

The Order 7961

Chapter: 7961

Chen Ping frowned slightly and looked at the old man: "This is my furniture business. You are an egg, do you care so much?"

The old man was stunned!

Everyone else around was also taken aback!

Fuck!

Monk Sanpin, then Chen Ping would dare to treat him so arrogantly?

The Lord of the Ten Halls frowned in the dark, and his expression became solemn!

He knew this old man, the elder of Qianmen, and Qianmen was hard to deal with!

The dry old man in the Tenth Hall is the veteran of the Dry Gate. After entering the Tenth Hall, he has a high status by relying on the technique of deduction!

"Boy, you are looking for death..."

The old man's face was gloomy for an instant, and he scolded him in front of so many people. This was simply too deceiving!

Swish!

As soon as the old man's voice fell, the dragon slashing sword in Chen Ping's hand had already slashed at the old man!

Since you want to pretend to be coerced, someone just happens to jump out to cooperate with you, of course Chen Ping will not miss this opportunity!

Cut down with a sword!

And the old man's body was gently on one side, and the dragon sword slashing against the old man's body actually crossed, without hurting the opponent at all!

Chen Ping was taken aback: "The technique of deduction?"

I originally wanted to pretend to be forced, but I didn't want the other party to be able to deduct the technique, so I calculated my own sword position, so I easily avoided it!

If you can't pretend to be forced, you will be beaten in the face.

Really unlucky.....

Chapter: 7962

"What a dare, in this place, you dare to do something to me?"

The old man glared, and the breath on his body burst out instantly!

Chen Ping looked at the old man in front of him, and he was not afraid of turning into the three products of wonderland, but if he really wanted to pretend to be coerced, he had to be beheaded with a sword. Chen Ping couldn't do this yet!

“Old thing, I just tested you just now. If I want to kill you, I only need a sword!”

Chen Ping smiled coldly.

At the same time, Chen Ping was in the sea of knowledge and talked with Demon Lord Chiyun: “Senior, if you take over my body, can you kill the old man in front of you with one sword?”

“What? Think of me now? How long have you not let me get some air?”

Demon Lord Chiyun glanced at Chen Ping very dissatisfied: “I can kill, but I won’t help you...”

“Senior, I will give you this pretending job, but also so that you can enjoy the praise and attention of everyone, if you don’t want to, forget it.”

“Although I can’t kill him with one sword, there is definitely no problem with a few more swords.”

Chen Ping said playing hard to get!

“No, no, no, I’m just kidding, you give me your body, just this old guy, I’ll make him a scumbag!”

Demon Lord Chiyun hurriedly grabbed Chen Ping!

“Don’t go too far, if my body can’t carry it, it will be abolished, don’t think about it!”

Chen Ping was afraid that the Red Cloud Demon King had played, and he couldn’t carry his body!

“Don’t worry, I have a sense of proportion!” Demon Lord Chiyun said!

Chen Ping nodded, and then the divine consciousness entered the body, allowing the Demon Lord Chiyun to take over his body!

Demon Lord Chiyun looked around, then moved his hands and feet again, looking happy!

“Boy, your tone is really not small, do you still want to kill me with a sword?””

“Let me tell you, even if I stand still, if you are a sword...”

Swish.....

Before the old man finished speaking, Chen Ping had already waved his sword!

This sword does not carry any aura, and you can't even see the aura of the sword!

It was as if Chen Ping's sword was cut into the air casually!

Chapter: 7963

Just when everyone was wondering why Chen Ping's sword was so powerful, he saw the old man's eyes widened and his face looked at his body in disbelief!

Wow.....

In an instant, the old man's body became shattered, and it really became a pile of meat puree!

“Fuck.....”

Everyone burst into foul language at the same time!

Everyone is almost going crazy at this moment!

Turning into the three products of wonderland, just beheaded with such a light sword?

And that is the Elder Qianmen, who has the ability to derive the way of heaven.

Just such a sword?

