

The Order 8051

Chapter: 8051

That day, the coercion of the earth was instantly torn apart by Chen Ping's sword aura, and the world returned to peace!

The middle-aged man's eyes condensed slightly: "The four products of the Mahayana Realm, but they have such strength and some abilities!"

"You haven't fully seen my abilities yet!"

Chen Ping said with disdain!

"Fuck, pretend to be forced..." The middle-aged man cursed angrily, and then punched out!

However, after a punch was thrown, the middle-aged man's face changed slightly, and he hurriedly looked back at the direction of the young man!

It seems that I am afraid that the sentence just pretended to be coercive and provoke that young man!

Seeing that Young Master Ming ignored him, the middle-aged talent breathed a sigh of relief!

With this punch, Chen Ping only felt that the surrounding area was instantly compressed, and a terrifying aura of Yin and evil rushed towards Chen Ping like a wave!

At this moment, Chen Ping seemed to be in the center of the storm, letting countless huge waves beat his body!

These huge waves are so powerful that they can tear Chen Ping to pieces at any time!

Chen Ping's not-bad golden body exudes a golden light, resisting this kind of power!

"It seems that the killer is going to be sacrificed..."

Chen Ping put away the dragon slashing sword, and the God King bow appeared in his hand!

To deal with this wave of Taoist evil spirits, the God King bow is the best weapon!

The reason why Chen Ping has never dared to take it out for use is because he knows that once he takes out the bow of the God King, he will become the target of all!

Even people who have no grievances or grievances with him will feel bad when they see his God King bow!

This is the truth that a man is innocent and guilty!

But at this time, Chen Ping couldn't care less about it!

The God King's bow is in hand, Chen Ping pulls the bowstring!

An arrow feather slowly appeared, and the evil aura of the surrounding Dao pattern was quickly absorbed by the bow of the God King and turned into a sharp arrow!

Whoosh!

There was a piercing sound, which shook the entire people in the land of no illusion, and all their eardrums hurt!

At the moment the arrow feather shot out, the area around Chen Ping exploded directly, and countless evil spirits shattered and disappeared!

Chapter: 8052

Ming Shao, who had an indifferent face, instantly widened his eyes when Chen Ping took out the bow of the God King and shot an arrow!

“God King Bow.....”

Ming Shao’s eyes were full of heat!

“God King Bow.....”

Even the people in the battle couldn’t help but stop and turned to look in Chen Ping’s direction!

The middle-aged man frowned slightly, and said in disbelief: “Are you using the bow of the God King?””

“Yes, do you want to try its power?”

Chen Ping smiled, then suddenly pulled the bowstring!

Between the heavens and the earth, countless evil spirits flocked towards the bow of the God King!

An arrow feather flashing with golden light appeared on the bow of the God King!

Whoosh!

Chen Ping shot an arrow, and the middle-aged man hurriedly shot out a stream of gang Qi, but the sharp sword instantly penetrated the gang Qi, and then a violent explosion occurred!

The terrifying power caused the middle-aged man's figure to regress in an instant, and the void he passed along the way began to shatter!

After finally stabilizing his figure, the middle-aged man's eyes were full of surprise and said, "What a powerful force, the God King bow really deserves its reputation!"

After speaking, the middle-aged man suddenly turned into a long macro and disappeared!

Chen Ping also jumped up at almost the same time!

"Do you want to run?" Chen Ping took a bow and shot arrows, and the feathers of arrows headed towards the middle-aged man!"

The middle-aged man smashed out a body-protecting aura with one punch, and the arrow feathers collided with the aura, causing the entire land of no illusion to slowly collapse!

It's just that after this kind of power spread to the ladder, it instantly disappeared without a trace, and the area where the ladder was located was not affected in the slightest!

The more middle-aged people are about to fight, the more and more the blood of the demon race in their bodies erupts!

But Chen Ping felt very weak!

Although the God King's bow is strong, every time it is pulled, it consumes too much power from Chen Ping!

