

## **The Order 8131**

Chapter: 8131

“Well, let’s wrong the seniors first!”Chen Ping nodded!

After discussing with Demon Lord Chiyun, Chen Ping began to practice frantically!

There are countless resources in front of him, all of which are obtained from others!

The mind-concentrating technique is running, and he begins to practice frantically!

There are no years of cultivation!

I don’t know how long it has been, the countless resources in front of Chen Ping have been exhausted!

And Chen Ping’s realm has also reached the realm of transformation!

Although it’s just a product of Fairyland, it shouldn’t be a big problem for the gangster Heaven to be a heavy heaven!

When Chen Ping came out of the town Magic Tower, everyone was shocked!

“How many days have I practiced?”

Chen Ping didn’t know how long he had been in the tower!

“Mr. Chen, it’s only half a month!”Lin Chong said!

“In half a month, you will be in the wonderland of transformation, and your speed is enough to defy the sky!”

Hu Mazi said!

Chen Ping was also ecstatic in his heart. He had to know that this town’s magic tower was so easy to use, and he had brought it to the world of heaven and man in the first place, so why stay in the Valley of the Wicked!

“Is the ladder still there?” Chen Ping asked!

“Still there, never moved anywhere...” Lin Chong said!

Chen Ping breathed a sigh of relief and looked at Hu Mazi and said, “Master Hu, I will take you to the ladder to see if you can enter the heavenly realm. If the other party does not allow it, I can’t help it.”

“Don’t worry, after I go, let’s see who did this ladder, maybe it’s an old acquaintance!”

Hu Mazi smiled!

Now that he has awakened his memory, Hu Mazi has remembered everything about Elysea, so it is normal to know some people!

It’s just that the other party doesn’t necessarily know Hu Mazi anymore. After all, Hu Mazi has been reincarnated and reborn, and his appearance has long changed!

“Chen Ping, are you going to leave like this, and won’t you tell us goodbye?”

I don’t know when, Ji Ruxue took all the women and stopped Chen Ping!

Chapter: 8132

Looking at the woman in front of him, Chen Ping only felt black in front of him!

He has never felt that he has too many women, but it's really scary to get together!

"Master, I can't go to Elysea with you. When you get there by yourself, if you are lonely, what can you do?"

Huo Hyacinth's eyes were filled with tears, and she looked at Chen Ping reluctantly and said!

"Don't worry, I still have Zhong Li, she can dispel loneliness for me then!"

Chen Ping gently stroked Huofeng's head and said!

"Chen Ping, when you get to the heavens, don't mess with flowers anymore, your body can't eat it!"

Bai Qian stepped forward and told Chen Ping!

Chen Ping looked at Bai Qian, but he was also a little speechless. Many times he didn't seem to be messing with flowers, but women took the initiative!

I just wanted to be white and shallow, threatened myself, wanted my own bloodline, and finally relied on myself.

It's not easy for Chen Ping to refuse this kind of thing that a woman posts upside down!

But at this time, Chen Ping couldn't say anything, he could only comfort the women and said, "I went to the heavens and I won't mess with flowers and weeds. I will miss you."

“You must also hurry up and practice, and strive to go to Elysea to meet with me as soon as possible!”

“I will miss you when the time comes, and I can also come back to see you. Now that the heavens and the earth are broken, there is no restraint in the heavens and the human world. It is not impossible to come back from the heavens!”

After bidding farewell to the women, Chen Ping took Hu Mazi into the ladder!

“You are finally here...”

An old man saw Chen Ping and said with a sigh of relief!

“Senior, thank you for waiting for me all the time. If senior can use me one day, I will definitely die!”

Chen Ping is very grateful to this old man!

“It’s serious, it’s serious, I’m just doing it with a little effort!”

“But this ladder to the sky is just a guide. I can’t control how to reach the celestial realm and where I will be sent to the celestial Realm.”

“So in your realm, if you reach the heavenly realm and there is no strong man behind you, it will be difficult to survive!”

The old man said to Chen Ping!

A monk who had just turned into a fairyland ran to the heavens, it was really not easy to mix!

