

The Order 7981

Chapter: 7981

“Don’t worry, then what Ming Shao dares to trouble me, I will beat his shit out!””

Chen Ping patted Lin Kefan on the shoulder!

Chen Ping is still very satisfied with this fourth uncle. This guy treats himself well!

Dao Gate, tavern.

Young Master Ming was still drinking wine, and the body of the red-haired old man slowly appeared.

“Young Master Ming, there are a lot of forces behind Chen Ping, only that Sun Moon City is still somewhat powerful.”

“But there seems to be another expert behind Chen Ping. It is said that he is very strong and can kill people and then resurrect them.”

Said the red-haired old man!

“Resurrection?” Young Master Ming’s eyes lit up: “It’s a bit interesting, such a strong person can arouse my desire.””

“Young Master Ming, it’s just that I can’t investigate the identity of this person, and I don’t even know his name.”

Said the red-haired old man!

“Don’t worry, when the time comes to kill Chen Ping, the strong man behind him will naturally appear, so we don’t need to look for him.”

Young Master Ming put down the wine glass in his hand and stood up slowly!

“Young Master Ming, no matter who the strong man behind Chen Ping is, there is no need for Young Master Ming to do it. As long as you give an order, I will take the eight. Yin Xiu, he will kill that person himself.”

Said the red-haired old man!

Young Master Ming turned his head and looked at the old man Hongmao: “Hongmao Ghost, arrogance is not the same as contempt for the enemy. You have to change this problem. I can be arrogant, but I will not despise any opponent.”

“But you always despise your opponents. You will lose your life. You are called a bad pen, don’t call it a clamor...”

“Ming Shao is right. I have never despised my opponents, but these people are not yet qualified to be Ming Shao’s opponents!” The red-haired old man flattered!

“Hahaha.....”

Ming Shao laughed: “You are right, how many people in the entire heavenly world are worthy of being my opponents.”

At this time, dozens of people suddenly appeared on Daomen Street, all of them were aggressive, and their level was not low!

“So arrogant...”

Seeing those people downstairs, Ming Shao said lightly!

“Dare to be arrogant in front of Young Master Ming, I’m tired of living...”

Chapter: 7982

The red-haired old man disappeared instantly!

Then the body appeared in the middle of the street, blocking dozens of people!

“The red-haired ghost of the Four Hades?”

At this moment, among the dozens of monks, someone muttered in a low voice!

Swish!

A black mist came in an instant, and the monk who had just spoken fell directly to the ground and died!

“Can the red-haired ghost also be called by Er et al?”

The red-haired old man shouted angrily!

“Taoist friends, I am a Xiaohan from the Qianmen Sect. These are people from the three sects. I don’t know where I offended Taoist friends?”

Qian Xiaohan stepped forward and said very politely!

The people of the Four Hades, they can’t afford to offend!

“Many of you are very arrogant and walked in front of our young Master Ming. Don’t you know that we young Master Ming hate others the most arrogant?”

Said the red-haired old man!

“Young Master Ming.....”

Qian Xiaohan was taken aback, and a cold sweat began to appear on his forehead!

This young man is moody, maybe he will die in his hands!

“It turns out that Young Master Ming is also there, I don’t know if I’m waiting, let’s go and make amends to Young Master Ming!””

Qian Xiaohan said!

Then Qian Xiaohan took the Elder Tangmen and the lord of the spirit Gate into the tavern to make amends in person!

They even had three doors, and they couldn’t afford to provoke the Four Hades, and they couldn’t afford to provoke the young man.

The three of them went upstairs, walked in front of Ming Shao, and said respectfully: “Qianmenmen, Xiaohan, take Tangmen, Lingmen to meet Ming Shao!”

“You even want to avenge Chen Ping with three doors?”

Young Master Ming asked directly!

“Yes, then Chen Ping killed our Elder Qianmen and Tang Xiaoyi, the son of Tangmen, so we must take revenge.”

Chapter: 7983

Qian Xiaohan said!

“Then you can’t kill Chen Ping, he has been appointed by me, only I can kill him!”

Ming Shao waved his hand: “Where did you come from? Go back!”

“This.....”

Qian Xiaohan and Tangmen, the Spiritmen are dumbfounded!

