

## The Order 8441

Chapter: 8441

In the Demon Suppression Tower, Huo Zhao sat cross-legged, feeling the rich immortal energy flowing into his body, and his injuries were recovering at a speed visible to the naked eye.

Chen Ping came out of the Demon Suppression Tower and saw Huo Jingjing chasing and playing with Huo Feng. Huo Feng was beaten and ran away.

“Brother-in-law, save me, brother-in-law, save me...”

Huo Feng saw Chen Ping and quickly hid behind Chen Ping!

Seeing Huo Jingjing chasing him, Huo Feng said to Chen Ping: “Brother-in-law, try harder at night and try to make my sister unable to walk, so that she can’t beat me...”

“Huo Feng, you still say, I will beat you to death...”

Huo Jingjing’s face was flushed with shame.

Chen Ping smiled slightly, ignored the fight between the two siblings, and entered Hu Mazi’s room!

Hu Mazi was fighting with the two women, and was shocked when he saw Chen Ping pushing the door in.

“Damn, don’t you know how to knock on the door?” Hu Mazi said dissatisfiedly!

“Master Hu, are you really going to die in a woman’s belly every day?”

Chen Ping said speechlessly!

“Don’t worry about it. You are just like me. Don’t you know how many women you have?”

Hu Mazi rolled his eyes at Chen Ping.

Chen Ping was speechless. He didn’t even know how many women he had.

“Master Hu, I want to see something with you.” Chen Ping said!

Hu Mazi waved his hand and asked the two women to put on their clothes and leave.

“What are you looking at?” Hu Mazi asked!

Chen Ping took out a coffin directly from the storage ring. The coffin was blood red and had runes on it.

Chen Ping wanted to know what was in the coffin...

At first, Chen Ping wanted to forcefully break the coffin open, but he was afraid that the things inside would be damaged.

The runes on the coffin were very special. They were not array runes, but more like a seal.

Hu Mazi was very proficient in this kind of sealing spell, so Chen Ping came to him to see it.

Chapter: 8442

“Damn, you are so unlucky. How did you get a coffin?”

Hu Mazi frowned when he saw this!

“Master Hu, this coffin is a treasure...” Chen Ping told Hu Mazi what happened in the ruins.

Hu Mazi was immediately interested when he heard it, and then looked at the coffin carefully, looking at the runes on it.

“This coffin was sealed by someone, it seems that they are not afraid of people opening it, but afraid that the things inside will come out.”

“This sealing rune is to suppress the things inside the coffin.”

Hu Mazi looked at it carefully and said!

“Master Hu means that there is a person in this coffin?” Chen Ping was a little shocked.

“I am just guessing, open it and see!”

Hu Mazi said and then gently placed his right hand on the coffin, muttering something in his mouth. In an instant, the runes on the coffin began to tremble, and then automatically decomposed!

Seeing this scene, Chen Ping became a little nervous!

At the same time, there was a dragon-slaying sword in his hand.

If there is really any danger in the coffin, he will take action at the first time.

As the runes decomposed, the coffin began to vibrate. Chen Ping pulled Hu Mazi back, and the two watched quietly.

Soon, the coffin slowly opened a gap, and then a strangely white hand stretched out from the coffin.

Seeing the exposed palm, it was obvious that there was a person inside.

Chen Ping held the Dragon Slaying Sword and was ready.

Hu Mazi hurriedly drew a spell with his blood, ready to suppress it at any time.

Just as the two looked at the coffin nervously and were ready to take action at any time, two black mists suddenly emerged from Chen Ping's body!

Two ancient warriors came out without warning.

After the two warriors appeared, the pale palm suddenly stopped, then retracted and covered the coffin again!

Chen Ping was very puzzled. Why did these two ancient warriors suddenly come out by themselves without being summoned?

Chapter: 8443

Could it be because of this coffin?

Chen Ping had no choice but to recall the two warriors back into his body, and then said to the coffin: "Come out, it's okay!"

Since we know there is a person inside, there is something to talk about.

But Chen Ping talked for a long time, and the coffin still did not move.

Chen Ping then walked over and wanted to open the coffin, but after trying several times in a row, it seemed that the coffin was locked from the inside and could not be opened at all.

“Damn it, I don’t believe it...”

Chen Ping raised the Dragon Slaying Sword and wanted to cut the coffin open with one sword.

“Boy, seal the coffin again. If the things inside come out, you will be in trouble.”

