

## The Order 8141

Chapter: 8141

If he hadn't done it just now, he wouldn't even be able to get out of the cage, and he said that the master of the universe was too far away, so he still had to figure out what was going on right now!

"You should already know that there are thirty-six heavens in this world, right?" Hu Mazi said!

"Yeah!" Chen Ping nodded!

"The thirty-six heavens of this world are divided into the lower twelve heavens, the middle twelve heavens, and the upper twelve heavens, and in each of the twelve heavens, the three heavens are a small plane!"

"The monks who are led by the Dao or other means into the heavenly realm are all within the three heavens of the heavenly realm that they have entered. The immortals in these three heavens are all scattered immortals, and they are all wild cultivators who have not been trained by the immortals."

"Therefore, all the monks under the Triple Heaven are looked down upon by others. This is why some monks would rather practice and ascend slowly than be guided by the avenue!"

"And those monks who practice by themselves and ascend to the heavens directly ascend to the four heavens. This kind of immortal is the earth immortal, and he is also the worst in the heavens."

"Next are the human immortal, the heavenly immortal, the upper immortal, the true immortal, the golden immortal, the great Luo Jinxian, the immortal monarch, the immortal king, the immortal emperor, the saint..."

"These realms are also divided into nine levels, but when they reach the heavenly realm, if they are promoted to the realm, they will not suffer from thunder and tribulation, but need to reach the immortal stage. For the promotion of each great realm, they need to pass the immortal stage before they can do it!"

"You are just a fairy land now, not even a Sanxian, let's boil it slowly..."

Hu Mazi patted Chen Ping on the shoulder and said!

“Master Hu, how many days were you in before your reincarnation? What is the realm?” Chen Ping asked!

“Hey, I am already the peak of the human immortal, and I can become a heavenly immortal soon, leaving the six heavens...”

“It’s a pity that I was cheated by a woman, it’s a pity that I have cultivated for thousands of years...”

Hu Mazi said with a look of sadness and anger!

Xiurui on the side, listening to Hu Mazi’s words, didn’t dare to let go!

Human immortal?

This is so awesome. He worked so hard that he couldn’t ascend. In the end, he had no choice but to enter the heavenly realm by climbing the ladder. Now even if he felt Feisheng, he could only become a Sanxian.

The earth immortals are rubbish in the heavens, so no one of them, the scattered immortals, can open their eyes and take a look!

Listening to Hu Mazi’s words, Chen Ping forgot to ask Nanba Tian what realm they are in, and what kind of heaven they are in!

“Senior, what realm are you in?”

Chen Ping asked the Demon Lord Chiyun!

“I’m not in any realm, don’t ask...” Demon Lord Chiyun said angrily!

This made Chen Ping a little confused, just asking about the realm, why are you still in a hurry?

Chapter: 8142

But if you don’t let it be asked, Chen Ping won’t ask!

“Let’s get out of here first!” Chen Ping said!

Both Hu Mazi and Xiurui nodded!

The three of them flew into the sky together, because there was black mist all around and they had no sense of direction, so they could only fly upwards to see if they could get out of this place!

Fortunately, there are no restrictions here, Chen Ping and the others can fly at will!

Along the way, the three of them rushed upward, and Hu Mazi took the lead, not knowing how many cages had been destroyed!

It seems that after this guy awakened his memory, his strength has also increased significantly!

Chen Ping is not his opponent anymore!

In this way, the three of them didn’t know how long they had collided, but it seemed that there was no edge here, the surrounding scene was still a black mist, and there were cages everywhere!

“If you go on like this, you can’t find an exit, and people are exhausted!”

Hu Mazi rolled his eyes and said!

“This won’t work, you have to find a way to find an exit, so aimlessly, you can’t get out at all!”

Chen Ping felt that this was not the way, so he said!

“But we don’t know where the exit is.”Xiu Rui said!

“Let me see if I can burn this broken place with a fire!”

Chen Ping decided to use his own supreme fire to burn this place directly!

