

The Order 7971

Chapter: 7971

When everyone saw the picture, one by one no longer dared to question it!

Chen Ping's sword was mediocre, and it was extremely slow!

But the three elders didn't seem to know how to dodge, and there was nothing in their eyes except horror!

"This...what the hell is going on?Is that guy named Chen Ping a monster?"

The elder said with an incredible face!

"Great elder, the three products of the Mahayana Realm slay the three products of the Fairy Land with one sword, do you believe it?"

Qian Xiaohan asked!

The elder was silent, just nodded!

The facts are in front of him, he can't help but believe it, but this kind of thing is too outrageous!

"I don't believe it!"

Qian Xiaohan said suddenly!

Everyone looked at Qian Xiaohan suspiciously, wondering why Qian Xiaohan suddenly didn't believe it?

"Didn't you notice that when Chen Ping did it, his breath changed faintly?"

Qian Xiaohan asked!

Everyone looked carefully, and then shook their heads. After all, this was just a picture, and there was no way to come to the scene and feel Chen Ping's breath!

"Master, what do you mean is that it was not Chen Ping who killed the three elders, but someone borrowed Chen Ping's body?"

The elder seemed to understand Qian Xiaohan's meaning and asked!

Qian Xiaohan nodded: "Yes, it is true that someone used Chen Ping's body to kill the three elders. If a Mahayana Realm Sanpin can kill the three immortals with one sword, then what is the meaning of cultivation, and what is the meaning of the rules of that day!"

"Who is it?Who on earth did this?"

The elder frowned, it was obvious that someone was targeting them!

"Didn't you find the girl next to Chen Ping?"Qian Xiaohan asked!

Everyone looked carefully again, and suddenly someone said, "The princess of Sun Moon City, that is Lin Keting, the daughter of Lin Chong of Sun Moon City."

Someone recognized Lin Keting's identity!

"Yes, that's Lin Chong's daughter."Qian Xiaohan nodded!

Chapter: 7972

“Is it Sun Moon City? We have no grievances and no grievances in Sun Moon City. Why do they target us?”

“Could it be because of the Tenth Hall? After all, Qian Lao is working in the Tenth Hall!”

The elder asked with a puzzled face!

“I don’t know. I have contacted Qian Lao, but I have never been in touch. I have tried to deduct it, but there is no result!”

Qian Xiaohan said!

“Master, what do we do? If it’s really what Sun Moon City did, we’re afraid it’s...”

The elder said worriedly!

After all, their Ganmen are not opponents of Sun Moon City at all.

It’s an imperial city, and there are masters like Taoist Master Wuji to help!

“If it is really what Sun Moon City did, we must also have a statement. We may not be the opponent of Sun Moon City even with the three gates and the ten halls.”

“You can also add the Huo family at that time. Don’t forget that Huo Qing of the Huo family also works in the Tenth Hall. How dare the Huo family not listen to the old saying!”

Qian Xiaohan's eyes flickered fiercely: "Immediately inform Tangmen, Lingmen, we will set off immediately to the land of no illusion, don't wait for the ladder to come!"

"Understand!" The elder nodded!

But when the elder was about to make arrangements, a Tang monk came in a hurry!

Because of the relationship between the three sects, no one stopped this Tang Sect monk!

"Report to the master of the dry gate, the elder ordered me to come and report that our son Tang Xiaoyi was killed, and I also hope that the master of the dry gate will go to the Tang Gate to discuss."

Then Monk Tangmen said!

"What? Qian Xiaohan stood up with a rub: "Who is it?" "Who killed my nephew?"

"The master of Zhiganmen is a guy named Chen Ping."

Monk Tangmen said.

"Chen Ping? Is it him again?"

Qianxiao's manly body is trembling!

"Why is this guy again? What is clear is that it is facing us three doors in a row, it is simply too deceiving..."

"That's right, this guy is too much, even if he is behind Sun Moon City, what's the matter, we must not stop there."

Chapter: 7973

“Avenge the three elders, avenge Tang Gongzi...”

“Revenge, revenge...”

The monks of Qianmen were all indignant one by one!

“Master, we must kill Chen Ping. Even if we go to war with Sun Moon City, we must not compromise.”

said the elder!