“Young Master Ming, then Chen Ping is deceiving too much, we want to avenge ourselves!” Qian Xiaohan said!

“Did you give you a face?”

Ming Shao’s face turned cold!

“Dare not, dare not...”

Qian Xiaohan was sweating coldly!

“If you want to kill Chen Ping, you can do it, but you have to join me in the three doors.”

“You have to do whatever I ask you to do in the future.”

Young Master Ming said!

Qian Xiaohan was taken aback, and then followed the Elder Tangmen and the spirit Gate master to look at each other!

“Thank you, Young Master Ming, I am willing to obey Young Master Ming’s dispatch!”

The three of them knelt down together!

Originally, they even added three doors together. If they wanted to kill Chen Ping, they had to pass the level of Sun Moon City!

Now if they join the Four Hades, they don’t have to be afraid of Sun Moon City at all!

“Hahaha.....”

Ming Shao laughed, and then looked at the spirit gate master: “What is the gadget in your hand?”

“Young Master Hui Ming, this is a spirit-eating beast raised by our spirit gate. It can devour people’s divine consciousness and make people die or become a walking dead!”

The lord of the spirit Gate said!

“Pretty cute little guy, just play with this one for me...”

Young Master Ming directly took out the spirit-devouring beast in the hands of the Spirit Gate master!

Chapter: 7984

The spirit gate master didn't dare to let go of his fart, although this is the most precious spirit beast of their spirit gate, but now the spirit gate master didn't dare to say anything!

"Well, go find Chen Ping. If you can't fight, or someone stops you, you can report my name!"

Ming Shao waved his hand!

The three Qian Xiaohan nodded, then walked downstairs and set off towards the station of Sun Moon City at Daomen!

"Brother-in-law, come out, even the three-door people are here!"

Lin Kefan shouted loudly!

At the same time, he took people to block the door, preventing even three doors from entering the door!

"What are you doing? This is the residence of our Sun Moon City. If you dare to trespass, don't blame me for being rude to Sun Moon City!"

Lin Kefan shouted at the people of Lian Sanmen!

"Prince Lin, we are just here to avenge Chen Ping. I hope you don't stop us."

"Let me tell you, there is no need for Sun Moon City to scare us, we are now from the Four Hades!"

Qian Xiaohan snorted coldly at Lin Kefan and said!

“Four Hades?”

Lin Kefan frowned, but he didn't get out of the way!

“Who wants to avenge me? Don't want to live anymore, do you?”

Chen Ping walked out of the room!

After seeing Chen Ping, even the people of Sanmen were all filled with righteous indignation, and their eyes were full of anger!

“Chen Ping, you killed our Elder Qianmen and also killed Tang Xiaoyi. Today we will let you pay for your blood!”

Qian Xiaohan said angrily!

“Do you want to die when you come to me?”

Chen Ping said disdainfully!

“What a big breath, one of the three products of the Mahayana Realm is nothing more than letting people possess and kill our three elders, how dare you be so presumptuous!”

As Qian Xiaohan said, he was about to do something to Chen Ping!

“Master Qianmen, let me...”

Chapter: 7985

The spirit gate master finished speaking and stepped out!

Lin Kefan and the others wanted to make a move, but Chen Ping stopped them: "Don't worry, I'll do it myself!"

I saw the spirit gate master wave his hand, and a white light shot out, and then it didn't enter Chen Ping's head!

This white light is the spirit-devouring beast, he wants Chen Ping's divine consciousness to be swallowed!

"Ah, what is this, it's so powerful, how can it devour the divine consciousness?"

Chen Ping pretended to be taken aback, and began to express pain, as if his head was about to explode!

Seeing this scene, the spirit gate master snorted coldly: "This is the spirit-devouring beast of our spirit gate. Just wait to be swallowed up and become a walking dead!"

"Chen Ping....."

Lin Keting and Hua Yueying were all taken aback!

"Miss Lin, Miss Hua, don't worry, Mr. Chen is not afraid of this spirit-eating beast, this is teasing them!"

Hong Yao hurriedly said!

Chen Ping encountered this spirit-devouring beast from Tang Xiaoyi's storage bag, but he was not swallowed up at all!

So Hongyao knew that Chen Ping was not afraid of this spirit-eating beast!

“Really?”

