

The Order 8231

Chapter: 8231

“Boy, you are really brave. If you die in there, don’t blame me...”

The crazy fairy muttered quietly.

Soon, terrifying auras spread in all directions, and the Crazy Immortal kept retreating.

But soon, the aura was suppressed by the golden light and slowly began to return.

The Crazy Immortal looked extremely surprised. He couldn’t believe that Chen Ping could suppress such a powerful evil spirit.

Isn’t this too outrageous?

Even if Chen Ping has the blood of the Golden Dragon, his realm is only the Immortal Realm after all.

The Crazy Immortal stared at that area intently, while the City Lord the Gadfly was also looking at it nervously through the bronze mirror.

At this moment, he did not want Chen Ping to die in Purgatory. If Chen Ping came out alive, he could find a way to get close to Chen Ping, or even win Chen Ping over to work for him.

He even thought of using his daughter to seduce Chen Ping.

In that area, terrifying evil spirits kept erupting, impacting the surrounding airspace.

Feeling the horrible evil spirit, Fengxian was also extremely shocked. He didn't understand whether Chen Ping was still alive in that area.

With this kind of evil spirit, Fengxian knew that he couldn't hold on for a moment.

Accompanied by the burst of terrifying evil spirits, it was immediately submerged by golden light. This was the blood breath of Chen Ping.

At this moment, Chen Ping was madly absorbing the evil spirit.

"Won't my body explode and die if I absorb it like this?"

The Gadfly frowned slightly, clenched his hands together, and was worried about Chen Ping.

You should know that the evil spirits in this area are extremely murderous. If one cannot control himself well and absorbs too much evil spirit, his mind will be affected!

If Chen Ping absorbs too much evil energy and eventually becomes possessed and turns into a killing machine, then no matter how good Chen Ping's bloodline is, it will be of no use.

Now neither Fengxian nor Gadfly can see the situation in that area, and they don't know what happened to Chen Ping.

All he could feel was the evil energy constantly erupting, and then being suppressed by Chen Ping's blood aura.

This situation lasted for a day and a night...

The Crazy Immortal and the Gadfly, one was at the scene, and the other was watching through the bronze mirror, staring intently for a whole day and night.

boom!

Chapter: 8232

With a loud bang, the entire area suddenly exploded, and the bloody atmosphere in the air began to slowly dissipate.

Chen Ping walked out step by step. At this moment, Chen Ping was completely wrapped in murderous aura, and the monstrous murderous intent continued to emerge from Chen Ping's body.

Feeling the murderous intent in Chen Ping's body, Fengxian became scared and hid far away. He was afraid that Chen Ping would suddenly attack him.

However, Chen Ping's eyes were clear, and he was using his blood to suppress the evil spirit.

Suddenly, a golden light shot up into the sky from Chen Ping's body, accompanied by bursts of dragon roars.

The murderous intent in Chen Ping began to fade, and the evil spirit surrounding him was also slowly disappearing.

Only after seeing the murderous intent in Chen Ping fade away did the Crazy Immortal dare to approach slowly.

Looking at the mad fairy, Chen Ping couldn't help but smile and said, "Senior, I'm really sorry for scaring you..."

"Fuck, you really scared me."

When Fengxian saw that Chen Ping was really fine, he let out a long sigh of relief. If Chen Ping's mind was really affected by the evil spirit and he attacked him, Fengxian didn't know if he could withstand it.

“Senior, do you know if there are other places in this purgatory that have even more intense evil spirits?”

Chen Ping asked!

“No more, no more. I’ve been here for hundreds of years, and there is absolutely no more.”

The crazy immortal quickly shook his head!

Even if he knew, he wouldn’t dare take Chen Ping with him. It was too scary. If Chen Ping went crazy, he would be in trouble.

“Since it’s gone, I need to refine the evil spirit in my body and absorb it completely, so I won’t accompany you anymore.”

Chen Ping took out the Demon-Suppressing Tower and planned to enter it to practice and completely absorb the evil energy in his body.

Although Chen Ping is fine now, that’s because he is suppressing it with his own bloodline.

“Is this something safe?” The Crazy Immortal was very curious when he saw this.

“It’s just a small tower. Senior, would you like to come in and sit down?”

Chen Ping asked.

“Is it okay?” Fengxian was very curious.

“Of course!” After Chen Ping finished speaking, he took Fengxian directly into the Demon-Suppressing Tower.

