

The Order 8111

Chapter: 8111

“Ancestor, ancestor, save me, you are here!”

After Wen Nanxing saw Wen Haotian, his eyes lit up in an instant and he shouted loudly!

“My ancestor is here, you just wait to die...”

“Hahaha.....”

Asked Nanxing with a hideous smile, he would double the humiliation he had just received and return it!

“Shut up, I can’t save you!”

“Haotian said lightly!

Asked Nanxing for a moment, his face was unbelievable and said, “Ancestor, why is this?”

“Because I am not his opponent!”

Ask Haotian to look at Mr. Shi!

“You are quite self-aware...” Mr. Shi smiled at Wen Haotian!

“If you give me a period of time, and the great array of heaven and earth is opening, it might be possible for the deer to die.”

“Unfortunately, the time has not come yet, I can only continue to wait!”

After asking Haotian, his figure slowly disappeared, and the bronze coffin disappeared with him!

Mr. Shi looked at it, but did not chase after it, and let that question Haotian leave!

“Mr. Shi, why don’t you chase?”

Chen Ping didn’t understand why Mr. Shi watched that question Haotian leave!

“Don’t chase the poor pirate, even if I catch up with him, now that the heavens and the earth are open, he can travel freely, and it’s useless!”

Mr. Shi shook his head and said!

Wen Nanxing looked at the disappearing Wen Haotian, and finally died, completely heartbroken!

Even Chen Ping took out his storage bag from him and asked Southbound without the slightest movement!

The heart is dead, and it’s no different to follow the ashes and smoke!

Looking at the storage bag that asked Southbound, Chen Ping smiled from ear to ear, it was blood money!

“Mr. Shi, can you heal this Senior Musha?”

Chapter: 8112

Chen Ping pointed to Musha, who was seriously injured and dying, and said!

Mr. Shi didn't speak, but with a gentle touch of his palm, Musha only felt that his body was full of strength, and his whole body jumped up in an instant!

Seeing that his body was completely healed, Musha was immediately excited, and then knelt down in front of Mr. Shi!

"I beg you to save my wife!"

Musha took out his wife's body!

Because it has been preserved all the time, Musha's wife is lifelike, and her body has not rotted at all!

"Mr. Shi, Senior Musha's wife has been dead for a thousand years. I wonder if you can save her?"

Chen Ping also followed Mr. Shi and said!

Mr. Shi looked at the corpse, frowned slightly and said, "I have been dead for a thousand years, I am afraid that I have already been reincarnated."

"I can only help to see, if the soul has not been reincarnated, I can summon her soul back from hell!"

After Mr. Shi finished speaking, he waved his palm on the corpse, and the world trembled in an instant, and a strange passage opened in front of everyone!

From that passage, there was a stern shout, as if from hell!

Everyone looked at this scene, all stunned, after all, they had never seen such a long sword, let alone heard such a stern voice!

These sounds are from the real hell!

Soon, a soul body slowly appeared in the passage, and Musha looked at the soul body in front of him, so excited that he couldn't speak!

This is his wife, the soul of his wife!

It was just a few breaths, and the person who had been dead for thousands of years slowly opened his eyes at this moment!

"Wife, wife..."

Musha rushed up and hugged his wife tightly!

"Husband, where are we?"

For Musha's wife, this thousand years is like sleeping!

Musha was speechless with excitement!

"There has been no reincarnation for a thousand years, they are true love!"

Mr. Shi looked at Mr. and Mrs. Musha with envy in his eyes!

Chapter: 8113

Chen Ping looked at Mr. Shi's eyes, so he leaned forward curiously and said, "Mr. Shi, do you...do you have a daughter-in-law?"

Mr. Shi glared at Chen Ping and said, "How can a person who cultivates be bound by emotions? That is called a double cultivation partner, a partner who is together for the purpose of increasing cultivation!"

"You guy, be merciful everywhere, and waste all your energy on women. No wonder your strength is progressing so slowly!"

"You have to take care of yourself in the future. How many women are there? It's not for that moment of coolness. When you ascend to the heavens, you will face more difficulties!"

"I'm leaving too. After I get to Elysea, I may not be able to help you at will. You have to rely on yourself!"

