

The Order 8421

Chapter: 8421

Chen Ping shouted loudly, and the two coffins were actually dragged up by Chen Ping. Then a white light flashed, and the two coffins disappeared.

Chen Ping put the coffin into the storage ring. No matter what treasures were in the coffin, Chen Ping planned to check it after leaving here.

It was unwise to check the coffin in front of these people.

If there were really treasures, these people would definitely turn against him.

Seeing that both coffins were collected by Chen Ping, everyone was stunned!

Everyone looked at Chen Ping with different thoughts.

“Boy, the coffin is in this relic. The things in the coffin should belong to all of us. Why did you collect the coffin alone?”

Tianci saw Chen Ping collect all the coffins and shouted angrily!

“Is this relic yours?” Chen Ping asked!

“No!” Tianci shook his head.

“Since it’s not yours, what’s your business if I collect it?” Chen Ping is not afraid of Tianci now.

If they really fight, Tianci is no match for Chen Ping.

Tianci was stunned. He didn't expect that Chen Ping, who was so respectful to him just now, is so arrogant now.

"Boy, are you talking to me?"

Tianci asked incredulously!

"I'm talking to a dog!" Chen Ping smiled!

The woman in white robe laughed out loud when she heard it.

Mo Qingyun also smiled with her hands covering her mouth!

Tianci opened his eyes wide and was furious: "Boy, you are looking for death..."

After that, Tianci attacked Chen Ping directly.

Tianci attacked furiously, and the breath of the fifth level of the scattered fairyland burst out, and the entire ruins space trembled!

He was surrounded by golden light, as dazzling as the sun, and every step he took, the ground cracked like spider webs.

"Boy, I want to let you know what the sky is high and the earth is thick!"

A brilliant golden light condensed in his palm, turning into a three-meter-long golden spear, the tip of the spear swallowed and spit out a sharp edge, piercing Chen Ping's throat!

Chapter: 8422

Tianyuan Pavilion's unique skill, the sky-breaking spear!

When this spear was stabbed out, the space was slightly distorted, and the air was torn apart with a sharp explosion wherever the tip of the spear passed.

The spear was as powerful as a dragon, with a crushing force, enough to kill an ordinary sixth-grade cultivator in the Sanxian realm in seconds!

"Chen Ping, be careful!"

Mo Qingyun exclaimed, her beautiful eyes full of worry, and her delicate hands unconsciously clenched the corners of her clothes.

Elder Tong snorted when he saw this, thinking that Tianci still took Chen Ping too seriously.

He was just a third-grade cultivator in the Sanxian realm, so why use the Sky-breaking Spear? Just one punch would be enough.

The white-robed woman and three black-robed men also watched quietly. In their eyes, Chen Ping would definitely lose.

However, Chen Ping stood still, with a slight smile on his lips and a hint of disdain in his eyes.

Just when the tip of the spear was only three inches away from his throat.

Swish!

Chen Ping's figure suddenly blurred, and he dodged sideways like a ghost, and at the same time, his right fist glowed with golden light, and he smashed into Tianci's chest fiercely!

"Holy Light Fist!"

Boom...!

Seeing this, Tianci hurriedly built up a protective golden light on his chest and tried to dodge, but it was too late.

This punch hit Tianci's chest hard, and the breath was stacked like waves.

The protective golden light on Tianci's chest was instantly shattered, and the whole person flew backwards like a kite with a broken string, hitting the stone wall heavily, and smashed a deep pit!

"What?"

Elder Tong's pupils shrank suddenly, and his face was full of disbelief.

His hand, which was originally stroking his beard leisurely, froze in mid-air, and several strands of his beard were torn off without knowing it.

A third-grade Sanxian Realm can actually knock back a fifth-grade with one punch?

Tianci crawled out of the rubble, his face was ashen, and a trace of blood flowed from the corner of his mouth.

He looked down at the charred fist mark on his chest, and a trace of horror flashed in his eyes.

The white-robed woman was also full of horror. She knew Tianci's strength. This guy was the pride of Tianyuan Pavilion and could fight beyond his level.

Chapter: 8423

Tianci, who is now fighting against Chen Ping, is two realms higher than Chen Ping, but now he is knocked back by Chen Ping with one punch?

Isn't this too outrageous?

You have to know that Tianci still uses weapons, while Chen Ping only uses fists.

