

## **The Order 8071**

Chapter: 8071

“How could it be possible that the Huo family’s direct descendants are all in the heavenly realm, and they are all immortals, how could they not beat Chen Ping.”

Huo Zhenfeng shook his head. He didn’t believe that none of the immortals in the heavens could beat Chen Ping, the Mahayana monk!

That would be outrageous!

But now no one can find Chen Pingping’s Huo Zhao’s figure, and he can’t even feel his breath. He doesn’t know where the two of them went to fight through the twisted void!

“Master Qianmen, do you still have helpers?”

Young Master Ming asked Qian Xiaohan!

The Huo family used tokens and recruited elders. Now it’s up to the dry door!

“I can too.....”

After Qian Xiaohan finished speaking, he saw his fingers pinched, and a gossip figure slowly appeared between heaven and earth!

Everyone looked up and found that from inside the gossip figure, a burly man in a burly dress, carrying a meteor hammer in his hand, slowly walked out!

The body of this big man is a hundred meters tall, like a hill.

After the great man appeared, every step he took made the world tremble!

Everyone was stunned when they saw this scene!

“Who recruited Lao Tzu?”

The big man lowered his head and patrolled in a circle!

“Master guardian, I am the master of the dry gate, and the guardian is called out because it is difficult to dry the gate!”

Qian Xiaohan hurriedly stepped forward and said respectfully!

The guardian glanced at Qian Xiaohan and nodded: “It does lead to deduction, that’s right, tell me who it is, I’ll beat him!”

The guardian’s voice was like thunder, looking at everyone with disdain!

“It’s a guy named Chen Ping. When he shows up, please ask the guardian to hammer him to death!”

Qian Xiaohan said!

“No problem!”The guardian nodded, “Since I promised to guard the dry gate for three thousand years, I will definitely do it.””

At this moment, Li Chunfeng looked at Nanba Tian Dao: “Ba Tian, you have also become bigger, follow the guy to fight, compare your body with you, you scared him to death.”

“Don’t worry, I’ll take a break and eat some fairy stones!”

Chapter: 8072

Nanba Tian, constantly absorbing the immortal Spirit Stone, regaining his strength!

After he recovers completely, he can also become a height of 100 meters, and he is not afraid of this big man at all!

The sky is shaking with the void!

Chen Pingping and Huo Zhao, who had disappeared and couldn’t even notice their breath, reappeared!

The two stood looking at each other in mid-air, with a wry smile on Huo Zhao’s face!

“You won...”

Huo Zhao said!

“Hey, I could have pinched you to death easily, but this body is indefatigable!”

Chen Ping grinned!

Huo Zhao also smiled. He already knew at this moment that Chen Ping in front of him was no longer himself, and he had been possessed by a powerful power!

And he is also a great master of Elysea!

In front of others, my little fairy is no different from an ant!

“Elder Huo, haven’t you killed Chen Ping yet?”

Huo Zhenfeng saw that Chen Ping was still alive, so he asked loudly!

Huo Zhao glanced at Huo Zhenfeng, shook his head slightly and said, “You can do it yourself...”

After speaking a word, Huo Zhao’s body was disappearing quickly, and finally disappeared!

Seeing this scene, Huo Zhenfeng was dumbfounded!

That Young Master Ming also frowned slightly, his expression getting weirder and weirder!

“Master Guardian, it’s this kid, kill him!”

Qian Xiaohan pointed to Chen Ping and said!

“Little Mahayana Realm, how can you make so many of you jealous, watch me smash him to death with a punch!”

The guardian looked at Chen Ping with contempt in his eyes!

“Boy, do you still use me? If I were doing it, your body would be really screwed!”

Demon Lord Chiyun said to Chen Ping!

Chapter: 8073

“Senior, I’ll do it myself!”

Chen Ping knew that if the Red Cloud Demon King was allowed to fight, his body would definitely be destroyed!

Although it can reshape the body, it will have to wait until the Year of the Monkey, and Chen Ping doesn’t want to wait!

