

The Order 8511

Chapter: 8511

“Chen Ping, don’t be impulsive...”

Seeing this, Huo Jingjing and Mo Qingyun hurried to persuade him!

Huo Zhao was also shocked. He couldn’t understand why Chen Ping wanted to self-destruct before he did anything.

The Pavilion Master of Tianyuan Pavilion was also shocked. He didn’t expect Chen Ping to be so brave!

“If I self-destruct, do you think you can escape?”

Chen Ping asked the Pavilion Master of Tianyuan Pavilion!

Hou Jingjing and Mo Qingyun also began to transfer their internal breath, and the two of them also planned to self-destruct!

If Chen Ping died by self-destruction, they would not live!

At this time, the Pavilion Master of Tianyuan Pavilion was a little confused. How could he bear this continuous self-destruction!

“Don’t be impulsive. I don’t have to kill you...”

The Pavilion Master of Tianyuan Pavilion said to Chen Ping!

“Do you want the two coffins in the ancient ruins?” Chen Ping asked!

Tianyuan Pavilion nodded: “Yes, as long as you give me the two coffins obtained from the ancient ruins, I will leave immediately!”

“As for the fact that you killed Tianci and Elder Tong, I don’t care. After all, we have more than just two Tianjiao and elders in Tianyuan Pavilion!”

Chen Ping restrained his breath when he saw the Pavilion Master of Tianyuan Pavilion said so: “If you had said it earlier, it would have been easy!”

Without the slightest hesitation, Chen Ping directly sacrificed the two coffins and placed them in front of the Pavilion Master of Tianyuan Pavilion!

Looking at the coffins full of runes in front of him, the Pavilion Master of Tianyuan Pavilion’s eyes were shining!

However, Chen Ping gave the two coffins to himself so readily that the Pavilion Master of Tianyuan Pavilion was a little worried that there was a trick!

“I have never opened these two coffins, and I can’t open them, so they are useless to me!”

“It’s worth it to exchange two useless coffins for my own life!”

Chen Ping knew the concerns of the Pavilion Master of Tianyuan Pavilion, so he explained!

After hearing Chen Ping’s explanation, the Pavilion Master of Tianyuan Pavilion smiled faintly and put away the two coffins!

“The grudges between you and me are written off...”

After the Pavilion Master of Tianyuan Pavilion finished speaking, he waved his hand and disappeared with his men in an instant!

Chapter: 8512

Seeing the Pavilion Master of Tianyuan Pavilion leave, Chen Ping breathed a sigh of relief, but he felt dizzy and almost fainted!

His body has reached its limit and he must recuperate as soon as possible!

“You protect me, I want to go to the tower to recuperate...”

After Chen Ping explained, he went directly into the tower to recuperate!

The main peak of Tianyuan Pavilion is always surrounded by clouds and mist. The buildings in the pavilion are built against the mountain, exuding an ancient and solemn atmosphere.

When the Pavilion Master of Tianyuan Pavilion returned with dozens of black-robed monks, the core disciples of the entire Tianyuan Pavilion had already stood in front of the mountain gate waiting.

However, the Pavilion Master’s face did not have the usual majesty, but instead had an excitement that was difficult to conceal. The two coffins in his sleeves with ancient runes seemed to contain a secret treasure that could subvert the structure of the second heaven.

“Pavilion Master, you are back!”

A white-haired elder came forward, and his eyes involuntarily fell on the coffin in the Pavilion Master’s hand, “The hatred between Tianci and Elder Tong...”

“We will discuss this later.”

The Pavilion Master of Tianyuan Pavilion waved his hand, with a hint of suppressed excitement in his voice, “Pass my order to seal the core area of Tianyuan Pavilion, and no one is allowed to approach!”

He hurriedly walked straight to his retreat place “Zangyuan Cave”.

The cave entrance was covered by several layers of restrictions, and only the Pavilion Master could enter on weekdays.

In the Zangyuan Cave, the immortal aura was so dense that it was almost liquid, and countless night-shining pearls were inlaid on the cave walls, illuminating the entire space like daylight.

