

## **The Order 811**

Chapter: 811

Seeing this, Xu Shimao gritted his teeth, endured the severe pain, and punched Qian Feng!

Qian Feng took Xu Shimao aside with a casual slap, and watched helplessly as Qian Feng caught Shen Mengchen!

“Asshole, let me go, let me go...”

Shen Mengchen struggled desperately, but to no avail!

“Little Junior Sister, don’t worry, I won’t hurt you, as long as you are obedient...”

Qian Feng said, reaching out to tear off Shen Mengchen’s clothes.

He wanted to take some photos and send them to Shen Dianshan, so that Shen Dianshan could be made to obey!

But just when Qian Feng was about to tear off Shen Mengchen’s clothes, he suddenly felt dizzy and let go of Shen Mengchen!

Shen Mengchen was so frightened that he hurried to Bai Zhantang’s side and looked at Qian Feng in horror.

“Senior sister, don’t be afraid. He was hit by my poisonous needle and won’t survive...”

When Bai Zhantang saw Qian Feng like that, he suddenly said excitedly!

It turns out that the hidden weapons Bai Zhantang just shot were just a cover. Among them was a poisonous needle as thin as a cow’s hair. If you don’t identify it carefully, you can’t see it at all. The other hidden weapons are just a cover-up!

This poisonous needle as thin as an ox's hair is Bai Zhantang's real killing move!

When several people heard this, they all looked surprised. Seeing Qian Feng swaying, they were all excited. Once Qian Feng died, they would be safe!

Soon, Qian Feng sat on the ground with his legs crossed and looked at Bai Zhantang with cold eyes: "You have forgotten that I am the adopted son of the Poison King of Miao Village. It's just a poisonous needle. How could it kill me? Wait for me. If you force the poison out, your life will be worse than death..."

After Qian Feng finished speaking, he took out a porcelain bottle from his body. When he opened it, there was a green bug inside, the size of a fingernail. Without any hesitation, he swallowed the bug in one gulp!

"This is a drug addict. Soon the poison in my body will be sucked out by it..."

Qian Feng closed his eyes slightly and sat motionless!

Now is the best time to take action against Qian Feng, but several people are all injured and have no ability to attack at all. And Shen Mengchen, an ordinary girl, is even less likely to hurt Qian Feng!

Now that the poisonous snake has blocked the road, they can't escape. They can only watch Qian Feng slowly get rid of the poison!

At the same time, inside the cold pool, Chen Ping sat at the bottom of the cold pool, motionless like an old monk in meditation. Countless poisonous insects bit Chen Ping's body, scrambling to inject the venom from their bodies into Chen Ping. in the body!

Soon, there was a large amount of venom in Chen Ping's body, but Chen Ping used the Heart Condensation Technique to begin to absorb the venom, converting it into spiritual power and storing it in his Dantian!

The poisonous insect that bit Chen Ping was quickly drained of the venom from Chen Ping's body, and then turned into a mummy and slowly floated to the surface of the water.

One, two...

Chapter: 812

Soon, there were fewer and fewer poisonous insects biting Chen Ping, and more and more corpses of poisonous insects floating on the pond water, densely covering the entire surface of the water!

The spiritual power in Chen Ping's body was growing rapidly, bursts of bubbles emerged from Chen Ping's body, and it was like a pot was boiling above the water!

Buzz.....

The water surface suddenly shook, and Chen Ping opened his eyes under the water. At this time, he had reached the peak of foundation building. These poisonous insects and the cold air in the cold pool completely absorbed Chen Ping into his body!

If someone touches the pool water at this time, they will find that the originally extremely cold pool water is not cold at all now, and there is still a trace of warmth!

At the same time, Qian Feng, who was using the poisonous insect to absorb toxins, opened his eyes at this time, opened his mouth suddenly, and the insect rushed out and got back into the small porcelain bottle!

"Weak, too weak, you still want to kill me with such a poisonous needle? What a joke..."

Qian Feng looked at Bai Zhantang and the others with a ferocious expression!

Seeing that Qian Feng was fine, several people suddenly felt despair, and there was no hope in their eyes!

"Don't you kneel down and beg me? Maybe I will be merciful and let you go!"

Qian Feng glanced at everyone and asked.

