

## The Order 7941

Chapter: 7941

“Looking at your excitement just now, I know that you came for the first time. When our sisters came for the first time, they were the same as you.”

“This place is really beautiful, but it’s a pity that there is no aura and no cultivation resources. If you stay here for a long time, your cultivation will stagnate!”

The woman with blue accessories said!

“What is the reason for cultivating? If you can be in this kind of place, with the woman you love, and live a dull life, it’s actually pretty good.” Chen Ping said with emotion!

“Of course I practice to become an immortal...” The woman in red accessories said!

“After becoming an immortal?” Chen Ping continued to ask!

“Of course, I will continue to practice and become a Shangxian, Jinxian, Tianxian, Xianjun, and Xian Emperor.....”

The woman with red accessories said with longing in her eyes!

“Even if you become the master, the master of heaven and earth, what can you do?”

“Looking at thousands of stars every day, do you live alone, live for thousands of years, hundreds of millions of years, or even eternal life?”

Chen Ping asked!

“This.....” The woman with red accessories was stunned!

She seems to have never considered this issue. In her cognition, that is, she has been cultivating and cultivating towards a higher level!

As for why she practiced, and what happened after she cultivated to the master of heaven and earth, she had never considered it!

Chen Ping suddenly asked today, which made the woman with the red accessories a little confused!

“Fellow Taoist, people have different goals, so they have different thoughts. Maybe in your eyes, it’s good to live a dull life with your loved one!”

“But some people think that it is perfect to practice until eternal life. The goals are different, but there is no right or wrong. We still won’t discuss these.”

“Taoist friend, since you have come to the land of no delusion, you must have rushed to the ladder, right?”

The woman with blue accessories interrupted Chen Ping’s topic and said!

If you continue to do this, your sister is afraid that her brain will explode!

“Yes, I want to see the ladder down...” Chen Ping nodded!

“A little monk of the three qualities of the Mahayana realm like you, there are really not many who dare to enter the land of no delusion, and none of them dare to climb the ladder.”

“You can be regarded as the most courageous monk I have seen in so many years, and you dare to climb the ladder in the three-level realm of Mahayana Realm!”

“Your courage is really admirable...”

Chapter: 7942

The woman with blue accessories praised Chen Ping and kept giving her thumbs up!

Listening to the praise of the blue-haired woman, Chen Ping began to become vigilant!

Nothing to be courteous, either rape or theft.....

“You have something to ask me?”

Chen Ping asked vigilantly!

“No, no!The blue woman shook her head: “I just admire the courage of Taoist friends, but in this land of no illusion, if you want to climb the ladder, you can’t rely on courage alone.””

“It’s not the most dangerous to climb the ladder here. The most dangerous thing is these monks who enter the land of no illusion. They will kill you at any time when they see your realm is so low.”

“You have to hide your breath so that others can’t detect your true strength. In this case, those people won’t dare to do it to you easily, and you can walk freely in this land of no illusion!”

“Hidden breath, this...”

Chen Ping was just about to ask, but the woman with the blue accessories interrupted Chen Ping and said, “I know, you will definitely not hide the breath spell, but it doesn’t matter, I have a hidden rune here, you only need to wear this rune on your body, you can hide the breath on your body, others will not notice your strength.”

The blue woman took out a rune and shook it at Chen Ping and said!

Upon seeing this, Chen Ping suddenly laughed. He now understands why this woman praised herself just now. It turned out that she was going to sell herself a hidden talisman!

“You gave me this hidden talisman for nothing?” Chen Ping asked deliberately!

“That’s not okay. This hidden talisman was drawn by a senior talisman master himself, and I also spent a lot of resources to get it.”

“But if you want, I can give you some, but I must not give it to you for nothing!”

“If others want it, I won’t give it no matter how much resources are spent. I think you have beautiful eyebrows and good eyes. That’s why I gave you some.”

The blue woman said!

“Sister, we don’t have many runes anymore. How can you give them to others? This is painted by the rune master we invited at a great price.”

“You let it out, what else do we use by ourselves?”

The woman with the red accessories hurriedly stopped!

“Sister, I think this Dao Friend’s strength level is too low, and he can’t bear to be harmed, so let him have some!”

The blue woman said!

