

The Order 7991

Chapter: 7991

“No problem.....”

Chen Ping actually agreed!

“Chen Ping, are you crazy?” Lin Kefan looked at Chen Ping in disbelief!

“Fourth uncle, I can pinch him to death without slashing the dragon sword...”

Chen Ping smiled slightly!

“Well, since you have agreed, then you are not allowed to use the sword in your hand anymore.”

Elder Tangmen said!

Chen Ping actually put away the dragon Sword.

In the tavern, the red-haired old man looked surprised and said, “I didn’t expect Chen Ping to dare to agree. The reason why he is so powerful is that the sword in his hand has played a lot of roles.”

“If it weren’t for the dragon slashing sword, it would be impossible for him to defeat the great Elder of Tangmen. He is the fourth product of Fairyland!”

“That’s not necessarily!” Ming Shao smiled coldly: “Do you think Chen Ping is a bad pen?” The reason why he dared to agree was that he was absolutely sure!

“Take your time, there are really more and more surprises...”

Young Master Ming drank all the wine in his hand!

When the Elder Tangmen on the other side saw this, he waved his hand and said, "You all stand down, I can do it myself!"

The people of Tangmen slowly fell back to the ground, only Chen Ping followed the Elder Tangmen in the air, looking at each other!

However, these Tangmen gang members all stared at Chen Ping. Although they were drunk back, it did not prevent them from shooting at Chen Ping at a critical juncture.

Anyway, they are all hidden weapons, which are used when people are unprepared!

Elder Tangmen stared at Chen Ping, his eyes gradually became cold, and the butterfly dagger in his hand began to rotate.

At this time, he suddenly jumped out and wanted to kill Chen Ping, and even followed Chen Ping to fight alone, completely selfish!

Seeing the sword in Chen Ping's hand, as well as the divine beast, the elder wanted to kill Chen Ping and take Chen Ping's storage ring as his own!

Just following the Spirit Gate war, Chen Ping must have consumed a lot!

In addition to not using the dragon Slashing sword, Elder Tangmen is sure to be able to kill Chen Ping!

If a group of people step forward and kill Chen Ping, it will take some effort to get Chen Ping's storage ring!

After all, for the treasures on Chen Ping's body, which one is not salivating, maybe it will be snatched away.

That's why he put forward the suggestion of going it alone.

It's just that the Elder Tangmen is still stupid. The reason why Chen Ping dared to put away the dragon sword must be absolutely certain.

"How's it going? I don't need a sword, can I start the fight?"

Chen Ping asked!

"Of course, in order to avoid others saying that I bully people, I can let you do three tricks!"

Elder Tangmen said very proudly!

After all, it's enough for a monk with the four products of the fairy land to deal with a three-product of the Mahayana realm. Now he has to let others not use swords. Do you want to face it?

Therefore, Elder Tangmen would propose three tricks for Chen Ping, so that he could find some face for himself in front of everyone.

Chen Ping smiled slightly, and did not pay attention to him, but clenched his fists tightly!

"Holy Light Fist....."

Chen Ping punched out!

Boom!

A huge iron fist tore through the void and headed towards the great Elder of Tangmen!

Elder Tangmen was shocked when he saw this. Originally, he thought that Chen Ping could only exert his terrifying strength by slashing the dragon sword!

But now Chen Ping's punch is coming with endless horror!

"Is this a magical skill?" Elder Tangmen looked horrified!

From the power of this punch, he could truly feel that this was not an ordinary martial arts technique.

But now that I have said three tricks for Chen Ping, if I make a move at this time, I will really be laughed out of my teeth!

Chen Ping's holy light fist was like a golden meteor, tearing through the void, and forcing the Elder Tangmen with endless coercion.

Where the fist wind passed, the air seemed to be torn apart, making a shrill scream.

Elder Tangmen's face was solemn for an instant. He didn't expect the power of Chen Ping's punch to be so terrifying, far beyond his expectations.

Chapter: 7992

"Thousand Butterfly Storm!"

Elder Tangmen let out a low cry, and with a sudden wave of his hands, the thousands of butterfly short swords instantly turned into a huge storm barrier in front of him.

