

## **The Order 8091**

Chapter: 8091

After Chen Ping finished speaking, his palm suddenly pressed on the ground of the hall!

As the light slowly rose from the ground of the main hall, the prisoner seal slowly appeared. Like the prisoner seals of Nanba Tian and Li Chunfeng, red blood flowed in the prisoner seal!

But when Chen Ping was about to get rid of the prison seal, suddenly the prison seal trembled and disappeared!

The Confucian was taken aback, and then moved his body, his face full of shock!

“The prisoner seal has disappeared...”

The Confucian said.

Chen Ping was stunned and stayed on the spot: “Why did you run away?”

“Mr. Chen, it must be that the prisoner seal is afraid of you, so as soon as you make a move, he runs away!”

Upon seeing this, Li Chunfeng hurriedly explained!

“Don’t talk nonsense, that prisoner seal is just a mark, and there is no sense of autonomy, how could he suddenly escape by himself.”

“It must be the person who posted the prisoner seal and suddenly withdrew the prisoner seal.”

“Could it be that this Taoist friend, following the Jinxian who imprisoned me, has any friendship?”

The Confucian looked at Chen Ping curiously and asked!

Chen Ping shook his head, how could he have a friendship with Jin Xian, he didn't know him at all!

“Senior, you are free now, don't forget your Cheng Ruo!” Chen Ping said!

“Of course, since I promised you, I will definitely work for you for three hundred years.”

“But you have to prepare for the next wrath, and wait for you to carry it over, let's talk about other things!”

The Confucian reminded Chen Ping!

“You two hide away, don't spread to you for a while!”

Chen Ping has had the first two experiences, and he feels much more at ease!

If the little sky-swallowing beast cannot appear, he will use the dragon bell to resist.

I saw Chen Ping take a deep breath, his whole body was shrouded in undamaged gold, and the dragon clock was ready at any time!

Having made all the preparations, Chen calmly waited!

Soon, a vast force fell from the sky!

Chapter: 8092

“Mr. Chen, be careful, the wrath of heaven is coming...”

Li Chunfeng reminded Chen Ping!

Chen Ping nodded, all the power in his body was condensed in one place, forming layer after layer of shields around his body!

Clang.....

Just as Chen Ping was preparing to meet the impact, there was a sudden crisp sound!

It was like a hammer, knocking on Chen Ping’s head!

After the sound, the vast power of heaven disappeared and collapsed in an instant!

Li Chunfeng : “.....”

Confucian : “.....”

Chen Ping : “.....”

The three of them were directly petrified, and no one moved or spoke!

They don’t understand, when did this day become like this?

This is not as powerful as an ordinary person smashing with a big stone!

Is this the power of Jinxian's heaven?

Chen Ping couldn't understand what was going on!

Chen Ping didn't know that someone was putting water on him!

It's just that the water is a bit too big!

"I said a long time ago that a mere Jinxian is not enough to care about teeth..."

Chen Ping put away all kinds of magical powers and said with a pretense of coercion!

Confucianism and Li Chunfeng looked at Chen Ping with admiration!

How many years have people only practiced? What is the realm of others?

Compared with Chen Ping, they, immortals who have cultivated for thousands of years, should really find a mouse hole to get in!

"At Shen Zhiyan, meet Mr. Chen..."

The Confucian knelt down on one knee, and he completely surrendered to Chen Ping!

Chapter: 8093

"Get up!" Chen Ping waved his hand!

After Shen Zhiyan got up, he asked Chen Ping, "Mr. Chen, are you still going to the next floor?"

"Of course!" Chen Ping nodded!

“Mr. Chen, the guardian of the fourth layer is not easy to deal with, and the world of the fourth layer is also a master like a cloud. If you go to the fourth layer, you should be careful!”

Shen Zhiyan persuaded Chen Ping!

“I helped him get rid of the prison seal, can't he still beat me?””

Chen Ping smiled slightly!