The Pavilion Master of Tianyuan Pavilion waved his hand to remove the restrictions on the cave entrance, and carefully placed the two coffins on the jade platform in the center of the cave.

The runes on the surface of the coffins flickered under the pearl light, revealing a strange chill, as if they were pulsating slightly like life.

“Treasures from ancient ruins...”

The Pavilion Master of Tianyuan Pavilion rubbed his hands, with greed in his eyes, “Chen Ping, that kid, didn’t know the value of things, and actually exchanged his life for such a treasure, how foolish!”

He had heard that ancient ruins often had heaven-defying artifacts or elixirs buried with them. These two coffins were so strange that they must be suppressing amazing secret treasures.

He took a deep breath, activated his lifelong cultivation, and pressed his palms on the lid of one of the coffins engraved with a mysterious phoenix pattern.

“Open it for me!”

The breath poured into the coffin like a tide, and the runes suddenly burst into a dazzling red light. The coffin lid made a muffled “squeak” sound and slowly slid to one side.

A strong and disgusting smell of blood instantly spread, mixed with the smell of decay and resentment, which made the Pavilion Master subconsciously step back half a step.

He endured the discomfort and looked inside. There was no gold, silver or jewelry in the coffin, but a female corpse wearing a torn phoenix robe!

Chapter: 8513

The female corpse had a dark green face, long hair tangled like a snake, and black and sharp nails. Even though she had been dead for many years, her eyes were still wide open, full of resentment and unwillingness.

What was even more weird was that her body was not completely rotten. It seemed that something was crawling under her skin, and wisps of black air seeped out of her pores.

“This... Is this a blood corpse?”

The face of the Pavilion Master of Tianyuan Pavilion suddenly changed. The blood corpse is an ancient evil creature that feeds on blood essence. After death, the resentment does not dissipate and can control the minds of living beings.

He was about to retreat and seal the coffin, but the tightly closed lips of the female corpse suddenly split open, revealing a white fang, and a blood-colored mist visible to the naked eye suddenly spurted out of her mouth and rushed directly to the Pavilion Master’s face!

“Not good!”

The Pavilion Master of Tianyuan Pavilion’s pupils suddenly shrank, and he hastily offered a black iron shield, but the blood-colored mist penetrated the shield like a living thing and instantly sank into his eyebrows.

He only felt a chilling consciousness suddenly rushing into his mind, as if countless resentful souls were screaming, his eyes went black, and his body trembled uncontrollably.

Almost at the same time, another coffin engraved with dragon patterns also made a loud “bang” sound, and the coffin lid flew off by itself.

A male corpse in a torn dragon robe was among them! The male corpse had a hideous face, blood-red corpse patterns all over his body, and in a bowl-sized hole in his chest, a heart emitting black air was beating!

He suddenly opened his eyes, there was no pupil in his eyes, only a blood color, and a silent roar turned into sound waves, shaking the entire Zangyuan Cave.

The male corpse stretched out his dry palm and grabbed in the air, and the spiritual power in the Pavilion Master's body rushed out uncontrollably and rushed to the two coffins.

The blood-colored mist in the female corpse's mouth continuously merged into the Pavilion Master's eyebrows, and the black heart in the male corpse's chest was madly absorbing his vitality.

"Uh ah..."

The Pavilion Master let out a painful roar. He could clearly feel that his consciousness was being eroded, and a violent thought belonging to the blood corpse took the lead.

His body began to undergo strange changes: half of his face turned dark blue, covered with corpse lines, and his nails became longer and pointed;

The other half of his face showed a strange blush, and his skin was as delicate as a woman's.

His voice also became androgynous, sometimes deep like a man, sometimes sharp like a woman.

"Hahaha... We finally... see the light of day again..."

The half-male, half-female voice came out of the Pavilion Master's mouth, with a kind of madness after surviving a disaster.

The two bloody corpses slowly stood up from the coffins, surrounded by black air, and actually suspended in the air.

