

## **The Order 7921**

Chapter: 7921

He now wants to be a younger brother behind Chen Ping!

Chen Ping has such a backer behind him, even if he is a king in the world of heaven and man, it is easy!

At this time, the Lord of the Ten Halls regretted very much, how could he provoke Chen Ping!

I don't know if it will be too late to bow to Chen Ping at this time!

.....

The Xiao Dynasty!

Chen Ping followed Hua Yueying to learn about Gan Lin's descent into the world. This kind of auxiliary formation is actually not difficult for Chen Ping to learn!

After only one day of learning, Chen Ping can use it. Although the power is not very great, it is also considered to be extremely talented!

"Mr. Chen, you learn so fast, and your talent is really good!"

Hua Yueying said happily!

“If you want to learn well, you have to sleep with Master. It’s better for Master to teach it!”

Chen Ping smiled slightly: “Don’t call me Mr. Chen in the future, my women will just call me by my name!”

“No! Hua Yueying shook her head: “Although I am your woman, we are just trading, and we are not a real double cultivation partner. I’d better call you Mr. Chen.””

“When I really like you, I will change my mouth by myself...”

“Whatever you want!” Chen Ping doesn’t care!

Boom boom boom.....

At this moment, in a hidden place of the Xiao Dynasty, suddenly dark clouds rolled over, lightning and thunder!

The world seemed to be integrated into one, and it became chaotic!

“Is this someone breaking through?” Hua Yueying said with a shocked face!”

“This kind of terrifying thunderstorm, I’m afraid it won’t be a breakthrough by one person...”

Chen Ping looked at the sky in the distance and said slowly!

I don’t know how long it took, the sky in the Xiao Dynasty gradually cleared up!

Three terrifying breathes instantly filled the entire Xiao Dynasty!

“Turn into a wonderland?” Hua Yueying frowned, her face became ugly!”

Chapter: 7922

“Don’t be afraid, these three guys actually broke through together!”

Chen Ping ‘an comforted Huayueying!

Swish swish.....

Three figures appeared in front of Chen Ping and the others at this time!

These three people are Xuan Bin, Zhou Tang and Cang Yue!

The three of them used the fairy spirit stone given by Chen Ping to break through to the fairy land together!

This can be regarded as a great spectacle in the world of heaven and man. It is unheard of for three people to break through the wonderland at the same time!

“Mr. Chen, thank you so much. If it weren’t for mixing with you, we still don’t know when we would be able to break through the Taohua Wonderland!””

Xuan Bin's face was full of excitement and excitement, and he was about to kneel down for Chen Ping!

Chen Ping stretched out his hand and said, "If you break through, that's also your ability. Don't thank me..."

"As long as you follow me well, you will ensure that you eat fragrant and spicy food, and you will have endless resources!"

"We swear to follow Mr. Chen to the death!" Xuan Bin and the three of them assured!

"Mr. Chen, it's not good, the Lord of the Ten Halls is here again..." At this moment, Xiao Yuanshan came in a hurry!

"Huh, this guy actually dared to come, we just happened to meet him..."

When Xuan Bin heard this, he suddenly became angry!

The three people who had just broken through were all transformed into fairyland at this time, and together they could say goodbye to the Lord of the Ten Halls!

"What else is he doing here?"

Chen Ping frowned. He promised Yunli not to kill the Lord of the Ten Halls. Now the lord of the Ten Halls dares to come!

Didn't he see how Huo Ming died?

"Don't worry about it, practice hard, I'll meet the ten temple masters!"

Chen Ping was afraid that Xuan Bin and others would fight with the Lord of the Ten Halls. If he accidentally killed the Lord of the Ten Halls, he would not be able to follow Yunli to explain!

Chen Ping followed Xiao Yuanshan to the border of the Xiao Dynasty, and the lord of the Ten Temples did not dare to enter the Xiao Dynasty casually.

Seeing Chen Ping coming, the Lord of the Tenth Hall wanted to step forward, but he hesitated for a moment. At this moment, he didn't dare to step into the situation of the Xiao Dynasty casually!

