

The Order 821

Chapter: 821

Halfway through eating, Chen Ping's cell phone rang. He stood up and answered the call!

"Brother, are you in Hongcheng?"

As soon as the call was connected, Chen Yingxia's voice came over!

"Here, what's wrong with Yingxia?" Chen Ping was a little nervous. He thought Chen Yingxia had encountered some difficulties!

"Brother, Song Tie will hold a concert in Hongcheng in five days. I think you are very capable. Can you find a way to get some tickets?"

Chen Yingxia asked softly.

"Okay, no problem!" Chen Ping agreed directly!

Seeing Chen Ping agree, Chen Yingxia hung up the phone happily. However, after agreeing, Chen Ping felt a little helpless. Originally, he didn't want to have anything to do with Song Tie. Chen Ping was also a normal man. Regardless of Song Tie's appearance, She was a first-class beauty in terms of figure and figure. Chen Ping was really afraid that he would make mistakes if he had too much contact with Song Tie!

But now I have no choice but to contact Song Tie and ask for some tickets...

Chen Ping put away his cell phone and sat back at the dining table!

"Whose phone number?" Su Yuqi asked curiously.

“Ying Xia, she wants to see the concert and asked me to get some tickets for her...”

Chen Ping said calmly.

“Do you have a way to get it? This ticket has always been difficult to get. Now you can’t even buy it at a higher price, and I can’t buy it either!”

Upon hearing this, Gu Ling’er hurriedly asked Chen Ping.

Chen Ping nodded: “Yes...”

“Then you have to get me one too...”

Gu Ling’er believes in Chen Ping’s words. With Chen Ping’s strength, it shouldn’t be difficult to get a few tickets!

“Okay...” Chen Ping said without hesitation!

“I’m so envious. I’m so happy to find a capable boyfriend. He can solve everything...”

Gu Ling’er looked at Su Yuqi enviously. This envy was not pretended, it was real envy!

“If you are envious, let me give you half...”

Su Yuqi said with a evil smile!

Gu Ling’er blushed and stopped talking!

Chapter: 822

Just when a few people were about to finish eating, the doorbell suddenly rang!

“Who will come?” Su Yuqi was a little confused, knowing that few people come here.

“I gonna go see.....”

Chen Ping got up and checked!

When he opened the door, he saw a beautiful girl standing outside the door. Although she was wearing a big sun visor, Chen Ping could tell at a glance that the girl was Song Tie!

“You really live here...”

After Song Tie saw Chen Ping, his face suddenly burst into laughter!

“You...how did you find this place?” Chen Ping was startled and secretly looked back at Su Yuqi!

If two people met, he wouldn't know how to explain it, especially the way Song Tie looked at him with deep love. If Su Yuqi saw this, Chen Ping couldn't even imagine what the consequences would be!

“This is not simple. Didn't you give your address to my dad? I came here to send you stones...”

Song Tie pointed to a van not far away and said, “It's full of stones you want. I'll come over and give you the stones. Don't you invite me to come in and have a seat?”

“Put the stone down and go back. It's not very convenient now. I'll contact you later. I just need to see you for something!”

Chen Ping said slightly anxiously!

“What’s the matter? Is it about the concert?” Song Tie smiled slightly!

But before Chen Ping could speak, Su Yuqi from the restaurant shouted loudly: “Chen Ping, who is it?”

“Oh, the delivery person...” Chen Ping said hurriedly!

“Is there a beauty hidden in the golden house? Who is inside?” When Song Tie heard the girl’s voice, he immediately became interested!

“My girlfriend is not what you think...”

Chen Ping could only explain helplessly!

“Then I want to see what your girlfriend looks like. It’s so enviable to have a capable boyfriend like you...”

Song Tie said, and actually rushed directly into the house!

Chen Ping wanted to stop him, but he couldn’t. He couldn’t take Song Tie away, could he?

Song Tie rushed into the house. Su Yuqi was eating with Gu Ling’er. When they saw Song Tie suddenly barging in, both of them were stunned!

Song Tie was also stunned. She didn’t expect that there were two girls, and both were very beautiful. She didn’t know which one was Chen Ping’s girlfriend!

Chapter: 823

“You...are you Song Tie?”

