

The Order 8081

Chapter: 8081

Chen Ping, who saw this scene, used the meditation technique and began to fight for these evil spirits with Young Master Ming!

He knew that this young man was using these dead monks to restore the evil spirit in his body!

I don't know how long it has been, the dead monks on the ground have long disappeared at this moment, leaving only humanoid black marks on the ground!

Ming Shao's whole body was filled with black mist, and his whole body slowly returned to its human form!

"Chen Ping, you have no mortal enemies. If you play with me today, then don't blame me!"

Ming Shao said coldly!

"Huh, you killed so many people for me, now tell me there is no hatred? Chen Ping snorted coldly:
"Today, I will kill you!"

"Mr. Chen, we are here..."

At this time, Lin Chong and others all came!

They had already destroyed Lian Sanmen and the Huo family. At this time, Lin Chong, Taoist Master Wuji, Li Chunfeng, Nanba Tian, and the five major domain masters, each of whom was a master, surrounded the young Master Ming!

In the rare state of the underworld, the fighting spirit of courage just dissipated in an instant!

With so many people fighting against him, there are not many people who will die here!

Ming Shao's body began to tremble, his face was full of panic, and there was no trace of pretense anymore!

"Kill him....."

Although the young master Ming was trembling and didn't pretend to be coerced, Chen Ping didn't plan to spare him!

Accompanied by Chen Ping's words, everyone walked slowly towards the young Master Ming!

The coercion that broke out on these people alone made the young man's legs tremble and he was about to pee his pants!

"Kill....."

Everyone is attacking towards that young Master Ming together!

The breath of horror is bound to wipe out Ming Shao!

"Stop....."

Accompanied by a sound of cheers, followed by a terrible force, Chen Ping and the others were instantly blocked from attacking!

Chen Ping and the others hurriedly looked up and found an old man in the sky coming quickly!

"Father....."

Chapter: 8082

Ming was in a rare state, weeping with joy and shouting!

At this moment, people's faces became extremely ugly. It turned out that the lord of the Four Hades had arrived!

Mingtian looked at Chen Pingping and said with a slightly angry expression on his face: "So many people deceive my son alone, do you want to die?"

Mingtian suddenly raised his hand and pressed down violently!

Boom!

The entire Dao Gate collapsed under this blow, and the entire land of innocence was bound by a terrifying coercion!

Many people were overwhelmed to the ground one after another, unable to move at all!

Chen Ping and the others were also shocked. One by one, they felt that their bodies were being pressed by ten thousand mountains, and they tried their best to resist!

Blood began to flow from the corners of Chen Ping's mouth, and everyone else gritted their teeth one by one!

As soon as they raised their hands, they actually made them feel the breath of death, which shows how terrifying the strength of the four Hades masters is!

The rare appearance of the underworld is to become that look of pretending to be coercive again!

“Chen Ping, if you still pretend to be with me, my father waved his hand and let all of you die!”

Ming Shao looked at Chen Ping pretentiously and said!

Chen Ping’s face was extremely ugly, he didn’t expect this young man’s father to come too!

Now that they are all exhausted, how could they beat that young man’s father!

Many people’s faces showed horror. Even the five domain masters could only hold on hard at this moment, and they had no time to take care of them!

desperate!

Everyone’s hearts are full of despair!

In the face of absolute strength, these people really have nothing to do!

Chen Ping gritted his teeth, the various forces in his body were constantly surging, but he still couldn’t break free from the coercion!

Humph!

Suddenly, a mysterious force broke out between heaven and earth, and the coercive power shattered in an instant!

Everyone breathed a long sigh of relief.

And the dark god’s expression tightened, and he couldn’t help but look around!

Chapter: 8083

At this time, an old man whose whole body was shrouded in black mist slowly came, and as the black mist dissipated, Chen Ping was suddenly surprised!

But after Mingtian saw the old man, his body trembled suddenly, and he fell to his knees with a puff!

“Father”” Ming Shao was shocked when he saw his father kneeling down!

“Hurry up and kneel down!”

