

The Order 8001

Chapter: 8001

The cry of a woman and the cry of a child seem to be the end of the world!

“Old man, what are you doing? I’m not a demon, why are you so afraid of me?”

Chen Ping asked the old man very puzzled!

The old man looked at Chen Ping nervously, and then said, “Aren’t you here to snatch resources and kill people?””

“Of course not. I have resources on me, so why bother to grab yours, and you are all going to die of poverty. Even the aura in this world is thin. What resources can there be!”

Chen Ping said unintentionally!

When the old man heard this, he burst into tears in an instant, and said weeping: “Our world was originally rich in aura, and resources from all over the world are also very rich.”

“It’s a pity that three hundred years ago, suddenly this world descended on many masters of other worlds, snatching the resources of our world, and killing the monks of our world.”

“Every hundred years, a master will appear in our world, burning, killing and looting, which we call a natural disaster.”

“Those people also said that they are from the heaven-human world. Just now you said that you are from the heaven-human world, and I knew that the natural disaster had begun.”

The old man said very sadly, the world that was originally rich in resources has become like this, so how can the monks in this world practice, the general strength is not strong!

“Only three hundred years?” Chen Ping frowned slightly!

If this world has only experienced three hundred years of looting, it proves that this world is by no means the original world on the first level of the ladder, it should have been replaced!

Looking at this situation now, if the next time you climb the ladder, the world on the first floor should not be these people!

After all, the three looting has left the world with no resources to fish for.

“Who on earth is helping the monks in the heavenly world?”

Chen Ping couldn't understand, how could anyone feed one world to another in the thousands of worlds in the galaxy of the universe?

As in the current situation, it is to teleport the other plane worlds directly through the portal of the ladder, not that the world is in the ladder!

“Old man, since you have experienced it three times, you must know that we need to challenge someone when we come here, right?”

“As long as the challenge is successful, you can leave your world.”

Chen Ping wanted to find out from this old man who he needed to challenge if he wanted to leave here!

Since you need to find it by yourself, someone will definitely know that you can't guess it all by yourself, and then kill all the people in this world!

“Of course I know, but you must not go now, wait here for a few days, and then challenge!”

The old man exhorted Chen Ping!

Chapter: 8002

“Why is this?” Chen Ping asked very puzzled!

“Now you go to challenge, that person is the strongest when he is the strongest. After you wait for other people to challenge, it will be the easiest at that time!”

said the old man!

Chen Ping smiled, even if the first-level challenge is difficult, his own strength is not easy to grasp!

“Fellow Taoist, you don’t have to laugh. Do you think that our world is barren and there is no master, so you can win whatever you want?”

said the old man!

Chen Ping nodded and did not deny it!

“You are wrong. The person you want to challenge is not from our world, but came to our world not long ago.”

“When this person comes, we know that the natural disaster is about to start.”

“Maybe this will be the last time, our world is afraid that it will be destroyed!”

The old man looked at the barren wasteland and said with emotion!

“Why is this?” Chen Ping was taken aback!

“Obviously, our world has been selected as a testing ground. When this trial is over, our mission will be completed, and there will be no need for this world to exist.”

“In the eyes of those powerful powers, our world is nothing more than a grain of dust...”

After the old man finished speaking, tears flowed out of his eyes!

Chen Ping was silent, he didn't know how to comfort the old man!

“Enemy attack.....”

Suddenly someone. There was a shout, and then everyone in the town jumped into the air in a panic!

Some women and children stayed in the town, hiding in their homes!

In the distance, two black dots were approaching quickly, and soon they came over the town!

The two monks are all cultivators of the eight qualities of the Mahayana Realm!

But in the eyes of these small-town monks, these two people are insurmountable powerhouses!

“Damn, this place where birds don't shit, there are no resources at all, but it can be regarded as a small town with people.”

“Brother, it just so happens that our brothers will search to see if we can get something!”

Chapter: 8003

After the two of them finished speaking, they fell directly towards the town!

When many monks in the town saw this, they took action to stop it!