Chen Ping gritted his teeth before fighting to the present. If there is no God King bow, Chen Ping is afraid that he has already been defeated!

The middle-aged man also saw that Chen Ping had reached the end of the crossbow, and a smile appeared at the corner of his mouth!

Chapter: 8053

“Although you have a god King bow, with your current ability, I’m afraid you can’t pull it anymore, right?”

The middle-aged man sneered!

Although Chen Ping really can’t pull the bow of the God King now, he doesn’t have the slightest timidity on his face!

At the last moment, he knew that there was still the bottom of the Red Cloud Demon Lord!

Demon Lord Chiyun doesn’t care, there is also Mr. Shi!

“Even if I don’t use the God King bow, you can’t kill me.”

Chen Ping said with a smile!

“Really? Give it a try.....”

After speaking, the middle-aged man’s body burst out with billowing evil energy and went straight to Chen Ping!

“Mr. Chen, for such a young man, I can deal with it!”

A voice sounded, and Lin Chong's figure appeared!

"What about the old red Claw ghost?" Chen Ping looked at Lin Chong in surprise and asked!

"Dead!"

Lin Chong waved his hand casually, and a head flew out, it was the old man with red claws!

"My dignified Emperor of Sun Moon City, if even a small minion of the Four Hades can't be beheaded, how can my Sun Moon City be called the third power in the heavenly world."

After Lin Chong finished speaking, looking at the one-horned middle-aged man, he waved his palm suddenly, and the billowing evil energy instantly dissipated!

Upon seeing this, Chen Ping took advantage of this opportunity and took the time to rest!

This battle really consumed him too much. The four-level realm of the Mahayana Realm, it is already very good to be able to stand in this kind of melee of monks in Wonderland!

"Lin Huang, you just went through a big battle, and you are not my opponent at all!" The one-horned middle-aged man said!

"Huh, didn't you just have a big war? Whether it is an opponent or not, I won't know until I try it!"

Lin Chong smiled coldly!

"Boom—!"

After speaking, the moment Lin Chong pointed to the sword, the world suddenly lost its color.

The terrifying pressure was like a river of heaven pouring down, and the void within a radius of a hundred feet was filled with fine cracks.

Chapter: 8054

Before the golden sword light touched the middle-aged one-horned man, the evil spirit boiling all over his body had already been crushed to three points.

“Sun Moon Golden Rainbow Jue?”

The pupils of the middle-aged one-horned man’s pupils contracted, and the black mist entangled on the one-horned suddenly skyrocketed, and his originally solid body turned into a flowing black flame.

This weird flame twisted into a hideous ghost face in the void, swallowing the Haoran righteousness in Lin Chong’s sword light.

“The black evil of the Four Hades devours the flame of the heart?”

Lin Chong sneered, “The skill of carving insects dare to show off in front of the emperor!””

The tactics of his left hand suddenly changed, and the original bright golden sword light suddenly became three-point red.

A round of red gold sun suddenly rose between the heavens and the earth, and the scorching sun washed down like a waterfall.

The black flame let out a shrill scream in the breath of the sun, and the ghost face was instantly steamed into nothingness.

“Ah!”

The one-horned middle-aged man showed his figure, the scales on his right arm had turned into coke, and his eyes were full of fear.

The one-horned middle-aged man with a cold face, after taking a deep breath, slowly spread out his palms.

Boom!

Between the heavens and the earth, an extremely dark spear appeared in his hand!

“Blood Soul Gun, it’s a bit interesting, it seems to be angry!”

Ming Shao smiled slightly when he saw the spear in the hand of the one-horned middle-aged man!

The middle-aged man with the one-horned suddenly bit the tip of his tongue and spurted out a mouthful of blood on the one-horned. The dark spear covered with barbs was actually blood-colored, and the roar of thousands of wraith was faintly heard.

“Blood soul sacrifice?”

Lin Chong’s face appeared solemn, “This is the forbidden art of the Four Hades, which can temporarily increase the cultivation base by 30%, at the cost of a hundred years of longevity!””

