

## The Order 861

Chapter: 861

Although the Qin family can collect 5 billion, with such a huge amount, Qin Xiaotian is afraid to make the decision. After all, the current head of the family is still his eldest brother, and he is just in charge!

“Boss Qin, if you don’t add me anymore, then I will hand over the Bagua plate to Boss Bai!”

Zou Zhaolong saw Qin Xiaotian’s face was ugly and silent, so he asked!

“I’ll add it!” Qin Xiaotian’s face turned red and he gritted his teeth: “I’ll pay 6 billion!”

When Qin Xiaotian finished speaking, Bai Xiushan’s originally calm face suddenly became ugly!

Five billion is actually the limit for him. The reason why he acted so relaxed just now was to make Qin Xiaotian mistakenly think that the Bai family still has strength and dare not increase the price. But who would have thought that Qin Xiaotian would increase the price by another billion!

If Bai Xiushan were increasing the price, it would be difficult to come up with so much money in a short time. You know, Zou Zhaolong doesn’t allow credit!

Seeing Bai Xiushan’s troubled look, Qin Xiaotian laughed: “I thought your Bai family was very powerful, but it turns out you were just pretending. If you have the ability, you are adding more!”

Bai Xiushan looked at Qin Xiaotian. Although his eyes were full of anger, he did not speak because he really couldn’t afford it!

In the end, Bai Xiushan had no choice but to sit back and could only look at Qin Xiaotian’s proud look!

“Boss Qin, this 6 billion Bagua Pan is yours, but I have agreed that you must transfer the money to my account first...”

Zou Zhaolong was already happy at this time. Selling a piece of rotten wood for 6 billion was just like picking up money!

“Boss Zou, don’t worry, I...”

“I’ll pay seven billion!” Before Qin Xiaotian finished speaking, Chen Ping, who had been closing his eyes to rest, suddenly opened his eyes and said directly.

As soon as Chen Ping opened his mouth, everyone turned their attention to him. Even Bai Xiushan looked at Chen Ping in shock!

Everyone doesn’t understand why Chen Ping is also fighting for this gossip plate?

Didn’t he just say that this Bagua plate is just a piece of rotten wood? Since it was rotten wood, why did you pay so much money to buy it?

“Young man, I don’t just shout out the price here. If you buy it at a price, but you don’t have the money to pay in the end, do you know what the consequences will be?”

When Zou Zhaolong saw that Chen Ping was also bidding, his face turned cold and he said!

He thought that Chen Ping was just there to cause trouble. After all, Yuan Baozhong said that Chen Ping’s skills were also very good. Since he could see the origin of the Bagua plate, why did he still raise the price?

There is only one explanation, and that is to cause trouble, in order to ruin this auction!

“Don’t worry, since I made the bid, of course I have the money to pay!” Chen Ping said, throwing the bank card he just used for the bet to Zou Zhaolong: “There are two billion here. If I don’t have the money to pay after I win, This two billion is regarded as a deposit and is non-refundable!”

Zou Zhaolong picked up his bank card and looked at Chen Ping with a strange look on his face. He didn't know what kind of medicine Chen Ping was selling in the gourd, but he still nodded and said: "Okay, I believe you..."

"Mr. Chen..." Bai Xiushan looked at Chen Ping with a puzzled face!

Chapter: 862

Chen Ping waved his hand, signaling Bai Xiushan not to speak!

"Boss Qin, someone has made another bid!" Zou Zhaolong said to Qin Xiaotian.

At this time, Qin Xiaotian's face had become very ferocious. He glared at Chen Ping, slammed the table and said, "Didn't you say that the Bagua plate is just a piece of rotten wood? Why are you still fighting with me? You must have said that on purpose. , in order to make us give up the purchase, you can bid and find out by yourself, right?"

When Qin Xiaotian said this, everyone looked at Chen Ping angrily. Now there is no other possibility except this explanation. If it is really a piece of rotten wood, who would spend so much money to buy it?

Even Bai Xiushan looked at Chen Ping with admiration. He didn't expect that Chen Ping would use this method to pick up leaks. Although he didn't succeed, it was indeed a feasible method!