“Can’t let it...” The red woman tried her best to stop it!

Chen Ping watched the two of them perform hard and laughed unconsciously!

Chapter: 7943

How could there be such a deception in the human world in this day?

“Since this thing is so important to you, then I don’t want it. You can’t make it difficult for your sisters!”

Chen Ping decided to tease the twin sisters, and turned around and left after speaking!

At this moment, the twin sisters were dumbfounded!

Originally, they wanted to perform in front of Chen Pingping so that they could sell this hidden talisman at a high price!

But now Chen Ping turned his head and left!

“Hey hey...” The blue woman caught up with Chen Ping: “Fellow Taoist, don’t go, my sister is ignorant, how about I give you this hidden talisman cheaper?””

“What price?” Chen Ping asked!

“How about a ten thousand immortal spirit stone?” The blue woman said!

“Ten thousand immortal spirit stones?” Chen Ping was taken aback: “Just your broken rune, is it worth 10,000 immortal spirit stones?” Why don’t you grab it...”

“Fellow Taoist, if you think it’s too expensive, we can discuss it!”

The blue accessories woman smiled!

“No more, no more...” Chen Ping said, turning around and leaving!

But before she could turn around, the red woman pointed her sword directly at Chen Ping!

“Since you asked, you have to, otherwise don’t blame me for being rude!”

The red woman’s body bursts with the breath of the nine products of the Mahayana Realm!

“Are you buying and selling?” Chen Ping said with a smile!

“Yes, our sisters are not unreasonable people. Your fairy spirit stone buys our hidden talisman. This is a deal.”

“If I met someone else, I would have killed you with a sword and robbed you of your things!””

The blue woman also spoke!

“For the first time, I heard that the strong buying and selling is so tall and fashionable, I have the fairy spirit stone, but I won’t buy your hidden talisman!”

Chen Ping said with a smile!

“Boy, are you not afraid of death?”The blue woman frowned!

“I’m afraid of death, but you two can’t kill me!”

Chapter: 7944

Chen Ping said!

“Huh, you are just a monk of the three qualities of the Mahayana realm, and you dare to say such big things, not to mention the two of us, I can send you to the West with a sword!””The red woman snorted coldly!

“Really?! I don’t believe it, why don’t you try?”

Chen Ping waved provocatively at the red woman!

“Looking for death...”

After the red woman finished speaking, she would slash at Chen Ping with a sword!

“Stop, you two get out of here, this person is mine...”

Accompanied by a roar, a young man wearing a brocade robe, a jade pendant tied around his waist, and a folding fan in his hand came!

Behind the young man, there were two cold-looking monks!

“Tang Xiaoyi?”

Seeing this young man, both women’s expressions changed slightly!

“Hongyao, Lanyao, are your two sisters blind? They don’t want a lot of bounty, but they just sell your broken spell.”

Tang Xiaoyi shook the folding fan and said with disdain!

“Master Tang, what do you mean?”

Hong Yao asked!

“Don’t you know this person?”Tang Xiaoyi asked!

Hongyao and Lan Yao shook their heads. They didn't know Chen Ping. They just saw that Chen Ping was in a low state and had a strange face, so they came to sell the hidden talisman!

"No wonder! Tang Xiaoyi smiled slightly: "This person's name is Chen Ping, and he is the one hunted by the Huo family's 200,000 immortal Spirit Stones.""

"Two hundred thousand immortal spirit stones?"

The two sisters Hongyao and Lanyao glanced at each other, their eyes full of surprise!

"Master Tang, are you kidding me? How could he be worth 200,000 immortal spirit stones as a three-rank monk in the Mahayana Realm?"

Lan Yao asked suspiciously!

"Who the hell has time to joke with you, anyway, this is what the Huo family said, I don't care what his realm is."

"You two feel like getting out of here. If you make me unhappy, my men haven't touched a woman for a long time!"

Chapter: 7945

Tang Xiaoyi said to the two sisters!

“Don’t be angry, Master Tang, let’s go...”

Hongyao hurriedly pulled her sister, smiling all over her face!

But when the two sisters turned around and were about to leave, dozens of balls of light were suddenly thrown from the two of them!

These spheres of light burst out with dazzling light, and a series of explosions occurred in an instant!

