

## **The Order 831**

Chapter: 831

“Your brother is also from the countryside. No matter how talented he is, how capable can he be? I don’t think he can even get tickets for the last row!”

The two girls said with a bit of disdain on their faces.

When Chen Yingxia saw this, she lowered her head slightly and stopped talking. She felt a little sad inside. After all, these were her two good friends, but now they were talking about her like this just for a ticket!

“Chen Yingxia, since you don’t know how to show appreciation, then just wait here slowly!”

Zhang Jianpo raised the corners of his mouth, and then took the tickets back from the hands of the two girls!

“Brother Po, you have so many votes, please give us two...”

The two girls begged Zhang Jianpo!

Zhang Jianpo said with a wicked smile: “Okay, you two have to accompany me tonight!”

At this time, the two girls were stunned. They were only high school students and had never slept with anyone before!

If they were asked to kiss, the two of them would not hesitate, but if they slept together, the two girls were a little scared...

“Forget it if you don’t agree, then I’ll tear up the ticket...”

Seeing the hesitation of the two girls, Zhang Jianbo picked up the tickets and was about to tear them up.

“Brother Po, I agree, I agree....”

Finally a girl gritted her teeth and said.

Seeing this, the other girl nodded hurriedly: “I agree too, I agree too...”

“Haha, if you two dare to lie to me, you can’t bear the consequences!”

Zhang Jianpo laughed and gave the tickets in his hand to the two girls!

The two girls held the tickets and laughed excitedly!

“How could you two agree to something like this just for a ticket? Return it to him quickly, my brother can really get the ticket!”

Chen Yingxia didn’t want to see her two good friends lose their household registration as Zhang Jianbo, so she hurriedly persuaded them.

“Chen Yingxia, stop pretending, we won’t believe you anymore.”

One of the girls said to Chen Yingxia with an angry look.

“Chen Yingxia, if you want it, all you need to do is kiss me. You can figure it out yourself...”

Zhang Jianpo said playfully.

Chapter: 832

“You should give up, it’s just a concert, the worst thing you can do is not watch it...”

Chen Yingxia glared at Zhang Jianpo!

“Okay, since you have the guts, let’s go in...”

Zhang Jianpo said, stepping forward and hugging a girl with one arm, ready to queue up to check the tickets!

Although the two girls looked a little unhappy, no one struggled and allowed Zhang Jianpo to hug him and let his big hands roam around their bodies!

“Don’t go with him...”

Chen Yingxia watched Zhang Jianpo touching his two friends, and Chen Yingxia stepped forward to stop them.

“Chen Yingxia, we don’t have the backbone like you. If you don’t want to go, don’t stop us. This is our own choice...”

“You just stay here and go. It’s useless to make us happy. If Brother Po hadn’t appeared, none of us would have been able to get in!”

The two girls didn’t appreciate it at all!

Zhang Jianpo smiled coldly: "Go away!"

After pushing Chen Yingxia away, Zhang Jianpo took the two girls to queue!

But at this moment, Chen Ping arrived, followed by Su Yuqi and Gu Ling'er. If Su Yuqi hadn't returned to Panlong Bay to pick Chen Ping up, Chen Ping would probably still be sleeping now!

"Yingxia, I'm sorry, I'm late..."

Chen Ping said apologetically.

"elder brother....."

Seeing Chen Ping coming, Chen Yingxia's grievance exploded instantly and she burst into tears.

"Yingxia, what's wrong with you?" Su Yuqi asked strangely.

"sister in law....."

Chen Yingxia looked at Zhang Jianpo and bit her lip without saying anything!

At this moment, Zhang Jianpo was looking over here with two girls in his arms, his eyes wandering on Su Yuqi and Gu Ling'er!

Although the two of them are much older than him, the feminine scent on their bodies is not comparable to that of these seventeen or eighteen-year-old girls.

Su Yuqi understood instantly, looked at Zhang Jianpo and said: "You guys, get here, are you bullying Yingxia?"