At this time, the Red Cloud Demon Lord spoke in Chen Ping’s sea of consciousness.

Chen Ping was stunned and asked: “Senior, do you know what is inside?”

“I don’t know, but I know that if you open it, you will be in trouble.”

The Red Cloud Demon Lord said.

Seeing this, Chen Ping gave up the idea of forcibly opening the coffin and asked Hu Mazi to put the talisman on and seal it again.

After putting the coffin back into the storage ring, Chen Ping and others would open the two coffins to have a look when they were strong enough.

Since he knew that there were people inside, not treasures or resources, Chen Ping was not particularly interested.

Just as Chen Ping put the coffin away, someone found Chen Ping.

“Mr. Chen, Xuannv is calling you over!”

The person said to Chen Ping!

Chen Ping was puzzled, wondering what Lan Lianhua wanted to do with him.

When Chen Ping rushed to the hall, Lan Lianhua and Mo Qingyun were there!

“Xuannv, what do you want to talk to me about?” Chen Ping asked!

Chapter: 8444

“Mr. Chen, I’m not the one looking for you, it’s Qingyun who’s looking for you!” Lan Lianhua glanced at Mo Qingyun and said!

Mo Qingyun looked at Chen Ping, his eyes full of reluctance, and his expression was slightly painful, saying: “Chen Ping, I’m going back, the family has begun to urge me.”

“After Tianci goes back, let Tianyuan Pavilion put pressure on the Mo family. Now I must go back, otherwise my parents will suffer.”

Listening to Mo Qingyun’s words, Chen Ping frowned slightly, and then said: “I’ll go back with you, I want to see what’s so great about Tianyuan Pavilion.”

“No, Tianyuan Pavilion is very powerful, you don’t have to worry about me, I’m very satisfied to be able to know you during this period of time.” Mo Qingyun shook his head and said.

“I said, I’ll go back with you, so I’ll take care of things, you don’t have to worry about it.” Chen Ping said very domineeringly!

Mo Qingyun enjoyed Chen Ping’s domineering attitude very much.

“I’ll make arrangements and then leave!” Chen Ping left after saying that!

Lan Lianhua looked at Mo Qingyun with envy and said, “Qingyun, Mr. Chen is so good to you. It’s your happiness to meet such a domineering man like a CEO.”

“Don’t care how many women he has, as long as he is also your man. It’s too difficult to find a good man now...”

Mo Qingyun was very happy with Lan Lianhua’s envy, and nodded vigorously, indicating that he agreed with what Lan Lianhua said!

Chen Ping left the hall and found Huo Zhao directly. At this time, Huo Zhao also came out of the Demon Suppression Tower and recovered!

“My dear son-in-law, you have this treasure, and you will do a lot in the future.”

Seeing Chen Ping, Huo Zhao praised loudly.

Others practiced hard for a year, but Chen Ping practiced for a hundred years.

“Father-in-law, you have recovered, what are you going to do next?” Chen Ping asked!

“I listen to you, you are the controller of the Eight Palaces now.” Huo Zhao said!

“I plan to go to the Second Heaven.” Chen Ping said!

“Then let’s go to the Second Heaven. The Eighth Palace’s residence is also in the Second Heaven. I’m recovered now, so it’s time to go back!” Huo Zhao nodded!

Soon, Chen Ping took Hu Mazi, Mo Qingyun, and the people from the Eighth Palace to leave Cangxuan Continent and headed straight for the Second Heaven.

When leaving, Chen Ping gave Lan Lianhua a portrait and asked her to find it in the First Heaven!

The portrait was Su Yuqi. After being led here, Chen Ping never knew where Su Yuqi was sent.

Now he can only rely on Lan Lianhua’s power to find her.

Just as Chen Ping and his men were heading to the Second Heaven, a great uproar had already been set off inside the temple!

Chapter: 8445

In the Palace of the God King, a towering golden hall.

“Bang!”

An old man in a golden robe angrily slammed the table and shouted: “The patrol envoy was killed, the Eighth Palace rebelled, and the old man Huo Zhao dared to surrender to foreigners!”

“Third Palace Master, calm down!” A middle-aged man stepped forward and said in a deep voice: “This matter may not be that simple.”

“Then Chen Ping can control the ancient war puppet, and his strength may have reached the peak of the scattered immortal realm, or even... higher!”

The old man in the golden robe snorted coldly: "A mere scattered immortal dares to challenge the majesty of the temple?"