But no one begged for mercy, because they already knew that Qian Feng would not let them go, he was just humiliating them!

Seeing that no one begged for mercy, Qian Feng became a little angry and said with cold eyes: "Since no one begged for mercy, I will let you taste the poison, but my poison will not make you die immediately, it will make you suffer." Nineteen hours later, the body began to decay and die bit by bit!"

As Qian Feng spoke, he took out something like a sachet. After opening it, he took out a handful of powdery items and prepared to throw them at several people!

At this time, everyone was frightened. Shen Mengchen was so frightened that he cried, and the faces of others were also very ugly!

Just when everyone felt certain to die, suddenly there was a splash of water in the cold pool!

Then a huge water column rose into the sky, and there was a person sitting cross-legged on top of the water column!

"Mr. Chen, it's Mr. Chen..."

Bai Zhantang saw that the person sitting on the water column turned out to be Chen Ping.

At this time, two cold rays of light shot out from Chen Ping's eyes, making Qian Feng tremble all over!

Qian Feng turned around. When he saw Chen Ping rushing out from the bottom of the pool, he was completely stunned!

When others saw that Chen Ping was still alive, they all became excited.

“Impossible, this is impossible, there are so many poisons, how can they not poison you...”

Qian Feng couldn't believe his eyes. There were so many poisons, not to mention a single person, even a group of elephants could be poisoned. How could Chen Ping be fine?

Chapter: 813

“Speaking of which, I would like to thank you for the poison!”

Chen Ping's body floated down and he smiled coldly at Qian Feng!

Qian Feng looked around and realized that all the poisonous insects on the entire water surface were dead and floating on it, a dense black mass!

“Ah...I'm going to kill you, this is what I have trained for many years!”

Seeing that all his beloved poisons were dead, Qian Feng completely lost his mind and punched Chen Ping hard!

Chen Ping snorted coldly, and his body disappeared. Then before Qian Feng could react, he punched Qian Feng in the chest!

Qian Feng had no time to react. He was thrown up like a kite with its string broken. Chen Ping jumped up and flew towards Qian Feng in mid-air, followed by another punch!

Every time a punch hit Qian Feng's body, Qian Feng's body would rise a certain distance. Only when it was more than twenty meters above the ground did Chen Ping's body fall down!

Qian Feng's body fell at a free speed, making a big hole in the ground, and the mask on his face fell in half!

Under the mask, there was an extremely ferocious and terrifying face, like a ghost, which scared Shen Mengchen to the point of screaming!

Qian Feng spurted blood from his mouth and tried to get up, but he couldn't get up at all. He looked at Chen Ping with horrified eyes, full of disbelief. He found that Chen Ping's strength suddenly increased a lot, giving him the strength to fight back. nothing!

"Is this your best strength?" Chen Ping looked down at Qian Feng and said!

"Chen Ping, you... you can't kill me, otherwise my adoptive father will never let you go. If you let me go, I can hand over Xuanyue Valley, or I can give you everything in Xuanyue Valley... .."

Qian Feng gritted his teeth and said!

"You are really shameless. This Xuanyue Valley is not yours in the first place. What will happen if you hand it over? Besides, if I kill you, Xuanyue Valley still belongs to me?"

Chen Ping sneered!

Qian Feng was stunned, and his terrifying face became even more ferocious: "If you kill me, you will make the entire Miao village an enemy..."

"What if we are enemies of the Miao Village? I hope they can come to me for revenge. In that case, I will have a reason to get all the poisons in the Miao Village..."

Thinking that those poisons could also increase his cultivation, Chen Ping wished that the people from the Miao Village would come as soon as possible!

"You..." Qian Feng was so angry that he vomited blood and couldn't say a word!

Chen Ping stepped down and crushed Qian Feng's head!

Seeing Chen Ping kill Qian Feng so easily, Bai Zhantang and the others were all shocked!

“You guys can’t die, can you?”

Chen Ping glanced at Bai Zhantang and the others and asked.

Chapter: 814

Several people all shook their heads. Although they were all injured, they were not fatal!

“That’s good, follow me in and see if there’s anything good...”

Chen Ping jumped onto a small boat, and several other people helped him get up and got on the boat!

Looking at the corpses densely covered with poison in the water, several people’s scalps went numb!

