

The Order 7951

Chapter: 7951

Clang!

With a crisp sound, Lan Yao's sword was blocked by Hong Yao!

"Sister, if you are doing it, don't blame me for being rude!" Hong Yao said with a cold face!

"Sister, you are so stupid!"

Lan Yao was helpless and could only put the sword away!

Hongyao looked at Chen Ping and found that Chen Ping was motionless, as if he had lost the ability to control his body!

In fact, Chen Ping has nothing at all now. What kind of spirit-devouring beast, entering his sea of knowledge, has long been caught by the Demon Lord Chiyun and roasted and eaten!

Even if there is no Red Cloud Demon Lord in Chen Ping's sea of knowledge, this so-called spirit-devouring beast will never hurt Chen Ping's divine knowledge!

Chen Ping knew that there was still Da Luo Jindian in the sea, but that was the existence that even the Red Cloud Demon King was afraid of!

What does a small spirit-eater count as!

"I heard that after the spirit eater enters the body, it can quickly suck it out of its mouth. I'll try..."

After Hongyao finished speaking, he kissed Chen Ping in one bite and began to suck it up!

Chen Ping's eyes widened, looking shocked and embarrassed!

Pushing Hongyao away, Chen Ping coughed violently twice: "Sorry, I...I'm fine!"

"Master Chen, the spirit-eater in your body has been sucked out?"

Seeing that Chen Ping was okay, Hongyao said happily, but just after he finished speaking, Hongyao frowned and said, "No, if you suck out the spirit-devouring beast in your body, it will enter my body. Why don't I feel it?"

"The spirit-devouring beast entered my body and was destroyed by me. My brain is not so easy to be eaten away!"

Chen Pingping smiled lightly!

For this Hongyao, Chen Ping is still grateful. No matter whether the other party has helped him or not, at least he has no intention of harming himself!

But that Lan Yao.....

Chen Ping looked at Lan Yao with murderous intent in his eyes!

Lan Yao felt the killing intent on Chen Ping's body, so scared that he took several steps back, his expression tense!

"Master Chen, my little sister is sometimes reckless, and I hope Master Chen won't take offense!"

Upon seeing this, Hong Yao hurriedly pleaded for mercy!

Chapter: 7952

“You are stained with your sister’s light, otherwise at this moment, you have become a corpse!”

Chen Ping looked at Lan Yao with a warning look in his eyes!

After speaking, Chen Ping continued to turn around and leave. He didn’t want to have too much to do with the twin sisters in front of him!

But who knows, Chen Ping had just left, and the two of them chased him up!

“Anything else?” Chen Ping asked!

“Master Chen, my sisters want to follow Master Chen around...”

Hong Yao said bluntly!

“I never leave people who are scheming against me by my side!” Chen Ping shook his head!

“Master Chen, it was indeed the fault of the little sister just now, but Master Chen must also think clearly. This innocent place is the Huo family. They are offering a reward for you, but they don’t send anyone to hunt you down. This shows that they just want Master Chen to become a street mouse.”

“The monks who can come to the land of no illusion are all clan families with hidden forces. If these people are all aimed at Chen Gongzi, then Chen Gongzi is afraid that there will never be peace!”

Hongyao followed Chen Ping and said!

“Do you have a way to keep me from being targeted?” Chen Ping asked!

Hongyao nodded: “Master Chen, the reason why you are being targeted is because your realm at the moment is too low. I hope you don’t directly expose your strength in the hidden realm and let some people retreat!”

“If Master Chen just revealed his true strength, then Tang Xiaoyi is afraid that he would not dare to provoke Master Chen easily.”

Chen Ping smiled: “The three products of the Mahayana Realm are my true realm, and I am not hiding anything!”

“what?” Hong Yao was taken aback!

The three-pin monk of the Mahayana Realm, the peak of the nine-pin Mahayana realm in one sword?

Is this too outrageous?

After a moment of shock, Hongyao continued: “Master Chen, since you are so talented that you can fight beyond the level, you should go to the Dao Gate. Now that the ladder has not yet descended, almost all the monks are gathered in the Dao Gate.”