“What else are you doing here?”

Chapter: 7923

Chen Ping asked the ten hall masters!

“Mr. Chen, I came here this time to apologize to you!”The Lord of the Ten Halls said to Chen Jingli!

Chen Ping was taken aback, and looked at the Lord of the Ten Temples with a puzzled face, wondering what the hell this guy was doing!

Even if Huo Ming was beheaded, he didn't know that he scared the Lord of the Ten Temples into this way. Come and apologize to yourself directly, right?

After all, out of the Xiao Dynasty, Chen Ping and the others still couldn't compete with the Ten Halls for their strength!

“What are you going to do? Painfully said, if you want to kill me, I will accompany you at any time, no need to play tricks!”

Chen Ping also thought that the ten temple masters were trying to trick themselves out of the territory of the Xiao Dynasty!

“Mr. Chen, I really came to apologize. I hope Mr. Chen can forgive me!”

The Lord of the Ten Halls said sincerely!

“Mr. Chen, don’t trust this guy easily!” Xiao Yuanshan reminded from the side!

When the Lord of the Ten Halls saw this, he threw all the storage bags collected in front of Mr. Chen: “This is my collection of all the resources in the Ten Halls, and all of them are filial to Mr. Chen!”

“I hope Mr. Chen can be merciful and forgive me. I am willing to follow Mr. Chen around...”

Chen Ping looked at the storage bag in front of him and suddenly seemed very surprised, especially after seeing a very special storage bag with a special logo, Chen Ping directly picked it up and took a look!

At this glance, Chen Ping actually found that there were 200,000 fairy spirit stones in this storage bag, and there were countless other resources!

“Fuck me...” Chen Ping looked dumbfounded!

“This is the storage bag of the Lord of the Nine Halls. He has a lot of resources, and all of them are filial to Mr. Chen...”

Upon seeing this, the Lord of the Ten Halls hurriedly said!

“Lord of the Nine Halls?” Chen Ping was taken aback: “You killed the Lord of the Nine Temples?””

After all, if the Lord of the Nine Temples were alive, it would be impossible to dedicate his storage bag!

“No, no, no, I don’t have the ability to kill him. It was the master behind Mr. Chen who killed him!”

The Lord of the Ten Halls waved his hands again and again!

“You said Mr. Shi?” Chen Ping’s face was full of surprise!”

“Yes, yes, it’s that Mr. Shi, but it’s not the body, it’s just a phantom, and he left after killing the Lord of the Nine Halls!””

Said the Lord of the Ten Halls!

Chapter: 7924

Chen Ping was very puzzled. Didn’t Mr. Shi say that he would not help him kill the enemy, but let Chen Ping kill him himself!

Why did you start to help him kill the people in the temple again?

And the Lord of the nine halls must be stronger than the lord of the Ten halls, but he didn’t expect Mr. Shi to be beheaded with a phantom!

“In this heavenly world, in addition to your ten temples, there are nine temples. Are there any other temples and temples?”

Chen Ping asked!

The Lord of the Ten Temples shook his head: “I don’t know. I don’t know where the ten temples of the temple are and who is managing them.”

“To tell you the truth, Mr. Chen, I haven’t even seen the Lord of our temple.”

“But the Lord of the Nine Temples said that he had climbed to the eighth floor of the ladder, and that should also be in the heavenly world. It seems that he often wandered in the ladder world.”

The words of the Lord of the Ten Halls made Chen Ping feel a little credible.

“Why did Mr. Shi only kill the Lord of the nine Temples, but not you?”

Chen Ping asked curiously!

“The master of the Nine Halls talked too much, saying that he was going to beat the master behind you out of shit, so he made Mr. Shi unhappy and took action to destroy the master of the Nine Halls.”

The Lord of the Ten Halls said truthfully!

When Chen Ping heard this, he couldn’t help laughing. It seems that this Mr. Shi is also a bit grumpy!

