

The Order 7911

Chapter: 7911

“Okay”” Chen Ping nodded!

Huo Ming dragged his seriously injured body, slowly retreated, then turned around and left!

When Chen Ping saw this, he raised his hand and slashed it!

Swish!

The Dragon Slashing Sword waved a sword light and directly cut off Huo Ming’s head!

Huo Ming threw his head high in the air, staring at Chen Ping angrily!

“You can come if you want, and you can go if you want. Do you use this place as a hotel?””

Chen Ping smiled coldly!

He said the words of the Lord of the Ten Temples!

“Big brother.....” Huo Qing yelled angrily when he saw that his eldest brother’s head had been cut off!

“The eldest son! Steward Lu also looked sad and angry, then looked at Chen Ping and asked, “Didn’t you promise our eldest son to let us leave?””

“Soldiers never tire of deceit...” Chen Ping just spit out four words faintly!

Huo Ming’s body fell heavily to the ground, and Chen Ping walked up to Huo Ming and began to rummage through the body for storage bags!

Huo Qing and Steward Lu watched this scene. Although their teeth were itching with hatred, no one dared to move!

“The Huo family is really rich...”

Chen Ping looked at Huo Ming’s storage bag with a smile on his face!

Steward Lu took a look at Huo Ming’s body, turned around and left!

If you don’t leave, I’m afraid you won’t have a chance to leave!

Upon seeing this, the Lord of the Ten Halls also turned his head and left. When Huo Ming was penetrated by the white light, the Lord of the Ten Halls turned his head and left!

Huo Qing was unwilling, and his teeth clenched!

“Second son, let’s go, I’m avenging the eldest son later!”

Steward Lu pulled Huo Qing and quickly disappeared into the sky!

Everyone was gone, and the sky over the Xiao Dynasty was calm again!

“Mr. Chen, why don’t you kill all these people?”

Chapter: 7912

Hua Yueying asked Chen Ping inexplicably!

“I want to kill, but I can’t be the master!”

Chen Ping was helpless, these guys are not something he can deal with, only Mr. Shi can do it!

But if Mr. Shi can’t make a move, it’s not something Chen Ping can control!

“Presumably after this time, these people in the Tenth Hall will be more honest!”

Xuan Bin said with a sigh of relief.

“This time, thanks to your help, let’s share these things!”

After Chen Ping finished speaking, he took out Huo Ming’s storage bag and took out all the resources inside!

Fairy spirit stone, pill, fairy grass.....

The eldest son of a big family is wealth!

Chen Ping was not stingy, he divided everything, and he didn't leave it behind!

"Miss Hua, I have something to ask for..."

After Chen Ping allocated resources to everyone, he looked at Hua Yueying and said!

"Do you want to learn from Gan Lin's birth?"

Hua Yueying said with a smile!

Chen Ping nodded embarrassedly. After all, this was passed on to Hua Yueying by her mother's extreme learning!

Chen Ping's extreme learning from others is a bit wrong!

But Chen Ping wants to learn too much. This kind of auxiliary formation is sometimes more useful than offensive and defensive formations!

"Mr. Chen, you are a family with Miss Hua. What's so embarrassing about you? Hers is yours, and yours is hers!"

Xuan Bin smiled haha!

"Yes, yes, my father recognizes you as an uncle. I think you will double-repair with Miss Hua today!"

“Isn’t there an old saying that if you want to learn well, you have to sleep with Master?”

“Mr. Chen wants to learn from Miss Hua’s magic formation, of course he has to sleep with someone!”

Zhou Tang and Cang Yue followed suit!

Chapter: 7913

Hua Yueying’s face flushed when several people said it, and she lowered her head shyly!

“You talk, I’m going back, otherwise my father won’t find me, so I’ll be in a hurry!”

Lin Kefan felt a little awkward staying, so he planned to go back to Sun Moon City!

“Fourth uncle, don’t you take a few days off?” Chen Ping asked!

“No, no...”

After Lin Kefan finished speaking, his figure disappeared in a flash!