“After Master Chen arrives at the gate, he can arrogantly show his strength. In this way, many people will be afraid of Master Chen’s strength and dare not provoke you.”

“There are also the forces behind Master Chen that can also be shown. For example, the emperor of Sun Moon City, you can instruct the Emperor of Sun Moon City to beat your back on the street to see if others dare to target you?”

“I’m afraid that even the Huo family and the Tang family dare not seek revenge on Master Chen...”

Listening to Hongyao’s analysis, Chen Ping smiled faintly and said, “Are you letting me pretend to be coerced?”

Hongyao nodded: “If Master Chen is really compelling, it is a real show. If it is not really compelling, then pretend to be awesome. Anyway, it’s just to make others dare not fight your idea!”

Chapter: 7953

“How to pretend? My level is too low, so I can’t pretend to be coerced?” Chen Ping mused: “I have a sword here, I don’t know if I can pretend to be coerced!””

“I’m afraid this won’t work. It’s just a sword. Not everyone knows the goods. Don’t you know what else is great about Master Chen?”

Hong Yao asked!

“Then I will pretend that I have a divine beast, pretend that I know fairy arts, pretend that I know formations, pretend that I have a wonderful hand to rejuvenate, pretend that I have a god king bow, and pretend that my backer can destroy the world of heaven and man with one palm?”

Chen Ping kept talking!

“No, no, what Chen Gongzi pretended to be true and credible, what kind of divine beast, god king bow, and what kind of fairy art did he know with one palm? This kind of thing is bragging, but it is not easy to believe.”

Hongyao waved his hand again and again, telling Chen Ping not to pretend to be coerced!

“Bragging?”

Chen Ping smiled, and then a heat wave hit, and the little unicorn beast was released by Chen Ping!

Feeling the gentle green grass around, the little unicorn beast was very happy, running around, yelling happily!

The little sky-swallowing beast seemed to feel something too, and flew directly out of Chen Ping’s storage ring!

The little heaven-swallowing beast is not controlled by Chen Ping at all!

The little unicorn beast and the little sky-swallowing beast are playing wantonly, not to mention how happy they are!

Seeing this scene, Hongyao and Lanyao were both stupid.....

“Master Chen, this...”

Hong Yao’s eyes widened, his face unbelievable!

“Oh, the two little beasts I raised are very good...”

Chen Ping said casually!

Hongyao Lanyao : “.....”

Fuck, people really have beasts.....

Clang.....

At this moment, there was a sudden crisp sound, and a divine bow fell out of Chen Ping’s body!

“Sorry, the storage ring is a bit full...”

Chen Ping bent over and picked up the bow of the God King!

Chapter: 7954

“God King Bow?”

The eyes of the two sisters are about to fall out!

Fuck, people really have a god king bow!

Putting away the bow of the God King, Chen Ping’s fingertips suddenly flickered, and then he pointed to the void!

A golden light instantly disappeared into the void!

The whole void actually began to distort, and time seemed to stand still!

“My fairy finger is pretty good, right?”

Chen Ping asked calmly!

“Fairy art?”

The two sisters have grown up with their mouths, and they can stuff two eggs into them!

Fuck, people really know fairy skills!

Chen Ping saw a few goats passing by in the distance, so he waved a hand in the air, and patterns appeared!

Soon an formation was formed, and the goats were besieged by the formation and sent directly to Chen Ping and the others!

Then a few goats seemed to be controlled by something, and fell straight to the ground!

Chen Ping snapped his fingers, and a fire burned!

Accompanied by the fragrance, several goats were roasted and cooked!

“It’s so fragrant, I haven’t eaten roast lamb in a long time!”

Chen Ping sniffed hard, then tore off a leg of lamb and gnawed it!

The environment here is the same as in the secular world. Eating leg of lamb here is like traveling in the secular world in spring!

At this moment, Chen Ping seemed to have returned to the secular world!

“Don’t you two eat?” Chen Ping looked at the two sisters and asked!

The two sisters were already stupid at this moment, standing dumbfounded, they didn’t hear Chen Ping calling them at all!

“Sister, was that the formation just now?”

