

## **The Order 8461**

Chapter: 8461

The Mo family meeting hall!

Mo Wuji had a cold face and was going to force everyone to disperse. There was no need to continue this meeting.

But just as Mo Wuji was about to speak, the sky outside the Mo family's meeting hall suddenly darkened, and more than a dozen gray-robed figures came like a dark cloud.

The leader, Elder Tong, stood with his hands behind his back, his sinister eyes swept over everyone in the hall, and finally fell on Mo Wuji's face.

Mo Wuji's pupils suddenly shrank, his Adam's apple rolled forward two steps, and the soles of his shoes made a harsh sound on the bluestone slabs.

He raised his hand to bow in a calm manner, but his voice was trembling imperceptibly: "Elder Tong, Young Master Tianci has come to visit, and the Mo family is honored..."

"Important?" Elder Tong sneered, and a gust of wind was raised when his sleeves rolled up, abruptly interrupting Mo Wuji's words.

He stepped into the air, and every step seemed to be stepping on Mo Wuji's heart, "Mo Wuji, you Mo family are so brave!"

Tianci followed closely behind, his face was as blue as a poisoned blade, staring at Mo Qingyun with eyes that almost cut her through.

The wound he was seriously injured by Chen Ping was still aching, and the anger at this moment made his eyes bloodshot: "Mo Qingyun, you are really great!"

Mo Wuji was sweating all over, and he saw his daughter hiding behind Chen Ping from the corner of his eye, and gritted his teeth and said: "Elder Tong, this matter... There is a misunderstanding..."

"Misunderstanding?"

Elder Tong suddenly raised his hand, and a spiritual power turned into a long whip and whipped the pillar of the temple, and the gravel flew and frightened everyone to retreat.

He pointed at the tip of Mo Wuji's nose, "Can the engagement of Tianyuan Pavilion be misunderstood? Let me ask you, has Mo Qingyun practiced dual cultivation with this wild man?"

The last three words hit the hall like a heavy hammer, and the Mo family's senior executives were instantly in an uproar. They didn't expect that Tianyuan Pavilion also knew about this.

Mo Qingchen's eyes flickered, and he took the opportunity to take a half step forward, with a sinister smile on his lips.

Mo Wuji's face was as pale as paper, and he staggered back half a step, clenching his fists under his sleeves tightly to prevent himself from falling.

He didn't dare to look at Mo Qingyun, but had to speak: "It's true... But Elder Tong, this is my daughter's own will, and the Mo family can't stop it..."

"Can't stop it?"

Tianci was furious, and a ball of blue flame condensed on his fingertips, "My Tianci's woman was slept with by someone else, and you told me that you can't stop it?"

The flame hit the ground with a "bang", and instantly burned a charred hole: "Today I will make the Mo family disappear!"

Tianci's words directly frightened everyone in the Mo family and trembled all over!

They knew that Tianyuan Pavilion was really angry, otherwise there wouldn't be so many masters coming!

"Master Tianci, calm down!" Mo Qingchen stood up and said: "This matter was completely done by Mo Wuji, and it has nothing to do with the rest of our Mo family!"

Chapter: 8462

"But he is the head of the Mo family. If he asked you to do something to my Tianyuan Pavilion, would you not listen?"

Elder Tong asked Mo Qingchen!

The two people were obviously directing and acting by themselves. They knew each other's details, but they pretended to know nothing!

Mo Qingchen turned and stared at Mo Wuji, his eyes full of ruthlessness: "Uncle, you are incompetent in managing the family, and you allow your daughter to ruin the reputation of the Mo family, and you even disregard the safety of the family, so I can only kill my relatives for the sake of justice. Now I will be the head of the Mo family!"

As soon as these words came out, half of the Mo family's senior executives echoed them.

Mo Qingchen had secretly bribed these people a long time ago, and now that the time was ripe, they immediately attacked him.

"The head of the family's move is indeed inappropriate!"

"The Mo family cannot be destroyed in his hands alone!"

"Please ask Master Tianci to make the decision for the Mo family!"

Mo Wuji widened his eyes, looking at those faces who used to be submissive to him but were now full of betrayal, and felt dizzy.

He staggered and held the pillar of the hall, his nails almost pinching into his palm: "You... You actually..."

"Father!" Mo Qingyun exclaimed, and wanted to step forward but was gently pulled by Chen Ping.