“Okay, you can play for a while!”

Demon Lord Chiyun gave control of his body back to Chen Ping!

Chen Ping was speechless for a while, and the Red Cloud Demon Lord described the fight with the immortal as a play!

I am just a monk in the Mahayana realm, who can believe this!

The monks of the Mahayana Realm dare to fight with the immortals!

“Mr. Chen, leave this big man to me to try...”

At this moment, Nanba Tian turned his body into a hundred meters high and said to Chen Ping.

“You are afraid you are not his opponent...”

Chen Ping glanced at it and knew that Nanba Tian was not this person’s opponent!

Although Nanba Tian was once an immortal, he was trapped in the ladder to the sky for too long, and his strength was suppressed in the human world, so it is impossible to be that person’s opponent!

“Mr. Chen, even if it is an opponent or not, I will consume him.”

“Otherwise you won’t be able to beat him at all!”

After Nanba Tian finished speaking, he slammed a punch at the guardian!

Two giants 100 meters high are actually fighting together at this moment!

Everyone has to look up and watch!

Boom!

The fists of the two giants collided, and Nanba Tian’s huge body kept retreating, and his entire arm began to shatter!

With one punch, the winner was determined, and Nanba Tian was still slightly worse!

Moreover, Nanba Tian has also experienced several major wars, and it has not fully recovered at all!

Looking at his shattered arm, Nanba Tian was slightly embarrassed and said, “Mr. Chen, I can’t...”

“I’ll do it myself!”

Chapter: 8074

Chen Ping was suspended in the air, looking at the guardian coldly!

“Boy, I really don’t want to kill you, a Mahayana monk, if I kill you, I hate to get my hands dirty!””

“It’s a pity, I promised to guard the dry gate for three thousand years, so I have to do it!”

“I will make you die very happily, don’t worry!”

After the guardian finished speaking, he punched Chen Ping across the air and smashed it out!

With this punch, countless resentful souls appeared in the heavens and the earth, roaring and screaming, resounding throughout the land of no illusion!

At this moment, the land of no delusion seems to have become a purgatory!

“Mr. Chen, be careful, this is the Fist of Death...”

Upon seeing this, Nanba Tian reminded loudly!

This kind of death soul fist, as long as it is shrouded in the soul of resentment, even if it is not hit, it is impossible to be alive!

A person who is wrapped in this kind of grievance will also have his soul eroded, and finally become a grievance in the fist of death soul!

Guarding this punch, there are millions of resentful souls, it can be seen how many people he has killed with this punch!

Chen Pingping faced the guardian’s punch, his expression became solemn, and his face was also very ugly!

Chen Ping wanted to use the meditation technique to absorb and refine these resentful souls, but it takes time for so many resentful souls. How could the other party give Chen Ping time!

Chen Ping held the dragon sword in his hand, wanting to cut out a gap with one sword, and then escape from the place covered by the death Soul Fist!

But before Chen Ping could do it, the storage ring in his hand suddenly shook, and then the little heaven-swallowing beast ran out!

Facing millions of resentful souls, the eyes of the little heaven-swallowing beast lit up!

Then suddenly opened his mouth!

The million resentful souls were directly sucked into the belly of the little heaven-swallowing beast. The mouth of the little heaven-swallowing beast was like a whirlpool. Those resentful souls wanted to escape, but they were sucked to death!

Seeing this scene, everyone was stupid!

He didn't know, what is this thing that looks different from the four, what is it?

In an instant, the millions of resentful souls were sucked away, and the world returned to normal!

Everyone looked blankly, stunned in place.

The little heaven-swallowing beast licked his mouth under the gaze of everyone, and finally returned to Chen Ping's storage ring!

Chapter: 8075

Chen Ping laughed when he saw the little sky-swallowing beast going back, and then said to the guardian: "My little pet is starving, thank you for your rations!"

When everyone heard it, they were all dumbfounded!

The guardian looked at the disappearing millions of resentful souls and cried!

