

## **The Order 8431**

Chapter: 8431

Mo Qingyun said!

“It’s okay, I’ve taught her a lesson!”

After Chen Ping finished speaking, he shouted into the dungeon: “Jingjing, come out...”

Huo Jingjing walked out with a blushing face, and she was limping.

The blood vessels in her body were also opened by Chen Ping, and they were no longer restricted.

Huo Jingjing blushed when she saw Mo Qingyun, and lowered her head.

“It’s good that you’re okay!” Mo Qingyun turned and left!

“This Miss Mo seems to be jealous?” Huo Jingjing said!

“No way, why is she jealous? We have nothing to do with each other.”

Chen Ping said very puzzled!

“She must like you. Women’s intuition is very accurate. If you want, take her down together.”

Huo Jingjing said very considerately.

“I never force anyone...” Chen Ping said.

After hearing Chen Ping’s words, Huo Jingjing could only roll her eyes!

If Chen Ping hadn’t forced her, she might not have loved Chen Ping.

At this moment, suddenly a terrifying aura came from a distance and directly enveloped the Cangxuan Continent.

The cultivators of the Cangxuan Continent were all shocked!

After all, they had suffered several fatal blows, and now the cultivators of the Cangxuan Continent were like frightened birds.

Along with the rolling of the terrifying aura, a roar of anger sounded.

“Chen Ping! Come out and die!”

“Let my daughter go...”

A roar resounded through the sky, shaking the mountains and rivers.

Huo Jingjing suddenly woke up, her face pale: “It’s my father! He brought people here!”

Chen Ping sneered: “You came just in time, it’s time to tell him about the two of us.”

Chapter: 8432

“We are all relatives, so don’t fight and kill each other.”

Chen Ping took Hou Jingjing out.

At this moment, Lan Lianhua’s face was solemn, and she was looking up at the void!

The sky was dark, and there were hundreds of monks standing in the air, led by Huo Zhao!

Beside Huo Zhao, there was a masked man with an unfathomable aura.

Chen Ping recognized him at a glance. This was the temple patrol envoy whose body was destroyed by them.

“Temple patrol envoy?” Huo Jingjing exclaimed, “Why is he here too?”

The patrol envoy glanced down indifferently, and his eyes finally fell on Chen Ping.

“Boy, I’m here for revenge.”

The patrol envoy said coldly!

“I didn’t expect you to recover your body so quickly, but it’s useless for you to recover your body. If I kill you, it will take only a few minutes.”

Chen Ping sneered!

He is now a third-grade scattered immortal, and it’s no problem to deal with this patrol envoy.

“I didn’t expect that in just a few days, you actually reached the third-grade realm of scattered immortals, but it’s useless. I came prepared this time!”

After the patrol envoy finished speaking, the temple monks behind him burst out with terrifying auras.

These people are not from the Eight Palaces, but the strong men brought by the patrol envoy himself.

“No matter how many people you come, I will kill as many people. I’m not afraid of you trying to bully the few with the many!”

Chen Ping didn’t care!

But Mo Qingyun, Hu Mazi and others were full of solemnity at this moment!

“Chen Ping, it’s already this time, don’t pretend to be cool, the other party is obviously coming.”

Hu Mazi persuaded Chen Ping!

He knew that Chen Ping liked to show off, but sometimes showing off can be fatal.

“Master Hu, don’t worry, I’m not showing off this time.”

Chen Ping laughed!

Chapter: 8433

Because Chen Ping knew it in his heart, he still had two warrior statues in his body, and these two statues were extremely powerful.

The fifth level of the Immortal Realm was defeated by these two statues, which shows that the strength of these two statues can reach the sixth and seventh levels of the Scattered Immortal Realm.

If the two statues were united, the burst would be even stronger.

The most important thing is that the statues have no life and are not afraid of death, which is the most important thing.

At this time, the Temple Patrol Envoy set his eyes on Huo Jingjing, and then frowned.

“Ant, dare to defile the daughter of the God Clan, you deserve to die!”

The Patrol Envoy roared!

He saw that Huo Jingjing had been defiled.