Lin Keting and Hua Yueying are still doubtful!

The lord of the Spirit Gate looked at Chen Ping’s painful look with a proud expression on his face!

“Chen Ping, you killed our elder and Tang Xiaoyi, the son of Tangmen, and we should have killed you directly with the three of us.”

“But Young Master Ming also wants to kill you. We will give you to Young Master Ming, so we can ask for credit in front of Young Master Ming!”

Qian Xiaohan looked at Chen Ping coldly and said!

“Hand it to your mother, just hand it in if you say it, you count as a ball!”

Chen Ping suddenly stopped struggling, looked at the dry Xiaohan and scolded!

Qian Xiaohan was taken aback and looked at the spirit Gate master: “What’s the situation?”

“It may be that the Spirit Eater is sick, but it’s okay, I still have the Spirit Eater!”

The lord of the spirit Gate once again took out a spirit eater!

Chapter: 7986

This kind of spirit-devouring beast has raised dozens of heads in their spiritual gate!

“Evil pen.....”

After Chen Ping cursed with disdain, the dragon sword in his hand instantly slashed towards the Spirit Gate master!

The lord of the spirit Gate’s eyes condensed slightly, and murderous intent appeared in his eyes!

“Looking for death...”

Boom!

Suddenly, from the body of the spirit gate master, a terrifying aura burst out!

But after this breath touched Chen Ping’s powerful sword aura, it was instantly defeated!

The powerful sword aura directly repelled the spirit gate master for hundreds of meters!

Chen Ping’s body followed closely, and just when the spirit Gate master stopped his figure, Chen Ping’s sword arrived again!

Chen Ping knew that these guys must not be given breathing space!

The lord of the Spirit Gate was shocked, and suddenly several white rays of light shot out of his forehead all around his body!

These white lights turned out to be spirit-eating beasts!

These spirit-devouring beasts all rushed towards Chen Ping, and they didn’t enter Chen Ping’s body in an instant!

Chen Ping's attack suddenly stalled and stopped.

"This time, I see how you still live!"

The spirit Gate master snorted coldly!

At this moment, in Chen Ping's sea of knowledge, Demon Lord Chiyun was very excited to grab the spirit-eating beasts: "Hahaha, you can have a beautiful meal, one barbecue, one soup, one cooking and frying..."

"What? Do you think I can't live anymore?"

Chen Ping looked at the spirit gate master and asked!

"You... why are you still conscious?"

The lord of the Spirit Gate was shocked, and his face changed drastically!

If it were a spirit-devouring beast, it would not cause damage to Chen Ping's knowledge of the sea, but just now several spirit-devouring beasts rushed into Chen Ping's body at the same time!

With so many spirit-devouring beasts, it is reasonable to say that Chen Ping's divine knowledge has been swallowed up a long time ago!

Chapter: 7987

"How many spirit-eaters do you still have, let them all out!"

Chen Ping waved a sword!

Under the shock of the Spirit gate master, his body burst out again, blocking Chen Ping's sword!

Puff!

The breath of the Spirit Gate master was instantly cut through by Chen Ping's sword, and a long bloody gash was drawn out of his body, and blood continued to gush out!

"How could it be? He is just the three products of the Mahayana Realm!"

The lord of the spirit gate is dumbfounded!

Qian Xiaohan was also confused. He always thought that Chen Ping was possessed by someone, so he was able to kill the three elders of Qianmen with one sword.

Otherwise, with the realm of the three products of Chen Ping's Mahayana Realm, it is impossible to do it at all!

But now, Chen Ping was right in front of them, and he directly injured the Spirit Gate master!

Although there is no sword to kill the spirit gate master, it is clear that the spirit gate master is not the opponent's!

"Hurt our master, take your life..."

When the Spirit Gate Gang saw this, they all roared into the sky together!

Immediately afterwards, in the air, dozens of various spirit beasts appeared, roaring one by one!

Among them, there is also a spirit beast that has been burning flames all over his body and is as big as an ox, rushing towards Chen Ping!

The Spirit Gate is known for raising spirit beasts, and the spirit beasts of the Spirit Gate are all extremely fierce!

Seeing so many spirit beasts suddenly sacrificed by the spirit gate, everyone was shocked!