"This Bagua plate is just a piece of rotten wood. This is a fact. There is no need for me to lie. But I am willing to spend money to buy this piece of rotten wood. I will buy it to make a fire. Do you care? I don't want your Qin family to buy it. !"

Chen Ping raised the corners of his mouth slightly and said with a playful expression!

This made Qin Xiao's weather so bad that he almost lost his temper and vomited blood!

"Boy, if you have the guts, I want you to know how powerful my Qin family is..."

Qin Xiaotian suddenly slammed the table and shouted: "I will pay 8 billion!"

“Nine billion!” Chen Ping said without hesitation!

“Ten billion, I’ll give you ten billion...”

Qin Xiaotian’s eyes were red and he was yelling like he was crazy!

When Qin Xiaotian shouted out 10 billion, everyone looked at Chen Ping, expecting Chen Ping to continue shouting!

But who would have expected that Chen Ping stopped shouting and had a successful smile on his face!

“Little brother, you...”

“I don’t want it anymore. You can sell it to him for 10 billion...”

Chen Ping smiled lightly, waved to Zou Zhaolong, and motioned for Zou Zhaolong to return his bank card.

Zou Zhaolong threw the bank card to Chen Ping with a puzzled look on his face. However, Chen Ping jumped out and directly increased the price by another four billion. This was considered a huge profit for himself, so Zou Zhaolong no longer cared about Chen Ping. What an attempt!

When Qin Xiaotian saw that Chen Ping had stopped bidding, he sneered: “You are too young to fight with my Qin family...”

“Boss Qin, the Bagua plate is yours, you can transfer money!”

Zou Zhaolong said.

Qin Xiaotian was stunned for a moment, and then said with some embarrassment: “Boss Zou, I will pay you five billion first. Just wait a moment, and I will raise the money right away. I will transfer all the money to you before dark at the latest!”

Zou Zhaolong thought for a while, and finally nodded: “Boss Qin, that’s you, I won’t agree to anyone else, so please transfer the money first!”

Chapter: 863

Qin Xiaotian transferred five billion to Zou Zhaolong, and Zou Zhaolong directly gave the Bagua disk to Qin Xiaotian: “Boss Qin, I will follow Master Yuan to the bathroom first, and when I come back, Master Yuan will set up the Feng Shui array for you, but you must hurry up. Raise money!”

“Definitely, definitely...” Qin Xiaotian took the Bagua plate excitedly!

Zou Zhaolong and Yuan Baozhong went out, and only these big guys from Kyoto were left in the room.

Qin Xiaotian held the Bagua plate and looked like he couldn’t put it down, with a strong look of pride on his face!

“Boss Qin, congratulations!”

“With this magical weapon, the Qin family’s strength will be even higher!”

“Although the price is a bit expensive, it is indeed a good thing...”

Everyone congratulated Qin Xiaotian, which made Qin Xiaotian so proud that he didn’t even know his last name!

“I bought a bunch of junk, what’s there to be proud of...”

At this time, Chen Ping snorted coldly!

“Chen Ping, I think you just can’t eat the grapes and say the grapes are sour. Didn’t you just bid for it? Now you say it’s tattered? Even if it’s tattered, my Qin family has it, do you have it?”

Qin Xiaotian sneered!

“I think it’s just jealousy. This Bagua plate must be a treasure!”

“He’s a stupid kid, he knows nothing, don’t listen to him!”

“I think this kid is just here to cause trouble!”

Everyone also mocked Chen Ping!

“Mr. Chen, what should we do?” Bai Xiushan looked solemn. Now the Bagua plate has been bought by the Qin family. If the Qin family’s luck is prosperous as Master Yuan said, the Bai family will be destroyed by the Qin family sooner or later. Got it!

Chen Ping smiled at Bai Xiushan and said nothing. He just waved his hand lightly. Suddenly, the voices of Zou Zhaolong and Yuan Baozhong rang in the room, as if they were playing from a loudspeaker. Everyone was stunned. Yes, listen quietly!

“Hahaha, today is really fun. These guys are stupid and have too much money. They actually sold a piece of rotten wood for 10 billion!”

Zou Zhaolong laughed and said!