But Shen Zhiyan shook his head and said, “The guardian of the fourth floor is not imprisoned here. He is imprisoned here by himself and has devoted himself to practicing, so you want to help him release the seal of imprisonment and give him freedom. I'm afraid it won't work.”

“Self-imprisonment practice? I'm afraid this is not a serious illness, right?”

When Chen Ping heard this, he felt very strange for an instant. Who would imprison himself as a normal person?

“So I advise Mr. Chen to be cautious. This kind of person's brain is really abnormal and moody!” Shen Zhiyan said!

Chen Ping was silent for a moment and said, “Is there any way to go directly to the fifth floor without passing through the fourth floor?””

“Definitely not, this ladder is to go step by step!””

Shen Zhiyan shook his head!

“Whatever, the soldiers will block the water and cover the soil, let's talk about it when we go to the fifth floor!””

“But how could your strength be suppressed so much? You’d better find a way to restore it, otherwise your strength will easily be killed when you reach the celestial realm!””

After Chen Ping finished speaking, he took out a storage bag and threw it to Shen Zhiyan. It contained fairy spirit stones!

There was a fierce battle with that Ming Shao. Although many people died on Chen Ping’s side, they also gained a lot. Those who even had the three doors, the Huo family, and the Four Hades, brought a lot of resources with them!

Chen Ping cleaned up a little bit and got a million fairy spirit stones!

“Mr. Chen, I’m not as weak as you saw. For some reason, I was suddenly suppressed!”

“If you fight now, you are afraid you will not be my opponent.”

Shen Zhiyan said!

“How could it be possible, I will fly you with one punch!”Chen Ping doesn’t believe it!

Then Shen Zhiyan suddenly punched out and hit Chen Ping directly on the body, smashing Chen Ping out!

Chapter: 8094

Chen Ping was caught off guard and flew out directly from the door of the main hall. His body hit the ground heavily, and his internal organs turned upside down. Uncomfortable!

“Damn it, why didn’t you suddenly attack without talking?”

Chen Ping frowned and said!

“This is called starting first to be strong, you can only blame yourself for not being cautious enough!”

Shen Zhiyan smiled slightly!

“Okay, come again...”

After Chen Ping finished speaking, he instantly turned into a golden light and disappeared, but in the blink of an eye, he appeared in front of Shen Zhiyan!

Chen Ping’s dragon slashing sword was cut out with one sword, and the terrifying sword intent enveloped Shen Zhiyan!

If this kind of attack were in the situation just now, Shen Zhiyan would definitely be blown out!

But this time, Shen Zhiyan suddenly had an extra book in his hand, and the book kept flipping, and the rays of light flashed between the flipping of the book, like sharp blades lasing!

Chen Ping’s swordsmanship was instantly defeated, and at the same time countless rays of light and sharp blades came towards Chen Ping!

Chen Ping’s body retreated rapidly, and at the same time the not-bad golden body on his body made a bang bang bang sound!

When Chen Ping exited the hall, he saw that the not-bad golden body on his body had already appeared cracks!

Obviously, this Shen Zhiyan is many times stronger than just now!

Shen Zhiyan followed Li Chunfeng out of the hall!

“Mr. Chen, are you okay?” Shen Zhiyan asked!

“Senior, when I just broke through, did you release the water?”

Chen Ping couldn't believe it. How long has it taken for Shen Zhiyan's strength to change so much!

“I was almost killed by you. I was injured all over. Will I release water?”

Shen Zhiyan looked helpless, he just suddenly stopped suppressing, where is the water release!

Chen Ping didn't know at the moment, it was the owner of the ladder who released water to him!

Chapter: 8095

Chen Ping took Li Chunfeng and Shen Zhiyan out of the third floor!

It was found that there were not too many monks who followed. Then Ning Zhi and Su Yuqi were not among them. The two of them may have passed the third level and reached the fourth level!

Without stopping, Chen Ping glanced at the fourth floor of the ladder and climbed up resolutely!

Li Chunfeng and Shen Zhiyan followed closely behind, after all, the two of them are now Chen Ping's servants!