In the storm, the short knife rotated like electricity, making a "buzzing" sound, as if countless butterflies were flying in the wind.

The Holy Light Fist collided with the Thousand Butterfly Storm, and a deafening noise broke out.

The golden fist shadow and the silver storm intertwined in the air, forming a dazzling light curtain. Everyone in the tavern covered their ears one after another, their eyes full of shock.

“This...this punch is so powerful.”The red-haired old man widened his eyes and looked at the duel in mid-air in disbelief.

The corners of Ming Shao’s mouth were slightly raised, and a trace of excitement flashed in his eyes: “Sure enough, Chen Ping is not an easy kid. He doesn’t need a sword at all. This punch alone is enough to shake the power of the four products of Wonderland!”

In mid-air, Chen Ping’s fist shadow was gradually swallowed by the storm of thousands of butterflies, but Elder Tangmen’s face was not relaxed.

He clearly felt that Chen Ping’s fist strength had not completely dissipated, but was constantly condensed in the storm, as if he would break through his defense at any time.

“Fairy finger!”Chen Ping let out a low cry, his figure flashed suddenly, and he instantly appeared on the flank of Elder Tangmen.

I saw the golden light beating on Chen Ping’s fingertips, and then with a finger of his hand, the golden light suddenly headed towards the Elder Tangmen.

“Fairy finger!”Elder Tangmen’s pupils shrank, and his heart was shocked.

He didn’t expect Chen Ping to have mastered such a profound immortal technique, and the power of this finger was even more terrifying than the previous Holy Light Fist.

As the fairy fingers cut through the void, everything around seemed to start to stand still!

“The origin of time?”

Ming Shao in the tavern got up, the smile on his face had also disappeared, and he quietly looked at Chen Ping in the air!

Monk Sanpin of the Mahayana Realm, however, was able to perceive the origin of time and even control time, which was beyond all his expectations.

At this moment, there was finally a solemn expression on Ming Shao's face!

"What is the identity of this kid, how could it be so terrifying? Could it be that there are people from the heavens behind him, otherwise how could there be so many magical skills?"

The red-haired old man also said with a shocked expression on his face!

Everyone else looked at it blankly, their faces full of disbelief!

"When will this guy have so many skills?"

Lin Kefan swallowed his saliva, his face shocked!

The Lord of the Ten Temples hiding in the crowd secretly rejoiced in his heart. If he hadn't followed Chen Ping, with his current strength, he might have become the soul of Chen Ping's sword long ago!

In the last corner of the crowd, Ning Zhi and Su Yuqi have also been observing Chen Ping's battle!

Accompanied by Chen Ping's slaying of the spirit gate master, and now fighting with the Elder Tangmen, he also resorted to the holy light fist. The immortal pointed to this kind of magical skill, which caused Ning Zhi to have a great gap in his heart!

"Junior brother, this person is not easy to kill..." Su Yuqi said slowly!

"Senior sister, maybe it's not easy for others to kill, but I believe senior sister will be able to kill him, definitely..."

Ning Zhi looked confident and sure!

Because only Ning Zhi knew at this moment that when Su Yuqi showed her face, Chen Ping would definitely be dumbfounded, and she would definitely not take action against Su Yuqi!

By that time, Chen Ping would have become a lamb to be slaughtered!

At this time, Elder Tangmen's face was shocked, and he didn't dare to neglect him at all. His hands suddenly folded, and the Thousand Butterfly Storm shrank instantly, turning into a silver shield of light in front of him.

All movements have become very slow in Chen Ping's eyes at this moment.

The golden finger light did not wait for the light shield to form, but it had already rushed to the Elder Tangmen.

"Puff!"

Elder Tangmen was hit by this finger, a mouthful of blood spurted out of his mouth, and his figure flew out upside down, hitting the ground heavily, smashing a deep pit.

"Great Elder!"

Everyone in Tangmen exclaimed and wanted to step forward to rescue them, but Chen Ping glanced at them coldly: "We are fighting alone. If you dare to move, you will die..."