The original Tianyuan Pavilion Master has now become their puppet, with empty eyes, but his body exudes a terrifying aura that is several times stronger than before.

That is the peak of the scattered immortal realm, almost close to the pressure of the earthly immortal!

“The ants of Tianyuan Pavilion...”

Chapter: 8514

The half-male and half-female Pavilion Master raised his head and glanced at the elders who tried to break in outside the Cangyuan Cave after sensing the movement, “Follow me... and flatten the Shura Palace!”

The movement of Tianyuan Pavilion did not last too long. When the core disciples broke into the Cangyuan Cave, they saw only two empty coffins and their Pavilion Master’s weird appearance of half-male and half-female, with a terrifying aura that was suffocating.

Without any explanation, the half-man, half-woman Pavilion Master waved his hand, and dozens of black-robed monks followed him into the sky as if controlled by an invisible hand, aiming directly at the Shura Palace, another major force in the Second Heaven.

.....

Shura Palace.

Since Sang Tianyang let the elder go, he seemed to be in a state of self-doubt.

He didn’t know whether he was right or wrong.

“Father, are you still thinking about that?” Sang Lan walked to Sang Tianyang and asked!

“Hey!” Sang Tianyang sighed: “Lan’er, do you think your father is very bad and forcibly separated a loving couple?”

“I.....” Sang Lan didn’t know how to answer!

She did think that her father had gone too far and shouldn’t have done that!

There were so many women in the Second Heaven. With her father’s status and strength, he could have as many women as he wanted. Why did he forcibly separate a loving couple?

“At that time, I was young and frivolous. I had to get the person I liked.”

“But now, I know that I went too far, so I let the elder go.”

“If he comes back to seek revenge on me now, I might not fight back!”

Sang Tianyang realized the mistakes he made before!

“Father, the matter is over. Don’t think about it anymore. You should calm down and practice well!”

Sang Lan said!

“Okay!” Sang Tianyang nodded, then stood up and planned to go back to practice.

But at this time, a blood-colored mist suddenly appeared above the Shura Palace and was surging violently.

A bloody smell that was stronger than the mist came to his face.

Sang Tianyang stood on the high platform in front of the palace gate, looking at the sky with a frown.

Sang Lan beside him drew out his weapon instantly, holding the Bloodthirsty Blade tightly, the blood on the blade throbbing restlessly: "Father, who is coming, the aura... is very wrong!"

Sang Tianyang shook his head solemnly, he didn't know who this aura was!

Chapter: 8515

Before he finished speaking, dozens of black shadows had torn through the clouds and hovered above the Shura Palace.

The leader was the half-man, half-woman Pavilion Master of Tianyuan Pavilion, he was surrounded by black air, half of his face was dark and hideous, and the other half was sickly soft, there was no emotion in his eyes, only a bloody madness.

"Sang Tianyang..."

The voice of half man and half woman echoed between heaven and earth, with a mixture of male and female tones, which was indescribably weird.

"Hand over... 'Shura Blood Crystal' ... Otherwise... Shura Palace will be exterminated today!"

Sang Tianyang's pupils shrank: "Shura Blood Crystal? What do you want that thing for?"

"And how did you become like this?"

Shura Blood Crystal is the treasure of Shura Palace. It is the heart of the ancient Shura God when he fell. It contains infinite killing power and can only be used by the successive palace masters.

Although Tianyuan Pavilion and Shura Palace have always been at odds, Tianyuan Pavilion has no use for Shura Blood Crystal. Why did it suddenly ask for it?

What's more, the Pavilion Master of Tianyuan Pavilion in front of him has already reached the peak of the scattered immortal realm, and even has a hint of pressure from the earthly immortal!

“Stop talking nonsense!”

The half-man, half-woman Pavilion Master waved his hand fiercely, and a black-clothed monk behind him rushed down like a cannonball, heading straight for Sang Tianyang!

The monk turned out to be a seventh-grade strongman in the Sanxian Realm, and the attack was the Tianyuan Pavilion’s unique skill “Yuanhai Sha”.