“Yes!”

Chapter: 7955

Fuck, people really know the art of formation.

“If you two don’t eat, I can’t finish eating so many roast sheep myself!”

After Chen Ping finished speaking, he waved his palm lightly!

A breath of air passed like a breeze, and several roasted goats recovered their flesh and blood visibly to the naked eye. In the end, they came alive and finally ran away!

“Wonderful rejuvenation?”

The two sisters feel a little uncomfortable in their minds at the moment!

Fuck, people are really good at medicine!

“Is there anything else that hasn’t been displayed? I’ll practice first, and then I’ll go to the door and pretend to be forced!”

Chen Ping wiped the grease from his mouth and asked!

“No, no, Master Chen doesn’t have to show anything anymore. You are not pretending to be coerced, you are really coerced!”

Hongyao hurriedly stopped Chen Ping!

If Chen Ping destroys the world of heaven and man with the next palm of his hand, then the two of them will not even have a family!

“Are these enough?”

Chen Ping asked!

“Enough, enough, if they saw these things, they would definitely not dare to target Master Chen!”

Hongyao nodded again and again and said!

“That’s good!Chen Ping nodded: “It’s just that where is that door?”I came here for the first time and I don’t know the way!”

“I know, I will take Master Chen with me!”

Lan Yao hurriedly led the way!

At this moment, Lan Yao didn’t have the slightest intention of killing Chen Ping to receive the reward, he just wanted to follow Chen Ping wholeheartedly!

Chen Ping, led by Lan Yao, headed towards the gate!

Regardless of whether anyone was targeting him or not, Chen Ping also decided to pretend to be a big wave. Now that he thinks about it, it seems that there are not many people in the heavenly world who are a threat to him!

Tangmen!

In a large hall, several old people were sitting. These were the elders of the Tang Sect, and the old man sitting in the middle was Tang Zhonghai, the elder of the Tang Sect!

Chapter: 7956

In front of these old people, Tang Xiaoyi’s body was placed in half.

There are also the two monks who followed Tang Xiaoyi, kneeling on the main hall at this moment, lowering their heads without saying a word!

Master Tangmen was split in half by a sword. These two guys failed to protect them well. There must be some responsibility!

It will take a while to climb the ladder, so Tangmen just asked Tang Xiaoyi to take the two of them to the land of no illusion first!

But I didn't expect this to be the result!

“Then did Chen Ping really cut the son with one sword in the three-product realm of the Mahayana Realm?”

Tang Zhonghai asked coldly!

“Yes!” One of the monks nodded!

“Send you two to protect the son, what are you two doing?”

“The two transformed into fairyland, but did a little monk of the three products of the Mahayana Realm scare the guts?”

Tang Zhonghai asked angrily!

“Elder, we underestimated Chen Ping's strength a little bit at first, so we didn't care.”

“When I found out, the son had already been stabbed by a sword. The speed of that sword was too fast for us to see clearly!”

The kneeling monk trembled and said!

“Why don’t you two avenge your son?”Tang Zhonghai continued to question!

“The two of us together, I’m afraid it’s not Chen Ping’s opponent, and the son’s body is exposed, we need to bring the son’s body back!””

The monk lowered his head, not daring to look directly into the eyes of the elder!

“Hiding strength, this Chen Pingguo is not easy, no wonder the Huo family would rather pay 200,000 immortal spirit stones than do it themselves.”

“What do you think Chen Ping’s true strength can reach?”

Tang Zhonghai asked!

“The second product of Wonderland...” The monk said!

“No, I feel that it is also possible to transform the three products of Wonderland!”Another kneeling monk spoke!

“The three products of Wonderland?”Tang Zhonghai slowly got up: “Hiding a big realm, what is this kid going to do?”Play as a pig and eat a tiger?”

“Brother, what shall we do next?Do you want to avenge the son?”

Chapter: 7957

At this moment, an old man asked!

“Senior three, don’t you think there is something wrong with this matter? Why does this Chen Ping hide such a large realm?”

“And whether there are other forces behind Chen Ping, we don’t know now. If we rush to take revenge, it will inevitably affect our future plans.”