“That’s a million resentful souls that I have practiced all my life, you pay me...”

The guardian was crying very sad at the moment, and his life’s hard work was swallowed by a little pet that didn’t look like it!

Seeing the guardian of such a huge body, Chen Ping cried, and Chen Ping was a little confused for a while!

After crying for a while, the guardian wiped away his tears and looked at Chen Ping viciously: “Boy, you wait for me, I remember you!”

After speaking, the guardian turned and left!

“Master Guardian, why are you doing this?”

Seeing this, Qian Xiaohan hurriedly asked loudly!

“I have lost a million grievances, what else do you want me to do? I just promised to guard your Qianmen for three thousand years, but I didn’t say that I would work for you!”

The guardian looked at Qian Xiaohan and said!

“Master Guardian, but this Chen Ping is going to destroy our dry door, you have to protect us.”

Qian Xiaohan said!

The guardian glanced at Qian Xiaohan, then looked at Chen Ping and said, "Little friend, give me face, don't care about Qianmen, spare them!"

This guardian is actually following Chen Ping to intercede and talk about face!

"Dry door, it will be destroyed..."

Chen Ping shook his head!

The moment Qianmen followed him against him, the one who stood with Ming Shao, they were destined to perish!

"Fuck, can't you give me face? Do you have to let me do it to you?"

The guardian roared angrily!

"You can try it!" Chen Ping's face was calm, not afraid at all!

"Boy, did you give you a face?"

The guardian's face became cold, and then he punched out!

Although there are no millions of resentful souls, the power of this punch also makes the void tremble and the world changes color!

"Don't be afraid, uncle, the old man will come too..."

Accompanied by a loud shout, followed by a sword light, directly blocked the power of that punch!

“Father?” Hua Yueying couldn’t help but shout when she saw the visitor!”

It turned out to be the lord of the Northern Territory, but the lord of the Northern Territory looked like a fairy wind Dao bone, holding a dark mysterious iron sword in his hand!

“Lao Bei, when did Mr. Chen become your uncle?”

“Besides, you old guy, you never said that you have a daughter!”

Seeing the Lord of the Northern Territory, Lin Chong couldn’t help but frowned and asked!

Chen Ping followed Lin Keting, when did he follow the daughter of the lord of the Northern Territory!

Chapter: 8076

“Lin Huang, I didn’t have it before, but now I have it, and my daughter has long been married to Chen Ping!”

The Lord of the Northern Territory said!

When Hua Yueying heard this, she felt blushing. She had slept with Chen Ping. She must have Chen Ping’s blood on her body, so she would know if she explored it.

“Old thing, just turn into the seventh product of Wonderland, do you dare to stop me?”

The guardian looked at the Lord of the Northern Territory who appeared, and shouted coldly in anger!

“I can’t stop you alone, what if there are five of us?”

After speaking, there were four terrifying breathes in the sky again!

In the southeast, west, north and central, all five domain owners have arrived!

Chen Ping knows the domain master of the Southern domain, the domain master of the Western domain, and the domain master of the Northern domain. After all, they have all met, and the other two domain masters are slightly unfamiliar!

Especially the lord of the Western Region, who had just appeared at that time, was scared away by Mr. Shi!

“Little friend, how are you, our five old guys are here to help you, don’t be afraid!”

The lord of the Western Regions came to Chen Ping and said flatteringly!

Seeing the lord of the Western Regions flattering Chen Ping so much, everyone was dumbfounded!

Especially Lin Chong, who didn’t understand what medicine the Western territory lord had taken, was so flattering to Chen Ping!

The lord of the Northern Territory looked at the lord of the Western Territory like that, and couldn’t help smiling. Only he knew that the lord of the Western Territory was so scared that he peed all the way!

“Senior, thank you for your help!”

Chen Ping smiled slightly!

“You’re welcome, you’re welcome, since you are the uncle of the Lord of the Northern Territory, then we are a family, don’t worry!”

After the Lord of the Western Regions finished speaking, he looked at the guardian: "Big man, the five of us will meet you to see if we can kill you!"

