

The Order 8351

Chapter: 8351

Chen Ping smiled and said nothing, but took Mo Qingyun away from the Demon-Suppressing Tower.

After coming out of the tower, Mo Qingyun was stunned, because she found that there was no change around her in this year!

At this time, Hu Mazi took a look and said casually, "Are they all recovered?"

"Now that you've recovered, do you want to go in and practice for a while?"

Chen Ping asked!

"I don't need it. I'm fine now. I just don't have many talismans left. I have to find materials to get more talismans."

Hu Mazi said!

"Fellow Daoist, how long have we been practicing?" Mo Qingyun asked Hu Mazi!

"Three days! It's only been three days now!"

Hu Mazi said!

"Three days?" Mo Qingyun was shocked and looked at Chen Ping in disbelief. Now she seemed to believe what Chen Ping said!

Three days outside, and they spent nearly a year in the tower!

If he continued to practice in the tower, his practice speed would be a hundred times faster than others.

Mo Qingyun seemed a little excited!

But in an instant, Mo Qingyun's expression suddenly changed: "It's broken..."

"What's wrong?" Chen Ping asked puzzledly!

"The Cang Xuan Continent is in trouble. Someone is forcibly controlling the entire Cang Xuan Continent."

Mo Qingyun said anxiously!

"How do you know? Are you from Cangxuan Continent?"

Chen Ping asked!

Mo Qingyun shook his head: "I am not from Cangxuan Continent, but I have lived in Cangxuan Continent for many years."

"I am the eldest daughter of the Mo family. Our Mo family is in the second heaven, but something happened back then, so I came to the Cangxuan Continent in the first heaven and lived there for many years."

"The person who controls the Cang Xuan Continent now is my good sister. I came back from the Second Heaven only after knowing that the Cang Xuan Continent was in trouble."

"I was originally planning to settle accounts with Feihu City, but I didn't expect to run into you guys."

Chapter: 8352

“Now my sister has informed me through telepathy that someone has begun to forcibly control the Cangxuan Continent.”

Mo Qingyun and Chen Ping told everything truthfully!

Since Chen Ping has brought him to the Demon-Suppressing Tower, Mo Qingyun will no longer treat Chen Ping as an outsider!

So he was no longer on guard against Chen Ping.

“It should be someone from the Eighth Palace. I will accompany you to Cangxuan Continent to have a look!”

Chen Ping said!

After all, Mo Qingyun had helped him a lot, and now Chen Ping couldn't just stand by and watch him die!

He also wanted to go to the human area to see if he could meet Su Yuqi!

“Brother, I'll go with you!” The Crazy Immortal suddenly appeared and said!

“You should stay in Rhino City. You are from the beast tribe, so it is not suitable for you to go to the place where the human race is.”

“Master Hu, come with me. He is a human!”

Chen Ping said to Hu Mazi!

“Ah, do I still have to run around with you? You almost killed me this time!”

“If I go with you, what will happen to my two chicks?”

Hu Mazi is reluctant!

“Yes, take them with you. Those two women are also human beings. It’s just right to take them to Cang Xuan Continent so that they can return to normal life!”

Chen Ping said!

It’s impossible for two women to be in Rhino City, doing nothing and waiting for Hu Mazi to do it every day!

“That’s fine!” Hu Mazi nodded when he heard it!

Chen Ping didn’t say anything more, he just said goodbye to the Gadfly and left!

He didn’t follow Bai Yi and said that, after all, Bai Yi was still sad!

Chen Ping has to find a way to get Bai Qian to heaven, so that there will be someone to accompany Bai Yi, which will be better!

Chen Ping and his men headed straight to Cang Xuan Continent, bringing Master Huo with them!

If the destruction of the Cang Xuan Continent was really the work of the Eighth Palace, then use Master Huo to threaten Huo Zhao.

Chapter: 8353

But at this moment, the Cang Xuan Continent has fallen into turmoil!

When the Great Elder of the Eighth Palace brought his people to the Cang Xuan Continent, the Cang Xuan Continent was already in turmoil!

Now Huo Zhao has brought people here in person, and now the Cang Xuan Continent has no ability to resist at all!

In the Cangxuan Continent, inside a magnificent palace!

The kings of the three largest countries gathered here!

Among them was Aisha's father Ashnu. These people gathered here, waiting for the Blue Lotus, the controller of the Cangxuan Continent.

But after waiting for a whole day, there was still no sign of Blue Lotus on the throne in the palace!

"I think we should stop waiting and just surrender. Even if Xuannv comes, she is no match for those people. They are all from the God Clan."

The King of Dongmeng stood up angrily and prepared to leave!

