

The Order 8301

Chapter: 8301

“Who are you? Why do you know my father?”

“You are just a young cultivator who has just reached the level of a scattered immortal. How could you possibly defeat my father?”

Master Huo didn't believe it.

“When I defeated your father, I was only at the Transformation Realm. Now, I can beat your father to his knees and beg for mercy with just one hand.”

Chen Ping said this without exaggeration!

Because what Chen Ping said was all true, except that Chen Ping did not say that he was possessed by the Red Cloud Demon Lord and was able to defeat Huo Zhao.

“How dare you be disrespectful to our Palace Master? Damn it...”

At this moment, a soldier suddenly stood up, with a surging aura on his body, and instantly enveloped Chen Ping.

It seems that the soldiers brought by Master Huo are all people from the temple in disguise.

It is obvious that the aura is different from that of the soldiers in the city.

“How dare you talk to my brother like that?”

The Crazy Immortal roared angrily, and then slapped out with his palm!

The soldier was instantly knocked away by the Mad Immortal, and his body exploded in mid-air, turning into a pile of meat paste.

The Crazy Immortal has endured hundreds of years in that purgatory, and his strength is far beyond the reach of those minions in the Eight Palaces.

When Master Huo saw this, his face turned extremely ugly.

Thinking of the time magic that Chen Ping had just used, Master Huo felt a little bit of fear in his heart.

Because of the teleportation array, he didn't bring too many people with him.

Now, most of the soldiers in the city have been transferred to the border to defend against the enemy. I am afraid that they are no match for Chen Ping.

"Boy, since you already know that I am from the temple, you still dare to be our enemy, are you really not afraid of death?"

Master Huo wants to use the reputation of the temple to scare Chen Ping!

"Hahaha..." Chen Ping laughed: "Don't say you are just a mere prince of the Eighth Palace. Even if you are the Palace Master, I will kill you if I want to."

"The Ten Palaces were destroyed by me. The Tenth Palace Master is now my subordinate. The Ninth Palace Master died as soon as he appeared. Do you think I would be afraid of you, a mere prince of the Eighth Palace?"

Chen Ping said arrogantly.

After hearing this, Master Huo's eyes widened and he looked at Chen Ping in disbelief: "You...you are from the Heaven Realm?"

Chapter: 8302

"That's right!" Chen Ping nodded!

At this moment, Master Huo's face looked extremely ugly. It was probably because he had heard something from his father Huo Zhao.

"Just go away, I'll pretend I didn't see anything."

Master Huo put away his arrogance and actually wanted to let Chen Ping and the others go.

"I suddenly don't want to leave." Chen Ping said!

"What do you want to do?"

Master Huo asked in a panic.

"There are so many cities in Feihu City. Even if I leave this city, I will encounter many obstacles if I want to leave Feihu City."

"So I want you to take us away from this Flying Tiger City."

Chen Ping said!

"Hmph, don't even think about it..."

After Master Huo finished speaking, he turned around and ran away!

“Still want to run?” Chen Ping sneered, and with a point of his right hand, a ray of golden light flew straight towards Master Huo.

Immortal Finger. After Chen Ping reached the realm of scattered immortals and his body was filled with immortal energy, he could use the Immortal Finger much more smoothly.

All that was heard was a scream from Master Huo, and he fell from mid-air and landed heavily on the ground!

“Damn it...”

Master Huo gritted his teeth and tried his best to fight with Chen Ping.

But he found that his body seemed to be restrained.

He had no idea that Chen Ping’s seemingly effortless move was actually a magical technique.

It also contains a lot of time laws.

puff.....

Because his body was restrained, Master Huo forced himself to use the immortal power in his body.

As a result, this power could not be released and actually exploded inside the body!

I saw that Master Huo had an ugly face and was spitting out blood.

Chapter: 8303

Feces and urine kept pouring out, and it seemed as if this body was not his own.

At this moment, Master Huo opened his eyes wide and looked at Chen Ping in fear.

“It stinks so damn...”

The crazy fairy quickly covered his nose.

Even the few soldiers following Master Huo took two steps to the side.

It stinks so much.

At this moment, Master Huo felt that he had suffered the greatest humiliation.

He is a god, the son of the eighth master of the temple.

“What are you still standing there for? Go ahead and kill them...”

Master Huo roared at several soldiers.

Several soldiers looked at each other, then gritted their teeth and attacked Chen Ping and the others!

Chen Ping didn't even look at those soldiers, but walked straight towards Master Huo!

Fengxian and Bai Yi both jumped up and fought against those soldiers.