As Chen Yingxia's sister-in-law, of course Su Yuqi has to stand up for Chen Yingxia, and in Hongcheng, who dares to follow her against the Su family?

Chapter: 833

"Sister-in-law, forget it..."

Chen Yingxia hurriedly stopped Su Yuqi. She didn't want to cause trouble for Su Yuqi for her own sake. After all, Zhang Jianbo's family was also rich and powerful!

"Sister, are you calling me? It doesn't look good for such a beautiful person to be angry!"

Zhang Jianbo walked up to Su Yuqi with a smirk on his face!

Su Yuqi frowned: "How did a stupid kid learn these bad habits..."

"Sister, I'm not a child anymore. I can do everything you know, and I can play everything you can play. Do you want to try it?"

Zhang Jianpo said with a lewd smile.

Snapped.....

As soon as she finished speaking, Su Yuqi whipped her up. How dare a teenage boy dare to talk to him like this!

Zhang Jianpo was slapped, and he was stunned. The two people who came with him hurriedly stepped forward to support Zhang Jianpo, and even took out a knife from his body.

Seeing several children in their teens actually carrying knives, Su Yuqi was stunned and suddenly seemed a little at a loss!

“You dare to hit me, do you know who I am? My dad is Zhang Yi...”

Zhang Jianpo roared at Su Yuqi!

“Are you the son of the old Zhang family?” Su Yuqi looked at Zhang Jianpo and asked.

“Yu Qi, ignore them, let’s go in...”

Chen Ping didn’t want to worry about anything with a bunch of kids. They were all just stupid young people. What would happen if he killed them?

Su Yuqi didn’t want to pay attention to them anymore, nodded, and prepared to go in together!

“I want to leave after beating Brother Po. How can it be so easy...”

A companion next to Zhang Jianpo yelled and stabbed Su Yuqi with a knife!

At such a young age, he is ruthless!

This scared Su Yuqi!

Seeing this, Gu Ling'er, who was next to Su Yuqi, suddenly grabbed the knife and broke the man's wrist directly!

"At such a young age, he is so cruel..."

Gu Ling'er looked at the other party with anger!

Chapter: 834

Chen Ping also frowned slightly at this time. He didn't want to be like these children, but these guys were so cruel!

"ah....."

The guy whose wrist was broken was howling in pain, and Zhang Jianpo was so frightened that he broke into a cold sweat when he saw his companion like that!

He didn't expect the other party to attack so harshly, and he broke his wrist in one fell swoop.

The shrill screams caused many people to run past and watch.

At the same time, in a room in the stadium, Song Tie was discussing the concert with several sponsors!

Zhang Jianpo's father Zhang Yi is also among them, but he is sitting on the edge, because everyone here has more power than him!

"Ms. Song, someone is making trouble at the entrance of the concert. A lot of people have gathered now. I'm afraid it will affect the performance!"

A staff member hurriedly ran in and said!

Song Tie frowned: "Do you know who he is?"

"I don't know, they all seem to be students aged 17 or 18, and there seems to be a leader named Zhang Jianpo..."

the staff said.

"My son?" Zhang Yi, who had been sitting on the edge, suddenly stood up!

"Mr. Zhang, your son led people to cause trouble at the entrance of the concert. If it affects the performance, your Zhang family's money is also involved!"

Song Tie looked at Zhang Yi with an unhappy expression and said.

Although Song Tie is just an actor, everyone knows the strength of the Song family. How can anyone in this small Hongcheng compare to him!

"Don't worry, Miss Song, I'll go out and have a look..."

Zhang Yi wiped his cold sweat and hurriedly walked out!

After Zhang Yi left, Song Tie said to the staff: "Xiao Liu, a friend of mine will be here in a minute with front row tickets so they don't have to queue. You can just bring him in. I have his photo here." ..."