She turned to look at Chen Ping, but saw that he looked calm, with a sneer on his lips.

Chen Ping had long discovered that Mo Qingchen must have been secretly colluding with Elder Tong and others, with the goal of seizing the position of the head of the family!

"Are you done?"

Chen Ping finally spoke, with disdain in his eyes, "A bunch of jumping clowns dare to play tricks in front of me?"

"You have already discussed it, right? Why are you pretending to be so hypocritical?"

"And you two defeated generals, why don't you learn your lesson?"

Chen Ping's words made everyone in the Mo family stunned!

Especially Mo Qingchen, he didn't know that Chen Ping had fought with Elder Tong and Tianci!

It seems that Chen Ping has defeated the two!

Elder Tong's pupils shrank suddenly, and he subconsciously took a half step back.

The loss he suffered at the hands of Chen Ping was still vivid in his mind. At this moment, seeing the momentum surging around him, he actually felt a sense of oppression like facing a mountain.

But thinking that the dozen masters brought today were all fifth-grade masters of the Sanxian Realm, he gritted his teeth and sneered: "Chen Ping, do you really think you can fight against my Tianyuan Pavilion by yourself?"

Chapter: 8463

Although he knew that Chen Ping could fight against opponents of higher levels, with so many of them, Chen Ping was definitely not an opponent!

Even a tiger can't stand up to a large number of people!

"Fight?"

Chen Ping raised his eyebrows, flicked his fingertips lightly, and a golden light flew past Elder Tong's ear, cutting off a strand of his white hair, "Just relying on you trash?"

Tianci was furious: "Kill him for me!"

Before he finished speaking, more than a dozen figures attacked at the same time! All kinds of terrifying auras hit Chen Ping like a rainstorm, and the entire meeting hall was instantly reduced to ashes.

Mo Qingyun's face was pale, and he subconsciously wanted to rush up, but was held tightly by Mo Wuji.

He knew that Mo Qingyun would die in vain if he rushed up.

Now it depends on Chen Ping's own strength.

I saw a golden light appearing around Chen Ping, and then golden scales covered Chen Ping's whole body!

The indestructible golden body was activated!

At the same time, two black mists surged out of Chen Ping's body and turned into two warriors!

The two warriors held big swords and directly chopped off the violent auras.

The missed aura hit Chen Ping, but Chen Ping did not dodge or evade, and was as steady as a mountain.

"This... How is this possible?"

Mo Qingchen was stunned and stepped back subconsciously, but ran into Tianci's cold eyes.

Elder Tong frowned, and was even more frightened.

A dozen scattered immortals of the fifth grade couldn't shake Chen Ping at all?

Especially these two warrior statues, it was too outrageous!

Seeing this, Mo Wuji's body was trembling with joy. He had long seen that Chen Ping was extraordinary, but he didn't expect him to be so awesome. It seems that he made the right bet!

"Is that all you can do?"

Chen Ping sneered, raised his hand and waved it gently.

A breath of air suddenly spread out, surging around like a tide.

The besieged Tianyuan Pavilion masters were pushed away by an invisible giant hand and flew backwards.

Chapter: 8464

As the Tianyuan Pavilion masters flew backwards, two warriors also jumped up!

More than a dozen Tianyuan Pavilion masters followed the two warriors to fight together!

However, as soon as they started fighting, more than a dozen Tianyuan Pavilion masters felt the pressure!

After all, these two warriors were not alive, had no thoughts, and were not afraid of death.

With screams, more and more Tianyuan Pavilion masters began to fall!

Tianci and Elder Tong looked at each other and found that they still underestimated Chen Ping, so they turned around and wanted to escape!

Just as Tianci turned around to escape, he saw Chen Ping appeared in front of him.

Chen Ping clamped his throat with two fingers. The force was not strong but made him unable to move. "Why, you didn't learn your lesson today after I beat you up two days ago?"

"You... you dare to touch me?" Tianci's voice trembled, but he was still holding on. "I am the pride of Tianyuan Pavilion. If you hurt me..."

"What if I hurt you?"

Chen Ping applied a little force on his fingertips, and Tianci's face suddenly turned red, and his eyeballs almost popped out. "Go back and tell your Pavilion Master that if you dare to hit Qingyun again, I will demolish his Tianyuan Pavilion."

“Chen Ping!”

Elder Tong roared in a cowardly manner, “If you dare to hurt Tianci, Tianyuan Pavilion will definitely come out in full force to make you never have peace!”

