

The Order 8451

Chapter: 8451

The series of questions from the white-robed woman stunned the third elder!

He really hadn't thought about these!

Now after listening to what the white-robed woman said, the third elder seemed to understand something!

"Miss, do you mean that Chen Ping has someone backing him up, so he's not afraid of Tianyuan Pavilion?"

The third elder asked!

"A first-class cultivator in the realm of scattered immortals was able to enter the ruins of the Second Heaven and even injured Tianci."

"Even the mysterious old man was discovered to be a liar by this Chen Ping."

"With all these behaviors, don't you think this Chen Ping is not simple?"

"If we rashly provoke him and offend people who should not be offended, our Shura Palace will be close to destruction."

The white-robed woman said with worry!

After hearing this, the third elder frowned and said: "In this Second Heaven, except for our Shura Palace, who is not afraid of Tianyuan Pavilion?"

"Even the eight halls of the temple dare not provoke Tianyuan Pavilion..."

"What backers will this Chen Ping have?"

"There are heavens beyond heavens, and people beyond people. Let alone the entire heaven, this Second Heaven is also vast enough. There may be some forces that we don't know about!" said the white-robed woman!

The third elder was silent, and didn't know what to say for a while!

"Third elder, notify everyone that if Tianyuan Pavilion deals with Chen Ping, we, Shura Palace, can help Chen Ping, and maybe even make friends with him."

"Don't provoke him, and don't spy on the two coffins, wait and see..."

The white-robed woman said!

"Well, I understand!" The third elder nodded!

.....

In the void of the second heaven!

Accompanied by the tremor of the void, the figures of Chen Ping and Mo Qingyun slowly appeared!

"It should not be far from the Mo family!"

Mo Qingyun looked at the void in front of him and said!

Chapter: 8452

“Okay, let’s go...”

Chen Ping nodded and flew forward with Mo Qingyun!

Since the distance is not far, there is no need for a teleportation array!

You must know that using a teleportation array consumes a lot of resources, and it is not for casual use!

But when the two people just flew, Chen Ping frowned instantly!

“What’s wrong?” Mo Qingyun asked!

Chen Ping did not speak, but slowly stretched out his hand and gently waved at the void in front of him!

As Chen Ping waved his palm, the void in front of him actually stirred like water ripples!

“Someone wants to mess with us, this void is fake!”

Chen Ping said solemnly!

“Fake?” Mo Qingyun was shocked!

She didn’t expect that someone would make a fake void to deceive them!

It seems that this place should not be very close to the Mo family, and now I don't know where it is!

"Come out, what do you want to do by sneaking around and making a fake void?"

Chen Ping said coldly to the void!

"Not bad, I can see it at a glance!"

As the void slowly dissipated, the true face of the world was finally revealed.

I saw a young man, wearing a cloud robe, showing up with a sneer on his face!

Behind the young man, there were four men in black. Except for their eyes, the four men in black were wrapped in black cloth.

But there was no color or emotion in the eyes of these four people, just like dead people!

"Miss Mo, do you know this person?"

Chen Ping asked Mo Qingyun!

Mo Qingyun shook his head and said, "I don't know him. The second world is vast and I don't know many people."

Seeing that Mo Qingyun didn't know the boy in front of him, Chen Ping asked, "Who are you? Why did you create a fake void to deceive us?"

Chapter: 8453

“I am Sang Kun from Shura Palace.” The boy said coldly!

“Sang Kun?” Chen Ping laughed out loud: “Your name, is it because you have a grudge with your parents that they gave you this name?”

Chen Ping was about to die of laughter, there was actually someone called this name!

“Shut up, my name is Sang Kun, not Sang Kun...” Sang Kun said angrily!

“I don’t care what Kun you are, what’s wrong with you stopping us?”

Chen Ping asked Sang Kun.

“You are Chen Ping, right?” Sang Kun smiled coldly!

“Do you know me?” Chen Ping looked surprised: “I don’t think I’ve seen you before!”

“It doesn’t matter if you haven’t seen me before, just hand over the two coffins you got from the ruins.”

Sang Kun said!

