escort these girls back, but now the girls have run away. Chen Ping looked at the three elders: "Now take me to your lair!"

The third elder hesitated for a moment, then gritted his teeth and nodded!

"If you dare to play tricks, I will make your life worse than death!" Chen Ping saw the third elder hesitated and thought he was going to play tricks!

"Don't dare, don't dare..." The third elder waved his hands repeatedly: "It's just that there are poisonous insects in my body. Now Qian Feng knows my whereabouts very well. If I go back to the valley at this time, I'm afraid he will become suspicious!"

"Then I'll take the poison out of you first!" Chen Ping said.

"This Gu was obtained by Qian Feng from the Miao Village. It has been in my body for several years, sucking my essence and blood. It has become integrated with my body and cannot be taken out at all!"

The third elder shook his head!

"Stretch out your hand!" Chen Ping said to the third elder.

Although the third elder didn't know what Chen Ping was doing, he obediently stretched out his palm!

Chen Ping pinched his fingers, and a faint red light appeared on his fingertips. Then Chen Ping pointed towards the palm of the third elder's hand, and the red light instantly entered the third elder's body!

The third elder's body trembled, and then his expression became extremely painful. The red light was seen moving quickly inside the third elder's body, as if it was chasing something!

"ah....."

Suddenly, the third elder opened his mouth and screamed, and the bright red bug spit out from his mouth. As soon as the bug saw the sun, it emitted a burst of red smoke and died!

Chapter: 800

Looking at the dead Gu worms on the ground, the third elder's eyes widened and he couldn't believe it was true!

"Okay, your Gu is gone, you can leave now!"

Chen Ping said calmly.

The third elder knelt down to Chen Ping with a bang and kowtowed desperately!

Over the years, he has been controlled by the Gu and has done many evil things. His heart is in great torment, but in order to survive, he can only obey Qian Feng's instructions!

"I'm not saving you by taking out your Gu. Whether you can survive or not depends on your own performance..."

Chen Ping said coldly!

"I understand!" The third elder nodded repeatedly!

The third elder led Chen Ping and his group towards the depths of Xuanyue Valley!

At this time, in the hall of the Xuanyue Valley base camp, Qian Feng was playing chess with the great elder. This was Qian Feng's favorite thing to do when he had nothing to do!

"It's time to get the secret book and kill Shen Dianshan. You should capture his daughter as soon as possible. I have received news that his daughter has returned from Kyoto!"

Qian Feng said to the great elder.

“The third child is already making preparations. I believe the results will be available in a few days!”

The great elder said respectfully!

“By the way, why has it taken so long and more than twenty girls can’t do it?”

Qian Feng asked slightly angrily.

“Valley Master, I’ve already asked. You also know that in today’s society, girls are very open-minded. The third child has caught a lot of girls, but it’s a pity that not many of them are intact, so it’s a bit slow!”

The great elder explained!

“Hmph, these shameless women...”

Qian Feng snorted coldly, picked up a chess piece and dropped it!

But at this moment, there was a sudden movement in the clay pot next to Qian Feng, and the Gu insects inside seemed to be frightened by something!

Qian Feng was stunned and hurriedly opened it to take a look. His expression changed instantly!

“Valley Master, what’s wrong?” the great elder asked.

Qian Feng reached out and took out a large Gu worm from the pottery pot, frowned and said: “The third elder is dead...”