After Gu Ling’er was stunned for a while, she suddenly screamed!

When Su Yuqi heard this, she was also a little excited. No wonder she looked familiar just now. He turned out to be a big star!

“Hello...”

Song Tie smiled slightly!

“Hello, hello, please take a seat...”

Gu Ling'er hurriedly asked Song Tie to sit down and poured tea and water!

At this time, Chen Ping also followed and said to Song Tie: “This is my girlfriend Su Yuqi!”

Song Tie looked at Su Yuqi, and then smiled faintly: “Miss Su is indeed beautiful, no wonder she can charm Mr. Chen...”

Song Tie stretched out his hand and shook it with Su Yuqi!

Su Yuqi was a little confused at this time, and asked Song Tie: “Miss Song is following my boyfriend?”

She had never heard Chen Ping mention that he knew a big star like Song Tie!

“We know each other. Mr. Chen also lived in my house for a while!”

Song Tie said.

“Ever lived in your house?” Su Yuqi looked at Chen Ping in shock!

Gu Ling'er was also confused at this time and looked at Chen Ping in disbelief.

"Don't get me wrong. When she said she was staying at his house, she was simply living at his house. Nothing happened..."

Chen Ping explained hurriedly!

But he felt that the more he explained, the darker he got, and in the end he had no choice but to look to Song Tie for help!

Song Tie smiled: "Miss Su, don't get me wrong, Mr. Chen is simply living in my house, because our family is in the ore business, and Mr. Chen needs a batch of ore, so he lives in my house to discuss cooperation!"

"I am here to deliver ore to Mr. Chen. We are now in a cooperative relationship!"

After Song Tieyi explained, Su Yuqi understood instantly. She also remembered that Chen Ping followed Wu Dong to Hengshan some time ago!

"Miss Song is too worried. How could I misunderstand you? Hurry up and sit down!"

Su Yuqi smiled and asked Song Tie to sit down!

Chapter: 824

"You guys chat, I'll arrange for someone to unload the ore..."

Chen Ping found an excuse and slipped away, otherwise he wouldn't know what to say here!

Chen Ping directed the spirit stones to be unloaded into the courtyard of the villa. This thing was priceless to Chen Ping, but to ordinary people or warriors, it was just broken stones!

After putting the spirit stones away, Chen Ping walked back to the house and found three girls, Su Yuqi, Gu Ling'er and Song Tie, laughing. He was a little confused, why were the girls familiar with each other?

"The spirit stones have been unloaded. If you have nothing to do, you can leave. Aren't you going to have a concert in a few days? Can you give me some tickets?"

Chen Ping said to Song Tie.

"Of course!" Song Tie stood up and smiled at Chen Ping: "I'll give you a few pictures from the front row so you can see me clearly!"

When Song Tie said this, his eyes flicked towards Chen Ping, which scared Chen Ping and quickly moved his eyes away!

After saying a few more words, Song Tie left, but when Song Tie walked back, Su Yuqi and Gu Ling'er both looked at Chen Ping with strange eyes!

"You...why are you two looking at me like this?"

Chen Ping asked in a panic.

"Let me ask you, does Song Tie like you? A big star, will he come to give you something specially? She came to this small Hongcheng to hold a concert, I think it is probably because of you, right? She is beautiful, and has a lot of talent. Talented woman, aren't you very excited?"

Su Yuqi's eyes were sharp and she asked Chen Ping!

"I don't know if she likes me, but I definitely don't like her. I told you that I am a very dedicated person. If you don't believe me, there is nothing I can do. I need to practice these days and don't want anyone to disturb me... .."

After Chen Ping pretended to be angry, he turned and returned to his bedroom.

Su Yuqi was stunned. Chen Ping's move turned against the guest, making Su Yuqi unable to resist.

"Ling'er, I...am I going a little too far?"

Su Yuqi didn't know if she had gone too far, so she asked Gu Ling'er in a low voice.

Gu Ling'er looked confused: "I don't know, but looking at Chen Ping's appearance, he might be really angry. The most important thing in a relationship between two people is trust. If you don't trust him like this, it might make him sad... .."

"Then... what should we do?" Su Yuqi panicked!

"Let's wait and see, maybe it will be fine in two days..."