When Chen Ping heard this, it felt like this guy was coming for the coffin!

“Who do you think you are? Do you think I should give it to you?” Chen Ping sneered!

“Don’t you give me face? Ask around, who doesn’t know me, Sang Kun of Shura Palace?”

“If you don’t give it to me, then I won’t be polite.”

Sang Kun's eyes condensed slightly, and he said with murderous intent!

"If I kill this guy, will Shura Palace cause trouble for your Mo family?"

Chen Ping looked at Mo Qingyun and asked!

Mo Qingyun was stunned, then shook his head and said: "I don't know..."

"Since you don't know, then stay away. When this guy dies, it has nothing to do with your Mo family!"

Chen Ping said!

"Hahaha..." Sang Kun laughed and said, "Boy, you want to kill me? Don't you see what kind of character you have? You are just a third-grade immortal, and you dare to kill me?"

"The old man is standing still. Even if I stretch my neck for you to kill, can you kill me?"

Sang Kun's face was full of disdain, and he stretched his neck directly in front of Chen Ping!

"I have never seen such a request in my life. In this case, I will fulfill your wish!"

Chapter: 8454

After Chen Ping finished speaking, a dragon-slaying sword suddenly appeared in his hand, and then he swung it!

The sword light flashed directly!

Sang Kun's head was cut off by Chen Ping in an instant, without any hesitation!

"Young Master..." The four men in black were all shocked!

They never expected that Chen Ping would actually dare to take action and kill Sang Kun directly.

"You all heard it. It was your young master who asked me to kill him. I am doing a favor."

"As for the fee for my help, I won't ask you for it."

After Chen Ping finished speaking, he pulled Mo Qingyun to leave, but was stopped by four men in black!

One of the leading men in black said, "You killed our young master and you still want to leave?"

"What? You want to accompany him too?"

Chen Ping smiled faintly, and a terrifying aura burst out from his body.

This aura directly made the four men in black tremble.

Feeling the aura of Chen Ping, the four men in black did not dare to make a move.

Because they were not sure that they were Chen Ping's opponents!

Seeing that the four guys did not move, Chen Ping directly pulled Mo Qingyun away!

"Brother, the young master was killed, are we just going to let him go?"

“Yes, if we go back, how can we explain to the Palace Master?”

The other men in black said with some dissatisfaction!

“Shut up, what do you know?” The leading black-clothed man frowned: “This guy named Chen Ping is definitely not simple, the four of us may not be his opponent.”

“The four of us brothers can’t get much resources in Shura Palace in a year, why bother to risk our lives.”

“We go back and just report to the eldest lady, this matter has nothing to do with us.”

“Remember in the future, report if there is anything, as long as it is reported, it has nothing to do with us.”

After saying that, the leading black-clothed man slowly disappeared!

At this time, Chen Ping took Mo Qingyun to the Mo family.

Chapter: 8455

Mo Qingyun asked in confusion: “Chen Ping, why did you dare to kill the people from Shura Palace just now?”

“Why not?” Chen Ping smiled faintly: “I don’t take Shura Palace seriously at all. He actually wanted to rob my things. Of course I have to kill him, and it was his own request.”

“If I don’t meet this kind of request, I’m too ignorant!”

When Chen Ping and Mo Qingyun stepped into the Mo family mansion, it was almost dusk.

Under the gate with carved beams and painted buildings, dozens of figures had been waiting for a long time.

The leader was wearing a black brocade robe, but his sword-like eyebrows and star-like eyes could not hide the sinisterness in his eyes. It was Mo Qingyun's cousin Mo Qingchen.

"Mo Qingyun, you still remember to come back? Do you know that because you left without permission, Tianyuan Pavilion has put pressure on our Mo family!"

Mo Qingchen stepped forward, his eyes swept over Chen Ping, and a sneer appeared on the corner of his mouth, "You brought a wild man back, and the Mo family has lost face!"

Mo Qingyun's face turned pale, and just as he was about to speak, Chen Ping had stepped forward and said lightly: "Mo Qingchen, right? You'd better speak cleanly."

"Who do you think you are?"