The air twisted as the palm wind passed, with a suction force that swallowed everything.

“Hmph!”

Sang Tianyang snorted coldly, his body did not move, and he pushed his right palm forward, and a blood-colored sword energy rushed up into the sky, which was the “Shura Soul-Destroying Slash”!

The sword energy collided with the palm wind, making a deafening explosion. The black-clothed monk screamed, and his body flew backwards like a kite with a broken string. A huge blood hole in his chest gushed blood, and he died on the spot.

“Interesting...”

The half-man, half-woman Pavilion Master had a strange smile on his face, and the half-woman’s cheek revealed a hint of charm, “But... In front of us, your strength... is like an ant!”

Before he finished speaking, he personally took action.

He appeared in front of Sang Tianyang in an instant, his right hand turned into a claw, and grabbed Sang Tianyang’s heart with a blue-black corpse aura.

The speed was so fast that Sang Tianyang felt a piercing chill and quickly waved his knife to block.

“Clang...”

The blade collided with the ghost claw, making a sound of metal and iron clashing. Sang Tianyang felt a surge of overwhelming power, his arm was numb instantly, and the whole person was shocked and retreated repeatedly, with a trace of blood flowing from the corner of his mouth.

Chapter: 8516

He looked at the half-man, half-woman monster in front of him in horror: “You... How did you manage to improve your strength so quickly in a short period of time?”

He, who was an eighth-grade scattered fairy, was actually defeated in one move!

“I am... the messenger of the Blood Corpse Venerable...” The half-man, half-woman Pavilion Master laughed strangely, “Feel my wrath!”

The dozens of black-robed monks behind him also launched attacks at the same time, and various spiritual power spells fell like raindrops, bombarding the mountain protection formation of the Shura Palace.

“Buzz...”

The blood-colored palace protection formation trembled violently, and the light flickered.

Sang Tianyang’s face was extremely solemn. He could feel that this palace protection formation would not last long under the opponent’s attack.

What made him even more nervous was that the half-man, half-woman monster in front of him seemed to be getting stronger and stronger. Every attack was accompanied by corpse qi that corroded spiritual power, making his cultivation more and more sluggish.

“Father!”

Sang Lan waved the Bloodthirsty Blade and rushed to Sang Tianyang, "They are too strong! Especially the Pavilion Master of Tianyuan Pavilion, he is not himself at all!"

"I know..."

Sang Tianyang wiped the blood from the corner of his mouth, a trace of determination flashed in his eyes, "That thing... I am afraid it is controlled by the ancient evil."

"Lan'er, listen to me, you go and ask Mr. Chen immediately!"

"Chen Ping?" Sang Lan was stunned!

"Yes, it's him!"

Sang Tianyang gritted his teeth and said, "If we find Mr. Chen, our Shura Palace may still be saved!"

He suddenly stuffed a blood-colored jade slip into Sang Lan's hand, "This is a token to open the secret passage. Remember, you must find Chen Ping and tell him that Shura Palace needs his help!"

"Father, Mr. Chen is probably not the opponent of this monster!" Although Sang Lan knew that Chen Ping was still powerful!

But the Pavilion Master of Tianyuan Pavilion was obviously controlled, and his strength had reached the peak of the Sanxian Realm, or even higher!

Even if Chen Ping came, he would still be no match!

"He may not be a match, but Mr. Chen must have someone behind him. Just go, and be quick!"

Sang Tianyang said!

At this moment, the half-male, half-female Pavilion Master launched another fierce attack. A black light column mixed with male and female power fell from the sky and slammed hard on the palace protection formation.

With a loud “boom”, the blood-colored formation was completely broken, countless broken stones flew, and smoke and dust filled the air.

Chapter: 8517

“Kill! Don’t leave any alive!”

The half-male, half-female Pavilion Master roared crazily and rushed into the Shura Palace first.

The black-clothed monks followed like a tide, and the bloody massacre started instantly.

A trace of sadness flashed in Sang Tianyang’s eyes. He pushed Sang Lan to the secret passage behind him: “Go! Your father will cover you!”