Chen Ping turned his head to look at Elder Tong, his eyes as cold as a knife: “Who have I ever been afraid of? Go back and tell your Pavilion Master, come and try if you have the guts.”

After that, he threw Tianci to Elder Tong casually, and Elder Tong hurriedly caught it, but was taken back more than ten steps by the huge impact.

Everyone in the Mo family was already stunned.

Mo Qingchen’s face turned pale, he didn’t expect things to turn out like this!

This Chen Ping was not even afraid of Elder Tong and Tianci!

And at this moment, there were suddenly more than a dozen terrifying auras approaching from afar above the Mo family!

When these dozen auras approached, everyone saw more than a dozen men in black hanging in the void!

“People from Shura Palace?”

Seeing the people coming, everyone in the Mo family was shocked.

You know, in the second heaven, Tianyuan Pavilion and Shura Palace are both top forces.

Now that the two major forces have come to the Mo family, everyone in the Mo family is terrified. I don't know why the people from Shura Palace suddenly visited!

Chapter: 8465

The leader of Shura Palace was the third elder, staring at the people below.

When Elder Tong of Tianyuan Pavilion saw the people from Shura Palace coming, he was immediately happy!

Because he knew that Chen Ping killed Sang Kun from Shura Palace.

The people from Shura Palace suddenly came at this time, they must be looking for revenge on Chen Ping.

Since they failed to kill Chen Ping, they would find a way to let Shura Palace take action, so as to kill someone with a borrowed knife.

Even if there is really some terrorist force after Chen Ping left, they will not be able to find their Tianyuan Pavilion at that time.

“It turns out to be the third elder of Shura Palace, nice to meet you...”

Elder Tong stepped forward and greeted him with a smile on his face!

But the third elder did not even look at Elder Tong, but stared at Chen Ping with his eyes.

Seeing this, Chen Ping became alert!

He knew that the people from Shura Palace were likely to come to kill him, after all, he had just killed Sang Kun from Shura Palace.

Mo Qingyun was also nervous when he saw the people from Shura Palace coming.

“Daughter, what’s going on? Why did the people from Shura Palace come suddenly?”

Mo Wuji asked!

“Father, Chen Ping killed Sang Kun of Shura Palace...” Mo Qingyun said!

“What?” Mo Wuji felt his eyes go dark and he almost fainted.

The two major forces of the Second Heaven were both offended by Chen Ping.

No matter how capable Chen Ping was, he couldn’t deal with the two major forces of Shura Palace and Tianyuan Pavilion by himself.

Mo Qingchen, who was standing aside, laughed when he heard it. Chen Ping couldn’t escape now.

As long as Chen Ping died, the position of the head of the Mo family would be his, and no one could stop Elder Tong and others from helping him.

Elder Tong was a little angry when he saw that the third elder of Shura Palace ignored him, but at this time, he could only bear it.

“Third elder, are you here to seek revenge on Chen Ping? This guy killed your young master Sang Kun.”

Elder Tong provoked!

Chapter: 8466

However, the Third Elder still did not speak, and then slowly fell down, and then walked towards Chen Ping step by step!

Elder Tong saw this and immediately laughed, and Tianci also raised his mouth slightly, waiting to see how the people from Shura Palace would kill Chen Ping.

But the Third Elder walked in front of Chen Ping and bowed deeply, and then said very politely: "Mr. Chen, I'm really sorry, our young master Sang Kun offended Mr. Chen, and he deserved to die."

"But he was also instigated by someone, and I hope Mr. Chen will not blame our Shura Palace. Our eldest lady specially ordered me to apologize to Mr. Chen."

The Third Elder's attitude was very sincere, which surprised Chen Ping!

The others were all stunned when they saw this!

Elder Tong, in particular, looked at the Third Elder in disbelief, and then asked loudly: "Third Elder, are you from Shura Palace so cowardly? Your young master was killed, and you apologized?"

"Shut up, if it weren't for you instigating and trying to kill someone with a borrowed knife, how could our young master die?"

As soon as the voice fell, the Third Elder took action instantly.

I saw a blood light instantly in front of Elder Tong.

Elder Tong's face changed drastically, and he made a gesture with his hands, and a shield instantly rose in front of him.

Bang!

With a loud bang, Elder Tong was directly blown away, and as soon as he landed, the Third Elder jumped up, and another blood light came.

