

The Order 8021

Chapter: 8021

The surrounding void exploded in an instant, and thousands of sword rains killed the man!

The body of the cloth-robed man instantly disappeared in place, and when he reappeared immediately afterwards, he had already escaped the rain of thousands of swords!

“Sword repair?”

The man in the cloth robe looked at Chen Ping in surprise!

“Senior, I am a universal repair, I can do anything!” Chen Ping said with a smile!

“I don’t care what kind of cultivation you are, you can also taste my sword rain...”

After the cloth-robed man finished speaking, suddenly there was an extra long sword in his hand, and a rain of thousands of swords broke out towards Chen Ping!

Chen Ping frowned. He didn’t expect the opponent to use a sword too, and his strength was good!

Boom!

Chen Ping hurriedly waved his sword to resist, bursting out with invincible sword intent!

In an instant, the whole world turned into a sea of swords!

Lin Keting and the sisters Hongyao and Lanyao avoided from a distance!

The swords of Chen Ping and the cloth-robed man collided fiercely in the air, the sword light was like a rainbow, the sword aura was vertical and horizontal, and the entire mountain peak seemed to be submerged by the sea of swords.

The figures of the two shuttled through the rain of swords, so fast that they could hardly be captured with the naked eye.

Chen Ping felt that the opponent's sword intent was extremely fierce, and each sword carried devastating power, as if to tear the world apart.

He didn't dare to be careless at all. The long sword in his hand danced like the wind, and the sword light flickered, forming a curtain of swords, trying to resist the opponent's offensive.

"Your swordsmanship is good, but it's still far from it!"

The cloth-robed man sneered, the long sword in his hand shook suddenly, and the sword light instantly turned into thousands of sword shadows, pouring down like a torrential rain.

Chen Ping frowned tightly. He knew that the opponent's swordsmanship had reached an extremely high level, and with his current strength alone, he might be difficult to resist.

But he did not flinch, instead, he constantly sensed the opponent's sword intent in the battle, trying to find flaws in it.

The long sword in Chen Ping's hand suddenly accelerated, and the sword light was like electricity, instantly breaking through the opponent's sword curtain and pointing directly at the man in the cloth robe's throat.

A trace of surprise flashed in the eyes of the cloth-robed man, but he quickly regained his calm.

With a flash of his figure, he easily avoided Chen Ping's fatal blow, and then he backhanded a sword, the sword was as light as a dragon, and it went straight to Chen Ping's chest.

Chen Ping felt a strong sense of oppression, and he knew that if this sword was hit, he would undoubtedly die.

Chapter: 8022

He didn't dare to take it hard, and his figure quickly retreated. At the same time, his figure flashed and disappeared in place in an instant. Then he appeared behind the cloth-robed man, and the long sword in his hand suddenly pierced out.

The cloth-robed man seemed to have expected it a long time ago, and his figure flashed, easily avoiding Chen Ping's attack.

Then he backhanded a sword, the sword was as light as electricity, and it went straight to Chen Ping's heart.

Chen Ping felt a chill, he knew he couldn't avoid it, so he could only choose to take it hard.

The long sword in his hand shook suddenly, and the sword light instantly turned into a huge sword shadow, colliding with the opponent's sword light.

"Boom!"

Two powerful swordsmen collided fiercely in the air, and the entire mountain peak was shaken by it.

Chen Ping felt a powerful anti-shock force, his figure involuntarily stepped back a few steps, and a trace of blood overflowed from the corner of his mouth.

The cloth-robed man did not stop, thousands of swords rained like a surging tide, wave after wave.

Every sword aura contains powerful power, as if to tear this space apart.

Chen Ping resisted with all his strength, and the dragon slashing sword in his hand danced in the dense rain of swords, bringing up circles of silver arcs of light.

Every time the sword is swung, it is accompanied by the harsh sound of metal impact, as if a war drum is sounded.

“Huh, I have some skills!”

The cloth-robed man snorted coldly, and the long sword in his hand shook abruptly, and the density of the sword rain instantly increased several times.

Chen Ping secretly complained in his heart that this man’s swordsmanship was not only powerful, but also varied, which made him a little overwhelmed.

But the energy of disobedience in his bones was completely aroused, and he roared: “Then try it!”