The elder Tang Zhonghai frowned and said!

“Then what should I do? Did you just watch the son die tragically and leave it alone? If the doorkeeper goes out, those of us will all be punished.”

The three elders said!

“What’s your hurry? I didn’t say that I won’t take revenge. Now I will report the murder of my son to Qianmen and Lingmen, and let them both come forward.”

“Just say that the master is in retreat, we can’t make the decision on this kind of big event.”

“Then the spirit gate will definitely take action. How to say that now the spirit gate master is also the uncle of the son, he will not watch his nephew die tragically and be indifferent.”

The elder’s eyes condensed and said!

“Brother, are you letting Lingmen be the first bird?” The three elders said!

“Yes, no matter what Chen Ping’s true strength is and what his backer is, as long as the spirit Gate takes action, everything about him will be exposed.”

“If Chen Ping didn’t have any background strength, and was killed by the people of the Spirit Gate, it would be regarded as revenge for the son.”

“If Chen Ping has a background and the people of the spiritual gate are defeated, then we will also wait for the change and wait for the master to leave.”

“In this way, no matter what the result is, we won’t be blamed.”

The elder analyzed!

The eyes of the three elders lit up: “It’s still the eldest brother who is resourceful, just do it!”

Soon a breath rose into the sky from Tangmen and disappeared into the sky!

.....

Dao Door!

The shape of an arch formed by two boulders, I don’t know who carved the word Dao Men!

Behind this door, there are neat rows of houses. Usually, there are so few people here that there are almost no people in sight!

But every hundred years later, when the ladder to the sky comes, there will be a lot of people here, all monks from all walks of life!

These monks are waiting for the arrival of the ladder at the Dao Gate, and while waiting, they will also trade with each other here.

Chapter: 7958

Chen Ping followed the two sisters Hongyao and Lanyao and swaggered into the door!

Chen Ping did not hide his breath, let alone change his appearance!

Seeing Chen Ping's arrival, many people were a little shocked!

After all, Huo's family of 200,000 immortal spirit stones is offering a reward for killing Chen Ping. This guy still dares to show up at the gate!

Especially now that the ladder to the sky has not yet descended, and the strength of all parties is not fully in charge of the Dao Gate, if the Huo family is here to kill Chen Ping, no one will come forward to stop it!

On both sides of the street, pairs of hot eyes stared at Chen Ping and the others.

Two hundred thousand immortal spirit stones are not a small number!

Moreover, many of the monks who came here were at the peak of the nine products of the Mahayana Realm, as well as those who were promoted to the fairyland. These people were the most in need of fairy spirit stones!

However, Chen Ping's appearance in the Dao Gate so blatantly made many people who had the heart dare not do it at will!

After all, Chen Ping is not a fool. If he dared to show up, it would prove that he had been prepared a long time ago. Maybe there is still some force behind Chen Ping as a backer!

So before I find out clearly, I'm afraid that no one dares to do it first, after all, the first bird is shot!

"Sister, so many people around are looking at us, so shy, is it because we are so beautiful?"

Lan Yao felt the hot eyes of the people around him, and said shyly!

"Don't be narcissistic, these people all look at Master Chen. In their eyes, Master Chen is a walking resource bank with 200,000 immortal spirit stones. Who is not greedy!"

Hong Yao gave Lan Yao a blank look and said!

Chen Ping himself didn't care about the gaze of the people around him, but found a place with more people, and with a casual move, he called out Xiaohuo Qilin!

“Fuck me?Is the sacred beast Fire unicorn?”

“It's impossible, how can there be gods and beasts in the world of heaven and man.”

“So small, would it be a sacred animal, as big as a dog!”

Everyone was all attracted by Chen Ping's fire unicorn, and they observed one by one, wondering if Chen Ping was a divine beast next to him!

“What is Mr. Chen doing?Why did it suddenly become so swaggering?”

The Lord of the Ten Halls was in the dark, watching Chen Ping suddenly come to the door, and he was so swaggering, I really don't know what Chen Ping means!

“Brother, what do you think of Chen Ping?Is the runway gate here to swagger?”