"Remember, you have to practice hard..."

After Mr. Shi finished speaking, his body slowly turned into thousands of white lights in front of everyone, and slowly dissipated!

"Mr. Shi....."

Chen Ping yelled, but there was no response!

Climbing the ninth floor of the ladder, the young man shouted towards a void: "Master, people are leaving, come out quickly!"

The old man slowly poked his head out of the void, his expression extremely nervous: "Disciple, are you really gone?"

"Really gone!"The boy nodded!

“Scared to death as a teacher.”The old man patted his chest, and then said, “Disciple, release the water, and continue to release the water to Chen Ping!””

“Master, the water is all over the golden mountains, how can I let it go?””The boy frowned slightly!

“Let you let it go, you can let it go, there is so much nonsense!”The old man slapped the young man on the head, and then disappeared!”

The boy pursed his mouth : “.....”

.....

Heaven and Man world!

Musha’s mood slowly calmed down, and he looked at Chen Ping very gratefully: “Mr. Chen, since I have promised you to serve for three hundred years, I will never break my promise.”

“I am now going to take my wife back to Elysea and let her slowly retrieve her lost memories!”

“When Mr. Chen arrives in Elysea, you can find me anytime if you have anything!”

“Senior Musha, take care!”Chen Ping nodded!

In this world of people, Chen Ping is already an invincible existence, so there is no need for Musha to help!

Musha nodded, took his wife into a golden light, and rushed straight into the sky!

Chapter: 8114

Looking at the departed Musha, Nan Baotian, Li Chunfeng, and Shen Zhiyan all showed envious expressions!

They were originally celestial immortals, but they were imprisoned in the ladder to the sky. Now that they have the opportunity to go back, of course they want to go back and have a look!

Chen Ping also saw the meaning of the three of them, so he said: "Three seniors, now in the human world, I am not in danger. You can also go back to the heavenly world. If I use the three, I am looking for the three seniors to help!"

Nan Baotian, Li Chunfeng, and Shen Zhiyan all glanced at each other. They knew that Chen Ping was deliberately letting them go!

The three of them knelt down to Chen Ping, and then said: "Mr. Chen is very gracious today. We will never forget it. When Mr. Chen needs it, I will definitely go through fire and water!"

Seeing this, Chen Ping was very moved, and was about to help the three of them up, and thank you a few words!

But as soon as the three of them spoke, they turned into a golden light and disappeared into the sky in an instant!

"Fuck....."

Chen Ping was speechless!

"Emperor Lin, I am also going to return to the heavens. Over the years, thanks to your care, I can't thank you enough!"

"One day, when you are also crowned in the heavens, I will accompany you to play chess and take you all over the immortal mountains of the heavens!"

Taoist Master Wuji looked at the people who had left, and he couldn't bear it anymore!

Trapped for thousands of years, who doesn't want to leave!

"Taoist master, if there is a coming day, I will definitely find you to play chess!" Lin Chong smiled slightly!

"Master....."

Lin Keting knew that Taoist Master Wuji was going back to the heavenly realm!

At this moment, I don't know how long I will be able to see you. After all, with Lin Keting's strength, if you want to ascend to the heavens, I'm afraid it will take a long time!

Lin Keting threw herself into the arms of Taoist Master Wuji, tears streaming uncontrollably!

"Silly boy, there is no endless banquet in the world, but the teacher has found you a good husband and son-in-law, and you are satisfied."

"You have to get pregnant with Chen Ping's child quickly, otherwise this kid's good bloodline will let other women take the lead!"

Taoist Master Wuji smiled!

"Master, what are you talking about..." Lin Keting blushed!

But when she still wanted to say something, she found that Taoist Master Wuji had turned into a golden light and left.

The immortals trapped in the heavens are still returning to the heavens at this moment!

Chapter: 8115

After thousands of years of waiting, everyone is anxious!

“Son-in-law, now you are not in danger. It’s time for our five old guys to go back to their homes and practice slowly.”

The lord of the Northern Territory stepped forward and said to Chen Ping!

“Thank you for your help. Chen Ping has nothing to repay, but in the end, I would like to ask the five Lord lords to do me a favor!”