Before the voice fell, the middle-aged one-horned man had turned into a bloody streamer.

While the spear was swinging, the void cracked several feet-long gaps, and countless blood-colored chains shot out of the void cracks, entangling Lin Chong with a rancid smell.

“The sun and the moon rotate, break!”

Lin Chong’s hands bore complex seals, and the shadow of the nine-wheeled golden crow suddenly appeared behind him.

The blazing flames of light formed an absolute realm, and those bloody chains were evaporated into blood before they could be touched, and the body of the spear had been straight into Lin Chong's throat like a poisonous snake spitting out a letter.

Chapter: 8055

The sound of gold and iron mingling shook the sky, and Lin Chong's right hand, which was pointing into a sword, collided with the spear, and sparks burst out.

The earth under the feet of the two collapsed suddenly, and the mountains and forests within a radius of a hundred miles turned into dust in the aftermath of the energy.

"Stubborn!"

Lin Chong suddenly pointed to his palm, and the sun and moon marks that appeared in his palm burst into dazzling light.

The round of red gold sun and the silver-white full moon intertwined and rotated behind him, forming a Tai Chi diagram of yin and Yang. The terrifying energy fluctuations made the bones of the middle-aged one-horned man burst into a bean-like crisp sound.

Chen Ping is still recovering quickly, and the various resources in the storage ring are absorbed without money!

He must recover as quickly as possible, otherwise he is afraid it will be dangerous, because the young master has not moved, I don't know if this guy can still attract people!

At the same time, Chen Ping kept paying attention to Lin Chong, and Lin Chong's explosive strength also exceeded Chen Ping's imagination!

It is not unusual to be able to be the third power in the world of heaven and man!

Fortunately, Sun Moon City is a hall entrance of Tianlong Hall, otherwise Chen Ping doesn't know how to deal with the situation in front of him!

“The sun and the moon are the same, town!”

As Lin Chong shouted violently, the Yin-Yang Tai Chi Map was suddenly suppressed.

The one-horned middle-aged man let out a desperate roar, the black mist all over his body was crushed into nothingness, and the wraith on the bloody spear was burned by the sun and screamed again and again.

Just as the Taijitu was about to crush it, the ground suddenly cracked the huge mouth of the abyss, and countless Senbai bone hands broke out of the ground, suddenly holding the suppression of the Yin-Yang Taijitu.

“Want to go?”

Lin Chong sneered, and a ray of golden light suddenly shot out of his fingertips.

The golden light seemed weak, but when it touched the ground, it turned into a thousand sword silks, instantly cutting all the bone hands within a radius of a hundred feet into powder.

The one-horned middle-aged man took the opportunity to fall into the abyss, but Lin Chong’s figure appeared on the edge of the abyss like a ghost.

“Playing in front of the emperor?”

Lin Chong stretched out his hand and pressed it on the edge of the abyss, and the terrifying Yangyan spread along the veins of the earth.

The entire land of no illusion suddenly shook violently, and the screams of the middle-aged one-horned man came from the depths of the ground, and then a scorched black figure was blasted out of the ground like a cannonball.

“Emperor Lin, it really deserves its reputation...”

The middle-aged man with one-horned body was bathed in fire, his one-horned body was broken in half, and his one-eyed eyes stared at Lin Chong.

Suddenly he laughed wildly: “But you think this is over?”

Chapter: 8056

Before the voice fell, he grabbed his heart with his bare hands.

In Lin Chong’s suddenly changed eyes, the body suddenly swelled like a ball, and the blood-colored lines on the horns lit up with dazzling red light.

“Not good! To explode!”

Chen Ping got up suddenly, but it was too late to stop him.

The whole body of the one-horned middle-aged man exploded, and countless blood-colored spots of light flew like fireflies, but they turned into hideous grimaces the moment they touched the earth.

“Jie Jie Jie.....”

“Emperor Lin, enjoy the curse of the Four Hades!”