Gu Linger has no experience either, so she can only wait and see!

When Chen Ping returned to the room, he let out a long breath. If he didn't use this method, he didn't know how long Su Yuqi would question him!

After sitting cross-legged, Chen Ping began to practice the Heart Condensation Technique. There were still five days before Song Tie's concert. Chen Ping hoped that he could break through to the Bigu stage in these five days.

Chapter: 825

If he reaches the Bigu stage, Chen Ping will be able to stop eating fireworks and be fine for several months, and his strength will also increase a lot. Even if he encounters a master like Qian Feng, he can just wave his hand and solve it!

When Chen Ping was practicing, there was a bare stone island thousands of kilometers away on the sea. This island was the Wuming Island, because it used to be just a reef, but the seawater slowly settled and formed a stone island. There are no animals or plants on the island, only various rocks, so no one comes here!

But at this time, on the beach on the island, a man wearing a bamboo hat and fishing rod was fishing!

Not far away, a girl was practicing Kung Fu in a sweat. If Chen Ping saw this girl, he would definitely recognize her. This girl is Xiaoru, the daughter of Taoist Master Fuxu!

When Taoist Master Buxu was killed by Taoist Master Wuwei, Chen Ping, after avenging Taoist Master Buxu, handed the Seven Star Pan to Xiaoru and asked Xiaoru to leave with Taoist Wuwei!

A few months later, Xiaoru appeared on this deserted island, and the old man fishing didn't look like a Taoist Wuwei!

"Xiao Ru, go catch some fish from the sea to cook. I'm hungry..."

The old man fishing said.

"I understand, Master..."

Xiaoru nodded, jumped directly into the sea, and completely disappeared!

Just after Xiaoru jumped into the sea, a small boat came quickly. The boat had no power. There was only a middle-aged man standing on it, but the speed of the boat was as fast as if it was equipped with a propeller!

Soon the boat stopped on the shore, and the middle-aged man jumped up and landed next to the old fisherman!

"Butler Long, the news has spread..."

The middle-aged man said respectfully to the old fishing man.

“Yes!” The old man nodded and took off his hat, revealing a wrinkled face. Chen Ping would definitely be surprised to see it, because this old man is the old dragon head who taught him in prison!

“What day is it now?” asked the old leader.

“The eighth day of June!” the middle-aged man replied!

“Come to think of it, there is only more than a month left. I hope that boy Chen Ping’s cultivation will grow faster, and it is best to reach the fifth level of foundation building!”

The old leader said with hope in his eyes!

“Butler Long, the young master’s training time is short, and it has only been a few months. Even if he is extremely talented, it may be a bit difficult!”

The middle-aged man shook his head and said.

“I know it’s difficult, but there is no way. He is the only hope, otherwise no one can save the eldest lady...”

A hint of helplessness flashed in Lao Longtou’s eyes, and then he looked at the calm sea: “That’s all I can do, the rest can only depend on luck!”

Chapter: 826

Just as Lao Longtou finished speaking, the sea surface surged, and Xiaoru’s body rushed out instantly, holding two groupers in his hand!

“Master, there is grouper to eat today...”

Xiaoru happily shouted to Lao Longtou!

After arriving on the shore, Xiaoru was not surprised when she saw the middle-aged man, but politely shouted: "Uncle Long, you are here..."

The middle-aged man smiled slightly and nodded!

Soon Xiaoru took the fish and left to cook, and the middle-aged man looked at Xiaoru's back and couldn't help but sighed: "What a good child, and he is also made of ice crystal. His future strength will be limitless. ah....."

"Hey!" The old dragon head also sighed: "I have no choice. If it is really forced, I can only sacrifice her. We can't let the young master die. Once the young master dies, the eldest lady will definitely not survive. By then, the entire Long family will no longer be the same Long family as before..."

"But I still hope that Butler Long can explain things clearly to this girl Xiaoru. I believe Xiaoru will know the basics. After all, the young master is her savior..."

The middle-aged man said with a somewhat gloomy expression.

During this period of contact with Xiaoru, this middle-aged man has developed feelings. He doesn't want Xiaoru to be kept in the dark and die inexplicably!

"Well, I will tell her!" Old Long nodded: "After you spread the news, how did the people in the Long family react?"