Qian Xiaohan nodded: “Go and inform the Lingmen immediately, go to the Tangmen together, and send someone to the Tenth Hall in person to see what’s going on, why can’t you contact Qian Lao.”

“Yes, sir.....”

The elder nodded and went to arrange it right away!

For a while, even all the masters of the three sects were dispatched, and the hidden forces of the entire heavenly world were shaken by it!

It may not be very awesome to even carry out one of the three gates alone, but if the Tang Gate, the dry gate, and the spirit Gate are connected together, it should not be underestimated. This is also a very terrifying force!

Chen Ping offended so many people at once, it depends on how to solve it later!

Sun Moon City!

Lin Chong looked at Yujian in his hand with a solemn expression on his face!

“Emperor Lin, did something happen in the land of Wusu?”

Taoist Master Wuji asked!

“Taoist Master, Mr. Chen killed the elders of Qianmen and the young master of Tangmen in a land of no illusion. It can be said that he is in the limelight and has unlimited scenery!”

Lin Chong said!

“Isn’t that good? In this way, I am afraid that no one dares to secretly hit Chen Ping’s idea.”

Taoist Master Wuji smiled slightly!

“But now even the three masters have gathered all the masters to go to the land of Wusu. If you add the Huo family, their power cannot be underestimated!”

Lin Chong said!

“Even if the three doors are added to the Huo family, they are not afraid, as long as Chen Ping doesn’t provoke the people of Huozhonzong and the Four Hades.”

“The third largest force in the celestial world of Sun Moon City, it can’t be called for nothing...”

Taoist Master Wuji said calmly!

Chapter: 7974

“That’s true, since Lian Sanmen and the Huo family want to play, I will play with them in Sun Moon City.”

After Lin Chong finished speaking, he yelled out: "Come on..."

"Your Majesty!" Someone walked in immediately!

"Go and gather all the monks above the ninth grade of the Mahayana Realm, and follow me to the land of no delusion..."

Lin Chong said!

"Yes!"

Soon, all the masters of Sun Moon City gathered, and under the leadership of Lin Chong and Taoist Master Wuji, they went straight to the land of no illusion!

Although the ladder to the sky has not yet descended, Lin Chong can't wait anymore. He must ensure Chen Ping's safety!

For a while, the land of no illusion became turbulent, and the number of monks increased drastically, and they were all masters!

The Huo family, who are the landowner of no delusion, have also begun to become cautious!

"Did you find out? Why did so many people suddenly come to the land of no illusion this year?"

Huo Zhenfeng, the patriarch of the Huo family, asked!

Every time you climb the ladder, there will not be so many monks, especially now that the ladder has not yet descended, it is still unknown whether you can descend 100% in the land of no illusion!

But now a large number of monks have all rushed over, which makes Huo Zhenfeng a little faintly worried!

“Patriarch, then Chen Ping killed the three elders of Qianmen, and also killed Tang Xiaoyi, the son of Tangmen, and completely offended Lian Sanmen, so Lian Sanmen gathered all the masters to come to the land of innocence and seek revenge on Chen Ping.”

Steward Lu whispered!

“what?This Chen Ping is too bold, doesn't he know that he is afraid?”

Huo Zhenfeng frowned slightly, wondering what Chen Ping was doing.

“It's just that he is young and vigorous. Then Chen Ping can be said to be in the limelight in Daomen, but at the same time he has provoked a lot of enemies for himself.”

“Even Sanmen won't let Chen Ping go, and he also sent someone to join forces with our Huo family to behead the arrogant Chen Ping.”

Steward Lu said!

“United?”Huo Zhenfeng pondered, and then asked: “Then you have investigated the forces behind Chen Ping clearly, otherwise you would rely on him for a small retreat, how dare you be so arrogant.””

“The investigation is clear. It is Lin Chong's Sun Moon City. This time, he came with Chen Ping, as well as the princess of Sun Moon City. Presumably, the princess of Chen Pingping Sun Moon City is a lover.”

Steward Lu said!

Chapter: 7975

“No wonder, otherwise, this kid alone would never dare to be so arrogant. It turns out that Sun Moon City is behind it.Huo Zhenfeng nodded and asked again: “Are the other forces here too?””

“The people from the Fire Burning Sect are here, and the people from the Four Hades have not yet arrived, but this time there are many strange faces, and their strength is not weak. I don’t know which sect they belong to.”

