

The Order 81

Chapter: 81

“Mr. Chen, these are your clothes...”

Gu Wentian pointed at the spit on Chen Ping’s clothes and asked.

“This is when I was spat on by an incompetent person when I was outside!”

Chen Ping said calmly.

“Who is so bold as to dare to spit on Mr. Chen?”

Gu Wentian’s face became angry and he glanced at everyone present!

You must know that those people outside are sitting with their families and the like brought by these people, so Guwen Genius will look at everyone present.

At this moment, everyone’s hearts suddenly surged, and they kept blessing in their hearts, hoping that it would not be done by one of their own family members!

“Old, it was the girlfriend of Xiao Lei, the young master of the Xiao family. That woman used to be Mr. Chen’s girlfriend. Now she is with the Xiao family. She feels superior, so she spat on Mr. Chen a few times!”

Su Yuqi said.

“The Xiao family is so brave. I’m going to call that Xiao Yan here for questioning right now!”

Gu Wentian frowned, slapped the table hard and said!

He also knew why Chen Ping sent a message to drive Xiao Yan away. It turned out that there was such a festival with the Xiao family.

Everyone present also understood instantly. Now they knew that the Xiao family was going to be in trouble. It seemed that the business dealings between the Xiao family must be stopped quickly!

“Don’t worry, I can handle such a small matter myself!”

Chen Ping smiled lightly and didn’t take it to heart at all.

At this time, Xiao Lei and Geng Shanshan were like ants in his eyes!

Outside the hotel, the scorching sunshine made Xiao Lei a little upset!

“Brother Lei, please drink some water!”

Geng Shanshan handed Xiao Lei a bottle of water!

Xiao Lei took a big sip, touched the sweat on his forehead, and muttered in a low voice: “You can’t go in, what are you doing waiting here? You’re really sick!”

Although he complained, Xiao Lei did not dare to leave. He was really afraid that his father would cut off his pocket money for half a year.

Just when Xiao Lei was drinking water, he found his father walking out of the hotel.

Xiao Lei felt happy and said hurriedly: "My dad is out, we must be able to go in!"

Chapter: 82

Xiao Lei and Geng Shanshan hurriedly greeted him!

"Dad, why did you come out? Can we go in?"

Xiao Lei asked excitedly.

"What the hell, I was kicked out..."

Xiao Yan said angrily.

Xiao Lei was stunned for a moment, then said: "Dad, what's going on? Why do I have to drive you out?"

"How did I know!" Xiao Yan glared at Xiao Lei angrily: "Stop being embarrassed here and come back with me!"

They came here excitedly, but now they can only go back in despair. Xiao Lei and Geng Shanshan didn't even go through the door.

The banquet has already begun. After more than two hours, the banquet is coming to an end. Everyone's face is red from drinking and they are talking happily!

"Chen Ping, when did you meet Gu? And Gu is so polite to you. You are the protagonist of this banquet and you didn't even tell me!"

Finally, Su Yuqi caught the opportunity, pulled Chen Ping aside, and asked dissatisfiedly.

“You pulled me away in a hurry and didn’t say you were coming to the banquet? I found out later and I wanted to give you a surprise!”

Chen Ping laughed!

“Your surprise was really big. I was scared to death at the time. You are so bad. Don’t hide anything from me in the future!”

Su Yuqi punched Chen Ping in the chest. The force was very light, just like flirting!

Chen Ping grabbed Su Yuqi’s hand, and the two looked at each other!

There are no words or communication, only the exchange of eyes!

Chen Ping slowly approached Su Yuqi. Su Yuqi wanted to hide but didn’t move. She was very conflicted in her heart!

Seeing that Chen Ping was about to kiss him, Su Yuqi closed her eyes and waited for that moment to come!

“You got something on your face!”

But while Su Yuqi was nervously waiting for that moment, Chen Ping suddenly said this.