"Of course they were shocked. They thought the eldest lady's child had died a long time ago. Now that they know he is still alive, they started sending people to search everywhere!" said the middle-aged man.

"That's good. With the strength of the Long family, it shouldn't take long to find the young master..." Old Dragon Head said with a smile!

"Butler Long, why are you so anxious to let the people of the Long family know that the young master is still alive? Can't you wait until the young master has grown up for a few years and become stronger?"

The middle-aged man asked with a puzzled look on his face.

“Because the eldest lady can no longer hold on for that long. She has been imprisoned for more than 20 years and has been tortured. If we don’t give her some spiritual support, she won’t be able to hold on...”

The old dragon’s eyes were filled with mist, and a tear fell down!

The middle-aged man’s expression was also very depressed, and he said to the old leader: “Butler Long, what secret did the old family master tell the eldest lady before he died, so that the people of the Long family desperately wanted to know and locked up the eldest lady? So many years...”

“I don’t know either, but this secret should be very important to the Long family, otherwise the eldest lady would not be alive until now...”

The old dragon shook his head!

Both of them were silent, and no one spoke anymore, but soon Xiaoru’s voice came: “Master, Uncle Long, the food is ready, you can come over and eat...”

The old dragon head and the middle-aged man looked at each other and smiled. The two of them walked towards Xiaoru. Soon, there was a burst of laughter and a burst of fragrance in front of a stone house!

Hongcheng Panlongshan Villa!

At this time, Chen Ping had been locked in his room for four days. During these four days, Chen Ping continued to absorb the spiritual energy in the spiritual stones. There were not many spiritual stones left in the yard at this time!

Chapter: 827

And in Chen Ping’s body, the spiritual energy has almost reached a gushing state, surging in waves, as if it is about to break through the dantian!

Chen Ping's forehead was already dripping with sweat. Every breakthrough in a great realm was a disaster. Not only would the Dantian break through and be reshaped, but also the body.

Now Chen Ping felt as if his whole body was a puddle of mud and all his bones had been smashed, but Chen Ping didn't dare to stop because he knew this was the most critical time for a breakthrough!

As long as you break through, your strength will make a qualitative leap. But if you give up or fail, you don't know when the next breakthrough will be!

Rumble.....

Suddenly, bursts of sound erupted in Chen Ping's body, and then his dantian was broken by the vast sea of spiritual energy. However, the broken dantian soon reunited again, and the vast spiritual energy was sucked into his dantian again!

But this time, after the vast spiritual energy poured into the dantian, there was no movement at all, as if it had disappeared into the sea, and the surge just now was gone...

"Breakthrough..."

Chen Ping's eyes suddenly opened with excitement in his eyes!

If the dantian in the foundation building stage is like a bucket, then now that Chen Ping has made a breakthrough, the dantian has become a water tank. The originally full bucket of water, but when poured into the water tank, it is inconspicuous!

Chen Ping looked out the window. At this time, Chen Ping could see clearly hundreds of meters outside the window, and his hearing had become sensitive!

Chen Ping's temperament has also changed a lot. Entering the Bigu period is the beginning of true immortality, and he can no longer eat the fireworks of the world!

After walking out of the room, Chen Ping found that Su Yuqi and Gu Ling'er were not there. They were probably bored these days, so the two of them went shopping!

I took a shower in the bathroom and changed my clothes!

Chen Ping originally wanted to have a good sleep, but Zhao Wuji called him and called him out!

In a teahouse in Hongcheng, Zhao Wuji brought Xu Shimaο. Xu Shimaο was indeed a great master. Such a serious injury had no impact in a few days.

Seeing Chen Ping's arrival, Xu Shimaο politely helped Chen Ping move a chair!

If it weren't for Chen Ping for Xuanyuegu and his party, Xu Shimaο would have become a corpse long ago!

"This is the tea I personally brought from Kyoto. Try it..."

Zhao Wuji said to Chen Ping!

Chen Ping picked up the teacup, took a sip and said, "Do you have anything to do with me?"

"It's nothing serious. I just want to thank you for saving Captain Xu. The other thing is the Qin family's affairs. They shouldn't come to trouble you in the short term. They have to wait until the head of the Qin family comes out of seclusion!"