After that, he burned his own blood and blood, and his aura surged. He actually burned his life as a price to activate the forbidden move of “Shura Soul-Destroying Slash”!

“Father!”

Sang Lan burst into tears, but she knew that this was not the time to hesitate.

She gritted her teeth, turned around and rushed towards the secret passage, and her figure was instantly wrapped in a white light.

Behind her came the earth-shaking roar of her father and the screams of the enemy, as well as the creepy laughter of the half-male, half-female monster.

Sang Lan knew that this journey must be extremely dangerous, and the people of Tianyuan Pavilion might have blocked all the exits.

But she had to find Chen Ping as quickly as possible, for her father and for Shura Palace.

Sang Lan tightly grasped the Blood-Crying Blade in her hand, and the blood on the blade seemed to sense the master's determination and beat more and more hotly.

.....

Eighth Palace, in the Demon-Suppressing Tower!

Chen Ping sat cross-legged in the tower, and the green halo surrounding his body had turned into substance, wrapping him like a cocoon.

Two days were just a blink of an eye in the outside world, but more than a few months had passed in the tower.

When the last wisp of immortal energy flowed into Dantian, he suddenly opened his eyes, and a gleam of light flashed in his eyes, and two leaping golden flames were reflected in the depths of his pupils.

“The injuries have completely recovered, and even...”

Chen Ping raised his hand and touched his heart. The cracks there, which were originally left by the possession of the Red Cloud Demon Lord and forced to urge him, had disappeared without a trace, replaced by a nearly boiling sense of power.

Chen Ping came out of the tower, and Huo Jingjing and Mo Qingyun had been waiting for him outside the tower!

It can be seen that the two people are very concerned about him. Seeing Chen Ping come out and completely recover, and the aura on his body is even stronger, they all laughed!

Chapter: 8518

Just when Chen Ping smiled and was about to speak, he suddenly felt a shock in his body!

Then the two forces in his body were swarming and seemed to want to leave his body!

“Are these the two warriors?” Chen Ping frowned!

Chen Ping didn’t understand why the two warriors who had been subdued by him and stayed in his body suddenly ran around!

In order to prevent the power of the two warriors from disturbing his breath, Chen Ping released the two warriors!

With two black air coming out of Chen Ping’s body, the two warriors appeared!

But the two warriors just appeared, but they disappeared in a flash and flew in one direction!

“Hey!”

Chen Ping exclaimed and hurriedly chased after them.

He didn’t know what happened to the two warriors and why they suddenly ran away?

“Chen Ping!”

Seeing this, Huo Jingjing and Mo Qingyun hurriedly chased after Chen Ping!

“Sister!” Huo Feng also came at this time. Seeing Chen Ping and the others suddenly leave, he hurriedly chased after them!

“Chen Ping, what happened?” Huo Jingjing caught up with Chen Ping and asked!

“No time to explain!”

Chen Ping spoke very quickly, pointing to the direction where the warriors disappeared, “For some reason, those two guys suddenly lost control and went somewhere! We must catch up!”

Several people chased the two warriors from behind, and ripples appeared in the void behind them, showing how fast they were!

Strong winds whistled in his ears, and the mountains and rivers below were rapidly retreating.

Chen Ping closed his eyes and sensed the position of the two warriors through the soul line. Their breath became more and more violent, and even faintly resonated with a strong smell of blood.

“Something’s wrong,” Chen Ping muttered to himself, “Those two warriors seem to be... responding to some kind of call.”

“Is this the direction to the Shura Palace?” Mo Qingyun looked around and said!

Chapter: 8519

Chen Ping then realized that the direction the two warriors were heading was indeed the direction of Shura Palace!

But why did the two warriors suddenly go to Shura Palace? Chen Ping was also a little confused!

At this moment, a disheveled figure suddenly rushed out from the clouds in front.

The man was wearing a blood-colored outfit and holding a short blade that was constantly oozing blood. It was Sang Lan.

Her hair was messy and there was blood on the corners of her mouth. She had obviously experienced a fierce battle and was being chased by several black streams of light.