Su Yuqi opened her eyes and saw Chen Ping looking at her with a smirk on his face.

“Big bad guy, I’ll ignore you...”

Su Yuqi punched Chen Ping hard and ran away with a red face!

Chapter: 83

At this time, Su Wenzong saw his daughter running away with a blushing face. He also smiled slightly and walked towards Chen Ping!

“Mr. Chen, do you have any plans for your future? Do you want to start your own company?”

Su Wenzong asked Chen Ping.

Chen Ping immediately shook his head: “No!”

Chen Ping wants to practice now and improve his strength as soon as possible. As for opening a company and doing business, Chen Ping really doesn’t like it and is not good at it!

“Well.....”

Seeing Chen Ping shaking his head in denial so happily, Su Wenzong was stunned for a moment, but he quickly smiled and said: “That’s okay, Yu Qi may not be a girl, but she is still very good at running companies and doing business, as long as she is there! ”

After Su Wenzong finished speaking, he left!

Chen Ping looked at Su Wenzong’s back and smiled helplessly. He could understand what Su Wenzong was thinking!

After all, he is only Su Yuqi's daughter. In the future, all the business will be handed over to Su Yuqi. If he and Su Yuqi really come together, such a large business will always need someone to support it. However, Chen Ping is really not very good at doing business. like!

Soon, everyone was full of wine and food and ready to leave and say goodbye to each other!

But at this moment, the door of the banquet was suddenly pushed open, and dozens of people rushed in, each holding a weapon. The leader among them looked fierce and exuded a faint aura. He was a master at first glance!

Seeing these people suddenly barging in, everyone present was shocked, and Gu Wentian's face turned cold. Tang Long, the bodyguard beside him, rushed to his waist and pulled out a half-foot-long machete, protecting Gu Wentian. In front of me!

"Security, where is the security?"

Su Wenzong saw someone rushing in and shouted loudly, but no security guard came in!

"Mr. Su, there's no need to shout, none of your security guards can get in!"

The visitor said coldly.

"Feng Sihai, what do you want to do when you suddenly bring someone in? You must know that this is a banquet prepared by the ancients!"

Su Wenzong asked loudly.

It turns out that these people are all members of the Red Dragon Gang, and the leader is the gang leader Feng Sihai!

Feng Sihai walked quickly to Gu Wentian, bowed and said, "Gu Wentian, I don't mean to disturb you, I just came to see Lin Tianhu!"

At this time, Lin Tianhu had already clenched his fists. As soon as Feng Sihai entered the door, he knew that Feng Sihai was here to find him!

Juyitang and the Red Dragon Gang are sworn enemies, and they are also sworn enemies, but no one can do anything to the other for the time being.

Normally, Lin Tianhu would bring many brothers with him to gatherings, but this time around Gu Wentian's situation, Lin Tianhu was a little careless and did not bring his men. Another reason is that Chen Ping is here, so Lin Tianhu can rest assured!

Chapter: 84

Feng Sihai must have gotten the news and came here with his people. As long as Lin Tianhu is killed, Juyi Hall will be leaderless and will soon be annexed by the Red Dragon Gang.

"I don't care who you look for, but can you just break into my banquet?"

Gu Wentian asked with a cold face.

"Gu Gu, I told you, I just wanted to settle a score with Lin Tianhu, so I broke in out of necessity!"

Feng Sihai said in a respectful tone.

"Bastard!" Gu Wentian slammed the table: "Are you trying to go against me?"

"Gu Gu, I don't want to go against you, but I don't want to let Lin Tianhu go either. This kind of opportunity comes once in a lifetime. Besides, Gu Gu only invited Lin Tianhu to such an important banquet, but not me, Feng Sihai. This is obviously because he doesn't like me, Chi Long. Help?"

Feng Sihai said neither humble nor arrogantly, obviously he was very upset about Gu Wentian not inviting him!

The reason why Gu Wentian didn't invite Feng Sihai at that time was because the enmity between him and Lin Tianhu was too deep and it was not convenient to come!