“Nine Shadows Swordsmanship...”

Chen Ping used his unique swordsmanship to pour the spiritual power of his whole body into the sword unreservedly.

Accompanied by six figures appearing at the same time, Chen Ping, who was originally fighting alone, now surrounded the cloth-robed man!

The sword body of the Dragon Slashing sword is shining brightly, and every sword is waved with an unstoppable momentum, as if to completely destroy all obstacles in front of you.

“Huh.....”

The cloth-robed man frowned, and the long sword in his hand suddenly plunged into the ground!

“It doesn’t move like a mountain...”

The cloth-robed man burst into a shout, and at the same time countless long swords appeared around him, completely surrounding the cloth-robed man!

Chapter: 8023

The cloth-robed man remained motionless, but the long swords beside him seemed to be constantly attacking according to the cloth-robed man's mind!

For a while, the sword strokes of the two collided fiercely in the sea of swords, and the sword aura was overflowing. Wherever they went, the rocks on the mountain peaks cracked one after another and turned into dust.

Bottomless ravines were drawn out by sword qi on the ground, and the entire top of the mountain seemed to be ravaged frantically by a giant hand.

In this fierce battle, Chen Ping gradually fell into a wonderful state.

There were no other distractions in his mind, only the sword moves of the man in front of him.

Every time the opponent draws a sword, every movement is clearly presented in his eyes like slow motion.

He began to comprehend some new things from the opponent's swordsmanship, and those complex swordsmanship gradually became organized under his understanding.

"That's it, the flaw in this trick is here..."

Chen Ping read silently in his heart, and the six doppelgangers instantly merged into one place!

At the same time, the dragon slashing sword in Chen Ping's hand suddenly changed its trajectory, no longer blindly resisting and storming.

Instead, he cleverly avoided the edge of the man's swordsmanship, looking for weaknesses in it to counterattack.

The cloth-robed man noticed Chen Ping's change, and a hint of surprise flashed in his eyes: "It's a bit interesting, I can even comprehend the new sword intent in the battle, but do you think this will win me?"

The man in the cloth robe also moved, and the momentum of the whole person suddenly rose.

His swordsmanship has also undergone huge changes, and the sword rain, which originally won by quantity, has become more condensed at this moment.

Every sword aura seems to contain the power to destroy the sky and the earth, and the space where the sword aura passes is slightly distorted.

"Star Meteor Sword Domain!"

With a soft drink from the cloth-robed man, countless sword qi spewed out from the veins of the earth, like the Milky Way upside down.

These sword qi are not ordinary energy, each of which implies the trajectory of the stars, with a sense of oppression like the gravity of celestial bodies.

Chen Ping only felt that his feet were stuck in a quagmire, and the meridians all over his body were faintly painful under the great power of the stars.

The dragon slashing sword in Chen Ping's hand was instantly inserted into the ground, and the concentration technique in Chen Ping's body was running frantically, absorbing all the qi of the star falling sword within ten feet of him.

The man in the cloth robe's pupils shrank slightly, and the vacuum zone that suddenly appeared in the sword realm stagnated his offensive for an instant.

"You can absorb sword qi?"

The sword posture of the cloth-robed man has changed drastically.

The long sword in his hand draws a mysterious trajectory, the sword light divides yin and yang pisces, the left half of the sword is blazing like the sun, and the right half of the sword is as cold as the moon.

Chapter: 8024

Boom!

Dazzling strong light burst out at the sword-qi exchange, and the chaos sword wheel collided with the sun and the moon, tearing out three dark cracks in the void.

Chen Ping's tiger's mouth cracked, his long sword almost let go, his whole body cracked into a mesh, and blood continued to overflow.

Chen Ping looked at the cloth-robed man with a look of shock in his eyes. He didn't expect the guardian of the second Heaven to be so perverted?

Like Yunli, how did they get to the fourth heaven?

"Chen Ping, are you okay?" Lin Keting asked nervously when she saw this!"

Hong Yao and Lan Yao also looked dumbfounded.

"Sister, when we challenged just now, this person didn't seem to be so good, did he?"

Lan Yao asked!

“Absolutely not. Did this guy deliberately target Mr. Chen?”

Hongyao also felt very strange. If this cloth-robed man was so powerful just now, their sisters would be afraid that they would lose with one move!

