

## **The Order 8061**

Chapter: 8061

“Ah.....”

After an angry shout, the heavens and the earth in the land of no illusion were instantly covered by dark clouds!

After seeing this terrifying scene, everyone stopped one after another!

“What is this?Thunderstorm Cloud?Could it be that Mr. Chen is going to fail to break through again?”

Li Chunfeng looked at the dark clouds covering the sky in surprise, feeling incredible!

You must know that Chen Ping has just broken through, and now if he breaks through the realm again, this would be outrageous!

Yun Li, Lin Kefan, and everyone looked at Chen Ping in shock!

At this moment, Chen Ping is like a madman, his eyes are blood-red, and the bloodthirsty murderous aura on his body seems to slaughter the entire heavenly world!

Ming Shao looked at the world that was darkened in an instant, frowning slightly!

“Young Master Ming, is Chen Ping going to break through?”

Huo Zhenfeng felt the thunderous clouds covering the sky and asked in shock!

“What a terrifying thunderstorm cloud, where is the breakthrough of the Mahayana Realm, the thunderstorm that can be triggered!”

Qian Xiaohan was also shocked!

Ming Shao didn't speak, but looked at Qian Xiaohan and Huo Zhenfeng: "Do you still have the power to fight?"

The two looked at each other with the same expression, and their expressions were a little embarrassed. They followed the battle of Sun Moon City and also lost a lot of masters. If it weren't for the Eight musketeers of Magic Mountain to join them, they would probably lose more!

Now after the war, they are all in a weak state. Looking at the terrifying battle in front of them, if they join in, they are afraid that they will die in a few rounds!

"Young Master Ming, although I can't fight anymore, I am willing to summon the ancestors of the Huo family and I am willing to do my best for Young Master Ming!"

Huo Zhenfeng said!

Ming Shao nodded in satisfaction, and with a casual move, a large bag of fairy spirit stones appeared in front of Huo Zhenfeng.

"Here are 500,000 immortal spirit stones. Those who are loyal to my Four Hades have enough resources!"

Ming Shao said very pretentiously!

Huo Zhenfeng trembled and took the storage bag with both hands, his heart was very excited. With these 500,000 immortal spirit stones, the Huo family can cultivate many masters of fairy land!

I saw Huo Zhenfeng put away the storage bag, then took out a Huo family token, and then forced a drop of essence and blood into it!

Boom!

Chapter: 8062

From the Huo Family token, a beam of light rushed straight into the sky!

In an instant, a terrifying majesty swept across the world in an instant, and everyone felt this coercion!

All looked in the direction of the beam of light one after another!

At this moment, Chen Ping was crossing the tribulation moment, and thunderstorms rolled in the clouds!

Lin Chong, Taoist Master Wuji and others all frowned!

“Is there any helper behind Young Master Ming?”

Everyone is beginning to be nervous!

As far as these evil corpses in front of them are concerned, they are very tricky to deal with. If the opponent is a master, how can they fight?

As the coercion was getting closer and closer, a middle-aged man in a green robe slowly appeared. The middle-aged man was thin and didn't look like a master at all!

And obviously, this middle-aged man is not a body, and the aura on his body can't detect the strength of the world at all!

Facing the middle-aged man who appeared, Young Master Ming was also taken aback. With that rebellious look, he also accepted it!

“What's the matter?”The middle-aged man looked at Huo Zhenfeng and asked!

“Ancestor, my Huo family is in trouble.”

Huo Zhenfeng said!

But the middle-aged man waved his hand: “Don’t scream, I am not the ancestor of the Huo family. Your Huo family token can only call out a character like me to help you.”

Obviously, this middle-aged man is not the ancestor of the Huo family, and he doesn’t seem to be a very awesome one in the Huo family!

Huo Zhenfeng was taken aback, a little at a loss. After all, after he became the patriarch of the Huo family, this token has been passed down from ancestor to ancestor. It is said that when the Huo family is afraid of difficulties, it can call out the ancestors of the Huo family!

Seeing Huo Zhenfeng like that, the middle-aged man explained: “My name is Huo Zhao, but Huo’s parents are old. You are just a branch of the Huo family, and you still want to call out your ancestors. Isn’t that a joke?”