Soon the boat reached the other side. The other people in Xuanyue Valley had already knelt on the ground and resigned. They watched Chen Ping kill Qian Feng with their own eyes. Who dared to resist? And the reason why they listened to Qian Feng was, It’s just that he is controlled by the Gu, and he can’t help it!

“Mr. Chen, I hope you can bypass them. These are also the old subordinates of Lord Shen. They are just controlled by Qian Feng using Gu insects. They have no choice but to do so!”

The great elder begged Chen Ping for mercy!

Chen Ping glanced at the people in Xuanyue Valley, and suddenly waved his hand, and a faint red light instantly enveloped these people.

Soon, all of these people’s expressions became painful, and then each of them grabbed their own throats ferociously!

“Mr. Chen.....”

The great elder thought that Chen Ping was going to kill him!

But before they finished speaking, they saw each of these people retching, and then all the Gu worms were vomited out, and then fled in all directions!

When the great elder saw this, he realized that Chen Ping was just getting rid of the poisonous bugs for the people of Xuanyue Valley!

“Thank you Mr. Chen...”

Those people in Xuanyue Valley all followed Chen Ping to say thank you!

Chen Ping nodded, and then walked towards the hall of Xuanyue Valley Base Camp. When he saw the clay pot on the table, Chen Ping raised the corner of his mouth slightly, walked over and put his hand in!

The Gu insects inside bit at Chen Ping’s hand, but they all died soon!

“Does Xuanyue Valley have any elixirs or herbs?”

Chen Ping asked the great elder.

“Yes, we still have some Juyuan Pills and some medicinal materials in Xuanyue Valley, but most of them have been transported away by Qian Feng, probably to the Miao Village!”

The great elder said.

“Put all these things together and no one is allowed to touch them. I’m useful!”

Chen Ping said to the great elder!

The great elder nodded repeatedly and did not dare to ask any more questions. Now they will do whatever Chen Ping says!

Chapter: 815

It was already dark when Chen Ping returned to Shen's house with Bai Zhantang and Shen Mengchen. Xu Shimao dragged his seriously injured body back to Kyoto by car. This trip to the southwest made Xu Shimao deeply touched. I'm afraid my temper may change!

"Dad, do you think there is anything else you are hiding from me?"

As soon as he returned home, Shen Mengchen yelled at Shen Dianshan!

Seeing Shen Mengchen asking herself this question, Shen Dianshan knew that she already knew about Xuanyue Valley, so she could only sigh and said: "Daughter, I will explain it to you after the incident. I had to talk to Mr. Chen in advance..."

Chen Ping winked at Bai Zhantang, and Bai Zhantang hurriedly pulled Shen Mengchen away!

"Mr. Chen, did Qian Feng kill him?"

Shen Dianshan asked.

"They are already dead. The four elders and some people from Xuanyue Valley. I have eliminated the poisonous insects in their bodies and returned to freedom. If you still want to be the master of Xuanyue Valley, you can still give orders..."

Chen Ping said calmly.

"Me?" Shen Dianshan smiled bitterly: "I can live for five days at most, so why should I be the owner of the valley? She is my daughter. What will happen to her after I die? I know that although Mr. Chen is very lucky, he has not yet had a wife. , I don't know about my daughter..."

Chen Ping quickly stretched out his hand to stop Shen Dianshan from continuing: "I already have a girlfriend. Besides, you can tell who your daughter likes..."

Shen Dianshan sighed helplessly: "They will never get together after all..."

Shen Dianshan shook his head, and then continued: "Mr. Chen, I hope you can stay here for a few more days. I want to give Xuanyue Valley to my daughter, and I hope you can help her!"

"No problem, I can let Bai Zhantang stay a little longer. In addition to helping Miss Shen, the two of us can also increase our relationship!"

Chen Ping laughed!

Shen Dianshan smiled and said nothing!

The next day, Chen Ping and Bai Zhantang accompanied Shen Dianshan and Shen Mengchen to Xuanyue Valley!

Shen Dianshan is very excited to return to the place he built after several years!

Chen Ping used the elixirs and medicinal materials in Xuanyue Valley to start practicing. He has now reached the peak of foundation building and is almost able to break through to the bigu realm!