“This time, I was really unexpected. These palm-eye masters are worthy of being called masters. They are a bunch of blind things. But Chen Ping was able to see that this Bagua Pan was not a magic weapon. Fortunately, I was smart at the time. , and did not ask him to identify...” Yuan Baozhong said!

“Thanks to Master Yuan this time, I will personally deliver the money to Master Yuan’s house when I get back, but Master Yuan will have to worry a lot about setting up the Feng Shui array!” Zou Zhaolong said.

“Bufu’s Feng Shui array, how can this array be set up in just a moment? I’ll just use some magic to deceive these guys. They won’t be able to tell anyway. When they find out, we will be long gone...”

“Ha ha ha ha.....”

Chapter: 864

Both men laughed at the same time.

At this time, everyone in the room was dumbfounded. They looked around desperately and found that there was no loudspeaker in the room, but the voices were indeed Zou Zhaolong and Yuan Baozhong.

The one with the ugliest face at this time was Qin Xiaotian. If this was true, then he would have been taken advantage of. He had bought all these magic weapons!

Qin Xiaotian looked at Master He on the side with a shocked face: “Master He, tell me the truth, is this Bagua Disk a magic weapon?”

At this time, Master He was already full of embarrassment. He frowned slightly and said, “Boss Qin, I really don’t know whether this Bagua Pan is a magic weapon...”

“Impossible. Didn’t you also activate the formation? How could you not see it?”

Qin Xiaotian asked in disbelief.

Master He’s face was red. At this point, he could only say truthfully: “Actually, the so-called activating formation is just a small magic technique I used. I couldn’t find out whether there was anything in this Bagua disk at all. There is a magic circle. As for whether Master Yuan’s activation of the magic circle is true, I can’t tell. There is a huge disparity in our strength...”

Seeing what Master He said, Qin Xiaotian was dumbfounded.

“Mr. Chen, it turns out you have noticed it a long time ago?”

Bai Xiushan asked Chen Ping with a shocked look on his face.

“Have I already said that the Bagua plate is just a piece of rotten wood, but no one believes it...”

Chen Ping said with a faint smile!

When everyone heard Chen Ping’s words, they all blushed with shame. Just now, these people were mocking Chen Ping, but they didn’t expect that he was the real master!

“Boy, it turns out you just cheated on me...”

Qin Xiaotian also wanted to understand at this time, why Chen Ping knew that the Bagua plate was rotten wood, but he followed the bidding in order to raise the price and make himself pay a high price!

“Qin Xiaotian, Mr. Chen has long said that it was a piece of rotten wood. You don’t believe it yourself, so why did you come to trick you? The person who tricked you is Zou Zhaolong. If you have the ability, go to him!” Bai Xiushan said to Qin Xiaotian.

“Hmph, I will definitely settle the score with him...”

Qin Xiaotian snorted coldly and became furious!

The room returned to silence, but the atmosphere obviously became very depressing. All the so-called palm-eye masters left in despair. Even Master He didn’t have the face to stay any longer and left directly!

Bai Xiushan looked at Chen Ping, feeling excited and excited in his heart. Chen Ping’s strength far exceeded his imagination. In the future, having such a person behind him will be a blessing for the Bai family!

The other wealthy men also looked at Chen Ping with different eyes. Some wanted to talk to Chen Ping, but when they remembered the ridicule they had just made to Chen Ping, they all had no shame to speak!

Qin Xiaotian had an angry look on his face at this time, and gently pressed one hand on his waist. There was a switch here, and as long as he pressed it, he could draw a soft sword from his waist.

After a while Zou Zhaolong comes back. If everything is true, Qin Xiaotian will kill him directly with this soft sword. In front of many big guys in Kyoto, he has been fooled. How can he survive in Kyoto in the future?

Chapter: 865

At this time, Qin Xiaotian was trembling slightly all over, his anger was like a volcano about to erupt, and he was just waiting to find an outlet!

Soon, the door of the room was pushed open, and Zou Zhaolong and Yuan Baozhong walked in happily. However, as soon as they entered the room, they found that something was wrong with the atmosphere in the whole room, and all the palm eye masters had left.