He must return to Sun Moon City as soon as possible and tell his sister that he must hurry up and start, otherwise Chen Ping still doesn’t know how many women will be occupied!

After Lin Kefan left, Chen Ping looked at Hua Yueying and said, “Miss Hua, come with me...”

Chen Ping called Hua Yueying into a secret room!

After all, that Gan Lin came into the world is a unique study of others, and it is impossible to teach it under the great court!

Seeing Chen Ping leaving with Hua Yueying, Xuan Bin smiled and said, "It seems that Miss Hua will become our boss in the future, but she can't be considered a colleague!"

"It's nice to be a woman. If I were a woman, I would also be on the list like Mr. Chen. I don't worry about anything!" Cang Yue said with emotion!

"You two have been fighting each other. Now that the eldest son of the Huo family is dead, he will definitely not give up."

"There are still ten temples destroyed, can the temple sit idly by?"

Zhou Tang said!

When Xuan Bin and Cang Yue heard this, their expressions instantly became solemn!

It's impossible for them to hide in the Xiao Dynasty for the rest of their lives?

"Don't be afraid, the background behind Chen Ping is much stronger than you think. A master of fairy land was directly left behind to be killed by luck. You can imagine how powerful the backer behind Chen Ping is. ."

At this moment, Yun Li slowly spoke!

Xuan Bin and the others glanced at each other, then looked at Yun Li and said, "Who is this Taoist friend? "

They didn't know Yunli. Yunli was detained in the Tenth Hall and hadn't shown anyone for many years.

Under the Great Hall of the Ten Halls, Yunli..."

Yun Li said with a fist!

People from the Tenth Hall?"Xuan Bin and the others were taken aback, then became vigilant, and one by one they set up a fighting posture!"

Chapter: 7914

"Everyone, everyone, although this fellow Daoist Yunli is from the Tenth Temple, he is not an enemy of Mr. Chen. Instead, they are friends."

Upon seeing this, Xiao Yuanshan hurriedly said!

Xuan Bin and the others were very puzzled. They really didn't understand how His Royal Highness of the Tenth Hall could be friends with Chen Ping, and they went to destroy the Tenth Hall today!

Looking at the confused Xuan Bin and the others, Yun Li smiled and said, "You don't need to know too much, you just know that with Chen Ping, you will have a great future in the future."

"If it weren't for my identity, I would want to mix with that kid Chen Ping..."

After Yunli finished speaking, he left with a slight smile!

Yunli is also regarded as the proud son of Heaven, only because he broke the rules of the temple, he fell to this point!

If it weren't for the Lord of the Ten Temples to release Yun Li privately, Yun Li would be imprisoned for the rest of his life!

Yun Li followed Chen Ping, which can be regarded as a kind of hero, cherish the hero!

"I just hope to be able to break through the peak of the Mahayana Realm and enter the wonderland of transformation..."

Zhou Tang now desperately wants to enter the wonderland of transformation.

"This is not easy. Mr. Chen has given us so many resources. We have taken advantage of our free time these past few days and feel that we have made a breakthrough!"

Xuan Bin said!

"Yes, we can't be idle either. We have to break through quickly. According to Mr. Chen's talent, it is estimated that it will not take much time. I am afraid that our strength will not be able to help him!"

Cangyue also said!

The three of them asked Xiao Yuanshan to find a secluded place and began to break through. As long as they broke through the peak of the Mahayana Realm, their strength would be able to take it to the next level!

Looking at the three Xuanbin who left, Xiao Yuanshan sighed softly: "Hey, when can I reach the peak of the Mahayana Realm..."

As the saying goes, a mountain looks at a mountain high, and people's desires are endless!

In order to break through to the Fairy Land of Transformation, the three of Xuan Bin were also frowning. When they saw the monk of the Fairy Land, they were extremely envious!

And the three of them didn't know, the other monks were extremely envious when they saw the three of them!

If Xiao Yuanshan wants to reach the peak of the Mahayana Realm, it is estimated that there will be a long way to go!

.....

In the secret room!

Chen Pingping and Huayue Ying looked at each other!