In a word, that invisible coercion made the Tangmen gang dare not act rashly.

Elder Tangmen got up from the ground with difficulty, his eyes full of horror and unwillingness.

He didn't expect that a strong man who was dignified into the four products of Fairyland would be forced to such a point by a junior of the three products of the Mahayana realm.

And the opponent doesn't use a sword yet, it's a miscalculation!

But now, you can't back down!

"The third trick, you can take it!"

Chen Ping's voice sounded again, and his figure appeared in front of Elder Tangmen like a ghost.

Chapter: 7993

A trace of despair flashed in Elder Tangmen's eyes, and he knew that he had to do his best.

A trace of fierceness suddenly flashed in the eyes of Elder Tangmen.

"I won't die!" Elder Tangmen suddenly bit the tip of his tongue, spurted out a mouthful of essence and blood, his hands quickly formed marks, and shouted in a low voice: "Tangmen Technique-Ten Thousand Butterflies Soul Eater!"

In an instant, countless black butterflies flew out of his body, each with a strong breath of death, and then wrapped the body of Elder Tangmen.

These black butterflies seem to be able to devour everything, and even the air is corroded by them, making a "sizzling" sound.

Chen Ping smiled coldly. It was obvious that the Elder Tangmen wanted his boxing to be contaminated with this terrifying black butterfly, but Chen Ping would not be so stupid.

Chen Ping suddenly swung a punch, but when his fist was about to reach the Elder Tangmen, suddenly there was an extra long sword!

The dragon slashing sword directly penetrated the body of the Great Elder Tangmen. At the same time, those black butterflies were also instantly swallowed by the sword qi and turned into nothing.

“You.....you.....”

Elder Tangmen’s eyes widened, blood surged in his mouth, and his face was unwilling: “You don’t speak of credit...”

I said that I don’t need a sword, so I let Chen Ping do three tricks by himself!

But in the third move, Chen Ping used the dragon sword, which was shameless!

If you know this, the Great Elder’s ten thousand discs of soul eaters will directly wrap Chen Ping, so why bother to let Chen Ping contaminate it with his fists!

Chen Ping slowly drew out the dragon slashing sword, looked at the Elder Tangmen with an atmosphere and said, “I’m sorry, I didn’t keep my promise, I’m sorry, I apologize to you!””

Chen Ping is apologizing to Elder Tangmen, and his attitude is very sincere!

Elder Tangmen stared at Chen Ping with a pair of eyes, with that angry expression, he couldn’t wait to eat Chen Ping alive!

It’s a pity that he couldn’t do it anymore, his body slowly fell down, and finally completely lost his breath!

Elder Tangmen is dead!

Stabbed to death by Chen Ping with a sword!

“The great Elder...” The people of Tangmen swarmed on the great elder!

“Chen Ping, you shameless person, you don’t even speak of credit!”

Qianxiao trembled angrily, pointing at Chen Ping and yelled!

“Didn’t I already apologize?I’m really sorry, I just didn’t hold back and sacrificed the sword.”

“Otherwise, we are fighting, I promise I won’t use a sword!””

Chen Ping spread his hands and said helplessly!

“Shameless, everyone is dead, what’s the use of apologizing?”Qian Xiaohan trembled!

“Otherwise, I will resurrect him?”

Chen Ping said!

“Resurrection?Qian Xiaohan was taken aback and looked at Chen Ping in disbelief: “Can you resurrect the dead?””

“Simple and simple...”

I saw Chen Ping’s palms slowly stretched out, and his palms began to emit hot flames!

Everyone looked at Chen Ping in shock at the moment, holding their breath one by one!

They have never seen it before, who can kill people and then resurrect them!

“He can also resurrect the dead?”Young Master Ming was also aroused, jumped out of the tavern window directly, and then stood in the crowd!”

At this moment, everyone's eyes were focused on Chen Ping!

I saw the flame in Chen Ping's palm getting stronger and stronger, and then Chen Ping's palm pressed down, and the flame wrapped the body of Elder Tangmen!

"I haven't heard of resurrecting the dead with flames."

"There are so many things you haven't heard of, how can you know the way to resurrect the dead?"