“Are you targeting me?” Chen Ping asked the man in the cloth robe!

“Why do you ask like this?” The man in the cloth robe is puzzled!

“Fuck, with your current strength, no one will easily rush to the fourth level, you won’t be able to pass this level!”

Chen Ping is very angry, this is too unfair!

“You obviously have good strength, but you hide your strength and pretend to be the three-level realm of the Mahayana Realm. If you can lie to me, can’t you let me target you?”

The man in the cloth robe smiled!

“I am the three-level realm of the Mahayana Realm. When did I lie to you?”

Chen Ping roared, very angry!

“How can it be possible, the three products of the Mahayana Realm, it is absolutely impossible to have this strength!” The man in the cloth robe doesn’t believe it!

“You check it out, I don’t move, you see what state I am in!”

Chen Ping opened his hands and directly asked the man in the cloth robe to investigate!

When the cloth-robed man saw this, a divine consciousness entered Chen Ping's body!

"Huh?It's really the three products of the Mahayana Realm, your kid is really against the sky!"

Chapter: 8025

The man in the cloth robe looked very surprised.

"I'm really unlucky, let you beat me all over..." Chen Ping said speechlessly!

"I'm really sorry, I'll give you the customs clearance mark now, you can go to the next level!"

The man in the cloth robe smiled embarrassedly!

"I don't want a mark, I just want to know what the senior is called?"Chen Ping asked!

"Li Chunfeng..." The cloth-robed man clenched his fists: "Taoist friends have such strength at a young age. Surely their lives are by no means ordinary. Don't you know the name of Taoist friends?"

"My name is Chen Ping. I don't know if my senior is acting as a guardian here voluntarily or forced?"

Chen Ping asked deliberately!

In fact, Chen Ping had known for a long time that these people were all prisoners, and Nanba Tian had already said it!

"Who can voluntarily be in this place where birds don't shit, I am imprisoned here, otherwise I can't release water."

“Almost all the monks on my level, I let them go up, so that I can relax!”

Li Chunfeng said!

“The senior is not bad, but I don’t know, why are you imprisoned here?”

Chen Ping asked curiously!

“Don’t say, don’t say...” Li Chunfeng shook his head again and again!

“Senior, if I can save you from here, I don’t know how you can repay me?”

Chen Ping really wants this Li Chunfeng to work for him too, but it’s hard to say clearly!

“Don’t pull it, I have the seal of a prisoner on my body, and I will never leave here unless I am pardoned.”

“Don’t laugh, I’ll give you a mark, you’d better leave!””

Li Chunfeng didn’t believe what Chen Ping said at all!

“Lao Li, Mr. Chen is not joking.”At this time, the figure of Nanba Tian appeared!

When Li Chunfeng saw Nanba Tian, he couldn’t help but be taken aback: “Ba Tian, why are you here, aren’t you also imprisoned?””

“I was imprisoned on the first floor, but I didn’t expect you on the second floor...”

Nanba Tian smiled!

Chapter: 8026

“Why, do you two know each other?” Chen Ping said in surprise!

Nanba Tian Hehe smiled: “I’m not the only one who peeked at the daughter of the Golden Fairy taking a bath, the two of us watched it together...”

Chen Ping was taken aback and looked at Li Chunfeng in disbelief!

Dressed in a robe, holding a long sword, and looking like a fairy wind Dao bone, how can you do such a thing?

“Shut up for me...” Li Chunfeng glared at Nanba Tian!

Chen Ping understood, why Li Chunfeng didn’t say why he was imprisoned just now, because he was embarrassed!

“Lao Li, Mr. Chen can get rid of the prison seal and help you get out of here. You only need to be loyal to Mr. Chen for three hundred years.”

Nanba Tian said to Li Chunfeng!

“Really?” Li Chunfeng looked at Chen Ping!

Chen Ping nodded: “Not bad!”

“To break the prison seal, you need to be damned by heaven. Can your strength resist the power of Jinxian’s Heaven?”

Li Chunfeng looked at Chen Ping in disbelief and asked!

Chen Ping looked at Li Chunfeng and found that this person was more sincere than Nanba Tian. Nanba Tian didn't even tell him, and he was almost wiped out by the wrath of heaven!