There is already a gap. Chen Ping does not use weapons, and it seems that he is humiliating Tianci.

Seeing that Chen Ping defeated Tianci with one punch, Mo Qingyun breathed a sigh of relief in his heart, and his love for Chen Ping became stronger.

Which woman doesn't like this kind of proud son of heaven, strong and handsome man?

"You have some skills, but unfortunately... it's not enough!"

Tianci slowly stood up and roared loudly. He felt that he had been greatly humiliated.

He was a proud son of heaven in Tianyuan Pavilion, and everyone looked up to him.

But today, he, a fifth-grade scattered fairy, was beaten by Chen Ping, a third-grade scattered fairy, and vomited blood, and the other party did not use weapons.

Tianci spat out a mouthful of blood, and a golden light surged around him. A ten-foot-tall golden shadow appeared behind him. It was a mighty general wearing golden armor and holding a long halberd. His eyes were like lightning and his pressure was like a prison!

"Dharma body?" Elder Tong frowned when he saw this.

As soon as the Dharma appeared, the entire ruins trembled. Tianci's aura surged instantly, and he was approaching the sixth level of the scattered fairyland!

"This guy is crazy. He just started, and he actually used the Dharma body. This is very harmful to the body."

The white-robed woman looked at the crazy Tianci and shook her head slightly.

"Die!"

He put his palms together, and the golden Dharma moved with it. A golden giant palm covering the sky and the sun fell from the sky.

The palm lines were clearly visible, and an ancient seal of "Zhen" was condensed in the palm. With the power to suppress everything, it slapped Chen Ping fiercely!

Tianyuan Demon Suppression Palm!

This attack was the strongest killing move from heaven! Before the palm wind arrived, the ground had already begun to collapse, and the stone slabs under Chen Ping's feet shattered.

Chen Ping looked up, a trace of solemnity flashed in his eyes, but he was not panicked.

He quickly formed seals with both hands, and all kinds of power in his body were running wildly, forming a huge black vortex around him. Stars could be vaguely seen flowing in the vortex, as if it could swallow all the power!

The golden giant palm fell down with a bang, but the moment it touched the black vortex, it was decomposed and swallowed bit by bit.

The ancient seal character "Zhen" trembled violently, and finally broke into light spots all over the sky.

Chapter: 8424

Boom!

The remaining power of the giant palm blasted a palm-shaped giant pit ten feet deep on the ground, and smoke and dust rose into the sky.

When the smoke and dust dissipated, Chen Ping was still standing, but there was a trace of blood at the corner of his mouth, and his robe was a little damaged.

“How is it possible!”

Tianci was completely shocked, his face as pale as paper. He hit with all his strength, but Chen Ping took it!

“It’s my turn.”

Chen Ping wiped the blood from the corner of his mouth, and suddenly there was a dragon-slaying sword in his hand, and the spiritual power in his body erupted like a volcano!

With a wave of the dragon-slaying sword, thousands of sword shadows flew out of his body, interweaving into a sword net in the air.

Swish, swish, swish—!

Ten thousand sword shadows condensed in an instant, turning into a huge sword of a hundred feet, with blood-colored dragon patterns wrapped around the sword body, and a cold star-like light at the tip of the sword, with the momentum of cutting through the sky and the earth, slashing towards Tianci!

Tianci hastily offered a golden shield to resist, but was cut in half by the sword.

The remaining force of the sword energy did not diminish, leaving a deep wound on his chest that could be seen to the bone, and blood gushed out!

Defeat!

The whole audience was silent!

Mo Qingyun widened her beautiful eyes, her red lips slightly parted, watching this scene in disbelief.

The white-robed woman and the three black-robed old men were also horrified, and unconsciously stepped back a few steps.

A third-grade Sanxian Realm, surpassing two levels to defeat Tianci?

This simply overturned their cognition!

“You dare to hurt my Tianyuan Pavilion’s Tianjiao?” Elder Tong finally couldn’t sit still anymore and shouted, “Go to hell!”

He jumped out and waved his hands. Dozens of golden array patterns emerged and intertwined in the air to form a large net, covering Chen Ping.

Each node on the net flashed an ancient seal, emitting a confining force.

A huge array covered Chen Ping. Although Elder Tong’s realm was not high, his array technique was superb.