Song Tie gave Chen Ping's photos to the staff. These photos were secretly taken by Song Tie for Chen Ping!

When the staff saw the photo, they were immediately surprised and said: “Miss Song, this is the person who caused the conflict and trouble at the door!”

“What?” Song Tie was startled, stood up in a hurry, and walked out in a hurry!

Those sponsors also hurriedly followed!

“None of you can even think about running away. Not only did you beat me, but you also broke my friend’s hand. I’m going to call the police and arrest you all. I’m going to make my dad break your legs...”

Chapter: 835

After Zhang Jianpo saw many people watching around him, he roared at Gu Ling’er and the others!

Now that so many people are watching, the other party will definitely not take action. If it were just a few of them, Zhang Jianpo would really not dare to be so arrogant. He would break his wrist as soon as he made a move. Zhang Jianpo would also be afraid of such strength!

Zhang Jianpo took out his mobile phone and was about to call his father!

Chen Ping frowned slightly as he looked at more and more people watching around him. Chen Yingxia’s face turned pale with fright, and she grabbed Chen Ping’s arm with one hand!

Su Yuqi comforted Chen Yingxia: “Yingxia, you don’t have to be afraid, no one dares to mess with me in Hongcheng!”

Just when Zhang Jianpo was on the phone, Zhang Yi and his people hurriedly squeezed in. When they saw that it was his son who was causing trouble, he immediately became furious!

“You bastard, I gave you the tickets to watch the show, not to cause trouble...”

Zhang Yi stepped forward and wanted to hit Zhang Jianpo!

“Dad, we weren’t making trouble, someone was beating me. Look at my face. They also broke my companion’s arm...”

Zhang Jianpo was so frightened that he hurriedly explained!

Zhang Yi took a look, and sure enough, there was a bright red palm print on Zhang Jianpo’s face, which was obviously from being beaten just now. Looking at the ferocious-looking companion with a broken arm next to Zhang Jianpo, Zhang Yi took his hand back!

“Who hit you? Didn’t you say it was my son?”

Zhang Yi said with an angry look.

Although the Zhang family is not considered top-notch in Hongcheng, they are not someone that can be offended by anyone!

“It was them, they were the ones who beat...”

Zhang Jianpo and Su Yuqi said!

Zhang Yi looked in the direction of Zhang Jianpo’s finger. When he saw Su Yuqi, Gu Ling’er and Chen Ping, his whole body went limp and he fell to the ground!

“Dad, what’s wrong with you...”

Zhang Jianpo hurriedly supported Zhang Yi and asked.

After Zhang Yi slapped Zhang Jianpo hard, he hurriedly ran to Su Yuqi and the others!

“Miss Su, Miss Gu, Mr. Chen, I’m really sorry. It’s my fault in raising my son that has offended you. This kid is entirely at your disposal. I have no complaints...”

As Zhang Yi spoke, he knelt down in full view of everyone!

At this time, Zhang Jianpo was dumbfounded, and everyone following Zhang Jianpo was also dumbfounded!

“Brother Po, who are these people?” The companion who was following Zhang Jianpo asked with shock on his face.

Chapter: 836

Zhang Jianpo shook his head. If he knew, he would not provoke him!

“You just wait until your life is in danger. One of them is the eldest lady of the Su family, one is the ancient granddaughter, and the other is Mr. Chen, who is famous in Hongcheng. Even Lin Tianhu is Mr. Chen’s follower. You two Gang Lengtouqing actually dares to provoke anyone...”

In the crowd, someone said gloatingly!

At this moment, Zhang Jianpo was stunned, and his crotch suddenly wet...

Everyone here is untouchable, and one word can make their Zhang family bankrupt!

“Get out of the way, get out of the way...”

Following several shouts, the crowd separated into a road, and dozens of security guards held hands to block the crowd!

Song Tie wore sunglasses and a cheongsam and walked quickly towards Chen Ping, followed by a group of sponsor bosses!

“Song Tie...”