"Feng Sihai, are you..."

When Gu Wentian saw that Feng Sihai was not showing any respect, his face turned red with anger.

But before he finished speaking, Lin Tianhu stood up and said: "A man is responsible for his own work. Since you are here for me, let's compete!"

After Lin Tianhu finished speaking, he immediately took up his stance and was ready to respond to Feng Sihai's attack at any time!

"If you dare, then I will kill you today and take your Juyi Hall into my pocket!"

Feng Sihai said, striding towards Lin Tianhu.

"presumptuous!"

Gu Wentian slapped the table hard, his whole body filled with anger!

Everyone present was frightened by Gu Wentian's anger. Tang Long, who was beside Gu Wentian, saw that Gu Wentian was angry. He jumped up and landed steadily in front of Lin Tianhu!

“Feng Sihai, you don’t even give me the ancient face, you are looking for death!”

Tang Long’s body burst out with a strong fighting spirit, and the bones on his body were crackling!

Feng Sihai stopped attacking and looked at Tang Long with a frown: “Tang Long, if we fight to the death today, you may not be able to defeat me, not to mention I still have dozens of subordinates!”

“Hmph, you won’t know until you try whether you can win!”

Tang Long snorted coldly and immediately got into a posture!

“Gu Gu, I originally didn’t want to be your enemy, but you keep pushing me, and we, the Red Dragon Gang, are not easy to mess with. At worst, we will fight to the death, and no one here will be able to walk out alive!”

Chapter: 85

Feng Sihai’s eyes flashed with cold light, and it seemed that he had already been prepared to fight hard!

Gu Wentian’s face was red, and his whole body was slightly trembling with anger from Feng Sihai. No one in Hongcheng refused to give him face, but today Feng Sihai made him lose face!

However, looking at the dozens of murderous men behind Feng Sihai, Gu Wentian was also a little embarrassed. Feng Sihai had come prepared. If there was going to be a stalemate, things would really not be easy to handle!

“Gu Gu, let me and Feng Sihai come to an end today and leave all of you alone!”

Lin Tianhu saw that Gu Wentian was in trouble, and after finishing speaking, he took the initiative to attack Feng Sihai!

Lin Tianhu punched out with a roaring sound, extremely fast, and his power exploded to the extreme!

He knew that following Feng Sihai in his fight, he could not hold back even a single bit.

When Feng Sihai saw that Lin Tianhu actually took the initiative to attack, a sneer suddenly appeared on his face, and he faced Lin Tianhu's punch directly without dodging!

Bang.....

Lin Tianhu punched Feng Sihai hard on the chest, and a huge counterattack force made Lin Tianhu take three steps back. However, Feng Sihai did not move at all, and was not even injured at all!

Lin Tianhu's face was a little pale, and he looked at Feng Sihai with horrified eyes. At this time, Feng Sihai's strength had actually improved a lot!

"Hahaha, Lin Tianhu, this punch of yours is like tickling, don't stop, keep hitting?"

Feng Sihai raised his head and laughed, not taking Lin Tianhu seriously at all!

Lin Tianhu was also considered a hero, how could he withstand Feng Sihai's public humiliation and provocation.

After shouting angrily, he walked towards Feng Sihai again, but this time Lin Tianhu grabbed a solid wood stool!

Wow.....

The stool hit Feng Sihai hard and instantly shattered into pieces, but Feng Sihai still stood lightly and did not move!

“Lin Tianhu, I have mastered hard qigong. You can’t hurt me. Now it’s my turn!”

After Feng Sihai finished speaking, he kicked Lin Tianhu!

Lin Tianhu couldn’t dodge and was kicked out by Feng Sihai. A mouthful of blood spurted out and he fell to the ground. The severe pain made Lin Tianhu’s face look extremely hideous!