“Sang Lan!”

Chen Ping’s pupils shrank, and he raised his hand and slashed out a green sword energy.

The sword energy tore through the void like a thread, accurately hitting the wrist of a black-clothed monk. The monk screamed and the bone whip in his hand broke into pieces.

“Chen... Mr. Chen?”

Sang Lan turned back suddenly, and when she saw Chen Ping, her eyes burst into ecstasy, but then they were covered by despair, “Quick! Shura Palace... Father...”

Before she finished speaking, three more black-clothed monks surrounded her, their eyes flashing with bloodthirsty red light, and all their moves were killing moves.

Chen Ping snorted coldly, and the Dragon Slaying Sword instantly slashed out golden sword energy, instantly killing the three black-clothed men!

“Talk while walking!” Chen Ping pulled Sang Lan, “What happened?”

Sang Lan panted, pointing to the area in the distance covered by blood-colored fog, her voice trembling: “The Pavilion Master of Tianyuan Pavilion... He was controlled by the blood corpse, and led people to attack Shura Palace! In order for me to come to you, my father has burned his blood essence...”

She choked, and the blood on the Blood-Weeping Blade beat more and more violently, “They want to rob the Shura Blood Crystal, and the Palace Protection Formation has been broken!”

Chen Ping’s heart sank.

Blood corpse?

Chen Ping thought of the two coffins. It seemed that the Pavilion Master of Tianyuan Pavilion had opened the two coffins!

“Let’s go...”

Chen Ping knew that there was no time to lose, so he immediately rushed to the Shura Palace!

.....

Shura Palace!

Chapter: 8520

At this time, all the protective formations of the Shura Palace were broken. In the entire Shura Palace, countless light curtain fragments fell from the sky, and countless blood was everywhere. Screams came one after another!

The entire Shura Palace really became a Shura purgatory!

The Pavilion Master of Tianyuan Pavilion was suspended in the air, his eyes full of disdain and arrogance!

In the field, everyone in the Shura Palace was desperate!

As the Pavilion Master of Shura Palace, Sang Tianyang was staring blankly at the Pavilion Master of Tianyuan Pavilion in the void!

Beside him, there were countless corpses of Shura Palace strongmen.

And Sang Tianyang himself had lost his arms and was seriously injured.

The current Shura Palace is no match for the Tianyuan Pavilion. Even if the Pavilion Master of Tianyuan Pavilion goes to fight alone, the Shura Palace is no match!

Sang Tianyang burned his blood essence and reached the eighth level of the scattered immortal realm, but he was still not good enough in front of the Pavilion Master of Tianyuan Pavilion!

At this time, the Pavilion Master of Tianyuan Pavilion looked down at the Shura Palace and said coldly: "Take out the Shura Blood Crystal, and I can spare your life!"

Sang Tianyang now finally knows why the Pavilion Master of Tianyuan Pavilion wants the Shura Blood Crystal!

Because the Shura Blood Crystal can replace the heart and revive the blood corpse!

Now that the Pavilion Master of Tianyuan Pavilion is controlled by the blood corpse, the first thing he thinks of is to seize the Shura Blood Crystal.

"The Shura Blood Crystal is the foundation of my Shura Palace. If the Shura Blood Crystal is given to you, then my Shura Palace will disappear completely!"

Although Sang Tianyang lost both arms, his face was still full of cold murderous intent, without any fear!

He can die, but the Shura Blood Crystal cannot be handed over!

He died, but there was no hall master. Shura Hall can still elect a new hall master!

But if Shura Blood Crystal is handed over, the foundation of Shura Hall will be gone, and Shura Hall will be scattered!

"If you don't hand over Shura Blood Crystal, your Shura Hall will disappear as well!"

Tianyuan Pavilion Master said!

“I haven’t lost yet...”

After Sang Tianyang finished speaking, he suddenly spurted out a mouthful of blood, and an ancient token began to appear in the void, emitting light.

Under the light, the earth began to tremble, and then slowly cracked into cracks!