Chapter: 7915

"Miss Hua, if you don't want to teach me, I won't force it. I will give you the resources in the future. You don't have to worry about it!"

Chen Ping didn't want to force Huayueying!

After all, it's someone else's stunt, and it's someone else's right to teach it or not!

"I can teach you, but there is one condition..."

Hua Yueying said!

"What are the conditions?" Chen Ping was taken aback!

"Sleep with me....."

Hua Yueying said!

"what?" Chen Ping was stunned, and didn't react for a while!"

"Sleep with me..." Hua Yueying said again!

"This...is this appropriate? After all, we have only known each other for a long time!" Chen Ping said embarrassedly!

"There's nothing inappropriate. If you sleep with me, we will be a family. My Ganlin will be able to teach you when he comes into the world."

Hua Yueying explained!

"Miss Hua, did you let me sleep with you because you liked me?"

Chen Ping asked!

Hua Yueying shook her head: "No..."

"You don't like me and let me sleep with you. Isn't this a bit contradictory? Do you want to let someone you don't like sleep?"

Chen Ping was very surprised and didn't understand what Huayueying meant!

"I let you sleep with me, it's just that I want to be your woman. You have a background and resources. If I become your woman, it will definitely be beneficial to cultivation."

"And I have offended the temple now, and the Huo family. When the time comes, they won't dare to seek revenge from you. Don't they dare to seek revenge from us?"

"I have to find a shelter, and you are undoubtedly the safest here, and I am full of confidence in your future!"

Hua Yueying said unabashedly!

She wants to sleep with Chen Ping and become Chen Ping's woman because of Chen Ping's background and resources.

Speaking of which, this is more like an exchange of benefits!

Chapter: 7916

"Your father is the lord of the Northern Territory, you can completely..."

"I didn't say I want to recognize him..." Hua Yueying said coldly before Chen Ping could finish speaking!

"This....." Chen Ping hesitated!

"I will be your woman, teach you how to come into the world, and you will give me resources to protect my safety. Isn't that good?"

Hua Yueying asked!

"Good is good, it's just..." Chen Ping always feels that this is more like betraying his hue!

"I let you sleep now. If I don't like you, it doesn't mean I will never like you. Maybe after we have slept and learned about it, I will like it?"

Hua Yueying smiled slightly!

"Well, I promise you..." After Chen Ping finished speaking, he directly pressed Hua Yueying under him!

Ten halls!

The Lord of the Ten Halls has returned to the dilapidated Ten Halls!

There are only a few people in the Ten halls today, and they are all seriously injured!

The old man hasn't come back yet, and he doesn't know where he went to fight with the lord of the Northern Territory!

Sitting in the palace that has collapsed for most of the time, the hearts of the ten hall masters have mixed feelings!

At this moment, the scene where Huo Ming was instantly penetrated and then Chen Ping cut off his head has been echoing in his mind!

It's just a piece of luck, but it can instantly transform into a master of Wonderland!

Although I had heard of the master behind Chen Ping a long time ago, the master of the Ten Temples who had never seen him was still shocked this time!

“Lord of the Ten Temples, your ten temples have become like this, and you have concealed it and failed to report it. The Lord of God is very angry...”

At this moment, accompanied by a tremor in the void, then a man in a dark red robe walked out!

The man's heavy makeup, especially the bright red mouth, is very dazzling!

A man, dressed so enchanting, then the psychology must be a problem!

“Who are you?”The Lord of the Ten Halls frowned!

The people coming are so weird and silent, which makes the lord of the Ten Halls very vigilant. If this guy comes to target the Ten Halls, there is no way to stop the seriously injured people in the Ten Halls!

The man directly threw a token to the Lord of the Ten Halls. After seeing the token, the Lord of the Ten Halls immediately changed his face and said respectfully: “I have seen the Lord of the Nine Halls...”

Chapter: 7917

The ten temple masters of the temple have never met at all, so it is normal for no one to know anyone!

However, the first hall is higher than the first hall, and the ninth hall is stronger than the tenth hall. There is no doubt about this!