Ashnu frowned and said, "Whoever dares to be a traitor, don't blame me for being blind..."

"Ashnu, what do you mean?" The King of Eastern Mongolia glared!

"What do you mean by that? You want to be a traitor, and I'll be the first one to disagree."

“We, the people of Cangxuan Continent, can die in battle, but we cannot surrender. Over the years, haven’t we humans been bullied enough?”

“It’s because of people like you who are afraid of death that our human race has become so miserable.”

Ashnu said angrily!

“You’re talking nonsense. Say it again!” The King of Dongmeng was also angry!

“Okay, shut up and wait to see what Xuannv says!” At this time, the King of Chelie stood up and persuaded the two men to leave!

At this moment, a blue light suddenly flashed above the throne!

Upon seeing this, the three of them knelt on the ground and lowered their heads!

I saw a very young girl in blue clothes appear on the throne!

This is the blue lotus that controls the Cang Xuan Continent.

“Xuan Nu, 70% of the countries in our Cang Xuan Continent have already submitted to the Temple. If this continues, I’m afraid the entire Cang Xuan Continent will become a subsidiary of the Temple!”

Ashnu said anxiously!

“Don’t panic. I have already informed my best friend. She is bringing people here. She is from the Second Heaven.”

Chapter: 8354

Blue Lotus said!

But Blue Lotus' words did not reassure the three of them!

Because they knew that the people in these temples were obviously not from the first level.

Besides, the Gods are considered to be very powerful in the entire heaven, otherwise they wouldn't have been able to create their own race and be so arrogant and look down on everyone!

Therefore, even if someone from the Second Heaven comes to help, it will probably be of no use!

"Xuan Nu, I wonder when the help will arrive? I'm afraid that in a few days, our entire Cang Xuan Continent will fall."

The King of Dongmeng asked!

"She should be here soon. She can use time travel. It will be quick. Don't panic..."

Blue Lotus said very calmly!

But only she herself knows how panicked she is at this moment!

Not long ago, it was attacked by Feihu City. Not only did it lose a large amount of resources, but many people were also captured and used as slaves!

Now the people from the temple are coming again with great momentum, which makes her very panicked!

Although the entire Cang Xuan Continent is vast and has many cultivators, their general strength is not high.

There was no way to resist the attack on the temple.

Faced with those people in the temple, they had no choice but to surrender or wait to be slaughtered!

Her only hope now is that Mo Qingyun can come quickly and bring people to help her turn the defeat around.

At this moment, in an airspace of Cang Xuan Continent, a dazzling white light suddenly flashed, followed by a series of figures appearing!

These people are Chen Ping and his group. This time, unlike before, they will appear in the teleportation array!

This time they actually appeared in mid-air.

Looking at the tall buildings standing beneath his feet, Chen Ping felt a little puzzled!

“Aren’t we using the teleportation array?”

Chen Ping asked!

Because when he was in the white light just now, he felt an inexplicable pressure, and Chen Ping could only use his strength to protect his body.

If it were a teleportation array, this situation would not be possible!

Chapter: 8355

“Of course not. This is time travel, which is much more useful than the teleportation array.”

“The teleportation array requires both locations to have arrays, and they must be connected to each other.”

Mo Qingyun followed Chen Ping to explain!

“Time travel?” Chen Ping suddenly realized: “This should be an enhanced version of teleportation, right?”

Chen Ping knew that teleportation could allow one to move from one place to another instantly!

But the distance of teleportation is usually very short!

Time and space travel like this can involve distances of tens of thousands or even hundreds of thousands of miles.

“I guess so!” Mo Qingyun nodded, then swooped down!

As soon as they landed on the ground, they were stared at by a man with a wary look.

“Who are you?”

The man was very alert.

“Is this the Cang Xuan Continent?” Mo Qingyun asked!

“Not bad!” the man nodded!

“I’m here to find your Xuannv...” Mo Qingyun said!

“Looking for our Xuan Nu?” The man was stunned, then he looked at Mo Qingyun and said, “What do you want to do with our Xuan Nu?”

“I’m her friend, and she came to ask me to come. Is your Cangxuan Continent under attack?”

Mo Qingyun asked!

“Yes!” The man nodded, with some surprise on his face: “Are you the helper invited by Xuannv?”

“I guess so!” Mo Qingyun said!

Chen Ping looked at the man in front of him and found that he had just reached the realm of scattered immortals!

And there are still many auras around, but they are all very weak, and most of them are in the realm of immortality.

It seems that the strength of the Cang Xuan Continent is really weak.

Is it because it is more difficult for humans to practice compared to those of the demons or beasts?

The man said happily, “Where are your people? Where are they?”

Chapter: 8356

“Just a few of us!” Mo Qingyun said!