But the other party turned a blind eye, and saw one of them wave his hand casually, and a terrifying aura fell from the sky!

The monks in the town fell one after another, and no one could stop them!

The disparity in strength is too great!

The two fell into the small town, and one of them snorted coldly: "Hand over all the resources on you, we can spare your lives!"

The other person also hurriedly said: "I'm sending a few beautiful women over, let our brothers have a good time!"

The monks in the small town all glared at the two of them, but no one dared to speak!

"What the hell are you two, is it good to bully the weak?"

At this moment, Chen Ping followed the old man slowly to the street in the middle of the town!

"Who the hell dares to say that to our brothers?"

One person. Yelling, he turned his head but saw Chen Ping!

When these two people saw Chen Ping, their faces turned green!

In the eyes of these small-town monks, they are the supreme power!

But in Chen Ping's eyes, they are ants!

The two of them knew Chen Ping and knew Chen Ping's true strength. When they were in the Dao Gate, the two of them were in the crowd and watched Chen Ping kill the Spirit Gate master and the Elder Tang Gate with their own eyes!

"Chen... Mr. Chen, I didn't expect you to be there too!"

The two monks trembled with fright.

"You two just want to experience and then clear the customs. Why bother to hurt people's lives? The resources on these people are useless to you!"

"Hurry up and get out of here, don't be strong and weak anymore!"

Chen Ping waved his hand!

The two monks nodded again and again, and then ran away without looking back!

All the monks in the small town saw this scene and bowed down to Chen Ping one after another!

The old man was also shocked. He didn't expect Chen Ping to be so powerful. Even the people who came from the natural disaster were afraid of Chen Ping!

Chapter: 8004

"Friends of Taoism, please also friends of Taoism to save our lives!"

The old man also knelt down!

“Old man, please get up quickly.” Chen Ping helped the old man up and drew a pattern in the air, and then the whole town was shrouded in golden light!”

“Old man, I have set up a defensive formation around this town. If you encounter danger, as long as you don’t leave the town, no one can hurt your lives!”

Chen Ping said!

“Thank you, thank you...” Many monks in the town thanked them one after another!

“Old man, I want to challenge. Can you tell me where the challenged person is?”

Chen Ping asked!

The old man pointed to the southwest and said, “It should be in that direction. It is a man with a giant axe and a height of nearly 100 meters.”

Chen Ping got useful information and didn’t stay too long, but went straight to the southwest!

At this moment, Chen Ping exuded his divine consciousness and began to capture the aura of the man the old man said!

After all, as a person who can be challenged, the opponent’s strength will definitely not be too low, otherwise it will be meaningless!

Soon, Chen Ping locked an area and fell directly!

Chen Ping looked around with a wary expression!

Boom boom.....

Suddenly, the earth shook, and the whole earth began to shake!

Chen Ping hurriedly jumped into the air, and then looking down, he saw a deep gully split in the ground, and then a man holding a giant axe slowly walked out!

The man's body was in tatters, like a beggar, he was 100 meters tall, but his breath was very terrifying!

The man raised his head and looked at Chen Ping, and grinned: "The three products of the Mahayana Realm, dare to be the first to challenge, have the courage..."

"I just can't find resources in this place where birds don't shit, so I can get a little bit from you."

Chen Ping stared at the man, his face turned very ugly!

"Damn, is the first floor so perverted? How did everyone else pass the first level?"

Chen Ping frowned, very puzzled!

Even the Hongyao and Lanyao sisters have passed the first level. How did the two of them defeat the behemoth in front of them?

Chapter: 8005

"Boy, this is the first time for me. I don't know how other people passed!"

After the man finished speaking, he suddenly slashed at Chen Ping with an axe!

“Fuck!” Chen Ping is numb, but the challenge of climbing the ladder is different every time!”

Accompanied by a man’s axe, the world exploded, terrifying!

Chen Ping has no retreat, unless he doesn’t want to challenge to the second level, he must defeat the person in front of him!

Now there is only a hard lever.