Chen Ping said!

“They are all a family, what do you need to help, just say it!”The Lord of the Western Regions said hurriedly!

He has been scared to pee twice by Mr. Shi. Now he will help whatever Chen Ping says. He doesn’t want to be the result of becoming the patriarch of the Burning Sect!

“Most of the Fire Burning Sect has been destroyed. I hope that the five domain masters can go to the Fire Burning Sect and rescue the master of the refining sect who is trapped in the Fire Burning Sect.”

“In addition, the resources of the Fire Burning Sect can be allocated by the five domain masters at will!”

Chen Ping said!

“No problem!”The Lord of the Western Regions nodded, and then ran away!”

There are only a few small Karami left in the Fire Burning Sect, but there will definitely be a lot of resources in the fire Burning Sect, so those who go first have to take advantage!

“Fuck, don’t talk about martial arts...”

Several other domain owners saw this, and they all chased after each other!

“Mr. Chen, will you continue to climb the ladder, or will you go back to Sun Moon City to rest for a while?”

Lin Chong asked Chen Ping!

“You guys go back first, I’m going to break through a few floors and climb the ladder to experience it.” Chen Ping said!

“Okay” Lin Chong nodded!

.....

Climb to the fifth floor of the ladder!

Ning Zhi and Su Yuqi were sitting on the ground. In front of them, an old man was wearing a black robe, his hair and beard were white, and his face was wrinkled!

This is the guardian of the fifth floor. Ning Zhi and Su Yuqi originally wanted to experience in the fifth floor world and collect some resources or something!

But when I got to the fifth floor, I realized that the world on the fifth floor was gone, there was only a lonely hall, and in the hall was the guardian of the fifth floor!

The two of them wanted to leave, but they were instantly subdued by the fifth-tier guardian, sitting obediently on the ground, chatting with this weird old man!

Chapter: 8116

"I don't know if Chen Ping will come to the fifth floor? If he doesn't come, won't the two of us be stuck here for the rest of our lives?"

Ning Zhi regretted a little, he had known that he would come in with Chen Ping!

"Don't be afraid, junior brother, I'm trying to break free!"

Su Yuqi followed Ning Zhi and said!

"Don't struggle, you two little guys, how nice to be here and chat with me for a while!"

"For many years, no one has reached the fifth floor, and I'm almost bored to death!"

The old man said with a smile!

But at this moment, suddenly in the hall, white light flashed, and Chen Ping's figure appeared!

"Brother Chen, help us..."

Seeing that it was Chen Ping, Ning Zhi hurriedly shouted!

Chen Ping hadn't reacted yet, but the old man suddenly appeared in front of him!

"There is a kid, what's your name?"

The old man asked!

“My name is Chen Ping!”Chen Ping said!

“Chen Ping?”

The old man was taken aback, and then took out a storage bag with a flattering face and said, “It turned out that Mr. Chen is here. This is a little savings I have saved for many years, and I gave it to Mr. Chen!”

Chen Ping was taken aback, looked at the old man and asked, “Are you the guardian of these five floors?””

“Yes, yes, I am!”The old man nodded again and again!

“I can help you get rid of the prison seal and set you free. Can you let me clear the customs?”Chen Ping said!

“No, no, I have already explained it above. As long as I make you happy, we will be free. Don’t bother Mr. Chen!”

“Don’t you just want to clear the customs? You have cleared the customs now, so you can go directly to the sixth floor!”

The old man said flatteringly!

Chen Ping was a little confused, and he didn’t react for a while!

“Brother Chen, save us, save us...” Ning Zhi heard it clearly!

“The two of them...” Chen Ping pointed to Ning Zhi and Su Yuqi!

“Are the two of them friends of Mr. Chen?”The old man asked!

“Correct!” Chen Ping nodded!

“Together, go up together...” After speaking, a ladder appeared in the hall: “Mr. Chen, if you walk up, you will reach the sixth floor!”

Chen Ping looked at the ladder, a little lost, what does this mean? When did it become so easy to climb the ladder? You don’t even need to go out, you can go up to the sixth floor directly from the inside!

Chen Ping took Ning Zhi and Su Yuqi towards the sixth floor!