When Huo Zhao heard this, his eyes widened and he asked Huo Jingjing, “Jingjing, did someone sleep with you?”

Huo Jingjing nodded!

This made Huo Zhao furious, and the Huo Shizi yelled, “Who, who fucked my sister? Get out here?”

“It was me...” Chen Ping said with a faint smile!

“Chen Ping, you are looking for death...” Huo Zhao wanted to eat Chen Ping alive.

Huo Jingjing rushed out and knelt down to beg, “Father, Lord, the patrol envoy, please let Chen Ping go! I... I volunteered!”

“What?!” Huo Zhao was furious, “Jingjing, are you crazy? Who is he, and how can he be worthy of you?”

The patrol envoy's eyes flashed with cold light, "God women must not marry outsiders! Huo Jingjing, you violated the divine law and should be severely punished!"

He raised his hand and waved, and the bone whip in his hand instantly whipped Huo Jingjing!

Huo Zhao felt distressed when he saw this, but he didn't dare to stop him.

"Be careful!"

Chen Ping flashed in front of Huo Jingjing in an instant, punched out, and repelled the bone whip!

"Old man, it's not your turn to teach my woman a lesson!"

The patrol officer's pupils shrank: "You dare to do it, then I will kill you first, and then clean up the mess!"

At his command, dozens of temple masters behind him attacked at the same time, and all kinds of magical powers bombarded Chen Ping!

"Chen Ping!" Huo Jingjing burst into tears.

Chapter: 8434

She didn't expect Chen Ping to protect her so much.

She thought Chen Ping just needed her and had no feelings for her.

But now, she found that she didn't love the wrong person.

Chen Ping sneered, muttered something, and suddenly two black lights burst out of his body – it was the two ancient warriors!

The appearance of these two ancient warrior statues stunned everyone!

“Kill!”

Chen Ping roared!

The two warriors attacked instantly, as fast as lightning.

With a knife, blood-red thunder swept across the sky, instantly splitting a temple master into charcoal!

Another warrior wielded a white long sword, and the dark blue flame turned into a giant dragon, devouring a temple master.

“What kind of monster is this?!” Huo Zhao was horrified.

You have to know that the people brought by the patrol envoy are very powerful, much stronger than those of the Eight Palaces.

But now, he was killed by the two warriors that Chen Ping suddenly conjured up without any chance to fight back.

The patrol officer’s face also changed drastically: “Ancient war puppets? Impossible! How can you control them?”

Chen Ping did not answer at all, and his body was as fast as lightning, and he went straight to the patrol officer!

“Looking for death!” The patrol officer shouted angrily, and the bone whip was like a rainbow, rushing towards Chen Ping.

Facing the patrol officer’s bone whip, Chen Ping’s eyes suddenly shone with coldness, and his body did not retreat but advanced, and he actually rushed directly towards the bone whip!

“Looking for death!”

The patrol officer laughed grimly, and the bone whip in his hand suddenly swelled several times, turning into a ferocious bone dragon, opening its bloody mouth and biting towards Chen Ping!

“Chen Ping, be careful!”

Huo Jingjing exclaimed, her face pale.

Just when the bone dragon was about to devour Chen Ping, a dazzling golden light suddenly burst out from his body!

A dragon roar resounded through the sky, and golden dragon scales appeared all over Chen Ping’s body. His right hand turned into a dragon claw and grabbed the bone dragon fiercely!

Ever since Chen Ping transformed into a golden dragon, he has possessed the ability to transform his form.

Chapter: 8435

“Crack!”

In the sound of teeth-grinding shattering, the seemingly indestructible bone dragon was crushed by Chen Ping!

“What?”

The pupils of the patrol officer shrank suddenly, and before he could react, Chen Ping appeared in front of him like a ghost!

“Old man, it’s my turn!”

Chen Ping’s right fist condensed with terrifying golden thunder, and punched the patrol officer in the face!

“Boom!”

In the earth-shattering explosion, the patrol officer flew backwards, his mask shattered, revealing a hideous face covered with scars.

“Ah! My face!”

The patrol officer screamed miserably, and blood gushed out of his seven orifices.

At the same time, the two warrior statues also started the massacre!