After speaking, the lord of the Western Regions took the lead. He had to perform well in front of Chen Pingping!

The other four domain masters also shot together and attacked towards the guardian!

Upon seeing this, the guardian followed the five domain masters to fight!

Young Master Ming frowned slightly and looked at the five domain masters who appeared, his face a little incredible!

He didn't understand, why did these five old guys who hadn't asked about the world for many years suddenly start to help Chen Ping now?

Chapter: 8077

Could it be that there is some strong man behind Chen Ping, let these five old guys come to bow to him?

"Do you still have anyone? I can wait for you to call someone!"

Chen Ping looked at the young master Ming and asked pretentiously!

Ming Shao's face was very ugly. He never allowed others to pretend to be coerced than himself, but now Chen Ping pretends to be coerced in front of him!

Ming Shao's body was trembling and his face flushed with anger, but now he really has no one to send!

Now he only hopes that the guardian of the dry gate can defeat the five domain masters, and the balance will still lean to his side at that time!

Accompanied by the constant roar of the sky, flashes of light continued to erupt!

But between breaths, several figures slowly appeared!

The guardian's face was ugly, but the five domain masters didn't seem to be easy either!

"It's just that, I'm just a promise, I don't have to lose my life, I'm gone!"

After the guardian finished speaking, he turned around and left!

Soon, the figure disappeared into the sky, and Qian Xiaohan looked at it blankly!

What kind of guardian is this Nima?

Run away when you are in danger, guard a fart?

Standing on the white bone boat, Young Master Ming glanced at Qian Xiaohan and Huo Zhenfeng coldly:  
"Waste..."

Neither of them dared to speak, after all, whether they were dead or alive, they were all missing a word in Ming!

Without the protection of the Four Hades, they would have been destroyed by Chen Ping a long time ago!

"Fortunately, there is the suppression of the heaven and Earth array, otherwise the five of us are really not the opponents of that stupid one!"

The lord of the Northern Territory took a deep breath and said in a slightly shocked manner!

Chen Ping saw that the five domain masters had won, and the expression on his face instantly became mocking!

“You bunch of idiots, follow the young master Ming and target me together. I can’t believe that there is someone behind me, right?”

“Since you have chosen to stand in line, Young Master Ming, don’t blame me for being rude!”

After Chen Ping finished speaking, he looked at the five domain masters and said, “Five seniors, I hope you will take action and destroy me, Lian Sanmen and the Huo family!”

“Uncle, no problem!”

Chapter: 8078

The Northern domain Master nodded, and then said to the other domain masters: “Brothers, it’s time for us to do it!”

The five domain masters rushed towards Qian Xiaohan, Huo Zhenfeng and others!

Upon seeing this, Lin Chong and Taoist Master Wuji also took people to kill Lian Sanmen and Huo’s family together!

With the addition of the five major domain owners, even Sanmen and the Huo family couldn’t stop it!

“Young Master Ming, help, help...”

“Young Master Ming, hurry up and save us!”

Qian Xiaohan and Huo Zhenfeng kept following Young Master Ming for help!

But that young Master Ming remained motionless, obviously not ready to save each other!

At this moment, Huo Zhenfeng regretted that he was going to die. He originally wanted to be on the list of the thighs of the Four Hades, but now he is fine. He is involved in it and will be destroyed soon!

The one-sided massacre began, and even the monks of the Sanmen and Huo families were slaughtered one by one!

“Now it’s time for the two of us to play...”

Chen Ping jokingly looked at the young Master Ming!

Ming Shao’s face was extremely ugly. The reason why he was awesome and pretended to be awesome was because there was someone behind him!

Mo Shan is relatively fast, and the four old ghosts are all his confidence!

But now, there is no one available around Young Master Ming!

“Fight alone, you are not my opponent!”

Young Master Ming looked at Chen Ping and said!

The meaning is obvious, he doesn’t want Chen Ping to call for help!

But he forgot, he had been calling for help just now!