"A mere Jinxian's heavenly power is not enough to worry about..."

Chen Ping said calmly!

Li Chunfeng looked at Chen Ping in shock, and said in disbelief: "Fellow Taoist, can't you brag and force it?"

A monk of the three products of the Mahayana Realm actually said that Jinxian's heavenly power was not enough to worry about. This is not a bragging force!

"Lao Li, what are you talking nonsense about, how could Mr. Chen be bragging!"

"Jinxian's heavenly power does not need Mr. Chen's help. The little pet he keeps can break the power of heavenly power!"

Nanba Tian said!

"Is that true?"

Li Chunfeng frowned, he couldn't believe it!

Chen Ping didn't talk nonsense, and he was about to break the prison seal for Li Chunfeng directly!

"Boy, you can think about it. My sky-swallowing beast doesn't come out whenever you want."

Chapter: 8027

“If the wrath of heaven comes and my sky-swallowing beast does not appear, can you resist it yourself?”

Demon Lord Chiyun asked!

When Chen Ping heard this, he stopped moving instantly and hesitated for a while!

“Mr. Chen, this old Li doesn’t believe it, you can show him...”

Nanba Tian urged!

“I don’t believe it anyway...” Li Chunfeng said!

“Fight it out!”

After Chen Ping finished speaking, he pressed his palm directly on the ground, and the prisoner seal of the Avenue appeared in an instant, with the same red lines, and Li Chunfeng’s blood flowed in it!

Chen Ping used the same method to get rid of the prison seal on Li Chunfeng’s body!

Li Chunfeng only felt a force in his body disappear in an instant, and then he realized that the prisoner seal in his body was gone!

“It’s really broken, it’s really broken, and I’m free!”

Li Chunfeng jumped up happily, just like a child!

I thought I was going to be trapped in this place for the rest of my life, but I didn't expect to get out of the trap.

For him, this is a great opportunity!

"Thank you, Mr. Chen..."

Li Chunfeng respectfully saluted Chen Ping!

"Don't be polite, senior, I will give you freedom. You have worked for me for three hundred years, which is an equivalent exchange!"

Chen Ping said!

Li Chunfeng shook his head: "Even if I have worked for Mr. Chen for three hundred years, I would like to thank Mr. Chen. Mr. Chen can be regarded as my regenerative parent."

"Senior, I'm serious!" Chen Ping hurriedly waved his hand, and then asked, "Senior, I wonder if you are the same as Senior Nanba Tian, and you are also imprisoned?"

"Yes, my current strength is less than 30% of what it was at the peak. If I were at the peak, even if Mr. Chen was extremely talented, he would not be able to stop me."

Li Chunfeng said!

After Chen Ping heard this, he was very excited. These are all very awesome immortals. When the time comes to recover, even if he reaches the heavenly realm, he can walk sideways without being bullied!

I can't rely on Mr. Shi all the time, I have to have my own power!

Chapter: 8028

Although he has not yet ascended to the heavenly Realm, Chen Ping has a lot of friends and helpers in the heavenly Realm!

Several major demons, Taoist Master Wuji, Ancestor Shenwen, Array Demon, plus Nanba Tian and Li Chunfeng.....

These are all people from the heavens and the earth, and when the heavens and the earth disappear, they will all return to the heavens and the earth!

The more Chen Ping thought about it, the more excited he became!

But at this moment, the heavens and the earth trembled, and a terrifying force fell from the sky!

“Mr. Chen, be careful, the wrath of heaven is coming...”

Li Chunfeng reminded loudly!

Everyone stepped back one after another, after all, this was the power of the Golden Fairy’s heaven, and each of them dared to fight against it!

Upon seeing this, Chen Ping’s golden body started, protecting his body with aura, and he read silently in his heart: “The little heaven-swallowing beast is coming out, the heaven-swallowing beast is coming out...”

But Chen Ping became more anxious, but the sky-swallowing beast made no movement at all!

Seeing that the power of Heaven was about to bombard Chen Ping’s body, Chen Ping’s eyes closed tightly, gritted his teeth, and he could only fight!

Boom!

Finally, the power of Heaven bombarded Chen Ping's body, and in the end the little heaven-swallowing beast did not appear!