The problem is that Chen Ping only has the realm of the three products of the Mahayana Realm, which is too outrageous!

The Lord of the Ten Halls also opened his eyes wide, full of disbelief.

When did Chen Ping become so powerful?

“Anyone else who wants to try, you can stand up. This three-product transformation is too weak to be able to use your fists.”

Chen Ping looked around and asked arrogantly!

Listening to Chen Ping’s words, everyone was numb.....

The three products of the transformation wonderland are not enough for you to use the three products of the Mahayana Realm to exert your fists.

Is this talking about people?

For a while, the surroundings were silent!

Everyone looked blankly, no one dared to speak!

At this moment, even those who had the intention to kill Chen Ping and get a bounty of 200,000 immortal spirit stones were dispelled!

With one sword, slay the three elders of the Fairy Land who can deduct the art of reproduction!

This Nima is so outrageous, no one can guess what Chen Ping's upper limit is!

"If no one dares to stand up, then let it go. In the end, don't make up my mind. Be careful to lose your life!"

Chen Ping waved his hand, and everyone scattered in a daze!

Chapter: 7964

Two hundred thousand immortal spirit stones are very good, but you have to spend your life!

The crowd dispersed, Chen Ping took over his body again, and the Demon Lord Chiyun was happy.

"I haven't pretended to be so coercive for many years. If there is such a thing again, you have to think of me!"

Demon Lord Chiyun said!

"Don't worry, senior, I must be thinking of you!" Chen Ping is also enjoying his success.

Demon Lord Chiyun was able to move his muscles and bones, and he was forced to pretend.

"Red Cinderella, do you think it's okay for me to pretend like this?"

Chen Ping looked at Hongyao and asked!

Hong Yao was too frightened to speak for a long time, and took the lead again and again!

At this time, in a restaurant next to the street, a man wearing a fiery red cloak was sitting in the window on the second floor, looking very elegant!

This man's dress is very special, as if his whole body is burning with flames!

On this man's face, he also wore a mask, which obscured all his appearance, and only one pair of eyes were exposed!

The man's eyes kept staring at Chen Ping!

Chen Ping also seemed to feel the man's gaze, and slowly raised his head to look over!

With his eyes facing each other, Chen Ping frowned slightly!

He always felt that these eyes were very familiar, but he couldn't remember them at all!

"Friends Chen Daoyou, can you sit together?"

The man saw Chen Ping looking at him, so he asked!

Chen Ping nodded, tapped his toes lightly, and sat directly opposite the man!

"We know each other?" Chen Ping asked!

The man shook his head: "I don't know, but I have heard of your name a long time ago."

"I feel a little familiar with you, but I can't remember. Your eyes are a bit like my friend."

Chen Ping looked at the man in front of him and said!

"Friend?" The man's body obviously shook slightly: "Which friend of yours?"

Chapter: 7965

"Not to mention him, I know we will meet again soon. He has always wanted to kill me, but he failed every time."

"I don't know what level he has cultivated this time. It is estimated that he will be disappointed if he makes a move!"

Chen Ping smiled slightly!

The friend in Chen Ping's mouth is Ning Zhi. Ning Zhi has never succeeded in chasing him from the worldly realm to the heavenly realm!

But every time, Ning Zhi would never give up, just like Xiaoqiang who couldn't fight to death!

In fact, Chen Ping no longer regards Ning Zhi as an enemy now!

Chen Ping even sometimes thought that it would be the best if Ning Zhi kept chasing him to the heavens!

Ning Zhi's talent is also very good, and it is not difficult to ascend to the heavens!

With such an opponent, Chen Ping feels a kind of luck!

“Your friend will definitely be disappointed. In the realm of the three products of the Mahayana Realm, you can kill the three products of the fairy world with one sword. I am afraid that only you can do it under the universal sky.”

There was a bit of envy in the man’s eyes!

“My friend has a good talent, too. If he cultivates painstakingly, I’m afraid he won’t lose to me!”