After Chen Ping approached Master Huo, he looked down at him. Master Huo had lost his arrogance at this moment and his face was filled with fear.

“It stinks. You’d better be careful.”

After Zhao Yu finished speaking, he waved his hand lightly, and Master Huo’s body flew up instantly, and then landed in a pond not far away!

Chen Ping waved his hands in the air, and Master Huo swam around in the water like a doll!

When Chen Ping brought Master Huo up, he was already soaked to the skin.

That miserable look was both funny and ridiculous.

“Who is so bold?”

Just when Master Huo was about to despair, suddenly a team of soldiers rushed over!

There were more than ten people in total, running over.

“Save me, save me...”

When Master Huo saw this, he immediately started yelling.

Chapter: 8304

When the soldiers saw that it was Master Huo, their faces changed drastically and they shouted at Chen Ping, “How dare you! Release Master Huo quickly.”

Chen Ping took a look at the dozen or so soldiers. None of them was at the level of a scattered immortal. In Chen Ping's eyes, these soldiers were not even ants.

“Open your eyes and take a good look. See if they can save you.”

Chen Ping smiled coldly, then suddenly punched the dozen or so soldiers.

“Holy Light Fist...”

I saw a huge fist falling from the sky, covering all the dozen soldiers!

boom!

With a loud bang, the fist instantly knocked down the dozen soldiers below.

A hundred-meter-deep pit appeared on the ground, and the bodies of the soldiers could no longer be seen.

It was as if they had evaporated into gas, and the soldiers had no time to make any moves.

The scene of this punch was extremely shocking.

Even Fengxian and Bai Yi, who had already resolved the battle, couldn't help but be amazed when they saw this scene.

At this moment, Master Huo's eyes were wide open and his gaze was dull.

In the face of absolute strength, his arrogance as a god disappeared completely.

Chen Ping didn't move, he just threw a punch.

More than a dozen soldiers were gone, not even their bodies were left.

Is this something that a cultivator who has just entered the realm of scattered immortals can achieve?

“Impossible, how is this possible?”

Master Huo could never believe where Chen Ping, a first-grade immortal, got the strength from.

“If you listen to me, I can let you go. Otherwise, no one can save you.”

“Whoever I want to kill, even if he is a Saint of the Thirty-Sixth Heaven, I will kill him anyway...”

Chen Ping said in a very pretentious manner!

When it comes to showing off, Chen Ping is not afraid of these people from the gods.

But as soon as Chen Ping finished speaking, a thunder suddenly sounded in the sky.

Chapter: 8305

Boom boom...

The sound of thunder made Chen Ping feel his heart trembling constantly and his body startled for no reason.

“Fuck, in this heaven, will you be struck by lightning if you brag?”

Chen Ping cursed inwardly.

“Brother, you can pretend, but don’t joke with the saints. It can really kill people.”

The Crazy Immortal quickly reminded Chen Ping.

Chen Ping looked embarrassed. Didn’t he expect this saint to be so petty?

It’s just a joke!

“How about it? Do you want to cooperate with me and take us out of Flying Tiger City?”

Chen Ping looked at Master Huo and asked with a playful look on his face!

Master Huo was pulled back to reality by Chen Ping. Looking at Chen Ping in front of him, it was like seeing a devil in reality.

I just felt my heart pounding and I was about to pass out from fear.

At this moment, he no longer had the demeanor of the Eighth Prince.

“I...I...” Master Huo hesitated, then suddenly shouted into the air: “Father, save me...”

Chen Ping looked up and thought that Huo Zhao had come!

But he found nothing, and Master Huo took the opportunity to turn around and run away.

“Damn it, it’s no use calling your dad!”

Chen Ping grabbed Master Huo who was trying to escape!

“Father, father...” Master Huo struggled and shouted!

Snap, snap, snap...

Chen Ping attacked from both sides and slapped Master Huo several times.

He wanted to destroy the only trace of dignity left in Master Huo.

Only in this way will Master Huo be obedient.

“If you are not being honest, I will cut off your tongue and make you scream.”

Chapter: 8306

Chen Ping said angrily!

Master Huo’s face turned red. If this guy wasn’t still useful, Chen Ping would have slapped him on the head.

This time, Master Huo was frightened and dared not shout anymore.

My heart was filled with fear and I no longer had any thoughts of running away.

“No, no, I promise you, I promise you, I will cooperate with you!”

Master Huo began to plead for mercy.

“That’s right. As long as you behave yourself, we will release you after we leave Feihu City.” Chen Ping began to make promises to Master Huo.