Zou Zhaolong was just slightly stunned, and didn't think much about it. After all, everything was sold, and he probably felt that it was useless for those Palm Eye Masters to stay, so they all left!

"Boss Qin, how are you preparing the money? Bring the Bagua plate and let Master Yuan help you set up the Feng Shui array!"

Zou Zhaolong said happily to Qin Xiaotian.

Qin Xiaotian stood up with a gloomy face: "Are you going to build a Feng Shui formation on this piece of rotten wood?"

Qin Xiaotian threw the Bagua disk directly in front of Zou Zhaolong!

Zou Zhaolong was stunned for a moment, then hurriedly said: "Boss Qin, what do you mean?"

“Don’t you know what I mean?” Qin Xiaotian said with murderous intent in his eyes.

Zou Zhaolong frowned slightly: “Boss Qin, you can’t listen to other people’s nonsense. This Bagua Disk is a high-quality magic weapon. You all just saw it demonstrated by Master Yuan!”

Zou Zhaolong thought that Qin Xiaotian’s change of attitude was because he believed what Chen Ping said!

“Humph, I don’t have to listen to anyone, I just listen to what you say!”

Qin Xiaotian said, took out his mobile phone and started playing the conversation between Zou Zhao and Yuan Baozhong just now!

Qin Xiaotian just recorded it on his mobile phone in order to confront Zou Zhaolong so that Zou Zhaolong would not admit it!

Zou Zhaolong was dumbfounded when he heard the conversation played on his mobile phone. He didn’t understand what he and Yuan Baozhong said in the bathroom. How could Qin Xiaotian know about it?

Yuan Baozhong frowned slightly, glanced at Zou Zhaolong with his eyes, and suddenly waved his hand on Zou Zhaolong!

“Boy, you actually set up a sound transmission array for us?”

Yuan Baozhong glared at Chen Pingdao!

It turns out that just when Zou Zhaolong and Yuan Baozhong got up and left to go to the bathroom, Chen Ping placed a sound transmission array on Zou Zhaolong, so their voices were transmitted into the room!

“If you don’t get carried away, what’s the use of my sound transmission array?”

Chen Ping said with a faint smile!

Chen Ping was right. If these two people didn't get carried away and started talking about everything without any restraint in the bathroom, what's the use of this sound transmission array!

"Boy, you are looking for death..."

At this time, Yuan Baozhong was already furious and looked at Chen Ping!

Chapter: 866

Zou Zhaolong also glared at Chen Ping, wishing to eat Chen Ping. He had finally worked hard to pull off the trick. He planned to never come to Kyoto again after cheating this time, but he didn't expect it to be ruined by Chen Ping!

This is ten billion, ten billion. If you get it, it will be easier than making money from any business!

"I'm just stating a fact, and I'm not trying to undermine you. Otherwise, how could you get the five billion!"

Chen Ping smiled lightly!

"But there are still five billion that haven't arrived, and it's all because of you..."

Yuan Baozhong gritted his teeth and shouted sternly, if it weren't for Chen Ping, the other five billion from the Qin family might have arrived soon!

"If you want to cause trouble for me, I can accompany you, but you should finish it with the Qin family first..."

Chen Ping raised the corner of his mouth slightly and said!

Only then did Zou Zhaolong and Yuan Baozhong think of Qin Xiaotian, but at this time Qin Xiaotian had already glared at them!

“Boss Qin, don’t listen to that kid’s nonsense. Even if this Bagua tray is made of rotten wood, with Master Yuan here, I can ask him to set up a Feng Shui array on it!”

Zou Zhaolong said to Qin Xiaotian!

“Stop talking nonsense and give me your money back...”

Qin Xiaotian pressed the hilt of the sword at his waist and said in a cold voice!

Zou Zhaolong frowned, he already had the money, there was no reason to give it back!

“Boss Qin, you bought the things voluntarily, I didn’t force you, and you also found a master of palm skills. It’s because you are blind. What does it have to do with me? Once my things are sold, they will not be returned or exchanged. ...”

Zou Zhaolong said coldly that with Yuan Baozhong here, he was not afraid of Qin Xiaotian at all. Even though this was Kyoto and Qin Xiaotian’s territory, he was still not afraid. This is why he brought Yuan Baozhong here this time!