“Song Tie...”

When many fans saw Song Tie coming out, they all screamed with excitement!

When Chen Yingxia saw Song Tie himself, she was so excited that her whole body trembled!

Song Tie walked straight to Chen Ping, nodded to Su Yuqi and Gu Ling'er, and then asked Chen Ping: “Mr. Chen, are you okay?”

“Do you think something will happen to me?” Chen Ping smiled lightly!

Song Tie also smiled. She knew Chen Ping's strength. It would be really funny if he was bullied by a teenage boy!

“Mr. Chen.....”

When the sponsors behind Song Tie saw Chen Ping, they all hurried forward and greeted him respectfully!

Now in the entire upper class society in Hongcheng, who doesn't know Chen Ping?

Chen Ping just nodded slightly as a greeting.

“Okay, let’s go in, it’s noisy outside...”

Song Tie saw that there were many people around, and many fanatical fans were shouting. This was not the place to chat, so he said!

Chen Ping nodded, and then said to Chen Yingxia: “Yingxia, it’s okay, let’s go in!”

“Who is this??”

Song Tie looked at Chen Yingxia with a questioning look on his face!

Chapter: 837

“This is my cousin...”

Chen Ping introduced!

When Song Tie heard this, he immediately looked at Chen Yingxia with a smile on his face: “It turns out to be my cousin. Let’s go in with my sister...”

Song Tie personally stepped forward and took Chen Yingxia’s hand and walked towards the venue!

Chen Yingxia looked at Song Tie who was so close. She was stunned, her mouth was wide open, she was so excited that she didn’t know what to do.

Song Tie was her idol, and now he actually held her hand and went in together. Chen Yingxia felt like her heart was about to burst out of her chest.

Many people around saw this scene, and their eyes almost fell out of envy!

Especially Chen Yingxia's two female classmates saw that Song Tie actually held Chen Yingxia's hand, and they seemed to be very familiar with Chen Yingxia's brother. Now both of them would regret it!

"Welcome summer..."

Two female classmates hurriedly shouted to Chen Yingxia!

They hoped that Chen Yingxia could also bring them in.

Chen Yingxia just looked back at the two people, then turned her head back and ignored them. Chen Yingxia just gave them so many opportunities, but the two of them didn't appreciate it at all!

Song Tie also seemed to see something in Chen Yingxia's eyes, so he said to the staff: "These people have bad character. They are not allowed to enter the concert..."

After saying that, Song Tie pulled Chen Yingxia into the venue, and Chen Ping followed behind. Su Yuqi's eyes kept looking at Chen Ping. She always felt that there was something wrong with Song Tie following Chen Ping!

Chen Ping could only raise his head, pretending not to see Su Yuqi looking at him, and walked quickly towards the venue!

"Mr. Chen...Mr. Chen..."

Zhang Yi was lying on the ground. When he saw that Chen Ping just left without saying a word to him, he shouted hurriedly!

But Chen Ping ignored him. Until Chen Ping's figure entered the venue, Zhang Yi collapsed on the ground!

“dad.....”

Zhang Jianpo trembled and shouted softly!

Snapped.....

Zhang Yi slapped Zhang Jianpo in the face with anger!

“You bastard, the Zhang family will be defeated by you sooner or later. I will definitely break your legs when you go back...”

Zhang Yi roared loudly!

Chapter: 838

.....

Chen Ping and the others were arranged in the front row. This was a seat that no amount of money could buy. Looking at Song Tie dancing and singing on the stage, Chen Ping chose to close his eyes!

Because he found that Song Tie could not help but look at him when he was on the stage, and there was a bit of tenderness in his eyes!

Knowing that Su Yuqi was sitting next to him, Chen Ping didn't dare to have the slightest idea, so he simply closed his eyes and didn't look, so that he wouldn't be able to find out what was wrong with him!

"Sister Song is amazing, so beautiful, I like it so much..."