Even if Chen Ping and the others were really safe, there was no way they would let this guy go.

Chen Ping would never let the tiger go back to the mountains. He is not a saint.

Since we are mortal enemies following the temple, it is impossible to let the enemy go.

When the time comes, we will plunder all the belongings from Master Huo and send him to the underworld.

However, in order to make Master Huo take them away obediently, Chen Ping still had to calm him down first, otherwise it would be troublesome if this guy fought to the death.

“I will obey you, I will definitely obey you!”

Master Huo nodded repeatedly.

“Since you are obedient, then answer my questions, otherwise I have a hundred ways to kill you.”

Chen Ping asked Master Huo!

“Okay, okay, go ahead and ask me. I will tell you everything I know.” Master Huo nodded repeatedly.

At this time, Master Huo was already frightened out of his wits, and he would listen to whatever Chen Ping said.

“Since there is a teleportation array in this city that leads to the small town in the mountains, shouldn’t there also be a teleportation array that can teleport to other places?”

Chen Ping asked!

Since he wanted to escape, Chen Ping couldn’t have escaped through the small town in the mountains. Huo Zhao must be in the city. Moreover, the city must be full of people from the temple, and their strength is much stronger than the soldiers of Feihu City.

“I...I don’t know!” Master Huo shook his head.

“Bullshit, how could you not know!”

As the Crazy Immortal said this, he stepped forward and punched Master Huo, causing him to scream in pain!

Chapter: 8307

“Really, I really don’t know.”

Master Huo was trembling all over, veins bulged on his forehead, and he was screaming in pain.

The Crazy Immortal threw several punches in a row.

Seeing that Master Huo was spitting blood and dying, Chen Ping waved his hand and said, “Stop it. It seems that this guy really doesn’t know.”

Seeing this, the Crazy Immortal stopped.

And Master Huo cried and said, "I really don't know. My father doesn't allow me to run around. He only allowed me to teleport here. As for other teleportation arrays, I really don't know."

"What a useless thing." The Crazy Immortal glared at Master Huo!

"My dear son-in-law, since you don't know about the teleportation array, then let's go out in a swagger, all of us put on the armor of soldiers. With Master Huo leading us, is there anyone who dares to stop us?"

Bai Yi said to Chen Ping.

"That's the only way. It's a little slower, but it shouldn't be a problem."

Chen Ping nodded, and then several people put on the soldiers' armor again.

"Listen, take us away from here. If you dare to play tricks, you will have to bear the consequences."

Chen Ping threatened Master Huo.

"I dare not. I absolutely dare not play tricks..."

Master Huo shook his head repeatedly.

Soon, under the leadership of Master Huo, Chen Ping and his men left the city smoothly, and no one dared to stop them.

However, Chen Ping would not let Master Huo go. They just left the city. If they wanted to leave the Feihu City, they would need Master Huo's identity.

.....

A small town in the mountains!

After Huo Zhao brought the eight halls of the temple here, the entire town was now filled with people from the temple.

Huo Zhao was recuperating in a secret room. The trip to the heavenly world had taken a lot of toll on him.

“Palace Master, Rhino City suddenly attacked Flying Tiger City, and now it’s in chaos.”

“The prince has been away from the temple for some time. I don’t know where he went.”

At this time, an old man in a linen robe came in and said.

Chapter: 8308

Huo Zhao opened his eyes, looked at the old man and said, “Great Elder, the sudden use of force by Rhino City is for the treasure?”

“It should be that Jie Zhong captured the son of the Gadfly, the Lord of Rhino City, and wanted to exchange him for the treasure location.”

“Not only did the Gadfly not save his son, but he suddenly resorted to violence. It seems that the treasure place is very important to Rhino City.”

The Great Elder said!

“The treasure land has not yet been opened. Let them fight slowly. There is no rush.”

“Take your men to find the prince and don’t get involved in the fight between these beastmen.”

Huo Zhao ordered.

“Yes!” The elder nodded, but just as he was about to turn around and leave, Huo Zhao’s face suddenly changed: “Oh no, he’s leaving the city?”

“This bastard, I told him not to leave the city, but he actually left the city. You must bring more people and bring the prince back immediately.”

“I understand!” The Great Elder’s figure quickly disappeared!

At this time, Chen Ping and his men were escorting Master Huo and running all the way!

Chen Ping and his team were moving very fast because they were no longer worried about exposing their whereabouts, so they sped up!

Just as we were about to pass the next city, a figure suddenly fell from the sky!

When the figure dropped from the sky, a strong sense of oppression came with it.

