

The Order 7931

Chapter: 7931

Hua Yueying said!

“Don’t you know that when you practice, you are most taboo to be disturbed?Are you going to make me mad and murder my husband?”

Chen Ping asked Lin Keting!

“I...I don’t...I’m not...”

Lin Keting shook her head hurriedly!

How could she harm Chen Ping, she was just too angry just now!

“I have to punish you today...”

After Chen Ping finished speaking, he took Lin Keting and thought about walking inside the house!

“Brother, save me, save me”” Lin Keting panicked a little, she didn’t know how Chen Ping would punish herself!

“Chen Ping, my little sister is just a little angry. She didn’t mean to disturb your cultivation. Please spare her once!””

Lin Kefan hurriedly followed Chen Ping to plead!

But Chen Ping ignored it at all and closed the door with a bang!

Soon, Lin Keting's voice came from the room, but the more people listened to it, the more wrong it was. Lin Keting's voice didn't want to be beaten, she seemed to be very happy!

Hua Yueying's face flushed all of a sudden. She had just experienced it, and of course she knew what Lin Keting's shout meant!

At this time, Xuan Bin and the others also heard it, and turned around and left in embarrassment!

Lin Kefan is not leaving, nor is he leaving.....

I don't know how long it has been, it's already dark anyway!

The door of Chen Ping's room opened, Lin Keting snuggled on Chen Ping's shoulder and walked out with a smile on her face!

Seeing the appearance of her little sister, Lin Kefan knew that Chen Ping had completely conquered Lin Keting!

"Brother Chen is really amazing, from dawn to dark, it's really enviable!"

At this moment, Yun Li walked into Chen Ping's yard with envy on his face!

“Brother Yun, you are also very good...” Chen Ping said with a slight smile!

“I can’t do it, it’s far from it! Yun Li smiled, and then said, “Climbing the ladder will appear in the land of no illusion. Visions have appeared in the land of no illusion, and a large number of monks have gathered in the land of no illusion. Should we also go to the land of no illusion in advance to get acquainted with it?””

“Yes, if you don’t say it, I want to go and see it too!””

Chapter: 7932

When Chen Ping heard this, he nodded in agreement!

“Well, we will leave tomorrow, but for your safety, we must go separately.”

“After all, that land of no illusion is the territory of the Huo family. With so many of us together, it is easy to be targeted by each other.”

Yun Li said!

“Well, tomorrow I will walk alone, you can just take the airship over, remember to bring more resources, after all, there is no resource supplement in that land of no illusion!””

Chen Ping still remembers the words of the Lord of the Ten Temples, there are no resources in the land of no illusion, not even aura. If you fight in the land of no illusion and consume too much, there is no way to replenish it!

You can only go there with a lot of resources by yourself, and consume your own resources to cultivate!

After the agreement was reached, Chen Ping contacted Xing Daorong overnight and asked him to send all the fairy spirit stones in Beast City!

Chen Ping himself pulled on Huayueying and returned to the room!

This time, together with Hua Yueying and Lin Keting, it can be regarded as Chen Ping's reconciliation between the two!

Early the next morning!

Xing Daorong sent 100,000 immortal spirit stones, and Chen Ping asked Ji Yun to take out the airship!

Because Ji Yun's strength is still too low, it is useless to go to the land of No illusion. After all, if you don't climb the ladder, there is no objection to going to a place like the Land of No Illusion without any resources!

Besides, Ji Yun now has a sister, and she doesn't want to run around in Gentle Township all day long!

Chen Ping handed over the airship to Xuan Bin to control, so that all the way to the land of no illusion, everyone does not need to consume, and they can also practice on the airship!

Chen Ping himself was flying in the royal air, and according to the position stated by the Lord of the Ten Temples, he went to the land of no illusion!

Xuan Bin, Zhou Tang, Cang Yue, Hua Yueying, Yun Li, Shi Lan, Lord of the Ten Halls, Lin Kefan, Lin Keting.

These people are all in the airship, following Chen Ping behind, maintaining a certain distance!

Along the way, everyone also met a lot of monks who went to the land of no illusion!