When Huo Zhenfeng heard this, his face was immediately embarrassed. They were indeed a branch of the Huo family. You must know that many of the Huo family’s direct descendants served in the temple!

It is conceivable how powerful the Huo family’s direct line is!

This elder alone is not the main body, and the strength is afraid that the people present are not opponents anymore!

“Elder Huo, now the Huo family in my heavenly world is suffering from the catastrophe of extinction, please help to save it.”

Huo Zhenfeng said!

Huo Zhenfeng glanced at everyone in the field, looked at the mine disaster that day, and his expression became solemn!

Chapter: 8063

“Monk Tianren, is there anyone else who can cause such a thunderstorm?”

Huo Zhao frowned slightly!

“Elder Huo, it was that kid who caused the thunder tribulation. He is crossing the tribulation...”

Huo Zhenfeng pointed to Chen Ping and said!

In fact, not to mention, Huo Zhao could also find out, after all, he was not blind, but he could still see who the thunder and tribulations were on!

“A mere Mahayana realm has attracted such a terrifying thunderstorm. This son is by no means an ordinary person, and he seems to have the blood of the three races on his body.”

“Why do you want to provoke such people? Are you begging for hardships?”

Huo Zhao looked at Huo Zhenfeng with some dissatisfaction!

“Senior, this Chen Ping is an enemy of me. I want to kill him. The Huo family is helping me!”

Ming Shao said!

“Who are you?” Huo Zhao asked!

“Four Hades, Young Master Ming!” Ming Shao said very pretentiously!

“Four Hades? Never heard of it!” Huo Zhao shook his head, then looked at Huo Zhenfeng and said, “In order to help others, you actually used the Huo family token. You must know that each of you has only one Huo family token. How can you use it casually when you are not in life and death!”

Huo Zhao was a little dissatisfied. In order to help others, Huo Zhenfeng used the Huo family token to recruit him!

“Elder Huo, the Four Hades are very powerful in the heavenly world, and they have a lot of resources. They just gave us half a million immortal spirit stones.”

“This land of nonsense is very barren, and there are no resources at all. If my Huo family wants to develop, I can only cooperate with others!”

Huo Zhenfeng hurriedly explained!

When Huo Zhao heard this, he snorted coldly: “The side branches of the Huo family are so depressed, are they going to be sent to the fence?”

“It’s just that, since you have recruited me, I will help you this time. If you are in danger again in the future, no one can control it!”

After Huo Zhao finished speaking, he stepped out and headed directly towards Chen Ping!

At this moment, Chen Ping was crossing the tribulation, and terrifying thunderstorms continued to bombard Chen Ping’s body!

“All the monks in Sun Moon City listened to the order and vowed to protect Mr. Chen to the death.”

“Never let him near...”

Lin Chong yelled!

Chapter: 8064

When many monks in Sun Moon City heard this, they burst out their last breath one after another!

Just after the great war and the recovery that has not yet come, these Sun Moon City monks know that they are now facing Huo Zhao, just hitting the stone with a stone!

But Emperor Lin has an order, and they must obey, even if they give their lives!

These monks from Sun Moon City formed a human wall in front of Chen Ping, and they wanted to protect Chen Ping with their lives!

“I’ll stop him from hitting...”

At this moment, the figure of the Lord of the Ten Halls flashed, and all the breath in his body burst out!

“People from the temple?” After Huo Zhao saw the Lord of the Ten Halls, his brows frowned instantly!

“Yes, I am the lord of the ten halls of the temple!”

The Lord of the Ten Halls nodded!

“Since you are from the temple, why do you want to help that guy named Chen Ping?”

“Let me tell you, I am the elder Huo, but I am also the lord of the eight halls of the temple. I order you to leave quickly!”

Huo Zhao said coldly to the Lord of the Ten Halls!

Many people in the Huo family hold high-level positions in the temple, and Huo Zhao is also one of them!

“I advise you to leave. Mr. Chen is not something you can deal with. When the expert behind Mr. Chen comes, it will be too late for you to cry!”

The Lord of the Ten Halls said to Huo Zhao!

“Presumptuous, the little Lord of the Ten Temples, dare to talk to me like this, I’m tired of living...”