Chapter: 8133

“Thank you seniors for reminding me that with my strength, it is not difficult to live in the heavens!”

“Besides, I still have Master Hu to follow. I hope that my predecessors can let Master Hu enter the white light of the avenue together and ascend to the heavens!”

Chen Ping pointed to Hu Mazi beside him and said!

The old man glanced at Hu Mazi, frowned slightly, and looked a little surprised: “Fairy bone? Are you a reincarnated person?”

Hu Mazi nodded: “I have been reincarnated five times, and I have just restored my previous memory in this life!”

“Hey, I don’t understand, how big a mistake you have made, and you have suffered from the fifth reincarnation.” The old man sighed!

You know, immortals can be physically destroyed, the soul reshapes the body, can be sealed, and then the realm is reduced!

But no one wants to suffer from reincarnation!

In the eyes of immortals, suffering from reincarnation and becoming a mortal in a lifetime is the most painful!

Mortal life is the most painful experience in the eyes of immortals!

What’s more, Hu Mazi suffered from the fifth reincarnation!

“Do you know Fairy Yuwei?” Hu Mazi asked!

“Of course I know that Fairy Yuwei is the coldest and most beautiful fairy in the twelve heavens. Many high-level immortals have come and want to see Fairy Yuwei’s face, but they have all been rejected!”

“Fairy Yuwei is the goddess in many people’s hearts, and she is also the goddess in my heart. It’s a pity that thousands of years ago, Fairy Yuwei was drugged and then deprived of her chastity.”

“Since then, Fairy Yuwei seemed to have changed into a different person, and began to stoop to herself. I heard that she has now become a female demon.”

“The guy who took away the chastity of Fairy Yuwei is really not a fucking thing. How many immortals and demons came to the world in the sixth heaven back then, chasing that guy!”

“But that guy also made many people envious. After all, he played the goddess in the hearts of 10,000 people at that time!”

The old man’s eyes were blurred, constantly recalling the past!

Listening to the old man’s narration, Chen Ping couldn’t help but look at Hu Mazi. He felt that this person should be Hu Mazi!

The old man was also taken aback for a moment, as if he noticed something, and looked at Hu Mazi and asked, “Aren’t you that guy?”

Hu Mazi smiled and nodded: “It’s me, but it was not rumored to be the case back then. Fairy Yuwei took the initiative to double repair with me. I was also Yushu Linfeng, suave, but a little bit fancy.”

“Because I was double-cultivating with other fairies, she was discovered by Fairy Yuwei, and she couldn’t get angry, so she made such a rumor and let everyone chase me down!”

“Later, I was entered into reincarnation by the angry people, and suffered from the fifth reincarnation!” Hu Mazi said!

“Impossible, how could Fairy Yuwei take the initiative to double repair with you? She is ice-clear and jade-clean, extremely cold, and she is the goddess in the hearts of many people!” The old man doesn’t believe it at all!

Chapter: 8134

“What do you know, the goddess you think is sometimes a woman who is tired of being played by others.”

“My brother has the most say. There are dozens of women in his double cultivation. Many of them are other people’s goddesses, but with my brother, he doesn’t like to play anymore...”

Hu Mazi patted Chen Ping on the shoulder and said!

Chen Ping thought for a moment, that’s really the case.

The old man seemed to be stimulated and his face was ugly. Then he waved his hand impatiently and said, “Let’s go, let’s go, you are gone, and I am leaving too!””

The old man was hit, how could the goddess in his heart take the initiative to find a man for double cultivation!

Chen Ping took Hu Mazi into the white light of the reception!

The old man disappeared in an instant, and the ladder to the sky also disappeared from the heaven-human realm, and it will not be descending to the heaven-human realm in the future!

After Chen Pingping and Hu Mazi walked into the white light attracted by the avenue, the whole person was inhaled uncontrollably!

The two of them felt a huge suction force, constantly devouring the two of them!

Chen Ping only felt that his body was difficult to move, and this extremely strong devouring power made Chen Ping instinctively want to resist!