Although they are here, it is very uncomfortable to be scorched by the extreme fire, but if they can burn this place with a fire, it is worth it to leave!

“Friends Chen Daoyou, if you set fire, you won’t burn us all to death, will you?””

Xiu Rui asked!

Although he is much stronger than Chen Ping’s strength, he dare not have any contempt in front of Chen Ping!

“Don’t worry, it won’t burn to death!”

After Chen Ping finished speaking, a flame suddenly rose in his palm, and various flames merged with the fire, exuding billowing heat waves.

Chen Ping waved hard, and the heavens and the earth were instantly filled with flames!

The fire is burning fiercely!

Chapter: 8143

At this moment, all around them, it was no longer the black mist, but clusters of flames.

Not long after, screams began to sound. It should be the person in the cage who couldn't bear the heat of the flame!

"Friends Chen Daoyou, there should be a lot of people locked up here, right?" Xiu Rui asked!

"Chen Ping, your fire won't burn everyone in the cage to death, will it?"

Hu Mazi asked!

"No, my supreme fire is only aimed at the demons. If you are a human monk, you will not be hurt by this supreme fire!"

Chen Ping said!

Chen Ping knew that the people locked up here were all Human monks, so he had already considered it!

The supreme fire that has just been released is only aimed at the demons!

That scream was also the scream of the Demon monk!

Accompanied by screams, a cold air kept coming, as if resisting the heat!

But this gloomy and cold air couldn't resist the terrifying fire all around!

In just a few breaths, the cold aura disappeared!

In front of Chen Ping and the others, a whirlpool suddenly appeared, and Zhihuo was attracted by the whirlpool, forming a fire tornado!

Chen Ping's eyes lit up: "Let's go, this may be the exit..."

After speaking, Chen Ping took Hu Mazi and Xiu Rui straight to the whirlpool!

At the same time, the surrounding fire disappeared, and Chen Ping and his body also fell into the vortex!

"Be careful, the evil spirit here is very heavy!"

Chen Ping reminded Hu Mazi and Xiurui!

Just as Chen Ping's voice fell, suddenly a cloud of black mist rushed out from around the whirlpool. There were grimaces in the middle of the black mist, which looked very scary!

"Huh, still want to stop us?"

Chen Ping snorted coldly, and instantly sacrificed the dragon Slashing Sword, and the dragon slashing sword was still burning with a raging fire!

The most feared of these evil things is the supreme fire.

Boom boom boom!

Chapter: 8144

Chen Ping waved a few swords in a row, carrying the ultimate fire with his sword aura, and instantly defeated the grimaces one by one!

Chen Ping and the others entered the whirlpool smoothly, but as soon as they entered, dense and extremely ugly grimaces appeared all around!

These grimaces are all wrapped in black mist, and there are tentacle-like claws all around!

“Don’t stop...”

Chen Ping’s golden body started without breaking, and his whole body was instantly wrapped in golden light, and around them, a shield formed by the supreme fire appeared!

Xiu Rui’s face was very ugly at the moment, although he was the peak of the fairy land!

But I have been trapped here for hundreds of years, and my body has not recovered yet!

And this is the heavenly realm, he dare not be presumptuous at the peak of the fairy land!

Hu Mazi followed at the end, looked at the dense grimaces around him, and cursed angrily: “Malle Gobi, you have the ability to show your body, who are you scaring with these things?”

After Hu Mazi finished speaking, he saw three talisman appear in his hand, and then threw the talisman in his hand!

Rumble!

Suddenly there was a huge roar, and extremely strong energy burst out all around!

Accompanied by a burst of light, it shone brightly in the whirlpool!

At this moment, Chen Ping and the others could see clearly. It turned out that this dense grimace turned out to be a guy with a deathly aura all over his body and a tomahawk in his hand!

These tentacles and grimaces, like hair, grow on this guy!

Chen Ping and the others are as small as ants in front of this guy!

“Damn, what is this thing? Could it be that this guy made this cage?”