With a huge explosion, the entire mountain peak was razed to the ground, and Chen Ping's figure disappeared!

Where Chen Ping was standing, a big pit up to 100 meters deep had already appeared!

"Chen Ping....."

When Lin Keting saw this, she was about to rush up anxiously!

But they were stopped by Sisters Hongyao and Lanyao: "Don't go up, your strength will become ashes before you get close!"

Nanba Tian and Li Chunfeng also looked at each other in shock!

"This....."

Li Chunfeng glanced at Nanba Tian.

"What's the matter?" Nanba Tian also looked dumbfounded.

"You just said you weren't bragging, how come it's like this now?"

Li Chunfeng asked!

Chapter: 8029

“How do I know, it doesn’t seem right!”

Nanba Tian scratched his head.

“Do you want to go and have a look?” Li Chunfeng asked!

“The power of heaven is not over yet, can you resist it?” Nanba Tian said!

“Can’t!”

“Neither can I...”

“Wait!” Li Chunfeng gave up the idea of looking in the past!

At this moment, suddenly a dragon chant sounded, and then a golden light appeared in the 100-meter-deep pit!

I saw a big golden bell slowly floating up from the deep pit!

Around the golden clock, a huge dragon is circling!

And Chen Ping’s body, under that big clock, was not harmed!

“What kind of treasure is this?” Nanba Tian was shocked!

“It can resist the power of the golden fairy’s heaven, this thing is a artifact.”

Li Chunfeng also widened his eyes, his face unbelievable!

Humph!

Accompanied by a buzzing sound from the dragon bell, the power of that day's Dao disappeared instantly!

Chen Ping's body slowly fell, and the dragon clock disappeared at the same time!

"Mr. Chen, are you okay?"

Nanba Tian and Li Chunfeng are surrounded!

"Huh, the power of the golden immortal's heaven is not enough to worry about..."

Chen Ping looked calm and said lightly!

But no one noticed that Chen Ping's legs were trembling at this time. If it weren't for the last moment, Chen Ping sacrificed the dragon bell, he would be afraid that it would have been wiped out long ago!

"Mr. Chen, I still underestimated your strength. You actually have such a artifact on your body. If you take it out, I will not be your opponent at all!"

Li Chunfeng said very seriously!

Chapter: 8030

Chen Ping smiled: "I still have a lot of this kind of thing in my storage ring, it's not a fetish..."

Listening to Chen Ping's words, Li Chunfeng never said anything again!

At this moment, he didn't dare to say that Chen Ping's words were bragging!

After all, people are really awesome!

"I have a bit of fairy spirit stone here. You can use it first to restore your strength. Although it won't help you return to the top, it won't reduce your strength!"

Chen Ping casually took out a storage bag and threw it to Li Chunfeng!

Li Chunfeng took the fairy spirit stone and said embarrassedly: "Mr. Chen, you help me get out of trouble and give me back resources. How can I repay..."

"If you want to repay me, there are opportunities. I have offended the people of the temple, so you will help me in the future!" Chen Ping said!

"The temple?" Li Chunfeng was taken aback: "Those temples created by the gods who claim to be superior in blood?"

"Yes, you know too?"

Chen Ping asked!

"Of course, the people in these temples are very arrogant and defiant. When they were in the heavens, not many people liked these guys."

Li Chunfeng said!

“Senior, have you ever dealt with the people of the temple?” Chen Ping said curiously!

“After fighting, I once compared swordsmanship with a temple master of the temple, and in the end I lost...”

Li Chunfeng said!

“How many temple masters?” Chen Ping was surprised.

You must know that when Li Chunfeng was at his peak, he must have been very awesome, but he didn’t expect to lose to a temple master of the temple!

In this way, the strength of this temple is really awesome.

“The Lord of the Three Halls...” Li Chunfeng said!

“That’s okay...” Chen Ping let out a long breath!

After the three hall masters, there are still so many hall masters as four, five, six, seven, and eight. There shouldn’t be any danger for the time being!

After all, it is impossible for the temple to send the three temple masters to deal with him all at once!

“Don’t worry, Mr. Chen, since I have promised to work for you for three hundred years, in these three hundred years, no matter who threatens you, I will protect you thoroughly, even if it is a desperate battle!”