The black warrior swept the giant sword in his hand, and the blood-red thunder turned into an electric net that covered more than ten temple masters in an instant!

“Ah...”

Screams came one after another, and those temple masters twitched wildly in the electric net, and turned into charcoal in the blink of an eye!

The white warrior was even more terrifying. Every time it swung the long sword in its hand, it would bring up a sea of dark blue fire. Wherever it passed, even the space was burned and distorted!

“What kind of monster is this?”

A temple master retreated in fear, but was chopped in half by the white warrior. The body was burned to ashes by the dark blue flames before it fell to the ground!

“Form a formation! Quickly form a formation!” A temple master screamed.

However, before they finished forming the formation, the black warrior suddenly roared to the sky and stabbed the giant sword in his hand into the ground!

“Boom...”

The earth shook violently, and countless blood-red thunders gushed out from the ground, instantly blowing dozens of temple masters into pieces!

“Too...too strong...”

Hu Mazi was stunned and forgot to activate the talisman in his hand.

Huo Jingjing’s beautiful eyes were full of light, and she murmured: “Chen Ping can actually control such a powerful war puppet...”

Chapter: 8436

Lan Lianhua looked solemn: “These two warriors may have extraordinary origins...”

Only Mo Qingyun knew the origins of the two ancient warriors, so it was not surprising.

Tens of thousands of years ago, the sect that was able to open up the world in the heavens left behind two guardian warriors, and their strength must be strong.

In the center of the battlefield, the battle between Chen Ping and the patrol envoy has entered a white-hot stage.

Huo Zhao stared blankly, and everyone was dumbfounded.

“Father, do we need help?” Huo Shizi asked Huo Zhao in a low voice!

“Help your mother, didn’t you see that the patrol envoy wanted to kill your sister?”

“Maybe Chen Ping can kill him, so your sister can be saved.”

Huo Zhao glared at Huo Shizi and said!

“Father, do you think my sister really let Chen Ping do it?” asked Master Huo!

Huo Zhao was silent, then nodded: “It seems to be true!”

“So, Chen Ping is my brother-in-law?” Master Huo’s brain circuit is too amazing.

“Shut up...” Huo Zhao glared and told his son not to talk anymore.

He became my brother-in-law before he knew what it was like?

If Chen Ping really slept with his daughter, Huo Zhao would take revenge even if he risked his life.

But if his daughter really agreed and the two of them were willing, Huo Zhao really felt it was a bit tricky.

Just as Huo Zhao was thinking wildly, the battle continued.

“Little beast, I want you to die!”

The patrol envoy was completely crazy, biting his tongue and spitting out a mouthful of blood, and the bone whip instantly turned into a hundred-foot blood dragon!

“Blood dragon devouring the sky!”

The blood dragon roared and rushed towards Chen Ping, and even the air was corroded and sizzled wherever it passed!

“A trifle!”

Chen Ping sneered, his spiritual power surged wildly, and the Dragon Slaying Sword appeared in his hand.

“Clang clang clang...”

Chapter: 8437

Countless sword sounds resounded through the world, and tens of thousands of golden sword shadows appeared behind Chen Ping, shooting at the blood dragon like a rainstorm!

“Boom! Boom! Boom!”

Amid the deafening explosion, the blood dragon was pierced by thousands of swords, wailing miserably, and finally exploded into a blood mist with a bang!

“No... Impossible...”

The patrol officer looked ashen, turned to look at Huo Zhao and said, “What are you still looking at? Why don’t you help me quickly?”

The patrol officer’s words made Huo Zhao’s body tremble slightly.

“Sir Patrol Officer, you are not even Chen Ping’s opponent. If I go forward to help, won’t I also be cannon fodder?”

Huo Zhao said!

“How dare you talk to me like this? I have a destiny that you will stop Chen Ping immediately!”

After the patrol officer finished speaking, he turned around and was about to run away.

“Want to leave?”

Chen Ping’s eyes were filled with murderous intent, and he appeared behind the patrol officer in a flash. He swung the Dragon Slashing Sword with his right hand and pierced his chest directly!

“Puff!”