Shen Dianshan taught Shen Mengchen, and Bai Zhantang also helped take care of it!

Five days later, Shen Dianshan passed away as expected. Shen Mengchen begged Chen Ping and wanted Chen Ping to save Shen Dianshan. In Shen Mengchen's eyes, Chen Ping was an immortal!

But Chen Ping is not an immortal yet. Even if he is an immortal, it is difficult for him to have the ability to change his destiny against the will of heaven. Shen Dianshan's life is over, and Chen Ping cannot save him!

After burying Shen Dianshan, Chen Ping asked Bai Zhantang to stay for some time to help Shen Mengchen and comfort her. After all, he had just lost his father, and he himself was on a plane flying back to Hongcheng!

The flight ticket was booked by Bai Zhantang in first class. This was Chen Ping's first time flying in first class!

Chapter: 816

After taking the ticket and finding his seat, Chen Ping sat on a comfortable seat with his eyes slightly closed, waiting for the plane to take off!

At this time, two young people walked into the first class cabin. One man and one woman were dressed very fashionably. The woman had an oval face and wore sunglasses. After looking at her ticket, she sat next to Chen Ping!

The boy's seat was in front of Chen Ping. After the girl sat down, she glanced at Chen Ping, frowned slightly, and showed disgust in her eyes!

The girl looked at the boy who came with her and said, "Brother Liang, I don't want to be next to this guy. He looks like a country bumpkin at first glance and he stinks so much..."

The boy hurriedly winked at the girl: "Be patient for a moment. When the plane takes off, I will change places with him!"

Boys don't want to cause trouble. After all, someone who can afford to fly first class must be extraordinary!

The girl pursed her lips and looked unhappy: "Okay, but you have to check quickly to see if there are still tickets for Song Tie's concert. I don't want to go all the way in vain..."

"Okay, okay, my dad has a friend in Hongcheng. He is very awesome. His name seems to be Lin Tianhu. I heard that when he stamps his feet in Hongcheng, the whole Hongcheng will tremble.

"The boy hurriedly boasted!

“Then you contact him quickly and give us two front row tickets. I like Song Tie the most, but I just don’t understand why the concert is held in a city as small as Hongcheng this time?”

The girl looked confused!

“Okay, I’ll contact you first, you sit down and wait...” The boy nodded!

Chen Ping kept listening with his eyes slightly closed. When he heard that Song Tie went to Hongcheng to hold a concert, Chen Ping suddenly felt that this matter might have something to do with him!

“Is it possible that Song Tie knows that he is from Hongcheng, so he went to Hongcheng to hold a concert?”

Chen Ping frowned slightly. If that was the case, then Song Tie would definitely come to him. How would he explain to Su Yuqi then?

Now there is Gu Ling’er who stimulates himself from time to time, and Chen Ping can’t stand it anymore. If Song Tie comes again, Chen Ping feels like he is going to collapse.

“Young man, young man.....”

Just when Chen Ping was thinking wildly, suddenly a middle-aged woman patted Chen Ping on the shoulder!

Chen Ping hurriedly opened his eyes and said, “Auntie, is something wrong?”

“Oh, I just want to ask you. I heard that the first-class air ticket is 20% off this time. Is yours discounted?”

The middle-aged woman asked politely.

“Auntie, I’m sorry, I don’t know. A friend bought this ticket for me, and it’s my first time!”

Chen Ping said quickly.

“Oh!” The middle-aged woman said nothing more and sat back in her seat!

Chapter: 817

When the young boy heard that Chen Ping’s ticket was bought by a friend, and it was Chen Ping’s first time flying, disdain suddenly flashed in his eyes, and his arrogant attitude instantly appeared.

“Brother, give up your seat. You go and sit in the front. I want to sit next to my girlfriend...”

The boy said to Chen Ping with a proud look on his face.

Chen Ping just glanced at the boy, ignored him, and lay down on the seat with his eyes slightly closed!

Seeing Chen Ping ignoring him, the boy immediately became angry: “Brother, didn’t you hear what I said? I asked you to move your seat, don’t make me unhappy!”

Chen Ping still ignored him and didn’t even look at the boy!

“Damn...” The boy cursed and reached out to grab Chen Ping’s collar, but before his hand could touch Chen Ping, Chen Ping suddenly opened his eyes and grabbed the boy’s wrist!