Moreover, these monks are all powerful, and the worst have the eight products of the Mahayana Realm!

Chen Ping was very speechless, but he didn't expect that there were so many masters hidden in the human world this day!

When Chen Ping and the others rushed to the land of No illusion, the two figures in the extreme north of the Northern Territory were also hurriedly heading in the direction of the land of no illusion!

The two of them were very fast, with flames burning all over their bodies, and they looked like two burning meteors at a glance!

I don't know how long it took, Chen Ping came to a silent sea level. The dead silence of the sea followed the dead sea in the eastern region!

Chapter: 7933

Looking up, there was a gray area in front of him, as if there was a barrier, and it had reached the end of the world of heaven and man!

"Passing through here, it should be a land of no delusion..."

Chen Ping took a deep breath, and then flew towards the gray area!

Behind Chen Ping, it was Xuan Bin and the others driving the airship!

But after Chen Ping reached the gray area, suddenly a mysterious force came towards him!

Chen Ping didn't pay attention, but used his powerful body to directly smash the coercion to pieces!

At this moment, an old man walked out of the gray area.

Monk at the top of the Mahayana Realm!

The old man was dressed in a black robe, and when he saw Chen Ping's realm, there was a bit of disdain on his face!

"When did the three-pin monks of the Mahayana Realm dare to come here!"

The old man looked at Chen Ping and said!

Chen Ping also glanced at the old man twice, and didn't plan to ignore him, he wanted to go around!

But the old man stretched out his hand and said, "You don't understand the rules?"

"What rules?"

Chen Ping was taken aback!

"If you want to enter this land of no illusion, you need a thousand immortal spirit stones!" The old man said!

Chen Ping didn't speak, but threw a thousand immortal spirit stones to the old man casually!

A thousand immortal spirit stones are similar to drizzle for Chen Ping!

There is no need to waste time for a thousand immortal spirit stones!

The old man looked at the immortal spirit stone and was taken aback for a moment. Obviously, he didn't expect that Chen Ping was just a monk of the three products of the Mahayana Realm, but he could take out a thousand immortal spirit stones casually, and he didn't seem to care!

"I met the second-generation brother..." The old man was happy in his heart!

"Can I go over there?"

Chen Ping asked!

"It's okay to pass, but you enter the land of no delusion, we..."

Chapter: 7934

What else did the old man want to say, but after the old man finished speaking, Chen Ping threw another thousand immortal spirit stones into the hands of the old man!

This look of an upstart made the old man dumbfounded!

"Anything else?" Chen Ping asked!

“Ah.....” The old man couldn’t remember any excuses for a while, but he didn’t want to let go of a sucker like Chen Ping!

A low-level but very wealthy monk like Chen Ping is rarely encountered. This kind of fat sheep will be completely slaughtered when encountered!

After all, many rich second-generation people with low-level status will take a master with them when they go out. They don’t even look at gatekeepers like the old man!

Now Chen Ping is alone, so if he doesn’t kill him at this time, when will he stay?

“Of course, you can enter the land of no illusion with this money, but after you enter, there will be sanitation fees, head fees, tolls, bridge fees...”

The old man broke his fingers and talked to Chen Ping one by one!

“Just say how many fairy stones you need!” Chen Ping didn’t bother to listen to him!

“Need...need...” The old man thought for a while, gritted his teeth for the last time: “Need five thousand immortal spirit stones...”

“Here you are.....”

As soon as the old man’s voice fell, Chen Ping threw out five thousand immortal spirit stones directly.

The old man was stupid, and then slapped him fiercely: “Damn, it’s going to be less...”

Why are you so stupid?

Gritted his teeth to ask for it, he only dared to ask for five thousand fairy spirit stones!

If this is more important, obviously the other party will also give it.....

Hey.....

Don't mention that the old man regrets it!

"Wait a moment, your situation is a bit special, and we need our elders to come here in person!"

The old man stopped Chen Ping and said!

"Are you the Huo family?" Chen Ping asked!

"Not bad." The old man nodded: "But don't mention that you know our Huo family. It's useless. This is our rule. You can't go through the back door!"