Chen Ping smiled slightly, and then asked, “Dare to ask Youzun’s name? Why do you wear a mask, are you afraid that your enemies will recognize it?”

“My name is Ning Zizai. I just don’t want to be recognized when I wear a mask.”

The man said slowly!

“Ning Zizhi?” Chen Ping whispered, and then said, “My friend is also surnamed Ning, I don’t know if it’s a coincidence.”

“Brother Ning belongs to that sect? Where is the mansion?”

“I’m just a casual cultivator, and I don’t have a Zongmen mansion. Chen Daoyou won’t dislike me for not being strong enough. Don’t you want to talk to me?” The man said!

“Where, the peak of the nine products of your Mahayana realm, it seems that you are about to break through the wonderland. This kind of cultivation is regarded as the dragon of the human race in the heaven-human realm. How could I dislike that your strength is not enough.”

“I just don’t know what Brother Ning wants to talk to me about?” Chen Ping asked!

“Let’s talk about climbing the ladder. The monks of the three products of the Mahayana Realm dare to climb the ladder. I heard that they have never appeared before.”

“So I want to invite friends Chen Daoyou to climb the ladder together. I heard that there are many resources and fairy mines on the sixth floor of the ladder.”

The man said!

“The sixth floor? Chen Ping frowned: “Has anyone ever been on the sixth floor?” How did you know that there is a fairy mine on the sixth floor?”

Chapter: 7966

“Of course, some people have been to the sixth floor, but many of the people who have reached the sixth floor have stayed in the ladder and will not come out at all.”

“Even if there are people coming out of the sixth floor, it is impossible to tell people outside.”

The man said!

“Then how do you know?” Chen Ping asked suspiciously!

“Friends Chen Daoyou, this is my own secret, so I can’t tell you!” The man smiled!

“Even if the sixth floor has a lot of resources and fairy mines, your strength is not enough to reach the sixth floor.”

Chen Ping shook his head!

Then Yunli could barely stay on the fourth floor for a short time. Now they want to go to the sixth floor, I’m afraid it won’t be that easy!

When Chen Ping came to climb the ladder, he just wanted to exercise and see if he could get some resources by the way!

Chen Ping had never thought of going up to the heavens by climbing the ladder to the heavens!

Although his current strength is far beyond his own realm, Chen Ping will not be arrogant enough to be invincible in the celestial realm, and he can ascend to the celestial realm!

“You and I are together, actually...”

“Well, I don’t want to climb to the sixth floor, nor do I want to cooperate, excuse me!”

Without waiting for the man to finish speaking, Chen Ping leaped down from the upper floor and left with Lin Keting and the others!

Looking at Chen Ping’s back, a trace of disappointment flashed in the man’s eyes!

“He disagrees?”

At this moment, a woman who was also wearing a fiery red robe, like a flame burning on her body, came over!

The woman is also wearing a mask, and she can’t see her appearance clearly!

The man shook his head, then looked at the woman and said, “Senior sister, don’t you know him?””

The woman shook her head: “I don’t know, this should be the first time I have seen it, but I always feel a little familiar, just like he just saw you look familiar!””

The man slowly took off his mask, and a slightly vicissitudes of life appeared!

Ning Zhi, it turned out to be Ning Zhi under this mask.

The person Chen Ping had been talking to for a long time just now turned out to be Ning Zhi who had been trying to kill Chen Ping!

At this time, Ning Zhi's whole aura was already completely different, just like a different person!

Chapter: 7967

"Friend? Ning Zhi muttered to himself and looked out the window: "Friends or enemies, I will kill you sooner or later, but it's a pity that I am not your opponent now.""

"Junior brother, Master has an order that you will never take off your mask outside. How dare you disobey your order?"

The woman said to Ning Zhi coldly in her voice!

"Senior sister, I was wrong!" Ning Zhi put the mask back on.

"Brother, why do you have to kill him?" The woman asked!

"The hatred of killing my father is mortal..." Ning Zhi's eyes spewed out anger: "Senior sister, will you help me?"