Chen Ping’s hand was like a vise, tightly holding the boy’s wrist. The huge force made the boy break out in cold sweat and wailed loudly!

“It hurts... it hurts... let go of me...”

The boy was wailing. When the girl saw this, she immediately yelled at Chen Ping: “You country bumpkin, let Brother Liang go quickly...”

Chen Ping turned to look at the girl. His stern eyes made the girl shut her mouth instantly!

However, Chen Ping didn’t exert any force, but let go of his hand, otherwise the boy’s hand would be useless!

Seeing this, the girl hurriedly stood up and helped the boy rub his wrist.

“Boy, if you have the guts, I’ll wait until I get to Hongcheng to find something good for you!”

The boy gritted his teeth and threatened Chen Ping, but he did not dare to force Chen Ping to change seats!

“Brother Liang, are you okay?” the girl asked with concern.

“It’s okay. I didn’t expect this country bumpkin to be quite strong. When you get off the plane, I will let you taste my power...”

The boy said with an annoyed look!

Soon, the plane took off, and more than three hours later, the plane landed steadily at Hongcheng Airport!

Chen Ping also had no luggage, so he got up and walked off the plane, while the young man and woman followed Chen Ping closely, for fear of embarrassing Chen Ping!

“I have already sent a message to Lin Tianhu. I must break this kid’s legs today!”

The boy looked at Chen Ping’s back in front of him and said through gritted teeth.

“How about the tickets?” the girl asked hurriedly.

“No problem, within the first twenty rows!”

Chapter: 818

The boy said proudly.

“Brother Liang, you are amazing, I love you so much...”

The girl kissed the boy on the face!

Walking out of the airport, Lin Tianhu was waiting for Chen Ping at the exit. Chen Ping had already informed Lin Tianhu before departure!

“Mr. Chen.....”

Seeing Chen Ping coming out, Lin Tianhu hurriedly greeted him!

Chen Ping glanced at Lin Tianhu and nodded slightly: “Yes, my strength has improved a lot in the past few days!”

Lin Tianhu smiled: “It all depends on Mr. Chen’s guidance!”

“Let’s go!” Chen Ping said and was about to get in the car!

Lin Tianhu looked embarrassed for a while. Chen Ping was stunned for a moment, then immediately remembered something, and then asked Lin Tianhu: “Are you still waiting for someone else?”

“Mr. Chen, to tell you the truth, I have an old friend I haven’t seen for many years. His son came to Hongcheng to watch a concert, and he asked me to take care of him!”

Lin Tianhu said helplessly.

Chen Ping thought of the man and woman he met on the plane, and also remembered that the boy mentioned Lin Tianhu’s name, so he nodded and said, “In that case, let’s wait a while!”

At this time, the man and woman also walked out of the airport. The two of them walked in a hurry, as if they were chasing someone!

“Brother Liang, why did that guy disappear in the blink of an eye?” the girl said a little unhappy!

“Don’t worry, he can’t run away. As long as he is in Hongcheng, I can find him!”

The boy took out his mobile phone, then looked at a photo on it, and started looking for it at the airport exit. Lin Tianhu was in the photo.

Soon, the boy discovered Lin Tianhu’s location and hurriedly pulled the girl and ran over!

“Uncle Lin, I am Zhang Liang...”

The boy walked up to Lin Tianhu and hurriedly introduced himself!

He hadn’t noticed Chen Ping who was already in the car, but the girl saw it at a glance.

At this time, the car window seemed to open, and half of Chen Ping’s face was exposed!

“Brother Liang, it’s him...he’s here...”

The girl said excitedly to Zhang Liang.

Chapter: 819

Zhang Liang looked in the direction of the girl's finger and saw Chen Ping sitting in the car. He immediately stared: "Uncle Lin, this guy just bullied me on the plane. Look, my wrist is still red!"

Zhang Liang hurriedly showed Lin Tianhu his red wrist!

"Boy, aren't you awesome? I'll look good with you soon..."

The girl also sneered at Chen Ping.

Chen Ping ignored them, but looked at Lin Tianhu and said, "Is this the person you are waiting for?"

Lin Tianhu suddenly broke out in cold sweat on his forehead, and slapped Zhang Liang hard: "What the hell are you talking about? Mr. Chen, can you give me some pointers?"