Blood splattered, and the patrol officer looked down at the Dragon Slashing Sword on his chest, his eyes full of disbelief.

“You... you dare to kill the temple...”

“You talk too much nonsense!”

Chen Ping snorted coldly, and swung the Dragon Slashing Sword!

“Swish!”

The patrol officer’s body was directly split in half, and his body and soul were destroyed!

At the same time, the two warriors also killed the last few masters of the temple, and the entire battlefield fell silent in an instant.

“Gudong...”

Huo Zhao swallowed hard, and his legs trembled uncontrollably.

The Huo Shizi behind him was even more miserable, his crotch was already wet, and when he saw Chen Ping’s eyes, he fell to his knees: “Sister...brother-in-law, spare my life! I...I won’t dare to do it again!”

Seeing this, Huo Jingjing hurried to Chen Ping’s side, holding his arm and begging: “Chen Ping, for my sake, spare my father and brother...”

Chapter: 8438

Chen Ping looked at Huo Jingjing, then at Huo Zhao, who was ashen-faced, and said lightly: “Father-in-law, can we have a good talk now?”

Huo Zhao trembled all over, and hurriedly squeezed out a smile A smile that was ugly even when crying: “My dear... my dear son-in-law, we are a family, what can’t we talk about...”

Chen Ping’s mouth corners slightly raised, and two ancient warriors turned into black light and entered Chen Ping’s body, while Chen Ping held Huo Jingjing’s slender waist and walked towards Huo Zhao: “In this case, the Eighth Palace will be under my command from today, father-in-law, do you have any objections?”

How dare Huo Zhao have any objections, nodding repeatedly: “No objection! Absolutely no objection! My dear son-in-law is very powerful, and the Eighth Palace is the most suitable for you!”

Hu Mazi and others couldn't help laughing when they saw this.

Who would have thought that Huo Zhao, who was so aggressive that he wanted to kill Chen Ping not long ago, is now trembling like a quail?

What about the arrogance of the gods? What about the rule of the gods that they would rather die than surrender?

Speaking of it, the gods are just self-proclaimed, and these people are also human beings, with human emotions and seven emotions and six desires.

They are even afraid of death.

Now the Eighth Palace has gone from being an enemy to being a relative, a result that Chen Ping had not expected.

However, this is also the best result. Chen Ping still has some knowledge about the Temple and the Gods. Now that the Eighth Palace Master has become his father-in-law, he can better understand the Temple and the Gods.

He knows that the Temple will never give up, and may even have a stand with the entire Gods. Chen Ping must understand the other party.

Chen Ping temporarily let Huo Zhao take the Eighth Palace to stay in the Cangxuan Continent. The Blue Lotus is very enthusiastic about the Eighth Palace.

After all, having one more powerful friend is much better than having one more powerful enemy.

Yesterday they were enemies, but today they are friends who can talk about anything!

Changes are often so magical.

Just because Chen Ping forced Huo Jingjing to sleep with him for one night, everything began to change.

“Father-in-law, can you tell me in detail about the Temple and the Gods?” Chen Ping asked Huo Zhao!

He wanted to know more about the temple.

Huo Zhao’s expression froze, and he whispered, “My dear son-in-law, you killed the patrol envoy, and the temple will never let it go.”

“The gods claim to be the chosen race, with noble blood, and will never allow foreign races to taint it.”

“And you... not only killed the people in the temple, but also...”

He said halfway, glanced at Huo Jingjing who was standing next to Chen Ping, and stopped talking.

Huo Jingjing blushed and said softly, “Father, Chen Ping did not intend to offend the God Clan, and... my daughter volunteered.”

Chapter: 8439

Huo Zhao smiled bitterly and shook his head, “Silly girl, the Temple will not care whether you are willing or not.”

“If a woman from the God Clan marries someone from another race, at the very least, her cultivation will be abolished, and at the worst... she will be sentenced to death!”

Chen Ping frowned, “So overbearing?”

Huo Zhao nodded, "The rules of the God Clan have always been like this."

"But..." He suddenly lowered his voice, "If my son-in-law wants to fight against the Temple, it is not completely without a chance."