"Pass on my order, tell the Seventh Palace Master to flatten the Cangxuan Continent, kill Chen Ping, and destroy the entire Eighth Palace!"

"No!"

Suddenly, a cold female voice sounded.

Everyone turned around and saw a beautiful woman in a white dress slowly walking into the hall.

Her face was cold, her eyes were like snow, and she exuded a biting coldness.

"Fourth Palace Master, what do you mean by this?" The old man in the golden robe frowned.

The fourth hall master said calmly: "Third hall master, the temple is now in internal and external troubles, so it is not appropriate to start a war."

"Besides, Chen Ping can control the ancient war puppets, there must be a hidden story behind it."

"If you act rashly, I am afraid it will lead to unpredictable consequences."

The golden robed old man sneered: "Fourth hall master, you are not going to protect that foreign boy, are you?"

"Or are you also tempted by worldly desires and want to have an affair with a foreign man?"

The fourth hall master's eyes turned cold: "Third hall master, please be careful with your words."

“I am the fourth hall master of the temple, and everything I do is for the future of the temple!”

“If the third hall master insists on his own way, don’t blame me... please show me the ‘God King Order’!”

“You!” The face of the golden robed old man changed suddenly.

The God King Order is the highest token of the temple. Seeing the order is like seeing the God King!

The God King is the highest level of existence in the temple. Even a hall master has to bow his head when he sees the God King.

The temple was founded by the God King.

Chapter: 8446

And the God King has a high status in the entire God Clan.

If the Fourth Palace Master really asks for the God King’s Order, even if he can ask the First Palace Master, he will have to bow his head!

The reason why the Fourth Palace Master dared to speak to him in such a tone was because of the God King’s Order in her hand.

“Good! Very good!”

The old man in the golden robe gritted his teeth: “Fourth Palace Master, I hope you don’t regret it!”

After saying that, he left with a wave of his sleeves.

The Fourth Palace Master looked at his back, and a hint of coldness flashed in his eyes.

“Chen Ping... I want to see what’s so special about you...”

“Palace Master, Chen Ping seems to be below the third heaven, and we can’t see him at all!” A maid next to the Fourth Palace Master said!

“Don’t worry, it won’t be long before he can break through the third heaven.”

“Notify the Seventh Palace Master to check Chen Ping’s background carefully, but don’t cause a conflict!” The Fourth Palace Master said!

“Yes!” The maid nodded!

.....

In the Second Heaven, Chen Ping stood on a high peak. There were dozens of palaces of different sizes on the peak. This was where the Eighth Palace was located.

Chen Ping looked down at the mountains and rivers below him, feeling a little emotional. He didn’t expect to come to the Second Heaven so soon!

At this time, Huo Feng ran over and flattered him: “Brother-in-law, what are you looking at?”

“I’m tired of this broken place. There’s nothing to see!”

Chen Ping glanced at him: “I’m thinking... how to throw you down.”

Huo Feng’s face froze, and he laughed dryly: “Brother-in-law is really a joke...”

Chen Ping didn't bother to pay attention to him. He carefully scanned the defense formation of the Eighth Palace, and then his figure flashed and disappeared into the hall: "Father-in-law, the defense formation of the Eighth Palace needs to be strengthened."

Chen Ping knew that after the Eighth Palace followed him, the other people in the temple would definitely not give up.

Huo Zhao nodded: "I have ordered people to make full efforts to arrange it, but... there are not many people who know the art of formation, I am afraid..."

Chen Ping said calmly: "It doesn't matter, I'm here."

He flipped his palm, and divine patterns appeared between heaven and earth in an instant.

Chapter: 8447

After all, Chen Ping also learned from the Divine Pattern Ancestor and the Formation Demon, and his formation art is much better than others!

"This is..." Huo Zhao was full of doubts.

Chen Ping smiled slightly: "This is a divine pattern, which is much stronger than ordinary formation patterns!"

"Wait until I set up the Nine Heavens Thunder Formation, I can protect the entire Eight Palaces."

"Once this formation is activated, it can trigger the Nine Heavens Divine Thunder. Even a fifth-grade strongman in the scattered fairyland will not be able to escape death!"

Huo Zhao took a breath of cold air: “My dear son-in-law, where did you learn this divine pattern formation?”

Chen Ping smiled but said nothing.

Of course, he couldn't say that he learned it from the Divine Pattern Ancestor and the Formation Demon.