Mo Qingchen shouted angrily: "This is my Mo family's business, you, an outsider, better get out of here."

After Mo Qingchen finished speaking, he stared at Mo Qingyun fiercely and continued: "Tianyuan Pavilion put pressure on the Mo family because of you, and now the whole family is implicated! If it weren't for you, how could Master Tianci be angry?"

"Shut up!"

Mo Qingyun's father Mo Wuji walked out of the room and raised his hand to stop Mo Qingchen.

He looked at his daughter with a complex look, both blaming and distressed: "Qingyun, do you know that Tianyuan Pavilion has sent a message? They ask... ask you to marry Tianci in three days."

"Father!"

Mo Qingyun exclaimed: "I have no feelings for Tianci at all. This is a deal! You clearly promised me..."

“Enough!”

Mo Qingchen interrupted: “The family has protected you for so many years, and now you are just marrying into Tianyuan Pavilion in exchange for peace, but you bring a wild man back to slap the family in the face? Let’s talk about this guy”

Mo Qingchen suddenly turned to Chen Ping, his eyes were sinister: “He is just a third-grade cultivator in the scattered fairyland, how can he compare with Tianci?”

Someone in the Mo family’s senior management echoed: “Master, this boy hooked up with Miss Qingyun from nowhere, and now the family is targeted by Tianyuan Pavilion. He must be severely punished!”

“That’s right, first destroy his cultivation, and then hand him over to Tianyuan Pavilion to apologize!”

These senior management of the Mo family are actually targeting Chen Ping!

Mo Wuji’s face was livid, and he clenched and unclenched his hands, obviously weighing the pros and cons.

Chapter: 8456

Seeing this, Chen Ping suddenly chuckled: “The Mo family is known as a famous family in the second heaven, but they have to sacrifice their daughter’s happiness in exchange for peace? A group of cowards, how can they talk about integrity?”

“How dare you!”

A senior Mo family member slammed the table and stood up, “Who do you think you are? How dare you go wild in my Mo family?”

Mo Qingchen's face was livid, and he pointed at Chen Ping fiercely: "Come here, teach this ignorant kid a lesson!"

Four Mo family guards rushed out in an instant, all of them were third-grade scattered immortals, and rushed towards Chen Ping with great momentum!

Four third-grade scattered immortals against Chen Ping, a third-grade scattered immortal, are definitely more than enough!

"Chen Ping, don't kill people!"

Mo Qingyun was not worried about Chen Ping, but just reminded Chen Ping not to kill people.

After all, these people are all from her Mo family!

After hearing what Mo Qingyun said, all the other members of the Mo family looked at her with dissatisfaction.

It was obvious that Mo Qingyun meant that the four third-grade Loose Immortals of the Mo family could not beat Chen Ping alone!

Chen Ping nodded to Mo Qingyun, and then he waved his hand lightly without even raising his eyelids.

Boom!

The four guards flew backwards as if they had hit an invisible wall, and fell heavily on the pillars of the hall, spitting blood!

"What?"

Mo Qingchen's pupils shrank suddenly.

He clearly sensed that Chen Ping was only a third-grade Loose Immortal, how could it be possible...

The other members of the Mo family were also shocked. Chen Ping was only a third-grade Loose Immortal, how could he repel four third-grade Loose Immortals with just a light wave?

Could this guy also fight against opponents of higher rank?

"With this little ability, you dare to shout?"

Chen Ping sneered, "If the Mo family only has this kind of stuff, it's better to close down as soon as possible."

"Asshole!"

Mo Qingchen couldn't bear it anymore and took action himself!

He is a fifth-grade scattered fairyland, a genius among the younger generation!

Chapter: 8457

"You are looking for death!"

Mo Qingchen was furious, and three white lights flew out of his sleeves, turning into sharp blades and rushing straight to Chen Ping's door.

The third-grade scattered fairyland is just an ant in front of him, a fifth-grade scattered fairyland. With this blow, he will cripple Chen Ping on the spot!

However, before the cold light came, Chen Ping flicked his fingertips, and a golden sword energy broke through the air, instantly shredding the white light into pieces.