The man was stunned, and then the smile on his face disappeared: “What use are you guys? Now 70% of the Cangxuan Continent has fallen. You guys are useless!”

“I advise you to leave, lest you become someone else’s prisoner!”

“You guy, do you look down on us?” Hu Mazi was a little unhappy!

But before the man could say anything, the earth suddenly shook!

The man’s face changed drastically, and he frowned and said, “Hurry up and leave, the people from the temple are coming...”

After he finished speaking, he saw a dozen men in black from the Eighth Palace coming from a distance. Among them was an old man wearing a gray robe and a bun on his head, leading the team!

Just these dozen people made the surrounding void tremble, and the terrifying pressure was overwhelming!

Soon after, screams were heard all around. Many people were pressed to the ground, having difficulty breathing!

Upon seeing this, Chen Ping instantly summoned out the Dragon Slaying Sword, and a terrifying sword intent emerged. Then he swung it lightly, and the terrifying pressure disappeared instantly!

Everyone felt their chests relax and they all got up from the ground!

At this moment, the man looked at Chen Ping with eyes full of surprise and confusion!

Because he discovered that Chen Ping was only at the first level of the Loose Immortal Realm, the same level as himself, but he was able to easily break through this terrifying pressure!

The old man in gray robe was also slightly stunned, and soon came in front of Chen Ping and the others!

When the old man saw Master Huo, he immediately became excited!

“Third Elder, save me, save me...”

When Master Huo saw the old man, he immediately started shouting!

“Release our prince and I will spare your life!”

The third elder shouted angrily!

The man just now was stunned. He didn't expect that among Chen Ping and his group, there was actually a prince from the temple.

At this moment, tens of thousands of people have gathered around Chen Ping and his group!

Faced with more than a dozen black-clothed men from the Eight Palaces, none of the tens of thousands of human cultivators dared to step forward, and each of them had a look of fear on their face!

Seeing this, Chen Ping sighed helplessly. When did the human race become so weak and incompetent!

“With so many of you, are you afraid of a dozen of them?”

Chapter: 8357

Chen Ping asked the man!

“We are not strong enough, and that cannot be compensated by numbers.” The man said helplessly!

“So what are you going to do?”

Chen Ping wants to see what the people of Cang Xuan Continent are thinking!

If it's worth saving, then we can help!

If they are all cowards, Chen Ping doesn't want to waste his time!

“What else can we do? Either surrender or fight to the death.”

“But we won't surrender. Even if we can't beat them, we'll still wipe their snot off.”

“You are not from Cangxuan Continent, so you'd better leave quickly. I will take people to shit right now and disgust them to death.”

The man said to Chen Ping!

“Is this how you resist?” Chen Ping laughed!

“What should I do?” The man was helpless!

“Stop nagging me and release our prince immediately. Can't you hear me?” Seeing that Chen Ping ignored him, the third elder shouted again!

“You are so annoying...” Chen Ping finally looked at the third elder and suddenly swung the Dragon-Slaying Sword in his hand!

A sharp sword beam flashed like a meteor!

The surrounding airspace seemed to be compressed in an instant, and everyone almost stopped instantly, making it difficult to move!

The three elders opened their eyes wide, their faces full of disbelief!

He watched helplessly as the sword light slashed across his neck!

His head was thrown high up, and he could even see his headless body falling straight to the ground!

His head was in the air, still blinking, but his consciousness had not dissipated!

When his head fell heavily, the Third Elder's consciousness instantly disappeared!

Kill with one sword...

Everyone looked at Chen Ping in disbelief!

Especially the man, he really couldn't believe how Chen Ping, a first-level immortal, could do it!

Chapter: 8358

When the dozen or so men in black saw this, they looked at each other, then turned around and ran!

"Run away, run away..."

Seeing this, the man shouted anxiously!

Chen Ping smiled slightly and threw the Dragon-Slaying Sword in his hand!

The Dragon-Slaying Sword drew an arc in the air, and all the men in black who had already run hundreds of miles away had their heads chopped off!

More than a dozen heads were thrown high into the air, and then fell heavily to the ground!

The Dragon-Slaying Sword returned to Chen Ping's hand, without a drop of blood on it!

The man was stunned, and everyone around him was stunned!

"Do you think that we can help your Cang Xuan Continent escape from the crisis?"

Chen Ping asked the man!

The man nodded woodenly, then knelt down at Chen Ping's feet: "Savior, you are the savior of our Cangxuan Continent..."

"Savior....."

"Savior....."

"Savior....."

Tens of thousands of people knelt down, and their shouts resounded through the sky!

Feeling this scene in front of him, Chen Ping felt very comfortable!