Countless grimaces suddenly pounced on Lin Chong, but he screamed when he touched him three feet.

I saw the mark of the sun and the moon appear on Lin Chong's eyebrows, and those grimaces turned into green smoke the moment they touched Yangyan. Only a handful of them penetrated the defense and were attached to Lin Chong's arm.

"Damn it!"

Lin Chong's face changed slightly, and his attached right arm instantly formed ice crystals.

Upon seeing this, Chen Ping immediately crushed a jade talisman, and then Zhihu instantly covered the entire sky, and Zhihu burned out the remaining grimaces.

"Lin Huang, I'm here to save you..."

Although Chen Ping did not fully recover, at this time, he had to help Lin Chong!

"Mr. Chen, no need!"

Lin Chong suddenly cut off the eroded sleeves with his fingers, revealing iron-like muscles.

I saw the mark of the sun and the moon spreading from the center of the eyebrows to the entire right arm, and those black lines melted like snow under the scorching sun.

"These beam-jumping clowns in the Four Hades, are they really the sun, moon and golden rainbow tactics of the emperor?"

He looked at Chen Ping, "Mr. Chen, you have to adjust your pranayama. There is still a lot of uncertainty here."

As soon as Chen Ping was about to speak, the earth suddenly shook again.

Dozens of figures covered in black mist rushed out of the abyss, and the leader turned out to be Na Mingshao.

I saw him stepping on the white bone warship, followed by four coffins that exuded a terrifying aura.

“Lin Huang has a good technique, but it’s a pity...” Ming Shao smiled gloomily, “You have been caught!”

Young Master Ming has never put Chen Ping in his eyes, he feels that the biggest threat comes from Lin Chong!

Chapter: 8057

The Emperor of Sun Moon City, the third power in the world of heaven and man, that’s not what he said casually!

Lin Chong’s strength is not low, so he is rarely a little jealous!

But now, after two great wars, Lin Chong has already reached the end of the crossbow!

“Despicable guy, compared to your father, except for pretending to be coercive, you are really not as good as him.”

Lin Chong looked at Ming Shao with a look of anger!

“What are you talking about now, it’s too late...”

Ming Shao sneered!

I saw him waving the scepter of the skeleton, and the four coffins burst open.

The monstrous aura of Yin and evil rushed into the sky, and the four mummified corpses in Ming armor slowly got up, with green phosphorous fire beating in their empty eyes.

“Evil corpse?” Lin Chong’s pupils contracted, “How dare the Four Hades summon the ancient evil corpses?”

“Jie Jie Jie, Lin Huang has good eyesight.” Young Master Ming pointed his scepter at Chen Ping, “Not only do you want Sun Moon City to be destroyed today, but the head of Chen Ping’s youngest child, Young Master Ben, will also be determined!”

“I want him to have a long memory. In this world of people, I can only pretend to be coerced...”

The four evil corpses suddenly burst into flames, and the void where they passed condensed frost.

Lin Chong’s body’s yangyan skyrocketed, but he was suppressed by 30% at the moment of contact with the evil corpse.

What’s even more terrifying is that hundreds of wraith spirits are sealed in each evil corpse, and the piercing screams make the eardrums of the fighting people ache instantly.

Chen Pingqiang stood up propped up, and the bow of the god King buzzed.

But when he tried to pull the bowstring, there was a sharp pain in his chest.

Chen Ping knelt down on one knee, his face pale as paper, and beads of sweat rolled down his forehead.

The price of desperately using the God King’s bow has appeared. If this kind of magic weapon is not used well, it will bite back!

At this moment, although Chen Pingshen Wang Gong was in his hand, it was difficult to exert his power due to the disorder of spiritual power in his body.

He gritted his teeth and tried to force his spiritual power, but his chest turned upside down, and a mouthful of blood almost spurted out.

When Lin Chong saw this, his heart tightened, and he glanced at Chen Ping distractedly.

At this moment, an evil corpse from the underworld looked at the flaws, waved his dry arms exuding a green light, and slammed into Lin Chong fiercely.