Chen Yingxia looked at Song Tie on the stage and shouted excitedly like a little girl!

"Yingxia, let me ask you something!"

Su Yuqi said to Chen Yingxia who was full of excitement.

"Sister-in-law, what's going on?" Chen Yingxia asked.

"Who do you like more between me and Song Tie?" Su Yuqi asked.

Upon hearing this question, Chen Yingxia was stunned!

Chen Ping, who had his eyes slightly closed, almost didn't laugh out loud. He really didn't expect Su Yuqi to ask such a question!

It seems that this woman is jealous and should not be underestimated. No wonder they say that women who are passionately in love have zero IQ!

"Sister-in-law, of course I like you, you are my sister-in-law!"

Chen Yingxia cleverly took Su Yuqi's arm and said.

Su Yuqi suddenly became happy, with a smile on her face. She also looked at Chen Ping beside her. She knew that Chen Ping could definitely hear them talking!

Finally, a concert was over. Song Tie originally wanted to invite Chen Ping and Chen Yingxia to have a supper together, but Chen Ping refused. He knew that he had to keep a certain distance from Song Tie, otherwise Su Yuqi would become jealous. , the burst of energy is huge.

However, Chen Ping still asked Chen Yingxia to accompany Song Tie. After all, Song Tie came to Hongcheng to hold a concert for himself, so it was polite to ask his sister to accompany him!

When Song Tie left Hongcheng, he only sent a message to Chen Ping, and Chen Ping did not go to deliver it. However, Song Tie made it clear that Song Tie would come in person when sending stones to Chen Ping in the future. This gave Chen Ping a headache. This girl knows that she has a girlfriend, but she still shows her affection for her so blatantly. Isn't this causing trouble for herself?

In the next few days, Chen Ping would go shopping with Su Yuqi every day when he had nothing to do, and then play chess with Su Wenzong. Without medicinal materials and spiritual stones, Chen Ping's current cultivation level of Bigu Realm could not be cultivated at all by relying solely on the thin spiritual energy of heaven and earth. It's useless!

Three days later, Gu Wentian found Chen Ping and told Chen Ping about the Kyoto antique auction!

"Mr. Chen, there is an antique exhibition and auction in Kyoto tomorrow. I think you should go and take a look. Maybe you can find what Mr. Chen needs!"

"My dragon chair was obtained from that auction. There are many rare treasures in it. I heard that the Hong Kong businessman also airlifted a batch of magic weapons this time. You must know that many wealthy nobles are now trying to get one. The magic weapon can then harmonize feng shui and turn bad luck into good luck, so this auction must be particularly fierce. I also have a few idle antiques in my hand, just to see if I can sell them for a profit, and to see if I can collect a few more. nice one!"

Gu Wentian is very knowledgeable about antiques, so when he talks about antiques, he seems very excited!

Chapter: 839

“I already know, Zhao Wuji told me!”

Chen Ping said calmly.

“Zhao Wuji?” Gu Wentian was stunned for a moment, and then suddenly said in surprise: “Is Mr. Chen talking about Zhao Wuji, the master of the Dharma Protector Pavilion in Kyoto?”

“Yes, that’s him!” Chen Ping nodded!

Gu Wentian looked at Chen Ping in disbelief. He did not expect that Chen Ping would actually interact with Zhao Wuji from the Dharma Protector Pavilion in Kyoto.

You must know that even when Gu Wentian was at the peak of his career, there was a big gap between him and Zhao Wuji. The master of the Dharma Protector Pavilion in Kyoto was an unreachable figure. Gu Wentian did not expect that Chen Ping would actually know Zhao Wuji!

“Mr. Chen, if you go tomorrow, will I send a car to pick you up?”

Gu Wentian asked.

“Okay, let’s go together tomorrow!”

Chen Ping nodded. After all, Chen Ping had never been to Kyoto and was not familiar with it. Since Gu Wentian had participated in this auction, it would save trouble to follow Gu Wentian!