It was because of his superb array technique that he got the position of elder in Tianyuan Pavilion and was respected.

“You dare to show off your ugliness in a mere array?”

Chapter: 8425

Chen Ping sneered, with golden light flashing in his eyes, and instantly saw through the flaws of the array.

He lightly tapped his fingertips, and a spiritual power accurately hit the center of the array, and the whole net suddenly shattered like foam!

“What?”

Elder Tong’s face changed drastically, and he staggered back two steps: “You...you know the formation?”

“I know a little bit.” Chen Ping smiled faintly.

Elder Tong’s face looked uglier than eating a hundred pounds of shit.

Just now he mocked Chen Ping for not knowing the formation at all, but now he was slapped in the face.

“Elder Tong, let’s kill him today.”

The injured Tianci was like an angry beast at this time.

He had never suffered such a setback, so even if he died, he would drag Chen Ping to be buried with him.

Elder Tong nodded, and now they had to join forces.

In front of the people of Shura Palace, if both of them were defeated by Chen Ping, then their Tianyuan Pavilion would become a laughing stock in the future.

The two people accumulated their last strength and prepared to give Chen Ping a fatal blow.

The woman in white robe watched with interest, but had no intention of taking action.

She wants to take advantage of the conflict between the two sides, and after the two sides fight to the death, she can easily take away the coffin on Chen Ping.

Maybe all the resources of Chen Ping and Tianci and others will be taken away together.

Chen Ping also saw the intention of the woman in white robe, but now Tianci and Elder Tong are fighting, Chen Ping must also go all out.

It will be difficult to deal with the woman in white robe at that time.

Just as Chen Ping frowned slightly and thought about how to crack it, his eyes suddenly caught a glimpse of the runes on the back of the two warrior statues. The runes were flashing, and Chen Ping felt familiar.

“So that’s it!”

He flew over and pressed his hands on the runes on the back of the warrior statues. The spiritual power in his body ran according to a specific trajectory and was injected into the runes.

The runes suddenly lit up with blood and squirmed like a living thing.

Crack—

The sound of the stone skin peeling off was heard, and the two warrior statues suddenly opened their eyes, and two bloody lights shot out of their eyes.

The stone skin on their bodies fell off one after another, revealing the black armor, which was engraved with ancient runes and exuded a frightening breath.

“Kill!”

At Chen Ping’s command, the two warriors rushed out instantly, as fast as lightning.

One held a three-meter-long black giant sword, with blood-colored thunder wrapped around the blade; the other held a white long sword, and the tip of the sword was swallowing blue flames.

Tianci and Elder Tong fought hastily, but they were no match at all.

The black giant sword chopped down, and Tianci’s golden spear broke with a sound; the white long sword chopped out, and Elder Tong’s body protection aura was shattered like paper.

Boom boom boom!

Every blow of the warriors was as heavy as a thousand pounds, and the two retreated step by step.

Tianci’s left arm was cut by a knife, and Elder Tong’s right leg was injured, and the blood stained the ground red.

“Chen Ping! Today’s vengeance will be avenged by Tianyuan Pavilion!”

Tianci gritted his teeth, crushed a golden escape talisman, and followed Elder Tong to escape as a golden light.

Chapter: 8426

Chen Ping did not chase them, because he did not know if he could survive in the second heaven with his strength.

Whether he could deal with the Tianyuan Pavilion.

Now that there was the enemy of the Temple, Chen Ping did not want to make more enemies.

“Do you also want to rob the two coffins?”

Chen Ping looked at the woman in white robe and asked!

The woman in white robe looked at Chen Ping deeply, then looked at the two warriors with fear, and finally retreated quietly with three old men in black robes.

Only Chen Ping and Mo Qingyun were left in the ruins.

“Chen Ping, you... you are so awesome!” Mo Qingyun’s eyes were full of admiration, and his little face flushed with excitement.

Chen Ping shook his head and looked at the two warriors with a serious look: “The real trouble has just begun.”

The warrior suddenly turned around, staring at Chen Ping with blood-red eyes, and raised the weapon in his hand slightly, as if making some kind of judgment.

The runes on their bodies flickered, exuding a dangerous aura.

The sudden change of the two warrior statues made Chen Ping nervous all of a sudden, and he pulled Mo Qingyun behind him.

“They don’t seem to be just puppets...”