Lin Chong flashed sideways, still being rubbed over his shoulders by the cold force, his clothes instantly covered with a thin layer of cream, and his skin was blue and purple.

“Huh, Lin Huang, today is your death date!”

Young Master Ming stood on the white Bone warship and smiled triumphantly.

The skeleton scepter in his hand waved more and more quickly, commanding the Four Evil spirits of the underworld and the dozens of white bone dead men, surrounding Lin Chong and Chen Ping.

Lin Chong took a deep breath, and the light of the sun and the moon and the golden rainbow skyrocketed again, trying to break through the siege.

His hands quickly formed a seal, and the nine rounds of golden crow shadows behind him were shining brightly.

Every golden crow made a loud and clear crow, and the hot sun was like a raging sea wave, wave after wave hitting the surrounding Yin and evil aura.

“The sun and the moon rotate, and the universe shakes!”

Lin Chong yelled violently, and a golden beam of light containing endless masculine power rose into the sky, instantly enveloping an evil corpse in it.

The evil corpse let out a painful roar in the Yangyan, the Ming armor all over his body began to melt, and the wraiths sealed in his body also broke free of their shackles one after another, turning into nothingness in the Yangyan.

However, the other three evil corpses attacked at the same time while Lin Chong's old strength was just exhausted and his new strength was not yet born.

The black spears, bone blades, and iron chains in their hands were wrapped in a billowing cold air, and they pierced Lin Chong from different directions.

Lin Chong's eyes were cold, his figure was as erratic as a ghost, avoiding attacks in the dangerous environment.

Chen Ping took advantage of Lin Chong to attract the attention of most of the enemies, endured the severe pain of his body, sat cross-legged, and recovered quickly.

Chen Ping ran the meditation technique with all his strength, frantically absorbing the evil spirits around him, so that he could recover and help Lin Chong reduce some pressure!

Chapter: 8058

"Lin Huang, let me help you..."

At this moment, Taoist Master Wuji galloped over, still carrying the head of the red-haired old ghost in his hand!

Seeing Taoist Master Wuji coming, Lin Chong breathed a long sigh of relief!

He knew that he would definitely not be able to carry it when he was fighting!

Successive battles made him consume most of his strength long ago!

“Taoist master, be careful, this kid’s evil corpse is very powerful, and you have to beware of that kid’s yin tricks!”

Lin Chong exhorted to Taoist Master Wuji!

“I understand!”Taoist Master Wuji nodded!

That Young Master Ming has always treated labor with ease, and now although Taoist Master Wuji killed the red-haired old ghost, he must have consumed a lot of strength!

“Another one looking for death, great...”

Ming Shaojieje smiled!

Regarding the death of the red-haired old ghost, this young man didn’t care about it at all!

These are just subordinates of the Four Hades, and if they die, they will die. There is nothing to be sad about!

Taoist Master Wuji held a whisk in his hand and fought with those evil corpses!

However, as soon as he fought, Taoist Master Wuji also felt his strength, because the opponent’s evil corpses were indeed too powerful, and the number was still large!

Taoist Master Wuji could only gritted his teeth and held on!

Young Ming was standing on the white bone boat, looking at everything quietly!

He can wait for everyone to be exhausted and kill them one by one, like a cat teasing a mouse!

The mouse will not be eaten until it is exhausted!

“Mr. Chen, we are here...”

Li Chunfeng and Nan Batian also came. Although they were a little embarrassed, they also beheaded the red-robed old ghost and the red-faced old ghost!

“You two go and help Taoist Master Wuji and try to hold on for more time.”

Chen Ping said to Li Chunfeng and Nanba Tian!

The two nodded and joined the battle directly!

Chapter: 8059

With the addition of the two of them, Taoist Master Wuji instantly relieved a lot of pressure, but if you want to win, it is still too difficult for the three of them alone!

All three of them have just experienced a big battle, and now they are fighting with these evil corpses, and they have some strength!

