

The Order 8121

Chapter: 8121

Although the boy's words are hard to hear, they are the truth!

Chen Ping was a little embarrassed, and looked at the young man and said, "Thank you senior. Since Senior stayed to lead us, did he also prepare a gift for me?"

"Come on, I don't have anything. Master never gives me good things."

After the young man finished speaking, his figure disappeared instantly, probably because he was afraid that Chen Ping would reluctantly ask for something!

Seeing the disappearing boy, Chen Ping smiled, and then looked at the white light from the avenue, and began to hesitate in his heart!

He didn't know whether he was now in the heavenly realm, or he was cultivating in the heavenly realm for a period of time, and then relying on his own strength, he reached the realm of ascension!

If you go to the heavens now, Chen Ping doesn't know if you can come back!

Many of him haven't said goodbye yet!

And Su Yuqi hasn't found it yet, Chen Ping is unwilling!

Just when Chen Ping looked at the white light out of his mind, Ning Zhi gave Su Yuqi a wink!

Su Yuqi suddenly slashed at Chen Ping with a sword!

There was a flame burning on the body of the sword, and this sudden sword made Chen Ping not come at all and react in any way!

He didn't expect that the two people who came along the way suddenly did it to themselves!

Puff!

Chen Ping's back was slashed with a deep scar, blood gushed out in an instant, and the whole person staggered and almost fell to the ground!

"Brother Ning, what are you doing?"

Chen Ping looked at Ning Zhi with a puzzled expression on his face!

"Chen Ping, I won't let you ascend to the heavens, I'm going to kill you!"

Ning Zhi roared, his eyes full of anger and murderous intent!

Feeling this killing intent, Chen Ping frowned: "Are you Ning Zhi?"

"Hahaha, yes, it's me..."

Ning Zhi took off his mask!

Chapter: 8122

Looking at that familiar face, Chen Ping laughed: "Even if you hurt me, you are not my opponent!"

“Chen Ping, I may not be able to beat you, but my senior sister can!”

After Ning Zhi finished speaking, he looked at Su Yuqi and said, “Senior sister, fuck him...”

Without saying a word, Su Yuqi waved a sword at Chen Ping!

Chen Ping’s pupils suddenly shrank, and then he sacrificed the dragon sword, instantly cutting out a terrifying sword intent!

Boom!

The sword intent was broken, and Chen Ping’s figure was instantly shaken out!

Chen Ping, who was injured, has weakened a lot at this moment!

Seeing this scene, Ning Zhi’s face was full of grim smiles, he finally waited for this day!

“You are looking for death!”

Chen Ping was angry, not bad, the golden body slowly covered his whole body, and terrifying spiritual power circulated in his body!

Su Yuqi swung her sword up again, but this time, Chen Ping was as calm as water, quietly looking at Su Yuqi’s sword, and then the dragon slashing sword in her hand burst out with brilliant golden light!

Accompanied by a dragon chant, a golden dragon appeared behind Chen Ping, then wrapped in sword light, and went straight to Su Yuqi!

Su Yuqi’s sword light was instantly defeated, and the whole person flew out upside down!

Chen Ping is right, even if they are injured, they are not opponents!

At the moment Su Yuqi flew out upside down, Chen Ping's body leaped forward, and the dragon sword in his hand followed the trend!

"Dead....."

Even if the other party was a woman, Chen Ping didn't keep his hand at this moment!

But when Chen Ping's dragon slashing sword was about to cut Su Yuqi in half, suddenly the mask on Su Yuqi's face slipped off!

A face that Chen Ping was familiar with and could no longer be familiar with appeared in front of him!

Chen Ping was taken aback, and the dragon slashing sword in his hand stopped instantly!

Chapter: 8123

"Yuqi?"

Chen Ping looked at Su Yuqi in shock, his eyes full of doubts and surprises!

Puff!

Just when Chen Ping looked at Su Yuqi in shock, the long sword in Su Yuqi's hand had already penetrated Chen Ping's body!

Looking at the long sword that penetrated his body, Chen Ping was puzzled: "Yuqi, why, why is this?"

Chen Ping looked at Su Yuqi, but there was no reproach in his eyes!