Chen Ping looked at the guy who was taller than Shanyue, and couldn't help swallowing his saliva!

Boom!

Without waiting for Chen Ping and the others to react, the guy directly waved the tomahawk in his hand and slammed it at Chen Ping and the others at once!

At this moment, the breath of terror came oncoming, and at the same time those tentacles and grimaces also attacked at the same time!

In this vortex, there is a small space, coupled with this terrifying attack, Chen Ping and the others have nowhere to hide!

Xiu Rui's eyes widened in shock when he saw this scene, and he began to regret getting out of prison. It's out!

You know, if you die after you come out, you might as well live in prison. Maybe after a long time, you might be released!

Chapter: 8145

“Stinky idiot, tall and useful for an egg!”

Upon seeing this, Hu Mazi cursed angrily, and then slammed his right palm forward!

I saw a blue ice talisman appear in the palm of Hu Mazi’s palm!

With the bursting of the ice talisman, the surroundings were instantly filled with an extremely cold meaning!

Boom!

All the breath, as well as the countless tentacles and grimaces, were instantly frozen at this moment!

The mountain-like guy in front of him still maintained the action of slashing with a tomahawk!

Time seems to stand still at this moment!

Hu Mazi then gently stretched out his hand towards a tentacle!

Kaka kaka.....

With a burst of shattering sound, all the frozen things in front of him turned into powder!

Xiu Rui looked at Hu Mazi in shock!

I was speechless in shock!

Chen Ping was also a little surprised, looking at Hu Mazi and said, "Master Hu, not bad, a little capable..."

"Nonsense, Lao Tzu is about to become a heavenly immortal anyway. Although he has been reincarnated, those abilities are still in my mind."

"After coming to Elysea, I can go back to the past as long as I have a little extra time..."

Hu Mazi said pretending to be coerced!

"Then I have to watch Master Hu cover it!" Chen Ping said with a smile!

"It's okay to cover you, but you kid has to get me some women. If you have a good relationship with women, get a few more and give me some!"

Hu Mazi said!

"Fuck!" Chen Ping rolled his eyes!"

Xiu Rui on the side, listening to the conversation between Hu Mazi and Chen Ping, was also speechless for a while!

"I'm kidding you, I won't touch your woman." Hu Mazi patted Chen Ping: "Let's go, this guy is a puppet, by no means the owner of this cage..."

Chen Ping nodded, and several people rushed forward quickly through the whirlpool passage!

Chapter: 8146

Soon, light appeared in front of everyone's eyes, and Chen Ping was very excited at this moment!

He thought he would be able to escape from this broken place soon. He had just arrived in Elysea without seeing it at a glance, so he was locked up in this cage!

Chen Ping really wants to see what the heavens look like!

After a few more breaths, a white light flashed in front of several people, and then their feet stepped on the ground!

At this moment, they can be down-to-earth, not in a state of suspension in the air!

Chen Ping looked around, then his eyes narrowed slightly, and his face became ugly!

It turned out that they did not leave and came to the vast land of Elysea, but entered a palace!

The palace is surrounded by oil lamps of that kind, and the wicks are beating with flames, as if elves are dancing!

At the front of the palace, there is a high platform with a person sitting on it!

The whole palace was gloomy and terrifying, and the figure on the high platform exuded a gloomy aura!

“This should be the owner of the cage!” Xiu Rui said!

“It should be!”

Chen Ping nodded!

“You dare to break the cage and escape the sanctions, you are so bold!”

“You didn’t reach the ascension in the first place, but you took a shortcut and ascended to the heavens. This is a violation of the way of heaven. You must be punished.”

Above the high platform, a majestic voice came!

At the same time, a very strong coercion enveloped Chen Ping and the others!

“Fuck, how many do you count, and dare to punish others on behalf of Heaven?”

Hu Mazi was furious and waved his hand directly, and the coercion disappeared instantly!

“Huh?” There was a puzzled voice from the figure!

“Who the hell are you? If it replaces the punishment of Heaven, then why only punish the human monks?”