Steward Lu said truthfully!

“It seems that this year’s ladder climbing is not easy to do. Please tell me to go on. Our Huo family will not participate in any battles, and the resources in the ladder will not be snatched. We will only do a good job of protecting everyone in the land of no illusion.”

“Especially that Chen Ping, no one is allowed to seek revenge on him, so let the people of Lian Sanmen do it. At that time, Sun Moon City and the people of Lian Sanmen will fight, and we will have a good look at the excitement!”

Huo Zhenfeng immediately analyzed the pros and cons, and then ordered!

“Got it!” Steward Lu nodded and left!”

A land of no delusion, Dao Men!

Chen Ping’s mansion at Daomen in Sun Moon City collapsed!

It’s true that Chen Ping at this time has been thinking about the conversation with Na Ning Zizhi. He feels very familiar with those eyes, but he can’t think of it anymore!

Moreover, Chen Ping is not familiar with the breath of the other party, it is obvious that he is someone he doesn’t know!

“How can I feel familiar with a stranger?”

Chen Ping was lying on the bed, his face puzzled!

“Brother-in-law, brother-in-law, there is good news, there is bad news, which one do you want to listen to?”

At this moment, Lin Kefan rushed into the room and said to Chen Ping!

“What good news, bad news?” Chen Ping asked!

“You say first, which one do you listen to?” Lin Kefan is selling Guanzi!

“Bad news!”

Chen Ping said!

“The bad news is that all the masters of Lian Sanmen are going to come to the land of Wusu to avenge you.”

Lin Kefan said!

“I expected it a long time ago! Chen Ping was not surprised, and then asked, “What is the good news?””

“The good news is that my father has brought all the masters of the Mahayana Realm above nine grades in Sun Moon City.”

Lin Kefan said with a smile!

Chapter: 7976

“So early?” Chen Ping was a little surprised!

Before the ladder appeared, Lin Chong brought all the people here!

It should be Lin Chong who got the news and knew that Lian Sanmen had to do it to himself, so he brought people here in advance!

“After my father comes, you don’t have to be afraid. Even Sanmen is a fart in front of our Sun Moon City!”

Lin Kefan said proudly!

“That means, can I walk sideways in a land of no delusion?””

Chen Ping smiled!

“That’s not true. Our Sun Moon City is not yet the largest force in the world of heaven and man.”

“But as long as you don’t provoke the Fire Burning Sect and the people of the Four Hades, there will basically be no problem.”

Lin Kefan said!

“Fire Burning Sect?Chen Ping frowned: “Is the power of this Fire Burning Sect stronger than Sun Moon City?””

Chen Ping promised Master Hammer to rescue the master of the Refining Sect from the Burning Sect!

Due to his strength, Chen Ping has never done anything. Now that Sun Moon City has become his own hall, Chen Ping still wants to take Sun Moon City to extinguish the Fire Burning Sect and rescue the master of the Refining Sect!

But now it seems that the strength of Sun Moon City does not seem to be as good as that of the burning sect!

“Of course, the Fire Burning Sect is considered the largest force in the heaven and human world, but the people of the Fire Burning Sect are very low-key, and they easily don’t fight with others, let alone rob resources.”

“Only many years ago, the Fire Burning Sect suddenly attacked the Alchemy Sect, destroying most of the masters of the Alchemy Sect, and making the Alchemy Sect almost disappear. I heard that the masters of the Alchemy Sect were all taken away.”

“I have never heard of a conflict between the Fire Burning Sect and others in the future, and this fire burning Sect directly exposed the sect to the peak of the mountain, and never hid it, and no one found trouble with the fire Burning Sect...”

Lin Kefan followed Chen Ping and said!

Chen Ping frowned and his expression became solemn. It seemed that it would not be easy to rescue the master of the Refining Sect!

“What?Do you still have anything to do with the Fire Burning Sect?”

Lin Kefan looked at Chen Ping’s expression and asked.

“Oh, no!”Chen Ping shook his head, and then continued to ask: “What kind of power are the four Hades you mentioned?”I have never heard of it...”

“It’s just a demon cultivation force. I heard that the masters of these four Hades are people from the heavenly realm and are trapped in the heavenly realm. This is also the only demon cultivation force in the entire heavenly realm that is not targeted by others.”