Su Yuqi looked at Chen Ping's eyes, her brows frowned slightly, her expression was obviously a little unnatural!

brush!

Su Yuqi drew out her sword and distanced herself from Chen Ping!

Chen Ping fell to the ground, blood flowing out like a column of water!

"Yuqi"" Chen Ping struggled to stand up, but there were flames burning around the sword wound in his abdomen!

This kind of pain made him unable to stand!

When Ning Zhi saw this, he laughed wildly: "Hahaha, Chen Ping, I didn't expect you to have today too!"

"We are going to Elysea now, go to hell by yourself!"

After Ning Zhi finished speaking, he took Su Yuqi and walked towards the white light that attracted him!

Su Yuqi glanced back at Chen Ping, the expression on her face a little painful.

"Junior brother, does this person know me?"Su Yuqi asked!

"Senior sister, you don't know him at all. He is a bad guy. If you kill him, you will avenge me for my junior brother!"

Ning Zhi deceived Su Yuqi, and then the two walked into the white light!

“Yuqi.....”

Chen Ping roared, but he was powerless to stop him, and could only watch Ning Zhi disappear with Su Yuqi’s figure!

Chen Ping only felt that his eyes were dark, and his whole body fainted!

I don’t know how long it took, when Chen Ping slowly opened his eyes, he found that he was in the Jade Ding Sect!

Lin Chong, Lin Kefan, Lin Keting, Hua Yueying, Liu Ruyan, Yihe, Yisha, Huofeng, Bai Qian, Yu Jiameng, Gao Qilan, Ji Yun.....

Chapter: 8124

Everyone was looking at him, and when Chen Ping woke up, everyone’s faces were filled with smiles!

“Mr. Chen, wake up!”

“Chen Ping, you are awake!”

“Master, that’s great, you finally woke up!”

Everyone is very excited!

“How long have I been in a coma?”Chen Ping got up and asked, shaking his dizzy head!”

“Mr. Chen, you have been in a coma for three months!” Lin Chong said!

“Three months?” Chen Ping was taken aback and hurriedly rushed out of Yudingzong!”

He knew that the ladder to the sky only existed for three months. If the ladder to the sky disappeared after time, Chen Ping would not be able to go to the heavens to find Su Yuqi!

Su Yuqi is by Ning Zhi’s side, Chen Ping, I don’t worry about it. If Ning Zhi, a guy, puts on a green hat for himself, Chen Ping probably doesn’t want to live anymore!

However, when Chen Ping rushed out of Yudingzong, he saw the sky, and the ladder to the sky stood well between the heaven and the earth!

Chen Ping breathed a long sigh of relief when he saw this!

At this moment, inside the ladder, the young man looked at the old man and said, “Master, time has passed, and we should go too!”

“Fart, who told you that time has passed?” The old man cursed!

“It’s been three months, I remember it all!” The young man said firmly.

The old man slapped the young man directly: “I said I haven’t had it, I haven’t had it, stay honest with me!”

The young man gave the old man a blank look, he knew that his master was waiting for Chen Ping!

If Chen Ping doesn’t step into the ladder and enter the access passage for a day, then their masters and apprentices will probably not leave for a day!

“Mr. Chen, the nine-story world that climbed the ladder has long been closed, but he has not left for a long time, and I don’t know why!”

Lin Chong said to Chen Ping!

“I may know why!” Chen Pingping smiled lightly!

He knew that this ladder must be waiting for him!

Now that he knows that climbing the ladder will not disappear, Chen Ping is not in a hurry!

Ning Zhi and Su Yuqi have already arrived in the heavens, and even if Chen Ping is chasing them now, it is impossible to find them in a short time!

Chapter: 8125

And he has to say goodbye to everyone, especially in the secular world, he still has many relatives there!

Chen Ping told everyone about Su Yuqi again!

He must enter the heavens and get Su Yuqi back!

After explaining the matter, Chen Ping comforted all the women again. There is no favoritism to one another, every woman is treated the same!

Fortunately, Chen Ping’s physical body is also very strong. Even with so many women’s double cultivation, he can’t breathe. It can be described as a walking pile driver!

After explaining the affairs of the heaven-human realm, Chen Ping used the dragon slashing sword to cut through the void with one sword, and a dark void crack slowly appeared!