“Are you really surrendering, or are you under the pressure of Mr. Shi?” Chen Ping asked!

“Sincerely, I am sincere. I hope Mr. Chen can give me a chance to work!”

The Lord of the Ten Halls hurriedly said with loyalty!

“Aren’t your Protoss all very arrogant, can’t you see the other races clearly? Is your surrender to me now inconsistent with the spirit of your Protoss?”

Chen Ping asked!

“Hey...” The Lord of the Ten Temples smiled embarrassedly: “Any protoss is just self-deception, and our bloodline is more noble than other races.”

“On the contrary, it is the various rules of the Protoss that limit their own development. In order to improve their strength, I secretly merged the blood of the orcs, so I can’t stand still!”

“If there weren’t those broken rules, my son Yunli would have been married a long time ago at this time, so why bother to die!”

The lord of the Ten Temples remembered Yunli and felt very guilty. It was all caused by the rules of the Protoss!

“My current strength is not as good as you, are you sure you want to follow me?”

Chapter: 7925

Chen Ping looked at the Lord of the Ten Halls and asked again!

The Lord of the Ten Temples said: "I believe that Mr. Chen will definitely become the master of the heaven-human world in the future. After all, Mr. Chen is a genius of heaven, with extraordinary talents and talents. Every day, the sky is rising....."

When Chen Ping heard this, he immediately waved his hand to interrupt the Lord of the Ten Temples: "Well, don't brag about me, just say that you are afraid of death."

"But since you are with me, that is my little brother, and I can't let you pay tribute to so many resources in vain. I will also give you a gift!"

"What to send?"The Lord of the Ten Temples looked forward to it!

He didn't know what treasures Chen Ping would give him!

"Come with me..." Chen Ping beckoned to the Lord of the Tenth Hall!

The Lord of the Tenth Hall was about to take a step, but immediately shrank back, he now did not dare to step into the realm of the Xiao Dynasty!

Chen Ping smiled: "Well, it will be fine, as long as you don't have bad intentions, you won't be attacked!"

Only then did the Lord of the Ten Halls enter the realm of the Xiao Dynasty, and then followed Chen Ping into the imperial city!

Chen Ping directly took the Lord of the Ten Halls to the place where Yunli lived!

Now that the lord of the Ten Temples has become his younger brother, it's time for their father and son to meet!

Yunli followed Shi Lan to double repair in the room, while Chen Ping called out Yunli!

“Chen Ping, how can you disturb people's good deeds?When you were in double repair, I didn't bother you!”

Yunli was very angry and walked out in his clothes!

But just walked out of the room, only to find that his father was also there!

Yun Li was stunned all of a sudden, and the Lord of the Ten Halls was also shocked, and then wept with joy!

“Yunli, my son, I thought you were dead...”

The Lord of the Ten Halls hugged Yunli!

Yun Li was a little conflicted, his expression was a little flustered, and he frowned and looked at Chen Ping!

He didn't understand why Chen Ping wanted to bring his father. Yunli wanted to leave the Protoss and the Ten Temples, so he thought of suspended animation!

I finally deceived my father, and now Chen Ping has found his father again!

“Brother Yun, your father knows that he is wrong, and he will never stop you from double cultivating with Shi Lan in the future, and your father is now my younger brother.”

Chen Ping said to Yunli!

Chapter: 7926

“What nonsense are you talking about, who is your younger brother?”

Yun Li was a little unhappy, how could Chen Ping say that his father was his younger brother!

“Yunli, don’t be rude to Mr. Chen. I really follow Mr. Chen now!””

The Lord of the Ten Halls hurriedly reprimanded Yun Li!

“Father, what the hell is going on?”

Yun Li’s face was full of doubts. He didn’t understand that his father was the lord of the Ten Temples. How could such a proud person suddenly become Chen Ping’s younger brother?

Snapped!

Who knows, the Lord of the Ten Temples suddenly slapped himself!

“Hey, it was out of my control that I turned out to be an enemy of Mr. Chen. Thanks to Mr. Chen for not giving up, I am following Mr. Chen now, and you will have to respect Mr. Chen in the future!””