“There doesn’t seem to be anything in your tower. It’s completely empty. What’s good in it?”

Chapter: 8233

The Crazy Immortal looked puzzled.

“Senior, you just need to practice here. When you go out, you will naturally know what is good.”

After saying that, Chen Ping sat cross-legged and ignored the crazy immortal.

Upon seeing this, Fengxian sat down and began to practice.

In the blink of an eye, dozens of days passed!

Chen Ping completely absorbed the evil spirits, and at the same time, his strength actually reached the peak of the ninth level of the Transformation Realm. He was only one step away from breaking through to the Scattered Immortal Realm.

“I wonder if my realm can still be improved so quickly after reaching the Sanxian realm?”

Chen Ping said with some emotion.

“Your tower doesn’t even have any resources or spiritual energy. It’s meaningless to practice here.”

When the Crazy Immortal saw that Chen Ping had finished his training, he complained.

Chen Ping just smiled and didn't say anything, but took Fengxian away from the Demon-Suppressing Tower.

At this moment, the Gadfly watched Chen Ping and Fengxian leave and enter the Demon-Suppressing Tower, but after just a few hours, the two came out.

At this moment, Fengxian hadn't noticed anything unusual, so he asked, "It's out now, but there's nothing special about it. Isn't it still in the same place?"

Chen Ping smiled calmly and said, "Senior, how long do you think we have been practicing in the tower?"

Fengxian frowned slightly and said, "It should take dozens of days and nights, right?"

Chen Ping nodded: "Yes, we did practice for dozens of days and nights, but in this outside world, only a few hours have passed."

"What?" The Crazy Immortal was shocked: "You are kidding me, is this tower of yours a time artifact? Can it change the speed of time?"

"One year in the outside world is equivalent to a hundred years inside the tower," said Chen Ping!

"Shit..." The Crazy Immortal was shocked. "What you mean is, I have been in Purgatory for hundreds of years. If I use your tower, it will only take a few years?"

"That's right..."

Chen Ping nodded!

"Damn, no wonder you are so young, but you have such strength. With such a treasure, others would have to work hard for several years, but you can practice for hundreds of years."

“You are so awesome...”

The Crazy Immortal looked at the Demon-Suppressing Tower in Chen Ping’s hand with envy in his eyes.

Chapter: 8234

“Senior, if you need, you can enter this tower to practice at any time. After all, we have known each other for a long time, and you have brought me to such a good place.”

Chen Ping said with a smile.

When Fengxian heard this, he was immediately excited and pulled Chen Ping to his knees: “Heaven above, earth below, today I and...”

“What is your name?”

“My name is Chen Ping!” Chen Ping said in confusion.

“Today, Chen Ping and I have become brothers of the opposite sex. We share happiness and hardships. We do not ask to be born on the same day of the same month of the same year, but we ask...”

“Senior, alright, alright, stop talking...” Chen Ping hurriedly pulled Fengxian up.

I am still very young and will live as long as the sky in the future. How many years has this crazy immortal lived?

Chen Ping doesn’t want to die on the same day as the Fengxian!

“We are brothers now, why are you calling me senior? It’s so strange...”

“From now on, we will call each other brothers...”

After Fengxian finished speaking, he clasped his fists towards Chen Ping and said, “Brother...”

“Ah?” Chen Ping was stunned for a moment. How did he become the big brother?

This crazy immortal is so much older than him, so how come he becomes the big brother?

“We become brothers, not based on age, but on strength...”

“You are stronger than me, so of course you are the big brother.”

“Big brother, please accept my respects.”

As the Crazy Immortal said this, he knelt down before Chen Ping.

Chen Ping hurried forward to stop him: “Senior, you can’t do that, you can’t do that...”

“Brother, don’t you recognize me? If you don’t recognize me, I won’t get up.”

The Crazy Immortal knelt on the ground and said seriously.

“No, I admit it, I admit it, get up quickly.” Chen Ping was helpless.

“Brother...” the crazy immortal shouted.

“Little brother, get up quickly!”

Chapter: 8235

Chen Ping could only call him “little brother”.

Feng Xian then stood up happily: “Brother, if you have anything in the future, just tell me. I still have some face in Rhino City.”

“Even though I have been in this purgatory for hundreds of years, everyone knows my name, the Crazy Immortal.”

“Okay, then I’ll leave here first!”

Chen Ping nodded!