Mo Qingchen's pupils shrank suddenly, and before he could react, Chen Ping had already approached him, and put his index and middle fingers together like a knife, and pointed at his throat: "I'll give you three breaths to apologize to Qingyun."

"You... you dare to touch me?"

Mo Qingchen's voice trembled, but he still held on, "I am a direct descendant of the Mo family. If you hurt me, the entire Mo family will not let you go!"

"Oh?"

Chen Ping raised his eyebrows and applied a little force with his fingertips. Mo Qingchen suddenly felt his throat tighten and his breathing was difficult.

His face flushed, and he looked around in horror, but he saw that the Mo family's senior executives were either afraid or turned their heads away, and no one dared to come forward to help.

"Three..." Chen Ping began to count.

"Two..."

"I, I apologize!"

Mo Qingchen couldn't hold on any longer and screamed: "Qingyun, I'm sorry! I shouldn't scold you... Please ask him to stop!"

Chen Ping let go of his hand, and Mo Qingchen staggered back, holding his neck and coughing, his eyes full of resentment.

The whole place was dead silent!

No one expected that Mo Qingchen, a fifth-grade scattered immortal, would have no power to fight back in front of Chen Ping, a third-grade scattered immortal!

Mo Wuji looked at Chen Ping with a complicated look: "This young friend is very powerful, I wonder where he learned from?"

If Chen Ping also has a master from a sect behind him, then the Mo family can climb up the big tree of Chen Ping, and don't have to look at the face of Tianyuan Pavilion!

Chen Ping said indifferently: "No sect, no sect, a scattered cultivator."

Mo Wuji's heart trembled, how can a scattered cultivator have such strength? This boy is definitely not simple!

"Uncle!"

Mo Qingchen looked at Chen Ping coldly and said, "He dared to take action in the Mo family, and he must not be let off easily! And Qingyun and him..."

"Enough!"

Chapter: 8458

Mo Wuji shouted, "Isn't it embarrassing enough?"

"Now I am still the head of the family, it is not your turn to tell me what to do!"

Then Mo Wuji turned to Chen Ping and said in a gentle tone, "My friend, this matter is due to my Mo family's lack of discipline, please forgive me."

Chen Ping smiled and waved his hand, "It's okay, I just can't stand some people who have no ability but put the responsibility on women."

Mo Qingchen's face was livid, and his fists were clenched, but he dared not speak again.

"Since you are Qingyun's friend, it's late, so stay here and let Qingyun arrange it for you!"

Mo Wuji said!

"Thank you, Master Mo!" Chen Ping bowed his hands to thank him.

Chen Ping left with Mo Qingyun, and Mo Qingchen, who watched the two leave, had a vicious look in his eyes.

Mo Qingchen turned around and secretly came to a secret room and crushed a jade talisman for communication.

After a moment, an illusory figure emerged, it was Elder Tong of Tianyuan Pavilion!

"Mr. Mo, how is the matter?"

Elder Tong asked with a sinister smile.

Mo Qingchen gritted his teeth and said, "Mo Qingyun is back, but he is following a guy named Chen Ping, who is a bit abnormal."

"I know, you should not underestimate that Chen Ping." Elder Tong said!

“Elder Tong, will this guy’s sudden appearance affect my position as the head of the Mo family?” Mo Qingchen asked anxiously!

“It shouldn’t be, then Chen Ping can’t stay in the Mo family for a lifetime.”

“And, tomorrow I will come to the door in person with Mr. Tianci, you just need to...”

The voice of conspiracy gradually became low.

At the same time, in Mo Qingyun’s boudoir, he began to prepare a sleeping place for Chen Ping.

“Chen Ping, you’d better leave as soon as possible tomorrow.” Mo Qingyun said worriedly, “My cousin is narrow-minded, he will definitely take revenge on you.”

Chen Ping smiled, “No hurry, I want to see what tricks he can play.”

“But...”

“Don’t worry.” Chen Ping interrupted her, “After tomorrow, no one in the Mo family will force you to marry.”

Chapter: 8459

Mo Qingyun was stunned. For some reason, she saw a trace of heart-pounding chill in Chen Ping’s eyes.