"Of course....."

The woman exudes the aura of a fairy land, and there are flames beating on the flaming cloak: "He can fight beyond the level, and you and I have nothing to do..."

Ning Zhi smiled, with a bit of cruelty in his eyes!

“Chen Ping, would you be sad if you knew that you would be killed by the woman you love the most?””

Ning Zhi thought to himself secretly!

The woman in front of her is exactly the Su Yuqi that Chen Ping has been looking for. Since Su Yuqi was taken away by the flame demon, she has relied on her own fire spirit body to quickly increase her cultivation base.

Today’s Su Yuqi can also fight beyond the level. When Ning Zhi was also found by the Flame Demon, she was still surprised to see Su Yuqi. After learning that Su Yuqi had completely lost her memory, a bold plan sprouted in Ning Zhi’s heart!

That is to let Su Yuqi help herself kill Chen Ping, and also let Chen Ping know that she was killed by her most beloved woman when she was dying!

This kind of cruelty can calm Ning Zhi’s vengeful heart for many years!

Ning Zhi also thought that if he wanted to play with Chen Ping’s woman, he would retaliate against Chen Ping!

It’s a pity that he is not as strong as Su Yuqi. Before he started, he was almost beaten to death by Su Yuqi!

Since then, Ning Zhi has never dared to think about that injustice again!

“Let’s go, it’s best not to provoke Chen Ping before climbing the ladder, so as not to cause trouble.”

“When you enter the ladder, there will be many opportunities!”

After Su Yuqi finished speaking, she left the tavern with Ning Zhi!

Just after Ning Zhi and Su Yuqi left, two more people came to the tavern!

The costumes of these two people turned out to be the same as Ning Zhi and Su Yuqi, and they were also dressed in flaming robes, as if their bodies were burning with flames!

The same man and woman, but the breath of these two people is a bit different from Ning Zhi and Su Yuqi!

Chapter: 7968

“The guy named Chen Ping just now didn’t leave any affection for doing things. Elder Qianmen said he would kill him, fearing that there would be more and more disasters in the future.”

The man said!

“Brother, I think Chen Ping did the right thing. He did this to deter others. If he doesn’t kill the elder Ganmen, I’m afraid that there will be more and more people who will trouble him in the future. In that case, he will take the trouble.”

“Instead of that, it’s better to kill the Elder Ganmen and make others jealous of him, but dare not do anything to him. It’s just a sword to kill the Monk Sanpin of the Fairy Land. It’s really a bit beyond my expectation.”

The woman said!

The man sneered: “This is indeed jealous of others, but it also completely offends the dry door. You must know that the dry door is not only as simple as one dry door, but even the strength of the three doors together is not weak.”

“Now that Elder Qianmen has been killed, how can they give up? If Lian Sanmen has issued a killing order, this guy named Chen Ping has offended the Huo family and Lian Sanmen. Can he still gain a foothold in this land of no delusion?”

The woman smiled: “If this Chen Ping is just a casual cultivation, I’m still afraid of the three doors, but didn’t you find out? The woman next to Chen Ping is Lin Keting, the princess of Sun Moon City.”

“And I also found that many people in the crowd are worried about Chen Ping, who should be with Chen Ping.”

“If Chen Ping has something to do with Sun Moon City, what are you afraid of? Even three doors...”

The man was silent and looked out the window faintly: “Does it matter if he will follow Sun Moon City?” If that’s the case, then we really have to be careful and try not to provoke this guy.”

“Now that my father hasn’t left the customs, we have to keep a low profile...”

“Even if my father doesn’t get out of the customs, then Sun Moon City is not my opponent of the Fire Burning Sect. What’s more, you and I now have a magic weapon created by the master of the refining sect. Who in the human world can compare with us?” The woman slowly pulled out the sword in her hand and said!

The sword was full of flame graphics, and the moment the sword was unsheathed, the entire tavern seemed to be burning!

“Ask for love, hurry up and put away the sword. How can this kind of magic weapon be shown casually?”