The Gadfly, who had been observing through the bronze mirror, was also impressed by the Crazy Immortal’s adaptability.

This guy actually knelt down before Chen Ping and became his younger brother.

“Humph, you spineless thing, just to get someone’s magic weapon, you actually acknowledged me as your big brother.”

The Gadfly snorted coldly, then shouted loudly: “Come here, prepare the teleportation array, I want to go to the Purgatory Field to meet my eldest brother...”

After seeing Chen Ping’s Demon-Suppressing Tower, the Gadfly no longer thought about how to accept Chen Ping as his successor. He only wanted Chen Ping to accept him as his younger brother.

Even if you can stay in the tower for a year or two, it will increase your cultivation by a hundred years.

At this time, outside the Purgatory, Bai Yi, who had been waiting for Chen Ping, seemed a little anxious!

He was afraid that something might happen to Chen Ping in the Purgatory. After all, Chen Ping's strength had just reached the level of Immortal Realm, and he had been in there for such a long time.

Just as Bai Yi was anxiously waiting, suddenly a white light appeared in the area in front of the Purgatory!

Then the Gadfly appeared in the white light with a dozen guards.

Upon seeing this, the guards of the Purgatory and the older female staff member ran over and knelt in front of the Gadfly.

"I didn't know the city lord was coming. I deserve to die..."

The older staff member said while trembling.

The city lord hasn't been here for many years. After all, this place is too far away from the city lord's mansion. Although there is a teleportation array, it consumes a lot of resources, so the gadfly rarely comes here.

The sudden arrival today made many people here feel terrified and they didn't know what was going on.

When Bai Yi saw the Gadfly, he was also slightly surprised. He didn't understand why the city lord suddenly came here.

"Have those who were undergoing the trial in Purgatory ever come out?"

The Gadfly asked the staff member.

Chapter: 8236

After hearing what the Gadfly said, Bai Yi's heart tightened. He didn't understand how this Gadfly knew that there were people in Purgatory?

Could it be that Chen Ping caused some commotion in the Purgatory Field, alarming the city lord, so he brought people here?

Bai Yi was not far away, trembling with fear. If this gadfly really came to capture Chen Ping, with their strength, they would not be able to resist at all.

"City Lord, the person who is taking the trial hasn't come out yet."

The older staff member said.

"Oh!" The Gadfly nodded, then took his people to the side to rest.

He was waiting for Chen Ping to appear, but Bai Yi panicked and quietly came to the entrance, hoping that Chen Ping would come out quickly, and then take him away quietly so as not to be discovered by the gadfly.

Just as Bai Yi was waiting anxiously, Chen Ping and the crazy immortal appeared.

Two people came out of the purgatory and flew straight to the entrance.

Looking at the stairs leading to the sky, Chen Ping would probably collapse if he had to walk down to get out.

"My dear son-in-law..."

Seeing Chen Ping appear, Bai Yi hurried to meet him.

"Father-in-law, why didn't you leave and are still waiting for me here?"

Chen Ping was somewhat surprised when he saw this.

“I was worried that something might happen to you, so I was worried and waited for you.” After saying that, Bai Yi looked at Feng Xian beside him and asked, “Who is this Taoist friend?”

“This is my little brother, Fengxian...”

Chen Ping said casually.

“Crazy Immortal?” Bai Yi was startled and looked at him in disbelief, “Could it be that you are the Crazy Immortal who entered the Purgatory hundreds of years ago and never came out?”

Fengxian nodded and said, “Uncle, please don’t call me senior. Chen Ping is my eldest brother. Since you are his father-in-law, I have to call you uncle.”

“No, no, no, Senior Fengxian is...”

“Father-in-law, since he wants to call me, let him call me. Don’t refuse.” Chen Ping interrupted Bai Yi without waiting for him to finish.

Given the temper of this crazy immortal, if Bai Yi refused, he would probably have to kowtow here again.

“Okay!” Bai Yi nodded, and then said to Chen Ping: “My dear son-in-law, let’s go quickly and don’t stay here for long.”

“Father-in-law, has something happened?” Chen Ping was very surprised.

Chapter: 8237

Why are they shouting at me to leave quickly when I just came out?

“Don’t ask anymore, just leave here with me first.”

After Bai Yi finished speaking, he was about to take Chen Ping away from one side, and not go out through the main door in front!

But just when they were about to leave, the female staff member discovered them.