Seeing Lin Tianhu like that, Chen Ping frowned and was about to get up, but was stopped by Su Yuqi: “Don’t be so showy, this guy looks like he can fight well, you may not be his opponent!”

Su Yuqi was afraid that Chen Ping would not be able to defeat Feng Sihai and would be injured!

She still doesn’t know the relationship between Chen Ping and Lin Tianhu. No matter how powerful Feng Sihai is, Chen Ping will not just sit idly by!

Before Chen Ping could take action, Gu Wentian spoke first: “Tang Long, teach him a lesson!”

Chapter: 86

Tang Long nodded, clenched his fists, and rushed directly towards Feng Sihai!

Facing Tang Long’s attack, Feng Sihai was not so relaxed, and he did not dare to stand and let others hit him!

You must know that Tang Long’s punch was stronger than Lin Tianhu’s in terms of strength and speed. It had reached the extreme!

Feng Sihai turned sideways and dodged Tang Long's punch. After dodging Tang Long, Feng Sihai did not take action. Instead, he looked at Gu Wentian and said, "Gu, I said I don't want to be your enemy. Are you really?" Do you want to force me?"

Gu Wentian's face was gloomy and he didn't speak!

But Tang Long was dodged so easily by Feng Sihai. He suddenly felt that his face was completely lost, and he said angrily: "Stop talking nonsense, take the move!"

Tang Long swung his fist back and punched directly towards Feng Sihai. If this punch had hit, all his brains would have been knocked out!

Feng Sihai's eyes narrowed, and his face became angry: "If that's the case, then I won't be polite!"

After saying that, Feng Sihai grabbed Tang Long's wrist with a grappling hand, and then swung towards Tang Long with a left hook!

Tang Long was startled. He tilted his head slightly to the side, and then kicked out, trying to force Feng Sihai back!

But Feng Sihai didn't hide, and allowed Tang Long to kick him in the chest. The huge repulsive force caused Tang Long's body to be blown away!

Tang Long managed to stabilize his figure, but looking at the surprised expressions of everyone around him, he suddenly became furious and said: "Feng Sihai, we must fight to the death today!"

With that said, Tang Long rushed towards Feng Sihai again!

“Stop!” Just as Tang Long was rushing towards Feng Sihai, a figure suddenly appeared in front of Tang Long and stopped him directly!

“You are no match for him, and there is no point in fighting. Let me do it!”

Chen Ping stopped Tang Long and said.

Tang Long suddenly felt humiliated and said sternly: “Go away, with your physique, I’m afraid I’ll kill you with one punch!”

At this time, Tang Long had long lost his mind and even swore rudely to Chen Ping. He had forgotten Chen Ping’s identity, an existence that even Gu Wentian respected!

However, Tang Long had never seen Chen Ping’s ability, so in his heart, he didn’t have much respect for Chen Ping, it was just because of Gu Wentian’s face.

The way of martial arts is gradually progressing. Chen Ping is only a young man in his early twenties. How powerful can he be even if he practices martial arts from his mother’s womb?

“Shut up, you bastard, how dare you disrespect Mr. Chen?”

When Gu Wentian saw that Tang Long actually spoke rudely to Chen Ping, he immediately scolded him!

You must know that Gu Wentian rarely lectured Tang Long, and never regarded Tang Long as a servant. But today, Tang Long actually talked about Chen Ping. How dare Gu Wentian let him have his way!

Tang Long shut his mouth, but he didn't have much respect for Chen Ping in his eyes. He was afraid of Gu Wentian, not Chen Ping!

Chapter: 87

At this time, Su Yuqi also came up, pulling Chen Ping and saying: "Stop showing off, don't you see that even Lin Tianhu and Tang Long are not opponents? You are just a medical student, don't get involved!"

Su Yuqi thought that Chen Ping only knew medical skills and nothing else!

"Today is such a suitable occasion. I should show my best performance. Otherwise, how can I, a poor boy, be worthy of a rich lady like you!"