Chen Ping looked at the figure on the high platform with cold eyes and asked!

“I can punish whoever I like, and you can take care of it?”

The figure was very dissatisfied, and then a stronger coercion hit!

Chapter: 8147

Hu Mazi was about to scold the street, but Chen Ping stopped him and said, “Master Hu, leave it alone, let me know this pretentious guy!”

After speaking, Chen Ping stood still, his fingertips suddenly beating golden light, and he pointed casually!

“Fairy finger.....”

Rumble!

That coercion exploded directly at the moment when Chen Pingxian’s fingers touched it!

The whole palace was trembling, and the terrible energy made the whole palace almost collapse!

“You actually know fairy skills?”The figure is puzzled!

Then the figure jumped up from the high platform, and at the same time blood-red sharp blades came towards Chen Ping!

Chen Ping’s whole body was instantly wrapped in an undamaged golden body, then he took out the dragon slashing sword and kept waving it!

Boom boom boom.....

These sharp blades were all blocked by Chen Ping one by one, and then turned into powder!

After blocking those sharp blades, Chen Ping’s Dragon Sword took advantage of the situation, and a violent sword aura bombarded the figure in an instant!

Xiu Rui looked at Chen Ping with his eyes wide open, and he was speechless in shock!

A product of a fairyland, the strength displayed by this is scary enough!

“It’s interesting!”

Seeing Chen Ping slashed with a sword, the figure waved his hand and gathered a shield, directly blocking the sword aura!

Chen Ping still wanted to wave his sword, Hu Mazi said, "Stop fighting, you are not his opponent!"

Obviously, the opponent did not use his full strength, but Chen Ping had already exploded to the extreme!

The strength of the two sides is somewhat different, and it is meaningless to fight!

Chen Ping's eyes were cold, but he knew that this was in the celestial realm, not the celestial realm. In a place like the Celestial Realm, if you come out alone, maybe you are not an opponent!

After all, the difference in strength is too great. He is still a monk now, and he may have been a fairy a long time ago. Even if he is a Sanxian, it is not comparable to a little monk!

"You are the most talented person I have ever seen in so many years."

The figure on the high platform said!

"It's useless for you to praise me. If you don't make it clear to me today, I will destroy your palace and abolish your cultivation base!"

Chapter: 8148

Chen Ping said coldly!

Xiu Rui looked at Chen Ping in shock. He really didn't understand what confidence Chen Ping had to dare to talk to others like this!

Hu Mazi also frowned slightly: “Chen Ping, take it easy, didn’t I say that I would be able to beat him?””

“Master Hu, don’t worry, there are people in Elysea, and I have many friends in Elysea!””

Chen Ping said unintentionally!

I don’t know if the figure on the high platform was fooled by Chen Ping, or for some reason, he never spoke, as if he was thinking about something!

Then the figure slowly walked down from the high platform!

After approaching, everyone found that this man was wearing a dark robe and a mask, with only his eyes exposed!

When Chen Ping saw it, he was speechless for a while. Later, he remembered that anyone who wears a mask and has no face to see people is not fun!

When he thought of being forced to play by Ning Zhi, Chen Ping was angry!

“Which plane world are you from?”The man asked Chen Ping!

“I’m from the world of Heaven and Man!”

Chen Ping said.

“I am from Wuxu Realm.”Xiu Rui said!

“I know you have been locked up for hundreds of years!”The man said to Xiu Rui!

Xiu Rui was immediately embarrassed!

“Your grandfather, I belong to the Sixth Heaven of Heaven.”

Hu Mazi said with disdain to the masked man!

“Six heavens?” The masked man was taken aback, and then looked at Hu Mazi: “It’s indeed a fairy bone, so how could you pick it up from the avenue?”

“You fucking care about me, I can do whatever I want!”

Hu Mazi directly used the words of the masked man just now to beat him back!

The masked man couldn’t say a word when he was Dui by Hu Mazi!

Hu Mazi is indeed a immortal bone, as for whether it belongs to the sixth heaven, he doesn’t know!