Although the guardians on the fourth floor are not easy to get along with, Chen Ping still has to try!

You can't get stuck on the fourth floor, you can't get up all the time!

Just as Chen Ping had entered the fourth floor, a voice suddenly sounded: "Chen Ping, are you on the fourth floor too?"

Chen Ping was taken aback: "Yunli, didn't you guy go out?"

"I'm out, but I can still come in at any time. As long as the ladder does not disappear, I can enter the fourth floor at any time!"

"But I came in this time and found that the world on the fourth floor has changed again!"

"Look at the hall in front of you, which is where the guardian is located. There is nothingness around the hall. It seems that there is only one hall in this four-story world!"

"Before I went out, this was still a complete world. I don't know why, the world seemed to have disappeared!"

Yunli pointed to the main hall not far away and said!

Chen Ping glanced at it, his face was also strange, but he didn't know why it became like this!

Each layer is a world, and the monks who enter need to find a guardian challenge in this world!

And you can get resources in the world inside this ladder!

But now, he has entered and been teleported to the place of the guardian, and the surrounding world seems to have disappeared!

Not to mention resources, it seems that when you enter here, you can only challenge. It is impossible to cultivate by relying on the resources of the world in the ladder!

“Regardless of what’s going on with him, it’s not clear if we go and have a look!”

After Chen Ping finished speaking, he walked straight towards the hall!

“You have to be careful, there are not many people who can pass through the guardian of the fourth layer!”

Yunli reminded Chen Ping!

Chen Ping nodded.

When everyone walked to the main hall, they found that the whole body of the main hall was dark, like a netherworld, exuding a strange aura!

Chapter: 8096

When Chen Ping and the others walked to the door of the main hall, there was a gloomy wind all around, very cold, and above the main hall, there was a black cloud pressing against the top, and in that black cloud, lightning was constantly passing by!

And in the main hall, the sound of fighting can still be heard. It should be that someone is already challenging!

Immediately afterwards, only a scream was heard, and a tall monk flew out of the hall directly.

Such a monk’s body was directly turned into powder in mid-air, and the gods were all destroyed!

Seeing this scene, Chen Ping’s face was a little ugly. He didn’t expect that the guardian of the fourth layer would say that killing people is killing people. It’s nothing more than a challenge. If you can’t challenge it, you can just hurt it. How can you make people and gods disappear?

Yunli’s face also changed, and he swallowed a mouthful of saliva and said, “Chen Ping, I think we should go. The guardian of the fourth floor is a bit grumpy!””

Li Chunfeng and Shen Zhiyan also changed their faces slightly!

They were imprisoned here, and these monks who followed the heavenly world had no grievances or grievances. They were usually injured, but sometimes they were almost released until the point was reached!

For so long, they have never killed the monks of the heavenly world so cruelly!

But the guardian of the fourth layer directly wiped out all human and divine forms, which was a bit cruel!

“Now that we are here, let’s go in and have a look. We can’t challenge it.”

“No, if we don’t challenge, he will still kill us, right?”

Chen Ping said, stepping in!

As soon as he walked into the main hall, Chen Ping saw Ning Zhi, wearing a fiery red cloak and a mask on his face!

And another female monk in the same costume, holding a flaming sword in her hand, looked indifferently at the dark place in the hall!

Ning Zhi also discovered Chen Ping, and when he saw that Chen Ping had reached the fourth floor, Ning Zhi’s face obviously changed slightly!

“Brother Ning, you have reached the fourth floor.”

Chen Ping took the initiative to go over and say hello to Ning Zhi!

Ning Zhi nodded, and when he saw Li Chunfeng and Shen Zhiyan followed by Chen Ping, his face changed drastically!

Because Shen Zhiyan knew him, he had just passed the third level of the challenge. This is the guardian of the third level!

Now that Chen Ping has followed him to the fourth floor, it means that the guardian of the third floor has become Chen Ping's person at this moment!

Ning Zhi didn't know what he should think at this time!

"Your senior sister, she..." Chen Ping looked at Su Yuqi's back and asked in a low voice!