Chen Ping entered the void crack, accompanied by a blackness in front of him!

When Chen Ping opened his eyes, he found that he had reached the worldly realm!

Suspended in the air, looking at the worldly realm under his feet, Chen Ping felt a little bit. Now that he has arrived in the worldly realm, it is like the true god has descended to the earth!

At this moment, in Longmen, Kyoto, Ji Ruxue is practicing with all the women, because they have all had skin relatives with Chen Ping, so all the women have Chen Ping's blood in their bodies!

So the speed at which they practiced was amazing, and after some practice, the girls began to rest!

"Sister Ruxue, has a year passed?" Can we open the passage between the worldly world and the heaven-human world and see Chen Ping?"

Wu Meier asked Ji Ruxue!

"I don't know, go and ask Master Hu!" Ji Ruxue has always played the role of the eldest sister in the public of all women!

Chen Ping is not here, Ji Ruxue has always been managing the entire Longmen!

Long Ruotong was also taken care of by these girls in every possible way, so Long Ruotong liked and was very pleased with these daughters-in-law!

There is a very small courtyard next to the Longmen Gate. Hu Mazi has been practicing here for the past year!

I haven't been close to women for a year, except for cultivation, which is cultivation!

When Ji Ruxue and the others came to Hu Mazi, Hu Mazi had already opened her eyes and looked at the blue sky!

At this moment, Hu Mazi seems to be reborn, and the whole person has the feeling of a fairy wind Dao bone!

There was a fine light in his eyes, and it was no longer the lewd light with a smile!

“Master Hu, the one-year period has arrived. I don’t know how we can open the channel between the secular world and the heavenly world and go to the heavenly world to meet Chen Ping?”

Ji Ruxue asked Hu Mazi!

Hu Mazi looked at the sky, suddenly smiled slightly and said, “We don’t need to find him, he is already here...”

Chapter: 8126

“Coming?”

Ji Ruxue and the others were taken aback, and they looked at the sky together!

Sure enough, a figure fell from the sky, and before everyone could see it clearly, the figure had already fallen in front of them!

“Chen Ping?”

Seeing that it was Chen Ping, Ji Ruxue and others were all shocked!

Chen Ping looked at Ji Ruxue and the others, excited and excited, after all, they hadn’t seen each other for a year!

The women rushed towards Chen Ping, expressing their emotions, and Chen Ping also responded enthusiastically!

The fire of dry wood is so hot that it is called a prosperous one!

“Fuck me, go somewhere else, but somewhere else, don’t disturb my heart!”

Hu Mazi shouted!

With a gentle wave of Chen Ping’s palm, a barrier appeared, Hu Mazi could only hear the sound, but could not see anything!

He could only sit cross-legged, and then practice desperately, but the sound made Hu Mazi sweat all over his forehead!

I don’t know how long it took before the barrier disappeared. Chen Ping walked up to Hu Mazi, looked at Hu Mazi’s embarrassed appearance, and smiled slightly: “Master Hu, when did you become clear-hearted and lustful? This is not your character!”

“Rolling and rolling, as soon as I came back, I went around my heart, almost breaking my heart!”

Hu Mazi gave Chen Ping a blank look!

Chen Ping looked at Hu Mazi, and then there was a look of surprise in his eyes!

“Master Hu, you... you immortal bone?”

Chen Ping discovered that Hu Mazi had a whole body of immortal bones in his body, and his strength was not weak at all!

You know, if you are in the world of heaven and man, you have enjoyed countless resources to achieve what you have achieved now!

But Hu Mazi can be so awesome in just one year in the secular world?

“I didn’t expect your kid to have a pair of fiery eyes and golden eyes!”

“If I say that I am the reincarnation of an immortal, do you believe it?”

Hu Mazi asked with a smile!

“Letter!” Chen Ping nodded!

Chapter: 8127

In this year in the world of heaven and man, Chen Ping has never experienced anything, and what is there to disbelieve in the reincarnation of immortals!

After all, anything can happen!

When he was in the secular world, Chen Ping never thought that people could be resurrected from the dead!

In the realm of heaven and man, even if you become a scum, you can be resurrected!