On the other hand, the young man looked at everyone with a smile on his face!

He hasn't made a move yet. If this young Master Ming is making a move, Taoist Master Wuji and the others will definitely be defeated soon!

Chen Ping gritted his teeth and tried his best to concentrate on his mind, allowing himself to recover quickly!

He always thought that with Sun Moon City, and also receiving Li Chunfeng and Nanba Tian, he was invincible in the world of heaven and man!

But now facing these four Hades, they are already so powerful!

There is another fire burning sect. Chen Ping has a headache when he thinks about it. Now with this ability, can he still rescue the master of the refining sect from the number one fire burning Sect in the world of heaven and man?

The melee is still going on, and the land of no illusion is crumbling. If it weren't for the support of the ladder, the land of no illusion would have broken and disappeared long ago!

At this moment, at the end of the ladder, a seventeen or eighteen-year-old boy, holding a sword in his hand, is sitting on the last step of the ladder!

Behind the young man, a white-haired old man with a smile on his face, the power of heaven surging all over his body!

"Master, these guys don't enter the ladder to experience, but they are fighting with each other. They are breaking the ladder to the sky. How can that be good?"

The young man asked the old man!

"Don't worry, it won't be bad. After this time, I will never attract the monks of the heavenly world again. A group of fools, let them practice Feisheng by themselves!"

The old man shook his head slightly disappointed!

"The young man named Ming is too pretentious, and the disciple wants to teach him a lesson."

The young man also saw that Young Master Ming was very upset!

"No..." The old man hurriedly stopped!

“Master, are you afraid of the Four Hades too?”The young man asked puzzledly!

“The Four Hades is a fart, and the old man let him go out with a breath.”

The old man looked disdainful, then glanced at Chen Ping and said, “The young man surnamed Chen can’t afford it. If he ascends to the sky, his disciples will let go of the water...”

juvenile : “.....”

At this time, the battle in the land of No illusion continued, and both sides seemed to be red-eyed!

When Chen Ping was recovering, he stared at him with unkind eyes, as if a beast was secretly spying on his prey!

Chapter: 8060

Chen Ping knew that these people were staring at his God King bow!

As long as one’s side is slightly decadent, a group of people will soon flock towards one’s side!

“Chen Ping, are you okay?”

Yunli appeared and came out of the ladder. When he saw Chen Ping, who was constantly regaining his strength, he was a little panicked!

“I can’t die, how are you in that ladder?”

Chen Ping asked!

“Hey, don’t mention it, the world in the ladder has changed, and the Xianzun mansion is gone. I have persisted on the fourth floor until now, and there is no way to clear the customs, so I came out.”

Yun Li sighed and said!

“Brother Yunli, you protect the law for me first. I have to recover quickly. Many people around here are staring at me!”

Chen Ping asked Yunli to protect himself!

Otherwise, when you recover, someone will attack you, so it will be troublesome!

“Good!” Yun Li nodded!

Just as Chen Ping was recovering, Lin Kefan, Xuan Bin and others appeared with people from Sun Moon City!

They followed Lian Sanmen and the Huo family to fight, and they originally had the upper hand!

But the actions of the Eight Musketeers of the Magic Mountain made Sun Moon City feel the pressure in an instant!

At this stop, Sun Moon City fell to five monks in Wonderland, and even that Cangyue died under the opponent’s sword!

But even the Sanmen and the Huo family didn’t get much better, and they also lost a lot of masters!

Chen Ping looked at Lin Kefan and the others, almost all of them were injured, and their eyes were full of anger!

Four Hades, even three doors, Huo’s house.....

He wants these forces to disappear from the world of heaven and man forever!

On Chen Ping's chest, Long Jing began to burst out with dazzling light, and the concentration technique reached the point of madness!

All the energy that can be absorbed in the entire land of No illusion is rushing towards Chen Ping's body!

Even the ladder to the sky, which has been as stable as Mount Tai, shook slightly twice at this moment!

Chen Ping's eyes filled with blood red!