This time, the blood light was faster and instantly pierced Elder Tong's body!

Elder Tong stood there, motionless.

"How dare you touch our people in Tianyuan Pavilion?"

Tianci saw this and ran over to save Elder Tong, but Elder Tong stood still, his eyes full of fear!

His formation skills were superb, but his real strength was not as good as the third elder of Shura Hall, so he was so embarrassed.

"Tianci, call the Pavilion Master..."

Elder Tong was motionless, gritting his teeth and squeezing out a few words!

He knew that if no one came to rescue him at this time, he would definitely die if he followed Tianci!

Tianci nodded, grabbed the jade pendant on Elder Tong's waist, and then crushed it fiercely.

In an instant, a mysterious force enveloped Elder Tong and Tianci.

A shadow slowly appeared in front of the two!

Chapter: 8467

“Pavilion Master, save me...” Elder Tong saw this and shouted hurriedly.

The Pavilion Master of Tianyuan Pavilion has arrived, but it is just a shadow!

Seeing this, the third elder of Shura Hall changed his expression slightly.

He didn’t have the courage to kill the elders of Tianyuan Pavilion in front of the Pavilion Master of Tianyuan Pavilion.

“Can the elders of my Tianyuan Pavilion be slaughtered at will by you Shura Hall?”

The Pavilion Master of Tianyuan Pavilion said coldly!

“Pavilion Master Tian, you don’t know what your people did, do you?” said the third elder!

The Pavilion Master of Tianyuan Pavilion slowly turned his head and looked at Elder Tong, which made Elder Tong pale.

“Your people instigated our Master Sang Kun to deal with Mr. Chen, telling him that Mr. Chen had relics and treasures, which led to the death of our Master Sang Kun. Do you think our Shura Hall should ask you for an explanation?”

The third elder questioned!

Of course, the Pavilion Master of Tianyuan Pavilion knew about this matter. This was his idea, but at this time, of course, he couldn’t admit it.

“The young master of your Shura Palace was killed by Chen Ping, so you should seek revenge on Chen Ping. Why do you seek revenge on our Tianyuan Pavilion?”

“Are you bullying us because there is no one in Tianyuan Pavilion?”

The Pavilion Master of Tianyuan Pavilion said coldly!

“I didn’t instigate it. It was your young master Sang Kun who was too stupid. He got greedy. What does it have to do with me?”

“I told many people that Chen Ping had relics and treasures. Why didn’t other people die?”

Seeing that he had the support of his Pavilion Master, Elder Tong also became tough.

“You...” The third elder didn’t know what to say.

“I won’t bother with you for your Shura Palace hurting my elder. Take your people and get out now.”

“When your Palace Master comes out of retreat, I will come to your door in person to ask for an explanation.”

The Pavilion Master of Tianyuan Pavilion waved his hand and said!

The third elder looked grim, but he didn’t dare to do it again. After all, he didn’t have the courage to do it in front of the Tianyuan Pavilion Master.

Even if the other party was just a phantom, the third elder didn’t want to cause a war between Shura Palace and Tianyuan Pavilion!

“Since you are the one spreading my news everywhere, I can’t keep you!”

Chapter: 8468

Chen Ping walked forward slowly.

The Tianyuan Pavilion Master looked at Chen Ping and smiled faintly: "You are indeed young and promising. I heard that you can fight against opponents of higher levels."

"I don't know if you are interested in joining our Tianyuan Pavilion. I can make you a Tianjiao. At that time, you will have endless resources!"

The Tianyuan Pavilion Master actually planned to accept Chen Ping.

"You don't deserve it..."

Chen Ping said lightly!

"What did you say?" The Tianyuan Pavilion Master was furious, and the aura on his body began to rise.

The others were also shocked. None of them expected that Chen Ping would dare to talk to the Tianyuan Pavilion Master like this.

"I said you are unworthy, are you deaf?"

Chen Ping said!

"Chen Ping, you are so brave, you dare to talk to our Pavilion Master like this?"

The elder Tong roared!

This guy, he can't move at all, but he is still so arrogant.

"Tranquility..."

Chen Ping snorted coldly and waved his hand casually!

A golden light came out and instantly penetrated the body of elder Tong. At the same time, the head of elder Tong was thrown high, and then rolled to the ground and rolled far away!

Boom!

In an instant, a terrible breath directly locked Chen Ping.

Others were very nervous and retreated one after another, fearing that they would be affected.