“You count it as a hook...”

After Chen Ping finished speaking, he instantly slashed at Ming Shao with a sword!

Chen Ping had had enough of this pretentious guy a long time ago, and a terrifying sword light went straight to the young man!

Ming Shao’s face changed in an instant!

Boom!

Chapter: 8079

With the burst of sword light, the young Master Ming was directly shaken out, and the bone ship under his feet instantly turned into ashes!

But before Ming Shao stopped, another sword light came!

This sword light is very fast, but it is even more powerful!

There was no sign of it, so that Ming Shao had no chance to react at all!

Young Master Ming was shocked in his heart, and suddenly shook his fists, his whole body was instantly wrapped in evil spirits, trying to resist a blow!

Boom!

Young Master Ming was hit and flew out again!

Boom!

Young Master Ming continued to be hit and fly!

In front of Chen Pingping, this young Master Ming didn't even have the slightest power to fight back!

"That's it, do you dare to pretend to be so coercive?"

Chen Ping smiled disdainfully!

He didn't expect that this young man was so unbearable. This guy looked awesome, and he turned out to be completely pretending!

Ming Shao was shaken to the ground one after another, and the evil shield around his body had already cracked!

At this moment, he is already speechless!

Everyone who should be recruited has been recruited, and all the methods that should be used have also been used!

But who would have thought that there would be so many strong men behind Chen Ping, wave after wave, as if they couldn't be killed!

In the end, even the five domain owners came to help Chen Ping!

Without these people, Chen Ping would have become a corpse by now!

Now that all means are exhausted, Ming Shao has nothing to do!

But Ming Shao didn't know that the real awesome person behind Chen Ping was Mr. Shi!

Mr. Shi has not appeared yet, otherwise the current Four Hades would have ceased to exist a long time ago!

"Pretend to be forced goods, look at it, another sword!"

Chen Ping waved another sword at that young Master Ming!

Chapter: 8080

And he also told that Young Master Ming, it was obvious that Chen Ping was playing with him!

Ming Shao frowned, and hurriedly raised his hand to resist!

But it was discovered that after the sword light arrived in front of him, it disappeared in an instant and did not attack him!

Ming Shao was taken aback, and then said angrily: "If you want to fight, you can fight. Who are you scaring?"

Young Master Ming thought Chen Ping was scaring him!

But Chen Ping smiled slightly and did not answer!

Looking at Chen Ping's expression, Young Master Ming always felt a little eerie!

Suddenly, a dangerous aura was awakened by Young Master Ming. When he turned his head to look, he found that for some unknown time, a sword light appeared behind him!

Ming Shao's face changed drastically, and he said in surprise: "How is this possible?"

Obviously the sword light disappeared before his eyes, how could he suddenly run behind him?

Ming Shao didn't know that Chen Ping's Dragon Slashing Sword was a spiritual sword. Even if Chen Ping didn't care about it at all, Jian Ling Zhongli could completely control the Dragon Slashing Sword attack!

Seeing the sword light approaching the cliff, Ming Shao could only roar with a roar, and evil spirits burst out directly from his body, and evil spirits enveloped Ming Shao!

He can only defend passively now, and he has no power to fight back in front of Chen Pingping!

Boom!

This sword light was killed in an instant, and the evil spirit of Ming Shao's whole body was directly defeated, and the whole person flew out!

But people are still in the air, Chen Ping's sword is here again!

Even this sword with one sword!

Don't give that Ming Shao a chance to breathe at all!

Chen Ping deliberately did this just to make that young master collapse and let him pretend to be coerced all day long!

Boom boom boom.....

Ming Shao's whole person, like a ball, was hit back and forth by Chen Ping's sword light.

"Enough....."

Suddenly, Ming Shao burst into a shout, and then his body began to tremble, and finally his face was hideous, and he turned into a ghost!

I saw Ming Shao open his bloody mouth, and all the monks who died on the ground turned into wisps of black air, and all of them were inhaled into his body by Ming Shao!