Said the Lord of the Ten Halls!

Yun Li was in a daze. He didn’t understand what happened to his father. Such a proud person became what he is now!

If Yun Li knew that his father had just been scared of incontinence not long ago, he would understand!

The current Lord of the Ten Halls really regrets it. If he took it seriously from the beginning and didn't trouble Chen Ping, there would be no such things!

"It's all the fault of Zuo Tianzheng of the Fengmo League. If I see him, I will kill him..."

The most ruthless of the Ten Hall Masters at this moment is Zuo Tianzheng!

After all, the grievances of the Ten Halls following Chen Ping came from the Fengmo League and from Zuo Tianzheng!

If it weren't for Zuo Tianzheng's hundred-year-old worship to hunt down Chen Ping, it would be impossible for Chen Ping to follow the Fengmo League to death!

Isn't it just killing a son? If you die, you die!

Monks who have reached their level have a life span of thousands of years, when will they not be able to have sons!

"Tell me about the Huo family..." Chen Ping asked the Lord of the Ten Halls!

Huo Qing was able to invite family masters, and he was not afraid of the lord of the Ten Halls. It can be seen that the strength of the Huo family should be above the Ten halls!

"Mr. Chen, I don't know a lot about the Huo family. I only know that the Huo family is a big family in the god clan, and there are many elderly people in the clan who work in the temple."

“Then Huo Qing was arranged to enter my Ten halls above, so this guy often doesn’t put me as the lord of the ten halls in his eyes.”

The Lord of the Ten Halls followed Chen Ping and said!

Chen Ping frowned slightly: “This Huo family is also in the world of heaven and man?”

“In the world of Heaven and man, it is just a branch of the Huo family. Although it is only a branch, its strength cannot be underestimated!”

“The most important thing is that this Huo family occupies the land of innocence in the world of heaven and man. Occupying this place is tantamount to controlling the ladder to the sky...”

Said the Lord of the Ten Halls!

“A land of no delusion? Didn’t the ladder appear randomly anywhere?” Chen Ping looked at Yunli in surprise!”

That’s what Yun Li told him at that time!

“The ladder to the sky appears randomly, but eight out of ten times it will appear in the land of no illusion. After so many years, this year’s ladder to the sky is very likely to appear in the land of no illusion.”

“This land of no illusion is actually the space created by the dislocation and distortion of time and space at the beginning of the world of heaven and man. In this space, it is not subject to the constraints of the great array of heaven and earth, and of course it is impossible to be conceived and nourished by heaven and earth. This land is considered to be outside the law of heaven and earth!”

The Lord of the Ten Temples explained to Chen Ping the land of no delusion!

“Is there such a good place?” Chen Ping was taken aback: “Those Heavenly monks who were trapped in the human world that day, why don’t they go to the land of no illusion and then return to the heavenly world?”

Since there is no suppression of the Heaven and Earth Array, just return to the heavens and the earth directly!

When the Lord of the Ten Temples heard this, he suddenly laughed: “Mr. Chen, everything in the world has advantages and disadvantages. Although this land of no illusion is not bound by the great array of heaven and earth, it also does not possess spiritual power and various resources, and it is even more impossible to ascend to the heavens.”

“Almost every world will produce one or more such innocent places, but the size is different. These places will not be displayed between heaven and earth, let alone connected to other worlds!”

“The monks of the heaven-human realm can ascend to the heaven-human realm, or is it because the heaven-human realm has a channel of communication with the heaven-human realm, and the land of no illusion is only connected to their own world, and it is not connected to other worlds at all!”

“So even if there is no restraint from the great array of heaven and earth, those trapped monks in Elysea want to return to Elysea through the land of no delusion, it is simply an idiot’s dream.”

“What’s more, there are no resources in that land of no delusion. What kind of cultivation do you rely on to survive?”

The words of the Lord of the Ten Halls made Chen Ping feel that he had benefited a lot!