"The body is almost burned out, can it be resurrected?"

Everyone looked at this scene, all whispering!

Qian Xiaohan was also shocked, seeing that there were fewer and fewer corpses of Elder Tangmen, and finally he was directly turned into ashes by the flames!

"Where are the people? Can't you be resurrected?"

Qian Xiaohan asked!

"Sorry, I made a mistake, I apologize..."

Chen Ping grinned!

Chapter: 7994

"Ah....."

“Shameless...” Qian Xiaohan is going crazy!

Everyone around couldn't help but booed, and the eyes looking at Chen Ping were full of contempt!

But Chen Ping didn't care at all!

Ming Shao also whispered: “Fuck, even I lied!”

After speaking, Ming Shao's body disappeared in an instant and returned to the tavern!

The Tangmen gang are all crazy at this moment, even if they kill their elders, now even the corpses have been burned, and there are no bones left!

A group of Tangmen gang members shouted and rushed towards Chen Ping!

Chen Ping's face became cold, and he looked at the Tangmen people: “Do you want to be like your elders?””

In a word, all the Tangmen people were scared to stop, and then slowly retreated!

“Chen Ping, at least you are also a Mahayana monk, how can you be so shameless?””

Qianxiao said with a trembling body!

“Am I shameless?”

Chen Ping smiled coldly: “You have dozens of people looking for me in three doors, so you have to face it? That Elder Tangmen is in a higher realm than me, and he knows that I have already fought fiercely, and he is going to come to the wheel to fight. Is this shameful?”

“If I am not allowed to use weapons, there will be various restrictions. Is this shameful?”

“I think the most shameless thing is that you even have three doors...”

Chen Ping’s remarks directly dumbfounded Qian Xiaohan!

“No matter what, you must die today, otherwise I won’t even lose my face in Sanmen!”

Qian Xiaohan shouted angrily, and he was about to take someone to do something to Chen Ping!

“Even Sanmen counts as a fart, do you still have a face?”

At this moment, there was an angry shout, and then the entire void began to tremble, and figures appeared in the sky!

Lin Chong arrived with Taoist Master Wuji and the masters of Sun Moon City!

Seeing Lin Chong coming, Qian Xiaohan’s face instantly became extremely ugly!

When Lin Keting and Lin Kefan saw this, they jumped up and came to Lin Chong.

“Father, this company is shameless, deceiving more and less, and using wheel warfare against Chen Ping. You must teach them a good lesson!”

Lin Keting said to Lin Chong!

Lin Keting couldn’t watch it anymore just now, but it was a pity that her strength was not enough and she couldn’t help Chen Ping at all!

Now that my father is here, then you don't have to endure it!

"Disciple, needless to say, your father will also take action. How could he watch his son-in-law Chenglong be bullied!"

Taoist Master Wuji stroked his beard and said!

"Master!" Lin Keting blushed!

Chen Ping looked at Lin Chong who was coming, smiled slightly, and felt even more emboldened in his heart. If the Qianxiao Man was doing it, Chen Ping would no longer be able to stand it!

Successive battles have already consumed too much power for Chen Ping, and he needs to replenish it!

In the tavern, Na Mingshao glanced at Lin Chong and said slowly: "The people of Sun Moon City have also arrived, and even the people of Sanmen are over!"

"Young Master Ming, do we want to make a move?"

The red-haired old man asked!

Now even Sanmen has joined the Four Hades, that is, the people of the Four Hades, if there is danger, they can't stand idly by!

"Look at it slowly, don't worry about it for the time being, these people have not completely surrendered."

Ming Shao said lightly.

The red-haired old man was taken aback, then understood, and nodded heavily!

That Gan Xiaohan has always claimed to be a person of the three sects, but he didn't mention the Four Hades!

Now that they have surrendered, they are the people of the Four Hades, not even the three doors!

This is what makes Ming rarely unhappy, so he chose to continue watching the excitement!

Qian Xiaohan looked at the direction of the tavern, and then stabilized his mind. They are now from the Four Hades, so there is no need to be afraid of Sun Moon City!