Chapter: 8117

The sixth floor!

As soon as Chen Ping and the others stepped into the sixth floor, they felt as if they were weightless, and they couldn’t stand up at all!

In front of them, a woman was wearing a Tianshui Biluo skirt, embroidered with silver silk and lotus patterns, walking like blue waves blooming, giving birth to lotus step by step.

A lotus root-colored silk scarf was tied around his waist, and a white jade of sheep fat was hanging from his step, shaking lightly with his steps, Ding Dong like a spring.

The outer cover is a scarlet gauze dress, as thin as a cicada’s wings, revealing the dark lines of the snow-colored coat inside, with gold piping on the cuffs, decorated with fine pearls, shining brightly in the sun.

The green silk is like a waterfall, pulled into a Jinghong bun, and a tired golden phoenix crown bead is inserted diagonally. The Dongzhu hanging from the phoenix’s mouth follows her slightly to the side of her head, and the brilliance is shining lightly, making her eyebrows picturesque and looking forward to brilliance.

Her skin is better than snow, her complexion is like cinnabar, the tail of her eyes is slightly raised, and her eyes seem to contain a burst of autumn water, which is both clear and beautiful. A pair of emerald drop bead pendants in his ears add a bit of agility.

Holding a clay-gold peony group fan in his hand, the fan lightly covered half of the jade face, revealing only a pair of affectionate eyes, as if smiling or not, it was already a dream.

“Master Chen, the slave family has been waiting for you for a long time...”

The woman spoke, her voice as sweet as a bell, and with a kind of magic power, Chen Pingping Ningzhi’s eyes straightened unconsciously!

“Are you the guardian of this level?”

Chen Ping was a little surprised, and didn’t understand how this sixth floor was a woman!

“Yes, I have been here for a thousand years, lonely for a thousand years, and finally waited until a man came!”

“I don’t know if Master Chen is interested in playing with the slaves?”

The woman’s flicker and flicker, evokes people’s hearts and souls!

“I want to know, why are you imprisoned here?” Chen Ping asked curiously!

Everyone else is because they watch other people’s big girls take a bath and touch other people’s big girls’ asses!

But this sixth-story guardian turned out to be a woman, and Chen Ping was very curious about why she was imprisoned here!

The woman smiled and said, “Don’t mention the past, don’t mention it, don’t mention it...”

The more so, the more curious Chen Ping was: "Why can't you say it?"

The woman sighed in a low voice: "Wherever a person has done something wrong in his life, he will change it if he makes a mistake. After all, no one is perfect, even a fairy is the same."

"I am a person who values love and righteousness, so I have done some excessive things..."

Speaking of this, the woman shook her head: "Let's not talk about it!"

"Senior, didn't you touch someone else's girl's ass and be imprisoned here by that Jinxian father?"

Chapter: 8118

Chen Ping asked!

If this woman is a lesbian, it is also possible!

"No, I just didn't hold back for a while, touched the golden fairy's ass, and was imprisoned here!"

The woman said shyly!

"Fuck....."

Chen Ping was speechless for a while!

Even Ning Zhi and Su Yuqi have black lines, and they don't understand why there are such slutty women!

“Master Chen, the slave family is willing to dedicate their bodies and be slaves and maidservants by your side. Can you save me from the sea of suffering?”

The woman looked at Chen Ping lovingly and asked!

“I...” Chen Ping looked at the woman’s appearance and the pitiful look, really tempted!

This woman is really tempting!

“Yu Ji, you have already gotten rid of your prison seal, and you dare to seduce people. Do you want to be trapped in this ladder forever?””

Just when Chen Ping was almost seduced by that woman, a loud voice sounded!

“Dare not, dare not...”

Yu Ji hurriedly waved her hand, and then the ladder leading to the seventh floor appeared: “Master Chen, you can go up. I just made a joke with you just now. Don’t take it seriously!”

Chen Ping glanced at Yu Ji, knowing that this woman must be trying to get some benefits from herself, but she didn’t want to be seen through!

Chen Ping took Ning Zhi and Su Yuqi swaggering to the seventh floor!

The seventh floor is a star domain, without breath, let alone living things!