He still thought that the process of being led to the heavens would be very comfortable, but he didn't expect it to be extremely painful!

When Chen Ping felt a whirlpool deep in his body, there was no light or sound around, and everything disappeared!

It's as if the whole body is in the void, and even the breath around it is imperceptible!

Chen Ping couldn't even notice the breath of Hu Mazi.

The eyes can't see anything, and the consciousness can't perceive anything!

Even with Tianming's eyes, it's useless in this place!

Chen Ping could only close his eyes slightly, feeling as if the whole person was floating in the air!

I don't know how long it took, Chen Ping felt that his body seemed to have entered another channel, because he could feel the pressure around his body!

There is even a trace of light in front of me!

Boom!

Suddenly, after a deafening sound, Chen Ping only felt dizzy for a while, and his internal organs seemed to be squeezed together!

Chen Ping wanted to resist, but he couldn't use a trace of strength!

This process is really uncomfortable!

Chapter: 8135

It's like the brain is awake at everything, but there is no way to control the body!

When a white light pierced into Chen Ping's eyes, Chen Ping opened his eyes!

Slowly regaining his eyesight, he was extremely excited at the same time!

He really wanted to know what the heavenly realm that everyone yearned for looked like!

But when Chen Ping slowly opened his eyes, he found that he was surrounded by a huge cage!

And the cage is surrounded by black chains!

"Fuck me, where is this?"

"Master Hu? Master Hu?"

Chen Ping was a little confused. Didn't he be led to the heavens?

Why did you suddenly appear in the cage?

And I don't know where this is. Chen Ping tried to spread the divine consciousness, but the divine consciousness couldn't spread out at all!

Chen Ping shouted for a long time, but there was no shadow of Hu Mazi at all!

At this moment, Chen Ping panicked and hurriedly shouted, "Is anyone there?Where is it here?"

But after shouting several times in a row, no one responded!

"Senior, do you know where this is?Is it Elysea?"

Chen Ping can only turn to the Red Cloud Demon Lord for help!

Demon Lord Chiyun shook his head and said, "I don't know, this should be a prison, right?"

"Of course I know it's a prison, but why am I here?"

"Didn't I be led to the heavens?Why are you in jail?"

Chen Ping panicked, he hadn't reached the heavens before, so he was controlled by others!

Chen Ping opened Tianming's eyes and penetrated the layers of black mist inside the cage, wanting to see what was going on outside!

But when Chen Ping opened Tianming's eyes and looked over, he found that there were all these cages all around, and these cages seemed to be floating somewhere!

The cages are all tied up in chains, and you can't see the situation inside!

Chen Ping tried to absorb the aura around him, but found that there was no fairy aura around him, let alone aura!

Chapter: 8136

In those black mists, there is magic energy, but magic energy is also very rare, and Chen Ping doesn't know what's going on!

After calming down, Chen Ping took out the dragon slashing sword, and then vigorously waved towards the prison!

He wants to break out of this prison and leave from this place!

You can't be trapped here for the rest of your life!

Clang!

The dragon sword slashed at the boundary of the cage, and it made a crisp sound. After a burst of fire, the cage was not damaged at all!

On the contrary, Chen Ping's hands were faintly numb from the shock!

"Damn....."

Chen Ping became a little angry, then burst out with all his strength and slashed towards the boundary of the cage again!

Clang!

With the same loud noise, Chen Ping's body was shaken out!

Chen Ping only felt that his internal organs were constantly surging. He didn't expect a cage that looked ordinary to trap him!

At this moment, he thought of the old man's words, and he couldn't help but feel that it made sense!

With your own strength, even if you enter the heavens, there will be dangers everywhere!

Now Chen Ping believes it. If this cage belongs to the world of heaven and man, Chen Ping knows that he can't break it!

"Fellow Taoist, don't work hard. No one who comes here can escape except for those who have been released from prison!"

At this moment a man's voice sounded!

Chen Ping was taken aback and hurriedly asked, "Fellow Taoist, who are you? Where are you?"