But he didn’t dare to provoke. If Hu Mazi is really a fairy of the six heavens, then he provokes Hu Mazi, isn’t that touching the tiger’s ass!

Chapter: 8149

“You just turned into a product of Fairyland, and you can be connected through the avenue. It seems that you do have some skills.”

“I just heard that you know a lot of people in Elysea. Who do you know? Let’s hear it!”

The masked man asked!

“Let’s stop talking, I’m afraid you don’t know if you say it, mainly because your level is too low to see them at all!”

Chen Ping said calmly!

But Chen Ping is also telling the truth. This is just the first heaven in the heavens. According to Hu Mazi, there are scattered immortals under the three heavens of the heavens, and there are also monks who are attracted by the avenue!

There are not many awesome characters, and the awesome immortals of others can’t look down on these people under the three heavens!

So even if Chen Ping said it, the person in front of him would definitely not know it!

“It’s so awesome, let me hear a few of you!”

The mask man feels that Chen Ping is bragging!

It’s just a monk who turns into a fairy land and a product. Even if he has good talents, how can he know the big people in the heavens?

“Do you know the Wuji Shengzong of the heavens?”

Chen Ping asked!

When the masked man heard this, he shook his head!

And Chen Ping looked at the masked man and asked, “Are you a demon?””

“Yes, I am a demon!”The masked man nodded!

“That’s easy to do, I know the blood demons, Yin demons, wind demons, and array demons of the heavens.”

“There is also the Red Cloud Demon Lord of the Nine Heavens of the Heavens, that is my good buddy!”

Chen Ping said to the masked man!

“It’s nonsense, are you lying to me here?”

When the masked man heard this, he snorted coldly!

Chen Ping was taken aback, and then said, “I’m lying to you for a fart. I really know them. That Chiyun Demon King is really my good buddy!”

“It seems that you have just arrived in the heavens and you don’t understand the rules of the heavens. How could there be a demon king in the nine heavens? Those demons are all in the twenties, and it would be nice to reach the highest in the nine heavens. The demon is good.”

“You are fooling children here, the demon king of the Nine heavens, do you really think that any demon fairy can become a demon king?”

Chapter: 8150

The masked man directly beat Chen Ping to death!

“What?” Chen Ping was a little confused, then he became aware of his body, looked at the Red Cloud Demon Lord and said, “Senior, what’s going on?””

“What’s going on?” Demon Lord Chiyun asked pretending to know nothing.

“I’m asking you, what realm are you in?What this guy said just now is right?”

Chen Ping asked!

“I am in the Nine heavens of the heavenly Realm, which is the realm of the heavenly demon. This Red Cloud Demon King is just my nickname for walking in the rivers and lakes. I never said that I have reached the realm of the demon King!”

“This is what you think, don’t say I’m pretending to be forced...”

Demon Lord Chiyun said slightly embarrassedly!

“No, no, Tianmo is already awesome!”

Chen Ping said hurriedly!

No wonder the Red Cloud Demon King didn’t talk about his realm at first, and he was still anxious when he asked!

It turned out that I was afraid of being exposed by pretending to be forced!

But even if it is the strength of the heavenly demon, in a place like the heavenly world, it is like the lord of heaven and earth!

“That Demon Lord Chiyun is just a name. This guy I know is the demon of the Nine Heavens.”

“My name is Chen Ping now. If I change my name to Chen Shengzhe, does that mean that I am invincible in the heavens?””

Chen Ping smiled at the masked man!

“Then you said you know the wind demon, the yin demon, and the blood demon. Is there any evidence?”

The masked man asked!

“Want evidence?” Chen Ping sneered, and suddenly punched towards the high platform behind the masked man!”

“Holy Light Fist.....”

Boom boom.....

With a deafening sound, the high platform in the palace instantly turned into powder!

Then Chen Ping waved his palm lightly, and bursts of Dao pattern evil aura in his body instantly filled!

Feeling the evil spirit in Chen Ping’s body, the mask man was shocked!