"Don't worry, I won't mention it, but I really know the two young masters Huo Ming and Huo Qing from your Huo family!" Chen Ping said with a slight smile!

Chapter: 7935

"Oh, our young master knows a lot of people, and many people who come here say they know them both."

“But our young Master Huo Ming died some time ago. You don’t even know this. It is estimated that he is not very close to our young master!”

As the old man said, he took out the Chuanyin Yujian!

Accompanied by the old man’s spiritual power into Yujian, a voice soon came!

“What’s the matter?”

On the opposite side is a very old voice!

“Elder Liu, there is a person with a special status here who needs to enter the land of innocence, and you must come and check it yourself!”

The old man hurriedly whispered in a low voice!

“Got it!”The other party just replied faintly!

A moment later, a terrifying aura suddenly came, and then an old man in a Chinese robe appeared. With the appearance of the old man, the surrounding void was distorted!

The second product of Wonderland, both in terms of strength and clothing, it is obvious that this old man in the robe is a higher level!

“Elder Liu, this is a big fish...”

The black-robed old man leaned over to Elder Liu and muttered in a low voice!

Elder Liu nodded, walked up to Chen Ping with a model, looked at it, and said, "You are only one of the three products of the Mahayana realm, why did you come to this land of no delusion."

"Play, is it not allowed?" Chen Ping said calmly!

"Permission is definitely allowed, as long as you pay the fee, we..."

"I have paid all the fees!" Chen Ping didn't wait for Elder Liu to finish speaking, so he replied!

"Elder Liu, all tolls, sanitation fees, and head fees have been paid..." The black-robed old man desperately followed Elder Liu to make eyes!

"I know you have dealt with it, of course you can also go in, but your realm is too low, and you also know that the ladder to the sky is about to open. There are many masters in our land of no illusion. If you are in this realm, if no one protects you, you will be killed in minutes."

"So when you enter the land of no illusion, you still need someone to protect you. Someone must be responsible for your safety, so this security fee needs to be charged!"

Elder Liu said seriously!

"How much do you need?" Chen Ping asked!

"Five thousand....."

“Ahem ahem.....”

Chapter: 7936

The black-robed old man coughed desperately, then held Elder Liu down and pulled Elder Liu aside.

“Elder Liu, this is a big fish, don’t dare to ask for it.”The old man in the black robe whispered!

“I feel fine with five thousand, don’t ask for more, people are going to run away!”

Elder Liu said!

“I can’t run, I didn’t blink just now, I have already given me seven thousand immortal spirit stones.”The old man in the black robe said!

“So awesome...” Elder Liu was taken aback, and then laughed happily!

Chen Ping on the side, looking at the two muttering people, also smiled!

Two guys who haven’t seen it before!

“I just discussed it. In your case, you need 50,000 immortal spirit stones.”

“You only need to pay 50,000 fairy spirit stones, and we can guarantee that you will be fine in the land of innocence.”

“When the ladder comes, if you want to enter the ladder to play, we can still help!”

Elder Liu told Chen Ping in detail, it is estimated that he was afraid of 50,000 immortal spirit stones, and Chen Ping was going to run away!

“Fifty thousand immortal spirit stones, not many...”

Chen Ping didn't hesitate, he took out the storage bag and threw it to Elder Liu!

Elder Liu looked at the Fairy Spirit Stone, and suddenly smiled all over his face: “Okay, you can go in, and I will send someone to protect your safety right away.”

“If you still have any needs in the land of no illusion, just mention it to me and I can satisfy you!”

“Thanks!” After Chen Ping finished speaking, he walked in without looking back!”

“I'm rich, I'm really rich, I only need to pay a thousand to the above, and the rest is ours.”

The black-robed old man said excitedly!

“What are you excited about? These 50,000 immortal spirit stones are mine. The 7,000 immortal spirit stones you want, give them to the top 1,000. Keep the rest by yourself, I'll treat it as if I didn't see it!”

Elder Liu glared at the black-robed old man and said!

The old man in the black robe was taken aback, but he didn't dare to refute, so he could only nod his head dejectedly!

At this moment, a huge airship came slowly, and Lin Kefan was standing in front of the airship at this time!