"Emperor Lin, this Chen Ping killed our elder, and now he has killed the Spirit Gate master and the Tang Gate elder, so we must avenge this hatred!"

Chapter: 7995

"You'd better not intervene, otherwise your Sun Moon City will also suffer from the disaster of destruction..."

Qian Xiaohan threatened Lin Chong!

"Threaten me?"

Lin Chong stepped out, and the whole person instantly arrived in front of Qian Xiaohan!

The coercion on his body directly crushed towards the dry Xiaohan!

Qian Xiaohan was taken aback and hurriedly said, "What do you want to do? We are now from the Four Hades."

Snapped!

Lin Chong slapped it over, and the Gan Xiaohan was directly pumped away, and then fell heavily to the ground!

“I don’t care who you are, you have to keep a low profile in front of me.”

“Do you dare to threaten me?”

Lin Chong’s face was cold, and the momentum on his body was so scared that even the people of Sanmen retreated one after another!

Qian Xiaohan stood up with a look of embarrassment, looked at Lin Chong and said, “We are really from the Four Hades, how dare you...”

Whoosh!

Snapped!

I saw Lin Chong’s figure suddenly disappeared, and then the dry Xiaohan’s face was slapped again!

Qian Xiaohan looked dumbfounded, but he didn’t dare to open his mouth anymore!

Lin Chong looked around: “Mr. Chen, I’m safe. If you dare to touch him, I will kill him...”

Lin Chong’s momentum directly scared everyone around him!

Just when everyone was afraid to speak and looked blankly!

Like a business came: “So crazy, so crazy...”

“It depends on the owner to beat the dog. He has said that it is the dog of our Four Hades, and Lin Huang has to take action. Isn’t this to put our four Hades in the eyes?”

Ming Shao’s figure slowly appeared!

By Ming Shao’s side, followed by an old man with red hair, followed by eight monks in black robes, each of whom is a fairy land!

Seeing Ming Shao appear, Qian Xiaohan hurriedly brought people to the back of Ming Shao!

This time, the strength of the Four Hades has increased a lot!

There are more than 20 Fairyland!

Lin Chong looked at Ming Shao who appeared, his brows frowned involuntarily!

“No matter who it is, if I want to be against Mr. Chen, I will kill it, and your Four Hades is no exception!”

Although Lin Chong was afraid of the strength of the Four Hades, if they dealt with Chen Ping, even if Lin Chong fought the entire Sun Moon City, it would be impossible for Chen Ping to have an accident!

“Well, if you have the guts, it seems that I have come to the land of no illusion this time, I really came right.”

“Our Four Hades haven’t shown up in a few years, so no one can lose face.”

Ming Shao’s eyes narrowed slightly, and the breath on his body began to rise slowly!

“Just you people, if you really put it together, you still don’t know who loses and who wins!”

Lin Chong's breath also began to rise!

The people of Sun Moon City, with the addition of Chen Pingping, are no longer in the minority!

"My Huo family is here to help Ming Shao's field..."

At this moment, suddenly the void trembled, and Huo Zhenfeng came with the master of the Huo family!

Originally, Huo Zhenfeng didn't want to participate in the battle between Lian Sanmen and Sun Moon City, nor did he want to deal with Chen Ping at this time, he just wanted to sit on the mountain and watch the tiger fight!

At that time, I had been here to fight against each other and fish for profit, but after seeing Lian Sanmen join the Four Hades, Huo Zhenfeng already knew that if he didn't make a choice, when Chen Ping was killed, the Huo family would not get any benefit!

So under the trade-off, Huo Zhenfeng decided to take the Huo family masters to help the Four Hades!

Obviously, the strength of the Four Hades is much higher than that of Sun Moon City!

In today's society, who is strong and who is reasonable!

Seeing the Huo family suddenly appeared, Lin Chong frowned tighter!

At this moment, the balance completely fell to the Four Hades!

"I can't hide anymore, it's time for life and death!"

Chapter: 7996

The Lord of the Ten Halls slowly walked out of the crowd!

“Lord of the Ten Temples, I didn’t expect you to come too, come and join us and kill this Chen Ping!”