Tang Xiaoyi was caught off guard by this sudden attack and quickly retreated!

“Let’s go, are you still waiting to die here?”

Hongyao pulled Chen Ping up and fled quickly!

At the same time, Lan Yao put a hidden talisman on Chen Ping’s body to hide Chen Ping’s breath so as not to be caught up by Tang Xiaoyi and others following the breath!

“Damn, chase me...”

Tang Xiaoyi was furious, and quickly chased after him with his hands and feet!

Hongyao and Lanyao ran with Chen Ping for half an hour, until the hidden talisman on their bodies lost its effect, and then they stopped gasping for breath!

The two hurriedly took out a few pills to replenish their strength, while Chen Ping looked at the two of them with some surprise!

“Why are you two saving me?”

Chen Ping asked puzzledly!

“No reason...” Hong Yao took two breaths and said!

“Our sisters are kind-hearted, how can you thank us both?”

Lan Yao asked!

“Kind-hearted?” Chen Ping smiled: “Is the heart kind and still buys and sells to bully the weak?””

Lan Yao glared at Chen Ping: “It’s good to buy hard and sell hard. You see that there are still people who want to kill you directly to receive the reward.”

“Isn’t it because your sisters saved me to receive the reward yourself?””

Chen Ping smiled!

“Now that you can see it, our sisters won’t go around anymore. I really didn’t expect you to be a three-rank monk in the Mahayana realm, but you are worth 200,000 immortal spirit stones.”

“I don’t know if the Huo family’s brain is rusty, or there are too many fairy spirit stones, it’s useless!””

Chapter: 7946

“But don’t worry, I will do it quickly in a while, and it won’t cause you pain.”

Hongyao looked at Chen Ping and comforted him out loud!

Chen Ping looked at the twin sisters in front of him and couldn’t help laughing!

Although these two women have IQ, they don’t have much.....

“What are you laughing at?Are you not afraid of death?”

Lan Yao asked!

“I laugh that you have a problem with your IQ.”Chen Ping said!

“what?Don’t you dare to laugh at us.”

The long sword in Lan Yao’s hand pointed at Chen Ping!

“Think about it with your brains. Is the Huo family has too many immortal spirit stones, or is it rusty? They actually used 200,000 immortal spirit stones to kill me, a monk of the three products of the Mahayana Realm.”

“Wouldn’t they send an elder to kill me casually? What kind of killing order do they want, and they have to take out 200,000 fairy spirit stones.”

Chen Ping said!

Hong Yao's eyes turned, and he said slightly thoughtfully: "That's right, why doesn't the Huo family do it themselves?"

"Because the Huo family knows that it's not that easy for them to kill me, because there are people behind me, they dare not offend, so they are offering a reward to let others do it."

Chen Ping explained!

"There is someone behind you? Is the person behind you stronger than the Huo family?" Lan Yao asked!

The corner of Chen Ping's mouth raised: "A little Huo family, wave your hand to destroy it..."

"Bragging, why don't I believe there is someone behind you? Tell me who is the backer behind you?"

Lan Yao didn't believe it, what a powerful backer a three-rank monk in the Mahayana Realm could have!

"My backer is myself!"

Chen Ping pointed to himself and said!

"Don't you dare to play with our sisters, I..."

Lan Yao thought that Chen Ping had played them, so he had to kill Chen Ping!

But I dared to do it, but I felt a terrifying breath coming!

Chapter: 7947

“I see how you still run!”

Tang Xiaoyi became furious, and then slammed a punch at Chen Pingping’s two sisters!

The realm of the nine pinnacle peaks of the Mahayana Realm filled this punch with the aura of destroying the sky and the earth!

When Hongyao and Lanyao saw this, they were shocked, but it was too late to escape at this time!

The faces of the two of them were full of despair, and they knew that they were afraid that they would be doomed today!

Puff!

Suddenly, Tang Xiaoyi was taken aback, and then quickly fell down from the air!

I saw Tang Xiaoyi’s eyes widened and he looked at his chest blankly!

I don’t know when, Tang Xiaoyi actually had a sword in his chest!

Dragon Sword.....

The two sisters were in a daze, because they didn't even see clearly how the sword got out!