Mingtian took the young master Ming and made him kneel down too!

“Four Hades, Mingtian, meet the ancestor of the Yin Demon...”

Mingtian knocked his head heavily, not daring to look directly into the Yin Demon’s eyes!

But the Yin Demon walked in front of that Mingtian, without even looking at him, and walked straight to Chen Ping!

“Senior, have you reshaped your body?”

Chen Ping saw that the Yin Demon actually possessed a physical body, so he asked happily!

“Hahaha, thanks to you, little brother.”Yin Mo smiled haha and patted Chen Ping on the shoulder:

“During this period of time, your strength has greatly increased!””

“Compared with my predecessors, my strength is not enough!”Chen Ping said modestly!

“I have been practicing for tens of thousands of years, how long have you been practicing? When you have practiced for tens of thousands of years, your achievements will definitely be better than mine!”

The Yin Demon praised Chen Ping!

Lin Chong and the others on the side all retreated unconsciously when they saw the Yin Demon. Even if the Yin Demon did not exude breath, they felt unwell and felt frightened!

The five major domain masters looked at the Yin demon that appeared, and their expressions trembled slightly, especially the Western domain lord, who saw Chen Ping hooking up with the Yin demon, everyone was numb!

A Mr. Shi scared him to pee after taking a look. Now there is another master who can't see the realm. He doesn't understand how many backers Chen Ping has behind him?

Even Li Chunfeng, Nanba Tian and Taoist Master Wuji, people in the heavenly realm, saw the appearance of the Yin Demon, and they were all short of breath!

Obviously, their strength in Elysea is much inferior to this Yin Demon!

Mingtian listened to the Yin Demon chatting with Chen Ping, everyone was stupid!

That Ming Shao's legs trembled even more, and he was scared to pee in an instant!

Except for the horror on his face, there was no trace of pretending to be coercive!

He couldn't believe that Chen Ping, a Mahayana monk, was so familiar with the Yin demon ancestors of their line!

And it seems that Yin Mo and Chen Ping are still old acquaintances.

Chapter: 8084

“Senior, the monks of your line like to pretend to be coerced. If you don’t show up just now, I’m afraid they will all become corpses now!””

Chen Ping glanced at the trembling Young Master Ming, and smiled slightly!

Only then did the Yin Demon take a cold look at the heavenly Father and Son, and snorted coldly: “With this strength, I dare not say that it is from my line, which is embarrassing for me.”

“You can kill the two of them now, I won’t do it...”

The words of the Yin Demon made Mingtian’s body tremble even more severely, and that Ming Shao was full of shit and urine!

“Ancestor, forgive me, ancestor, forgive me...”

Mingtian kowtow desperately for mercy!

“Senior, just kill his son, his son is too pretentious, and he killed a lot of me!””Chen Ping doesn’t want the Four Hades to be destroyed!

If the Four Hades could take refuge in him, he could take the Four Hades and all the people of Sun Moon City to the Fire Burning Sect to rescue the master of the Refining Sect!

As the number one power in the Tianren world, the Fire Burning Sect, Chen Ping knew it would be difficult to deal with.

“Did you hear that?”The Yin Demon asked coldly!

“I heard it, I heard it...” Mingtian nodded again and again, then looked at his son!

“Father...Father, what are you...what are you going to do?”

Young Master Ming looked at his father like that, so scared that he was almost speechless!

“Son, don’t blame me, don’t pretend to be coerced in the next life!”

“Pretending to be struck by lightning, you can’t die easily...”

“You must remember!”

After speaking, Mingtian slapped it with a palm, and Ming Shao disappeared in an instant, leaving not even a corpse behind!

Seeing this scene, Chen Ping couldn’t help but be speechless. This Mingtian is really cruel!

He didn’t even leave the body for his son!

“Get out of here, remember me in the future, be obedient!”

Chen Ping waved his hand and said!

Mingtian didn’t dare to move, and secretly glanced at the Yin Demon!

“Don’t get out of here yet, can’t you hear what my brother said?”