Chen Ping sacrificed the dragon sword in his hand, and then directly blocked the man’s axe!

Boom!

With a loud noise, Chen Ping’s body was shaken back a thousand feet, his hands numb!

Chen Ping looked at the man in front of him in shock, his face unbelievable, is the first layer so strong?

Is it deliberately aimed at yourself?

Chen stabilized his figure, clasping the dragon sword in both hands, a trace of solemnity flashed in his eyes.

He took a deep breath, the spiritual power in his body surged frantically, and the sword body glowed brightly.

Facing the behemoth with a height of 100 meters and a giant axe in front of him, he knew that this battle must not be careless at all.

“Come again!” Chen Ping let out a low cry, his figure was like electricity, and he rushed towards the man in an instant.

The dragon slashing sword cut through the sky, with a sharp sword aura, straight into the man’s chest.

The man grinned, and the giant axe swept across, bringing a gust of wind, colliding with Chen Ping’s sword aura.

In the loud noise, the world seemed to be torn apart, the air waves swept around, and the ground cracked again.

Chen Ping was shaken back dozens of feet, but did not flinch, but his eyes were more warlike.

He felt the terrifying power of the man, but he also captured a mysterious rhythm from it.

Every time the giant axe was waved, it seemed that there was a certain rule of heaven and earth, which made him feel faintly in his heart.

“That’s it...” Chen Ping murmured to himself, a hint of enlightenment flashed in his eyes.

He was no longer eager to attack, but began to carefully observe the man’s movements, trying to comprehend the mystery hidden behind the power.

Seeing that Chen Ping no longer took the initiative to attack, the man snorted coldly, raised the giant axe high, and slammed it down.

Chapter: 8006

Where the axe blade passed, the space seemed to be torn apart, bringing up a dark crack that forced Chen Ping directly.

Chen Ping's expression was cold, his figure flashed, and he narrowly avoided the blow.

He felt the destructive power contained in the axe blade, and he was more vigilant, but at the same time he was more excited.

He knew that this was a rare opportunity, and if he could comprehend it, his strength would definitely take it to the next level.

"Come again!"

Chen Ping drank low again, and the dragon sword was waved, the sword was like a rainbow, and it collided with the man's giant axe again.

This time, he no longer simply went head-to-head, but tried to merge his spiritual power with his sword intent, looking for the mystery hidden in the battle.

Boom!Boom!Boom!

The battle became more intense, and the heavens and the earth were filled with violent energy fluctuations.

Chen Ping's figure kept flashing in the air, and the sword aura of the dragon slashing sword was intertwined with the man's giant axe, bursting out with dazzling light.

As the battle continued, Chen Ping's movements became smoother and smoother, and his sword intent became more and more condensed.

He felt that he seemed to have touched the edge of a certain realm, which was a mysterious state beyond simple power.

“It turns out that power is not just brute force, but the understanding and application of the rules of heaven and earth...”

Chen Ping’s heart suddenly opened up, and a trace of brilliance flashed in his eyes.

He no longer defended passively, but took the initiative to attack. The sword aura of the dragon sword became more and more fierce, and every blow carried a mysterious rhythm.

The man felt Chen Ping’s change and his face changed slightly.

He didn’t expect that the seemingly weak monk in front of him would continue to grow in the battle and even begin to threaten himself.

“Boy, it’s interesting!”

The man sneered, and the giant axe swung even more violently, trying to suppress Chen Ping with absolute power.

However, Chen Ping at this time was no longer who he was when he first entered the battle.

His sword intent became more and more condensed, and every blow carried a kind of power of the rules of heaven and earth. When he collided with the man’s giant axe, he could faintly gain the upper hand.

Boom!

In another fierce collision, Chen Ping’s dragon slashing sword and the man’s giant axe were shaken apart at the same time.

Chen Ping took advantage of the opportunity to retreat, a trace of confidence flashed in his eyes. He knew that he had found a way to defeat the man.

Chapter: 8007

“Next, it’s time to end!”