Seeing that Chen Ping dared to kill the elder Tong of Tianyuan Pavilion in front of the Pavilion Master of Tianyuan Pavilion, the third elder of Shura Hall couldn't help but give a thumbs up: "Awesome..."

"Awesome..."

More than a dozen men in black in Shura Hall also shouted together!

At this moment, the Pavilion Master of Tianyuan Pavilion looked extremely ugly. This was a slap in his face in public.

"Boom..."

Chapter: 8469

The shadow of the Pavilion Master of Tianyuan Pavilion suddenly expanded, and the black robe surging actually set off a real spiritual power storm.

The bluestone slabs within a radius of ten feet cracked inch by inch, and the Mo family disciples were blown away by the air wave and hit the wall and spurted blood.

“You are so arrogant!”

The Pavilion Master’s shadow pierced the void with one finger, and the dark blue ice cone was like a poisonous snake spitting out its tongue, with a piercing scream, it went straight to Chen Ping’s forehead.

Wherever the ice cone passed, the air froze into frost, and the ground cracked into a three-foot gully!

“Chen Ping, be careful!” Mo Qingyun cried out in shock.

Mo Wuji was also worried about Chen Ping!

Although the Pavilion Master of Tianyuan Pavilion was just a shadow, his strength should not be underestimated.

Mo Qingchen sneered. He was laughing at Chen Ping for overestimating himself and daring to offend the Pavilion Master of Tianyuan Pavilion.

Isn’t this courting death?

Chen Ping did not move at all in the face of the attack from the Pavilion Master of Tianyuan Pavilion.

Just when the ice cone was three inches away from his forehead...

“Clang!”

A sword sound resounded through the sky!

Chen Ping flicked his finger lightly, and the golden light on his fingertips surged, turning into a three-meter-long giant blade that chopped down across the sky.

Wherever the golden blade passed, the void twisted, and it actually split the Pavilion Master’s ice cone in two!

“Bang!!!”

The shock wave of the collision of the two forces swept across the venue.

The dome of the Mo family’s meeting hall exploded, and countless rubble poured down like a rainstorm.

Everyone ran away with their heads in their hands, and the weak cultivators were directly knocked unconscious.

When the smoke and dust dissipated, everyone was shocked to find out.

Chen Ping stood with his hands behind his back, not even the corners of his clothes were messed up.

And the golden blade actually twisted the Pavilion Master’s ice cone into a sky full of light spots!

“Is that all you can do?” Chen Ping sneered.

Chapter: 8470

The shadow of the Pavilion Master of Tianyuan Pavilion showed a look of surprise for the first time:  
“You...”

Before he finished speaking, Chen Ping suddenly raised his hand and grabbed it!

“Crack!”

The golden light penetrated the chest of the shadow like a living thing, and instantly turned into nine chains to entangle its limbs.

The Pavilion Master’s shadow struggled frantically, but saw the fire gushing out of Chen Ping’s palm...

To deal with this kind of shadow, the fire is the best weapon.

“Destroy.”

A word of understatement.

“Boom—!!!”

The shadow of the Pavilion Master of Tianyuan Pavilion was actually crushed into a rain of light all over the sky!

Seeing this scene, everyone was stunned!

“A mere shadow dares to threaten me, you really don’t know how to live or die!” Chen Ping snorted coldly!

“Plop!”

Tianci wanted to run away, but his legs softened and he fell to the ground, his crotch was wet. This Tianyuan Pavilion's prodigy was frightened to the point of incontinence!

Seeing Tianci's appearance, Mo Qingyun laughed, very happily.

Who made this guy so arrogant all the time, but now he is honest!

"You want to run?"

Chen Ping crushed the bluestone with his feet, and every step seemed to be stepping on Tianci's heart.

Tianci's tears flowed, and he crawled back: "Senior Chen... Chen, spare me! I... I'm just following orders! Nothing is my business, and I won't bother Mo Qingyun anymore."

Tianci desperately begged for mercy, just wanting to be able to save his life.

"The prodigy of Tianyuan Pavilion?" Chen Ping stepped on his chest, "Nothing more."

Golden light spread from the soles of his feet, and Tianci made a strange "crackling" sound in his throat, and turned into a charred corpse in an instant.

"Boom! Boom!"

Suddenly, two loud noises came from a distance, and the two warriors returned. More than ten Tianyuan Pavilion masters were slaughtered!