“Hey, what’s wrong with you? Why are you sneaking out instead of going through the main gate?”

“Did you steal something? Come here and let me check...”

The older staff member yelled at Chen Ping and the others.

When Bai Yi saw this, his brows immediately frowned. He was in trouble now and could not escape secretly.

But seeing that the gadfly did not come over, Bai Yi hurried forward and said, “Sister, we didn’t steal anything. We just want to leave as soon as possible because something happened at home.”

As he spoke, Bai Yi took out a storage bag and handed it to the female staff member.

Seeing this, the lady on the staff glared at me and said, “What are you going to do? Bribe me? I can tell you, I am conscientious and will not accept your bribe.”

“Come here right now and let me check. I think you must have stolen something.”

“Who are you calling a thief? What crap is there in here that’s worth stealing?”

Chen Ping felt angry when he looked at the female staff member.

He's just a ticket seller, but he's treated like a cadre, what a scumbag!

"Shut your stinky mouth. How dare you accuse my elder brother of stealing things? Are you tired of living?"

Upon seeing this, Fengxian stepped forward and pointed at the female staff member and yelled.

The lady on the staff was not afraid of trouble. After seeing the Crazy Fairy, she immediately asked, "How did you get in? Why don't I remember you entering the Purgatory?"

"Tell me, did you sneak in without a ticket?"

"Pay the money right now, or I'll arrest you..."

When the Crazy Immortal entered the Purgatory, the female staff member had not yet arrived for work, so she had no idea about it.

"Fuck, when did I ever spend money to enter Purgatory? I always went in for free."

At that time, the Crazy Immortal did enter the Purgatory for free.

But the female staff member didn't know and thought that the crazy fairy had sneaked in.

Chapter: 8238

“Don’t brag. Our city lord has to pay to enter the purgatory. If you don’t make up for it now, I will be rude to you.”

The lady staff member was about to take action.

At the same time, the guards around the Purgatory Field also gathered around, thinking that Chen Ping and his men were causing trouble.

Just when the two sides were on the verge of a fight, the Gadfly and his men hurried over.

“Stop, stop it...”

The Gadfly came running over shouting.

“City Lord, these guys sneaked in. We asked them to pay the money, but they still wanted to take action.”

The older staff member complained to the Gadfly.

“Go away...”

The Gadfly pushed the female staff member aside, then looked at Chen Ping with a smile on his face and said, “Brother, you’re out. I brought people to greet you...”

Chen Ping looked at the Gadfly with a confused face. He didn’t know the Gadfly at all. Why did this guy come up and call him “big brother”?

Bai Yi was also confused. The person in front of him was the city lord, the lord of Rhino City. Why was he following Chen Ping and calling him “big brother”?

Did I recognize the wrong person?

The Crazy Immortal looked at the Gadfly and said, "Old Bull, what do you mean? Are you trying to steal my big brother?"

"Fengxian, whoever robbed you, you can recognize me as your big brother, so of course I can too..."

After the Gadfly finished speaking, he looked at Chen Ping with a smile on his face and said, "Brother, my name is Gadfly, and I am the mayor of this Rhino City..."

Upon hearing that it was the city lord, Chen Ping immediately became respectful. After all, if it weren't for Niu Li's help, they wouldn't have been able to enter Rhino City.

The person in front of him is Niu Li and Niu Ben's father.

"It turns out to be the city lord. My apologies..." Chen Ping greeted him hurriedly.

"Brother, just call me Xiao Niu." The Gadfly said humbly, "I have prepared a banquet in the City Lord's Mansion. Brother, you have worked hard in the trial in the Purgatory Field. I hope you will do me the favor and take a good rest."

"This...is this appropriate?" Chen Ping looked at Bai Yi at a loss.

After all, Bai Yi is familiar with this place and knows the city lord's personality, but Chen Ping doesn't know much about the Gadfly.

"Since the city lord has invited us so warmly, let's go."

Bai Yi said.

Chapter: 8239

Being able to establish a good relationship with the city lord is a once-in-a-lifetime opportunity, how could I miss it?

“Okay, lead the way...”

Chen Ping nodded.

The Gadfly immediately took Chen Ping and the others back to the City Lord’s Mansion.

Because they were sitting on a teleportation array, they were able to return in an instant, which made Chen Ping very emotional.

When he and Bai Yi came here, they flew for a long time and worked hard to get there.