When Su Yuqi heard this, her face suddenly became shy. This was the first time Chen Ping said such words in public!

Doesn't this mean confessing to her?

"I don't care what you are like, I just won't let you take risks!"

Su Yuqi held Chen Ping's arm to prevent Chen Ping from making a move!

"Quickly step back, fists and feet have no eyes, this is not the time for you to show off!"

Seeing that Chen Ping came up just to show off, Tang Long said with disdain.

After saying that, Tang Long jumped up again and attacked Feng Sihai!

"Hey, I told you that you are no match, but you still go up and get beaten. How stubborn!"

Chen Ping shook his head helplessly!

“Stop talking and go back!”

Su Yuqi took Chen Ping and sat back down again!

Tang Long jumped up this time, but as soon as he came forward, he was kicked in the chest by Feng Sihai, and blood spilled out of the corner of his mouth!

Gu Wentian and everyone present looked at this scene, and they were all shocked.

Tang Long's own face was also burning. He could clearly feel that Feng Sihai did not use all his strength, but as Gu Wentian's personal bodyguard and in front of so many people, Tang Long's face really had no place to rest. , now he would rather be beaten to death by Feng Sihai than admit defeat!

You must know that martial arts practitioners regard their face as more important than their lives. If he surrenders today, Tang Long's reputation will be ruined in the future. He is afraid that he will no longer be able to hang out in the circle in the future. Gu Wentian probably won't be here either. Use him!

“Feng Sihai, use all your strength. I can die today, but I can never be defeated!”

After Tang Long finished speaking, his face turned red and his body began to slowly swell!

“Storm Fist.....”

Tang Long shouted loudly, and his bulging body seemed to be deflated in an instant. He recovered as before, but Tang Long's body rushed out like a cannonball!

Feng Sihai frowned: "It seems you won't give up until you show off your ultimate move!"

Feng Sihai squatted down slightly, and cracks appeared on the marble floor under his feet, but Feng Sihai's clothes moved automatically without any wind.

Chapter: 88

"I'll fight you!"

Tang Long's eyes began to turn a little scarlet, and he punched Feng Sihai hard!

Bang.....

The huge noise was like thunder in the sky, causing everyone to cover their ears!

Feng Sihai didn't move, not even swaying, let alone being injured!

Tang Long was stunned for a moment, but then a rain of fists fell on Feng Sihai!

Bang bang bang.....

"Almost!" After Feng Sihai finished speaking, he punched out!

Bang.....

The two fists collided, and Tang Long's body instantly flew backwards, hitting the ground hard, and he couldn't get up for a while!

"this....."

At this time, everyone was dumbfounded, and Gu Wentian also opened his mouth in shock!

Lin Tianhu's body trembled slightly. He did not expect that Feng Sihai's strength was so strong. Lin Tianhu, who was trembling in his heart, secretly turned his attention to Chen Ping. Now he was afraid that only Chen Ping could suppress Feng Sihai!

Tang Long, who fell to the ground, tried hard to get up, but failed after trying twice!

"You...who did you learn your hard qigong from?"

Tang Long asked in shock.

"Ye Fengchun, do you know him?"

Feng Sihai stood up straight and said.

Hearing this name, Tang Long's face suddenly changed and he seemed very scared, and Lin Tianhu's body was shaking like a sieve!

Obviously, they both knew this person, and he was very powerful!

However, others did not react at all, as they seemed very unfamiliar with this name!

"Ye... who are you, Master Ye?"

Tang Long asked.

“That’s my master, I learned this hard Qigong from him!”

Chapter: 89

As soon as Feng Sihai finished speaking, Tang Long suddenly looked depressed. He sighed, shook his head slightly and said, “No wonder I am not your opponent. It turns out that you have already become a disciple of Master Ye. I give up!”

Tang Long actually gave up. He was about to fight all his life, but he gave up when he heard the three words Ye Fengchun!