Lin Kefan, Xuan Bin, Hua Yueying and others are ready to support Chen Ping at any time!

“Fuck, ants...”

Chen Ping looked at the dozens of spirit beasts and snorted disdainfully!

As Chen Ping’s voice fell, a cloud of flame flew out of Chen Ping’s storage ring, and then before everyone could see it clearly, the flame rushed towards the dozens of spirit beasts!

The originally fierce spirit beasts, after seeing the flame, one by one showed horror, turned around and ran away!

No matter how the spirit gate gang summoned them, these spirit beasts were all disobedient and fled desperately!

Swish swish.....

Chapter: 7988

I saw the flame chasing up at an extremely fast speed, but in one breath, dozens of spirit beasts all fell one after another, like dumplings, and fell to the ground!

When the flame returned to Chen Ping's side, everyone realized that the flame turned out to be a unicorn beast!

Fire unicorn, a real beast!

I don't know how many times more powerful than those spirit beasts!

Although this fire unicorn is still just a cub, it is also easy and pleasant to deal with these spirit beasts!

"The beast?" Everyone in the Spirit Gate is all dumbfounded!

They have been raising spirit beasts for thousands of years, and they have never seen a divine beast before!

The Spirit Gate master also widened his eyes, and his body shook as if he had installed a motor!

Chen Ping raised his head and looked at the spirit gate gang members, and waved the dragon sword in his hand!

Boom!

Suddenly, ten thousand sword lights slashed towards those spirit gate gang members, covering the sky and the sun, and there was no light in the world!

The Spirit Gate gang didn't dare to be careless, and they tried their best to stop it!

More than a dozen Spirit Gate gang members gathered all their power in one place to form a huge shield!

At the moment when the sword light touched the shield!

The shield was broken, and more than a dozen Spirit Gate gang members were all penetrated by the sword light, and under the flicker of white light, they all turned into dust and disappeared!

With one sword, all the more than a dozen Spirit Gate gang members disappeared!

This sword completely shocked everyone!

You know, these more than a dozen spirit sect members are all elite Spirit Sect members, and many of them are monks who have transformed into Fairyland!

In this way, they all disappeared!

“No.....”

Upon seeing this, the Lord of the spirit Gate roared loudly!

These were the elite of the Spirit Gate, but they were all beheaded by Chen Ping.

I saw the lord of the Spirit Gate as if he was crazy, his scarlet eyes were red, and he slammed into Chen Ping fiercely!

You must know that the spirit gate focuses on raising spirit beasts, and its strength is not very strong. The spirit gate master fights Chen Ping head-to-head like this. It is very hard to lose!

Chapter: 7989

But he didn't think about this anymore, the current spirit gate master just wanted to kill Chen Ping!

“Out of control.....”

Chen Ping snorted coldly, actually put away the dragon slashing sword, and also bumped towards the spirit Gate master!

Boom boom boom.....

The physical body collided violently, making a series of explosions!

This kind of movement has already attracted many monks from the Dao Sect, watching in the air one after another, and even the three sects are looking for Chen Ping to retaliate. No one wants to let go of this kind of wonderful thing!

But when everyone saw that Chen Ping, one of the three products of the Mahayana Realm, actually followed the lord of the spiritual gate and collided with the power of the flesh, they were all shocked!

You must know that a genius can leapfrog and fight, a large part of it is because of his own skills, or the assistance of the magic weapon in his hand!

And this kind of collision without exercises and weapons, relying on the physical body, Chen Ping, a three-level Mahayana realm, how could he be compared to the master of the spiritual gate!

But what appeared in front of everyone was that every time Chen Ping followed the impact of the spirit gate master, he burst out with a roar!

The fighting spirit in his body is getting higher and higher, but the body of the spiritual master is already fragmented and struggling to support it!

At this moment, Ming Shao, who was sitting in the tavern, slowly raised his head and looked out the window!

This is the first time he has looked out the window since the fight started!

In his eyes, this kind of fighting is no different from a child's play house!

It wasn't until Chen Pingping, the spiritual master, collided with the physical power that he had a trace of interest!

"This guy is just the third product of the Mahayana Realm. Even if he can fight beyond the level, how can his physical body be so powerful?"

The red-haired old man frowned slightly!

"It's a bit interesting, this Chen Ping is getting more and more interested in me!"