Chen Ping whispered, his hand already on the storage ring, ready to take out weapons to deal with emergencies at any time.

At this tense moment, one of the warriors suddenly knelt on one knee, and a hoarse voice came from the armor:

“We... follow the master’s order... to protect the inheritance...”

Chen Ping’s pupils shrank, and a storm of waves rose in his heart.

These two warriors are still conscious! Who is the master they are talking about?

Could it be the mysterious old man who was absorbed by him?

Mo Qingyun nervously grabbed Chen Ping’s sleeve: “They... are they talking?”

The warrior slowly raised his head, looking directly at Chen Ping with bloodshot eyes: “Master...”

Before he finished speaking, the two warriors suddenly turned into two black lights and sank into Chen Ping’s body!

Chen Ping felt a huge amount of information pouring into his mind, and his eyes went dark, and he almost fainted.

“Chen Ping!”

Chapter: 8427

Mo Qingyun hurriedly supported him, but saw a blood-colored rune appearing on Chen Ping's forehead, looming.

When Chen Ping opened his eyes again, a flash of enlightenment flashed in his eyes: "So that's it... These two warrior sculptures actually regarded me as their master..."

Chen Ping used the Concentration Heart Technique to absorb the mysterious old man, and he also possessed the aura of the mysterious old man, so these two warrior sculptures would recognize their master.

When Chen Ping saw the runes behind the two warrior statues, he felt inexplicably familiar, and that's why!

After the two warriors turned into black light and sank into Chen Ping's body, the entire ruins suddenly shook violently!

"Oh no, the ruins are going to collapse!"

Chen Ping looked up suddenly, and saw that the dome began to crack, and countless broken stones fell.

He grabbed Mo Qingyun's hand and said, "Let's go!"

The two of them ran towards the exit at high speed. There was a rumbling sound of collapse behind them, and the whole space seemed to be torn apart by an invisible giant hand.

"Chen Ping, where is the exit?" Mo Qingyun asked anxiously.

"Follow me!"

Chen Ping's eyes flashed with golden light, and he instantly locked onto a faint light source – that was the teleportation array when they entered!

However, the teleportation array had begun to collapse, the runes were dim, and it could fail at any time.

“It’s too late!”

Chen Ping gritted his teeth and pushed Mo Qingyun towards the teleportation array: “You go first!”

“What about you?” Mo Qingyun exclaimed.

“I have my own way!”

Before he finished speaking, Chen Ping slapped out with his palm, injected spiritual power into the teleportation array, and forcibly activated the last trace of energy.

Buzz——

A white light flashed, and Mo Qingyun’s figure disappeared instantly.

And at the moment when the teleportation array completely collapsed, Chen Ping jumped up and rushed into the space crack that was about to close!

...

Cangxuan Continent, Floating Island.

The mysterious island that was originally suspended in the sky was shaking violently at this moment, and countless monks looked up in fear.

Chapter: 8428

“What’s going on? Why is the floating island shaking?”

“Oh my God, it’s falling!”

Boom...

The edge of the floating island began to crack, and huge rocks hit the earth like meteorites, raising smoke and dust.

“Run! The floating island is going to crash!”

Countless monks fled in all directions, and the scene was in chaos.

Just when everyone thought that the end of the world was coming, two figures suddenly rushed out from the center of the floating island!

“It’s Mr. Chen! And Qingyun!”

The beautiful eyes of Lan Lianhua condensed, and she immediately led people to meet them.

“Mr. Chen, what happened?” She asked anxiously.

Chen Ping stabilized his body and said in a deep voice: “The floating island is not a real island at all, but an entrance to a ruin. Now that the ruins have collapsed, it naturally cannot be maintained.”

“What?” Everyone was shocked.

“This is not the place to talk, let’s go back and talk!”

Chen Ping said!

Blue Lotus nodded, and then took Chen Ping and Mo Qingyun back to her palace.

Chen Ping told Blue Lotus everything exactly.

After listening, Blue Lotus felt a pity.

“This floating island has been in our Cangxuan Continent for many years, and we didn’t even realize that it was the entrance to a ruin.”

Blue Lotus said with regret.

After saying that, Blue Lotus noticed that Chen Ping’s aura had changed a lot, so she asked curiously: “Chen Ping... What realm are you in now?”

Chen Ping smiled slightly: “The third level of the scattered fairy realm.”

“What?!”