Chen Ping frowned slightly, looked at Lin Tianhu and said, “Who is this Ye Fengchun?”

“Mr. Chen, Ye Fengchun is an ancient martial arts master with very strong internal strength. No one knows his true strength. I heard that now Master Ye can pick leaves and hurt people!”

When Lin Tianhu talked about Ye Fengchun, his heart was still filled with lingering fear!

“Pickling leaves hurts people?” Chen Ping smiled slightly: “Is that so?”

Chen Ping said, picked up a toothpick, flicked it with his finger, and the toothpick instantly shot towards Feng Sihai!

Feng Sihai had no time to react and was instantly hit by a toothpick on his arm. Only a small section of the entire toothpick was still exposed!

“Who is it? Who attacked me?”

Feng Sihai pulled out the toothpick fiercely and roared loudly!

However, deep in Feng Sihai's eyes, there is a trace of fear. Although his hard Qigong is not invulnerable, ordinary people may not be able to break through his hard Qigong even with sharp weapons!

But now a small toothpick actually pierced his arm directly, which surprised Feng Sihai. He didn't expect that there were masters hiding among these people!

Everyone looked at each other, no one knew who had done it!

Only Lin Tianhu looked at Chen Ping in surprise, his eyes full of admiration!

"it's me....."

Chen Ping takes a step forward!

"You?" Feng Sihai looked at Chen Ping and frowned slightly!

Chen Ping is only in his early twenties. How can a young man have such strength?

"Chen Ping, you...stop showing off, it's not him..."

Su Yuqi was shocked and hurriedly wanted to pull Chen Ping back!

"Miss Su, Mr. Chen will be fine, you don't have to panic!"

Lin Tianhu stopped Su Yuqi!

“Boy, you have to pay the price with your life for showing off. Are you going to stand up for Lin Tianhu?”

Feng Sihai asked coldly.

Chapter: 90

“Stop talking nonsense, if you want to take action, hurry up, I’m very busy!”

Chen Pingping said expressionlessly.

At this time, Chen Ping began to have a faint layer of mist all over his body. If you didn’t look carefully, you wouldn’t be able to spot it!

This is the surrounding spiritual energy gathering, and then forming a hard protection around Chen Ping!

Except for Su Yuqi who was desperately shouting for Chen Ping to come back, no one was trying to dissuade Chen Ping!

These people all want to see if Chen Ping is really capable enough to have Gu Wentian respect him so much!

“court death!”

A cold light flashed in Feng Sihai’s eyes, and he rushed towards Chen Ping in an instant!

Feng Sihai was very fast, like a bolt of lightning, he instantly arrived in front of Chen Ping, and then swung his fist as big as a sandbag towards Chen Ping!

At this time, Chen Ping looked at Feng Sihai calmly. Facing that swift and violent punch, Chen Ping seemed not to have heard it!

“Ah...” Su Yuqi saw this and screamed: “No!”

But Feng Sihai didn't stop at all and punched Chen Ping hard in the chest!

Bang.....

This punch has a force of hundreds of kilograms. Even a horse will be killed by this punch!

But a strange scene was discovered. Chen Ping's body, which was only over 100 kilograms, did not move at all under this punch, but Feng Sihai's arm bent strangely!

The huge force of the shock caused Feng Sihai's arm to be broken off, and his thick bones penetrated his skin and were exposed!

“ah.....”

Feng Sihai wailed in pain, looking at his broken arm with disbelief on his face!

“You...you know how to do Qigong?”

Feng Sihai asked with a twisted face.

“I know a little bit, it's just a superficial knowledge!”

Chen Ping sneered!

However, no one would believe what Chen Ping said. How could the hard Qigong that even Feng Sihai couldn't defeat be superficial?

Su Yuqi opened her mouth wide, and her eyes were full of surprise when she saw that Chen Ping was fine. At this moment, Chen Ping looked much taller in her eyes, and the love in her heart increased even more!