Chapter: 7927

“In that case, how can the Huo family survive in this place?”

Chen Ping asked curiously!

“Relying on the ladder to the sky, many children of the Huo family will enter the ladder to the sky, but there are many world resources in the ladder to the sky.”

“There is also the collection of tolls for monks entering the land of Wushuu. If you want to enter and wait for him, you must first enter the land of Wushuu. The Huo family uses this to collect resources.”

Said the Lord of the Ten Halls!

“This Huo family is quite good at playing...”

Chen Pingping smiled lightly!

“Mr. Chen, if you also want to enter the ladder to play, you must be careful of the Huo family. If you kill Huo Ming, the Huo family will never give up.”

The Lord of the Ten Halls exhorted!

“I understand that if the Huo family continues to provoke me, then I don’t mind letting the Huo family disappear from the world of heaven and man!”

Chen Ping smiled easily!

When the Lord of the Ten Halls heard this, he also smiled. Just Mr. Shi behind Chen Ping, not to mention the Huo family, the ten Huo families came, and they were all destroyed!

“Chen Ping, you’d better be careful. Huo Qing issued the kill order for the Tenth Temple. If the ladder to the sky really appeared in the land of no illusion, the Huo family could issue a kill order against you.”

“When the chips are up, those monks who go to the ladder will definitely be tempted, and then they will attack you. Not everyone knows that you have a great backer!”

Yunli reminded Chen Ping, don’t let Chen Ping be too careless!

“I understand!”Chen Ping nodded: “Let’s have a good chat with your father and son. I won’t bother. I’m going to practice too. See if I can raise the realm before the ladder appears...”

Chen Ping collected so many storage bags from the Ten Hall Masters, but there are a lot of resources in them!

With so many resources, it shouldn’t be a problem to rise to a small level!

.....

The land of no delusion, the Huo family!

Pop, pop, pop.....

Huo Qing stood in the main hall and was slapped by Huo Zhenfeng, the patriarch of the Huo family!

Huo Qing stood motionless, his face full of horror!

“You bastard, you don’t have a good experience in the Tenth Hall, what do you call your eldest brother out for?””

Chapter: 7928

“Now that your eldest brother is dead, do you still have the face to come back?”

Huo Zhenfeng’s face was full of anger!

“My lord, the second son in this matter is the guy named Chen Ping. He targeted the second son and destroyed the ten temples before the second son moved to rescue the soldiers.”

Steward Lu said cautiously!

“Shut up, you should fight too, why don’t you follow the young master out without notifying me?””

Huo Zhenfeng looked at Steward Lu and said angrily!

Steward Lu shook his head: “My lord, the eldest son didn’t let him say it, and we feel that the monks of the heavenly and human world have no one who can hurt us.”

“But who knows, but who knows.....”

Steward Lu was stumbling, and he didn’t know how a small Mahayana monk could have an expert behind him!

“The ladder to the sky is about to appear, and the hidden forces from all sides are about to move, you idiots dare to run around.”

“Don’t you know the truth that there is a sky outside the sky and there are people outside the sky?””

Huo Zhenfeng asked!

“Father, the eldest brother’s revenge must be avenged. I don’t believe that Chen Ping will stay in the Xiao Dynasty for the rest of his life!””

Huo Qing still wants to take someone to avenge his eldest brother!

“You stay honest with me. You will appear soon when you climb the ladder. You are not allowed to run around. In addition, additional manpower will be sent at the border.”

“During this period of time, I believe there will be many monks who will come to the land of no illusion early. Remember to charge more fees when the time comes.”

“Of course, it also depends on the person who orders the dishes. If the opponent’s strength is too high, the reduction is also possible to avoid conflicts!”

Huo Zhenfeng explained to Steward Lu!

“I see, let’s make arrangements now!”Steward Lu nodded!

“Father, it’s hard for me to feel at ease if I don’t avenge my eldest brother!”

Huo Qing gritted his teeth and said!

“Didn’t you already issue a kill order for Chen Ping? Since no one dares to do it with 100,000 immortal spirit stones, it will be increased to 200,000!”