“Even if I get married, I won’t give my complete body to Tianci, do you understand?”

Mo Qingyun looked at Chen Ping affectionately!

Chen Ping nodded and said, "I understand, don't worry, I won't let you down!"

After that, Chen Ping pressed Mo Qingyun under him!

Mo Qingyun didn't struggle. She had been waiting for Chen Ping, waiting for Chen Ping's love...

This night passed quickly and slowly!

Neither Chen Ping nor Mo Qingyun noticed that outside the door, Mo Wuji was standing quietly!

His expression was sometimes sad, sometimes happy.

The next morning!

Mo Wuji summoned all the Mo family leaders to the meeting hall.

He had already decided to let Mo Qingyun follow Chen Ping, after all, the two had practiced together last night!

If Mo Qingyun was sent to Tianyuan Pavilion, Tianyuan Pavilion would probably not appreciate it.

When Tianci knew that Mo Qingyun was no longer a big girl, he would definitely vent his anger on the Mo family!

Chen Ping and Mo Qingyun also came, and the two stood on one side of the hall!

"Everyone, I summoned you this morning to tell you that my daughter Qingyun will be with this Mr. Chen!"

"I will not send her to Tianyuan Pavilion, nor will I force her to marry Tianci, that androgynous guy!"

Mo Wuji said to everyone!

Everyone was shocked when they heard it.

Mo Qingyun and Chen Ping were both stunned, especially Mo Qingyun. She didn't expect her father to make such a decision.

Mo Qingchen stood up and said, "Uncle, do you know that your decision will harm the entire Mo family."

"Tianyuan Pavilion will not allow such a thing to happen. By then, I'm afraid that our Mo family will completely disappear from the Second Heaven."

Along with Mo Qingyun's alarmist words, other senior members of the Mo family also spoke up!

"Master, you can't do this."

Chapter: 8460

"You have to consider the entire Mo family!"

"What's wrong with the eldest lady going to Tianyuan Pavilion? It's better than this stranger!"

Everyone in the Mo family tried to stop her!

Mo Wuji's face was very ugly. He could feel that most of these senior members of the Mo family had been bribed by Mo Qingchen and followed his nephew!

“Okay, let’s not discuss it now. I’ll tell you the truth. Even if Qingyun is sent to Tianyuan Pavilion, Tianyuan Pavilion will not want her.”

“Last night, Qingyun has been practicing dual cultivation with Master Chen. Now she is Master Chen’s person!”

Mo Wuji said with a wave of his hand!

When Mo Qingyun heard this, her face flushed. Chen Ping was also very embarrassed. He slept with someone else’s daughter, and her father knew about it!

And everyone in the Mo family was shocked, and they all looked panicked!

If they angered Tianyuan Pavilion, they would not be able to withstand the anger of Tianyuan Pavilion!

Just when everyone in the Mo family was arguing in the meeting hall!

In a room in Tianyuan Pavilion, Tianci was still injured and had not fully recovered.

Elder Tong took out a porcelain bottle and threw it over!

“Take these pills, it will be good for your injury.” Elder Tong said!

“Elder Tong, now Chen Ping is with Mo Qingyun and they are all in the Mo family. What should we do?”

Tianci asked as he opened the porcelain bottle and poured the pill into his mouth!

“What else can we do? Of course, we should go to the Mo family to ask for an explanation!” said Elder Tong!

“But didn’t the Pavilion Master say that we can’t deal with Chen Ping anymore, otherwise I will be eliminated from this name of Tianjiao!”

Although Tianci is moody and kills people like flies, he still obeys the Pavilion Master!

He didn’t dare to disobey the Pavilion Master!

“We just go to the Mo family to ask for an explanation, and don’t bother with Chen Ping. If Chen Ping takes the initiative to stand up, it won’t be our fault.”

Elder Tong’s eyes were murderous: “Let’s take more people with us. If Chen Ping is honest, it’s fine. If he dares to interfere in the affairs of the Mo family, then we will settle all the new and old grudges together!”

“Okay!” Tianci nodded!