Huo Zhao frowned, then suddenly slapped his palm down!

The Lord of the Ten Halls gritted his teeth and did not dodge, but burst out with all his strength and swung a punch!

Boom!

With the punch of the Lord of the Ten Temples, the sky fell apart, the sun and the moon were without light, and the terrifying fist wind raged like a storm!

But such a terrifying punch, after touching the power of Huo Zhao’s palm, shattered directly, and disappeared without a trace in an instant!

At the same time, the Lord of the Ten Halls felt a overwhelming force coming!

The body of the Lord of the Ten Halls, like a kite with a broken thread, flew out upside down, and then fell heavily to the ground!

“Father.....”

Chapter: 8065

Upon seeing this, Yun Li hurriedly ran over to check it out!

“The opponent is too strong to stop...”

The lord of the Ten Halls vomited blood, his face full of helplessness!

This is still the case where the other party is not the ontology. If the other party is the ontology, he would have been wiped out with just one palm!

Taoist Master Wuji and Lin Chong glanced at each other, their faces full of helplessness. With that palm, they could see that Huo Zhao’s strength was unusual!

Li Chunfeng and Nan Batian jumped up: “Xiaobibizi, get out of here right away, the two of us will spare you from death.”

Huo Zhao glanced at Li Chunfeng and Nanba Tian, and said in surprise: “Heavenly Monk, are you two trapped in the heavenly human world?”

“Don’t fucking worry about it, we’ll let you get out of here quickly, otherwise we’ll be welcome!”

Nanba Tian roared!

Huo Zhao smiled: “Even if you two are Heavenly monks, what can you do? The strength of the two of you is at most one-third, even if you join forces, you are not my opponent.””

“I don’t want to make too many enemies, so I read that you two are heavenly monks, spare your lives and get out of here!”

Huo Zhao said coldly!

“Fuck you.....”

Nanba Tian smashed it with a punch!

When Li Chunfeng saw this, he also swung his long sword and bullied him. It was impossible for them to watch Huo Zhao do something to Chen Ping at this time!

The two attacked Huo Zhao together, and when Lin Chong and Taoist Master Wuji saw this, they also rushed up!

At this time, there is nothing to deceive more and less. They are all embarrassed, and they must work together to hold off Huo Zhao!

Four people vs. Huo Zhao and one person.....

Chen Ping was still sitting on the ground, enduring the constant bombardment of terrifying thunderstorms!

Between heaven and earth, in addition to the terrifying thunderstorms, Huo Zhao and Lin Chong also fought back and forth!

None of the four of them could do anything about Huo Zhao!

“From Malle Gobi, if it weren’t for Lao Tzu’s only one-third of his strength, I would have killed you a long time ago!”

Seeing that none of the four people in Nanba Tian could defeat Huo Zhao, Nanba Tian yelled angrily!

Originally, their strength was suppressed and there was not much left, and after a hard battle, they consumed a lot of immortal power!

Chapter: 8066

Now fighting with Huo Zhao, it is obvious that he has too much power!

And this Huo Zhao treated his work with ease, so he didn't lose the wind in the battle against the four of them!

"You four, get out of here..."

Huo Zhao burst into a shout, and the breath of horror swept across, Lin Chong and the four of them desperately resisted, but in the end they were knocked out!

There is really no way, their consumption is really too great!

After hitting the four of Lin Chong, Huo Zhao headed towards Chen Ping!

The many monks in Sun Moon City all rushed towards Huo Zhao desperately!

Boom!

Boom!

Boom!

Every sound represents the death of a monk from Sun Moon City, and these people have no power to fight back in front of Huo Zhao!

“Chen Ping, hurry up and break through, hurry up and break through...”

Lin Keting looked at Chen Ping, praying anxiously!

After Huo Zhao beheaded more than a dozen monks in Sun Moon City in a row, he threw a punch at Chen Ping!

And Chen Ping suddenly opened his eyes, and golden light burst out between the heavens and the earth, and the thunderstorm clouds that filled the entire heaven and earth slowly dissipated!

With the six products of the Mahayana Realm, Chen Ping broke through two small realms at once!

But just as Chen Ping opened his eyes, a dangerous breath came!