Elder Liu and the black-robed old man all became serious when they saw this!

Chapter: 7937

When he saw Lin Kefan on the airship, Elder Liu took the initiative to greet him!

"Isn't this the fourth prince of Sun Moon City? It's really disrespectful and disrespectful..."

Elder Liu smiled all over his face!

"How much does it cost for me to enter the land of no illusion?" Lin Kefan asked blankly!

"The fourth prince enters, what does it cost? You can just enter as you like."

Elder Liu said hurriedly!

"I still have a few friends in this airship, do you want to check it out?"

Lin Kefan said!

“No, no need for anything.”

Elder Liu waved his hand again and again.

Lin Kefan let out a sigh, and the airship slowly entered the gray area!

“It’s really arrogant, the four princes of Sun Moon City just have noodles!”

The black-robed old man looked at the airship that was gradually entering, his face full of envy!

“In the future, keep your eyes on the bright spots. If you can’t sin like this, don’t offend. Let you guard the border. This is a fat job. You also have to have some eyesight.”

Elder Liu said to the black-robed old man!

“Elder Liu, don’t worry, my eyes are good at seeing people and thieves. Didn’t you just kill one?””

The old man in the black robe smiled!

Elder Liu was also full of joy, and he picked up tens of thousands of fairy spirit stones in vain. It was so cool!

“You two are very happy!”

At this moment a voice came!

The two of them looked at each other with their voices, and they were stunned immediately!

“Lord of the Ten Temples, why are you here too...”

Elder Liu and the black-robed old man all greeted them!

The lord of the ten halls, that is the lord of the ten halls of the temple, and their young master works under others!

Chapter: 7938

Although the Huo family has many high-level officials in the temple, they are descendants of the Huo family after all, and they are only subordinates of the Huo family, so when they see the lord of the Ten Temples, it is called a diligent one!

“Where are you two guarding the border?”

The Lord of the Ten Halls asked!

Because of Huo Qing’s sake, the Lord of the Ten Halls is also familiar with the Huo family!

“Yes, yes, the two of us are guarding. Elder Liu nodded again and again, and then said, “The Lord of the Ten Temples is here. I don’t know if the lord knows it. Do you need me to report it?””

“No, I’ll just come around and take a break!”

The Lord of the Ten Halls waved his hand and said!

“The Lord of the ten temples, please...”

The two of them bowed their waists and made a gesture of invitation!

At this moment, a trace of fierceness flashed in the eyes of the Lord of the Ten Halls, and then both palms came out!

Boom boom.....

After two sounds, Elder Liu and the black-robed old man both flew out, and then spat blood on their faces in shock!

“Lord of the Ten Halls, this is.....”

Elder Liu looked at the Lord of the Ten Halls in disbelief. He didn’t understand why the Lord of the Ten Halls suddenly did something to the two of them?

“Two things that don’t have long eyes, Mr. Chen’s fairy spirit stone also dares to deceive, this is you looking for death!”

The Lord of the Ten Halls stepped forward and searched out the storage bags on both of them, including, of course, those given by Chen Ping.

“Mr. Chen? Could it be the boy just now?”

Elder Liu looked incredible.

It's just a monk of the three products of the Mahayana Realm, how could the lord of the Ten Temples be called sir, and he has to do it to them!

After putting away the storage bag, the Lord of the Ten Halls waved his palm!

Elder Liu and the black-robed old man were instantly erased, as if the two had never existed before!

The Lord of the Ten Halls swaggered into the gray area!

Chen Ping and Lin Kefan are all waiting for him in front!

"Got it back?" After Chen Ping saw the Lord of the Ten Halls, he asked directly!

"Got it back!"

The master of the Tenth Hall nodded and handed all the storage bags to Chen Ping!

Chen Ping only put away the immortal spirit stones that belonged to him, and the others were thrown back to the Lord of the Ten Temples!

The reason why Chen Ping was so happy just now was not because he was rich, but because he knew that he could get it back as much as he gave!

Chapter: 7939

"Well, you all pay attention to your safety in the land of no illusion. If there is anything, I will let you know."

Chen Ping put away the fairy spirit stone and said to everyone!