The Lord of the Ten Halls didn't expect that the Lord of the gods would know about this, and he also sent the Lord of the nine halls!

"Do you think that there is a great array of heaven and earth in the heaven-human realm, and the rest of the temple can't come to the heaven-human realm, and the Lord can't understand the situation of your ten temples?"

The Lord of the Nine Halls asked!

"Subordinates dare not!" The Lord of the Ten Halls shook his head hurriedly!

"Dare not?" The Lord of the Nine Temples smiled coldly: "You let go of your son without permission, thinking that God didn't know it. As everyone knows, the Lord of God has known it for a long time."

"Although the heavens and the earth are in a great array, which blocks the heavens and the heavens and the human world, the transmission of sound is not affected. The Lord knows everything you do in the Ten temples."

When the Lord of the Ten Temples heard this, he panicked immediately. He still thought that he was far away from the emperor of the mountain, and secretly let go of his son. No one would know!

"Damn the subordinates, the subordinates dare not hide it or report it!"

The lord of the Ten Temples knelt to the ground in fright!

The rules of the temple are very strict, maybe your life will be gone!

“If it weren’t for the Huo family’s voice, we would all be trapped in the drum by you.” Looking at the Lord of the Ten temples kneeling on the ground, the Lord of the Nine Temples snorted coldly: “Who the hell is it, dare to fight against my temple, and immediately take me to destroy him!”

“The Lord of the Nine Halls, then Chen Ping has the support of the strong behind him, we are afraid...” The Lord of the Ten Halls hesitated a little!

“Huh, in the little heaven and human world, what are the strong ones? I came here this time to destroy the strong.”

The Lord of the Nine Halls snorted coldly and said disdainfully!

“It’s really strong, then the strong man behind Chen Ping seems to be called Mr. Shi, I’m afraid it’s better than...”

The Lord of the Ten Halls is still persuading, but the Lord of the nine Halls is angry!

“Stop talking, I entered the ladder three times and reached the eighth floor. I was only a little bit closer to reaching the top of the heavenly realm. Is there anyone better than me in the heavenly realm?”

“And what kind of Mr. Shi, when I saw him, I beat his shit out. You don’t have to be majestic!”

The Lord of the Nine Halls said angrily!

This lord of the Ten temples, who has the prestige of others to destroy his own ambition, is also too weak!

Om.....

As soon as the voice of the Lord of the Nine Halls fell, suddenly the void was distorted, and then a phantom slowly appeared!

Chapter: 7918

The phantom flickered and flickered, but it could be seen that it was a middle-aged man!

“Who is it, who are you?”

The Lord of the Ten Halls frowned when he saw the phantom!

“Huh, it’s just a phantom, dare to come to our temple to go wild...”

The Lord of the Nine Halls snorted coldly, and he was about to do something to the phantom!

But just when he raised his palm, he found that the phantom palm waved, and the world seemed to solidify, and they couldn’t move!

At this moment, the Lord of the nine halls and the Lord of the Ten halls are both stupid!

“I’m the Mr. Shi you just wanted to make shit out of...”

The phantom stepped forward slowly, getting clearer and clearer!

“You... are you not the ontology?”

The Lord of the Nine Halls looked at it in shock, a phantom has such strength, wouldn't the body be even more powerful!

Mr. Shi was not talking, maybe he was too lazy to pay attention, and as soon as he stretched out his hand, the Lord of the Nine Halls was in Mr. Shi's hands!

The body of the Lord of the Nine Halls began to ooze blood, his eyes were wide open, and his whole body trembled!

Puff.....

The Lord of the Nine Halls knelt down softly, his eyes full of fear!

And the lower body of the Lord of the ten temples, a stream of warmth flowed out, and he was directly scared to pee!

A phantom can treat them as ants, wouldn't it be even more powerful if the body came!

Is this the backer behind Chen Ping?

The more the Lord of the Ten Halls thought about it, the more scared he became. In the end, not only was he scared to pee, but he was also directly scared!

The smell permeated the entire Ten halls!

“Don’t...don’t kill me, I was wrong...”