When the two entourages behind Tang Xiaoyi saw this, they instantly burst out with a terrifying aura, blocking Tang Xiaoyi's left and right!

Both of them had the strength to transform into a fairy land, and when they saw Tang Xiaoyi being penetrated by a sharp sword, their brows all frowned!

With the strength of the two of them, they didn't even find out how this sword penetrated their young master's body!

"Friends Chen Daoyou, we are from Tangmen. This is our young master Tangmen. I hope you will let our young master go!"

One of the monks said, holding his fist towards Chen Ping!

Being able to penetrate Tang Xiaoyi's body with a sword in an instant under their noses, then Chen Ping's strength could never be the three products of the Mahayana Realm revealed!

What's more, Tang Xiaoyi is the pinnacle of the nine-pin realm of the Mahayana Realm, how could he be penetrated by a sword from a monk of the three-pin realm of the Mahayana Realm!

The only explanation now is that Chen Ping has hidden his true strength!

"Tangmen?Chen Ping shook his head: "Never heard of it!"

Swish!

The dragon Slashing sword returned to Chen Ping's hands, but Tang Xiaoyi's body was instantly cut in half, and the gods were all destroyed!

At the same time, Tang Xiaoyi's storage bag also flew into Chen Ping's hands!

"It's really a rich young master, there are so many good things!" Chen Ping glanced at the storage bag, and then said to the two Tang monks: "You are welcome to avenge your young master..."

Chapter: 7948

The two Tang monks glanced at each other, but no one dared to move!

The more Chen Ping is like this, the more bottomless these two people are!

The two of them could only stare at Chen Ping, their hands clasped tightly, exuding a terrifying aura, but they never did it!

The sword just now made the hearts of the two throbbing!

The two of them are masters of transforming Fairyland, but they didn't even see how Chen Ping did it!

Originally thought that Tang Xiaoyi's skills, even if it weren't for Chen Ping's opponent, it would be impossible to be killed in seconds!

As long as the situation is not right, they are helping!

Who knows, Tang Xiaoyi was killed by Chen Ping in seconds!

At this moment, they can understand why the Huo family used 200,000 fairy spirit stones to offer a reward to kill Chen Ping!

This kind of strength is worth two hundred thousand taels!

After staring at Chen Ping for a while, the two Tang monks slowly dissipated their momentum, then turned around and picked up half of Tang Xiaoyi's body, and quickly disappeared into the sky!

It wasn't until the two Tang monks left that the two sisters Hongyao and Lanyao breathed a long sigh of relief and instantly collapsed on the ground!

The breath of the two reincarnated monks just now made it difficult for the two sisters to bear it!

The two of them at this moment are almost about to collapse!

Chen Ping turned around and looked at the two sisters, his eyes as plain as water!

The more Chen Ping was so plain, the more frightened the two sisters were!

"Master Chen, I...we were wrong, please forgive the Taoist friends, we are willing to hand over all the resources on our bodies!"

Lan Yao didn't have the appearance she had just left, she became pale at this moment, her body trembled, and she looked pitiful!

“If Master Chen can’t look at the resources of our sisters, our sisters can also dedicate their bodies for Master Chen’s recreation.”

“We are twin sisters, so we can give Chen Gongzi a different experience!”

Hongyao blinked a pair of big eyes and kept discharging Chen Ping!

“Not interested.....”

After Chen Ping finished speaking, he turned around and left!

What kind of sisters and sisters are not sisters and sisters, Chen Ping is not interested at all now!

Chapter: 7949

Anyway, I don’t lack women.....

Chen Ping turned around and left, which really surprised the two sisters. The two sisters looked at each other, then got up and chased Chen Ping!

“Master Chen, wait a minute...”

Hong Yao yelled!

“What?Do you two sisters have to let me sleep?”

Chen Ping frowned slightly!

Hongyao blushed and shook her head: "The beauty of our sisters will definitely not enter the eyes of Master Chen."

"We just want to remind Master Chen that the identity of the person you just killed is not simple. You shouldn't know who he is, right?"

"Didn't you just say, what kind of Tangmen, what kind of young master?" Chen Ping said!

"Then Master Chen definitely doesn't know what Tangmen is." Hong Yao said!

"No matter what he is, if he wants to kill me, he can only die. It's the same when the heavenly king Lao Tzu comes. This is my rule!"