Lin Keting looked at Lin Kefan in the crowd and asked!

Chapter: 7959

“I don't know, does he feel that this door has a place in our Sun Moon City, so he is not afraid?”

Lin Kefan was also full of doubts!

“It’s all your fault. Now that neither father nor master are here, you tell Chen Ping in advance to make him so rampant.”

“If someone is against Chen Ping now, you can go to the top for me. If something happens to Chen Ping, I won’t be finished with you!””

Lin Keting glared at Lin Kefan and complained to him!

“It’s really a big girl who can’t stay...” Lin Kefan sighed!

“What are you looking at, haven’t you seen a beast? Look again, dig out your eyes!”

“Get out of here...”

Chen Ping arrogantly pointed the dragon sword in his hand at the people around him and cursed!

Everyone : “.....”

Hongyao Lanyao looked at Chen Ping with a shocked face.

“Master Chen, keep a low profile, saying it makes you arrogant, but don’t be too arrogant and offend everyone!””

“If this angers everyone and does something to us together, I’m afraid there won’t even be scum left!””

Hong Yao leaned nervously into Chen Ping’s ear and whispered!

“Is it a bit too arrogant?” Chen Ping smiled embarrassedly!

“Chen Ping, you have gone too far. As soon as you arrived in this land of no delusion, you hooked up with the little girl, didn't you?”

Seeing Hongyao following Chen Ping so close, looking very affectionate, Lin Keting couldn't bear it anymore!

When Chen Ping followed Hongyao and Lanyao into the gate just now, Lin Keting was not happy!

But the three of them kept their distance, maybe they came together on the same road, so Lin Keting didn't have an attack!

Now that Hongyao leaned to Chen Ping's ear, she looked like she was about to kiss, but Lin Keting was not happy anymore!

Chen Ping was taken aback, looked at the angry Lin Keting, and hurriedly said, “Don't get me wrong, I didn't hook up...”

“How do you talk? Open your mouth and call us little pussy?! I think you are the little lady, you are the old lady...”

Lan Yao sprayed directly at Lin Keting!

Obviously, Lan Yao didn't know Lin Keting. If she knew that Lin Keting was the princess of Sun Moon City, she would not dare to do so!

Chapter: 7960

“Don't you dare to scold my old ladies, see if I don't tear your mouth!”

Lin Keting rushed directly towards Lan Yao!

Lan Yao didn't show weakness, after all, Lin Keting's strength was not as strong as hers!

At this moment, suddenly a vertical and horizontal silk thread appeared between the heavens and the earth, and Hua Yueying walked out of the crowd.

She knew that Lin Keting was not Lan Yao's opponent, so she used her formation to imprison Hongyao and Lan Yao directly!

"Hua Yueying, what do you mean?"

Seeing Huayueying coming out, Lan Yao frowned and said!

Obviously, they all know each other!

"It doesn't mean anything, your sisters stay away from my man. In this land of nonsense, your sisters' reputation is not very good. Don't affect my man!"

Hua Yueying said coldly!

Hongyao Lanyao: "Your man?"

Everyone around was also surprised, and didn't understand when Hua Yueying became Chen Ping's woman!

More people are looking at it with a gloating attitude!

This kind of drama that was originally equipped to catch Junior three is the best, but this is the world of heaven and man, and it is normal for three wives and four concubines, so there is nothing Junior three to say!

But these four women are tit-for-tat, it's still wonderful!

“Okay, stop making trouble, I misunderstood...”

Chen Ping is playing a circus in the middle!

It was originally pretended to be coerced, but now it's a shame to be laughed at by others!

“This is a gate, not a place for you to pour and roll...”

At this moment, an old man in a wide black robe walked out of the crowd!

“Isn't this the elder of the Sanmen Gan Family? I didn't expect the Gan family to come so early.”

“The Qian family also has a place here, and Chen Ping, who manages the order of the Dao Sect, is not feeling well this time.”

“Turning into the realm of the three products of wonderland, it seems that this time the Qian family has made a big move on the ladder!”

When everyone saw the old man coming out, they started to talk about it one after another!