"Senior sister is challenging..."

Chapter: 8097

Ning Zhi said!

As soon as Ning Zhi's voice fell, she saw a sword light appear in front of Su Yuqi without warning!

This sword light comes from the darkness, and it is impossible to see who wielded it!

This sword directly pierced Su Yuqi's face, this is a killing move with one shot!

Su Yuqi's reaction was not slow either. At the moment when the sword light appeared, she had already waved the sword in her hand!

Boom!

When he got the sword light, he was instantly defeated by Su Yuqi with a sword. Then Su Yuqi did not hesitate at all, and the long sword in his hand swept away!

The entire hall was swallowed up by the flames in an instant, and the originally dark place was also illuminated brightly by the flames at this moment!

A figure stood in the flame, but he couldn't see his appearance!

"To the fire, to the fire of the Demon race?" Chen Ping felt the raging flame, frowned slightly, and looked at Ning Zhi!"

"We are magic cultivators, Brother Chen won't look down on us, right?"

Ning Zhi asked Chen Ping!

"No..." Chen Ping shook his head and said nothing!

At this moment, from the raging flames, sword lights continued to shoot out, so the flames seemed that the other party was not afraid!

Su Yuqi was holding a long sword and kept waving it, resisting the bright sword light!

Boom!

When the last sword light was defeated, the long sword in Su Yuqi's hand broke instantly!

Seeing that the long sword in her hand was broken, Su Yuqi's eyes condensed slightly, and then her palms suddenly pressed down!

Boom!

Around Su Yuqi, endless supreme fire appeared in an instant, and in the supreme fire, a sword condensed from the supreme fire slowly appeared!

At this moment, a few sword rays lased out, but all of them were blocked by the extreme fire around Su Yuqi!

If Su Yuqi reacted slower, she might have already been penetrated by the opponent's sword light!

Su Yuqi yelled angrily, and suddenly grabbed the long sword of supreme fire with her right hand, and then waved it vigorously!

Thousands of flame swords rose from the ground!

Chapter: 8098

This time, the opponent didn't seem to be doing anything. With a gentle wave of his palm, Su Yuqi's thousands of flame sword lights instantly extinguished, and even the supreme fire in the entire hall was extinguished!

The hall fell into darkness again, but Su Yuqi's whole body flew out like a heavy blow, and fell heavily to the ground!

"Your senior sister is defeated..."

Chen Ping said to Ning Zhi!

However, seeing Su Yuqi defeated, Chen Ping always felt uncomfortable and always wanted to avenge the opponent!

He didn't know why.

Maybe it's because I have a sense of justice and don't want to see women being bullied, right?

Su Yuqi got up and suddenly waved her sword again!

She didn't even admit defeat!

With this sword, the entire void trembled!

Suddenly, the hall became extremely bright, and a man in a black robe gently grabbed it with his hand!

The heavens and the earth trembled violently, Su Yuqi's body seemed to be imprisoned, and the long sword of supreme fire in her hand also disappeared in an instant!

Su Yuqi's eyes lost their fighting spirit and luster, she knew that there was nothing she could do in front of the guardian of the fourth floor!

Yunli was also shocked to see it. Just now, Su Yuqi's performance, he could never be an opponent. Even Su Yuqi couldn't make it to the fourth level, so he didn't have to think about it himself!

"I'll meet him..."

Chen Ping saw Su Yuqi imprisoned, not only for some reason, but an unknown fire burst out, holding a dragon slashing sword and about to do it!

"Mr. Chen, let me take a trip for you..."

Li Chunfeng stopped Chen Ping, then walked forward and said to the black-robed man: "Fellow Taoist, you..."

"Get out....."

The black-robed man waved his hand, and a terrifying aura swept towards Li Chunfeng!

Upon seeing this, Li Chunfeng instantly threw out two flying swords!

The terrifying aura was instantly torn apart by the flying sword, and then disappeared!

The black-robed man was taken aback for a moment and came directly towards Li Chunfeng!