There is only one man in a robe and a cane in his hand!

The seventh floor, this is a height that the monks of the heavenly world have never reached before!

Chen Ping didn't know how powerful this man with a cane in front of him, who looked like a disabled person, was!

"Senior, do we still need to compete for customs clearance?"

Chen Ping asked!

"No need, you just need to go up from here to the eighth floor. I'm standing here, just curious to see who it is who can make the owner of the ladder release water so seriously!"

Chapter: 8119

"But looking at you, it seems that it's just a Mahayana realm, and there is nothing extraordinary about it..."

The man asked curiously!

"Senior, I don't have much ability, but there are experts behind me. The golden immortal who should climb the ladder is afraid of the experts behind me!"

Chen Ping said calmly!

"Maybe, you can go up now!"

The man turned sideways and let Chen Ping and the others go up to the eighth floor!

Just as Chen Ping was about to go up to the eighth floor with Ning Zhi and Su Yuqi, he suddenly stopped!

The man was taken aback for a moment, and said with a puzzled expression on his face: “Master Chen has something else to do?”

“Senior, you seem to have forgotten something, right?”

Chen Ping said!

“What did you forget?” The man’s face was puzzled!

“Senior seems to have forgotten to give me a gift!” Chen Ping said!

“Gift?” The man was taken aback!

“Senior, if it weren’t for me, are you afraid it wouldn’t be so easy to leave here and climb the ladder?” Chen Ping said!

man : “.....”

Ning Zhi and Su Yuqi looked at Chen Ping, also speechless!

Everyone else begged to climb the ladder to guard the release of water, and then let themselves go to the next level!

But Chen Ping is fine, and he directly extorted the guardian of the ladder!

“I have been trapped for many years, so I don’t have much resources on my body...”

The man took out the storage bag and handed it to Chen Ping!

Chen Ping put it away without even looking at it, and then climbed to the eighth floor!

However, when Chen Ping came to the eighth floor, he found that the eighth floor was chaotic, not only was there no world, but there was not even a guardian!

“What’s the situation?” Ning Zhi was a little surprised!

Chen Ping didn’t understand either, why was the guardian of the eighth floor gone?

Chapter: 8120

Just when Chen Ping and the others were puzzled, a ladder appeared to lead them to the ninth floor!

“The eighth floor is over?”

Chen Ping is a little lost!

“Is it not good to have no one?” Ning Zhi said!

“I still want to follow the guardian of the eighth floor to order resources!” Chen Ping said!

Ning Zhi was speechless for a while!

Since there was no one, Chen Ping could only take Ning Zhi and Su Yuqi towards the ninth floor!

On the ninth floor, a soft light shines, making people feel very comfortable!

A teenager who looked like he was only in his teens, wearing a yellow robe, was quietly waiting for Chen Ping and the others!

Chen Ping looked at the young man, knowing that the person in front of him could never be a child!

Even if it looks like a teenager, it is estimated that he has lived for thousands of years!

“Senior, I want to ask, where is the guardian of the eighth floor?”

Chen Ping asked the young man!

“He ran away, afraid you would ask him for resources.”The young man said!

When Chen Ping heard this, he was embarrassed, but he still looked at the young man curiously and said, “Then why don’t you run?””

“If I run away, you will never be able to climb the ladder, and you will never reach the heavens.”

After the young man finished speaking, a soft white light fell: “If you pass through this avenue to connect, you will be able to reach the heavens, but I am only responsible for the connection. As for the heavens, I don’t care what dangers you will encounter!”

Looking at that beam of white light, Ning Zhi was very excited: “Can we too?”

“Of course, you are friends of Master Chen, of course you can, but if your strength reaches the heavens, I’m afraid it will be difficult to survive!”

The young man said truthfully!

But Ning Zhi didn’t listen, there was a gleam in his eyes.

“We go to Elysea, can we still come back?”Chen Ping asked!

“I don’t know if you can come back. It depends on your own abilities. If you become the master of the universe, you can travel through any universe. If you become the true god of the heavens, you can travel through all worlds at will!”

“If you are at your current strength, it will be difficult to survive in the heavens, what else to talk about!”