"I'm in the cage next door to you. I didn't expect you, a monk who has just turned into a fairyland, to dare to enter the heavenly realm!"

The other party looked a little surprised and said!

"Fellow Taoist, is this Elysea? Why are we being locked up?"

"I really don't think I made a mistake. What else do I need to be released after serving my sentence?"

Chen Ping looked surprised, unable to understand what was going on!

I am a good law-abiding citizen and have never committed a crime. Why do I still arrest myself and have to wait for my sentence to be released?

Chapter: 8137

“If you don’t reach the ascension, you will use external forces to come to the heavens. This is against the rules of the road, so it is normal to lock you up.”

The man said!

“I was led here by the avenue, and no one has stopped me. Why are you arresting me?”Go catch the person who led us!”

Chen Ping was very speechless, how could he be brought in normally and become a prisoner?

“It’s useless. Elysea talks about rules rather than truth. If you reason in Elysea, you will be laughed at.”

“Where are you a monk?What’s your name?Just after turning into a product of wonderland, he was led to the heavenly realm. It seems that the power behind you is not small, so I will release water for you!”

The man could see at a glance that Chen Ping was sent up by the release of water!

“My name is Chen Ping and I am from the world of Heaven and Man. The ladder to the sky did release water for me.”

Chen Ping took the initiative to nod and admit, and then asked, “Fellow Taoist, how can you see me and I can’t see you?”Where are you a monk?What’s your name?”

Chen Ping asked the man!

After all, Chen Ping, the first person to know in the world of heaven and man, must ask clearly. There are many things that Chen Ping still knows from this man’s mouth!

“If you disperse the black mist in the cage, you can see me!”

“My name is Xiurui, a monk in the Wuxu Realm, and I also came to the heavenly realm by climbing the ladder!”

“But after receiving it, I have been trapped here for more than five hundred years!”

The man sighed softly and said!

Chen Ping looked at the black mist in the cage, suddenly waved his palm, a gust of wind rose, and the black mist was directly blown away!

After blowing away the black mist, Chen Ping discovered that in the cage only a few meters away from the direct cage, a man with a haggard face and a beard!

Although the man’s appearance looks haggard, his energy is still OK!

It’s just that the clothes on his body are in tatters, and he shouldn’t have changed for hundreds of years!

“Fellow monk, do you know why you are being trapped in a cage when you are brought here?””

Chen Ping asked!

If this is the case, then Ning Zhi and Su Yuqi will definitely be trapped here when they come over!

Thinking of this, Chen Ping was very anxious!

“Where do I know, but this cage seems to only trap human monks, and other races don’t seem to be trapped!”

Chapter: 8138

Xiu Rui said!

“Fuck me, what does this mean? For the human monks?”

“I would like to see who did this.”

When Chen Ping heard this, he became a little angry. Isn't this treated differently?

“Senior, I will give you my body. Can you break this cage?”

Chen Ping asked the Demon Lord Chiyun!

Now that Chen Ping's body is back to its best condition, it will be time for the Red Cloud Demon King to exert more strength!

“I don't brag about it, it's a matter of minutes...”

Demon Lord Chiyun said!

“Well, senior, take control of my body!”

Chen Ping let the Red Cloud Demon Lord take over his body, he doesn't want to be trapped here forever!

Accompanied by the golden light erupting around Chen Ping's body!

Demon Lord Chiyun took over his body, and the power that burst out shocked Na Xiurui!

“This...is this still something that can erupt from a monk who turns into a fairy land?”

Xiu Rui looked at Chen Ping in disbelief.

“Broken.....”

Chen Ping punched and smashed towards the cage!

The power of terror was suddenly released!

The cage where Chen Ping was located suddenly shook, and then the black chains around the cage were instantly shattered!

The cage also directly cracked, shattered into slag, and disappeared!

Chen Pingping was personally suspended in the void, surrounded by countless cages!

“Taoist friends are awesome, can you get me out?”

Xiu Rui asked in shock!

He has been trapped for more than 500 years. If someone can break the cage and release himself directly, he is willing to agree with him!