Lin Kefan said!

Chapter: 7977

In this realm of heaven and man where magic cultivation is called by everyone, if magic cultivation wants to survive, it must hide from the west. Hide, otherwise you need to go to the depths of Tianmo Mountain to live!

And these four Hades seem to be mixed in the world of heaven and man, and no one dares to target them yet!

It seems that the strength is strong, what kind of identity and origin, in fact, it doesn't matter!

The land of no delusion, Daomen Street!

A young man in a black robe of reckless gold swaggered down the street.

When all the monks saw this young man, they all showed a touch of shock, and then avoided from a distance.

Behind the young man, eight monks who were also wearing black robes followed closely. These eight people were straight, one by one like unsheathed swords!

The sharp edge of the body is so sharp that people dare not look directly at it.....

The entourage of eight masters of Wonderland!

Who dares to provoke this kind of battle?

"The young masters of the Four Hades are so high-profile every time, I really envy them!"

"The entourage of the eight reincarnated Fairyland, I dare not think about it for the rest of my life!"

“This year, this gate is really lively. The people from Huoyinzong, Sun Moon City, and the Four Hades have all come early.”

Many monks hid far away, whispering!

The young man took two steps, then beckoned to a monk next to the street!

This monk at the top of the nine products of the Mahayana Realm, like a pug, ran over head over heels!

“Young Master Ming, what are your orders?”The monk asked!

“I heard that there is a kid named Chen Ping in this door. He seems to be very arrogant, more arrogant than me?”

Young Master Ming asked!

“Where, that’s just a little monk with three qualities in the Mahayana realm, where can he compare with Ming Shao.”

“Young Master Ming is young and talented, with extraordinary talents, the dragon of the people...”

The monk flattered Young Master Ming!

Puff!

That young Master Ming waved his hand, and the monk at the top of the nine products of the Mahayana Realm directly turned into a mist of blood!

Chapter: 7978

“I just want to hear the truth, what do you do to flatter me?”

Ming Shao said lightly!

When the surrounding monks saw this, they all looked horrified. This guy was moody and might have lost his life!

“Come here.....”

Then Young Master Ming casually pointed to a monk and said!

The monk walked over tremblingly, his body trembling, his face full of tension!

“Don’t be nervous, I don’t know how to eat people!”

Ming Shao smiled slightly, and then asked, “Tell me, is that guy named Chen Ping very arrogant?””

“Yes, then Chen Ping was very arrogant, and he beheaded the three elders of Qianmen with one sword, and yelled that whoever dared to disobey, he would do it...”

The monk said hurriedly!

“More arrogant than me?” Young Master Ming was taken aback!

The monk hesitated for a moment, not knowing how to answer!

“If I ask you something, how dare you not answer?”

Ming Shao's face suddenly became cold, and then he slapped it with a palm!

This palm contained endless evil energy, and directly slapped the monk to the ground, the flesh and blood disappeared, leaving only the bones, which was very scary!

"Young Master Ming, this is the door. Is it a bit too much for you to do this?"

At this moment, a man and a woman came out.

Both of them were wearing fiery red cloaks.

"Come on, ask for love, do you two brothers and sisters have to take care of your own affairs?"

Seeing the visitor, that Young Master Ming smiled coldly!

"You four Hades are also one of the managers of the Dao Gate. If you kill indiscriminately here and cause panic, will you pay for this responsibility?"

"And our major aristocratic families, as long as they have management power in the Dao Gate, they should stop you!"

"Said solemnly!

"Don't pretend in front of me, as if you haven't killed anyone."

"That guy named Chen Ping, didn't he also kill people in the Dao Gate, why don't you leave him alone?"

"You get out of here, don't bother me, I'm still looking for Chen Ping, arrogant at the gate, and overtook me, I won't agree!"

Young Master Ming was not afraid of coming out at all, and waved his hand!

A cold light flashed in his eyes: “Young Master Ming, you can be arrogant in front of others. In front of our Fire Burning Sect, it seems that you don’t have your arrogance yet, right?”

As soon as he uttered a word, all the people of the Burning Sect behind him burst into breath!