Zhang Liang was stunned with a slap, and he looked at Lin Tianhu in disbelief, while Lin Tianhu said to Chen Ping: "Mr. Chen, I really don't know that this guy offended you, his father and I just nodded. I'll send people to throw the two of them into the river right now..."

Lin Tianhu's words suddenly frightened both of them, and the girl started crying!

"Forget it, let them go back wherever they came from!"

Chen Ping waved his hand and raised the car window!

"You two are lucky today, hurry up and buy a plane ticket and go back..."

After Lin Tianhu finished speaking, he got in the car and drove away!

The young man and woman were left standing at the airport exit in a daze, watching the cars go further and further away like fools...

.....

Villa on the top of Panlong Mountain!

Su Yuqi was busy in the kitchen, and the whole kitchen was full of smoke.

"I told you to stop being so busy. The house is filled with the smell of cooking fumes. We've only been apart for a few days. Come back when you get back!"

Gu Ling'er covered her nose and persuaded Su Yuqi!

"That won't work. I must learn to cook and be a good wife and mother, otherwise Chen Ping will be snatched away. I'm already starting to feel a sense of crisis!"

Su Yuqi refused to listen and was still busy in the kitchen!

Hearing Su Yuqi's words, Gu Ling'er didn't know why, but her face turned slightly red: "I won't steal your Chen Ping..."

"Oh, I didn't mention you. If you like him, why don't you force yourself? We can just be together. Then we won't make that guy Chen Ping die..."

Su Yuqi was joking with Gu Linger!

Gu Ling'er's heart was beating wildly. She couldn't figure out why Su Yuqi's heart beat faster every time she said this. She even actually had this idea!

Chapter: 820

“Gu Ling’er, what are you thinking about?” Gu Ling’er hurriedly yelled at herself, calmed down her mind, and ignored Su Yuqi, and went to the sofa to watch TV!

Soon, Su Yuqi sat down with a table full of dishes. Although they were not all delicious and delicious, they were at least cooked.

Just when Su Yuqi finished her work, Lin Tianhu came back with Chen Ping!

As soon as he entered the door and looked at the somewhat smoky living room, Chen Ping knew what was going on without having to guess.

“Chen Ping, you are back, look at the food I cooked for you...”

Seeing Chen Ping back, Su Yuqi said with a sense of accomplishment.

“Well, it smells so good. I feel hungry when I smell this fragrance...”

Chen Ping took a deep breath and said intoxicatedly.

“Really? Then sit down quickly!” Su Yuqi hurriedly asked Chen Ping to sit down, and then said to Gu Ling’er and Lin Tianhu: “You two come over and eat together!”

“No, no, no...” Lin Tianhu was so frightened that he waved his hands hurriedly: “Chifeng has already cooked the food, waiting for me to go back to eat!”

When Chen Ping heard this, he looked playful and said: “Lin Tianhu, you can do it, we will live together with Chi Feng!”

Lin Tianhu’s face turned red: “We are already this old, it’s almost enough!”

“I think you two might as well just live together. You two have already established a relationship. Why are you pretending...”

Gu Linger said to Chen Ping and Su Yuqi.

“That’s not possible, I want to save the most precious thing for the wedding night!”

Su Yuqi shook her head hurriedly.

“You can keep it, I’m afraid some girls won’t keep it, and you will regret it then...”

Gu Linger gave a naughty smile!

Su Yuqi was stunned for a moment, then looked at Chen Ping. Chen Ping glared at Gu Ling’er and then smiled at Su Yuqi: “Don’t worry, I’m not that kind of person!”

“I’m sorry you don’t dare to...”

Su Yuqi smiled proudly!

Lin Tianhu left, and Gu Ling’er originally wanted to leave too. She really couldn’t eat the food cooked by Su Yuqi, but just after taking two steps, Su Yuqi pulled her back. She had to taste the food she cooked!

Gu Ling’er could only sit down with a look of helplessness. Chen Ping ate happily and praised Su Yuqi’s craftsmanship while eating. This made Su Yuqi very happy!

Seeing Su Yuqi looking at her, Gu Ling’er could only reluctantly pick up the chopsticks and eat bit by bit!