Chapter: 8085

The Yin Demon gave a cold drink!

“I heard it, I heard it...” Mingtian nodded again and again, and then disappeared in an instant!

“Brother, what are you doing in this place?”

After that Mingtian left, the Yin Demon asked Chen Ping!

Chen Ping pointed to the heavenly ladder in the distance and said, “I’m in the heavenly ladder, and after I pass the ninth floor of the heavenly ladder, I can climb to the heavenly realm!””

The Yin Demon glanced at the ladder to the sky and said, “Do you need me to help you see, which evil pen is it, doing such a thing, playing with these ants in the heavenly world?””

“No, I feel that this ladder to the sky is very good. Even if you can’t practice Feisheng, you can go up to the heavens by climbing the ladder!”

Chen Ping shook his head!

“Well, if you are willing to experience it, then experience it yourself!”The Yin Demon said!

“Senior, where are you going?”Chen Ping asked!

“I’m going to be ready, the great array of heaven and earth is about to break, and I’m going to be ready to return to the heavens again!””After the Yin Demon finished speaking, his figure disappeared in an instant!”

And on the ninth floor of the ladder, one old and one young looked at everything below!

“Master, someone scolded you for writing badly, do you want to clean him up?””

The young man asked!

“Shut up!”The old man stared, and then continued: “Listen to the teacher, put water on that Chen Ping, this guy can’t afford it...”

juvenile : “.....”

.....

Climb the ladder, the third floor!

After a few days of recovery, Chen Ping took Li Chunfeng into the third floor of the ladder. Nanba Tian didn’t follow because his arm was broken and needed to be reshaped!

“Mr. Chen, you have only recovered for a few days, and you have hurriedly entered the third level, I am afraid it will be dangerous.”

Li Chunfeng persuaded Chen Ping!

“It’s okay, if we can conquer the guardian of the third layer, we will have one more helper.”

Chen Ping is to conquer the guardian in the ladder!

If you conquer a few more guardians, you will be more sure to rescue the master of the Refining sect!

Chapter: 8086

Just when Chen Ping took Li Chunfeng into the third floor!

An incomparable palace of Hongwei appeared before their eyes, and the palace was a hundred feet high, with a stone staircase leading directly to the entrance of the main hall!

There is nothing around the hall. This third-level world seems to be a dead world. Only this hall exists!

“What’s the situation?Wouldn’t the guardian of the third floor be in this hall?”

“This is too easy to find, what about a world on each floor?”

Chen Ping looked at the hall in front of him a little confused!

“I don’t know what’s going on...” Li Chunfeng was also a little confused!

After all, he has never been to the third floor, and there is no contact at all!

“Mr. Chen, no matter what, I think you should be careful!”

Li Chunfeng reminded!

Chen Ping nodded. Naturally, he didn’t dare to look down on it. After all, the strength of Nanba Tian on the first floor and Li Chunfeng on the second floor were both very terrifying!

The guardians of this third layer are definitely not weak, and Chen Ping himself doesn’t know why. He broke into this ladder by himself, and the guardians of each layer seem to be targeting him!

Then Yunli and others can go to the fourth floor, but Chen Ping has only reached the third floor after a lot of effort!

Chen Ping was holding a dragon slashing sword, and then suddenly rushed towards the main hall, followed by a sword light directly towards the main hall, he wanted to divide the ten thousand-meter-high main hall into two!

But when Chen Ping rushed to the hall, suddenly a golden light shot out of the hall!

Boom!

Chen Ping's sword light shattered instantly, and Chen Ping's body seemed to be hindered by something, and it fell heavily to the ground!

It is obviously impossible for him to rush up the stone steps in one step!

Chen Ping looked shocked, knowing that he had been promoted to two levels in a row, but he hadn't even seen the other side, so he was directly forced back to where he was!

Looking at the hall, Chen Ping's expression became more and more solemn. This third floor is so powerful, let alone the guardian behind it!

Chen Ping was helpless, he could only step towards the stone steps step by step, and slowly walked towards the hall step by step!