Gu Wentian left, and Su Yuqi and Gu Ling'er came down from upstairs!

"Chen Ping, where did you say you were going with Gu?"

Su Yuqi asked.

Chen Ping looked at the two people and was a little surprised. He thought they were not at home at all!

"Ling'er, your grandpa came here just now, why didn't you come out and say a word? I thought you two were not at home!"

Chen Ping did not answer Su Yuqi, but looked at Gu Ling'er with some confusion and asked.

"My grandpa will definitely tell me to go home when he sees me. I don't want to go back..."

Gu Ling'er said with a smile!

"There's really nothing I can do against you..."

Chen Ping shook his head helplessly.

"Chen Ping, you haven't answered me yet, where are you going?"

Su Yuqi asked Chen Ping again.

"There is an antique exhibition and auction in Kyoto, and I am going to go with Gu!"

Chen Pingru said.

Chapter: 840

“Great, we are going too...” Su Yuqi said happily.

“Yes, let’s go too. It just so happens that I have friends in Kyoto, and they are also being entertained!”

Gu Ling’er also nodded repeatedly!

Chen Ping looked at the two people. It seemed that they had already planned to go together.

“I don’t care, just follow Gu Gu’s instructions tomorrow...”

After Chen Ping finished speaking, he returned to the room!

Early the next morning, Gu Wentian’s personal bodyguard Tang Long came to pick up Chen Ping!

As soon as the car stopped, Gu Ling’er and Su Yuqi got in, and Tang Long couldn’t stop them!

When Chen Ping saw this, he had no choice but to get in the car!

After picking up Gu Wentian, he saw Gu Ling’er and Su Yuqi were also in the car. Gu Wentian was slightly startled, but in the end he smiled and said nothing!

Gu Wentian sat in the passenger seat, while Chen Ping and Su Yuqi Gu Ling’er were squeezed in the back. Chen Ping sat in the middle, with Gu Ling’er and Su Yuqi on the left and right!

“It’s an advantage for you. Our two beauties will accompany you, one on the left and the other on the right...”

Su Yuqi whispered in Chen Ping’s ear.

Chen Ping was speechless for a while. He knew that Su Yuqi sat like this on purpose. This was to test his endurance!

Gu Ling’er’s face was slightly red at this time. Apart from saving her, she had such close contact with Chen Ping in the hotel. Gu Ling’er had never sat so close with Chen Ping before!

Now feeling the man’s breath on Chen Ping’s body, Gu Ling’er kept looking out the window, and her heartbeat started to speed up!

Gu Wentian, the co-pilot, looked in the rearview mirror from time to time, looking at Chen Ping’s helpless look in the back seat, with a slight smile on his lips!

As a grandfather, he knows Gu Ling’er’s thoughts best, but Gu Wentian did not stop him. If Gu Ling’er can really come together with Chen Ping, Gu Wentian will agree with both hands, even if he only does it next to Chen Ping. A confidante!

“Mr. Chen, at this antique exhibition and auction, Hong Kong businessmen will bring many masters, and sometimes they will refine some magic weapons on site. Mr. Chen can take this opportunity to communicate with those masters about refining the weapons. I heard that China and Hong Kong Yuan Baozhong, the No. 1 Feng Shui master, personally refined a magic weapon for the richest man in China and Hong Kong, thus avoiding a car accident!”

“Now in China and Hong Kong, many wealthy businessmen will treat these magic masters and Feng Shui masters as their guests. These people still have some strength!”

Gu Wentian turned his head and said to Chen Ping. He also wanted to relieve Chen Ping's embarrassment!

"It's all just deceptive tricks. How can a magic weapon be so easy to refine..."

Chen Ping smiled slightly and said!

A real magic weapon contains the laws of heaven and earth and requires a formation to operate. Even the jade pendant that Chen Ping refined for Su Yuqi can barely be considered a defensive magic weapon for just getting started.