Zhao Wuji said.

"You called me out just to tell me this?" Chen Ping smiled lightly: "Even if the Qin family comes to trouble me now, I'm not afraid!"

Chapter: 828

For Chen Ping who has been promoted to the bigu realm, even if the great master of internal energy comes, it will only be a slap in the face!

“Mr. Chen, I hope you don’t underestimate the enemy. The current strength of the Qin family cannot be underestimated. The four great kings of the Qin family are all killing machines, all with the strength of the great master. And the head of the Qin family may be out of seclusion this time. It is the pinnacle of grand master, and it is even possible to be promoted to martial arts master. This is a terrifying power...”

Zhao Wuji persuaded Chen Ping.

“Okay, if you just come here and tell me this, you can go. I don’t take the Qin family seriously at all...”

Chen Ping slowly stood up and prepared to leave!

“Mr. Chen, can I take the liberty to ask you, where is your strength now?”

Zhao Wuji was very curious about what kind of strength Chen Ping was!

However, after hearing what Xu Shimao said when he came back, Chen Ping easily killed Qian Feng, the owner of Xuanyue Valley, which made Zhao Wuji confused about how strong Chen Ping was!

Chen Ping hesitated for a moment, then shook his head: “I don’t know how my strength compares with yours, because I am not a warrior...”

“Are you a warlock?” Zhao Wuji asked.

Chen Ping shook his head again.

Zhao Wuji was stunned for a moment, then his eyes widened and he looked at Chen Ping with surprise in his eyes. His mouth was big enough to hold an egg!

“Captain Xu, go out and guard. No one is allowed to come near without my order...”

Zhao Wuji suddenly ordered to Xu Shimao!

Xu Shimao walked out of the room and stood guard at the door, while Zhao Wuji looked at Chen Ping and said, “Is Mr. Chen a monk?”

“You also know about monks?” Chen Ping was stunned. The Bai family knew about the existence of monks because they had encountered them before, but how could Zhao Wuji know about it?

Seeing Chen Ping ask this question, Zhao Wuji immediately understood and nodded immediately: “Of course I know about the immortal cultivators, and there are still many immortal cultivating families in our country of Daxia, but these families and people are all hidden in the world. If you don’t show it, you won’t reveal your strength at all, so many people don’t know about it. As the master of the Kyoto Dharma Protector Pavilion, of course I understand!”

“Are there many immortal cultivators in the world?” When Chen Ping heard this, he became excited!

He has always wanted to find immortal cultivators other than Lao Longtou. After all, he is too lonely alone. He still doesn’t understand many things in the world of immortality. He really wants to find someone to ask!

Zhao Wuji nodded: “Some things are confidential. I can’t elaborate on it with Mr. Chen. Since Mr. Chen is an immortal cultivator, I can rest assured. No wonder I dare not take the Qin family seriously.”

“Is there something wrong with you?” Chen Ping asked, looking at Zhao Wuji’s expression.

“To be honest with Mr. Chen, I am looking for Mr. Chen this time because I want Mr. Chen to do a favor. I will hold an international exchange meeting in a while. I heard that both Xiong Country and Aluo Country have secretly found experts. This time, several of my subordinates The captains are busy. Captain Xu was injured just now and would like to ask Mr. Chen to help us fight at this international exchange meeting...”

Zhao Wuji said a little embarrassed.

Chen Ping frowned slightly and hesitated. It wasn't that he couldn't fight, but that it was getting closer and closer to July 15th. There was only more than a month left. He wanted to take advantage of his free time to practice quickly and improve his cultivation. for.

Chapter: 829

"If Mr. Chen is in trouble, forget it..."

After knowing that Chen Ping was a cultivator of immortality, Zhao Wuji became even more respectful to Chen Ping!

"What time?" Chen Ping asked.

"Two months later!" Zhao Wuji hurriedly replied!

"Two months later?" Chen Ping smiled: "If you had said two months earlier, I would have promised you!"

"Does Mr. Chen still have anything else to deal with?" Zhao Wuji asked: "If there is anything I can do to help, I am willing to help!"

Chen Ping waved his hand: "No need, it's just some personal matters!"