But I didn’t expect there was a teleportation array that could get me there in the blink of an eye.

However, this teleportation array is located in the City Lord’s Mansion, and ordinary people cannot sit on it at all.

The Gadfly entertained Chen Ping and his friends warmly, and as they drank and chatted, the Gadfly asked Chen Ping, “Brother, if you have time, can you let me enter your pagoda to practice?”

“How do you know I have a pagoda?” Chen Ping was stunned!

He seemed to have never mentioned it to anyone else. Only Bai Yi knew about his Demon-Suppressing Tower and this crazy immortal, but he had never mentioned it to the Gadfly.

“To be honest, after big brother entered the purgatory, I was able to observe him through a bronze mirror.” The Gadfly said truthfully.

When Chen Ping heard this, he was shocked. Fortunately, he did not expose too much in the Purgatory, and only revealed the Demon-Suppressing Tower.

He didn't take out things like the God King Bow, the Dragon Patterned Bell, the Magic Whip, etc.

There are also the Fire Qilin and the Sky-Devouring Beast. If they were exposed, it would be a disaster.

"You can enter the tower to practice, but there are no resources in the tower, so if you want to practice in the tower, you must bring enough resources."

Chen Ping said.

Although one year outside the tower is equivalent to a hundred years inside the tower, you still need to bring resources for a hundred years, otherwise it will be useless to stay in the tower for a hundred years.

"Don't worry about resources, big brother. You can use the resources of my Rhino City at will. I will also bring enough resources with me."

As the city lord, Gadfly certainly has resources that are unmatched by others.

"As long as you have the resources, I don't care!" Chen Ping said calmly!

"Thank you, brother. I toast to you..."

The Gadfly took up his glass and drank it all.

Seeing this, Bai Yi said to Gadfly: "City Lord, I have a request, is it possible?"

Chapter: 8240

"Speak!" said the Gadfly.

Bai Yi described the situation of the black market in Rhino City. Now Bai Yi wants to integrate the black market and then take all the black markets into his own hands.

After hearing this, the Gadfly nodded and agreed, "No problem, I will send you another team of soldiers. If there are any dishonest ones, they will be dealt with directly."

"When the time comes, I will legalize the black market, and you won't have to be so sneaky anymore."

"Thank you, Lord Mayor..." Upon hearing this, Bai Yi hurriedly stood up and toasted the Gadfly.

"Uncle, you are the eldest brother's father-in-law, and this old man is the younger brother. He should call you uncle and toast you."

The Crazy Immortal reminded Bai Yi.

When Gadfly heard that Bai Yi was actually Chen Ping's father-in-law, he quickly stood up and said, "Uncle, I respect you. From now on, only you are allowed to be in the Rhino City black market!"

The drinking party was very enjoyable, and the Gadfly let Chen Ping stay in the city lord's mansion.

After all, the conditions in the City Lord's Mansion are much better than outside.

At night, the Gadfly followed Chen Ping into the Demon-Suppressing Tower with a large amount of resources.

Practicing in this Demon-Suppressing Tower for one night is equivalent to practicing for dozens of days. It is so cool.

But just when Chen Ping and Gadfly were practicing in the Demon Suppression Tower, in the Tianbao Pavilion of Rhino City!

Dozens of people in gray gathered together.

The leader among them was actually the owner of Tianbao Pavilion.

The shopkeeper of Tianbao Pavilion was holding a token in his hand, which was the token that Chen Ping had pawned.

“Tonight, we can only succeed and not fail. With this token, we can easily enter the City Lord’s Mansion.”

“As long as we can find a way to capture the eldest lady and the prince of Rhino City, we can threaten the Gadfly to compromise.”

“If we succeed this time, each of us will be a hero. The city lord will not forget us. For so many years, Rhino City has occupied the Purgatory Field and collected a large amount of immortal coins.”

“Besides, Rhino City has more resources than us. Our Flying Tiger City is on the verge of collapse. Success or failure depends on this one move.”

The shopkeeper of Tianbao Pavilion mobilized everyone.

It turns out that the shopkeeper of Tianbao Pavilion is actually the head of the spies in Feihu City. This guy has been lurking in Rhino City for many years and has already reached this position.

No one would suspect him of being a spy from Feihu City.

This is also the reason why he was willing to use 10,000 fairy coins to exchange for the token in Chen Ping’s hand, and then sealed the token so that Niu Li would not notice it.