The Lord of the Nine Halls regrets saying that at this moment!

The lord of the Ten Temples has urinary incontinence, and people are going crazy!

You must know that the lord of the Nine Halls has been on the eighth floor of the ladder, and he has no power to fight back in front of a phantom of others!

Chapter: 7919

It’s really not even as good as ants!

The heart of the Lord of the Ten Temples shattered and completely collapsed!

It doesn’t matter what noble blood or face is at this moment!

The Lord of the Ten Temples also collapsed to the ground, he didn’t even have the strength to kneel!

His eyes were full of despair, complete despair!

“In a word, why bother to lose your life...”

Mr. Shi sighed softly: "I don't know how many years I haven't heard anything about beating me out of shit."

"You...are you a fairy?"

The Lord of the Nine Halls looked at Mr. Shi and thought that Mr. Shi was not from the heavenly world, but must be a fairy from the heavenly world!

When the Lord of the Ten Temples heard this, his Adam's apple rolled, and his face was unbelievable. There is a great array of heaven and earth in the human world. How could there be immortals?

Even the previous immortals, under the great array of heaven and earth, will be suppressed!

"Fairy?" Mr. Shi raised his head and glanced at the void: "What is the fairy again?"

"Fuck....."

The horror in the eyes of the Lord of the Nine Halls turned into despair!

The Lord of the Ten Halls was in a state of horror, sitting on top of shit and urine, like a guy who couldn't take care of himself!

"No matter who you are, let's die together..."

The master of the Nine Halls fell into madness from despair, and his whole body suddenly swelled!

Countless terrifying breathes suddenly converged from between the heavens and the earth, and the body of the Lord of the Nine Temples was like a bomb that detonated at any time!

The Lord of the Nine Temples is about to explode, and his deep despair makes him seem to have lost his mind!

The Lord of the Ten Halls saw this and wanted to run, but his body didn't listen to him at all!

Mr. Shi looked at the Lord of the Nine Halls who was about to explode, his eyes full of disdain!

I saw him gently use his fingers!

The Lord of the Nine Halls, who was originally bulging and about to explode, quickly began to shrivel up!

Puff!

Chapter: 7920

In the end, with a sound like farting, the body of the Lord of the Nine Temples turned into powder!

In the entire hall, there is no figure of the Lord of the nine halls!

It's as if the Lord of the Nine Halls has lived from the future!

The Lord of the Ten Halls was limp on the ground, looking at everything that happened in front of him, people were numb!

He really wants to pass out, he doesn't want to see this!

He tried his best to practice, thinking that one day he would rise to become an immortal!

But now, even if he is an immortal, he is like an ant in front of a phantom of others!

This kind of blow caused the Lord of the Ten Temples to collapse!

It really collapsed.....

“Son of a bitch, I helped you destroy an enemy again, and I blame this guy for talking too much, otherwise I won't help you!”

Mr. Shi talked to himself, and then slowly disappeared!

I don't know how long it took, the Lord of the Tenth Hall slowly stood up, and the smell of shit made him sick!

After finally regaining his senses, the Lord of the Ten Halls discovered that the only few guys left in the Ten Halls were already silent at this moment!

I was seriously injured in the first place, and then suppressed by the breath just now, I couldn't bear it at all!

His son who likes to eat lollipops is also among them!

But at this moment, looking at his dead son, the Lord of the Ten Temples did not have any expression changes at all!

“Storage bag, storage bag...”

The Lord of the Ten Halls seemed to think of something, and began to search for storage bags on the dead people of the Ten Halls!

Even his son’s storage bag was searched!

In the corner not far away, there was also a storage bag lying quietly. He could see at a glance that it belonged to the Lord of the Nine Halls, because there was also the Peugeot of the Lord of the Nine Halls on it!

Although the owner of the Nine Halls was gone, the storage bag did not disappear!

The Lord of the Ten Halls took out all the storage bags, and also took out the storage bags he carried with him and put them together!

“With so many resources, I don’t know if I can follow Chen Ping...”

The Lord of the Ten Halls looked at the storage bag in front of him and said!