Qian Xiaohan saw the lord of the Ten Temples and hurriedly greeted him!

After all, their Qian Lao is in the Tenth Hall, so it is very familiar to follow the lord of the Tenth Hall!

He thought that the appearance of the Lord of the Ten Temples was to help them!

“Sorry, I want to help Mr. Chen...”

After the Lord of the Ten Halls finished speaking, he walked slowly to Chen Ping’s side!

The choice of the Ten Hall masters instantly made everyone confused, and they didn’t understand how the Ten Hall masters chose Chen Ping?

“Lord of the Ten Temples, are you not afraid of being punished by the temple for betraying the temple?”

Huo Qing saw that the ten hall masters were actually in a group with Chen Heisei, so he asked angrily!

“Fuck you, I can help whoever I want, can you manage it?””

“I used to look at the face of the Huo family, I didn’t care about you. Now that the ten halls are gone, I’m not afraid of anything.”

The Lord of the Ten Temples cursed angrily!

No matter how powerful the opponent is, he will choose Chen Ping!

Because he had seen Mr. Shi's action with his own eyes, this scene had already been deeply engraved in his heart!

"It's just one more transformation into three products, it's okay..."

Ming Shao smiled coldly!

"What if you add an old man?" Accompanied by a thunderous sound, the Lord of the Northern Territory slowly appeared!

"Lord of the Northern Territory, don't you practice well and manage the monks of the Northern Territory, do you still want to participate in our battle?"

Qian Xiaohan looked at the Northern Territory Lord and asked!

"Nonsense, I won't participate, my baby uncle will be bullied to death by you."

Lord Beiyu slowly walked towards Chen Ping, patted Chen Ping on the shoulder and said, "Good uncle, don't be afraid, I'll help you!"

"Lord Beiyu, what do you mean? He is my daughter's man!"

Lin Chong looked at the Lord of Xiangbei and asked!

"Lin Huang, he is my daughter's man, we have met a long time ago!"

The lord of the Northern Territory pulled Hua Yueying over: “Daughter, do you think Chen Ping is your man?””

Lin Chong also pulled Lin Keting over: “Girl, do you think Chen Ping is your man?”

Lin Keting and Hua Yueying were extremely embarrassed. How could they say such a thing in front of so many people!

“Ahem.....”

Chen Ping also coughed embarrassedly: “Two of them, both of them are my women, the three of us have already slept...”

Lord Beiyu and Lin Chong glanced at each other, and then laughed loudly.

Lord Beiyu said, “Are the two of us considered to be in-laws?”

“Count, definitely count...” Lin Chong nodded!

“Don’t fucking kiss here, hand over Chen Ping, or you will die together...”

“Even if you add the lord of the Northern Territory, you have no chance of winning!”

Ming Shao said impatiently!

“What if you add us?”

The appearance of two fiery red figures was the appearance and inquiry of the Fire Burning Sect.

Behind the two of them, there were also a few people in black robes, but above their black robes, there were flaming flame signs!

Chen Ping was taken aback when he saw the two of them dressed up, but soon he realized that this man was not the one who claimed to be Ning Zizhi!

“Brother, what kind of chaos did you cause by burning the sect? Do you have friendship with Chen Ping? Or does your sister also become Chen Ping’s woman?”

Seeing the two brothers and sisters who appeared, Ming Shao asked very displeasably!

“We have no friendship. Our brothers and sisters just want to teach you a lesson just because they are upset with you!”

“said!

At this time, Chen Ping looked at the two brothers and sisters with surprise on his face. He didn’t expect these people to be from the Huozhan Sect!

What’s more, I didn’t expect that the people of the Fire Burning Sect would take the initiative to help themselves!

Chapter: 7997

“It’s really awesome, the top three forces in the world of heaven and man are going to fight each other!”

“Does it matter why Huoyinzong suddenly wants to help Chen Ping?””

“It’s lively, hide away for a while, it’s estimated that many people will die.”

When everyone saw this scene, they whispered one after another!