Chen Ping let out a low cry, and the spiritual power in his body surged frantically, and the sword aura of the dragon Sword instantly skyrocketed, turning into a huge sword shadow, straight towards the man.

The man felt the terrifying power contained in the sword shadow, his face changed drastically, and he hurriedly raised the giant axe to resist.

However, this time, his giant axe failed to completely block Chen Ping’s sword aura.

Boom!

The sword shadow was cut off, the man’s giant axe was shaken to fly, and his figure was forced back hundreds of feet.

He looked down at a shallow sword mark on his chest, and a trace of shock flashed in his eyes.

“You are not the third product of the Mahayana realm, you have hidden the realm, but you didn’t expect to hurt me?”

The man looked at Chen Ping in disbelief, with a trace of fear in his tone.

“You just found out, it seems a little late!”

Chen Ping said with a smile!

“You guy, hiding the realm, makes me careless, my heart is too bad...”

The man is very dissatisfied!

Chen Ping smiled slightly, his eyes full of confidence: "Go on, it's just beginning now."

Before the voice fell, he waved his sword again, his sword aura like a rainbow, straight at the man.

This time, his sword intent was more condensed, and every blow carried a kind of power of the rules of heaven and earth, which made it difficult for the man to parry.

The battle became more intense, and Chen Ping's swordsmanship became stronger and stronger.

He felt that he seemed to have touched the edge of a certain realm, which was a mysterious state beyond simple power.

In the end, Chen Ping slashed with a sword, the man's giant axe was completely shaken to the ground, and his figure was forced back thousands of feet.

He looked down at a deep sword mark on his chest, and a trace of helplessness flashed in his eyes.

"Boy, you won."

The man sighed: "You can go to the next floor..."

Chapter: 8008

"That's it?" Chen Ping looked surprised.

"Why, do you still want to kill me?"

The man's face immediately became gloomy and said!

"Don't get me wrong, senior, I didn't mean that, I just think it's a bit simple."

Chen Ping hurriedly explained!

"Huh, if I regain my strength, just like you, pinch you to death with one finger."

The man snorted coldly!

"Senior, can I take the liberty to ask, you are not a monk in this world, why are you here as a customs clearance person?"

Chen Ping was very curious, where did these customs clearance people come from, and how they were selected!

Hearing Chen Ping's question, the man sighed: "Who said that I am not from this world, but my time is too far away, and many people don't remember me anymore."

"Could it be that seniors are the power of this world?" When Chen Ping heard this, he was shocked!

"The power is not great, but he has also ascended to the heavens by his own efforts..." The man raised his head and looked at the sky, his eyes full of longing!

"Then why are you back again? And although your strength is good, it is far from the immortals in the heavens."

Chen Ping asked truthfully!

“Don’t ask too much. These have nothing to do with you. Now that you have cleared the customs, I will leave the customs clearance mark on you.”

After the man finished speaking, a red light in his palm hit Chen Ping’s body!

Chen Ping instantly felt that there was indeed an extra mark in his body!

“Senior, do you want to stay here all the time and not leave? This world is afraid that it will be abandoned, and the whole world will be destroyed by then.”

Chen Ping wanted to know what was going on with this ladder!

Now he is discovering more and more that this ladder to the sky is a masterpiece of a certain power, and they are all controlled pawns!

Seeing that Chen Ping was still asking, the man sighed and said, “We will never see each other again. It’s okay to talk to you...”

“I was suppressed here by the Dao Dao, and I have been branded as a prisoner, so there is no way to leave here.”

“To put it bluntly, my current identity is a prisoner, a prisoner who accepts punishment...”

The man’s words stunned Chen Ping for an instant. He didn’t know that there were still prisoners in this world!

Chapter: 8009

“Then can you leave this world of climbing the ladder? If you can leave, wouldn’t you be able to return to the heavens?”

Chen Ping asked!

The man shook his head: "I can't leave here. Even if I can leave, there is no way to return to the heavenly realm. I know that you are all from the heavenly realm. The heavenly realm is shrouded in the great array of heaven and earth, and the Heavenly monks trapped in it cannot return."