He could feel the breath of death. Huo Zhao’s punch made Chen Ping seem to have countless mountains pressing on his body, and he couldn’t move at all!

Is it just a breakthrough, do you have to stand still?

Chen Ping was very unwilling in his heart. Suddenly, the dragon family on his chest flickered, and the power of the three races in his body continued to gush out, and at the same time, it was not bad that the golden body wrapped Chen Ping’s body!

Boom!

This punch instantly defeated Chen Ping’s not-bad golden body, and at the same time, the power of the three tribes that urged was also suppressed!

Chen Pingping was personally repelled for hundreds of miles!

“Chen Ping.....”

Chapter: 8067

“Mr. Chen.....”

Everyone yelled in surprise!

Chen Ping’s figure disappeared, and the corner of Huo Zhao’s mouth curled up!

A mere Mahayana monk can be stoned to death with one punch. How to say that Huo Zhao is also an immortal. Although it is not the body that is summoned by this, it is not something that a Mahayana monk can fight against!

But when Huo Zhaoyang was triumphant, a golden light came quickly!

When Jinguang stopped, all the talents discovered that it was Chen Ping. Chen Ping was hit a hundred miles away, but he did not suffer multiple injuries!

At this moment, Huo Zhao’s face was shocked!

Chen Ping glanced at the corpses of the monks of Sun Moon City on the ground, his eyes full of murderous intent.

“You killed all these people?” Chen Ping asked!

“Not bad!” Huo Zhao nodded!

Chen Ping looked at the monks of Sun Moon City who had died to protect him, and suddenly became crazy!

“I want you to die...”

Chen Ping roared, the power of the three races, the power of the dragon, the evil spirit of the Dao pattern.....

All the power is rushing towards the Dragon Sword!

Chen Ping grabbed the dragon sword with both hands and slashed at Huo Zhao fiercely!

Boom!

This sword was cut off, and a shrill buzzing sounded!

Huo Zhao sneered and punched out casually!

Countless sword lights were broken, and Chen Ping was repelled again!

Although Chen Ping has directly improved the two realms, there is still a big gap with Huo Zhao!

Chen Ping released the dragon Slashing sword and held the God King bow in his hand!

Pulling the bowstring, the surrounding evil spirits instantly poured into the bow of the God King!

At the same time, on Chen Ping's back, a golden dragon slowly appeared, and the terrifying blood pressure began to spread in the land of no illusion!

Everyone felt the pressure of the golden dragon, and their faces changed and changed!

Chapter: 8068

Seeing this scene, Huo Zhao's brows suddenly frowned, staring at Chen Ping, extremely shocked in his heart!

This kind of blood pressure is really terrifying!

At this moment, a trace of anxiety rose in Huo Zhao's heart!

This Chen Ping is not a human monk at all, the golden dragon blood on his body makes people tremble!

"Who the hell is this guy?"

Huo Zhao looked at Huo Zhenfeng not far away and asked!

If this Nima provokes a person with an identity background to the Huo family, it will bring disaster to the Huo family!

"Elder, this Chen Ping is a casual cultivator, and he destroyed the ten temples of the temple and conquered the lord of the ten temples. He also has enemies with the temple."

After Huo Zhenfeng knew that Huo Zhao was the lord of the eight halls of the temple, he also began to talk about Chen Ping following the temple!

When Huo Zhao heard this, his brows frowned, and it seemed that it would not work this time!

At this moment, Chen Ping's facial features were hideous, pulling the bow of the god King vigorously!

With every time the power of the God King bow bursts, the consumption of Chen Ping is greater, which is proportional to it!

However, Chen Ping had just broken through, and he had risen to two small realms in one breath, allowing Chen Ping to pull the bow of the god king again!

The bowstring pulled, and a black arrow feather on the God King's bow slowly formed!

With the formation of the arrow feathers, a terrifying aura shook between the heavens and the earth!

Looking at the god King bow in Chen Ping's hand, Huo Zhao's expression gradually became solemn. He stared at Chen Ping tightly and slowly clenched his fist with his right hand. At this moment, it is impossible for him to leave!

Since Chen Ping has a grudge against the temple, as the lord of the eight halls of the temple, he must also deal with it!