Young Master Ming had an ugly face, his eyes were burning with anger, and he stared at him viciously: "Come out, don't think that you are famous for your Fire Burning sect. If you say that you are the number one power in the world of heaven and man, you feel that you are amazing. ."

"If you don't want to die, just go away. I won't provoke you. If you insist on helping Chen Ping, then don't blame me for being rude!"

"If you don't have anything to say, you can fight if you want. Aren't you always crazy and no one can look down on you?"

I had already seen that Young Master Ming was upset, and I just took the opportunity to clean him up!

In fact, if you want to say that you have any friendship with Chen Ping, you really don't have any at all. You and the brothers and sisters who ask for love are simply upset to see Ming Shao!

As the so-called enemy of the enemy is a friend, they still understand the truth!

All of a sudden, the sword rattled, and the whole atmosphere was suppressed to the extreme.

At this moment, as long as one person does it, the melee will begin immediately!

Just when everyone was so depressed by this atmosphere that they couldn't breathe, suddenly there was a change between heaven and earth, and strange white rays of light enveloped the land of no illusion!

The entire space of the land of no illusion seemed to be oppressed, and everyone felt like a mountain was pressed on their bodies!

"Climb the ladder, climb the ladder appeared..."

someone. Shouted loudly!

Everyone looked up and found that in the void, a ladder to the sky like a mountain slowly appeared!

Boom boom.....

In the end, the ladder to the sky fell heavily to the ground.

The moment the ladder landed, everyone rushed towards the ladder!

The two groups of people who were originally rattling their swords couldn't care about each other, and then flew towards the ladder!

Chen Ping also hurriedly flashed his figure and reached the top of the ladder!

The ladder to the sky is very huge, towering into the clouds!

There are a total of nine steps, and there is a light gate on each step!

Chapter: 7998

On the first floor of the ladder to the sky, I don't know who carved two large characters on it: Ascend to the sky.....

Looking at the huge ladder in front of him, Chen Ping's expression became solemn. This ladder exudes an ancient vicissitudes of life, which is daunting!

Obviously, this ladder to the sky was deliberately done by someone, perhaps a celestial immortal, or a more advanced monk!

In the eyes of these people, the monks of the heavenly world should be like ants or pawns!

At this moment, someone couldn't bear it anymore and rushed towards the ladder!

However, not many people set foot on the first floor of the ladder, and these people all went straight to the third floor of the ladder!

"Why don't these people go to the first floor?"

Chen Ping asked in surprise!

"Chen Ping, these people have already been to the ladder, and they have already passed the first floor. Every time they pass the first floor, they will leave a customs clearance mark on their bodies, so if you continue to enter the ladder later, you don't need to go through it again!"

"You haven't entered the ladder, so you have to start from the first floor, and we can't accompany you. After customs clearance, we can't enter the first floor!"

Yunli followed Chen Ping and said!

Only then did Chen Ping understand that after the original customs clearance, there was no way to enter, so he could only go to the next level!

"Don't worry, the first layer is very simple. With your strength, you can easily pass it."

"Moreover, the monks in the first-tier world are not very strong, and they can't cause you any harm at all!"

"But there is one thing that is more troublesome, that is, the customs clearance conditions must be found by yourself. The people who have to be challenged every time the customs clearance is different."

Lin Kefan patted Chen Ping on the shoulder and said!

“I suspect that the world in this ladder is not static. It’s a pity that after customs clearance, we can’t enter and there is no way to verify it.”

Xuan Bin looked at the ladder in front of him and said!

“Whatever, as long as you can get resources and exercise in the ladder to the sky, if you want to ascend to the heavens by climbing the ladder, it’s not much easier than practicing Feisheng by yourself!”

Zhou Tang said!

Like their strength, they just exercise themselves in the ladder to the sky, and then in the world of the ladder to the sky, look for some resources for their own use!

As for climbing to the ninth floor, and then relying on the ladder to reach the heavens, it is almost impossible!

“Mr. Chen, we will be waiting for your good news at the gate. If this ladder appears, we will stay here for three months, and it will slowly disappear after three months.”

“So Mr. Chen doesn’t have to worry too much, as long as the time is calculated, he can come out in three months.”