There was a smile at the corner of Ming Shao's mouth!

"This guy is not only physically strong, but the sword in his hand is also a magical weapon, and he even has a magical beast unicorn on his body. Is there really a super power behind this guy?"

The red-haired old man said with some incredulity!

After all, these things cannot appear in the hands of a casual cultivator. Whether it is a dragon sword or a fire unicorn, these are all super things. If it weren't for the great cause of the family, how could there be these things!

Even if Chen Ping had the Sun Moon City behind him, it would be impossible to have these things. After all, the strength of Sun Moon City is not enough to have these!

"No matter what power is behind him, I am already interested in him now. There is only one result for those I can be interested in!"

Chapter: 7990

Ming Shao smiled.

"Dead!"The red-haired old man said slowly!

“Not bad!” Ming Shao nodded: “The spirit gate master can’t hold on for three rounds, and even the others of the three gates will do it, but this even the three gates are too wasteful, I’m afraid I can’t deal with Chen Ping at all!”

“Even with so many people in Sanmen, can’t you deal with Chen Ping?”

The red-haired old man looked surprised!

“Even if there are many people in the three sects, there are also a lot of people behind Chen Ping. If I am not mistaken, the lord of the Ten halls should also be Chen Ping’s person.”

Ming Shao smiled and shook the wine glass in his hand!

“what?” The old man Hongmao was taken aback: “How could the lord of the ten temples of the temple be Chen Ping’s person?” This is unlikely!”

“The Ten Hall Master has been secretly observing for a long time. He is choosing the time to do it. As long as Chen Pingli is defeated, he will do it right away!”

Young Master Ming said!

“Why? Why is this? How could the Lord of the Ten Temples bend down under a small monk of the three products of the Mahayana Realm?”

The red-haired old man couldn’t understand.

“Because of the power behind Chen Ping, the Lord of the Ten Temples felt despair and fear, it’s that simple...”

Ming Shao’s face was full of confidence, because he knew that what he guessed would never be wrong!

The red-haired old man was silent. What would the power that could make the lord of the Ten Temples fear and despair look like?

Boom!

At this moment, there was a sudden loud noise, and the body of the spirit gate master was completely shattered, and even the soul dissipated in this huge collision!

Even three doors, one is missing!

“Boy, I really underestimated you...”

Qian Xiaohan looked at Chen Ping coldly and said!

“My Tangmen Zhongxiu, come and meet you...”

Elder Tangmen’s body slowly floated, and behind him, more than a dozen Tangmen gang members also rose into the air!

“Shameless things, deceive more and less, and come to the wheel to fight, do you think each of us?”

Lin Kefan cursed and flew up with him!

At the same time, Hua Yueying, Xuan Bin, Cang Yue, Zhou Tang and Yun Li all flew up.

The Lord of the Ten Halls was hiding in the crowd watching the excitement, and he was ready to take action a long time ago!

In this land of no illusion, there is no way to replenish it at any time, so in this way, Chen Ping will have a lot of consumption if he is defeated by the wheel!

“You don’t have to do anything, deal with these people, I’m enough alone...”

Chen Ping looked at all the people in Tangmen, his eyes full of disdain!

The bursts of sword intent exuding from the dragon Slashing sword made the surrounding void tremble, and the heavens and the earth were filled with terrifying sword intent!

Elder Tangmen held a butterfly short knife in his hand. This was Tangmen’s most famous concealed weapon. There was still black light emitted from this butterfly short knife, which was obviously highly poisonous.

The Tangmen gang behind the great elder also exudes a powerful aura, and everyone carries all kinds of hidden weapons, which can’t be prevented!

The elder stared at the dragon slashing sword in Chen Ping’s hand, his eyes narrowed slightly and said, “Chen Ping, I know you can fight beyond the level, all because of the sword in your hand. If you don’t have that sword, your strength is probably even the monks who have just entered the fairyland can’t beat it.”

“Do you dare to put away your dragon slashing sword and fight with me alone? Do you have the guts?”

The elder was afraid of the dragon slashing sword in his hand, so he made such a request!

“I bah, do you want a face, at this time, people don’t use weapons?”Your Tangmen face is so thick-skinned!”

Lin Kefan spit fiercely!