Seeing this, Li Chunfeng also took a step forward, and the long sword in his hand waved a sword light!

Chapter: 8099

cut!

Li Chunfeng's voice fell, and the sword light seemed to fall from the sky!

The black-robed man snorted coldly, and just punched it out!

Boom!

Accompanied by a deafening sound, then a terrifying aftermath broke out, spreading around!

Chen Ping activated his golden body in an instant and stood in front of Su Yuqi!

Upon seeing this, Shen Zhiyan waved his sleeves and directly scattered the aftermath!

“Are you okay?” Chen Ping looked at Su Yuqi and asked!

Chen Ping himself didn't know why, so he couldn't help but stand in front of Su Yuqi, afraid that she would be hurt!

Su Yuqi glanced at Chen Ping, but shook her head and didn't speak!

When Ning Zhi saw this scene, he was very uneasy in his heart. He was afraid that Chen Ping would recognize Su Yuqi under the mask!

If that were the case, his plan would fail!

“Are you not a monk in the world of heaven and man?”

The black-robed man looked at Li Chunfeng and asked!

“I am the guardian of the second floor, not a monk in the heavenly world!”

“You are not my opponent at all, if I kill you, it will be easy!”

With an inscrutable look, Chen Ping put away the dragon sword!

The black-robed man looked at Chen Ping, his expression changed and changed, and he suddenly grinned and said, “You have a background...”

“Yes...” Chen Ping nodded!

“Even the owner of this ladder has started to release water for you, it can be seen that your background is not small!”

The man in the black robe also noticed that it was the owner of the ladder who was putting water on Chen Ping!

“How’s it going, do you want to go out with me? I will take you away, you have worked for me for three hundred years!”

Chen Ping asked!

The black-robed man shook his head: “If I want to leave, I can leave by myself. I didn’t imprison me. I was imprisoned here by myself. I even begged the master of the ladder for a long time before he agreed!”

Chapter: 8100

Chen Ping was taken aback and looked at the black-robed man in disbelief: “Why? Why do you want to imprison yourself, is it just for the resources of the world in this ladder?”

The black-robed man shook his head: “For this resource, it is impossible for me to give up my freedom!”

“Then why is the senior?” Chen Ping asked curiously: “If you say it, maybe I can help you!”

The black-robed man stared at Chen Ping, and then said, “Come with me!”

“Good!” Chen Ping followed the black-robed man to the depths of the hall!

Li Chunfeng and Shen Zhiyan are all waiting in the hall!

I don't know how long I have been walking, or where I have reached, Chen Ping only feels that his eyes are getting brighter and brighter.

Then, in front of Chen Ping's eyes, a house appeared. The house looked very simple, with a wooden door with two copper door bolts on it!

The black-robed man opened the door and walked in, and Chen Ping followed suit!

But as soon as he entered, Chen Ping was stunned in an instant. He saw that the room was full of pink silk gauze, which looked very warm, and there were ragdoll dolls in the room, which was very Kawaii!

Chen Ping couldn't imagine how a big man could live in such a room?

"Resurrection shouldn't be a big problem, but I need to ask. After all, your wife has been dead for almost a thousand years!"

"But Mr. Shi can resurrect people who have been wiped out in the form of gods in an instant, so it should be okay to resurrect your wife!"

Chen Ping said!

"Anyone who is destroyed by the gods can be resurrected. It must be no problem to resurrect my wife. Hurry up and contact this Mr. Shi!"

The man in the black robe can't wait!

"I still can't contact Mr. Shi, but I believe he will find me after all. I can ask him for you then!"

Chen Ping said truthfully!

It was Mr. Shi who suddenly appeared, and Chen Ping never knew where Mr. Shi was!

“If I can resurrect my wife, even if I give my cultivation and my life, I am willing!”

The black-robed man’s expression was a little excited!

“There are so few infatuated men like you in the world. If your wife has a spirit in heaven, she will be relieved.”

Chen Ping said with emotion!

The black-robed man shook his head and said, “I’m a bad guy, I killed my wife...”