“Mr. Chen, you have to be more careful. This is the territory of the Huo family. You killed Huo Ming, so the Huo family will definitely not give up.”

“The reason why the Huo family hasn’t moved yet is that they are probably waiting for the ladder to appear.”

The Lord of the Ten Halls exhorted Chen Ping!

“I know!”Chen Ping nodded!

“Chen Ping, if you encounter any danger and can’t get out, then find a way to the Dao Gate. As long as you enter the Dao Gate, even the Huo family dare not be too presumptuous.”

Yun Li stepped forward and said!

“Daomen?Where is that place?Haven’t you heard you say it?”

Chen Ping asked puzzledly!

“Daomen is just a gathering place for monks. When the ladder appears, all monks will gather in the place of Daomen, so this period of time is the most prosperous time for Daomen.”

“Many monks come to the land of innocence, not to climb the ladder, but to do business in the Dao Gate. At other times, the Dao Gate is idle.”

“Daomen is the only place in the land of Wusu that is not managed by the Huo family. The major forces are peacefully co-managed in Daomen. This is also to prevent the Huo family from using the convenience of geography to suppress others!”

Yunli followed Chen Ping to explain the place of Daomen!

“Another point is that in the land of nonsense, Mr. Chen better not trust anyone, especially your current identity. I don’t know how many people are eyeing you.”

Xuan Bin also said!

“Brother-in-law, you don’t have to be too nervous. The ladder is opened, and our Sun Moon City is also involved in the management of the Dao Gate. At that time, my father and Taoist Master Wuji will also come.”

Lin Kefan patted Chen Ping on the shoulder so that Chen Ping didn’t have to be too nervous!

Sun Moon City, as a powerful organization in the heavenly world, must also have a place in this gate!

“Okay, I understand!”

Chen Ping smiled slightly, and then his figure flashed away!

Passing through the vast gray area, Chen Ping’s eyes suddenly opened up!

Towering mountains, green trees, patches of grassland, and herds of cattle and sheep.....

Looking at the beautiful scenery in front of him, Chen Ping was stunned!

Chapter: 7940

Is this a land of no delusion?

Chen Ping was a little stupid. Listening to the introduction of the Lord of the Ten Temples, this land of no delusion should be a barren land, right!

No aura, no resources.....

Thinking of this, Chen Ping's eyes lit up suddenly, and he patted his forehead in an instant and said, "Holy shit, it turns out that the land of innocence is like this..."

Chen Ping wanted to understand that this land of no delusion does not mean that it is barren, but that there is no aura and no cultivation resources here. For the monks of the heavenly world, this is a worthless place!

But if you are an ordinary person, if you are in the secular world, this place can be called Xanadu!

The mountains and waters are beautiful, and there are groups of animals everywhere!

These are normal animals, not orcs, and it is impossible to turn into human forms!

"It's great, I finally returned to the feeling of an ordinary person..."

Chen Ping fell from mid-air to the grass, and directly began to roll with excitement!

The fresh air, after inhaling the body, feels a burst of comfort!

"Such a beautiful place, in the eyes of these people in the world of heaven and man, has become a land of no delusion..."

Chen Ping felt it very much.

If possible, Chen Ping really wants to take the women around him and live a lifetime in this kind of place in peace!

But Chen Ping knew that these were all luxuries, and now he no longer allowed himself to be dull!

“Fellow Taoist, is this the first time you have come to this place?”

At this moment, a voice suddenly sounded from Chen Ping’s side!

Chen Ping’s body shook slightly, and he stood up in an instant. He was so relaxed and excited just now that he didn’t even notice that someone was approaching him!

Chen Ping got up and saw two people walking towards him. These were two women, all wearing white dresses, and they all looked very beautiful. The most important thing was that the two looked almost exactly the same, except that on the hairpins of the two, there were two butterfly accessories of different colors, one blue and the other red!

twins.....

Chen Ping could see at a glance that these were twins!

The woman with blue accessories stepped forward, smiled slightly and said, “Taoist friend, this is the first time you have come to this land of no delusion, right?”

“How do you know?”

Chen Ping asked!