Blue Lotus was shocked!

You know, Chen Ping was only the first level of the scattered fairy realm before entering the ruins. In just two days, he broke through several realms and reached the third level of the scattered fairy?

Chapter: 8429

This cultivation speed is simply unheard of!

Chen Ping just smiled and didn't say anything. If he said too much, Blue Lotus would probably regret it even more.

Originally, these were opportunities for Cangxuan Continent, but no one in Cangxuan Continent discovered that the floating island was the entrance to the ruins, and the opportunity was missed in vain.

"Xuan Nu, how is Huo Jingjing?" Chen Ping asked Lan Lianhua.

After playing with Huo Jingjing, Chen Ping left, and he didn't know what happened to this guy.

With the temperament of the gods, it is estimated that Huo Jingjing will commit suicide. After all, she can't bear being played by people of the inferior race that they think of as gods.

"It's good. Now she doesn't make a fuss and eats on time every day."

"But she said several times that she wanted to see you, and I said you were not there!"

Lan Lianhua said!

Chen Ping was stunned and a little puzzled. Could it be that Huo Jingjing was forced to play with by him, and he didn't feel bad for himself?

So Chen Ping got up and planned to go see Huo Jingjing!

In the dungeon, Chen Ping saw Huo Jingjing sitting quietly!

Seeing Chen Ping coming, Hou Jingjing stood up, but she was not as furious as Chen Ping imagined.

"Chen Ping..."

Huo Jingjing looked at him with complicated eyes.

Unlike the arrogance at the beginning, she had a soft look in her eyes at this moment.

“What are you doing?” Chen Ping raised his eyebrows and asked unhappily.

To deal with such a proud woman, you need to suppress her with your momentum.

Huo Jingjing bit her lip and whispered: “You...what have you been doing these two days?”

“What does what I do have to do with you? Do I need to report to you?”

Chen Ping said coldly!

“No, no, no, I don’t want to control you, but my mind has been very confused these two days.”

Huo Jingjing waved her hand and said.

“Why?” Chen Ping looked at Huo Jingjing: “Is it because I possessed you that you are confused?”

Chapter: 8430

“Yeah!” Huo Jingjing nodded.

“I’m sorry, I was also impulsive.” Chen Ping said!

“You haven’t done anything wrong to me.” Huo Jingjing shook her head: “Can you come in and sit with me for a while?”

Chen Ping thought for a moment, nodded and opened the cell door.

Just as he walked in and closed the door, Huo Jingjing suddenly turned around and threw herself into Chen Ping’s arms!

“Chen Ping, I...I seem to like you.” Huo Jingjing looked at Chen Ping and said.

Chen Ping was stunned, then sneered: “Miss Huo, you are a god, how could you like an ‘ant’ like me?”

“Don’t joke with me, I know that you gods are not allowed to marry with other races.”

Huo Jingjing raised her head, with shame in her eyes: “Why do you still mention the gods! I...I was ignorant and brainwashed...”

“We are all human beings. The night I was with you, you let me know what heaven is.”

Huo Jingjing’s voice gradually became lower and her cheeks flushed.

It turned out that after being “forced” to have sex with Chen Ping, Huo Jingjing was furious at first, but as time went by, she found that Chen Ping’s shadow was all in her mind.

Chen Ping didn’t expect that this proud woman from the God Clan would be conquered by him so quickly.

It seems that even the proudest woman is afraid of the big stick.

Chen Ping looked at her shy appearance, and his heart moved. He stretched out his hand to lift her chin: “Since you like me, I won’t leave tonight, and let you go to see heaven.”

“You... um!”

Before Huo Jingjing finished speaking, she was kissed on her red lips by Chen Ping, and the whole person fell soft in his arms...

...

The next morning, Chen Ping just opened his eyes and felt a sense of jealousy!

Walking out of the dungeon, it turned out that Mo Qingyun had been at the door of the dungeon without knowing when.

Mo Qingyun looked at Chen Ping with helplessness, anger and jealousy.

But she knew that she followed Chen Ping without any status, and they had just met for a short time, so she had no control over who Chen Ping slept with.

“Miss Mo, why are you here?” Chen Ping asked puzzledly when he saw Mo Qingyun!

“I heard that you didn’t come out of the dungeon all night. I’m afraid that woman is bad for you, so I want to come and see!”