After all, these two people are also immortals in the heaven, and perhaps Huo Zhao has never heard of them!

“Brother-in-law! You are so awesome!” Huo Feng's eyes lit up, “Can you teach me?”

Chen Ping smiled faintly and said, “Sure, go down the mountain and run a hundred laps first.”

Huo Feng: “...”

Just then, Mo Qingyun hurried over with a serious look: “Chen Ping, I just received news that my parents had a dispute with the tribe!”

“Oh?” Chen Ping raised his eyebrows, “Tell me in detail.”

Mo Qingyun whispered: “The pressure from Tianyuan Pavilion made many tribesmen unable to bear it, so they put pressure on my parents. Now my parents have a dispute with the tribesmen. .”

“Especially that Mo Qingchen, he is the most popular. He has always wanted to contact the clan members and overthrow my father's position as the head of the family.”

“Mo Qingchen?” Chen Ping's eyes flashed, “Who is he?”

Mo Qingyun sighed and said, "He is my cousin. Because my uncle and aunt died early, he was raised by my parents."

"But this guy doesn't know how to be grateful. Because I am a girl, he has been spying on my father's position as the head of the family and wants to usurp the throne."

Chen Ping was thoughtful. This kind of wolf-hearted and dog-hearted person really lived in vain in the world!

"Let's go, I will go back to the Mo family with you. If Tianyuan Pavilion is putting pressure on me, I will destroy Tianyuan Pavilion!"

Chen Ping decided to follow Mo Qingyun back to the Mo family!

Chen Ping asked Hu Mazi to stay in the Eighth Palace for the time being. With Hu Mazi there, if the Eighth Palace is really attacked, the formation can be maintained for a short time!

After explaining everything about the Eighth Palace, Chen Ping followed Mo Qingyun to the Mo family!

Chapter: 8448

The area of the Second Heaven is more than ten times larger than that of the First Heaven. The place where the Eight Palaces are located is tens of thousands of miles away from the Mohist School.

Fortunately, there are many teleportation arrays in the Second Heaven. It only takes a few teleportations to reach the destination. If you travel by foot, it may take at least ten days or half a month to reach the destination!

.....

Tianyuan Pavilion!

In a wide hall, Elder Tong stood quietly. In front of him sat an old man with a white beard. The old man was wearing a wide robe and a map of the stars was placed in front of him.

The old man looked at every light on the star map, his expression sometimes solemn and sometimes relaxed.

Elder Tong stood aside and dared not say a word!

The old man suddenly stretched out his hand and waved towards a shining star, and the star suddenly disappeared.

However, at the moment when the star disappeared, stars lit up in other places.

This made the old man frown tightly!

Elder Tong stood aside, not daring to breathe, his body bent, standing respectfully!

“Chen Ping...” At this time, the old man suddenly spoke and said Chen Ping’s name!

“Yes!” Elder Tong nodded!

“Gantian Sect?” The old man spoke again!

“Yes!” Elder Tong still nodded.

“Tell me...” the old man asked!

At this time, Elder Tong told the whole thing in detail,

Every detail was mentioned, as if it was played back!

After listening, the old man's face was calm: "So, Chen Ping not only hurt you, but also got two coffins?"

"Yes!" Elder Tong nodded!

"Do you know about the two warrior statues?"

"No!" Elder Tong shook his head!

"Then you say, should we seek revenge on Chen Ping?" The old man finally looked up at Elder Tong and asked.

"Everything is subject to the arrangement of the Pavilion Master."

Elder Tong is very cautious!

After hearing this, the old man couldn't help but smile and said: "Elder Tong, as an elder of Tianyuan Pavilion, you also have your own rights. You don't have to listen to me in everything."

"Although you only got the position of elder in Tianyuan Pavilion because of the art of formation, your elder also has real power, not just a false name."

"Don't be inferior, you have to show the momentum and attitude of an elder!"

After hearing this, Elder Tong hurriedly said: "Thank you for the Pavilion Master's teachings. I think Chen Ping should be taught a lesson. In addition, the Mo family cannot be let go. The girl of the Mo family openly cuckolded Tianci, which is very embarrassing for our Tianyuan Pavilion."

The old man nodded: "Then did you tell the Mo family?"

"I said that I want the Mo family to hand over people, otherwise I will be rude to the Mo family!" Elder Tong said!