After chatting for a while, Zao Wuki took Xu Shimao and left. But just as he opened the door, Zao Wuki suddenly turned around and said: "Mr. Chen, there will be an antique exhibition and auction in Kyoto in five days. I think you may be able to use it." s things!"

Chen Ping was slightly startled: "Antique exhibition and auction? Is it officially held?"

"Of course not. The organizer is a Hong Kong businessman and a collector. He holds this exhibition and auction just to attract some antique lovers to take out their own treasures. As long as this Hong Kong

businessman likes it, he will not hesitate to do so. We won it at all costs, our Dharma Protector Pavilion is only responsible for security work!” Zhao Wuji explained.

“Well, thank you Pavilion Master Zhao!”

Chen Ping needs a lot of spiritual power now, and these antiques will also contain spiritual power, or like Gu Wentian’s dragon chair, contain resentment, which can help Chen Ping practice.

After seeing off Zhao Wuji, Chen Ping also returned home, but seeing that Su Yuqi hadn’t come back yet, Chen Ping fell asleep and guessed that Su Yuqi had gone back to Su’s house!

Early the next morning, Song Tie sent someone to deliver tickets to Chen Ping, all of which were seats in the front row!

Chen Ping looked at the show and saw it was still early, covered his head and fell asleep again!

At the Hongcheng Stadium, Chen Yingxia was waiting anxiously at the door with two female classmates!

“Yingxia, can your brother really buy the tickets? I know that the tickets this time were sold out very early, and many people got them from scalpers at high prices!”

A female classmate asked Chen Yingxia.

“My brother is very powerful. If he says he can do it, he will definitely do it!”

Chen Yingxia has great trust in Chen Ping. In Chen Yingxia’s eyes, Chen Ping has even taken care of Chen Guzhi, so he must be an amazing person!

“Then you call your brother and send the tickets quickly. We will enter the venue soon...”

Another female classmate urged anxiously!

“I called and turned off the phone!” Chen Yingxia was also very anxious at this time!

At this moment, three boys aged 17 or 18 came over. One of them was wearing earrings, and he was very angry!

Chapter: 830

Seeing these three boys, Chen Yingxia looked a little scared and panicked!

“Yingxia, don’t you have any tickets?”

The boy with earrings asked.

Chen Yingxia just glanced at the boy and said nothing!

But the girl on the side said: “Yingxia said that his brother got tickets for us!”

“Haha, do you know how difficult it is to get tickets? Let me tell you, my dad is also the sponsor of this concert, so I got some front row tickets...”

The boy took out a few tickets and waved them in front of Chen Yingxia and the other girls!

When they heard that they were tickets for the front row, the eyes of the two girls next to Chen Yingxia were straightened, and Chen Yingxia couldn’t help but take a second look!

“Brother Po, can you let us take a look?”

The two girls asked the boy with flattering faces.

“Okay!” The boy handed the tickets in his hands to the two girls. The two girls’ eyes were shining and they couldn’t put it down!

“If Yingxia can agree to be my girlfriend and kiss me, I can give you this ticket...”

The boy said with a playful look.

“Really?” When the two girls heard this, they immediately became excited: “Ying Xia, Brother Po’s family is in a big business. If you are rich, you will agree to be his girlfriend?”

“Yes, if you go to kiss Brother Po, we can get tickets. It’s still the tenth row of seats. You can see Song Tie without a telescope!”

Chen Yingxia had just transferred to another school, so she didn’t have many friends. These two girls were her best friends, but now they actually persuaded her to kiss Zhang Jianpo for tickets!

“How could you two do this? I don’t like him, let alone kiss him!”

Chen Yingxia frowned slightly.

“Ying Xia, a kiss won’t kill you. What age is it now, and you are still so conservative!”

“That’s right, you are a transfer student from the countryside. Brother Po has taken a liking to you. That’s your fate. Why don’t you know how rare it is?”

In order to get the tickets, the two girls tried their best to persuade Chen Yingxia!

“I don’t want the tickets. If you want it, you can ask for it yourself. My brother will give me the tickets. I believe in him!”

Chen Yingxia followed the two girls and distanced themselves!

“Your brother lied to you. If he had the tickets, he would have come a long time ago. Even his mobile phone is turned off now. Don’t even think about it!”