Chapter: 8139

Being trapped in a cage, with no resources to practice, and no one to speak, is simply boring!

“No problem.....”

Chen Ping nodded, this matter is just a little effort!

Boom!

Chen Ping punched the cage where Xiurui was being held, and when the cage came into contact with this terrifying punch, it directly turned into powder!

The cage disappeared, and Xiurui's body instantly fell down. He hadn't flown in the sky for so long, so he probably forgot!

As soon as Chen Ping stretched out his hand, he directly grabbed Xiurui, and then a spiritual force penetrated into Xiurui's body. Finally, Xiurui recovered a little, and his complexion became ruddy!

Xiu Rui grasped Chen Ping's hand tightly, his face full of excitement and joy!

After so many years, I finally got out of the sea of suffering.....

This is all Chen Ping's credit. Without Chen Ping, he might not be able to break out of the cage and leave after waiting for five hundred years!

"Friends Chen Daoyou, thank you so much, thank you!"

Xiu Rui's eyes were tearful, and he actually cried!

"It's just a little effort..." Chen Ping said with a smile!

At this moment, Xiu Rui suddenly blushed and apologized: "I'm really sorry, I just despised you. I didn't expect that your strength in the realm of transforming fairyland into a product is stronger than my peak of transforming fairyland!"

Chen Ping just smiled slightly, and did not tell the Red Cloud Demon Lord about his possession.

“Fellow monk, you have all reached the peak of the fairyland. You only need one step of opportunity and insight to ascend to the heavenly realm. Why bother to use any ladder to reach the heavenly realm?”

Chen Ping was very curious, what did Xiu Rui think!

“Hey, I have been at the peak of Fairyland for hundreds of years, but I have been unable to ascend for a long time. There is really no way, so I entered the heavens by climbing the ladder.”

“Who would have thought that this access to the ladder would be so deceptive, and he would be locked up in a cage when he opened his eyes!”

“If I had known this, I wouldn’t have broken into the ladder!”

Xiu Rui sighed lightly, obviously regretting it to death!

Hundreds of years of time were wasted in vain in this cage!

“Fellow monk, have you ever seen someone who came with me?”

Chen Ping wanted to ask where Hu Mazi was!

Chapter: 8140

“No, it seems that you are the only one, I didn’t see you have a companion!”

“Is your companion also a Human monk? If it were for other races, they might not be locked up here!”

Xiu Rui asked!

Chen Ping nodded: "Yes!"

Although Hu Mazi is full of immortal bones, he is indeed a human monk!

"That's not easy. There are thousands of cages here. I don't know which cage your companion will be locked in, unless the owner of this cage knows!"

Xiu Rui shook his head and said helplessly!

Just as he was talking, suddenly there was a tremor not far away!

I saw a white light suddenly burst out of a cage!

Rumble!

With a loud noise, a figure broke through the old dragon!

"He belongs to Gobi, who actually set up a cage at the end of the avenue? It's fucking unethical!"

I saw Hu Mazi coming here cursing and swearing!

Xiu Rui looked at Hu Mazi in shock, his body trembling slightly and said, "Friend Chen Daoyou, is this the friend you are looking for?"

"Correct! Chen Ping nodded, then looked at Hu Mazi and said, "Master Hu, where is this place?""

"Where do I know, but this must be in the heavens, but which unethical thing has set up a cage here, I don't know!"

Hu Mazi looked around and said!

“Master Hu, since you have awakened your memory, can you tell me about the rules and order of the heavens, as well as the level of the realm?”

Chen Ping asked Hu Mazi!

“There is a perfect order in the heavens, and the strong are respected. If you have a high level and strong strength, that is the rule, and that is the order.”

“Who do you think did the law of Heaven do it? It’s not the work of the Most Holy Ones, they are awesome, so this is the rule, this is the rule!”

“One day, if you become the master of the universe, this world will be a fart, and the Most Holy One will be a bird. Slap them to death!”

Hu Mazi said very dissatisfied!

“Hurry up and stop touting me, let’s talk to me about this world!” Chen Ping was speechless for a while!