“Isn’t it great? If you want to show off again, can you let me do it too?”

Hu Mazi said to Chen Ping with great envy!

“Of course you can, but I’m afraid you’re not strong enough. Don’t try to be cool and end up getting slapped in the face!”

Chen Ping laughed!

“Bullshit! Don’t forget that when I became an immortal, you were still a tadpole.”

Hu Mazi gave Chen Ping a cold look!

“You’ve died several times, how come you still can’t see through it? What’s the point of pretending to be cool?”

Chen Ping sighed and said!

Chapter: 8359

“It’s not good to pretend to be cool, why do you always do it?” Hu Mazi asked!

Chen Ping: “.....”

“Who dares to kill our Eighth Palace people?”

Accompanied by a delicate cry!

I saw a woman wearing white armor, with exquisite curves, a golden helmet on her head, and eyes wide open coming quickly!

At the same time, behind the woman, there were a dozen women wearing black armor!

The momentum of these people is much stronger than that of the Third Elder and his men just now!

“Master Hu, it’s time for you to show off. They are all women...”

Chen Ping smiled slightly and said!

“Hehe...” Hu Mazi smiled, and the saliva in his mouth dropped down.

Seeing this, Mo Qingyun frowned slightly.

“Don’t be surprised, Miss Mo. Master Hu doesn’t have any hobbies, he just likes women!” Chen Ping hurriedly explained!

“elder sister.....”

When Master Huo saw the woman, he hurriedly shouted!

Chen Ping was stunned and a little surprised. He didn’t expect that Huo Zhao had a daughter.

But the woman didn’t even look at Master Huo. Instead, she looked at the dead Third Elder and the others, and said angrily, “Who killed the Third Elder? Stand up, or I’ll kill you all!”

“It was me. I killed him...”

Seeing this, Hu Mazi quickly jumped up and came in front of the woman!

“My little beauty, I killed your three elders. I want to apologize to you!” Hu Mazi smiled and said, “I’m sorry. If you don’t accept my apology, I can give myself to you as compensation.”

“I’ll do whatever you tell me to do, absolutely obedient, is that ok?”

As Hu Mazi said this, he actually started to take off his pants!

The woman blushed and glared at Hu Mazi angrily, “You old pervert, I’m going to kill you...”

The woman suddenly took out a sword and stabbed directly at Hu Mazi!

“Damn, are you serious?” Hu Mazi was shocked and quickly retreated!

Chapter: 8360

“Stop him, I want to castrate him myself!” the woman yelled!

Soon, a dozen female soldiers in black armor surrounded Hu Mazi!

At the woman’s command, more than a dozen female soldiers in black armor formed a formation instantly.

The spear in his hand turned into a cold light that filled the sky and surrounded Hu Mazi.

These female soldiers cooperated very well, and wherever the tips of their guns pointed, an impenetrable net of spiritual power was woven in the air.

“Oh my, are you girls so cruel?”

Hu Mazi screamed and dodged in the shadow of the gun, throwing out the talismans in his hand one after another.

But when those talismans touched the armor of the black-armored female soldiers, they disappeared without a trace like a drop in the ocean.

His expression changed: "The Protoss's Forbidden Magic Armor?"

Before he could finish his words, a spear pierced his sleeve, leaving a bloody mark on his arm.

Hu Mazi felt pain and quickly made a gesture to summon a talisman, which emitted a dazzling golden light.

But the female soldiers just narrowed their eyes slightly and did not reduce their offensive in the slightest.

Seeing that he was about to be forced into a desperate situation, Hu Mazi finally shouted at the top of his voice: "Chen Ping! Are you still here to watch the fun?"

"Master Hu, I gave you a chance to show off, but it's a pity that you can't do it!"

Chen Ping laughed!

"You are still talking nonsense. Hurry up and take action, or I will die!" Hu Mazi yelled!

Chen Ping and Mo Qingyun looked at each other and attacked at the same time.

The Dragon-Slaying Sword turned into a long blood-red rainbow, instantly shattering the gun tips of the three female soldiers.

Mo Qingyun formed seals with his hands, and dozens of ink-colored vines suddenly sprang out from the ground and entangled the ankles of several other female soldiers.

The leading woman saw this and her eyes glowed coldly under her golden helmet: "How dare the lowly human race resist the majesty of the gods?"

The sword in her hand suddenly emitted a dazzling white light, and a sharp sword energy swept out, cutting off all the dark vines.

"kill!"

When the man from Cangxuan Continent saw this, he was inspired to fight by Chen Ping and the others and raised his arms and shouted.

Tens of thousands of monks were pouring in like a tide, and they couldn't just sit there and wait for death.