“Remember, money can make ghosts push, and the ladder will soon appear, and we can make a fortune again!””

Huo Zhenfeng increased the reward to 200,000 immortal spirit stones to hunt down Chen Ping!

Chapter: 7929

The Xiao Dynasty!

Chen Ping devoted himself to cultivating, and countless resources around him were being consumed at a speed visible to the naked eye!

“Chen Ping, come out to me, where are you?”

Just as Chen Ping was practicing, an angry voice came!

“Little sister, didn’t you promise me to say it well, don’t be angry...”

Lin Kefan followed Lin Keting, constantly persuading!

When Lin Kefan returned to Sun Moon City, he told Chen Ping about sleeping with Hua Yueying!

Lin Keting looked for it angrily!

Xuan Bin and the others saw Lin Keting who was angry, and Lin Kefan who was following, all smiled slightly. They knew that Chen Ping's good days were over!

Chen Ping can have multiple women, but he also has to bear too many troubles for women!

"Mr. Chen is practicing, no one is allowed to disturb him..."

At this moment, Hua Yueying stood up!

Lin Keting saw Hua Yueying and said angrily in an instant: "Are you the one who followed me to grab a man? Why don't you look for another man, you have to look for Chen Ping?"

"It's not that I'm looking for him, it's that he's looking for me..." Hua Yueying said!

If it weren't for Chen Ping to ask Huayueying to teach him that Gan Lin came into the world, there would be no need to follow Huayueying for double cultivation!

"You are talking nonsense, you must have seduced him and let Chen Ping come out and make it clear!"

Lin Keting didn't believe it at all, so she wanted to rush in and find Chen Ping to ask clearly!

"I said, Mr. Chen is practicing, no one should disturb him!"

Hua Yueying waved her hand, blocking the roof of Chen's bungalow in a formation!

Lin Keting was angry at the moment, and when she saw Huayueying casting a spell, she also directly moved towards Huayueying!

Upon seeing this, Hua Yueying unceremoniously followed Lin Keting into a fight!

The two women fought, and the others could only watch from the side, and no one dared to step forward!

“Stop fighting, stop fighting...”

Lin Kefan was helpless, he could only persuade from the side!

Chapter: 7930

The two women came and went, but Lin Keting's strength was not as good as Hua Yueying, and she soon fell into a disadvantage!

If it weren't for Hua Yueying's mercy, it is estimated that Lin Keting would have been defeated a long time ago!

However, Lin Keting was the eldest lady of Sun Moon City, and Lin Kefan, the elder brother, was still watching, and Hua Yueying didn't dare to make a heavy move!

boom.....

Just as the two women were coming and going, there was a sudden roar!

The sky turned black in an instant, and thick thunderstorm clouds covered the entire Xiao Dynasty!

This scene is like the end of the world!

“Mr. Chen is about to break through...”

Seeing this scene, Xiao Yuanshan hurriedly said!

Upon seeing this, Hua Yueying and Lin Keting hurriedly stopped and looked blankly!

They know that this is Chen Ping’s most dangerous time, and they must not let Chen Ping be distracted!

You must know that when crossing the thunderstorm, it is very dangerous!

Boom boom.....

Kalalala.....

There was lightning and thunder, and thunder and tribulations slammed down!

I don’t know how long it took, the sky gradually cleared up, and the thunderstorm clouds also floated away!

The door slowly opened, and Chen Ping walked out slowly!

At this time, Chen Ping was already in the three products of the Mahayana Realm!

Now the improvement of a small realm has made Chen Ping feel a little bit helpless!

With this thunderstorm, Chen Ping couldn't be harmed at all!

“When I was practicing just now, who was yelling?”

Chen Ping's gaze swept past Lin Keting and Hua Yueying!

Facing Chen Ping, Lin Keting suddenly became tweaked, and she didn't dare to yell anymore!

“Mr. Chen, she wanted to see you. I was afraid of disturbing your practice, so I stopped!”