"Oh?" Chen Ping's eyes condensed, "What do you think, father-in-law?"

A gleam of light flashed in Huo Zhao's eyes, "The God Clan is not a monolithic entity!"

"Although the Eight Palaces are affiliated with the Temple, in fact, we are only peripheral forces. The real The core power is in the hands of the 'God King Palace'."

"And the God King Palace is divided into two factions – conservatives and reformists!"

"The conservatives insist that the blood of the gods is pure and never allow intermarriage with foreign races; while the reformists believe that if the gods want to continue their glory, they must absorb foreign talents and break the shackles of blood!"

Chen Ping thought: "So, father-in-law belongs to... the reformists?"

Huo Zhao laughed: "My son-in-law is really smart!"

"Although my Eighth Palace obeys the orders of the Temple on the surface, in fact, we have long been dissatisfied with the stale rules of the gods!"

"If it weren't for the last time when my soul left my body and fought with you and was seriously injured, I would have rebelled long ago!"

After listening to Huo Zhao's words, Chen Ping felt a little embarrassed, after all, he had injured Huo Zhao twice.

“Now, has the father-in-law’s injury healed?” Chen Ping asked!

Huo Zhao shook his head, sighed and said, “Now the temple is not very concerned about us peripheral forces, so the resources given are also very few. Without resources, my injury will be difficult to heal.”

“If it weren’t for the last resort, I wouldn’t bring people to this heaven, and then control Feihu City to plunder resources for me everywhere.”

“Father-in-law, your Eighth Palace was in the Second Heaven before?” Chen Ping asked curiously!

“Yes, there is still my mansion in the Second Heaven now, but I am injured. With the strength of the Eighth Palace, it is very difficult to obtain resources in the Second Heaven. I can only come to the First Heaven.” Huo Zhao nodded.

“Father-in-law, your injury is caused by me, I will compensate you.” Chen Ping said!

“No need to do this, you just need to be good to Jingjing and love her well. After all, she has just become a wife.” Huo Zhao looked at Huo Jingjing lovingly.

“That’s right, brother-in-law, you have to be gentle. I saw that my sister was limping just now. She must be swollen!” Huo Shizi also spoke on the side!

Huo Jingjing blushed immediately, and looked at her brother and said, “Huo Feng, I’ll beat you to death...”

Chapter: 8440

As she said that, Huo Jingjing punched Huo Feng, and Huo Feng ran away.

The two chased each other!

Chen Ping only realized at this time that his brother-in-law was actually called Huo Feng.

“These two children have always been fighting like this.” Huo Zhao said with relief!

“Father-in-law, I will take you to a place to heal your injuries. It will probably take less than a day for your injuries to heal.”

Chen Ping said to Huo Zhao!

“Where is it?” Huo Zhao asked with curiosity!

“You will know when you go there!” Chen Ping smiled!

Chen Ping took Huo Zhao directly into the Demon Suppression Tower!

Looking at the Demon Suppression Tower, feeling the speed of time in the Demon Suppression Tower, and the piles of fairy stones, Huo Zhao was a little shocked.

“My dear son-in-law, what... what is this?” Huo Zhao asked in shock!

“This is the Demon Suppression Tower. Time flows a hundred times faster inside the tower than outside. That is, one year outside the tower is one hundred years inside the tower.”

Chen Ping said!

“One hundred years?” Huo Zhao was shocked.

“That is to say, when I practice here during the day, only one day will pass outside?”

Chen Ping nodded: "Yes."

Huo Zhao's breathing became rapid. No wonder Chen Ping said that he could recover in one day.

"Where did you get this Demon Suppression Tower?" Huo Zhao asked curiously!

Chen Ping smiled slightly: "Father-in-law, you should recover first and talk about it later!"

A complex look flashed in Huo Zhao's eyes, and then he smiled and said: "Well, it seems that my daughter's vision... is really good."

Huo Zhao is now quite satisfied with Chen Ping.

Chen Ping laughed in his heart when he heard this.

This old guy was obviously defeated by himself, but now he can find a way out for himself.

However, he did not expose it, but asked Huo Zhao to heal quickly.