“In this case, I will prevent you from leaving Kyoto...”

As Qin Xiaotian said this, he pulled out the soft sword with a buzzing sound, and bursts of dazzling light emitted from the sword. At first glance, this soft sword was not ordinary!

Upon seeing this, Yuan Baozhong stepped forward and stood in front of Zou Zhaolong. His whole body was filled with energy. The clothes on his body moved without any wind. The cold air became stronger and stronger, and the temperature in the whole room instantly dropped several degrees!

“Yuan Baozhong, I respect you as a master of the generation. You will not interfere in this matter, and I will not care about you. Don’t forget that this is Kyoto. Even if you are the number one magic master in China and Hong Kong, what can you do? Powerful Dragon Pressure But it’s a local snake, my people will be here soon...”

Qin Xiaotian doesn’t want to fight with Yuan Baozhong. After all, the opponent is a master of magic and has a prominent reputation. Qin Xiaotian is afraid that he can’t beat him!

“Stop talking nonsense, if you take action against Boss Zou, you are taking action against me, Mr. Yuan...”

Yuan Baozhong is not afraid of Qin Xiaotian at all!

“Then don’t blame me...”

Chapter: 867

Qin Xiaotian was seen shaking the soft sword slightly, and then dazzling white light flashed through the room. Just by looking at this move, it was known that Qin Xiaotian’s strength was not low, and he was already at the level of a grand master!

The sword light was extremely sharp and headed towards Yuan Baozhong at an extremely fast speed!

Others hid aside. They would not participate in this matter. No matter it was the Qin family or Zou Zhaolong, they would not help anyone. After all, the outcome was unknown, and it was not good to offend anyone!

“Huh, ignorant kid...”

Yuan Baozhong snorted coldly, and saw Yuan Baozhong’s sleeves and robes bulging as if blown by a blower, and he waved forward slightly!

Ding.....

With a crisp sound, Qin Xiaotian's sword struck Yuan Baozhong's sleeve, making a steely collision sound!

Such a sharp sword could not even pierce the opponent's sleeve, which made Qin Xiaotian's face instantly look ugly!

"Boss Qin, we don't want the remaining 5 billion in balance. I'll give you this Bagua Pan to teach you about Feng Shui. Let's forget it like this. How about that?"

Yuan Baozhong doesn't want to follow Qin Xiaotian to death. After all, this is Kyoto. If he really hurts Qin Xiaotian, the Qin family will definitely be in chaos. Whether they can leave Kyoto by then is unknown!

"impossible....."

Qin Xiaotian gritted his teeth, his eyes full of anger!

Things have come to this point, how could he give in, with so many people watching? If he agrees, how can he have the face to hang out in Kyoto in the future!

"Don't force me to kill you..."

Yuan Baozhong frowned slightly!

"Come on!" Qin Xiaotian roared, followed by waves of violent aura exuding from his body.

The long sword in his hand was swung again, this time the sword light was stronger, directly covering Yuan Baozhong and Zou Zhaolong!

When Zou Zhaolong saw this, there was a bit of horror in his eyes. He was not a warrior, but a simple businessman. Although he had seen the world, such a battle was still rare!

Especially when he was enveloped by the sword light, the oppressive feeling made him frightened. Although Yuan Baozhong was protecting him, Zou Zhaolong was still a little scared!

If he had known that the Qin family was so powerful, he would not have defrauded him of so much money, but who knew that a fake Bagua plate was auctioned for 10 billion!

It's all that guy's fault. If it hadn't been for him, how could Qin Xiaotian have discovered that the Bagua Pan was fake?

Zou Zhaolong glared at Chen Ping fiercely, while Chen Ping was sitting upright with a smile on his face, drinking tea gently, as if watching a play, not at all frightened by the sword light in the room. !

Yuan Baozhong frowned when he saw Qin Xiaotian struggling with each other, and then used his hands to activate the spell. Soon, a halo of light appeared around him and Zou Zhaolong, like a big protective shield, surrounding the two people. !