Chen Ping did not use any power, did not swing a sword, and did not even have a trace of hostility on his body!

In this way, Chen Ping walked to the door of the main hall without hindrance. The heavy door opened slowly at the moment Chen Ping arrived!

Chen Ping walked into the hall and found that the entire hall was extremely dark, like a tiger's mouth abyss, giving people an inexplicable sense of fear!

Chapter: 8087

"A mere Mahayana monk, dare to break into the third floor?"

At this moment, a light suddenly appeared in the hall, and this light shone on a person!

Chen Ping looked over and found that he was a Confucian, wearing a clean robe with a crown and a drawstring, just like a polite scholar!

No matter how you look at it, this doesn't look like an expert!

"Junior Chen Ping, meet senior!"

Chen Ping handed over his hand very politely and said!

It is not an exaggeration to call a senior who can be a guardian here, which one is not a person from the heavens!

"With your strength, you can also come to me. Are the guardians on the first two floors too rubbish?"

The Confucian said disdainfully!

Li Chunfeng heard this outside the main hall, opened his mouth, and cursed with his mouth: "MLGB"

"Senior, this is too bad. The seniors on the first two floors are also strong, but they are confined here and their strength is suppressed."

"Presumably, senior, you are also imprisoned here, right? You probably can't do without this hall!"

Chen Ping said to the Confucian.

"Yes, although I am imprisoned here, my life is still very nourishing. Believers will come to worship every day. Even if I can't leave this hall, what's the matter!"

The Confucian said complacently!

“Senior, are you mistaken? It seems that there is only this hall on these three floors. Where are there any believers?”

Chen Ping asked puzzledly!

“How could it be?”The Confucian frowned!

“If seniors don’t believe it, you can look outside...” Chen Ping said!

After Chen Ping finished speaking, the entire hall suddenly became extremely bright!

The Confucian looked out through the window of the main hall and found that it was hazy outside, as if in chaos, where there is any world, let alone no believers!

“How could this happen?Why is it like this?”

The Confucian man’s face changed drastically, and he said in shock!

“Senior, I have been like this since I entered the third floor, and I don’t know what’s going on!”

Chen Ping said truthfully!

The Confucian fell into contemplation, and after a while, he said with a bitter expression on his face:
“Maybe it’s because I know that I have lived too much, and I have removed this layer of the world, right?”

“But it’s okay, since you want to break in, let’s talk about it after you pass my level!””

“Senior, then I’m not polite!” Chen Ping was holding a dragon slashing sword, and he didn’t dare to be careless!

After activating the not-bad golden body, he used various powers and slashed at the Confucian with a fierce sword.

Boom!

With a sword cut out, the Confucian waved his hand contemptuously, and then he saw that the Confucian was instantly repelled by the sword light, his chest cracked, and blood gushing!

When Chen Ping saw this, everyone was stupid. Didn’t he expect the guardian of the third layer to be so unscrupulous?

And the Confucian also looked dumbfounded, and said in disbelief: “Why is my strength suppressed again, less than one-tenth?”

Chapter: 8088

“Senior, I didn’t mean it on purpose, you really didn’t bother to fight!”

Chen Ping said a little embarrassed!

“Nonsense, I can’t help but fight? The old man hits you in this little Mahayana realm, just breathe a sigh of relief!”

“Come again.....”

The Confucian jumped, stood up high, and came straight to Chen Ping!

Chen Ping had the experience of the first sword, so the dragon slashing sword in his hand did not exert all its power!

Boom!

Chen Ping slashed out with another sword, and the Confucian man's body was hit by the sword again, and there were a few more wounds!

"What the hell is going on?"

The Confucian looked at the wound on his body, his face flushed with anger!

He didn't understand, why did his strength suddenly drop so much?

I had a few tricks with people two days ago, and my strength has not declined!

What's going on?

"You put away the sword, we are fighting!"

The Confucian looked at the dragon slashing sword in Chen Ping's hand, knowing that this sword is definitely not an ordinary thing, it should be a problem with the sword!