Chen Ping was a little puzzled. They were wearing soldiers’ armor, and Master Huo was there with them. Logically, no one from Feihu City should attack them.

But just when Chen Ping took out the Dragon-Slaying Sword and prepared to fight, he suddenly laughed.

“Master Hu, why are you here?”

Chen Ping saw that the figure that suddenly fell from the sky was actually Hu Mazi.

When Hu Mazi heard Chen Ping's voice, he stopped immediately, looked at Chen Ping and the others and said, "What are you doing? I almost misunderstood you."

"I wore this armor to paralyze the people of Feihu City." Chen Ping explained, and then asked curiously: "How did you get here?"

You have to know that the location where Chen Ping and his group are is not the border of Feihu City, but the core area of Feihu City.

Hu Mazi, a human, managed to get here so easily.

"I came here to look for you because I'm afraid you might be in danger." Hu Mazi said, then he looked at Master Huo and asked, "Who is this guy? He's also a human?"

"It's hard to explain it in just a few words. Let's talk about it when we get back."

Chapter: 8309

Chen Ping planned to go back and talk to Hu Mazi again.

But just as they were about to leave, the space in front of them suddenly trembled, and then a white light flashed, and an old man in a linen robe appeared with a dozen monks from the realm of scattered immortals.

This old man was the great elder of the Eighth Hall, and these monks were not wearing combat armor, but were all dressed in the unique attire of the temple.

"Grand Elder, Grand Elder..."

Seeing the old man appear, Master Huo immediately shouted!

Chen Ping frowned, stepped forward and slapped Master Huo in the face, telling him to shut his mouth.

The great elder had a ferocious look on his face and said in a cold voice: "Who are you? How dare you attack the prince of our Eighth Palace?"

While they were talking, a dozen or so monks from the Eighth Hall had surrounded Chen Ping and his group.

When Master Huo saw this, his arrogance returned.

"Humph, why don't you let me go, or you will all die without a burial place."

Master Huo raised the corner of his mouth.

Bang!

"Let your mother go..."

Chen Ping slapped him and said, "Look at the situation clearly. Even if you come with more people, you are still in my hands. I am 100% sure that I can turn you into a pile of meat paste before your people take action."

"You..." Master Huo was very angry, but he didn't dare to be arrogant anymore. Chen Ping was telling the truth.

"Boy, I don't care who you are. Release our prince and I will not kill you. I will let you go."

The Great Elder said to Chen Ping.

“Get lost. What you people in the temple say is just like farting. I don’t believe it.”

“If you don’t want your prince to die, then get out of my way...”

Chen Ping said while holding Master Huo’s head with one hand.

If Chen Ping exerts a little more force now, Master Huo’s head will explode like a watermelon.

But the Great Elder did not offer to give way, and for a moment the two sides were in a stalemate.

Chen Ping knew that this was Feihu City, and if the stalemate continued, it would be most disadvantageous to them.

“Fengxian, father-in-law, the two of you take the cattle and run away quickly to leave the Feihu City area.”

Chapter: 8310

“Master Hu and I will stay here and confront these guys.”

Chen Ping said!

“Fuck, why should I stay? Can’t you stay by yourself?”

“There are two women waiting for me in my bed at home. I can’t die.”

Hu Mazi rolled his eyes and said.

“Brother, I will stay with you.” said the Crazy Immortal.

“You should leave quickly. The most important thing now is to protect Niu Ben. Don’t forget what we are here for.”

Chen Ping waved his hand!

Fengxian nodded, then followed Bai Yi and Niu Ben to leave!

But the people from the Eighth Palace refused to give way.

“Give Way.....”

Chen Ping exerted a little force, and Master Huo immediately began to howl like a ghost.

“Get out of the way...”

The Great Elder saw this and waved his hand.

Soon Fengxian and Bai Yi took Niu Ben away. After they walked away, Chen Ping secretly breathed a sigh of relief.

Without Niu Ben’s burden, he could let go and move freely. If he couldn’t win, he would run away. Chen Ping was very confident in his ability to escape.

What’s more, there is Hu Mazi, this guy was once a master of the sixth level.

“Can we release our prince now?” asked the Great Elder!

“No, I want to use your prince’s life to exchange for some resources...”

Chen Ping smiled slightly.

Chen Ping finally has a trump card in his hand, so he must make good use of it.

“Boy, you are playing with fire!” The Great Elder looked extremely ugly.

“Playing with fire is nothing, how about playing with your sister?”

Hu Mazi took a step forward and taunted the great elder.