I saw the sword lights around them heading towards Yuan Baozhong and Zou Zhaolong crazily. Unfortunately, they were all blocked by the protective shield and did not cause any harm to the two people!

Chapter: 868

Qin Xiaotian's face turned green when he saw this. With his strength, he was no match for Yuan Baozhong!

However, Yuan Baozhong did not take action against Qin Xiaotian, otherwise Qin Xiaotian would have been injured long ago!

At this moment, there was a burst of chaotic footsteps, and then a dozen people poured in, all of them had powerful auras, and they were all people called by Qin Xiaotian!

After these people poured in, they immediately surrounded Yuan Baozhong and Zou Zhaolong!

When Qin Xiaotian saw the reinforcements arriving, he suddenly felt more at ease. Even if he used all the power of the Qin family today, he couldn't let Zou Zhaolong leave like this, otherwise the Qin family would have no face to hang out in Kyoto in the future!

So many people suddenly broke in, and many people outside also followed in. Bai Zhantang, Gu Wentian and Zhao Wuji also came in.

Su Yuqi and Gu Ling'er followed closely behind. They were afraid that Chen Ping would cause a conflict with the Qin family!

When she entered the room and saw that these people were not targeting Chen Ping, Su Yuqi felt relieved!

"What's going on with Chen Ping?"

Su Yuqi asked curiously.

Zhao Wuji also looked at Bai Xiushan at this time and said: "Old Bai, what happened? Why did Qin Xiaotian do something to Boss Zou?"

After all, Zou Zhaolong is a Hong Kong businessman from China and Hong Kong. He comes to Kyoto to do business almost every year. He has always been very good. I don't know why he suddenly had a conflict with the Qin family today!

Bai Xiushan told Zhao Wuji what happened. When Zhao Wuji heard that Zou Zhaolong was actually a liar, he became furious!

Kyoto is his territory. If he blatantly brings people to his territory to defraud money, wouldn't he be able to see clearly?

"Zou Zhaolong, you are so brave and dare to cheat in Kyoto. Does this mean you don't take my Dharma Protector Pavilion seriously?"

Zhao Wuji roared at Zou Zhaolong!

Although Zou Zhaolong was inside Yuan Baozhong's protective shield at this time, Zhao Wuji's angry shout still made him tremble!

When Yuan Baozhong saw that Zhao Wuji had also joined in, his expression became gloomy and uncertain.

"Pavilion Master Zhao, it's a misunderstanding. It's a complete misunderstanding. I can return all the money to Boss Qin..."

Zou Zhaolong was scared. After all, the Dharma Protector Pavilion was an official organization. If there was really going to be trouble, even with Yuan Baozhong by his side, it would be difficult for them to return to China and Hong Kong!

Zhao Wuji saw that Zou Zhaolong wanted to refund the money but did not want to make the matter bigger, so he looked at Qin Xiaotian and said: "Qin Xiaotian, Boss Zou has agreed to refund the money, what do you think?"

Qin Xiaotian just asked Zou Zhaolong to refund the money. Since he could refund the money, there was no need to make it too rigid. If he really wanted to fight, Yuan Baozhong would not be easy to mess with!

"Okay, as long as you return the money to me, I won't pursue it..."

Qin Xiaotian nodded and said!

Chapter: 869

Seeing this, Zou Zhaolong hurriedly took out his mobile phone and transferred all the money back to Qin Xiaotian, and Yuan Baozhong also put away the protective cover!

After transferring the money to Qin Xiaotian, Zou Zhaolong looked at Zhao Wuji and said, "Pavilion Master Zhao, can we leave?"

“Let’s go!” Zhao Wuji nodded and moved out of the way!

Qin Xiaotian also waved his hand, and the masters from the Qin family also moved out of the way!

Zou Zhaolong walked out with Yuan Baozhong. When they passed by Chen Ping, both Zou Zhaolong and Yuan Baozhong gave Chen Ping a vicious look!

“Mr. Chen, be careful, I’m afraid these two guys will do you harm...”

Seeing the look in the two people’s eyes, Bai Xiushan warned Chen Ping!

“It doesn’t matter...”

Chen Ping smiled lightly!