"Ok!"

Chen Ping nodded and put away the dragon Sword!

Seeing Chen Ping put away the dragon slashing sword, the Confucian gritted his teeth, his eyes burst out fiercely, and he rushed towards Chen Ping again!

Chen Ping looked at the Confucian who rushed over, and he had already lost the worry he had at the beginning, but instead he sneered with a smile on his face!

“Holy Light Fist.....”

Chen Ping blasted out with a punch, and a golden light burst out!

Boom!

The Confucian was knocked out again, his body fell heavily to the ground, spitting blood.

At this moment, Chen Ping was completely relieved. It turned out that the guardians of these three layers were not good, and they had no real skills!

Chapter: 8089

But the Confucian looked like he had no love in his life!

“How could it be?”

The Confucian roared!

Hearing the movement in the hall, Li Chunfeng also slowly walked into the hall!

When he saw the Confucian man with scars and embarrassment, he looked at Chen Ping in disbelief!

He also didn't understand, when did Chen Ping get to this point?

With three punches and two kicks, the guardian of the third floor was cleaned up!

“Senior Li, the guardians of these three layers are not as good as you and Nanba Tian!”

Chen Ping followed Li Chunfeng to explain!

Li Chunfeng was taken aback, looked at the Confucian again, suddenly drew his sword and slashed!

The action is like flowing water, in one go.....

“What are you going to do?”

The Confucian was shocked and hurriedly resisted, but he was still hit by a blow, and there was another scar on his body!

Li Chunfeng said suspiciously: “With your strength, why do you mean to say that our guardians on the first and second floors are rubbish?”

“Who are you?”

When the Confucian heard this, he looked at Li Chunfeng in shock!

“I am the guardian of the second floor, Li Chunfeng!” Li Chunfeng said!

“Impossible, if you are the second-tier guardian, how can you leave the second-tier world?”

The Confucian shook his head, he didn’t believe it at all!

“I was able to get out of trouble, thanks to Mr. Chen, who helped me lift the seal of imprisonment and resisted the wrath of heaven!”

Li Chunfeng said!

The Confucian looked at Chen Ping in shock: "You, a Mahayana monk, can break the seal of imprisonment and resist the wrath of heaven?"

Chen Ping nodded and did not speak!

"I don't believe it, unless you also help me get rid of it."The Confucian said!

Chapter: 8090

"I can help you get rid of it, but it comes at a price."

Chen Ping said!

"What price?"The Confucian asked.

"Of course you have followed me for three hundred years, you have to listen to me and fight for me."

"But your strength really can't help me, you are too weak."

Chen Ping looked at the Confucian and said!

"I am not weak. The old man is a celestial immortal. Even if he is weak, how can he be defeated in the hands of you, a Mahayana monk."

"It's just that my realm has been suppressed, and now my strength is already less than one-tenth."

The Confucian retorted loudly.

“Then why are you imprisoned here?” Chen Ping looked at the Confucian scholar curiously: “Isn’t it because you watch the eldest girl take a bath?””

“Nonsense, I am a class of literati, how could I do such a vulgar thing.”

The Confucian said angrily!

Li Chunfeng on the side was embarrassed and ashamed!

“Then why are you imprisoned? To be honest, I can help you get rid of the prison seal.”

Chen Ping asked curiously!

“I...I... I just accidentally touched the buttocks of a female fairy. Who knew that his father was a golden fairy, so he imprisoned me here!”

The Confucian said with a slight guilty conscience!

The voice of speaking is getting smaller and smaller, it seems that it is definitely intentional, where is it careless!

After listening to this, Chen Ping endured without smiling, and looked at Li Chunfeng. It seemed that they were offending the same female fairy!

“I’ll help you get rid of the prison seal. How about you work for three hundred years?”

Chen Ping asked!

“Yes, but if you break the seal of imprisonment and suffer the wrath of heaven, if you die, I don’t care!”

Said the Confucian!

“Don’t worry, Lao Tzu still can’t see the wrath of the golden immortal!””