"And in the world of heaven and man, it is also suppressed by the Dao Dao. It is better to stay here comfortably..."

"Senior, the Heaven and Earth Array has already loosened a bit. I believe it won't take long before the Heaven and Earth Array can be broken!"

Chen Ping said!

"How could it be possible that the great array of heaven and earth was laid down by ancient powers that day. As far as the monks of the heaven and human world are concerned, who can break it?"

The man didn't believe what Chen Ping said!

"I can!" After Chen Ping finished speaking, he took out the four jade Jian: "These are the four jade Jian of the Heaven and Earth Array. I have cracked two of them now. As long as I crack the remaining two jade Jian, the Heaven and Earth Array can appear, and it will be able to be broken by then!"

Seeing these four jade Jane, the man finally had a trace of heat in his eyes, and looked at Chen Ping and said, "Do you want me to leave here, and then use the opportunity to break through the heaven and earth array in the heaven and human realm to return to the Heaven and Earth realm?"

"Not bad!" Chen Ping nodded!

"Why did you save me? And I have a prisoner seal on my body. I must first get rid of the prisoner seal. I can only leave if I am not a prisoner!"

The man asked!

“It’s nothing, it’s just that I just want to do something good!”

Chen Ping smiled slightly!

Looking at Chen Ping like that, the man smiled and said, “If you really save me, I am willing to be your obedience, and I will obey your dispatch for three hundred years!””

Of course the man knows that Chen Ping can never do something good just to do something good. As the saying goes, if Chen Ping wants to save himself, then he has to do something!

He is now a prisoner, and he has no resources or treasures on him. The only thing he can do is to be Chen Ping’s obedient and work hard for Chen Ping!

“Since the senior is so honest, it’s not easy for me to refuse, but can the senior tell me how I broke your prison seal, and why are you imprisoned here?”

Chen Ping asked!

“Can I not say it? Shame...” The man blushed!

“If the senior doesn’t say it, I don’t know how to help you!” Chen Ping spread his hands!

“Ok!” The man took a deep breath: “When I was in Elysea, I met a very beautiful female fairy, so...”

“So what? Did you fuck someone?” Chen Ping asked!

Chapter: 8010

“No, no, I don’t have the guts. That female fairy is the daughter of the golden fairy. I don’t have the guts. I just secretly watched her take a shower...”

After speaking, the man’s face turned redder!

“Just because of this, you were branded a prisoner and imprisoned here?”

Chen Ping said!

The man nodded, embarrassed!

“It’s not worth it, it’s not worth it!”Chen Ping shook his head!”

“Hey, in the celestial Realm, Sanxian who climbed to the celestial Realm step by step like us are the least status, and it is difficult to find a double cultivation partner.”

“I couldn’t help it, so I did this ridiculous thing. You won’t laugh at me, will you?””

The man looked at Chen Ping and asked!

“No, how could it be? I am a very qualified person and I will never make fun of others.”

“Unless you can’t help it...”

“Hahaha.....”

Chen Ping couldn’t help laughing!

“Fuck!”Seeing Chen Ping laughing, the man’s face turned green: “You laugh at me, don’t you have a double cultivation partner?””

“Of course I have, and I have more than 20 double cultivation partners, I can’t count them!”

Chen Ping was still laughing.

It’s really funny to be imprisoned in a place like this in order to peek at a woman taking a bath.

“Bragging...” The man glanced at Chen Ping!

Chen Ping didn’t speak either, but with a gentle wave of the dragon sword, the sword spirit Zhong Li appeared in front of them!

“Sword spirit...” The man exclaimed!

“Master!” Zhong Li snuggled into Chen Ping’s arms!

“Senior, do you want to make out with you in front of you?”

Chen Ping asked!

“I don’t think so. You have this kind of spirit sword at a young age, and the three products of the Mahayana Realm have the strength to cross a large realm. There must be someone behind your kid. You are a rich second generation. I don’t compare with you!”