“Yes, we should let the Mo family give us an explanation!” The old man nodded, and then continued:  
“As for Chen Ping, I think we should let others deal with him. As long as the news that he has a treasure is leaked, someone will definitely take action.”

“Didn’t you say that people from Shura Palace were also at the scene? Maybe people from Shura Palace will take action.”

“Let’s wait and see. Chen Ping can also fight against opponents of higher levels, and even be more powerful than Tianci. This proves that he is not an ordinary person, and perhaps he comes from a larger family power.”

“I understand!” Elder Tong nodded!

He knew that the Pavilion Master was trying to kill someone with a borrowed knife!

Chapter: 8449

“Tell Tianci to take good care of his wounds and not think about revenge.”

The Pavilion Master said lightly!

“But... with Tianci’s character, I’m afraid...”

Elder Tong was a little embarrassed!

Tianci’s character is very arrogant. Now that he has suffered such a blow, how could he not take revenge!

“Humph, if he doesn’t listen, then abolish his title of Tianjiao. He is not the only Tianjiao in our Tianyuan Pavilion.”

The Pavilion Master snorted coldly!

“I understand.” Elder Tong nodded repeatedly!

.....

Shura Palace!

The white-robed woman sat upright in a void, and around her, terrible auras were constantly spreading!

The surrounding void, under the shock of these auras, began to become illusory!

I don’t know how long it took, the white-robed woman slowly opened her eyes.

Boom!

The surrounding void exploded instantly, and the body of the white-robed woman fell directly to the ground!

“Congratulations, Miss. You have reached the eighth level of the Sanxian Realm, and have replenished the vitality you consumed.”

An old man stepped forward to congratulate the woman in white robes!

The woman in white robes took a deep breath, her eyes flashing with excitement!

She has been stuck in the seventh level of the Sanxian Realm for many years. Originally, with her strength, she could have gone to the third heaven to try her luck.

But in order to break through the seventh level of the Sanxian Realm, she has been staying in the Shura Palace.

But for so many years, there has been no breakthrough!

But this time during the trip to the ruins, the mysterious old man directly made her realm soar, which made her very happy!

But after knowing that the mysterious old man was a liar, the woman in white robes was a little panicked.

If there is no vitality, what is the use of a higher realm?

Chapter: 8450

So after returning, the woman in white robes could only rely on the resources in the Shura Palace to desperately replenish her vitality, while her soaring cultivation was falling rapidly.

It was obvious that the mysterious old man used some kind of ancient magic, which only temporarily increased their cultivation.

After hard work, the white-robed woman regained her vitality, and finally reached the eighth level of the scattered immortal realm!

This time, she no longer had to be afraid when she saw the arrogant Tianci.

“Third Elder, I remember you just said that Chen Ping also came to the second heaven?”

The white-robed woman asked the old man!

“Yes, Chen Ping followed Mo Qingyun and was rushing to the Mo family.”

“It should be that Tianyuan Pavilion put pressure on the Mo family. The Mo family had no choice but to recall Mo Qingyun, but Chen Ping went with them.”

“Should we stop Chen Ping? After all, he has two coffins from the ruins on him, and we don’t know what treasures will be in the coffins!”

The old man said!

The white-robed woman didn’t speak, her eyes slightly condensed!

There must be treasures in the coffins in the ruins, and the white-robed woman was also very excited.

But when she thought of Chen Ping’s strength and the two warrior sculptures, the white-robed woman was a little scared!

The third elder also saw that the white-robed woman was in a dilemma, so he said: “Miss, why don’t you send someone to investigate Chen Ping’s background first?”

“No need, let’s wait and see!” The white-robed woman shook her head!

The third elder frowned and said: “Miss, if Chen Ping goes to the Mo family, he will definitely be discovered by the people of Tianyuan Pavilion, and Tianyuan Pavilion will not let him go at that time.”

“If that happens, it is very likely that these two coffins will fall into the hands of Tianyuan Pavilion.”

The white-robed woman was silent, as if analyzing the pros and cons.

“Miss, don’t think about it anymore, we must not let Tianyuan Pavilion get this treasure.”

The third elder persuaded hard!

The white-robed woman suddenly said, “Third Elder, have you ever thought about why Chen Ping dared to go to the Mo family?”

“Doesn’t he know the relationship between the Mo family and Tianyuan Pavilion?”

“The reason why he dared to go to the Mo family is because he didn’t take Tianyuan Pavilion seriously at all.”

“Why doesn’t he take Tianyuan Pavilion seriously?”