Huo Zhao squinted his eyes, suddenly leaned forward, and took the lead in punching Chen Ping!

With this punch, everything in the world seemed to be destroyed!

And Chen Ping also loosened the bowstring, and the black arrow feather crossed the void and went straight to Huo Zhao!

Neither of them dodged!

This is going to be hard!

Boom!

Accompanied by an explosion, the entire land of no illusion is distorted and will collapse at any time!

Chapter: 8069

Chen Ping went backwards for dozens of miles, vomiting blood in his mouth, and his body began to crack!

And that Huo Zhao was also repelled this time, and his body became more illusory!

Huo Zhao looked at Chen Ping in disbelief. The power of the arrow feather just now made him feel afraid!

You know, he is an immortal, even if he is not the body, if he wants to destroy the Mahayana monks, it is not a matter of blowing his breath!

But now, he was repelled by a Mahayana monk!

And for several tricks in a row, he failed to kill Chen Ping!

More importantly, Chen Ping's bloodline turned out to be more and more terrifying, and there was no way to erase it!

Huo Zhao felt more and more that Chen Ping was abnormal!

"Boy, let me help you. If you are not possessed, you will really die."

Upon seeing this, Demon Lord Chiyun could only be possessed to help, otherwise, what if Mr. Shi didn't come and Chen Pingzhen was killed?

"Good!" Chen Ping nodded: "Senior, you can do whatever you want, it's a big deal that I don't want this body anymore!"

Chen Ping was also angry!

So many monks in Sun Moon City have died for themselves, this revenge must be avenged!

“Is it so cruel?” Demon Lord Chiyun was taken aback!

“You must fuck this guy to death, otherwise the monks in Sun Moon City will all die in vain.”

Chen Ping said!

“Don’t worry, this idiot is just a little fairy, and he is not the body, so it’s not a worry!”

Demon Lord Chiyun licked his mouth and said!

I haven’t moved my bones for a long time, and the Demon Lord Chiyun can’t wait!

“Senior, come on...”

Chen Pingshen became aware of his body and let the Demon Lord Chiyun take over his body!

Boom!

Chen Ping’s body burst out with bursts of magic energy in an instant, and his whole temperament changed drastically!

Huo Zhao looked at Chen Ping, who suddenly seemed to be a different person, and his brows couldn’t help frowning!

Chapter: 8070

“Look at what you are paralyzed by? Come here, little trash...”

Chen Ping beckoned to Huo Zhao!

Huo Zhao was taken aback and looked at Chen Ping: “Do you dare to say that to me? You fucking want to die...”

After speaking, Huo Zhao stepped out, followed by a punch!

Upon seeing this, Chen Ping followed with a punch, even without the bow of the God King!

Boom!

Two very different punches suddenly broke out, and then slammed into each other fiercely!

The fists collided, and the world became chaotic. If it weren't for the support of the ladder to the sky, the land of no illusion would have collapsed long ago!

“Who the hell are you?”

Huo Zhao looked at Chen Ping, everyone was stupid. With that punch just now, he followed Chen Ping hard, and Chen Ping actually fell asleep. Nothing happened!

This is too outrageous!

“I am your ancestor...”

After Chen Ping finished speaking, he smashed out with a punch, and Chen Ping actually took the initiative to take action!

“It’s too deceiving...”

Huo Zhao was also anxious, and he was scolded by a Mahayana monk all the time. Where did he put his face?

After speaking, Huo Zhao also smashed out with a punch!

Both of them are back to basics, without weapons, they just rely on pure power to go head-to-head!

Boom!

With one punch, the entire land of innocence was distorted, and Chen Pingping’s figure of Huo Zhao also disappeared, as if he had fallen into the distorted void!

Everyone looked at it blankly, and Chen Pingping couldn’t feel Huo Zhao’s breath at all!

Lin Chong and others began to worry. Although Chen Ping had risen to two realms in a row, he was still too far behind Huo Zhaobi!

That Ming Shao was also looking at the void from a distance, frowning, and his face was a little less pretentious!

“Master Huo, what kind of elder in your family can’t even beat Chen Ping’s Mahayana realm, right?”

Qian Xiaohan asked Huo Zhenfeng!