Chen Ping said indifferently!

When the two sisters Hongyao and Lanyao heard this, their bodies were sweating coldly. Thinking about it, they just wanted to pit Chen Ping, not really want to kill him!

Otherwise, the two sisters might be corpses now!

"Master Chen, that person is called Tang Xiaoyi, and he is the son of the Tang Sect. Although the strength of the Tang Sect is not the top, it cannot be underestimated. They also have a place in the Dao Sect and have the right to speak."

Hongyao introduced Tangmen to Chen Ping!

"Then how strong is Tangmen compared to the Huo family?" Chen Ping asked!

“Tangmen is naturally no better than the Huo family, but it’s not much worse.”

Hong Yao said!

“I’m not even afraid of the Huo family, Tangmen is a fart...” Chen Ping smiled!

Hongyao was taken aback, slightly embarrassed: “Master Chen, although the Tang family is not as good as the Huo family, even if the three families are added together, the Huo family is not an opponent.”

“Even three doors?” Chen Ping was taken aback, he didn’t understand what this was!”

“Master Chen, even the three sects are the strength of the three sects. Because they are married to each other, the three sects are now united.”

“So we have always called Lian Sanmen. Among them, there is this Tangmen, and there is also a dry gate. People in the dry gate will have some deductions of divine arithmetic, and the other is the spirit Gate. My favorite is to raise spirit beasts.”

Lan Yao interrupted at this time to explain to Chen Ping!

“Even if the three doors are added together, how is it compared to Sun Moon City?”

Chen Ping asked!

“I don’t know this. After all, Sun Moon City is more mysterious, and I heard that its strength is also one of the best in the world of heaven and man. I don’t dare to say whether even the three gates can compare to Sun Moon City!”

Lan Yao hurriedly shook his head and said!

“The emperors of Sun Moon City are all my younger brothers. Do you think I am afraid of even three doors?”

Chen Ping smiled coldly, then turned around and continued to walk forward!

The two sisters looked at Chen Ping, and for a while they didn't even know whether Chen Ping's words were bragging or really coerced!

Chapter: 7950

Chen Ping didn't care what the two sisters thought, but walked straight forward!

And took out Tang Xiaoyi's storage bag and looked through it carefully!

As the eldest son of Tangmen, there will definitely be a lot of good things in the storage bag!

Chen Ping threw some pills in the storage bag into his mouth casually!

There is no trace of aura and resources in this land of no illusion, and it can only be supplemented by the resources it brings!

“Hey, what is this thing?”

At this moment, Chen Ping took out a glowing sphere from the storage bag!

This luminous sphere is transparent, and it contains a mysterious power!

Through the sphere, you can still see a small animal curled up inside, and the flesh and blood vessels on the body are clearly visible!

“Is it a spirit beast egg?”

Chen Ping remembered the little sky-swallowing beast, which was also a sphere at the time!

“Master Chen, be careful, that’s the spirit eater of the spirit Gate.”

Hongyao’s shout came from behind Chen Ping!

Chen Ping hadn’t reacted yet, but the glowing sphere in his hand suddenly broke, and then the spirit-devouring beast flew out in an instant, and it fell between Chen Ping’s eyebrows!

Chen Ping stayed motionless on the spot, then Hongyao and Lanyao had already chased him up at this moment!

“It’s broken, Master Chen has been invaded by a spirit-devouring beast, I’m afraid that Master Chen’s consciousness will be swallowed up!”

Seeing this, Hong Yao said anxiously!

“Sister, there is no way to get rid of the spirit-devouring beast when it enters the body. After a while, Chen Ping will become dementia even if he doesn’t die.”

“We just took the opportunity to cut off his head, and then we took it to Huo’s house in exchange for the fairy spirit stone. How nice!”

Lan Yao said with some excitement!

“Shut up!Hongyao frowned: “Master Chen just let our sisters go, how could we do such a thing!””

“Sister, he will die sooner or later anyway. Even if we don’t do it, someone else will definitely do it.”

“Instead of cheapening others, it’s better to let our sisters get the 200,000 fairy spirit stones, that’s 200,000!”

As Lan Yao said, the sword in his hand was about to cut at Chen Ping’s head!