Even if you die for a thousand years, you can be resurrected!

So there is nothing impossible in this world!

“Haha, it seems that you are doing well in the world of heaven and man, and you believe in the reincarnation of immortals, but what I said is true!”

“If it weren’t for the sudden awakening of my memory, I wouldn’t even know that I was the reincarnation of a fairy!”

Hu Mazi smiled!

“No wonder, you are transgender. You have to know that you have never been able to walk when you saw a beautiful woman before!””

Chen Ping joked!

“I can’t walk now. If I didn’t want to break the passage between the worldly world and the heaven-human world as soon as possible, why should I practice so hard.”

“Now you are doing well in the Tianren Realm, don’t forget, find me a few ladies from the Tianren realm to play with!”

Hu Mazi smiled and said!

Chen Ping slapped Hu Mazi in the palm and said, “This is the right taste, this is the Master Hu I know!”

“Chen Ping, since you are back, go and see your mother. Over the past year, she has been talking about you a lot!””

Ji Ruxue said!

Chen Ping nodded and followed Ji Ruxue and the others back to Longmen!

When he saw Long Ruotong, Chen Ping hugged his head and cried with Long Ruotong!

Mother and son haven't seen each other for a year, I miss it very much!

"Ping'er, how are you doing in this world?"

Long Ruotong asked!

"Mom, it's pretty good. Now the Tianren Realm is my territory, and I'm invincible in the entire Tianren Realm!"

Chen Ping said!

Chapter: 8128

"Don't be bragging, right?" Long Ruotong said with a smile!

"I really didn't blow it, I'm no longer an old cow in the world of heaven and man, listen to me!" Chen Ping said seriously!

"Chen Ping, then you are not looking for a woman in the world of heaven and man, are you?"

Wu Meier looked at Chen Ping and asked at this time!

"I..." Chen Ping was speechless for a while!

"Mei'er, Chen Ping is so good, it's normal to find one or two women in the Tianren world. You can't let Chen Ping wrong himself in the Tianren World this year, right?"

Ji Ruxue said to Chen Ping at this time!

Chen Ping glanced at Ji Ruxue gratefully, but Ji Ruxue was still considerate!

“It’s normal to find one or two, what if you don’t find one or two?” Wu Meier continued to ask: “Chen Ping, how many women have you found in the world of Heaven and Man?””

Ji Ruxue didn’t help Chen Ping speak at this meeting, so she looked at Chen Ping!

She also wanted to know how many women Chen Ping had found in the Tianren World!

“One or two...one or two, right?”

Chen Ping was a little embarrassed!

“what?One or twenty?” All the women were taken aback!

“Sisters, this year Chen Ping is afraid that he will be squeezed out in the world of heaven and people. Our sisters can’t be soft-handed and be overtaken by others. Charge with me!”

Ji Ruxue took the lead of the eldest sister at this time!

Chen Ping was quickly overwhelmed by the women, and Long Ruotong laughed!

Chen Ping followed the women to fight for a few days, then took Gu Ling’er to Hongcheng and looked at Gu Wentian and Su Wenzong!

However, when Su Wenzong asked about Su Yuqi, Chen Ping could only lie and hide the past!

Then Chen Ping went to Chenjiacun to see his father Chen Baoguo and Tang Hongying. They had been raised by them for more than 20 years!

Chen Ping left a few spiritual pills for his parents. After all, the two of them were ordinary people and couldn't practice, so they couldn't take them to the world of heaven and Man!

Only a few spiritual pills can be left in the secular world, which can prolong life!

Then Chen Ping looked at Lin Tianhu and Chifeng again!

The two of them are already married, and Chifeng is also pregnant, with a big belly.

Chapter: 8129

After turning around in the secular world, Chen Ping tore through the void and took his mother, Long Ruotong, Ji Ruxue and others to the heavenly world!

After all, the environment of the Tianren Realm is more suitable for Ji Ruxue and her cultivation, and Hu Mazi also went to the Tianren Realm!

In the world of heaven and man, all the women will make peace, let Chen Ping introduce each other to know each other!

They all get along very well, and there is no quarrel in Chen Ping's imagination, which makes Chen Ping very relieved!