This antique exhibition and auction was just a pretense, and there were no magic weapons at all, so Chen Ping came for nothing this time.

Chen Ping was about to go back, but Qin Xiaotian blocked his way!

“Qin Xiaotian, what are you doing?” Seeing Qin Xiaotian stopping Chen Ping, Zhao Wuji asked hurriedly.

“Pavilion Master Zhao, don’t worry, I just want to say a few words to him!”

Qin Xiaotian smiled slightly.

“If you just want to threaten me with a few words, I advise you not to say anything, because I don’t like to listen to nonsense...”

Chen Ping glanced at Qin Xiaotian disdainfully and walked out!

“you.....”

Looking at Chen Ping’s back, Qin Xiaotian gritted his teeth and clenched his fists tightly.

If Bai Xiushan and Zhao Wuji hadn’t been there, Qin Xiaozhen would have been tempted to take action. Now that dozens of people from the Qin family have come, he doesn’t believe that Chen Ping can’t be killed!

“Boy, just wait for me, Zhao Wuji won’t always be by your side...”

Qin Xiaotian threatened Chen Ping loudly!

But Chen Ping seemed not to hear it and continued to walk out!

However, Bai Xiushan stopped and turned back to look at Qin Xiaotian: “Qin Xiaotian, as long as my Bai family is here, you can’t even touch a hair on Mr. Chen’s head...”

“Bah, when my eldest brother comes out of confinement, your Bai family will be nothing...”

Chapter: 870

Qin Xiaotian took a deep breath!

Bai Xiushan’s face suddenly turned cold, but in the end he turned around and walked out!

Qin Xiaotian is right. If he waits until his eldest brother Qin Xiaotian comes out of confinement, the Bai family may not be the opponent of the Qin family. After all, no one can guess how terrifying the other party’s strength can be!

Fortunately, the Bai family now has a monk like Chen Ping behind them, so Bai Xiushan is not particularly worried. The only thing he has to do now is to please Chen Ping!

After everyone walked out of the room and came to the hall, they found that Zou Zhaolong and Yuan Baozhong, who had come out early, had not left, but were chatting with a middle-aged man!

Chen Ping was a little confused. These two guys were exposed for their deception and almost died. Why didn't they run away now and still dared to stay here and chat.

However, when Zhao Wuji on the side saw the middle-aged man who was talking to Yuan Baozhong, his expression changed slightly and he walked over quickly!

"Secretary Kong, why do you have time to come here?"

Zhao Wuji asked respectfully to the middle-aged man.

"The leader knew that the number one magic master from China and Hong Kong was here, so he asked me to come over and invite Master Yuan to his house to talk..."

Secretary Kong said.

"What do you want them to do?" Zhao Wuji glanced at Yuan Baozhong and Zou Zhaolong!

"Pavilion Master Zhao, you also know that the leader's son has been lying in bed for more than a year. Since Master Yuan has come to Kyoto, the leader would like to invite Master Yuan to come and have a look..."

Secretary Kong explained.

"Oh!" Zhao Wuji just said oh, but he didn't follow Secretary Kong on the spot to reveal that the two people were here to cheat.

"Master Yuan, please, the car is right outside..."

Secretary Kong said to Yuan Baozhong respectfully.

At this time, Yuan Baozhong looked arrogant. He knew that the person who invited him definitely had a high status and status in Kyoto. After all, a secretary around him could make Zhao Wuji, the master of the Kyoto Guardian Pavilion, respectful.

Yuan Baozhong walked out with his head held high, followed by Secretary Kong, and this scene was also seen by Qin Xiaotian who was walking out of the room!

After seeing the people around Yuan Baozhong clearly, his face changed slightly and his brows furrowed tightly.

Although the money was returned, he was fooled and the Qin family lost a lot of face. He originally wanted to find a way to disgust Zou Zhaolong and Yuan Baozhong when they left Kyoto, so as to regain their face!

But now that he saw clearly who asked Yuan Baozhong to leave, Qin Xiaotian immediately gave up the idea!

“Who is this guy?”

Chen Ping couldn't help but wonder when he saw that Zhao Wuji was so polite to the person who invited Yuan Baozhong!