Chapter: 7999

“If the ladder disappears and hasn’t come out yet, you will need to stay in the ladder world for a hundred years!””

Lin Chong followed Chen Ping and said!

“Good!Chen Ping nodded.

“Father, I want to go into the first floor with Chen Ping to have a look...”

Lin Keting said!

“No, your strength is still too low now, it will be dangerous to enter the ladder, and Mr. Chen is going to experience, not to play with you.”

Lin Chong glared at Lin Keting and said!

“Huh!”Lin Keting snorted coldly, very dissatisfied!

Just as Chen Ping and the others were talking, many people had already entered the ladder!

Some monks also entered the first floor, including Ning Zhi and Su Yuqi!

Chen Ping looked at the fiery backs of the two of them, but he didn't expect that this was the first time these two people had entered the ladder!

“Master Chen, our sisters have to go first. We have already cleared the first floor and need to go to the second floor.”

“I hope I can meet Master Chen on the second floor!”

After Hong Yao and Lan Yao finished speaking, they leaped up to the second-story stone steps, and then slowly walked into the light gate!

“I'm leaving too!”Chen Ping said goodbye to everyone!

But at this moment, Lin Keting suddenly jumped up and went straight to the light gate on the first floor!

“Disciple.....”

Wuji Dao grew up in shock, but it was over, Lin Keting had already rushed into the light gate!

“Don’t worry, I’ll just look at her!”

After Chen Ping finished speaking, he chased up in an instant and rushed into the light gate!

But when Chen Ping rushed into the light gate, he only felt that his eyes were white, and he came to the world of climbing the ladder in an instant!

When the light gradually appeared in front of Chen Ping’s eyes and he could see things clearly, the whole person was in a daze!

There was no shadow of Lin Keting around him at all, and Lin Keting’s breath could not be detected even within a radius of a hundred miles or more!

It seems that the transmission of this light gate is random, not to the same place in this world!

Chapter: 8000

“I don’t know if the world is big or not, can I find her?”

Chen Ping frowned slightly, then looked at the world in front of him!

This is a wasteland, boundless, and the aura of this world is not very strong, it looks very barren!

It's no wonder that this world will be on the first level. In this kind of world, it is indeed difficult for any masters to appear!

It's just that to defeat whoever clears the customs, Chen Ping still needs to find it by himself!

Still looking for Lin Keting.....

Chen Ping fell from mid-air to the ground, stepping on the sand and gravel and walking slowly forward!

If you fly in the royal air, you need to consume a lot of spiritual power, and the aura of this world is thin, and there are no resources. If you want to replenish it, you can only start with your own resources, so Chen Ping wants to save a little bit. After all, resources here are very precious!

Chen Ping didn't know how long he had been gone. A town appeared in front of him. There was also a formation barrier around the town to protect the safety of the town!

When Chen Ping approached the town, more than a dozen monks suddenly appeared, holding weapons in their hands, and surrounded Chen Ping!

The leader of these people is an old man, who is still wearing a Taoist robe, and he should be a Taoist!

Just glancing at it, Chen Ping found that the strength of these people was only in the fit realm, and the old man was the strongest, but it was just the eight qualities of the fit realm!

In the current fit state, in Chen Ping's eyes, I am afraid that even ants are not counted!

"Fellow Taoist, where are you from? Is there anything wrong with coming to our town?"

The old man looked at Chen Ping cautiously and asked!

"I come from the world of heaven and man, and I am here..."

Chen Ping's voice hadn't fallen yet, but those people suddenly looked horrified, then turned around and ran towards the town!

The old man took the lead and ran into the town, and then shouted: "The natural disaster is on, hurry up and open the formation..."

With the opening of the surrounding formations, the entire town was shrouded in light!

Many people in the town looked at Chen Ping in horror!

Chen Ping wondered very much, why are these people afraid of themselves?

Chen Ping walked towards the town step by step, gently pressing his palm on the light of the protective formation, and the formation around the town was instantly broken!

In this way, Chen Ping walked into the town easily!

But at this moment, everyone in the town was frightened.