The man said angrily!

When the woman saw this, she put away the sword!

At this moment, several monks wearing black robes with bright red flame emblems embroidered on their chests walked in!

“Young master, young lady, you are all ready, you can go and rest!”

A monk stepped forward and said!

“Hmm.....”

The man nodded, then took the woman downstairs!

“Without my order, you are not allowed to provoke that guy named Chen Ping. If you allow it, you can still help him!”

After going downstairs, the man said to his subordinates!

Chapter: 7969

“Yes, sir!” Several subordinates nodded!

“Brother, why is this? We are not related to Chen Ping, so why should we help him?”

asked very puzzled!

“It’s just a good fate, that guy’s future achievements will never be low.”

“A mere monk of the three products of the Mahayana Realm, but he beheaded the three products of the transformation realm with one sword. Is this what ordinary people can do?”

“And the sword in his hand, it seems to have the same aura as our magic soldiers...”

The man said!

“what? Could it be that the sword in that guy’s hand was also made by the refining sect? Does he also have friendship with the Alchemist Sect?”

I was a little surprised to ask for love!

“Not necessarily, but we’d better be careful not to provoke him!”

After the man finished speaking, he left directly!

Dry door!

Xiaohan, the main trunk of the middle gate of the hall, came in person, and everyone from the dry gate gathered in the hall!

“The three elders died and were beheaded with a sword...”

Qian Xiaohan said slowly!

“what?The three elders are the three products of Fairyland, and they can also use the technique of deduction. How could they be beheaded by a sword?”

“This is impossible, right?We all know the strength of the three elders.”

“Didn’t the three elders go to the land of Wusu? Who would dare to do something to us in that place?””

When everyone in Qianmen heard the news, they all behaved strangely!

“Master, did someone report the death of the three elders, or did the master discover it by the technique of deduction?””

At this moment, the elder got up and asked Qian Xiaohan!

“I know by inference, but there will be news soon...”

After Qian Xiaohan finished speaking, a Qianmen monk came in a hurry!

“Report to the master of the sect, the three elders were beheaded with a sword in the Dao Gate of the land of No delusion, and they directly became flesh mud, and there was not even a corpse left.”

Chapter: 7970

The Monk Ganmen said in panic!

boom.....

With this sound, everyone in Qianmen was taken aback and got up one after another.

“Say, who did it?”

“One sword turned the three elders into meat puree. Who has this ability?”

“How is this possible?The entire heavenly world can do this, I’m afraid there are no more than ten people!”

All the monks in the dry gate were incredible, unbelievable!

“It was a man named Chen Ping, he killed the three elders!”

Said the monk who came to report the news!

“Chen Ping?” Everyone frowned slightly.

“I see, this Chen Ping seems to be being chased by the Huo family’s 200,000 immortal spirit stones. The person who can make the Huo family pay such a big price must be of good strength!”

Someone remembered and said!

“This Chen Ping is just the realm of the three products of the Mahayana Realm!” Said the monk who came to report the news!

“You are talking nonsense, the three products of the Mahayana Realm, how could it be possible to kill the three elders with one sword.”

The elder yelled angrily!

The monk who reported the news trembled with fright: “Elder, then Chen Ping really only has the three realms of the Mahayana realm, and the disciples will never dare to talk nonsense!”

Hearing this, everyone was silent!

Because they couldn’t understand at all, how a Mahayana three-pin monk beheaded a three-pin monk in a fairy land with one sword!

“You go down...” Qian Xiaohan waved his hand and let the monk who reported the news go down!

“The master, a monk of the three qualities of the Mahayana Realm, beheaded the three elders with one sword. Would you believe it?”

The elder still couldn’t believe it and asked!

“Why don’t you believe it? This is a fact!”

After Qian Xiaohan finished speaking, with a gentle wave of his palm, a halo appeared in front of everyone.

And in this halo, there was a picture of Chen Ping slaying the three elders with one sword at that time!