"Chen Ping, I brought you good things from the secular world!"

As Hu Mazi said, he took out a small tower directly!

Chen Ping glanced at it and recognized that this was the Town Magic Tower, which was used to suppress the wind demon at that time!

“Isn’t this the Town Magic Tower? I remember throwing it to the Valley of the Wicked. The time flow rate in this tower is slow, and the time flow rate outside is fast!”

“It’s okay to practice in the secular world, but it’s not appropriate to go to a place like the heavenly world!”

Chen Ping said!

“This is a pagoda. Because of the secular world, there will be a slow flow of time in the pagoda. It will be different when it comes to the heavenly realm!”

“One day in the sky and one year on the earth, you have always heard of it. If this tower is in the heavens, the passage of time is a hundred times that of the outside world.”

“That is, a hundred years of cultivation in the tower, but only one year has passed in the outside world!”

Hu Mazi said!

“Really?” Chen Ping’s face was full of surprise, and he hurriedly captured the town Magic Tower!”

“I brought you such a good treasure, how can you thank me?” Hu Mazi smiled slightly!

“Master Hu, tell me, what do you want? This world is my world. If you want beautiful women, I will find you a hundred and eighty right away, and you will be exhausted!”

Chen Ping said!

“The beauty is not in a hurry, I can find it myself, but if you go to Elysea, you must take me with you.” Hu Mazi smiled!

Chen Ping was taken aback, then looked at the ladder, then nodded and said, “No problem!”

“Mr. Chen, if you go to Elysea with this strength, I’m afraid it will be difficult to deal with the danger. I think you should improve your level before going to Elysea!””

Lin Chong said to Chen Ping!

Chen Ping looked at the ladder, and then thought of Su Yuqi, he knew he didn’t have time to practice slowly!

You must go to the heavens as soon as possible and find Su Yuqi!

Chapter: 8130

“I don’t have time anymore. I have to go to the heavens as soon as possible. Besides, it is impossible to wait endlessly for this ladder to the heavens.”

Chen Ping knew that if he climbed the ladder and left, he would have to practice to ascend by himself, so he didn’t know the Year of the Monkey!

“Don’t you have the magic tower of that town? You go to the tower to practice. The time flow in the tower is fast, so it won’t take long for the outside world!””

Lin Chong said!

Chen Ping looked at Hu Mazi: “Master Hu, in the world of Heaven and man, is it okay to take the magic tower?”

“Of course, it’s just because of the flow of time, one year outside the heaven-human world, and fifty years in the tower!””

Hu Mazi said!

Chen Ping thought for a while, and decided to go to the tower to practice first, wait for the realm to improve a little, and then go to the heavens!

Otherwise, your realm is too low, and if you really encounter danger, you will be in trouble!

When the time comes, Mr. Shi won't have time to take care of himself, so what should I do!

Now Chen Ping has countless resources on his body, but he lacks time!

After explaining some things, Chen Ping directly entered the town Magic Tower!

"Boy, your whole family is reunited and you have become the best person in the world of heaven and man. Have you forgotten my old thing?"

Demon Lord Chiyun asked!

"I..." Chen Ping was a little embarrassed. Although he hadn't forgotten, if he wanted to find the bones of the Red Cloud Demon Lord, he still didn't know the Year of the Monkey!

Chen Ping mainly doesn't have time to look for it now!

"Senior, I have already explained, but I don't know when to find all your bones, otherwise you will stay in the heavenly realm, and after you have found all your bones and reshaped your body, are you returning to the heavenly realm?"

Chen Ping said to the Demon Lord Chiyun!

"Fuck off, I can only be in your sea of knowledge now, and others can't bear my remnant soul at all." Demon Lord Chiyun said!

"Then what should I do?" Chen Ping is a little helpless!

“Forget it, let’s go to Elysea with you. As long as you work hard and strive to enter the Nine Heavens as soon as possible, I can leave your sea of knowledge and reshape my body!”

Demon Lord Chiyun can only go to the heavens with Chen Ping!

However, only in the Ninth Heaven can the Red Cloud Demon Lord leave Chen Ping to know the sea, and then reshape his body!

After all, the Red Cloud Demon King is the great demon of the Nine Heavens!