Young Master Ming was not afraid at all: “Brother, don’t think I don’t know, your father is in retreat, and he hasn’t come out yet.”

“Without your father, your brothers and sisters are a fart, get out of here quickly!”

Young Master Ming waved his hand impatiently!

Chapter: 7979

“What the fuck are you talking about? Looking for death, right?”

As soon as he frowned, he had to do something to that young Master Ming!

“Brother!” Wenqing grabbed his brother: “Before my father retreated, he told us not to provoke right and wrong.””

His face flushed angrily, but he just glared at Na Mingshao, and then left!

Seeing these brothers and sisters leaving, Ming Shao raised the corner of his mouth with disdain on his face, and slowly walked into the tavern on the side!

Seeing people coming, the people in the tavern will be waiting for them immediately!

This young man is also notorious.

Ming Shao sipped the wine carefully, and the eight monks in Wonderland stood upright behind him!

This battle is awesome!

Suddenly, a terrifying aura slowly enveloped the entire tavern, and then an old man with red hair and a hideous face walked slowly!

“Young Master Ming, the lord of the mansion is afraid that Young Master Ming will be in danger, so he sent the old minister to follow Young Master Ming!”

The old man said respectfully in front of Young Master Ming!

“Hongmao Ghost, just say you are here to spy on me, what do you do with so much nonsense.”

“As far as my strength is concerned, plus the eight behind me. Yin Xiu, who can put me in danger?”

Ming Shao snorted coldly!

The red-haired old man bowed his head and said nothing.

“You go and inquire about the guy named Chen Ping to see if there is any powerful backer. If there is only one Sun Moon City, it would be too boring. Sun Moon City is too weak and it’s not worth doing less!”

Young Master Ming said to the red-haired old man!

“Yes, sir!” After speaking, the body of the red-haired old man disappeared in an instant!

“I really hope this Chen Ping has an awesome backer, so it’s more interesting, otherwise this trip will be too boring.”

Ming Shao shook the wine glass in his hand and said!

.....

Daomen, resident of Sun Moon City!

Chen Ping is practicing quietly. No one is looking for trouble. Chen Ping can also practice well. When the time comes, he can go up one more level when he climbs the ladder!

Chapter: 7980

“Chen Ping, don’t practice anymore. The young master from the Four Hades is here. This guy is extremely arrogant, more arrogant than you.”

Lin Kefan rushed into Chen’s bungalow and said!

“He is arrogant, what does it matter to me?”Chen Ping asked!

“This Ming Shao heard that you are very arrogant, and you are looking for someone to investigate you. It is estimated that you will be targeted.”

Lin Kefan’s expression was a little nervous!

“I’m not afraid, isn’t your father and Taoist Master Wuji about to arrive soon?”

Chen Ping said!

“Even if my father and Taoist Master Wuji are here, I am afraid that they are incapable of doing anything. This Young Master Ming has brought eight men who have turned into Fairyland.”

“And the red-haired ghost is also here. This guy’s strength is not low. I heard that he has reached the fifth level of transformation.”

Lin Kefan followed Chen Ping to explain!

“Eight-name wonderland? There is also a five-product fairy tale?” Chen Ping was a little surprised!

Why are these four Hades so awesome, are there as many fairyland as a feather?

“Then what should I do? Let me go to that young Master Ming to admit my mistake and apologize, and then admit that he is better than me?”

Chen Ping asked!

“Apologies are useful, then Young Master Ming is not arrogant. As long as he keeps an eye on you, it is estimated that apologies are useless.”

Lin Kefan frowned and said!

“Since there is no apology, then just fight, just fight and serve...”

Chen Ping smiled lightly, then he became aware of his body, and asked the Demon Lord Chiyun: “Senior, Monk Wupin, can you deal with it?”

“It’s a fart to transform the five products of wonderland. The old man will crush him to death with one finger. As long as your body can bear it, even if you are a fairy, I can slap it to death with one palm.”

Demon Lord Chiyun said very proudly!

“That’s good, there are seniors here, what am I afraid of? If you dare to come to me, I will kill him!””

Chen Ping smiled and said!

“Chen Ping, can you still laugh?If you really can’t, you just leave the land of no illusion. It’s a big deal that you can’t climb the ladder. We’ll talk about it in a hundred years.”

Lin Kefan said!
